

**THE
ANDRESSON
AFFAIR**

**The
documented investigation
of a woman's
abduction aboard a UFO**

**by RAYMOND E. FOWLER
introduction by J. ALLEN HYNEK**

1
00:00:06,710 --> 00:00:04,970
the andreasen affair the documented

2
00:00:09,230 --> 00:00:06,720
investigation of a woman's abduction

3
00:00:10,669 --> 00:00:09,240
aboard a UFO Mr Fowler good morning good

4
00:00:12,650 --> 00:00:10,679
morning Ben nice to be with you before

5
00:00:14,810 --> 00:00:12,660
we start talking primarily about the

6
00:00:16,609 --> 00:00:14,820
andreasen affair in about two and about

7
00:00:18,050 --> 00:00:16,619
and we listen to this tape and I think

8
00:00:20,090 --> 00:00:18,060
you'll give us an introduction to that

9
00:00:23,510 --> 00:00:20,100
in a few minutes how did one come from

10
00:00:27,290 --> 00:00:23,520
being a UFO a UFO military investigator

11
00:00:29,029 --> 00:00:27,300
with the Air Force to uh is it just a

12
00:00:30,849 --> 00:00:29,039
natural kind of sequence to continue

13
00:00:33,770 --> 00:00:30,859

this kind of work after the military

14

00:00:35,030 --> 00:00:33,780

well really uh I was with the United

15

00:00:37,430 --> 00:00:35,040

States Air Force for a number of years

16

00:00:39,590 --> 00:00:37,440

not as a UFO investigator we were doing

17

00:00:41,510 --> 00:00:39,600

electronic Espionage under the auspices

18

00:00:45,530 --> 00:00:41,520

of the National Security Agency

19

00:00:47,389 --> 00:00:45,540

but within this position uh UFO reports

20

00:00:48,830 --> 00:00:47,399

did come to my attention which indicated

21

00:00:50,630 --> 00:00:48,840

that the United States Air Force was

22

00:00:52,610 --> 00:00:50,640

taken the subject very seriously indeed

23

00:00:53,990 --> 00:00:52,620

which was one of the things that

24

00:00:56,090 --> 00:00:54,000

instigated me to look into the matter

25

00:00:58,369 --> 00:00:56,100

further when I got out of the service

26

00:01:00,529 --> 00:00:58,379

so it just developed that's right from

27

00:01:02,150 --> 00:01:00,539

that really it developed from a uh a

28

00:01:04,189 --> 00:01:02,160

teenage interest in experimental

29

00:01:06,289 --> 00:01:04,199

aircraft and when flying saucers became

30

00:01:07,609 --> 00:01:06,299

headline news I thought that we're

31

00:01:09,530 --> 00:01:07,619

dealing with another experimental

32

00:01:12,170 --> 00:01:09,540

aircraft but it didn't take very long to

33

00:01:13,550 --> 00:01:12,180

for me and be public to realize that

34

00:01:14,810 --> 00:01:13,560

when you have all the major governments

35

00:01:16,310 --> 00:01:14,820

of the world investigating something

36

00:01:18,530 --> 00:01:16,320

that something really must be going on

37

00:01:20,330 --> 00:01:18,540

now for many many years and I think this

38

00:01:21,950 --> 00:01:20,340

is changing somewhat though but for many

39

00:01:23,710 --> 00:01:21,960

many years folks who considered

40

00:01:27,230 --> 00:01:23,720

themselves to be

41

00:01:29,030 --> 00:01:27,240

I think objective investigators of UFO

42

00:01:31,070 --> 00:01:29,040

sightings were often referred to as the

43

00:01:34,370 --> 00:01:31,080

UFO bus that's right that was whether

44

00:01:36,350 --> 00:01:34,380

that wasn't considered to uh too nice uh

45

00:01:38,929 --> 00:01:36,360

in those particular times two nice

46

00:01:41,270 --> 00:01:38,939

phrase The credibility though has

