

**WAS SNIPPY KILLED
BY HORSE BUTCHERS FROM
OUTER SPACE?**

Mystery Grows in Colorado 'Flying Saucer' Horse Case

1
00:00:09,020 --> 00:00:04,730
I just wondered uh what is the latest

2
00:00:17,080 --> 00:00:13,030
[Music]

3
00:00:22,849 --> 00:00:17,090
you mean Dr o Adams

4
00:00:24,109 --> 00:00:22,859
[Music]

5
00:00:24,950 --> 00:00:24,119
there was

6
00:00:48,229 --> 00:00:24,960
a

7
00:00:52,010 --> 00:00:48,239
is the horse still on the ground

8
00:00:55,549 --> 00:00:52,020
isn't it uh petrified well it never did

9
00:00:59,930 --> 00:00:55,559
smell this is another odd thing about it

10
00:01:50,929 --> 00:01:00,490
s

11
00:01:52,249 --> 00:01:50,939
know the uh the abdomen part do you did

12
00:01:53,090 --> 00:01:52,259
anybody tell you that there should have

13
00:01:55,290 --> 00:01:53,100

been

14

00:02:08,629 --> 00:01:55,300

you know intestines and things of nature

15

00:02:12,729 --> 00:02:10,550

[Music]

16

00:02:16,010 --> 00:02:12,739

the origins are still

17

00:02:18,650 --> 00:02:16,020

recognizable however they're dried up to

18

00:02:27,730 --> 00:02:18,660

nothing but they are recognize

19

00:02:31,790 --> 00:02:29,210

[Music]

20

00:02:33,350 --> 00:02:31,800

well this is really something yeah I

21

00:02:34,340 --> 00:02:33,360

thought it was very interesting and they

22

00:02:41,570 --> 00:02:34,350

were enabled

23

00:02:44,030 --> 00:02:41,580

[Music]

24

00:02:45,350 --> 00:02:44,040

they were going to Mr Roof Mrs Lewis I

25

00:02:48,410 --> 00:02:45,360

found a picture of you in the Sunny

26
00:02:50,449 --> 00:02:48,420
Times of New York City oh really yes and

27
00:02:52,729 --> 00:02:50,459
uh you were right next to the horn

28
00:02:55,850 --> 00:02:52,739
and uh just wondering if there's a

29
00:02:57,470 --> 00:02:55,860
possibility of getting uh any pictures

30
00:02:59,270 --> 00:02:57,480
that you that you might have in your

31
00:03:01,670 --> 00:02:59,280
possession any even a prince who will

32
00:03:04,250 --> 00:03:01,680
make the negatives out of it of the

33
00:03:05,930 --> 00:03:04,260
horse uh or of you around it you know

34
00:03:08,330 --> 00:03:05,940
things that like that

35
00:03:10,790 --> 00:03:08,340
we were very foolish we didn't take any

36
00:03:14,330 --> 00:03:10,800
pictures of us

37
00:03:14,340 --> 00:03:18,410
what about the horse itself

38
00:03:27,110 --> 00:03:23,520

[Music]

39

00:03:29,449 --> 00:03:27,120

if you if you get any kind of

40

00:03:31,070 --> 00:03:29,459

photographs or things that make us would

41

00:03:32,990 --> 00:03:31,080

you send them along to us we've also

42

00:03:35,690 --> 00:03:33,000

written a letter to The Pueblo Chieftain

43

00:03:37,430 --> 00:03:35,700

for any photographs or any articles that

44

00:03:39,290 --> 00:03:37,440

they've written you know knowing that

45

00:03:40,990 --> 00:03:39,300

you do some writing to yourself

46

00:03:46,910 --> 00:03:41,000

hmm

47

00:03:52,309 --> 00:03:48,890

have you had any other uh strange

48

00:04:05,690 --> 00:03:54,350

the last three weeks people been calling

49

00:04:14,300 --> 00:04:07,700

object on the ground

50

00:04:14,310 --> 00:04:19,150

[Music]

51
00:04:23,950 --> 00:04:21,890
exciting you saw something you yourself

52
00:04:30,860 --> 00:04:23,960
saw something on the ground

53
00:04:42,290 --> 00:04:40,390
[Music]

