

1
00:00:07,130 --> 00:00:05,690
Arizona yes sir uh were you aware of the

2
00:00:10,490 --> 00:00:07,140
was there any information over the

3
00:00:12,110 --> 00:00:10,500
television or the news media the papers

4
00:00:14,870 --> 00:00:12,120
or anything of this uh

5
00:00:18,170 --> 00:00:14,880
uh thing they started up here Taylor

6
00:00:19,490 --> 00:00:18,180
Arizona well it's up on the ramp what

7
00:00:21,050 --> 00:00:19,500
they call the rim cut through which is

8
00:00:23,150 --> 00:00:21,060
Hebrew I'll give it to you in court I

9
00:00:24,769 --> 00:00:23,160
thought you should know about it right

10
00:00:27,109 --> 00:00:24,779
now

11
00:00:29,230 --> 00:00:27,119
there were seven men up there about

12
00:00:32,030 --> 00:00:29,240
three days ago they were all coming back

13
00:00:33,650 --> 00:00:32,040

just after Dark

14

00:00:35,090 --> 00:00:33,660

they were cutting wood and they were

15

00:00:37,310 --> 00:00:35,100

coming in

16

00:00:40,069 --> 00:00:37,320

they saw this bright

17

00:00:41,750 --> 00:00:40,079

bright light this object that looked to

18

00:00:43,910 --> 00:00:41,760

all feminism at the time there were

19

00:00:45,290 --> 00:00:43,920

seven like a saucer or some unidentified

20

00:00:47,930 --> 00:00:45,300

Archie

21

00:00:50,029 --> 00:00:47,940

well Ralph Anderson's a very good friend

22

00:00:52,130 --> 00:00:50,039

of mine and his brother Travis is the

23

00:00:53,990 --> 00:00:52,140

young man about 22.

