

Sightings of unusual bright lights of all varieties have been reported in the vicinity of Ithaca since late October. This "boomerang" formation — sketched by artist Larry MacCaskill—was reported by Ronald Follett, Stanley James Orr and Henry Addison, who said they saw it from a hilltop in Newfield.

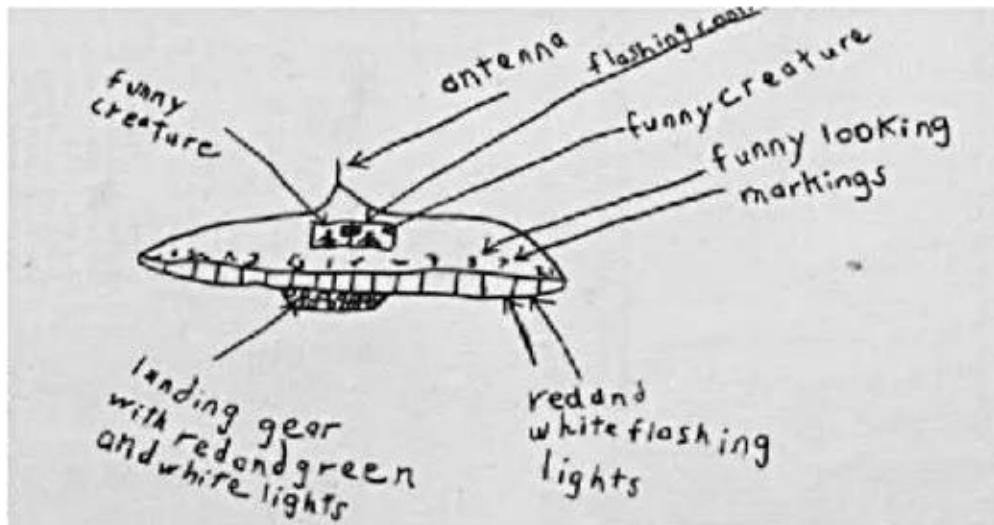

NEWFIELD'S UFO 'FLAP'

Flying saucers . . . are they science, or merely science fiction? Now playing a major role in efforts to find answers for the question are residents of Newfield and other rural New York communities in the vicinity of Ithaca.

This fall and winter these Central New Yorkers have wrapped up in an Unidentified Flying Object uproar that rivals the much-heralded rash of sightings at Exeter, N.H., which led to

WHAT HE SAID HE SAW: The diagram above, according to Stanley James Orr of Newfield, was drawn by Donald Chiszar, 12, who said he saw the object near Main St. in Newfield on Oct. 24.

