

1
00:00:05,809 --> 00:00:02,949
promise so

2
00:00:09,890 --> 00:00:05,819
perhaps the best thing to do would be to

3
00:00:12,070 --> 00:00:09,900
for the first time publicly can recount

4
00:00:18,349 --> 00:00:12,080
your story from the time you were

5
00:00:23,630 --> 00:00:20,810
four off the first part I've been told

6
00:00:24,950 --> 00:00:23,640
by all the witnesses that

7
00:00:26,509 --> 00:00:24,960
you know

8
00:00:29,929 --> 00:00:26,519
we count my

9
00:00:37,130 --> 00:00:32,749
um we just finished working because it

10
00:00:39,430 --> 00:00:37,970
um

11
00:00:43,670 --> 00:00:39,440
we

12
00:00:46,369 --> 00:00:43,680
up the road

13
00:00:49,330 --> 00:00:46,379

and uh I think we looked off to the

14

00:00:49,340 --> 00:00:55,310

and I saw a glow that I thought was so

15

00:00:58,189 --> 00:00:57,049

sunset or something I was about to

16

00:01:00,830 --> 00:00:58,199

comment on

17

00:01:02,630 --> 00:01:00,840

we came past the thicket that we were

18

00:01:07,910 --> 00:01:02,640

looking through to where we could see

19

00:01:09,770 --> 00:01:07,920

more clearly and we saw a UFO hopping in

20

00:01:13,370 --> 00:01:09,780

the air about

21

00:01:15,310 --> 00:01:13,380

30 yards off to the side of the road

22

00:01:17,530 --> 00:01:15,320

everybody started

23

00:01:20,929 --> 00:01:17,540

yelling and

24

00:01:25,490 --> 00:01:20,939

they stopped the truck

25

00:01:28,550 --> 00:01:25,500

I uh I wanted to get a closer look and I

26
00:01:30,310 --> 00:01:28,560
got out of the truck and I started over

27
00:01:33,530 --> 00:01:30,320
there

28
00:01:36,050 --> 00:01:33,540
everyone was yelling that I should come

29
00:01:44,569 --> 00:01:36,060
back to stop

30
00:01:50,929 --> 00:01:48,170
from somebody called my name and I

31
00:01:53,929 --> 00:01:50,939
turned back around and it started to

32
00:01:57,109 --> 00:01:53,939
make a noise and started to move

33
00:02:03,230 --> 00:02:00,170
one step I I crouched down behind the

34
00:02:04,429 --> 00:02:03,240
alarm it was there

35
00:02:07,010 --> 00:02:04,439
and

36
00:02:08,330 --> 00:02:07,020
just as I started to raise up I was just

37
00:02:10,969 --> 00:02:08,340
going to stand up I didn't have any

38
00:02:14,809 --> 00:02:10,979

intention of going any closer but it was

39

00:02:17,869 --> 00:02:14,819

just as if I was struck I it was kind of

40

00:02:19,910 --> 00:02:17,879

a physical blow to

41

00:02:21,710 --> 00:02:19,920

It just knocked me back I don't remember

42

00:02:24,830 --> 00:02:21,720

seeing any flash of light or anything

43

00:02:28,190 --> 00:02:24,840

like what they described I just I just

44

00:02:32,449 --> 00:02:30,650

[Music]

