

1  
00:00:04,130 --> 00:00:01,910  
what we find in this case is something

2  
00:00:06,889 --> 00:00:04,140  
very real happened to them they have all

3  
00:00:08,509 --> 00:00:06,899  
of the various symptoms of being exposed

4  
00:00:10,850 --> 00:00:08,519  
to some type of radiation

5  
00:00:13,190 --> 00:00:10,860  
now the type of radiation is an unknown

6  
00:00:16,070 --> 00:00:13,200  
to us because the strange part is that

7  
00:00:18,590 --> 00:00:16,080  
the symptoms are not classic of ionizing

8  
00:00:21,410 --> 00:00:18,600  
or of microwave or of any other specific

9  
00:00:23,990 --> 00:00:21,420  
one but more of the of the nature of a

10  
00:00:26,210 --> 00:00:24,000  
mixture of radiations and that puzzles

11  
00:00:28,910 --> 00:00:26,220  
this because generally devices don't put

12  
00:00:31,370 --> 00:00:28,920  
out a mixture of radiations you're in

13  
00:00:34,190 --> 00:00:31,380

McDonnell Douglas aircraft

14

00:00:36,350 --> 00:00:34,200

what would do something like this

15

00:00:37,910 --> 00:00:36,360

we don't know we've looked into all the

16

00:00:40,549 --> 00:00:37,920

technology that we see flying today

17

00:00:42,770 --> 00:00:40,559

working at the Space Center as we do we

18

00:00:44,810 --> 00:00:42,780

find that it's very easy to to tell you

19

00:00:47,090 --> 00:00:44,820

what's going on so to say the Leading

20

00:00:49,729 --> 00:00:47,100

Edge of technology is visible the secret

21

00:00:51,049 --> 00:00:49,739

Edge probably isn't but nevertheless we

22

00:00:51,889 --> 00:00:51,059

don't see the technology that could have

23

00:00:53,709 --> 00:00:51,899

done this

24

00:00:56,450 --> 00:00:53,719

it appears that there was some high

25

00:00:58,369 --> 00:00:56,460

generation Source probably a microwave

26

00:01:00,889 --> 00:00:58,379

but maybe with a little bit of X-ray

27

00:01:03,049 --> 00:01:00,899

thrown in

28

00:01:04,850 --> 00:01:03,059

an unknown device to us

29

00:01:07,130 --> 00:01:04,860

what did the Air Force say to all this

30

00:01:09,469 --> 00:01:07,140

we've had no help from anyone as far as

31

00:01:11,690 --> 00:01:09,479

defining what happened here we have a

32

00:01:13,550 --> 00:01:11,700

case where we had a UFO of some type an

33

00:01:15,649 --> 00:01:13,560

unidentified flying object not

34

00:01:17,390 --> 00:01:15,659

necessarily a flying saucer we had a

35

00:01:19,490 --> 00:01:17,400

number of helicopters obviously military

36

00:01:22,010 --> 00:01:19,500

and we can find no one that will take

37

00:01:23,929 --> 00:01:22,020

credit for any of that no branch of the

38

00:01:26,149 --> 00:01:23,939

military service no organization of the

39

00:01:28,010 --> 00:01:26,159

government but we're convinced because

40

00:01:30,109 --> 00:01:28,020

of these people and the other witnesses

41

00:01:31,550 --> 00:01:30,119

that this really did happen now you

42

00:01:35,690 --> 00:01:31,560

interview the other Witnesses what did

43

00:01:40,609 --> 00:01:37,789

we have some very good Witnesses one of

44

00:01:42,350 --> 00:01:40,619

the witnesses was an ex-army man that

45

00:01:44,510 --> 00:01:42,360

had jumped from helicopters in an

46

00:01:46,850 --> 00:01:44,520

Airborne unit and he was very familiar

47

00:01:48,530 --> 00:01:46,860

with the type of helicopter seen here he

48

00:01:50,749 --> 00:01:48,540

also saw them and said that's exactly

49

00:01:52,630 --> 00:01:50,759

what was here he described the formation

50

00:01:55,130 --> 00:01:52,640

in which they flew the way they acted

51  
00:01:57,109 --> 00:01:55,140  
obviously they were here what are these

52  
00:01:59,270 --> 00:01:57,119  
helicopters used for well generally

53  
00:02:01,130 --> 00:01:59,280  
they're used for Transportation heavy

54  
00:02:03,770 --> 00:02:01,140  
loads troop insertion that sort of thing

