

1
00:00:04,550 --> 00:00:02,149
hello you called an object in the sky in

2
00:00:06,590 --> 00:00:04,560
and the chief myself went out to check

3
00:00:08,089 --> 00:00:06,600
it out and we saw a bright

4
00:00:10,610 --> 00:00:08,099
a bright

5
00:00:13,490 --> 00:00:10,620
white light in the sky before we ever

6
00:00:17,630 --> 00:00:13,500
got to her her location

7
00:00:19,730 --> 00:00:17,640
and we stopped and and watched it it was

8
00:00:22,550 --> 00:00:19,740
like maybe two fingers Over the Horizon

9
00:00:24,529 --> 00:00:22,560
over the treetop The Horizon

10
00:00:26,029 --> 00:00:24,539
and appeared to be moving at a very slow

11
00:00:27,710 --> 00:00:26,039
pace

12
00:00:29,750 --> 00:00:27,720
and it would get brighter and then

13
00:00:31,609 --> 00:00:29,760

dimmer almost like a light turning

14

00:00:33,290 --> 00:00:31,619

towards you and then away from you

15

00:00:35,330 --> 00:00:33,300

so we stopped the vehicle and observed

16

00:00:36,770 --> 00:00:35,340

it for a few minutes just I don't know

17

00:00:39,170 --> 00:00:36,780

two or three minutes and decided we

18

00:00:40,069 --> 00:00:39,180

would try to drive toward it we radioed

19

00:00:42,709 --> 00:00:40,079

the town

20

00:00:45,410 --> 00:00:42,719

down south of us and I believe their

21

00:00:47,389 --> 00:00:45,420

Chief was on duty at that time and he

22

00:00:48,889 --> 00:00:47,399

he confirmed that he saw the object and

23

00:00:52,069 --> 00:00:48,899

it appeared to have some blinking lights

24

00:00:55,250 --> 00:00:52,079

on it like maybe a red and green colored

25

00:00:56,630 --> 00:00:55,260

lights a police officer from

26

00:00:58,209 --> 00:00:56,640

uh

27

00:01:02,450 --> 00:00:58,219

cross bill

28

00:01:05,030 --> 00:01:02,460

radioed and said that he told us his

29

00:01:08,149 --> 00:01:05,040

location and said a large object had

30

00:01:11,530 --> 00:01:08,159

flown over him at a fast pace

31

00:01:14,149 --> 00:01:11,540

flying in a west and south Direction

32

00:01:16,550 --> 00:01:14,159

well evidently we were

33

00:01:17,810 --> 00:01:16,560

in the path of that object we stopped

34

00:01:18,770 --> 00:01:17,820

and got out and looked back toward the

35

00:01:20,390 --> 00:01:18,780

east

36

00:01:23,810 --> 00:01:20,400

and I saw this object coming over the

37

00:01:26,510 --> 00:01:23,820

Treetops and it appeared to have

38

00:01:28,010 --> 00:01:26,520

kind of a I don't know like a white

39

00:01:29,630 --> 00:01:28,020

lights on it they were they weren't

40

00:01:31,190 --> 00:01:29,640

actually Shining

41

00:01:32,870 --> 00:01:31,200

where they were real bright you could

42

00:01:35,450 --> 00:01:32,880

just tell they were on it and that was

43

00:01:37,310 --> 00:01:35,460

kind of a glow of the lights around it

44

00:01:39,890 --> 00:01:37,320

and

45

00:01:41,450 --> 00:01:39,900

I told Junior I said there's I said

46

00:01:43,490 --> 00:01:41,460

there's the object he's talking about I

47

00:01:47,149 --> 00:01:43,500

said it appears to be an airplane

48

00:01:49,190 --> 00:01:47,159

and I said well I I said it it don't

49

00:01:51,109 --> 00:01:49,200

look exactly like an airplane it's it's

50

00:02:01,910 --> 00:01:51,119

a

51

00:02:05,149 --> 00:02:01,920

1500 to 2000 feet

52

00:02:07,550 --> 00:02:05,159

and and possibly as big as a as big as a

53

00:02:10,490 --> 00:02:07,560

football field

54

00:02:13,850 --> 00:02:10,500

and it had three three huge

55

00:02:17,030 --> 00:02:13,860

black spotlights kind of triangle shape

56

00:02:19,309 --> 00:02:17,040

with the with the one being more toward

57

00:02:20,330 --> 00:02:19,319

the front but they were not shy they

58

00:02:21,170 --> 00:02:20,340

weren't shining at the ground they were

59

00:02:22,850 --> 00:02:21,180

like

60

00:02:25,369 --> 00:02:22,860

shining back up

61

00:02:27,890 --> 00:02:25,379

on the craft itself so I asked the chief

62

00:02:29,150 --> 00:02:27,900

as I cut cut the car engine off and like

63

00:02:31,250 --> 00:02:29,160

I said there was no other background

64

00:02:33,290 --> 00:02:31,260

noises the car was dead you know we we

65

00:02:34,850 --> 00:02:33,300

shut the engine down it was dead and

66

00:02:36,290 --> 00:02:34,860

here this big object come flying over