45

00:02:35,930 --> 00:02:32,459

and I

46

00:02:42,229 --> 00:02:38,990

I would I was looking up at a light

47

00:02:44,630 --> 00:02:42,239

shining down on me from the ceiling

48

00:02:47,449 --> 00:02:44,640

I could tell I was leaning up on a bed

49

00:02:50,509 --> 00:02:47,459

or a table or something because the

50

00:02:53,509 --> 00:02:50,519

ceiling was close

51
00:02:56,809 --> 00:02:53,519
back hours in a lot of pain I I couldn't

52
00:03:00,350 --> 00:02:56,819
I couldn't quite bring myself

53
00:03:03,830 --> 00:03:00,360
totally awake what type of pain what

54
00:03:07,250 --> 00:03:03,840
parts of your body uh

55
00:03:11,509 --> 00:03:07,260
it was kind of like in my head but just

56
00:03:14,750 --> 00:03:11,519
all over it I can't describe it

57
00:03:20,649 --> 00:03:16,550
and

58
00:03:23,210 --> 00:03:20,659
I I believed that I was in the hospital

59
00:03:26,930 --> 00:03:23,220
and I was I was looking up at the

60
00:03:29,649 --> 00:03:26,940
ceiling and I I didn't make any attempt

61
00:03:32,149 --> 00:03:29,659
to move because of

62
00:03:36,589 --> 00:03:32,159
the pain I was in

63
00:03:37,970 --> 00:03:36,599

but I I felt something Laying across my

64

00:03:41,930 --> 00:03:37,980

chest

65

00:03:44,030 --> 00:03:41,940

and I I looked down and it was a

66

00:03:47,869 --> 00:03:44,040

it was sort of a

67

00:03:49,789 --> 00:03:47,879

a flat thing that kind of curved across

68

00:03:51,589 --> 00:03:49,799

like that

69

00:03:54,949 --> 00:03:51,599

and

70

00:04:00,490 --> 00:03:54,959

my I couldn't focus my eyes very well

71

00:04:07,990 --> 00:04:05,089

the the top edge of the I think it was

72

00:04:10,089 --> 00:04:08,000

laying across me and I saw

73

00:04:13,610 --> 00:04:10,099

two men

74

00:04:19,490 --> 00:04:13,620

leaning over me they were they were they

75

00:04:24,350 --> 00:04:21,770

uh

76

00:04:27,290 --> 00:04:24,360

they were a lot like men but they

77

00:04:29,030 --> 00:04:27,300

weren't quite human what they physically

78

00:04:30,990 --> 00:04:29,040

looked like

79

00:04:32,510 --> 00:04:31,000

they were

80

00:04:35,450 --> 00:04:32,520

[Music]

81

00:04:38,870 --> 00:04:35,460

they had kind of underdeveloped features

82

00:04:41,390 --> 00:04:38,880

and no hair

83

00:04:43,610 --> 00:04:41,400

of any kind

84

00:04:47,030 --> 00:04:43,620

and they were dressed in kind of a

85

00:04:54,050 --> 00:04:50,870

about how tall were they were

86

00:04:56,510 --> 00:04:54,060

slightly shorter than myself what type

87

00:04:59,689 --> 00:04:56,520

of clothing is it dressed it was sort of

88

00:05:02,990 --> 00:04:59,699

a loose cover off I I didn't see any

89

00:05:05,230 --> 00:05:03,000

buttons or anything like that

90

00:05:08,810 --> 00:05:05,240

but I

91

00:05:10,610 --> 00:05:08,820

being in so much pain and everything I I

92

00:05:16,370 --> 00:05:10,620

didn't

93

00:05:18,590 --> 00:05:16,380

and uh knocked them back I could see

94

00:05:20,810 --> 00:05:18,600

that there was two on the right side and

95

00:05:22,909 --> 00:05:20,820

and one on the left

96

00:05:25,310 --> 00:05:22,919

I

97

00:05:27,110 --> 00:05:25,320

jumped into the corner did you actually

98

00:05:30,650 --> 00:05:27,120

strike them did you actually touch them

99

00:05:33,409 --> 00:05:30,660

when you flashed that yes I did I kind

100

00:05:34,510 --> 00:05:33,419

of hit these two with the back of my arm

101
00:05:38,390 --> 00:05:34,520
and

102
00:05:42,770 --> 00:05:38,400
they fell back really easily I feel like

103
00:05:45,529 --> 00:05:42,780
hitting a person would yes

104
00:05:49,330 --> 00:05:45,539
they seem light like they weren't heavy

105
00:05:49,340 --> 00:05:55,730
I I couldn't stand up very well I

106
00:06:00,230 --> 00:05:56,890
um

107
00:06:03,110 --> 00:06:00,240
leaned against there was a bench across

108
00:06:06,830 --> 00:06:03,120
the back wall I said the back wall I

109
00:06:11,290 --> 00:06:06,840
mean there was only one door

110
00:06:14,629 --> 00:06:11,300
and I grabbed a

111
00:06:17,570 --> 00:06:14,639
two a clear piece of glass or something

112
00:06:19,909 --> 00:06:17,580
and I I tried to break off the end to

113
00:06:22,309 --> 00:06:19,919

get something sharp to defend myself

114

00:06:24,230 --> 00:06:22,319

with but they didn't try to approach

115

00:06:28,010 --> 00:06:24,240

they just kind of put out their hands

116

00:06:28,020 --> 00:06:33,670

um

117

00:06:38,650 --> 00:06:37,309

I I was leaning I couldn't stand up very

118

00:06:42,590 --> 00:06:38,660

well

119

00:06:46,010 --> 00:06:42,600

I was breathing very heavily

120

00:06:48,830 --> 00:06:46,020

on they just they didn't try to approach

121

00:06:51,110 --> 00:06:48,840

or or anything they just left they just

122

00:06:54,529 --> 00:06:51,120

ran out real fast

123

00:06:56,270 --> 00:06:54,539

and I was alone there for

124

00:07:00,469 --> 00:06:56,280

for several minutes and I I couldn't

125

00:07:02,520 --> 00:07:00,479

catch my breath it's very hot

126
00:07:04,370 --> 00:07:02,530
and I

127
00:07:08,749 --> 00:07:04,380
[Music]