24

00:00:55,369 --> 00:00:54,000

and he's always made the statement

25

00:00:56,810 --> 00:00:55,379

around the country to everyone that

26
00:00:58,729 --> 00:00:56,820
knows him that he'd like to have some

27
00:01:00,830 --> 00:00:58,739
way of making communication with them

28
00:01:02,510 --> 00:01:00,840
yes and they were talking about this

29
00:01:05,030 --> 00:01:02,520
kind of a thing ironically at the time

30
00:01:06,770 --> 00:01:05,040
when they saw this light about 20 foot

31
00:01:09,770 --> 00:01:06,780
hovered from the ground and

32
00:01:11,810 --> 00:01:09,780
before they actually stopped their truck

33
00:01:13,330 --> 00:01:11,820
Travis jumped out of the car and ran up

34
00:01:16,730 --> 00:01:13,340
underneath this thing if you can imagine

35
00:01:19,010 --> 00:01:16,740
uh how many yards away I don't know that

36
00:01:20,870 --> 00:01:19,020
quote but he ran up underneath it with

37
00:01:22,490 --> 00:01:20,880
his hands in the air as a helpless or

38
00:01:24,530 --> 00:01:22,500

friendly gesture

39

00:01:26,450 --> 00:01:24,540

it's time he done this

40

00:01:28,550 --> 00:01:26,460

the other six men and these are pretty

41

00:01:30,410 --> 00:01:28,560

pretty uh pretty good local boys they're

42

00:01:34,789 --> 00:01:30,420

not just you know they were sober too

43

00:01:36,770 --> 00:01:34,799

yes and uh they all witnessed a blue

44

00:01:38,870 --> 00:01:36,780

for a bluish light

45

00:01:40,730 --> 00:01:38,880

that projected from the bottom of this

46

00:01:43,789 --> 00:01:40,740

craft whatever it was

47

00:01:45,590 --> 00:01:43,799

and at that time it hit him and of

48

00:01:46,850 --> 00:01:45,600

course he crumpled

49

00:01:49,010 --> 00:01:46,860

fell

50

00:01:50,690 --> 00:01:49,020

now the rest of them were just you know

51
00:01:52,490 --> 00:01:50,700
like anyone else would be I guess they

52
00:01:54,289 --> 00:01:52,500
were terrified and so they started their

53
00:01:56,990 --> 00:01:54,299
vehicle up and drove the other way on

54
00:01:59,450 --> 00:01:57,000
that Rim Road for several miles until

55
00:02:01,490 --> 00:01:59,460
they regained their wits

56
00:02:04,130 --> 00:02:01,500
they came back a few minutes later and

57
00:02:05,810 --> 00:02:04,140
there was no sign of anything except as

58
00:02:07,609 --> 00:02:05,820
they were departing as they were

59
00:02:10,790 --> 00:02:07,619
entering the area where this happened

60
00:02:13,970 --> 00:02:10,800
they did see this thing dysogic uh

61
00:02:17,290 --> 00:02:13,980
leaving moving across the sky

62
00:02:21,229 --> 00:02:17,300
now this has been publicized through the

63
00:02:22,729 --> 00:02:21,239

KPHO uh media over television I suppose

64

00:02:23,869 --> 00:02:22,739

the radio and all the other channels

65

00:02:27,410 --> 00:02:23,879

we've got this

66

00:02:31,070 --> 00:02:27,420

uh Sheriff Gillespie and uh Holbrook

67

00:02:33,170 --> 00:02:31,080

and many many other search deputies

68

00:02:35,089 --> 00:02:33,180

and the man is gone

69

00:02:38,750 --> 00:02:35,099

they've checked it out there's radiation

70

00:02:40,910 --> 00:02:38,760

there in this spot they don't know uh

71

00:02:42,890 --> 00:02:40,920

Ralph told me that it buried

72

00:02:45,770 --> 00:02:42,900

there was some fairly heavy and then it

73

00:02:48,650 --> 00:02:45,780

was light also

74

00:02:51,290 --> 00:02:48,660

but what would raise me

75

00:02:53,750 --> 00:02:51,300

well that's hard to say but this is

76

00:02:54,949 --> 00:02:53,760

really true now I can uh like I said if

77

00:02:57,650 --> 00:02:54,959

you wanted to confirm this you could

78

00:03:00,170 --> 00:02:57,660

call what is the mother's lesbian

79

00:03:02,990 --> 00:03:00,180

call Ralph Patterson this is uh the

80

00:03:04,670 --> 00:03:03,000

Man's brother who uh vanished Ralph

81

00:03:06,650 --> 00:03:04,680

Anderson's a good friend of mine and I

82

00:03:08,930 --> 00:03:06,660

suggest that they do this today

83

00:03:11,990 --> 00:03:08,940

but he said that they had some men in

84

00:03:13,850 --> 00:03:12,000

the Tucson uh Flagstaff and Tucson area

85

00:03:15,530 --> 00:03:13,860

that were coming up but I read this

86

00:03:18,290 --> 00:03:15,540

article in your book here and I felt

87

00:03:20,750 --> 00:03:18,300

that it probably is by most the foremost

88

00:03:23,210 --> 00:03:20,760

experience relating to this type of

89

00:03:25,610 --> 00:03:23,220

research on this thing Ralph called me

90

00:03:27,770 --> 00:03:25,620

back about 2 30 today

91

00:03:30,830 --> 00:03:27,780

he was going out there there are going

92

00:03:32,570 --> 00:03:30,840

out again here in search you know air

93

00:03:34,790 --> 00:03:32,580

and ground search they're going to make

94

00:03:36,170 --> 00:03:34,800

a last-ditch effort attempt on it for 48

95

00:03:38,149 --> 00:03:36,180

continual hours

96

00:03:40,250 --> 00:03:38,159

Ralph said at the time he called he was

97

00:03:42,830 --> 00:03:40,260

shortly planning on leaving and would

98

00:03:46,250 --> 00:03:42,840

not be back until whatever time

99

00:03:49,070 --> 00:03:46,260

this 48 Hours could develop it

100

00:03:50,509 --> 00:03:49,080

but uh well I was kind of concerned he

101
00:03:51,350 --> 00:03:50,519