55  
00:02:06,530 --> 00:02:03,780  
could this could these helicopters have

56  
00:02:08,930 --> 00:02:06,540  
been carrying this device it's possible

57  
00:02:10,130 --> 00:02:08,940  
it's very possible that one of the one

58  
00:02:11,750 --> 00:02:10,140  
of them could have been carrying it the

59  
00:02:15,890 --> 00:02:11,760  
type of helicopters used here were a

60  
00:02:18,410 --> 00:02:15,900  
ch-47 that's a twin rotor a large lift

61  
00:02:20,150 --> 00:02:18,420  
heavy capability unit they generally

62  
00:02:21,650 --> 00:02:20,160  
don't multiple sling an object in other

63  
00:02:23,750 --> 00:02:21,660

words two helicopters the three don't

64

00:02:25,130 --> 00:02:23,760

carry one out

65

00:02:26,089 --> 00:02:25,140

so it would have been something that

66

00:02:28,850 --> 00:02:26,099

could have been carried within the

67

00:02:30,770 --> 00:02:28,860

weight limitations of one helicopter and

68

00:02:33,350 --> 00:02:30,780

the size of the thing being like the

69

00:02:36,110 --> 00:02:33,360

water tank in the city nearby makes that

70

00:02:38,930 --> 00:02:36,120

rather prohibitive but not impossible

71

00:02:41,150 --> 00:02:38,940

this family has suffered serious medical

72

00:02:45,350 --> 00:02:41,160

problems and emotional problems

73

00:02:50,509 --> 00:02:47,690

we have monitored this since the first

74

00:02:52,250 --> 00:02:50,519

month we have documented all of it in

75

00:02:55,070 --> 00:02:52,260

writing with photographs with tape

76  
00:02:57,050 --> 00:02:55,080  
recordings with video recordings we are

77  
00:02:58,910 --> 00:02:57,060  
convinced of the continuing trauma that

78  
00:03:00,470 --> 00:02:58,920  
the people are experiencing we don't

79  
00:03:02,570 --> 00:03:00,480  
have an explanation for it we are

80  
00:03:05,089 --> 00:03:02,580  
worried about it and we do need help on

81  
00:03:06,830 --> 00:03:05,099  
it we would like to see more witnesses

82  
00:03:08,990 --> 00:03:06,840  
come forward we'd also like to see some

83  
00:03:10,270 --> 00:03:09,000  
responsibility taken by someone in the

84  
00:03:12,649 --> 00:03:10,280  
government one of the services

85  
00:03:14,930 --> 00:03:12,659  
particularly to tell us what type of

86  
00:03:17,149 --> 00:03:14,940  
radiation was seen not necessary to say

87  
00:03:18,949 --> 00:03:17,159  
why it was done just a matter of how can

88  
00:03:21,649 --> 00:03:18,959

we best treat them are these symptoms

89

00:03:23,509 --> 00:03:21,659

that these people suffered common

90

00:03:25,250 --> 00:03:23,519

throughout the experiences other people

91

00:03:27,949 --> 00:03:25,260

have suffered that you've investigated

92

00:03:31,309 --> 00:03:27,959

well these people have seen more trauma

93

00:03:33,290 --> 00:03:31,319

than most cases not all but most there

94

00:03:36,229 --> 00:03:33,300

are other cases such as a gentleman in

95

00:03:37,610 --> 00:03:36,239

Canada in 1967 suffered very similar

96

00:03:40,490 --> 00:03:37,620

effects to what these people have seen

97

00:03:43,490 --> 00:03:40,500

he had the burns the illness the the

98

00:03:45,110 --> 00:03:43,500

weakness the weight loss and all but in

99

00:03:47,570 --> 00:03:45,120

most cases it's generally limited to eye

100

00:03:49,910 --> 00:03:47,580

damage or maybe some minor burns Project

101  
00:03:51,289 --> 00:03:49,920  
Blue Book was closed do you think that

102  
00:03:53,809 --> 00:03:51,299  
there is still an organization

103  
00:03:55,550 --> 00:03:53,819  
investigating UFOs or do you think that

104  
00:03:57,830 --> 00:03:55,560  
the government has some type of agency

105  
00:04:01,009 --> 00:03:57,840  
that just isn't telling us what's going

106  
00:04:02,869 --> 00:04:01,019  
on I really don't believe so I think

107  
00:04:04,009 --> 00:04:02,879  
that it's being Stonewall completely to