128
00:07:14,870 --> 00:07:11,930
and so I I left they'd gone there was a

129
00:07:17,270 --> 00:07:14,880
corridor outside and they went to the

130
00:07:19,670 --> 00:07:17,280
right and I went to the left and went

131
00:07:22,189 --> 00:07:19,680
through the door you know there was no

132
00:07:23,270 --> 00:07:22,199
door it was just a whole doorway an

133
00:07:25,909 --> 00:07:23,280
opening

134
00:07:28,309 --> 00:07:25,919
and uh

135
00:07:31,610 --> 00:07:28,319
I it was a curving hallway because it

136
00:07:34,850 --> 00:07:31,620
went it curved to the right

137
00:07:37,909 --> 00:07:34,860
there was another door with no doorway

138
00:07:40,610 --> 00:07:37,919

it was just the whole and

139

00:07:42,409 --> 00:07:40,620

I went into a room there and had chewed

140

00:07:45,650 --> 00:07:42,419

on very far and very far distance at

141

00:07:48,170 --> 00:07:45,660

that point it was only about 30 feet or

142

00:07:50,089 --> 00:07:48,180

40 feet I don't know

143

00:07:52,930 --> 00:07:50,099

not very far

144

00:07:56,870 --> 00:07:52,940

no not not even that far

145

00:07:59,089 --> 00:07:56,880

I don't remember it was very narrow

146

00:08:01,309 --> 00:07:59,099

cordless it was definitely lit

147

00:08:02,570 --> 00:08:01,319

everywhere

148

00:08:06,409 --> 00:08:02,580

and

149

00:08:09,650 --> 00:08:06,419

I went into this room that you could see

150

00:08:13,430 --> 00:08:09,660

out it was it was

151
00:08:17,990 --> 00:08:13,440
you could even see the stars back

152
00:08:23,270 --> 00:08:21,110
okay it was I could still see that that

153
00:08:25,010 --> 00:08:23,280
there was walls but I could see the

154
00:08:28,550 --> 00:08:25,020
stars at the same time and it didn't

155
00:08:29,570 --> 00:08:28,560
look like Windows no

156
00:08:31,670 --> 00:08:29,580
like that

157
00:08:33,170 --> 00:08:31,680
[Music]

158
00:08:35,469 --> 00:08:33,180
because there was nothing in the room

159
00:08:38,630 --> 00:08:35,479
but a chair with some

160
00:08:42,769 --> 00:08:38,640
controls and knobs and things

161
00:08:47,990 --> 00:08:42,779
I just kind of I was

162
00:08:50,050 --> 00:08:48,000
I was there when I was frantic and I I

163
00:08:55,009 --> 00:08:50,060

won just

164

00:08:58,329 --> 00:08:55,019

moved around there for a while and I am

165

00:09:02,389 --> 00:08:58,339

started fooling with the

166

00:09:07,850 --> 00:09:02,399

buttons there did you sat in the chair

167

00:09:11,769 --> 00:09:07,860

and I did later at first I just touched

168

00:09:17,269 --> 00:09:15,110

I didn't think I should be I was afraid

169

00:09:18,710 --> 00:09:17,279

I'd mess something up and somebody would

170

00:09:25,190 --> 00:09:18,720

come

171

00:09:28,610 --> 00:09:25,200

turned around and it was a man just just

172

00:09:31,630 --> 00:09:28,620

like people I mean

173

00:09:35,030 --> 00:09:31,640

maybe it wasn't like the other

174

00:09:38,329 --> 00:09:35,040

creatures or whatever at all he he

175

00:09:42,470 --> 00:09:38,339

looked just like you and I except he had

176

00:09:43,970 --> 00:09:42,480

a helmet on a sort of a clear helmet

177

00:09:46,550 --> 00:09:43,980

that they've got hair and everything

178

00:09:50,030 --> 00:09:46,560

yeah

179

00:09:56,329 --> 00:09:50,829

I

180

00:09:59,389 --> 00:09:56,339

over there and he wouldn't he wouldn't

181

00:10:01,910 --> 00:09:59,399

answer me he just took me by the arm and

182

00:10:03,829 --> 00:10:01,920

wanted me to go with him I thought he

183

00:10:05,570 --> 00:10:03,839

maybe he can't hear me through the

184

00:10:09,590 --> 00:10:05,580

helmet

185

00:10:12,650 --> 00:10:09,600

so we went out to the door

186

00:10:13,790 --> 00:10:12,660

down to the right and and out to the

187

00:10:16,130 --> 00:10:13,800

left

188

00:10:20,570 --> 00:10:16,140

it was a there was a small room there it

189

00:10:22,250 --> 00:10:20,580

had doors on it and it was

190

00:10:24,290 --> 00:10:22,260

it was kind of like an airlock and it

191

00:10:26,630 --> 00:10:24,300

was just a small room with nothing in it

192

00:10:28,480 --> 00:10:26,640

and then there was a door that went

193

00:10:30,290 --> 00:10:28,490

outside and

194

00:10:33,769 --> 00:10:30,300

[Music]