Reports Keep
Popping Up in
Upstate Areas

1
00:00:05,630 --> 00:00:02,230
what I've seen as far as I'm concerned

2
00:00:07,550 --> 00:00:05,640
is the most inexplicable frightening

3
00:00:08,990 --> 00:00:07,560
series of events in the last four nights

4
00:00:10,730 --> 00:00:09,000
that I've ever gone through

5
00:00:12,770 --> 00:00:10,740
and we've got a 10 and a 12 year old boy

6
00:00:14,570 --> 00:00:12,780
here in Newfield New York

7
00:00:16,189 --> 00:00:14,580
who um

8
00:00:18,349 --> 00:00:16,199
has seen something which I think that

9
00:00:19,430 --> 00:00:18,359
very few people have been sorry thanks a

10
00:00:21,170 --> 00:00:19,440
privileged to witness they looked inside

11
00:00:22,910 --> 00:00:21,180
of a spacecraft two nights ago in Saudi

12
00:00:25,250 --> 00:00:22,920
occupants

13
00:00:28,370 --> 00:00:25,260

they had a very clear view of it and an

14

00:00:30,470 --> 00:00:28,380

insecurable or walkie-talkie radio and I

15

00:00:32,150 --> 00:00:30,480

just uh we had one flower for us and

16

00:00:34,010 --> 00:00:32,160

four of us in the backyard

17

00:00:36,229 --> 00:00:34,020

and flashing red white and green lights

18

00:00:37,250 --> 00:00:36,239

and a brilliant white beam shower off

19

00:00:38,270 --> 00:00:37,260

the middle of it it got rid of the

20

00:00:40,270 --> 00:00:38,280

topless

21

00:00:42,290 --> 00:00:40,280

and uh I could tell you the whole

22

00:00:43,369 --> 00:00:42,300

chronological resume what's happened it

23

00:00:44,209 --> 00:00:43,379

might take me three or four minutes I

24

00:00:46,069 --> 00:00:44,219

don't know if you've got that much time

25

00:00:47,930 --> 00:00:46,079

or not go ahead why don't you run right

26
00:00:50,150 --> 00:00:47,940
through it well love again Monday night

27
00:00:51,529 --> 00:00:50,160
quarter to eight when I I I'm a sales

28
00:00:53,389 --> 00:00:51,539
representative and I was coming from

29
00:00:55,069 --> 00:00:53,399
Dryden New York which is 10 12 miles

30
00:00:57,650 --> 00:00:55,079
from Ithaca

31
00:01:00,350 --> 00:00:57,660
and uh I got adjacent to the Tompkins

32
00:01:01,790 --> 00:01:00,360
County Airport and I noticed two red

33
00:01:04,430 --> 00:01:01,800
lights which seem to be hanging in the

34
00:01:05,570 --> 00:01:04,440
sky about 200 feet off the highway and

35
00:01:06,770 --> 00:01:05,580
at the time at that moment that's

36
00:01:08,210 --> 00:01:06,780
leading moment I thought it was a you

37
00:01:10,609 --> 00:01:08,220
know a tower they put lights on to keep

38
00:01:13,550 --> 00:01:10,619

the planes away and I drove by it and I

39

00:01:15,649 --> 00:01:13,560

had my my stereo on in my car and uh I

40

00:01:17,210 --> 00:01:15,659

looked over my left shoulder and I

41

00:01:18,710 --> 00:01:17,220

noticed that the light began to move and

42

00:01:20,030 --> 00:01:18,720

they passed me and this time there was a

43

00:01:21,590 --> 00:01:20,040

third light on top or full of red

44

00:01:23,330 --> 00:01:21,600

flasher and these lights were awfully

45

00:01:25,429 --> 00:01:23,340

bright and I to restore and turned my

46

00:01:28,370 --> 00:01:25,439

stereo down and I couldn't hear any

47

00:01:29,929 --> 00:01:28,380

noise and it struck you know it didn't

48

00:01:31,730 --> 00:01:29,939

appall me at the time because I you know

49

00:01:32,929 --> 00:01:31,740

it I was near an airport and I just

50

00:01:34,850 --> 00:01:32,939

associated with him I thought it was a

51
00:01:36,950 --> 00:01:34,860
little half plane taken off and then I

52
00:01:38,929 --> 00:01:36,960
watched it disappear in the distance and

53
00:01:41,149 --> 00:01:38,939
uh yeah it got kind of dismissed it you

54
00:01:42,770 --> 00:01:41,159
know and later it began to bug me the

55
00:01:44,149 --> 00:01:42,780
next day I called the airport and asked

56
00:01:46,249 --> 00:01:44,159
them if they had a plane with only red

57
00:01:47,749 --> 00:01:46,259
lights on I said no they didn't every

58
00:01:48,950 --> 00:01:47,759
plane they have has got a white Beacon

59
00:01:50,870 --> 00:01:48,960
and a green light on one of the Wings

60
00:01:52,670 --> 00:01:50,880
you know One Wing is red and One Wing is

61
00:01:54,289 --> 00:01:52,680
green and they have another red light on

62
00:01:56,030 --> 00:01:54,299
and of course there was nothing taken

63
00:01:58,069 --> 00:01:56,040

