

1
00:00:04,610 --> 00:00:02,869
I had taken a walk in the woods

2
00:00:08,690 --> 00:00:04,620
it was about

3
00:00:12,410 --> 00:00:08,700
9 30 in the morning and

4
00:00:15,470 --> 00:00:12,420
I knew this area behind my grandmother's

5
00:00:18,590 --> 00:00:15,480
house really well and

6
00:00:21,710 --> 00:00:18,600
I took a different path that day I just

7
00:00:24,470 --> 00:00:21,720
so I'll go this way and

8
00:00:26,330 --> 00:00:24,480
as I was coming up the hill

9
00:00:28,429 --> 00:00:26,340
this small

10
00:00:29,630 --> 00:00:28,439
being just stepped out from behind a

11
00:00:32,389 --> 00:00:29,640
tree

12
00:00:34,310 --> 00:00:32,399
and

13
00:00:36,950 --> 00:00:34,320

took me

14

00:00:38,750 --> 00:00:36,960

started leading me up to this area where

15

00:00:42,650 --> 00:00:38,760

there was a clearing

16

00:00:49,310 --> 00:00:45,830

as I walked out of the trees there was

17

00:00:51,049 --> 00:00:49,320

this huge craft a triangular craft just

18

00:00:54,350 --> 00:00:51,059

above the tree line

19

00:00:57,110 --> 00:00:54,360

it was beautiful as scared as I was

20

00:00:59,689 --> 00:00:57,120

it it just

21

00:01:02,930 --> 00:00:59,699

put me in awe of it because it was shiny

22

00:01:04,490 --> 00:01:02,940

like stainless steel yeah

23

00:01:07,370 --> 00:01:04,500

silvery

24

00:01:10,490 --> 00:01:07,380

and I felt myself being drawn up like a

25

00:01:12,890 --> 00:01:10,500

like a vacuum almost just lifted for you

26

00:01:16,429 --> 00:01:12,900

then as well 12. yeah

27

00:01:18,770 --> 00:01:16,439

and the next thing I remember

28

00:01:20,330 --> 00:01:18,780

after after the going up was being on a

29

00:01:21,590 --> 00:01:20,340

table

30

00:01:24,410 --> 00:01:21,600

and

31

00:01:28,310 --> 00:01:24,420

that's the first time they did

32

00:01:29,770 --> 00:01:28,320

what uh like

33

00:01:33,890 --> 00:01:29,780

a gynecologist

34

00:01:37,550 --> 00:01:33,900

yeah yeah exam on me for a 12 years old

35

00:01:40,429 --> 00:01:37,560

kid and a lot of you were scared yeah it

36

00:01:42,230 --> 00:01:40,439

was a shock because I was pretty naive I

37

00:01:44,929 --> 00:01:42,240

didn't really have

38

00:01:51,230 --> 00:01:44,939

any clue how my body worked anyway and

39

00:01:56,149 --> 00:01:54,289

couldn't they um

40

00:01:57,950 --> 00:01:56,159

they checked me out and they put

41

00:02:00,410 --> 00:01:57,960

something in me and

42

00:02:02,270 --> 00:02:00,420

it was it was really traumatic at the

43

00:02:04,370 --> 00:02:02,280

time it uh

44

00:02:07,249 --> 00:02:04,380

I feel like it sort of took some of my

45

00:02:11,449 --> 00:02:07,259

innocence away at the time

46

00:02:13,670 --> 00:02:11,459

and it bothered me

47

00:02:15,949 --> 00:02:13,680

have you any idea what they put inside

48

00:02:19,390 --> 00:02:15,959

you it was an instrument

49

00:02:25,070 --> 00:02:22,729

uh I don't really know it was like a

50

00:02:28,850 --> 00:02:25,080

tube-like instrument

51
00:02:31,850 --> 00:02:28,860
like a gynecologist would use in a way

52
00:02:35,270 --> 00:02:31,860
can you describe the aliens for me how

53
00:02:35,890 --> 00:02:35,280
did they look like they were small about

54
00:02:38,750 --> 00:02:35,900
um

55
00:02:40,550 --> 00:02:38,760
about that high

56
00:02:44,690 --> 00:02:40,560
and uh

57
00:02:47,990 --> 00:02:44,700
no hair large dark eyes

58
00:02:50,630 --> 00:02:48,000
just a little like a bump and two slits

59
00:02:53,570 --> 00:02:50,640
for a nose and a slit for a mouth that

60
00:02:56,089 --> 00:02:53,580
never moved or maybe it might open a

61
00:02:58,250 --> 00:02:56,099
little bit but as far as jaw movement

62
00:03:00,830 --> 00:02:58,260
there was and some feed

63
00:03:03,350 --> 00:03:00,840

I remember

64

00:03:05,449 --> 00:03:03,360

three fingers and a thumb

65

00:03:08,630 --> 00:03:05,459

and uh

66

00:03:10,369 --> 00:03:08,640

the feet I never saw them more than I

67

00:03:14,089 --> 00:03:10,379

don't know if they were wearing

68

00:03:16,009 --> 00:03:14,099

some kind of Footwear or what

69

00:03:18,890 --> 00:03:16,019

they

70

00:03:21,880 --> 00:03:18,900

seemed to be like a one piece

71

00:03:25,210 --> 00:03:21,890

smooth fitting thing whatever it was

72

00:03:25,220 --> 00:03:32,330

the hardest

73

00:03:32,340 --> 00:03:38,449

foreign

74

00:03:38,459 --> 00:03:42,589

being taken and

75

00:03:49,180 --> 00:03:46,070

having to have sex with one

76

00:03:51,890 --> 00:03:49,190

which was very very difficult it

77

00:03:57,350 --> 00:03:51,900

[Music]