195

00:10:38,090 --> 00:10:33,779

um I think it was a ramp that went down

196

00:10:41,329 --> 00:10:38,100

and it was cool out outside it was

197

00:10:43,610 --> 00:10:41,339

you know I could feel wind it was there

198

00:10:47,990 --> 00:10:43,620

was a draft or something it was a large

199

00:10:51,170 --> 00:10:48,000

room at this thing was

200

00:10:53,750 --> 00:10:51,180

oh setting on the floor

201
00:10:56,870 --> 00:10:53,760
in there and uh

202
00:10:58,389 --> 00:10:56,880
it was it was shaped like like the the

203
00:11:01,250 --> 00:10:58,399
drawing that

204
00:11:03,949 --> 00:11:01,260
they made like the things I saw the

205
00:11:07,009 --> 00:11:03,959
first time only when we bigger and it

206
00:11:09,829 --> 00:11:07,019
was there was two other things and then

207
00:11:12,170 --> 00:11:09,839
the other UFO looking things look like

208
00:11:14,449 --> 00:11:12,180
flying saucers kind of except they were

209
00:11:16,569 --> 00:11:14,459
grounded an oval shape in there and

210
00:11:18,730 --> 00:11:16,579
really shining like

211
00:11:23,150 --> 00:11:18,740
Chrome

212
00:11:26,030 --> 00:11:23,160
it was a it was a big room like there

213
00:11:28,850 --> 00:11:26,040

was a lot more room in there and it was

214

00:11:32,810 --> 00:11:28,860

a it was a curved ceiling and it curved

215

00:11:35,509 --> 00:11:32,820

this way and it had a flat

216

00:11:40,250 --> 00:11:35,519

hands to the room

217

00:11:43,670 --> 00:11:40,260

I came out of the door out of that first

218

00:11:45,410 --> 00:11:43,680

ship facing this way and there was a

219

00:11:47,750 --> 00:11:45,420

doorway across

220

00:11:50,470 --> 00:11:47,760

the in in the far wall

221

00:11:53,569 --> 00:11:50,480

he's led me across there

222

00:11:55,730 --> 00:11:53,579

and and threw that doorway down a

223

00:11:59,650 --> 00:11:55,740

hallway

224

00:12:03,889 --> 00:11:59,660

to a room in and

225

00:12:05,990 --> 00:12:03,899

there I'd had a burning in my chest and

226

00:12:08,889 --> 00:12:06,000

it was it was starting

227

00:12:11,810 --> 00:12:08,899

I I felt better I I

228

00:12:15,530 --> 00:12:11,820

was trying to get this this man to tell

229

00:12:18,590 --> 00:12:15,540

me what what you know I asked him if he

230

00:12:22,910 --> 00:12:18,600

was from Earth and just anything I could

231

00:12:24,590 --> 00:12:22,920

think of in and he wouldn't answer it

232

00:12:26,930 --> 00:12:24,600

was the expressionless to the ebony

233

00:12:30,650 --> 00:12:26,940

expression no he looked friendly and he

234

00:12:32,509 --> 00:12:30,660

kind of he gestured and and smiled but I

235

00:12:34,310 --> 00:12:32,519

there was no words

236

00:12:35,990 --> 00:12:34,320

in this place that you were in could you

237

00:12:40,370 --> 00:12:36,000

see out at all

238

00:12:43,490 --> 00:12:40,380

no there was no way out there

239

00:12:45,889 --> 00:12:43,500

so you were going from actually from one

240

00:12:48,230 --> 00:12:45,899

ship to another was that essentially

241

00:12:51,470 --> 00:12:48,240

yeah yeah

242

00:12:53,750 --> 00:12:51,480

this must have been inside of the larger

243

00:12:56,269 --> 00:12:53,760

building or ship I don't know if it was

244

00:12:59,030 --> 00:12:56,279

a large ship or a building okay there's

245

00:13:00,050 --> 00:12:59,040

no way I never felt any motion or

246

00:13:02,449 --> 00:13:00,060

anything

247

00:13:04,670 --> 00:13:02,459

it was just like being in a large

248

00:13:10,129 --> 00:13:04,680

building all the time and everything's

249

00:13:16,490 --> 00:13:13,610

was led down the hallway the man

250

00:13:18,410 --> 00:13:16,500

sat me in a chair

251
00:13:20,690 --> 00:13:18,420