off at that particular time I asked them

64

00:02:00,109 --> 00:01:58,079

that and then I called again and spoke

65

00:02:01,490 --> 00:02:00,119

with a mechanic up there and described

66

00:02:04,370 --> 00:02:01,500

what I'd seen and he said it's not like

67

00:02:07,490 --> 00:02:04,380

nothing they had I then I thought well

68

00:02:10,010 --> 00:02:07,500

gee I saw something big deal so uh

69

00:02:14,630 --> 00:02:10,020

two days later which was uh

70

00:02:16,790 --> 00:02:14,640

which uh was it Wednesday Wednesday

71

00:02:18,949 --> 00:02:16,800

I was up in Newfield at my girl's house

72

00:02:20,150 --> 00:02:18,959

and we were talking and she said she

73

00:02:22,369 --> 00:02:20,160

said did you hear about the boy in the

74

00:02:23,030 --> 00:02:22,379

field you saw Flying Saucer I said no I

75

00:02:28,430 --> 00:02:23,040

didn't

76
00:02:30,589 --> 00:02:28,440
to him and I went down and I spoke with

77
00:02:33,050 --> 00:02:30,599
him I spoke with several boys and they

78
00:02:34,610 --> 00:02:33,060
told me this unbelievable story at the

79
00:02:36,890 --> 00:02:34,620
time it was unbelievable and I believe

80
00:02:39,710 --> 00:02:36,900
it now they were out and back and they

81
00:02:41,509 --> 00:02:39,720
noticed uh red lights hanging in the sky

82
00:02:43,550 --> 00:02:41,519
with flashers coming around the rim they

83
00:02:44,990 --> 00:02:43,560
described it as a rim hovering in back

84
00:02:46,490 --> 00:02:45,000
at her house this was Wednesday night

85
00:02:49,130 --> 00:02:46,500
about about 10 o'clock and they were

86
00:02:51,350 --> 00:02:49,140
playing with walkie-talkie radios

87
00:02:53,270 --> 00:02:51,360
the thing went around the house at an

88
00:02:55,970 --> 00:02:53,280

altitude of about 200 feet making

89

00:02:58,070 --> 00:02:55,980

absolutely no noise across the street

90

00:02:59,869 --> 00:02:58,080

over a Tavern called the White House and

91

00:03:02,270 --> 00:02:59,879

a new field and hovered over a house

92

00:03:05,030 --> 00:03:02,280

next to it tilled it down at about a 45

93

00:03:06,350 --> 00:03:05,040

degree angle and this boy stood right on

94

00:03:07,970 --> 00:03:06,360

the porch two boys stood right on the

95

00:03:10,850 --> 00:03:07,980

porch looked up into it

96

00:03:13,130 --> 00:03:10,860

said there were two Square Windows

97

00:03:14,630 --> 00:03:13,140

divided by a metal bar they looked

98

00:03:16,910 --> 00:03:14,640

inside of this thing

99

00:03:18,170 --> 00:03:16,920

two of the weirdest looking beings this

100

00:03:20,690 --> 00:03:18,180

boy describes it you wouldn't believe

101
00:03:22,850 --> 00:03:20,700
his description uh we're looking at him

102
00:03:25,070 --> 00:03:22,860
he saw behind them and saw a control

103
00:03:27,589 --> 00:03:25,080
panel slanted against the far wall with

104
00:03:29,270 --> 00:03:27,599
a with what he described were red white

105
00:03:31,190 --> 00:03:29,280
and green lights flashing sequence

106
00:03:33,530 --> 00:03:31,200
across it and all the way around the rim

107
00:03:35,030 --> 00:03:33,540
of this thing there were red white and

108
00:03:37,070 --> 00:03:35,040
green lights flashing on the bottom

109
00:03:38,630 --> 00:03:37,080
there were red white and green lights

110
00:03:41,030 --> 00:03:38,640
which were stationary like a landing

111
00:03:42,229 --> 00:03:41,040
gear he didn't use the word term landing

112
00:03:44,390 --> 00:03:42,239
gear he just said it was something on

113
00:03:47,270 --> 00:03:44,400

the bottom of it displayed to astounding

114

00:03:49,009 --> 00:03:47,280

uh sketch of this thing on the top was

115

00:03:50,570 --> 00:03:49,019

an antenna sticking out now here's the

116

00:03:51,649 --> 00:03:50,580

remarkable part of the story the whole

117

00:03:53,930 --> 00:03:51,659

ring is remarkable but here's another

118

00:03:55,369 --> 00:03:53,940

highlight you might call it the other

119

00:03:57,830 --> 00:03:55,379

walkie-talkies

120

00:03:59,030 --> 00:03:57,840

he turned it on and he pointed it at the

121

00:04:00,229 --> 00:03:59,040

spacecraft you know it's a wonderful

122

00:04:01,670 --> 00:04:00,239

Lane a young boy's mind they didn't

123

00:04:03,470 --> 00:04:01,680

register fear they were just you know

124

00:04:05,449 --> 00:04:03,480

intensely curious they either run the