54
00:04:45,129 --> 00:04:42,300
and

55
00:04:48,230 --> 00:04:45,139
it passed

56
00:04:49,430 --> 00:04:48,240
it was natural phenomena what about when

57
00:04:55,070 --> 00:04:49,440
I was on the ground what does it look

58
00:04:59,510 --> 00:04:56,629
well it was

59
00:05:06,160 --> 00:04:59,520
bright light Ed real big

60
00:05:06,170 --> 00:05:11,409
[Music]

61
00:05:11,419 --> 00:05:16,850
rapidly sorry

62
00:05:19,880 --> 00:05:18,469
I don't know are there any roads out

63
00:05:26,150 --> 00:05:19,890

there in that area

64

00:05:30,590 --> 00:05:28,670

let me ask another question what about

65

00:05:32,450 --> 00:05:30,600

the maggots that were supposedly present

66

00:05:33,890 --> 00:05:32,460

in the other horse didn't you say

67

00:05:35,870 --> 00:05:33,900

something on the order that the maggots

68

00:05:39,230 --> 00:05:35,880

on the on

69

00:05:41,749 --> 00:05:39,240

oh what's his name uh the voice is the

70

00:05:53,510 --> 00:05:41,759

slippies where dead and the maggots on

71

00:06:00,409 --> 00:05:55,330

[Music]

72

00:06:02,590 --> 00:06:00,419

and working very strong how far away

73

00:06:04,689 --> 00:06:02,600

how far away was that uh

74

00:06:07,550 --> 00:06:04,699

[Music]

75

00:06:10,249 --> 00:06:07,560

how about the other dude about the same

76

00:06:12,230 --> 00:06:10,259

altitude

77

00:06:23,870 --> 00:06:12,240

is there anything else that uh you might

78

00:06:23,880 --> 00:06:26,990

[Music]