and in a room with three other people

252
00:13:22,530 --> 00:13:20,700
that were like himself they were dressed

253
00:13:25,930 --> 00:13:22,540
in blue

254
00:13:30,949 --> 00:13:28,310
he went out there was a door on the

255
00:13:31,970 --> 00:13:30,959
other side and he went on through

256
00:13:36,110 --> 00:13:31,980
and

257
00:13:37,730 --> 00:13:36,120
the people to talk to me that were there

258
00:13:40,250 --> 00:13:37,740
and they didn't have things on their

259
00:13:41,629 --> 00:13:40,260
head and and so I thought that maybe

260
00:13:43,850 --> 00:13:41,639
they could hear me but they they

261
00:13:47,590 --> 00:13:43,860
wouldn't answer either

262
00:13:50,870 --> 00:13:47,600
I was two men and a woman in the room

263
00:13:53,509 --> 00:13:50,880

after the first man left

264

00:13:56,090 --> 00:13:53,519

a man and a woman came from around the

265

00:13:58,610 --> 00:13:56,100

table and they each took me by the arm

266

00:14:05,670 --> 00:13:58,620

they led me over to the table

267

00:14:12,949 --> 00:14:09,290

[Music]

268

00:14:15,230 --> 00:14:12,959

they they put a

269

00:14:16,970 --> 00:14:15,240

a deal over my face it was kind of like

270

00:14:19,310 --> 00:14:16,980

an oxygen mask thing it was kind of

271

00:14:22,370 --> 00:14:19,320

clear plastic and it had a

272

00:14:24,590 --> 00:14:22,380

around black thing on it about that big

273

00:14:26,569 --> 00:14:24,600

just attached to it and

274

00:14:29,150 --> 00:14:26,579

I looked up at the ceiling which was

275

00:14:32,090 --> 00:14:29,160

just it was all solid light there wasn't

276

00:14:34,730 --> 00:14:32,100

any light fixture or anything but like

277

00:14:38,449 --> 00:14:34,740

in the room just coming from the ceiling

278

00:14:40,730 --> 00:14:38,459

and that was last I remembered I I went

279

00:14:43,670 --> 00:14:40,740

to sleep until

280

00:14:47,629 --> 00:14:43,680

I woke up I was laying on the pavement

281

00:14:49,689 --> 00:14:47,639

it was very cold I woke up very suddenly

282

00:14:53,269 --> 00:14:49,699

and I was

283

00:14:56,210 --> 00:14:53,279

I looked up up the roadway I was laying

284

00:14:57,250 --> 00:14:56,220

outside it was night and I could see a

285

00:15:01,189 --> 00:14:57,260

light

286

00:15:02,329 --> 00:15:01,199

on the bottom of a of a flying saucer

287

00:15:05,509 --> 00:15:02,339

that looked

288

00:15:06,710 --> 00:15:05,519

just like the rounded ones that were

289

00:15:08,090 --> 00:15:06,720

inside there

290

00:15:10,730 --> 00:15:08,100

and uh

291

00:15:13,069 --> 00:15:10,740

it was very shiny but the only light

292

00:15:15,470 --> 00:15:13,079

came out of the bottom but then that

293

00:15:18,170 --> 00:15:15,480

went off and it just went straight up

294

00:15:21,430 --> 00:15:18,180

really fast just

295

00:15:26,150 --> 00:15:23,689

what were your feelings at that point

296

00:15:28,910 --> 00:15:26,160

were you still in pain

297

00:15:32,030 --> 00:15:28,920

did you know where you were

298

00:15:32,930 --> 00:15:32,040

I didn't know where I was immediately

299

00:15:35,150 --> 00:15:32,940

but

300

00:15:37,009 --> 00:15:35,160

I recognized the roadway

301
00:15:39,710 --> 00:15:37,019
and I could see a light down the hills

302
00:15:41,629 --> 00:15:39,720
where I ran down that way

303
00:15:43,610 --> 00:15:41,639
and

304
00:15:48,350 --> 00:15:43,620
it was about a mile

305
00:15:52,069 --> 00:15:48,360
or have a half a mile to Heber and

306
00:16:01,150 --> 00:15:56,030
down to the phone boats

307
00:16:03,340 --> 00:16:01,160
with that is by the gas station there

308
00:16:04,629 --> 00:16:03,350
and I called

309
00:16:08,030 --> 00:16:04,639
[Music]