125

00:04:07,250 --> 00:04:05,459

house uh he played the walking tonti up

126

00:04:08,869 --> 00:04:07,260

and as he cut the on button this thing

127

00:04:11,990 --> 00:04:08,879

began to obsolete

128

00:04:13,610 --> 00:04:12,000

and then once he talks he just screamed

129

00:04:14,630 --> 00:04:13,620

and he left an eye on this thing

130

00:04:16,550 --> 00:04:14,640

oscillated and all of a sudden it took

131

00:04:18,289 --> 00:04:16,560

off and left and the next night it came

132

00:04:20,449 --> 00:04:18,299

back but it didn't come close enough for

133

00:04:21,409 --> 00:04:20,459

an occupant sighting it just circled the

134

00:04:23,150 --> 00:04:21,419

house

135

00:04:24,650 --> 00:04:23,160

anyway he told me this Wednesday and

136

00:04:25,610 --> 00:04:24,660

Wednesday night we came I had brought a

137

00:04:27,710 --> 00:04:25,620

friend of mine up here who had never

138

00:04:29,390 --> 00:04:27,720

believed in him we just got out here and

139

00:04:32,210 --> 00:04:29,400

back we watched the most fantastic

140

00:04:34,790 --> 00:04:32,220

spectacle I have ever seen in my life

141

00:04:36,469 --> 00:04:34,800

we saw some come in low with red white

142

00:04:37,909 --> 00:04:36,479

green flashes we saw some that just

143

00:04:38,810 --> 00:04:37,919

missed the Treetops that were red bright

144

00:04:40,790 --> 00:04:38,820

red

145

00:04:41,930 --> 00:04:40,800

over the top of us going due north every

146

00:04:44,749 --> 00:04:41,940

one of these things had a pattern where

147

00:04:46,610 --> 00:04:44,759

these monstrous glowing Globes which was

148

00:04:48,650 --> 00:04:46,620

just a steady course like they really

149

00:04:51,469 --> 00:04:48,660

knew where they were going we looked up

150

00:04:53,390 --> 00:04:51,479

to the right uh way up high was this

151
00:04:55,490 --> 00:04:53,400
great big globe and dropping off from it

152
00:04:57,230 --> 00:04:55,500
was a white flasher and it just like it

153
00:04:58,370 --> 00:04:57,240
was like an air like a plane I was

154
00:04:59,870 --> 00:04:58,380
aboard an aircraft carrying maybe it

155
00:05:01,670 --> 00:04:59,880
looked like a plane taken off the deck

156
00:05:03,469 --> 00:05:01,680
of a carrier and they can and then they

157
00:05:04,310 --> 00:05:03,479
disappeared then a jet fighter came

158
00:05:08,390 --> 00:05:04,320
through

159
00:05:10,550 --> 00:05:08,400
and uh God what can I tell you uh one

160
00:05:12,469 --> 00:05:10,560
hung over the trees a glowing globe and

161
00:05:14,210 --> 00:05:12,479
uh I broke this boy up a dog with a

162
00:05:16,490 --> 00:05:14,220
sparking and and he went to the window

163
00:05:18,890 --> 00:05:16,500

and told me Larry he's always dreaming

164

00:05:21,050 --> 00:05:18,900

I I've got a two photographs of the of

165

00:05:23,150 --> 00:05:21,060

the most unbelievable Footprints you've

166

00:05:25,670 --> 00:05:23,160

ever seen it's it's not as big as mine I

167

00:05:27,950 --> 00:05:25,680

take a size 10 and a half uh this is

168

00:05:30,590 --> 00:05:27,960

half as big as mine and it's got splayed

169

00:05:33,409 --> 00:05:30,600

toes way out and little narrow high

170

00:05:34,909 --> 00:05:33,419

instep and a little t uh heel on it and

171

00:05:37,969 --> 00:05:34,919

it was walking along with a horse's

172

00:05:39,830 --> 00:05:37,979

track off the main Highway up there and

173

00:05:41,510 --> 00:05:39,840

this went on last night too

174

00:05:43,550 --> 00:05:41,520

uh what was I going to tell you oh we

175

00:05:46,909 --> 00:05:43,560

were out in the backyard Wednesday night

176

00:05:48,590 --> 00:05:46,919

and uh overcomes this uh this thing with

177

00:05:50,689 --> 00:05:48,600

all the flashes on and it's just showing

178

00:05:52,610 --> 00:05:50,699

up we got right over the top of us in

179

00:05:54,350 --> 00:05:52,620

this bright Beacon brightest light I've

180

00:05:56,210 --> 00:05:54,360

ever seen on egg crap being dried out of

181

00:05:57,590 --> 00:05:56,220

it for about three seconds and then just

182

00:05:59,150 --> 00:05:57,600

which one

183

00:06:01,249 --> 00:05:59,160

I'm sorry that was Thursday night I'm

184

00:06:03,469 --> 00:06:01,259

very sorry that was Thursday night and

185

00:06:05,210 --> 00:06:03,479

yesterday afternoon my girlfriend and I

186