79

00:06:27,000 --> 00:06:33,950

the pictures and the results

80

00:06:37,969 --> 00:06:36,590

marks that were

81

00:06:41,420 --> 00:06:37,979

a different effects

82

00:06:48,890 --> 00:06:41,430

which ones would you say those were

83

00:06:58,909 --> 00:06:50,300

the states

84

00:07:04,490 --> 00:07:01,430

smaller spots around the big spot again

85

00:07:08,450 --> 00:07:06,170

now

86

00:07:12,290 --> 00:07:08,460

the government only

87

00:07:15,230 --> 00:07:13,670

but they're doing it now wait a minute

88

00:07:17,450 --> 00:07:15,240

are you talking about black spots I

89

00:07:19,430 --> 00:07:17,460

understood that the blank spots you mean

90

00:07:21,050 --> 00:07:19,440

there you mean the whole circle of 75

91

00:07:26,930 --> 00:07:21,060

feet was black

92

00:07:35,170 --> 00:07:28,969

no

93

00:07:35,180 --> 00:07:41,390

all around

94

00:07:46,050 --> 00:07:43,850

did they make a circular Mark did they

95

00:07:50,930 --> 00:07:46,060

go around the circle oh

96

00:07:50,940 --> 00:08:01,029

um

97

00:08:05,510 --> 00:08:03,830

right 75 feet across

98

00:08:08,809 --> 00:08:05,520

now why didn't you pick up some of that

99

00:08:10,930 --> 00:08:08,819

black material yourself and save it

100

00:08:13,790 --> 00:08:10,940

because of my car right

101
00:08:15,350 --> 00:08:13,800
let me ask you a question if you went

102
00:08:18,170 --> 00:08:15,360
down to the drugstore and got yourself a

103
00:08:20,809 --> 00:08:18,180
little while or if you had one at home

104
00:08:32,209 --> 00:08:20,819
would you mind sending us some

105
00:08:34,969 --> 00:08:33,649
if you'll send up some of it you don't

106
00:08:37,130 --> 00:08:34,979
have to send a call I want you to keep

107
00:08:38,870 --> 00:08:37,140
some of it because uh I think you should

108
00:08:41,449 --> 00:08:38,880
have kept some of that for your own you

109
00:08:42,949 --> 00:08:41,459
know for your own self but we'd like to

110
00:08:45,889 --> 00:08:42,959
have any portion of it that you'll send

111
00:08:48,050 --> 00:08:45,899
us all right anything that you have that

112
00:08:49,980 --> 00:08:48,060
you would like you wouldn't mind sharing

113
00:09:02,050 --> 00:08:49,990

with us we'll pay for anything

114

00:09:07,190 --> 00:09:05,509

paper that uh you found a piece of

115

00:09:09,650 --> 00:09:07,200

material about the sides of a chicken

116

00:09:12,470 --> 00:09:09,660

liver and about the same shape

117

00:09:14,210 --> 00:09:12,480

and when you broke it open uh some

118

00:09:16,250 --> 00:09:14,220

greenish I like green material came out

119

00:09:19,910 --> 00:09:16,260

of is that right that is correct

120

00:09:24,170 --> 00:09:22,389

how much of it

121

00:09:27,610 --> 00:09:24,180

that is

122

00:09:30,470 --> 00:09:27,620

right apple green a beautiful green

123

00:09:33,710 --> 00:09:30,480

right and it is

124

00:09:37,670 --> 00:09:35,389

because they're still around the horse

125

00:09:38,930 --> 00:09:37,680

why would we would uh appreciate

126

00:09:40,250 --> 00:09:38,940

anything you can do for us in that

127

00:09:42,170 --> 00:09:40,260

respect

128

00:09:44,210 --> 00:09:42,180

and we're doing everything we can to

129

00:09:46,370 --> 00:09:44,220

break this mystery as much as we can

130

00:09:48,350 --> 00:09:46,380

anyway and we're willing to help you if

131

00:09:49,910 --> 00:09:48,360

you're willing to help us a little bit I

132

00:09:52,190 --> 00:09:49,920

would like to get some of this to

133

00:09:54,470 --> 00:09:52,200

someone who would truthfully give me a

134

00:09:56,690 --> 00:09:54,480

report on it whether the government has

135

00:09:59,389 --> 00:09:56,700

no intentions of giving out any reports

136

00:10:01,070 --> 00:09:59,399

all right I'll tell you what we do we uh

137

00:10:02,210 --> 00:10:01,080

we intend to do something with it we'll

138

00:10:03,870 --> 00:10:02,220

see what we can do about a chemical

139

00:10:13,250 --> 00:10:03,880

analysis

140

00:10:16,610 --> 00:10:14,509

okay

141

00:10:19,250 --> 00:10:16,620

I'm just wondering though if um the

142

00:10:21,350 --> 00:10:19,260

chemical processes of of keeping that

143

00:10:22,730 --> 00:10:21,360

animal out there for such a long time in

144

00:10:25,730 --> 00:10:22,740

a dead State wouldn't change the height

145

00:10:31,670 --> 00:10:28,810

[Music]

146

00:10:34,810 --> 00:10:31,680

in other words

147

00:10:42,590 --> 00:10:40,790

[Music]

148

00:10:46,200 --> 00:10:42,600

I don't either but we can find out

149

00:10:46,210 --> 00:10:51,650

[Music]

150

00:10:55,250 --> 00:10:53,509

so I don't know but there have been

151
00:11:00,250 --> 00:10:55,260
several that say well this is just like

152
00:11:00,260 --> 00:11:05,090
over there

153
00:11:10,670 --> 00:11:07,550
is that right

154
00:11:14,030 --> 00:11:10,680
and no tanning on it no I didn't touch

155
00:11:18,840 --> 00:11:15,889
but who were the labs that were doing

156
00:11:18,850 --> 00:11:33,350
[Music]

157
00:11:40,180 --> 00:11:35,569
turn everything over

158
00:11:40,190 --> 00:11:48,910
[Music]