310
00:16:09,889 --> 00:16:08,040
my brother-in-law

311
00:16:13,790 --> 00:16:09,899
and

312
00:16:20,750 --> 00:16:13,800
I don't know what I said I was

313
00:16:27,230 --> 00:16:23,629

he answered and said

314

00:16:29,629 --> 00:16:27,240

who is this and I tried to tell him and

315

00:16:32,269 --> 00:16:29,639

he said I think you got the wrong number

316

00:16:34,430 --> 00:16:32,279

and he started to hang up and

317

00:16:37,069 --> 00:16:34,440

I was screamed at him that you know it

318

00:16:38,509 --> 00:16:37,079

was me and so he said he stopped and he

319

00:16:43,610 --> 00:16:38,519

he said

320

00:16:45,249 --> 00:16:43,620

oh okay I'll get somebody here to to

321

00:16:48,230 --> 00:16:45,259

come and get you

322

00:16:50,030 --> 00:16:48,240

and I hung up and I just couldn't stand

323

00:16:54,170 --> 00:16:50,040

up anymore and I

324

00:16:57,769 --> 00:16:54,180

just sat down there doing physical pain

325

00:16:59,810 --> 00:16:57,779

no not not at the time I I didn't feel

326

00:17:01,790 --> 00:16:59,820

any more pain I just was so weak I

327

00:17:05,870 --> 00:17:01,800

couldn't stand up I was

328

00:17:13,909 --> 00:17:10,250

and I didn't I've been able to make any

329

00:17:18,409 --> 00:17:13,919

purpose out of that or anything but

330

00:17:22,970 --> 00:17:20,990

we'll be joined by Jim Lorenzen of Ariel

331

00:17:25,189 --> 00:17:22,980

phenomena research organization after

332

00:17:27,890 --> 00:17:25,199

these messages

333

00:17:31,070 --> 00:17:27,900

we've been joined Now by Jim Lorenzen

334

00:17:33,530 --> 00:17:31,080

who is the director of apro the aerial

335

00:17:35,810 --> 00:17:33,540

phenomena research research organization

336

00:17:38,330 --> 00:17:35,820

Jim

337

00:17:40,370 --> 00:17:38,340

before we get to you I think there's one

338

00:17:43,190 --> 00:17:40,380

question that uh I would like to pose to

339

00:17:45,590 --> 00:17:43,200

Travis and it's the question that's been

340

00:17:47,570 --> 00:17:45,600

bothering a lot of people

341

00:17:49,970 --> 00:17:47,580

Travis why did you why didn't you bring

342

00:17:52,190 --> 00:17:49,980

your story to the media

343

00:17:55,150 --> 00:17:52,200

well they

344

00:17:59,029 --> 00:17:55,160

my family uh

345

00:18:01,190 --> 00:17:59,039

uh told me about the news people and all

346

00:18:04,730 --> 00:18:01,200

the people that were crowding around and

347

00:18:07,789 --> 00:18:04,740

I was just in no condition to to talk to

348

00:18:11,810 --> 00:18:07,799

anybody especially you know

349

00:18:14,330 --> 00:18:11,820

I'm all of people like that I just I

350

00:18:17,510 --> 00:18:14,340

just couldn't handle it

351

00:18:19,669 --> 00:18:17,520

is that typical gym in Kansas we live in

352

00:18:22,909 --> 00:18:19,679

some cases yes I could I can vouch for

353

00:18:25,490 --> 00:18:22,919

what he said because uh when I saw it

354

00:18:26,870 --> 00:18:25,500

first saw Travis he was in a very

355

00:18:28,810 --> 00:18:26,880

unsettled state

356

00:18:32,330 --> 00:18:28,820

and uh

357

00:18:35,930 --> 00:18:32,340

he was really in no position to defend

358

00:18:37,970 --> 00:18:35,940

questions or to respond

359

00:18:40,850 --> 00:18:37,980

you have listened to the description

360

00:18:42,529 --> 00:18:40,860

that he gave us of his ordeal what are