said is there a possibility that they

102
00:03:54,110 --> 00:03:51,360
could have took that matter

103
00:03:56,509 --> 00:03:54,120
disintegrated him and uh

104
00:03:58,490 --> 00:03:56,519
who knows

105
00:04:01,250 --> 00:03:58,500
now what was that man's name again who's

106
00:04:03,710 --> 00:04:01,260
uh Missing uh here's the man's name

107
00:04:07,970 --> 00:04:03,720
missing is Travis

108
00:04:12,589 --> 00:04:10,550
this has been well publicized throughout

109
00:04:14,690 --> 00:04:12,599
the entire State of Arizona

110
00:04:16,550 --> 00:04:14,700
it's been on every channel we catch it

111
00:04:17,810 --> 00:04:16,560
on the six o'clock news it's been on the

112
00:04:20,150 --> 00:04:17,820
10 o'clock news

113
00:04:21,650 --> 00:04:20,160

and it happened Thursday night has this

114

00:04:23,870 --> 00:04:21,660

been published in any of the papers you

115

00:04:26,450 --> 00:04:23,880

know if I don't know about the papers my

116

00:04:28,310 --> 00:04:26,460

friend they'll certainly been in the I

117

00:04:30,770 --> 00:04:28,320

think my wife just said it is has been

118

00:04:32,030 --> 00:04:30,780

in the paper Okay in fact it's been a

119

00:04:34,189 --> 00:04:32,040

headliner

120

00:04:36,710 --> 00:04:34,199

the first day it happened

121

00:04:38,930 --> 00:04:36,720

that night when the boys came back

122

00:04:41,030 --> 00:04:38,940

without Travis Walton

123

00:04:42,350 --> 00:04:41,040

Ralph called me about three o'clock in

124

00:04:44,270 --> 00:04:42,360

the morning and told me what had

125

00:04:46,370 --> 00:04:44,280

happened and he was leaving upon that

126

00:04:47,570 --> 00:04:46,380

after the phone call to me then they

127

00:04:50,330 --> 00:04:47,580

were going out there the next day they

128

00:04:52,610 --> 00:04:50,340

had it search party of 55 men they

129

00:04:57,110 --> 00:04:52,620

turned up nothing except the radiolence

130

00:05:01,909 --> 00:04:59,570

yes

131

00:05:03,469 --> 00:05:01,919

if you want to call him or call me but

132

00:05:04,909 --> 00:05:03,479

I'll give you my name and number but I

133

00:05:07,129 --> 00:05:04,919

don't think it'd be important for my

134

00:05:08,749 --> 00:05:07,139

name but I'm just concerned about the

135

00:05:10,070 --> 00:05:08,759

thing and if you're a sharpshooter on a

136

00:05:11,600 --> 00:05:10,080

thing I'd like to see somebody do

137

00:05:14,170 --> 00:05:11,610

something Buddy

138

00:05:16,730 --> 00:05:14,180

[Music]

139

00:05:18,050 --> 00:05:16,740

oh it's about 35 miles from right here

140

00:05:20,390 --> 00:05:18,060

at our home where I'm calling you from

141

00:05:22,249 --> 00:05:20,400

okay

142

00:05:24,469 --> 00:05:22,259

and what was the date of this incident

143

00:05:26,510 --> 00:05:24,479

again what was the date of the incident

144

00:05:29,510 --> 00:05:26,520

well it was Thursday Thursday okay

145

00:05:30,650 --> 00:05:29,520

Thursday night uh I'd say shortly after

146

00:05:32,629 --> 00:05:30,660

dark

147

00:05:35,150 --> 00:05:32,639

that's when I said seven men at that

148

00:05:40,570 --> 00:05:35,160

time were leaving in their truck

149

00:05:46,490 --> 00:05:43,070

or so off the ground

150

00:05:47,870 --> 00:05:46,500

and uh at that time travel Travis had

151
00:05:49,610 --> 00:05:47,880
been talking about this and the whole

152
00:05:51,290 --> 00:05:49,620
country knows this he's always wanted to

153
00:05:53,450 --> 00:05:51,300
communicate with these people and I

154
00:05:55,189 --> 00:05:53,460
believe this or not and before they ever

155
00:05:56,629 --> 00:05:55,199
got the truck stop he ran out there

156
00:05:58,790 --> 00:05:56,639
underneath that thing with his hands

157
00:06:01,850 --> 00:05:58,800
stretched up near as uh guess your

158
00:06:03,650 --> 00:06:01,860
friendliness or help or something and

159
00:06:06,890 --> 00:06:03,660
then this uh

160
00:06:09,110 --> 00:06:06,900
bluish-like ray of light

161
00:06:10,270 --> 00:06:09,120
projected from the bottom of that crop

162
00:06:19,189 --> 00:06:10,280
and

163
00:06:21,650 --> 00:06:19,199

they left for a few minutes they said

164

00:06:23,570 --> 00:06:21,660

they didn't know exactly how long

165

00:06:24,830 --> 00:06:23,580

they came back and there was no side of

166

00:06:26,450 --> 00:06:24,840

anything other than the fact that the

167

00:06:28,010 --> 00:06:26,460

village was fighting again they saw this

168

00:06:29,930 --> 00:06:28,020

leaving

169

00:06:32,270 --> 00:06:29,940

we sure appreciate your calling I

170

00:06:33,110 --> 00:06:32,280

mentioned one thing all of these other

171

00:06:35,090 --> 00:06:33,120

men

172

00:06:37,730 --> 00:06:35,100

included that we're at this sighting

173

00:06:39,110 --> 00:06:37,740

witnessing this have all agreed to and

174

00:06:41,510 --> 00:06:39,120

first of the week they're all going to

175

00:06:43,969 --> 00:06:41,520

take a lie detector test

176

00:06:46,370 --> 00:06:43,979

uh probably in Holbrook and Marlon

177

00:06:49,730 --> 00:06:46,380

Gillespie's at the courthouse there to

178

00:06:53,270 --> 00:06:49,740

verify and substantiate this

179

00:06:55,790 --> 00:06:53,280

and that would be uh verified by Ralph

180

00:06:57,529 --> 00:06:55,800

Anderson Ralph Anderson is Travis's