108  
00:04:05,830 --> 00:04:04,019  
the point they don't even have a group

109  
00:04:09,229 --> 00:04:05,840  
doing it and I think that's wrong

110  
00:04:10,910 --> 00:04:09,239  
there's enough proof that people are

111  
00:04:12,890 --> 00:04:10,920  
being hurt objects are being seen

112  
00:04:14,390 --> 00:04:12,900  
something mysterious is still going on

113  
00:04:16,129 --> 00:04:14,400

just like it was in the days of Blue

114

00:04:17,750 --> 00:04:16,139

Book and something should be done to

115

00:04:20,150 --> 00:04:17,760

monitor it what do you think

116

00:04:21,890 --> 00:04:20,160

I think there should be a special agency

117

00:04:23,870 --> 00:04:21,900

set up not under one of the military

118

00:04:26,210 --> 00:04:23,880

branches but under a civilian agency to

119

00:04:27,469 --> 00:04:26,220

do this and if a civilian agency gets

120

00:04:28,909 --> 00:04:27,479

the job

121

00:04:32,270 --> 00:04:28,919

they're obviously not going to get any

122

00:04:33,650 --> 00:04:32,280

money well it requires budgets we know

123

00:04:36,469 --> 00:04:33,660

how it is working without a budget

124

00:04:38,210 --> 00:04:36,479

getting people medical examinations and

125

00:04:40,730 --> 00:04:38,220

just travel alone the two things are

126  
00:04:42,409 --> 00:04:40,740  
very expensive and without a budget they

127  
00:04:45,230 --> 00:04:42,419  
couldn't function what do you put your

128  
00:04:47,990 --> 00:04:45,240  
show our pictures show hair loss extreme

129  
00:04:50,689 --> 00:04:48,000  
hair loss they show swollen puffy eyes

130  
00:04:52,570 --> 00:04:50,699  
red eyes they show skin conditions where

131  
00:04:56,090 --> 00:04:52,580  
they're large sores

132  
00:04:59,210 --> 00:04:56,100  
darkened skin burns scars

133  
00:05:00,830 --> 00:04:59,220  
uh that's generally what they show you

134  
00:05:02,030 --> 00:05:00,840  
know visibly that's what you can see you

135  
00:05:03,890 --> 00:05:02,040  
can't see the other things such as

136  
00:05:05,930 --> 00:05:03,900  
weight loss and that sort of thing it

137  
00:05:08,629 --> 00:05:05,940  
has a sampling of the hair loss seen by

138  
00:05:11,930 --> 00:05:08,639

Mrs cash for instance how rapid did this

139

00:05:14,390 --> 00:05:11,940

happen it happened uh fairly fairly soon

140

00:05:17,210 --> 00:05:14,400

she had a minor amount but about the

141

00:05:19,550 --> 00:05:17,220

third week is when the major hair loss

142

00:05:22,310 --> 00:05:19,560

occurred when great chunks of hair came

143

00:05:24,170 --> 00:05:22,320

out and we have documentation to show

144

00:05:25,670 --> 00:05:24,180

that she had a tremendous head of hair

145

00:05:27,050 --> 00:05:25,680

before this happened because it was

146

00:05:29,210 --> 00:05:27,060

Christmas season and she had her hair

147

00:05:30,950 --> 00:05:29,220

fixed and had it photographed in fact

148

00:05:33,110 --> 00:05:30,960

for Christmas so they gave us a real

149

00:05:34,490 --> 00:05:33,120

good way of comparing it this is only

150

00:05:37,010 --> 00:05:34,500

four days later what about the skin

151

00:05:40,370 --> 00:05:37,020

irritation the skin irritation

152

00:05:43,249 --> 00:05:40,380

is very significant also

153

00:05:45,290 --> 00:05:43,259

there's a heel sore but those that are

154

00:05:47,390 --> 00:05:45,300

are not healed

155

00:05:49,670 --> 00:05:47,400

are things like this

156

00:05:51,650 --> 00:05:49,680

that's unbelievable this is Mrs

157

00:05:54,409 --> 00:05:51,660

Lantern's hand months later this was

158

00:05:57,110 --> 00:05:54,419

eight at least eight months later still

159

00:05:59,390 --> 00:05:57,120

showing the the blue burn and the like

160

00:06:01,070 --> 00:05:59,400

and Soares and they swell up and burst

161

00:06:02,510 --> 00:06:01,080