361

00:18:45,710 --> 00:18:42,539

your comments your reactions in

362

00:18:49,210 --> 00:18:45,720

comparison with past cases well I was

363

00:18:51,590 --> 00:18:49,220

struck by the fact that he described

364

00:18:54,890 --> 00:18:51,600

these beings that didn't look quite

365

00:18:56,570 --> 00:18:54,900

human he described them precisely the

366

00:18:58,970 --> 00:18:56,580

way another

367

00:19:01,250 --> 00:18:58,980

person who's describing who had a

368

00:19:02,990 --> 00:19:01,260

similar experience now this case has not

369

00:19:04,490 --> 00:19:03,000

been published anywhere and no case like

370

00:19:05,750 --> 00:19:04,500

it I know have been it's been part of it

371

00:19:07,490 --> 00:19:05,760

so it's something that Travis could not

372

00:19:11,350 --> 00:19:07,500

have read anywhere

373

00:19:14,710 --> 00:19:11,360

and this the descriptions are identical

374

00:19:18,049 --> 00:19:14,720

there was some apparent

375

00:19:21,669 --> 00:19:18,059

conflict between different organizations

376

00:19:24,830 --> 00:19:21,679

UFO organizations over Travis's story

377

00:19:27,230 --> 00:19:24,840

why are you defending it and why did the

378

00:19:29,870 --> 00:19:27,240

others seemingly discounted

379

00:19:33,529 --> 00:19:29,880

well some people get concerned about

380

00:19:36,169 --> 00:19:33,539

their image and they get they don't

381

00:19:39,409 --> 00:19:36,179

realize that this subject has many

382

00:19:41,450 --> 00:19:39,419

facets to it that that can be

383

00:19:43,789 --> 00:19:41,460

well embarrassing in the sense that

384

00:19:45,049 --> 00:19:43,799

public acceptance is lacking the story

385

00:19:47,990 --> 00:19:45,059

seem

386

00:19:50,810 --> 00:19:48,000

s uninitiated pretty wild I think is the

387

00:19:53,270 --> 00:19:50,820

fact that we our organization has now

388

00:19:56,770 --> 00:19:53,280

going on 24 years experience I made us

389

00:19:59,330 --> 00:19:56,780

able to cope with this in a much more uh

390

00:20:01,430 --> 00:19:59,340

thing and realistic manner than people

391

00:20:03,650 --> 00:20:01,440

without that kind of experience

392

00:20:05,810 --> 00:20:03,660

could you tell us what kind of testing

393

00:20:08,210 --> 00:20:05,820

that Travis has undergone what the

394

00:20:10,190 --> 00:20:08,220

results were of that and what the plans

395

00:20:13,549 --> 00:20:10,200

are for the future well I can do this

396

00:20:15,770 --> 00:20:13,559

generally we have him checked by a

397

00:20:18,770 --> 00:20:15,780

couple of MDS and they they ran some

398

00:20:21,110 --> 00:20:18,780

tests I don't have all the results but I

399

00:20:25,190 --> 00:20:21,120

can say this that uh

400

00:20:28,130 --> 00:20:25,200

that there was a urine analysis done on

401
00:20:30,650 --> 00:20:28,140
the first urine sample after the

402
00:20:33,289 --> 00:20:30,660
incident and this completely does away

403
00:20:35,330 --> 00:20:33,299
with the idea that there was any drug

404
00:20:37,549 --> 00:20:35,340
involvement that some people brought up

405
00:20:39,529 --> 00:20:37,559
uh that and the blood sample is really

406
00:20:42,529 --> 00:20:39,539
straighten that out there's there's none

407
00:20:45,840 --> 00:20:42,539
of that involved uh and uh

408
00:20:50,350 --> 00:20:47,270
[Music]