47

00:01:42,950 --> 00:01:41,280

changed or at least the incredibility of

48

00:01:44,749 --> 00:01:42,960

the UFO investigator has changed

49

00:01:46,550 --> 00:01:44,759

tremendously hasn't it yes and I think

50

00:01:48,530 --> 00:01:46,560

this probably stems from the fact that

51
00:01:50,749 --> 00:01:48,540
more and more scientifically trained

52
00:01:53,090 --> 00:01:50,759
people have become involved in UFO

53
00:01:54,710 --> 00:01:53,100
investigation at the men's Space Center

54
00:01:56,030 --> 00:01:54,720
for example you must have a couple

55
00:01:58,310 --> 00:01:56,040
hundred people who are interested in

56
00:02:01,429 --> 00:01:58,320
UFOs and some who are actively engaged

57
00:02:03,590 --> 00:02:01,439
in UFO investigation back in the 50s

58
00:02:06,530 --> 00:02:03,600
when I was involved in this more or less

59
00:02:08,930 --> 00:02:06,540
as a interesting hobby the people of

60
00:02:10,910 --> 00:02:08,940
that category probably wouldn't have

61
00:02:13,490 --> 00:02:10,920
anything to do with the subject even the

62
00:02:14,869 --> 00:02:13,500
astronaut Gordon Cooper an astronaut

63
00:02:17,809 --> 00:02:14,879

James mcdivid are now coming out

64

00:02:20,210 --> 00:02:17,819

publicly stating that they believe that

65

00:02:22,309 --> 00:02:20,220

UFOs are real Cooper says the UFOs are

66

00:02:24,110 --> 00:02:22,319

interplanetary and he has recounted

67

00:02:26,089 --> 00:02:24,120

several experiences that he has had with

68

00:02:27,410 --> 00:02:26,099

UFOs they wouldn't have done that

69

00:02:28,790 --> 00:02:27,420

several years ago I think the

70

00:02:32,330 --> 00:02:28,800

credibility

71

00:02:33,890 --> 00:02:32,340

is much higher 57 percent of the

72

00:02:36,650 --> 00:02:33,900

American people right now according to

73

00:02:38,809 --> 00:02:36,660

Gallup believed that UFOs are real and

74

00:02:40,430 --> 00:02:38,819

believe that they have seen the UFO as

75

00:02:42,229 --> 00:02:40,440

15 million people just in this country

76

00:02:45,830 --> 00:02:42,239

alone how are you involved in John

77

00:02:47,089 --> 00:02:45,840

Fuller's incident Exeter I was involved

78

00:02:48,770 --> 00:02:47,099

as an investigator for the national

79

00:02:50,809 --> 00:02:48,780

investigations committee on aerial

80

00:02:53,150 --> 00:02:50,819

phenomena and conducted the initial

81

00:02:54,650 --> 00:02:53,160

investigation John Fuller wrote for

82

00:02:57,470 --> 00:02:54,660

Saturday review at the time and was

83

00:02:59,210 --> 00:02:57,480

interested in UFOs in doing a story and

84

00:03:01,430 --> 00:02:59,220

contacted Nike cap and asked what was

85

00:03:04,130 --> 00:03:01,440

new and I was right in the process of

86

00:03:06,050 --> 00:03:04,140

this investigation and he flew down and

87

00:03:08,809 --> 00:03:06,060

looked up my report and went back and

88

00:03:10,910 --> 00:03:08,819

reinvestigated what I had done and wrote

89

00:03:13,309 --> 00:03:10,920

a very fascinating book yes yes it was

90

00:03:14,750 --> 00:03:13,319

if you would give us background so we

91

00:03:16,430 --> 00:03:14,760

can lead up to what I understand is

92

00:03:17,509 --> 00:03:16,440

going to be a pretty startling piece of

93

00:03:20,210 --> 00:03:17,519

audio tape that we're going to be

94

00:03:21,890 --> 00:03:20,220

listening to all right the audio tape

95