67

00:02:37,850 --> 00:02:36,300

and I mean if you

68

00:02:41,089 --> 00:02:37,860

you know put your hands up like this

69

00:02:46,250 --> 00:02:43,729

about how big it looked to you bigger

70

00:02:48,589 --> 00:02:46,260

than a beach ball you know that's big or

71

00:02:50,930 --> 00:02:48,599

bigger and uh

72

00:02:52,850 --> 00:02:50,940

we watched it fly over us and then we

73

00:02:54,770 --> 00:02:52,860

turn you know no sound whatsoever we

74

00:02:57,830 --> 00:02:54,780

watched it go off

75

00:02:59,990 --> 00:02:57,840

South and and west of us

76
00:03:01,430 --> 00:03:00,000
never a sound it would have been looking

77
00:03:04,610 --> 00:03:01,440
down at the ground would never know it

78
00:03:06,410 --> 00:03:04,620
was there Fred and I uh pulled over on

79
00:03:08,930 --> 00:03:06,420
the side of the road on County Road 43

80
00:03:11,509 --> 00:03:08,940
and stopped our patrol car shut the

81
00:03:14,089 --> 00:03:11,519
engine off and got out and that at that

82
00:03:15,890 --> 00:03:14,099
time the object came directly over uh

83
00:03:17,509 --> 00:03:15,900
our patrol car and we were looking up

84
00:03:18,830 --> 00:03:17,519
underneath it

85
00:03:21,589 --> 00:03:18,840
and

86
00:03:23,750 --> 00:03:21,599
of the the object appeared to me that it

87
00:03:26,869 --> 00:03:23,760
was some thousand fifteen hundred feet

88
00:03:29,030 --> 00:03:26,879

higher had three real bright lights

89

00:03:31,610 --> 00:03:29,040

underneath it that were

90

00:03:32,990 --> 00:03:31,620

shining not on the ground to illuminate

91

00:03:34,790 --> 00:03:33,000

the ground but shining back up

92

00:03:36,350 --> 00:03:34,800

underneath the crop to illuminate the

93

00:03:38,630 --> 00:03:36,360

craft itself

94

00:03:40,850 --> 00:03:38,640

and there was some some lights around

95

00:03:44,170 --> 00:03:40,860

what I call the face of the craft or the

96

00:03:46,670 --> 00:03:44,180

crown of it whatever you may call it uh

97

00:03:50,330 --> 00:03:46,680

appeared looking up through the the

98

00:03:53,990 --> 00:03:50,340

glare of those other lights uh maybe

99

00:03:55,670 --> 00:03:54,000

green blue or red or or some of them

100

00:03:56,930 --> 00:03:55,680

might have been white it was a large

101
00:04:00,170 --> 00:03:56,940
craft

102
00:04:03,369 --> 00:04:00,180
and uh it had no sound whatsoever it

103
00:04:06,649 --> 00:04:03,379
just continues then it's you know didn't

104
00:04:09,649 --> 00:04:06,659
descend or pick up any speed or anything

105
00:04:13,610 --> 00:04:09,659
just a steady speed just right over us

106
00:04:16,729 --> 00:04:13,620
and and went right on outside sometime

107
00:04:18,890 --> 00:04:16,739
after that now after 89 of February 10th

108
00:04:21,050 --> 00:04:18,900
we had several calls the other night of

109
00:04:23,030 --> 00:04:21,060
February the 10th we had several calls

110
00:04:26,210 --> 00:04:23,040
and they've been scattered reports ever

111
00:04:27,670 --> 00:04:26,220
since then I had a person to come in uh

112
00:04:30,409 --> 00:04:27,680
just last night

113
00:04:33,710 --> 00:04:30,419

Marty Roberts in a grobo carrier came in

114

00:04:36,530 --> 00:04:33,720

and he described this this object to me

115

00:04:38,570 --> 00:04:36,540

and and Drew me a diagram of it on the

116

00:04:40,670 --> 00:04:38,580

paper and it was something similar to

117

00:04:45,110 --> 00:04:40,680

what I'd seen on February the 10th of

118

00:04:47,150 --> 00:04:45,120

89. and he's seen that this past date

119

00:04:49,990 --> 00:04:47,160

we sent Jeff Cole down there to see if

120

00:04:52,969 --> 00:04:50,000

E.T has a Southern accent

121

00:04:56,330 --> 00:04:52,979

they came from outer space I still

122

00:05:00,530 --> 00:04:58,850

police were helpless there's nothing

123

00:05:04,189 --> 00:05:00,540

that I've ever seen before in my life

124

00:05:07,010 --> 00:05:04,199

and the town of Fife Alabama was stunned

125

00:05:08,390 --> 00:05:07,020

by the strange visitors my dog saw it

126

00:05:09,650 --> 00:05:08,400

but he won't talk about it he wasn't

127

00:05:11,270 --> 00:05:09,660

crawled on the floor and I know that's

128

00:05:17,380 --> 00:05:11,280

what's happened because he he talks to

129

00:05:22,070 --> 00:05:19,150

[Music]