00:06:07,129 --> 00:06:05,220

stood out in the yard here

187

00:06:09,770 --> 00:06:07,139

and we saw and I know you won't believe

188

00:06:12,469 --> 00:06:09,780

this I follow my own eyes

189

00:06:14,390 --> 00:06:12,479

the a craft that I I would estimate to

190

00:06:16,490 --> 00:06:14,400

be a half a mile long it looked like two

191

00:06:17,930 --> 00:06:16,500

it looked like two aircraft carriers in

192

00:06:19,790 --> 00:06:17,940

broad daylight and it was right

193

00:06:21,590 --> 00:06:19,800

silhouetted against this blue sky and it

194

00:06:23,510 --> 00:06:21,600

just disappeared into some clouds and

195

00:06:25,730 --> 00:06:23,520

simultaneously further overhead there

196

00:06:27,830 --> 00:06:25,740

was a jet and this jet was leaving a

197

00:06:29,809 --> 00:06:27,840

long contrail and this thing was a solid

198

00:06:31,550 --> 00:06:29,819

silver object it looked at the

199

00:06:33,590 --> 00:06:31,560

absolutely enormous I just can't believe

200

00:06:36,290 --> 00:06:33,600

it ain't that big to be in the air

201
00:06:38,629 --> 00:06:36,300
and uh this again I say this has gone on

202
00:06:42,110 --> 00:06:38,639
for oh this oh you want this is um this

203
00:06:44,749 --> 00:06:42,120
is remarkable last night mind you

204
00:06:46,490 --> 00:06:44,759
my my girlfriends

205
00:06:47,930 --> 00:06:46,500
sister and her husband

206
00:06:49,129 --> 00:06:47,940
had been up here and they witnessed all

207
00:06:51,050 --> 00:06:49,139
this aerial phenomenon and her husband

208
00:06:52,790 --> 00:06:51,060
came up for the explicit purpose of

209
00:06:54,770 --> 00:06:52,800
ridiculing us and this guy was so

210
00:06:56,270 --> 00:06:54,780
frightened he left here 11 o'clock that

211
00:06:58,309 --> 00:06:56,280
he was almost afraid to walk outside to

212
00:07:00,890 --> 00:06:58,319
his car they got in the car and drove to

213
00:07:03,230 --> 00:07:00,900

Ithaca 15 minutes later the phone rang

214

00:07:05,450 --> 00:07:03,240

his wife wasn't hysterics he could

215

00:07:06,529 --> 00:07:05,460

hardly speak they had encountered a

216

00:07:08,809 --> 00:07:06,539

monstrous

217

00:07:10,850 --> 00:07:08,819

object hanging over some houses in

218

00:07:11,870 --> 00:07:10,860

Ithaca with stationary lights and as

219

00:07:13,850 --> 00:07:11,880

soon as they pull off the highway to

220

00:07:15,290 --> 00:07:13,860

look at it the lights went out and we

221

00:07:16,850 --> 00:07:15,300

drove down there later and every garbage

222

00:07:18,110 --> 00:07:16,860

Cannon area was tipped over only where

223

00:07:19,610 --> 00:07:18,120

that thing was hovered just like some

224

00:07:21,110 --> 00:07:19,620

massive disturbance had knocked them all

225

00:07:22,309 --> 00:07:21,120

over the place and there were no other

226

00:07:24,710 --> 00:07:22,319

garbage cans on the street like if

227

00:07:26,210 --> 00:07:24,720

there's been a wind you know it wouldn't

228

00:07:27,950 --> 00:07:26,220

have it wouldn't have had that effect

229

00:07:29,689 --> 00:07:27,960

has there been any other reaction from

230

00:07:31,550 --> 00:07:29,699

anybody else in Ithaca that you know of

231

00:07:33,469 --> 00:07:31,560

sir I called I called on your State

232

00:07:35,749 --> 00:07:33,479

Police what what night John when did

233

00:07:38,150 --> 00:07:35,759

that Trooper come up here Thursday night

234

00:07:39,110 --> 00:07:38,160

he got here about 9 15. and he got out

235

00:07:40,550 --> 00:07:39,120

of his car

236

00:07:41,870 --> 00:07:40,560

and he looked at us like you know with

237

00:07:43,550 --> 00:07:41,880

this incredulous look like we're all

238

00:07:45,350 --> 00:07:43,560

insane I said I know what you were going

239

00:07:46,550 --> 00:07:45,360

to say I said but just stand here will

240

00:07:48,650 --> 00:07:46,560

you please for a few minutes he came out

241

00:07:50,809 --> 00:07:48,660

he came on back of the house stood there

242

00:07:52,909 --> 00:07:50,819

for approximately five minutes and one

243

00:07:55,010 --> 00:07:52,919

went over a big glowing one time to go

244

00:07:55,969 --> 00:07:55,020

north you know I said what do you think

245

00:07:58,309 --> 00:07:55,979

that is

246

00:08:00,529 --> 00:07:58,319

he didn't say his mouth just dropped

247

00:08:02,210 --> 00:08:00,539