this is not something that was scratched

162

00:06:04,310 --> 00:06:02,520

and gouged this is something that

163

00:06:07,010 --> 00:06:04,320

actually came internally from the

164

00:06:09,230 --> 00:06:07,020

changes probably immunological Society

165

00:06:11,150 --> 00:06:09,240

these are pictures of Mrs landrum's hand

166

00:06:14,210 --> 00:06:11,160

and her arm showing some of the damage

167

00:06:15,950 --> 00:06:14,220

that she incurred that occurred months

168

00:06:17,689 --> 00:06:15,960

later these these swords started coming

169

00:06:19,010 --> 00:06:17,699

up very soon and she go through Cycles

170

00:06:20,270 --> 00:06:19,020

some months that they would go kind of

171

00:06:22,610 --> 00:06:20,280

go away and other months they would come

172

00:06:24,469 --> 00:06:22,620

back this was during a flare-up over

173

00:06:27,230 --> 00:06:24,479

about a four day period this came from

174

00:06:29,749 --> 00:06:27,240

just the scar type area to a sore to a

175

00:06:32,330 --> 00:06:29,759

ruptured sore and then went away

176

00:06:34,370 --> 00:06:32,340

back in the days of the 50s when they

177

00:06:37,129 --> 00:06:34,380

were experimenting with the

178

00:06:39,409 --> 00:06:37,139

with the bombs the nuclear bombs

179

00:06:40,909 --> 00:06:39,419

people and soldiers were exposed to this

180

00:06:42,890 --> 00:06:40,919

type of radiation has there been any

181

00:06:45,050 --> 00:06:42,900

comparative data showing a correlation

182

00:06:47,570 --> 00:06:45,060

between this type of a an infliction

183

00:06:51,050 --> 00:06:47,580

here and what the other people suffered

184

00:06:52,730 --> 00:06:51,060

is it unfortunately not so much of that

185

00:06:55,370 --> 00:06:52,740

data is not available to us we've been

186

00:06:56,510 --> 00:06:55,380

trying to get but see the Privacy Act

187

00:06:59,590 --> 00:06:56,520

prevents you from getting medical

188

00:07:02,809 --> 00:06:59,600

records on individuals and that's a real

189

00:07:04,670 --> 00:07:02,819

problem for us in making comparisons we

190

00:07:08,150 --> 00:07:04,680

have talked to various agencies that do

191

00:07:09,830 --> 00:07:08,160

research on radiation and find that they

192

00:07:10,909 --> 00:07:09,840

can manifest themselves in all sorts of

193

00:07:13,249 --> 00:07:10,919

ways

194

00:07:14,930 --> 00:07:13,259

you know it depends on the individual on

195

00:07:16,850 --> 00:07:14,940

the person's background their weight the

196

00:07:18,950 --> 00:07:16,860

kind of medicines they've been taking or

197

00:07:20,629 --> 00:07:18,960

lack of medicines

198

00:07:22,370 --> 00:07:20,639

things like the types of vitamins

199

00:07:24,770 --> 00:07:22,380

they've been taking can affect how the

200

00:07:26,570 --> 00:07:24,780

radiation affects them are these Burns

201  
00:07:28,550 --> 00:07:26,580  
something unique have you ever seen

202  
00:07:31,370 --> 00:07:28,560  
anything like this before this is the

203  
00:07:33,830 --> 00:07:31,380  
this is not what we normally see this

204  
00:07:35,270 --> 00:07:33,840  
case is much more severe and all three

205  
00:07:37,189 --> 00:07:35,280  
of these people they had the source of

206  
00:07:38,450 --> 00:07:37,199  
this nature if only one had you should

207  
00:07:40,730 --> 00:07:38,460  
say maybe they had an allergic reaction

208  
00:07:44,629 --> 00:07:40,740  
or something but not when three people

209  
00:07:46,430 --> 00:07:44,639  
have the very similar type conditions

210  
00:07:48,529 --> 00:07:46,440  
so it is unique

211  
00:07:50,029 --> 00:07:48,539  
what do the doctors say

212  
00:07:52,430 --> 00:07:50,039  
have you ever seen anything like this

213  
00:07:55,070 --> 00:07:52,440

the doctors had no idea what was going

214

00:07:56,749 --> 00:07:55,080

on to be honest about it doctors

215

00:07:58,010 --> 00:07:56,759