159
00:11:53,750 --> 00:11:52,190
's office and I definitely sure that

160
00:11:58,910 --> 00:11:53,760
would have an answer because there was

161
00:12:02,150 --> 00:12:00,110
that there was enough that Christian

162
00:12:04,009 --> 00:12:02,160
Life I'm sure

163
00:12:06,410 --> 00:12:04,019

it would give an answer

164

00:12:09,650 --> 00:12:06,420

oh my God

165

00:12:11,630 --> 00:12:09,660

they have come out with

166

00:12:13,130 --> 00:12:11,640

the sticks it sounds like yeah your

167

00:12:15,650 --> 00:12:13,140

sounds like you're about right because

168

00:12:17,329 --> 00:12:15,660

if they've already made remarks of the

169

00:12:19,449 --> 00:12:17,339

effect that there was no black marker on

170

00:12:21,829 --> 00:12:19,459

it and you know that there was

171

00:12:23,990 --> 00:12:21,839

I know but as what I'm saying it's

172

00:12:25,190 --> 00:12:24,000

consistent with your ideas how are you

173

00:12:25,910 --> 00:12:25,200

going to believe whatever they say later

174

00:12:33,370 --> 00:12:25,920

on

175

00:12:36,650 --> 00:12:35,329

medicine

176
00:12:37,810 --> 00:12:36,660
yeah

177
00:12:41,269 --> 00:12:37,820
and

178
00:12:44,150 --> 00:12:41,279
I heard the government man on broadcast

179
00:12:48,390 --> 00:12:44,160
and he was saying they asked him what

180
00:12:48,400 --> 00:12:51,710
[Music]

181
00:12:56,920 --> 00:12:53,629
now

182
00:13:08,530 --> 00:13:03,330
[Applause]

183
00:13:12,290 --> 00:13:10,850
deteriorating they have given out these

184
00:13:14,509 --> 00:13:12,300
glories

185
00:13:16,190 --> 00:13:14,519
and I mean it just makes me

186
00:13:17,949 --> 00:13:16,200
stand that they didn't come in to

187
00:13:22,370 --> 00:13:17,959
investigate

188
00:13:25,069 --> 00:13:22,380

no David would you say they came in here

189

00:13:28,750 --> 00:13:25,079

to intimidate they call people Liars

190

00:13:28,760 --> 00:13:33,370

true of the Condon group also

191

00:13:39,470 --> 00:13:35,480

all right

192

00:13:39,480 --> 00:13:48,850

foreign

193

00:13:54,370 --> 00:13:51,710

group has uh surrendered the materials

194

00:13:55,580 --> 00:13:54,380

to a Westinghouse Laboratory

195

00:13:57,610 --> 00:13:55,590

groups

196

00:14:02,810 --> 00:13:57,620

[Music]

197

00:14:02,820 --> 00:14:07,550

all the way to time

198

00:14:11,810 --> 00:14:10,190

that's where they made their mistake

199

00:14:13,490 --> 00:14:11,820

foreign

200

00:14:15,170 --> 00:14:13,500

well the thing about it is that The

201
00:14:16,910 --> 00:14:15,180
nightcap group should have never

202
00:14:19,850 --> 00:14:16,920
surrendered their whole the the the

203
00:14:35,240 --> 00:14:19,860
complete uh propriety to anything that

204
00:14:40,490 --> 00:14:38,090
[Music]

205
00:14:43,730 --> 00:14:40,500
oh boy I'm sure glad that Apple got

206
00:14:46,370 --> 00:14:44,509
foreign

207
00:14:48,530 --> 00:14:46,380
well it takes time

208
00:14:50,329 --> 00:14:48,540
it takes time to run these tests then

209
00:14:53,590 --> 00:14:50,339
you have to evaluate them besides you

210
00:14:56,990 --> 00:14:55,009
[Music]

211
00:15:02,990 --> 00:14:57,000
that but they've never let me know

212
00:15:03,000 --> 00:15:12,650
[Music]

213
00:15:18,240 --> 00:15:14,870

at what point did they suggest you were

214

00:15:18,250 --> 00:15:30,350

[Music]

215

00:15:34,910 --> 00:15:33,230

but definitely is these kind of things I

216

00:15:37,790 --> 00:15:34,920

don't understand

217

00:15:39,829 --> 00:15:37,800

and you did the volunteer a lie detector

218

00:15:41,329 --> 00:15:39,839

test

219

00:15:45,780 --> 00:15:41,339

you've got nerves

220

00:15:50,750 --> 00:15:47,930

[Music]