130

00:05:24,469 --> 00:05:22,080

fight police chief Junior garmony and

131

00:05:26,330 --> 00:05:24,479

assistant chief Fred Works got the call

132

00:05:30,409 --> 00:05:26,340

and went out to investigate what they

133

00:05:33,110 --> 00:05:30,419

figured was some well Monkey Business

134

00:05:36,050 --> 00:05:33,120

whatever it was they saw it will be a

135

00:05:38,450 --> 00:05:36,060

long time before Fife forgets the things

136

00:05:41,689 --> 00:05:38,460

from out of this world there's some

137

00:05:43,790 --> 00:05:41,699

people that's gone ridicules for it some

138

00:05:45,890 --> 00:05:43,800

people disbelieve it but I hope them

139

00:05:48,170 --> 00:05:45,900

people themselves just to view it one of

140

00:05:49,790 --> 00:05:48,180

these days they may be coming to see you

141

00:05:54,350 --> 00:05:49,800

next

142

00:05:58,010 --> 00:05:56,390

there is a legitimate investigation

143

00:06:00,110 --> 00:05:58,020

going on down there if you can believe

144

00:06:02,270 --> 00:06:00,120

it the FAA and the Air Force are doing

145

00:06:03,890 --> 00:06:02,280

that investigation and if any of you

146

00:06:06,770 --> 00:06:03,900

martians are watching this broadcast

147

00:06:07,850 --> 00:06:06,780

please drop by to see us and bring Elvis

148

00:06:10,029 --> 00:06:07,860

with you

149

00:06:12,710 --> 00:06:10,039

Straight Ahead we'll get back to reality

150

00:06:13,909 --> 00:06:12,720

what was the reaction to the job they

151

00:06:20,150 --> 00:06:13,919

did

152

00:06:24,469 --> 00:06:20,160

they spoofed the incident they made it

153

00:06:26,990 --> 00:06:24,479

to appear like a Keystone Cops kind of a

154

00:06:28,990 --> 00:06:27,000

program and the people up here didn't

155

00:06:31,070 --> 00:06:29,000

like it at all

156

00:06:33,890 --> 00:06:31,080

they thought they were here in good

157

00:06:36,590 --> 00:06:33,900

faith so they showed them the southern

158

00:06:38,870 --> 00:06:36,600

hospitality and when the program came

159

00:06:41,210 --> 00:06:38,880

out they were incense to not just the

160

00:06:44,390 --> 00:06:41,220

people in the faf but the people of the

161

00:06:48,170 --> 00:06:44,400

whole area were very very angry at what

162

00:06:50,330 --> 00:06:48,180

Inside Edition did it was ridiculous I

163

00:06:52,450 --> 00:06:50,340

went inside edition came in to do their

164

00:06:55,129 --> 00:06:52,460

piece everybody was welcome

165

00:06:56,650 --> 00:06:55,139

we made them tried to make them feel at

166

00:06:59,150 --> 00:06:56,660

home and

167

00:07:02,390 --> 00:06:59,160

be a part of the community

168

00:07:05,270 --> 00:07:02,400

but after the Inside Edition piece ran

169

00:07:07,210 --> 00:07:05,280

on TV the the Outlook toward the media

170

00:07:10,129 --> 00:07:07,220

was completely different

171

00:07:11,990 --> 00:07:10,139

it wasn't hostile it's just they didn't

172

00:07:16,070 --> 00:07:12,000

get any help

173

00:07:18,650 --> 00:07:16,080

was slow and coming you had to uh

174

00:07:20,210 --> 00:07:18,660

show good faith that what you were doing

175

00:07:21,710 --> 00:07:20,220

wasn't going to be like what Inside

176

00:07:23,950 --> 00:07:21,720

Edition did

177

00:07:27,230 --> 00:07:23,960

people are still seeing things up here

178

00:07:30,529 --> 00:07:27,240

they're not as frequent as they were

179

00:07:34,610 --> 00:07:30,539

during that time but there are reports

180

00:07:35,950 --> 00:07:34,620

of seeing things in the sky almost

181

00:07:39,290 --> 00:07:35,960

constantly

182

00:07:41,450 --> 00:07:39,300

I don't mean every day but I mean hardly
