

1  
00:00:09,530 --> 00:00:06,110

I was making them

2  
00:00:11,930 --> 00:00:09,540

a javelin sort of to Chuck around in the

3  
00:00:14,749 --> 00:00:11,940

churchyard you know with a jumping and

4  
00:00:16,970 --> 00:00:14,759

then suddenly Thomas pulled me away and

5  
00:00:19,010 --> 00:00:16,980

looks looking sky and said what's that

6  
00:00:23,090 --> 00:00:19,020

noise you know it was humming it was

7  
00:00:26,150 --> 00:00:23,100

like um and said it's a

8  
00:00:28,609 --> 00:00:26,160

um a flying saucer I said where where at

9  
00:00:32,030 --> 00:00:28,619

and then I saw this eye shadow sort of

10  
00:00:34,549 --> 00:00:32,040

black a black sort of Shadow thing and

11  
00:00:36,889 --> 00:00:34,559

then I thought what could it be you know

12  
00:00:39,770 --> 00:00:36,899

and Thomas said it's fine closer and

13  
00:00:42,590 --> 00:00:39,780

that's you know so excited it's about 50

14

00:00:44,690 --> 00:00:42,600

50 foot above the church Tower

15

00:00:46,310 --> 00:00:44,700

and what was he doing well it's just

16

00:00:48,049 --> 00:00:46,320

hovering for a while

17

00:00:50,270 --> 00:00:48,059

um sort of moving very slowly and then

18

00:00:51,529 --> 00:00:50,280

after about 30 seconds it just went off

19

00:00:53,750 --> 00:00:51,539

really fast

20

00:00:55,069 --> 00:00:53,760

do I have any lights on it no none at

21

00:00:56,869 --> 00:00:55,079

all

22

00:00:58,970 --> 00:00:56,879

how do you know it wasn't an aircraft or

23

00:01:01,250 --> 00:00:58,980

just a dark cloud or by a noise it made

24

00:01:03,529 --> 00:01:01,260

and by the size because it's enormous

25

00:01:06,109 --> 00:01:03,539

and it was like a dome