221

00:15:52,069 --> 00:15:50,760

eyes that my husband and my older

222

00:15:54,769 --> 00:15:52,079

brother

223

00:15:57,470 --> 00:15:54,779

the people who go around learning and

224

00:15:59,870 --> 00:15:57,480

you all volunteered again

225

00:16:01,670 --> 00:15:59,880

very good

226

00:16:04,210 --> 00:16:01,680

still doing the right magazine

227

00:16:07,910 --> 00:16:04,220

representative was here today

228

00:16:14,930 --> 00:16:10,670

and not have a government

229

00:16:18,290 --> 00:16:16,550

to read it

230

00:16:19,970 --> 00:16:18,300

I'm not connected with the government

231

00:16:22,610 --> 00:16:19,980

some neutral person

232

00:16:24,230 --> 00:16:22,620

correct

233

00:16:28,850 --> 00:16:24,240

well you've given us quite a bit to

234

00:16:35,380 --> 00:16:32,030

no you would

235

00:16:48,240 --> 00:16:35,390

better not that's right

236

00:16:48,250 --> 00:16:51,730

[Applause]

237

00:16:57,050 --> 00:16:54,829

well it seems that way anyway maybe

238

00:16:59,030 --> 00:16:57,060

there's a reason but uh I I don't quite

239

00:17:04,569 --> 00:16:59,040

fathom it I wouldn't have believed it

240

00:17:09,350 --> 00:17:07,069

all right another words now from uh

241

00:17:10,909 --> 00:17:09,360

there has been no further development

242

00:17:13,429 --> 00:17:10,919

before the horse is concerned nobody

243

00:17:15,230 --> 00:17:13,439

else has taken another pathological test

244

00:17:18,829 --> 00:17:15,240

of it

245

00:17:28,250 --> 00:17:18,839

uh what about this Anonymous pathologist

246

00:17:32,450 --> 00:17:31,130

I know you do know him though

247

00:17:37,490 --> 00:17:32,460

I

248

00:17:41,289 --> 00:17:37,500

and someone mailed me a picture of some

249

00:17:44,150 --> 00:17:41,299

scientists I think it's his picture

250

00:17:45,470 --> 00:17:44,160

is that right so there you are I guess

251
00:17:47,810 --> 00:17:45,480
you didn't give me his name in the first

252
00:17:49,340 --> 00:17:47,820
place are you afraid of giving us the

253
00:17:51,350 --> 00:17:49,350
sign his name

254
00:17:53,050 --> 00:17:51,360
[Applause]

255
00:17:54,950 --> 00:17:53,060
oh that's right

256
00:18:05,090 --> 00:17:54,960
[Music]

257
00:18:05,100 --> 00:18:15,040
foreign

258
00:18:15,050 --> 00:18:48,230
[Music]

259
00:18:50,330 --> 00:18:50,310
don't receive amount of

260
00:18:56,470 --> 00:18:50,340
[Music]

261
00:19:01,010 --> 00:18:59,049
[Applause]

262
00:19:02,870 --> 00:19:01,020
now listen

263
00:19:04,850 --> 00:19:02,880

and we haven't gotten the answers yet

264

00:19:06,350 --> 00:19:04,860

and we've seen a lot of things and we've

265

00:19:08,930 --> 00:19:06,360

heard a lot of stories

266

00:19:12,250 --> 00:19:08,940

and so don't expect answers so quickly

267

00:19:18,110 --> 00:19:15,890

that's true I guess yes it's true all

268

00:19:19,789 --> 00:19:18,120

right then I'll tell you what now uh you

269

00:19:21,770 --> 00:19:19,799

promised us some things and we're going

270

00:19:23,570 --> 00:19:21,780

to hold you as an honorable person to

271

00:19:25,970 --> 00:19:23,580

those promises or we'll test the heck

272

00:19:27,830 --> 00:19:25,980

out of you I am not going to put it with

273

00:19:30,830 --> 00:19:27,840

my stack of stuff you won't believe me

274

00:19:35,470 --> 00:19:30,840

but I have got a huge discount full of

275

00:19:39,529 --> 00:19:37,789

fine because we've made three telephone

276

00:19:42,770 --> 00:19:39,539

calls out there and each one of them is

277

00:19:45,650 --> 00:19:42,780

a costly thing and uh we're very very

278

00:19:48,150 --> 00:19:45,660

happy to talk to you tonight and I hope

279

00:19:51,110 --> 00:19:48,160

to hear from you again very soon

280

00:19:53,870 --> 00:19:51,120

[Music]

281

00:19:56,990 --> 00:19:53,880

okay then thank you very much Mr Lewis