409
00:20:54,169 --> 00:20:50,360
interviewed at Great and great depths by

410
00:20:55,430 --> 00:20:54,179
some very well respected

411
00:21:02,870 --> 00:20:55,440
uh

412
00:21:06,350 --> 00:21:02,880
and they have concluded that he is not a

413
00:21:11,570 --> 00:21:08,990

that he's telling the truth

414

00:21:13,190 --> 00:21:11,580

foreign witnesses to the Armenia calling

415

00:21:14,390 --> 00:21:13,200

experts like this to interview Witnesses

416

00:21:15,950 --> 00:21:14,400

of course we call them in because we

417

00:21:19,010 --> 00:21:15,960

feel they're qualified to make those

418

00:21:20,890 --> 00:21:19,020

judgments and uh I have no trouble

419

00:21:23,150 --> 00:21:20,900

accepting those judgments at all

420

00:21:25,010 --> 00:21:23,160

particularly as I mentioned since parts

421

00:21:26,750 --> 00:21:25,020

of the story really correspond with

422

00:21:29,330 --> 00:21:26,760

cases that we know of already was this

423

00:21:31,669 --> 00:21:29,340

under aggressive hypnosis now regressive

424

00:21:34,070 --> 00:21:31,679

hypnosis has been performed by still

425

00:21:37,190 --> 00:21:34,080

another man in the practice performed by

426

00:21:38,990 --> 00:21:37,200

Dr Jim harder of

427

00:21:40,909 --> 00:21:39,000

Berkeley University of California at

428

00:21:43,370 --> 00:21:40,919

Berkeley and he's our research director

429

00:21:44,510 --> 00:21:43,380

and he is a real specialist in this sort

430

00:21:46,669 --> 00:21:44,520

of work

431

00:21:49,270 --> 00:21:46,679

and has been involved in quite a few

432

00:21:53,810 --> 00:21:49,280

other cases

433

00:21:56,029 --> 00:21:53,820

under the regressive hypnosis he relived

434

00:21:58,090 --> 00:21:56,039

this thing just essentially as you saw

435

00:22:00,529 --> 00:21:58,100

here probably with a little more detail

436

00:22:04,029 --> 00:22:00,539

what other kind of tests would he be

437

00:22:06,950 --> 00:22:04,039

going through in the future well you see

438

00:22:10,010 --> 00:22:06,960

we're really sort of past the testing

439

00:22:12,350 --> 00:22:10,020

stage in a sense in other words uh from

440

00:22:18,230 --> 00:22:12,360

now on I think you'd more you'd be more

441

00:22:18,830 --> 00:22:18,240

likely to call it research we hope to

442

00:22:21,310 --> 00:22:18,840

um

443

00:22:23,630 --> 00:22:21,320

have this memory the blocked memory

444

00:22:26,230 --> 00:22:23,640

relieved so that we can get a full

445

00:22:29,750 --> 00:22:26,240

account of what happened

446

00:22:31,310 --> 00:22:29,760

this this may take time and there may be

447

00:22:34,250 --> 00:22:31,320

a program delay that we just have to

448

00:22:36,649 --> 00:22:34,260

wait for it'll just depend on how how he

449

00:22:38,270 --> 00:22:36,659

feels as time goes by why not the

450

00:22:41,990 --> 00:22:38,280

polygraph test this has been a major

451
00:22:43,310 --> 00:22:42,000
criticism all right because uh a lot of

452
00:22:45,049 --> 00:22:43,320
people have criticized it because I

453
00:22:47,210 --> 00:22:45,059
think polygraph is a lie detector

454
00:22:48,890 --> 00:22:47,220
because it's called that but it's not

455
00:22:51,110 --> 00:22:48,900
and Travis was under that impression too

456
00:22:52,610 --> 00:22:51,120
he was anxious to take the lie detector

457
00:22:55,430 --> 00:22:52,620
a polygraph test

458
00:22:56,930 --> 00:22:55,440
uh I advise them not to and several

459
00:22:59,450 --> 00:22:56,940
other people advise him not to because

460
00:23:02,149 --> 00:22:59,460
what it actually measures is stress

461
00:23:04,370 --> 00:23:02,159
and questions about stressful memories

462
00:23:06,110 --> 00:23:04,380
would bring stress reactions just as

463
00:23:08,870 --> 00:23:06,120

well as anything else so it would have

464

00:23:11,870 --> 00:23:08,880

been meaningless to have him take that

465

00:23:12,850 --> 00:23:11,880

test at the time it could have been in

466

00:23:15,409 --> 00:23:12,860

fact

467

00:23:17,330 --> 00:23:15,419

one of the psychiatrists said it would

468

00:23:19,310 --> 00:23:17,340

have been a disaster for him to take it

469

00:23:21,230 --> 00:23:19,320

at the time it would have treated a lot

470

00:23:23,270 --> 00:23:21,240

of false Impressions how would you

471

00:23:25,490 --> 00:23:23,280

explain the the other six Witnesses

472

00:23:28,610 --> 00:23:25,500

taking a test and having passed it then

473

00:23:30,430 --> 00:23:28,620

well their their memory is of course are

474

00:23:32,570 --> 00:23:30,440

not blocked

475

00:23:34,370 --> 00:23:32,580

they remember what happened it wasn't

476
00:23:37,610 --> 00:23:34,380
the same sort of stressful situation

477
00:23:40,970 --> 00:23:37,620
that Travis has obviously gone through

478
00:23:45,409 --> 00:23:43,789
what would you like for your future what

479
00:23:48,529 --> 00:23:45,419
would you like to

480
00:23:49,810 --> 00:23:48,539
have come of this

481
00:23:53,289 --> 00:23:49,820
just

482
00:23:56,750 --> 00:23:53,299
acceptance of myself in the future I

483
00:23:58,610 --> 00:23:56,760
have had a lot of offers that of people

484
00:24:01,070 --> 00:23:58,620
trying to turn it into some kind of a

485
00:24:02,810 --> 00:24:01,080
profitable thing but I have no interest

486
00:24:05,140 --> 00:24:02,820
in any of those kind of offers I just

487
00:24:06,710 --> 00:24:05,150
want the truth to be known I

488
00:24:09,529 --> 00:24:06,720

[Music]

489

00:24:12,770 --> 00:24:09,539

right well I have intentions to

490

00:24:15,049 --> 00:24:12,780

cooperate with research with the

491

00:24:16,570 --> 00:24:15,059

reputable men that are you know

492

00:24:18,770 --> 00:24:16,580

genuinely

493

00:24:22,430 --> 00:24:18,780

scientifically interested

494

00:24:24,049 --> 00:24:22,440

uh like women with Apple

495

00:24:28,190 --> 00:24:24,059

and

496

00:24:35,570 --> 00:24:32,750

big you know project like that

497

00:24:37,070 --> 00:24:35,580

yeah I think we've talked about this to

498

00:24:38,570 --> 00:24:37,080

the seven Travis doesn't want to make a

499

00:24:41,390 --> 00:24:38,580

big deal out of it he just wants to

500

00:24:43,010 --> 00:24:41,400

quietly find out what went on in that

501

00:24:46,130 --> 00:24:43,020

period if it's possible if it'll help

502

00:24:48,049 --> 00:24:46,140

Advance the state of knowledge on this

503

00:24:49,549 --> 00:24:48,059

subject do you wish it had never

504

00:24:52,850 --> 00:24:49,559

happened to you