and then at the same time my

248

00:08:03,589 --> 00:08:02,220

girlfriend's sister was screaming around

249

00:08:05,390 --> 00:08:03,599

the house we all ran around the house

250

00:08:07,490 --> 00:08:05,400

including the trooper and coming in low

251
00:08:10,129 --> 00:08:07,500
over Route 13 was This brilliant bright

252
00:08:12,110 --> 00:08:10,139
red glowing object with unbelievably red

253
00:08:14,749 --> 00:08:12,120
lights on it and it just missed the tops

254
00:08:16,309 --> 00:08:14,759
of the hills and disappeared at the same

255
00:08:18,710 --> 00:08:16,319
time to our left comes this white

256
00:08:20,330 --> 00:08:18,720
flasher with this tremendous flashing

257
00:08:21,170 --> 00:08:20,340
sequence of red green and white all over

258
00:08:23,570 --> 00:08:21,180
it

259
00:08:24,770 --> 00:08:23,580
and that copy couldn't say a thing I

260
00:08:26,210 --> 00:08:24,780
said you know I think they're landing on

261
00:08:27,589 --> 00:08:26,220
Connecticut Hill Connecticut Hill is a

262
00:08:29,689 --> 00:08:27,599
deadly area where they hunt deer it's

263
00:08:31,249 --> 00:08:29,699

about 100 square miles and nothing and

264

00:08:33,829 --> 00:08:31,259

he told me and I quote he says I'm not

265

00:08:36,949 --> 00:08:33,839

going up there he got his car and he

266

00:08:38,149 --> 00:08:36,959

drove away later I called him the truth

267

00:08:39,290 --> 00:08:38,159

somebody somebody called I can't

268

00:08:41,269 --> 00:08:39,300

remember was near somebody but the

269

00:08:43,370 --> 00:08:41,279

official explanation he gave them he had

270

00:08:46,070 --> 00:08:43,380

seen jet planes on maneuvers I call

271

00:08:48,050 --> 00:08:46,080

Hancock Air Force Base Syracuse New York

272

00:08:49,430 --> 00:08:48,060

I said I think I told him everything

273

00:08:50,449 --> 00:08:49,440

that I told you and you know what that

274

00:08:52,130 --> 00:08:50,459

guy told me

275

00:08:54,650 --> 00:08:52,140

he says we'll file it Through official

276

00:08:56,389 --> 00:08:54,660

channels and I said well thanks a hell

277

00:08:58,190 --> 00:08:56,399

of a lot then I hung up

278

00:08:59,810 --> 00:08:58,200

and that was about two o'clock in the

279

00:09:01,850 --> 00:08:59,820

morning and the Jet Plane did come

280

00:09:04,250 --> 00:09:01,860

through here that night it came in real

281

00:09:05,750 --> 00:09:04,260

low and I know a jet fighter it was a

282

00:09:07,430 --> 00:09:05,760

jet fighter and it swooped right through

283

00:09:09,650 --> 00:09:07,440

and it circled and then it disappeared

284

00:09:11,509 --> 00:09:09,660

and at the same time that jet fighter

285

00:09:13,910 --> 00:09:11,519

was coming through there was another UFO

286

00:09:15,769 --> 00:09:13,920

higher going the opposite direction and

287

00:09:18,230 --> 00:09:15,779

last night I didn't see this personally

288

00:09:20,150 --> 00:09:18,240

but the boys who looked into the one

289

00:09:23,509 --> 00:09:20,160

Tuesday night

290

00:09:26,509 --> 00:09:23,519

said that they had witnessed a jet being

291

00:09:28,250 --> 00:09:26,519

followed by a UFO close behind me

292

00:09:30,410 --> 00:09:28,260

I think I've covered everything that's

293

00:09:33,230 --> 00:09:30,420

of any significance sir there's one

294

00:09:34,970 --> 00:09:33,240

question I have and it's not that I uh

295

00:09:36,410 --> 00:09:34,980

it's an epic that I have any doubt at

296

00:09:38,630 --> 00:09:36,420

all about what you told me but there's

297

00:09:40,070 --> 00:09:38,640

one thing that bothers me I think uh Mr

298

00:09:42,050 --> 00:09:40,080

Orr and that is this

299

00:09:44,329 --> 00:09:42,060

how come you didn't take any pictures of

300

00:09:45,889 --> 00:09:44,339

any of these things random photography

301

00:09:51,949 --> 00:09:45,899

I've tried I looked through the Nissan

302

00:09:56,329 --> 00:09:54,170

where's your car or anybody uh with you

303

00:09:57,769 --> 00:09:56,339

know uh cameras anything and nobody's

304

00:09:59,329 --> 00:09:57,779

interested they all stop I should

305

00:10:00,949 --> 00:09:59,339

ridicule you you can't see anything

306

00:10:02,030 --> 00:10:00,959

through that viewfinder it's nothing you

307

00:10:04,430 --> 00:10:02,040

look up in the sky and you see nothing

308

00:10:06,470 --> 00:10:04,440