generally know very little about UFOs

216

00:07:59,390 --> 00:07:58,020

they generally know very little about

217

00:08:01,550 --> 00:07:59,400

something like this and when a person

218

00:08:02,930 --> 00:08:01,560

comes in with some specific symptom they

219

00:08:04,249 --> 00:08:02,940

start the standard test that they

220

00:08:06,050 --> 00:08:04,259

normally run they go through a whole

221

00:08:07,850 --> 00:08:06,060

series of things they end up saying we

222

00:08:09,290 --> 00:08:07,860

don't know what it is that's essentially

223

00:08:11,749 --> 00:08:09,300

what happens here

224

00:08:13,790 --> 00:08:11,759

this is three years later Vicki into

225

00:08:16,129 --> 00:08:13,800

Hopewell two years later

226

00:08:17,150 --> 00:08:16,139

Vicki and Colby are still having to

227

00:08:19,249 --> 00:08:17,160

undergo

228

00:08:20,869 --> 00:08:19,259

inspections of their blood

229

00:08:22,909 --> 00:08:20,879

and they're still suffering from this

230

00:08:25,430 --> 00:08:22,919

this is two years later

231

00:08:27,409 --> 00:08:25,440

what does that mean well to me it means

232

00:08:28,969 --> 00:08:27,419

that they had a significant dose of some

233

00:08:31,309 --> 00:08:28,979

type of radiation not necessarily

234

00:08:33,649 --> 00:08:31,319

ionizing radiation but maybe microwave

235

00:08:37,909 --> 00:08:33,659

something that changed their system to

236

00:08:39,589 --> 00:08:37,919

damaged cells and it's really to me a

237

00:08:41,389 --> 00:08:39,599

verification of something significant

238

00:08:42,829 --> 00:08:41,399

happened if it had been a passing thing

239

00:08:45,050 --> 00:08:42,839

like in two months they've gone through

240

00:08:46,610 --> 00:08:45,060

the whole cycle and it was gone I would

241

00:08:48,949 --> 00:08:46,620

think well it was a very minor exposure

242

00:08:51,530 --> 00:08:48,959

but when obviously their immunological

243

00:08:53,329 --> 00:08:51,540

systems have been affected their health

244

00:08:55,009 --> 00:08:53,339

in general had been affected that means

245

00:08:57,050 --> 00:08:55,019

something significant happens

246

00:08:58,430 --> 00:08:57,060

when we tried to contact the people at

247

00:09:00,889 --> 00:08:58,440

the Air Force Base here everyone

248

00:09:03,710 --> 00:09:00,899

involved at that time has since been

249

00:09:05,509 --> 00:09:03,720

transferred out and we can't even locate

250

00:09:07,490 --> 00:09:05,519

them what does that mean

251

00:09:08,630 --> 00:09:07,500

well with the military it could mean

252

00:09:10,730 --> 00:09:08,640

simply that they've done their normal

253

00:09:12,230 --> 00:09:10,740

thing they've rotated people but it does

254

00:09:14,030 --> 00:09:12,240

make you suspect that there's a little

255

00:09:15,710 --> 00:09:14,040

more to it particularly when we didn't

256

00:09:18,110 --> 00:09:15,720

get answers either in the in the first

257

00:09:19,970 --> 00:09:18,120

place when people were there so it is a

258

00:09:21,710 --> 00:09:19,980

strange situation and it just adds to

259

00:09:23,210 --> 00:09:21,720

the mystery and the Mystery could be

260

00:09:25,310 --> 00:09:23,220

eradicated by somebody just talking

261

00:09:27,470 --> 00:09:25,320

frankly about it how many witnesses were

262

00:09:29,740 --> 00:09:27,480

there through this event well to the

263

00:09:32,449 --> 00:09:29,750

event where it took place

264

00:09:34,190 --> 00:09:32,459

[Music]

265

00:09:35,750 --> 00:09:34,200

there were only the three people that

266

00:09:37,790 --> 00:09:35,760

were injured but there are other

267

00:09:39,590 --> 00:09:37,800

witnesses to an object coming over the

268

00:09:41,930 --> 00:09:39,600

area that night ranging from Liberty

269

00:09:44,690 --> 00:09:41,940

Texas which is some 25 miles from where