78

00:04:02,089 --> 00:03:59,449

it didn't seem

79

00:04:07,869 --> 00:04:02,099

like it was an evil intent it was just

80

00:04:12,229 --> 00:04:10,250

unconcerned about my emotions through

81

00:04:15,470 --> 00:04:12,239

the whole thing it seemed to be an

82

00:04:19,189 --> 00:04:15,480

experiment of some sort with a

83

00:04:21,830 --> 00:04:19,199

type of a of a mixed being not

84

00:04:23,030 --> 00:04:21,840

not just like the little one I described

85

00:04:27,350 --> 00:04:23,040

but

86

00:04:29,990 --> 00:04:27,360

their nature make sure if a human being

87

00:04:32,210 --> 00:04:30,000

I assume so I mean it looked a little

88

00:04:35,350 --> 00:04:32,220

more like a human than these other kind

89

00:04:39,890 --> 00:04:35,360

did have you ever seen children or

90

00:04:43,370 --> 00:04:39,900

mixtures yes I was shown several

91

00:04:45,770 --> 00:04:43,380

um some were mine they told me were mine

92

00:04:48,530 --> 00:04:45,780

some they really think that they're

93

00:04:52,010 --> 00:04:48,540

yours when I

94

00:04:53,870 --> 00:04:52,020

first time I was shown one that they

95

00:04:56,930 --> 00:04:53,880

said was mine

96

00:04:58,249 --> 00:04:56,940

I was 15.

97

00:05:00,409 --> 00:04:58,259

and

98

00:05:03,350 --> 00:05:00,419

they brought me into this room it was

99

00:05:04,850 --> 00:05:03,360

dimly lighted except for this little

100

00:05:08,510 --> 00:05:04,860

container

101
00:05:12,530 --> 00:05:08,520
and they were I was kind of urged to go

102
00:05:15,110 --> 00:05:12,540
look at and it was a little small

103
00:05:17,570 --> 00:05:15,120
little small being with the the head

104
00:05:19,969 --> 00:05:17,580
seemed bigger than the body you know out

105
00:05:22,189 --> 00:05:19,979
of proportion

106
00:05:24,830 --> 00:05:22,199
and

107
00:05:26,510 --> 00:05:24,840
she had large eyes but they weren't all

108
00:05:29,810 --> 00:05:26,520
black they were

109
00:05:31,610 --> 00:05:29,820
they had the baby the mixture of an

110
00:05:34,670 --> 00:05:31,620
alien and a human being

111
00:05:36,650 --> 00:05:34,680
yeah that they

112
00:05:39,890 --> 00:05:36,660
they led me to believe it was mine and I

113
00:05:43,129 --> 00:05:39,900

didn't want to believe it and you know I

114

00:05:48,529 --> 00:05:43,139

I didn't want anything to do with it and

115

00:05:53,390 --> 00:05:51,170

I resisted but for some reason I did

116

00:05:56,510 --> 00:05:53,400

anyway and it was like the instant I

117

00:05:57,890 --> 00:05:56,520

held it I knew it was mine there was

118

00:06:04,129 --> 00:05:57,900

some

119

00:06:07,550 --> 00:06:04,139

holding it that I felt suddenly attached

120

00:06:11,270 --> 00:06:07,560

to it and I was no longer afraid of it I

121

00:06:19,129 --> 00:06:14,570

amazed because I was only 15 and and to

122

00:06:26,520 --> 00:06:21,230

it was important for some reason that

123

00:06:29,990 --> 00:06:27,950

[Music]

124

00:06:33,529 --> 00:06:30,000

I didn't want to give it back up once I

125

00:06:38,210 --> 00:06:36,050

I was really upset when when they took

126
00:06:39,469 --> 00:06:38,220
it back from me

127
00:06:42,230 --> 00:06:39,479
but

128
00:06:43,570 --> 00:06:42,240
it looked a little more

129
00:06:47,809 --> 00:06:43,580
human

130
00:06:52,129 --> 00:06:47,819
had a little more of a nose and a mouth

131
00:06:54,110 --> 00:06:52,139
kind of squeaked made a sound what do

132
00:06:56,330 --> 00:06:54,120
you feel when you're telling me this

133
00:07:01,909 --> 00:06:56,340
story now

134
00:07:01,919 --> 00:07:05,029
I've seen

135
00:07:11,930 --> 00:07:09,590
I've been shown her at various stages as

136
00:07:14,150 --> 00:07:11,940
she's grown

137
00:07:18,590 --> 00:07:14,160
and uh