but black little kitty camera and then

309

00:10:07,670 --> 00:10:06,480

as much as all these uh sightings took

310

00:10:08,750 --> 00:10:07,680

place over a number of days I thought

311

00:10:11,210 --> 00:10:08,760

maybe you might have a camera or

312

00:10:13,550 --> 00:10:11,220

somebody with a camera there uh this is

313

00:10:15,530 --> 00:10:13,560

of course what we need you know

314

00:10:17,329 --> 00:10:15,540

is to get somebody working is to get

315

00:10:20,030 --> 00:10:17,339

some pictures

316

00:10:22,070 --> 00:10:20,040

and let them try and dispute that I got

317

00:10:23,449 --> 00:10:22,080

photographs of a footprint footprint is

318

00:10:25,430 --> 00:10:23,459

gone now it's been obliterated

319

00:10:27,470 --> 00:10:25,440

but uh you do have the have you had the

320

00:10:29,030 --> 00:10:27,480

prince have you had the camera the

321

00:10:30,230 --> 00:10:29,040

fourth photographs is in color so

322

00:10:33,590 --> 00:10:30,240

there's four pictures to be taken yet

323

00:10:35,449 --> 00:10:33,600

but uh one one thing is everything is

324

00:10:37,550 --> 00:10:35,459

significance of course but

325

00:10:38,810 --> 00:10:37,560

it's in the pattern great big glowing

326

00:10:41,750 --> 00:10:38,820

what's going on

327

00:10:42,829 --> 00:10:41,760

the little red ones Mr trees flashers go

328

00:10:44,630 --> 00:10:42,839

everywhere

329

00:10:45,710 --> 00:10:44,640

just like they know exactly what they're

330

00:10:48,170 --> 00:10:45,720

doing

331

00:10:49,389 --> 00:10:48,180

Newfield is right near Ithaca right yes

332

00:10:51,590 --> 00:10:49,399

sir

333

00:10:53,210 --> 00:10:51,600

and you say Connecticut Hill is that

334

00:10:57,230 --> 00:10:53,220

what it's called Connecticut Hill is a

335

00:10:58,130 --> 00:10:57,240

desolate area which it extends

336

00:10:59,870 --> 00:10:58,140

field

337

00:11:01,970 --> 00:10:59,880

right on back around is there any water

338

00:11:04,430 --> 00:11:01,980

around there yes sir there's Cuba Lake

339

00:11:06,290 --> 00:11:04,440

there's Cayuga Lake uh a woman down in

340

00:11:07,310 --> 00:11:06,300

cayuta has seen one of these things I

341

00:11:09,530 --> 00:11:07,320

try to talk to her on the phone she

342

00:11:11,150 --> 00:11:09,540

wouldn't talk to me she said see I got

343

00:11:12,650 --> 00:11:11,160

to me through my girlfriend's mother she

344

00:11:14,150 --> 00:11:12,660

worked for her she said she saw a bright

345

00:11:16,370 --> 00:11:14,160

blowing objects over her son and they

346

00:11:17,990 --> 00:11:16,380

wouldn't talk about it but nobody seems

347

00:11:19,430 --> 00:11:18,000

interested down here and I'm appalled

348

00:11:20,630 --> 00:11:19,440

especially not what I've seen you know

349

00:11:22,190 --> 00:11:20,640

I've seen things okay a lot of people

350

00:11:25,250 --> 00:11:22,200

have seen them but what this little

351

00:11:27,410 --> 00:11:25,260

Downy shazar and Pat Crozier saw 10 and

352

00:11:29,810 --> 00:11:27,420

12 years old as far as I'm concerned I

353

00:11:31,490 --> 00:11:29,820

would think that anybody with any with

354

00:11:32,930 --> 00:11:31,500

any semblance of intelligence or the

355

00:11:34,490 --> 00:11:32,940

scientific nature would want to talk to

356

00:11:35,630 --> 00:11:34,500

them has there been any press reports at

357

00:11:38,569 --> 00:11:35,640

all about this I don't know what's

358

00:11:40,670 --> 00:11:38,579

susceptible all right have you talked to

359

00:11:42,230 --> 00:11:40,680

anybody from the newspapers no sir nope

360

00:11:44,810 --> 00:11:42,240

am I the first reporter you talked to

361

00:11:46,670 --> 00:11:44,820

First reporter you're the first report I

362

00:11:50,620 --> 00:11:46,680

talked to I talked to Dr Conan from uh

363

00:11:50,630 --> 00:12:00,970

[Music]

364

00:12:05,750 --> 00:12:04,130

a situation like this can exist and it's

365

00:12:07,790 --> 00:12:05,760

the implications are rather startling

366

00:12:09,650 --> 00:12:07,800

and everybody's concerned on their dust

367

00:12:11,150 --> 00:12:09,660

and uh takes this apathetic attitude you

368

00:12:14,700 --> 00:12:11,160

know including the police including the

369

00:12:18,970 --> 00:12:14,710

Air Force the sheriff's laugh at me

370

00:12:21,710 --> 00:12:18,980

[Music]

371

00:12:22,910 --> 00:12:21,720

that's why I I'm I'm so disappointed

372

00:12:24,769 --> 00:12:22,920

that you weren't able to get some

373

00:12:26,210 --> 00:12:24,779

photographs of this because it sounds to

374

00:12:28,610 --> 00:12:26,220

me like you really have something here

375

00:12:30,530 --> 00:12:28,620

and with photography and jam this lasts

376

00:12:31,850 --> 00:12:30,540

right down their throats you see that's

377

00:12:33,350 --> 00:12:31,860

what they look like there's a piece of

378

00:12:35,449 --> 00:12:33,360

light in the sky

379

00:12:36,470 --> 00:12:35,459

you had something if you've got a

380

00:12:38,210 --> 00:12:36,480

picture of this thing that looked like

381

00:12:39,889 --> 00:12:38,220

two battleships that would have been a

382

00:12:41,269 --> 00:12:39,899

beauty guy that's what I mean it was

383

00:12:42,470 --> 00:12:41,279

unbelievable and I could have got I

384

00:12:45,430 --> 00:12:42,480

could have photographed that too it was

385

00:12:47,449 --> 00:12:45,440

in bright daylight yeah

386

00:12:49,009 --> 00:12:47,459

Sandy come here quick that's why I

387

00:12:51,110 --> 00:12:49,019

thought you might be carrying a camera

388

00:12:52,370 --> 00:12:51,120

around with you at all times the camera

389

00:12:53,509 --> 00:12:52,380

was right inside the house if I'd only

390

00:12:55,069 --> 00:12:53,519

had the camera I could have I could have

391

00:12:56,569 --> 00:12:55,079

snapped it visible for a half a minute

392

00:12:59,090 --> 00:12:56,579

this is what you need and if you had

393

00:13:01,430 --> 00:12:59,100

that with a jet overhead my God you know

394

00:13:02,690 --> 00:13:01,440

this would be tremendous that would have

395

00:13:05,030 --> 00:13:02,700

showed up something certainly because it

396

00:13:06,650 --> 00:13:05,040

was a definite solid object my first

397

00:13:08,870 --> 00:13:06,660

bleeding impression was when I thought

398

00:13:10,250 --> 00:13:08,880

that it was a jet living a contrail I

399

00:13:12,050 --> 00:13:10,260

looked and looked and look and it was an

400

00:13:13,370 --> 00:13:12,060

absolute silver solid object and then I

401
00:13:14,810 --> 00:13:13,380
heard this roll overhead and up close

402
00:13:16,490 --> 00:13:14,820
this great big jet overhead leaving your

403
00:13:18,710 --> 00:13:16,500
country all mile long things just kept

404
00:13:20,629 --> 00:13:18,720
going to my right steady and then it

405
00:13:21,949 --> 00:13:20,639
went into this all cloudy to my right

406
00:13:24,069 --> 00:13:21,959
and I was cursing the clouds quite

407
00:13:26,389 --> 00:13:24,079
frankly well if you had a photograph

408
00:13:29,329 --> 00:13:26,399
yeah that thing was so your name was

409
00:13:30,710 --> 00:13:29,339
what sir Joe barbaric Mr barbarette that

410
00:13:32,810 --> 00:13:30,720
thing was so big I can't even believe

411
00:13:35,889 --> 00:13:32,820
anything that big could fly it looked

412
00:13:42,350 --> 00:13:40,730
uh let me say this that uh I have no

413
00:13:45,290 --> 00:13:42,360

reason to dispute or doubt you at all

414

00:13:47,870 --> 00:13:45,300

absolutely not and I uh my mind is uh

415

00:13:49,490 --> 00:13:47,880

open enough to uh to accept any of this

416

00:13:51,650 --> 00:13:49,500

and all of it

417

00:13:53,569 --> 00:13:51,660

I just wish you or somebody whoever some

418

00:13:55,250 --> 00:13:53,579

you know with with some influence or

419

00:13:56,269 --> 00:13:55,260

something that's like I I commented

420

00:13:58,069 --> 00:13:56,279

Fuller this morning I spoke with his

421

00:14:00,110 --> 00:13:58,079

wife somebody could come here and talk

422

00:14:02,990 --> 00:14:00,120

to these two boys they've really got

423

00:14:05,150 --> 00:14:03,000

something to offer what they saw was you

424

00:14:07,129 --> 00:14:05,160

want to hear the description it's just

425

00:14:09,470 --> 00:14:07,139

it's incredible what they saw

426
00:14:11,090 --> 00:14:09,480
for close 200 feet away looking right at

427
00:14:12,590 --> 00:14:11,100
him they saw the controls they saw the

428
00:14:15,110 --> 00:14:12,600
control panel a flashing lights the

429
00:14:16,370 --> 00:14:15,120
buttons the windows everything was hung

430
00:14:17,509 --> 00:14:16,380
right there in the air just stopped

431
00:14:18,470 --> 00:14:17,519
right across the street from them it's

432
00:14:21,710 --> 00:14:18,480
incredible

433
00:14:23,350 --> 00:14:21,720
people in it you want to hear the

434
00:14:25,910 --> 00:14:23,360
description of the people in it

435
00:14:26,990 --> 00:14:25,920
let's take this boy he almost cried when

436
00:14:28,330 --> 00:14:27,000
I laughed at him the first time he told

437
00:14:29,930 --> 00:14:28,340
me so I didn't believe it quite frankly

438
00:14:31,670 --> 00:14:29,940

[Music]

439

00:14:33,650 --> 00:14:31,680

that's incredible

440

00:14:35,629 --> 00:14:33,660

absolutely walkie-talkie he said that

441

00:14:36,829 --> 00:14:35,639

thing just just vibrated oscillated all

442

00:14:38,329 --> 00:14:36,839

over this all over the place when he

443

00:14:39,710 --> 00:14:38,339

turned that walkie-talkie in

444

00:14:41,750 --> 00:14:39,720

hmm

445

00:14:43,430 --> 00:14:41,760

all right well look uh do you have any

446

00:14:46,610 --> 00:14:43,440

objection at all to my using anything

447

00:14:49,430 --> 00:14:46,620

that you said this afternoon to me and

448

00:14:51,829 --> 00:14:49,440

how about your name my name is Orr

449

00:14:55,069 --> 00:14:51,839

oh what am I using your name no sir okay

450

00:14:59,930 --> 00:14:55,079

you are from Ithaca yes sir and you're a

451
00:15:03,350 --> 00:15:01,490
all right I don't know how much I can do

452
00:15:04,550 --> 00:15:03,360
on it but we can make some noise down

453
00:15:07,910 --> 00:15:04,560
here anyway

454
00:15:11,269 --> 00:15:07,920
and uh I'll see if I can't uh get the

455
00:15:13,129 --> 00:15:11,279
the wire Services uh involved in this

456
00:15:16,389 --> 00:15:13,139
you may be getting some phone calls I

457
00:15:21,949 --> 00:15:19,370
that's okay with me uh George early it

458
00:15:26,269 --> 00:15:21,959
was extremely interesting in uh and who

459
00:15:28,310 --> 00:15:26,279
is also uh very influential in nycap and

460
00:15:29,810 --> 00:15:28,320
it was as knowledgeable as anybody on

461
00:15:32,389 --> 00:15:29,820
UFOs

462
00:15:34,389 --> 00:15:32,399
is extremely interested also but of

463
00:15:37,430 --> 00:15:34,399

course he's extremely busy too

464

00:15:39,410 --> 00:15:37,440

uh is there an icap organization in

465

00:15:41,210 --> 00:15:39,420

Ithaca did you know if I didn't even

466

00:15:42,889 --> 00:15:41,220

check all right I don't believe there is

467

00:15:44,569 --> 00:15:42,899

though yeah you said the word

468

00:15:46,009 --> 00:15:44,579

nightcapinetica and they look at you

469

00:15:47,990 --> 00:15:46,019

like you know you're spoken in a foreign

470

00:15:49,250 --> 00:15:48,000

language well I'm quite confident that

471

00:15:50,509 --> 00:15:49,260

somebody from nightcaps going to be in

472

00:15:52,069 --> 00:15:50,519

touch with you soon if somebody's going

473

00:15:53,269 --> 00:15:52,079

to investigate this so no question about

474

00:15:55,310 --> 00:15:53,279

it I think it should definitely be

475

00:15:57,290 --> 00:15:55,320

investigated too well let me thank you

476

00:15:58,790 --> 00:15:57,300

very very much for talking to me yes sir

477

00:16:00,530 --> 00:15:58,800

and incidentally everything I've seen

478

00:16:02,150 --> 00:16:00,540

other people have seen it with me I mean

479

00:16:03,829 --> 00:16:02,160

we're not all blind and I want you to