00:03:25,850 --> 00:03:21,900

that you're going to be hearing excerpts

96

00:03:29,270 --> 00:03:25,860

from uh comes from one of 14 hypnotic

97

00:03:31,009 --> 00:03:29,280

regression sessions and it concerned is

98

00:03:33,830 --> 00:03:31,019

Betty andreasen Who allegedly was

99

00:03:35,570 --> 00:03:33,840

abducted by UFO occupants and given

100

00:03:38,690 --> 00:03:35,580

among many other things a physical

101
00:03:40,309 --> 00:03:38,700
examination what you're about to hear is

102
00:03:42,649 --> 00:03:40,319
a small segment of that physical

103
00:03:44,869 --> 00:03:42,659
examination and I think that you will be

104
00:03:45,789 --> 00:03:44,879
able to relive with her the trauma and

105
00:03:48,530 --> 00:03:45,799
the pain

106
00:03:50,809 --> 00:03:48,540
and the emotion that she experienced

107
00:03:52,910 --> 00:03:50,819
reliving this experience under hypnosis

108
00:03:55,070 --> 00:03:52,920
and she is under hypnosis and

109
00:03:59,930 --> 00:03:55,080
recountingly living not recounting

110
00:04:10,149 --> 00:03:59,940
really living okay Isaiah listen

111
00:04:10,159 --> 00:04:16,000
why do you have to put that in my nose

112
00:04:22,009 --> 00:04:19,670
[Music]

113
00:04:23,990 --> 00:04:22,019

he's putting that thing in my nose and

114

00:04:28,030 --> 00:04:24,000

it's going up and it's breaking through

115

00:04:38,450 --> 00:04:33,610

I don't like it oh and I can't move

116

00:04:52,629 --> 00:04:40,909

started pulling something that needle

117

00:05:00,170 --> 00:04:55,969

oh he's opening up that shirt and he's

118

00:05:00,180 --> 00:05:02,469

oh

119

00:05:02,479 --> 00:05:10,790

I don't like this

120

00:05:14,689 --> 00:05:13,189

we apparently had a power failure folks

121

00:05:16,310 --> 00:05:14,699

and it really wasn't supposed to happen

122

00:05:19,189 --> 00:05:16,320

that way

123

00:05:20,330 --> 00:05:19,199

that gets kind of spooky doesn't it you

124

00:05:24,670 --> 00:05:20,340

would have heard what happened on

125

00:05:30,710 --> 00:05:28,010

what happened they had two independent

126

00:05:32,570 --> 00:05:30,720

tape systems down there taping the TV

127

00:05:34,249 --> 00:05:32,580

program when they played it back about

128

00:05:36,050 --> 00:05:34,259

every third word was missing all the way

129

00:05:37,370 --> 00:05:36,060

through the show and to the best of my

130

00:05:40,129 --> 00:05:37,380

knowledge they still hadn't found out

131

00:05:42,310 --> 00:05:40,139

what happened you didn't erase that no I

132

00:05:44,870 --> 00:05:42,320

didn't arrange anything

133

00:05:46,969 --> 00:05:44,880

wow what do you say though all right

134

00:05:48,170 --> 00:05:46,979

package just a moment we're going to

135

00:05:50,390 --> 00:05:48,180

start from the very beginning we're

136

00:05:52,129 --> 00:05:50,400

gonna let anything get us now if you

137

00:05:53,570 --> 00:05:52,139

want you don't succeed you try try again

138

00:05:54,710 --> 00:05:53,580

unless you have another power failure

139

00:05:56,570 --> 00:05:54,720

and then you get the message that time

140

00:05:58,249 --> 00:05:56,580

and go right on but we're going to try

141

00:06:01,969 --> 00:05:58,259

it again from the very beginning this is

142

00:06:06,290 --> 00:06:01,979

Betty andreason reliving under hypnosis

143

00:06:07,730 --> 00:06:06,300

I uh a medical exam that well I'm going

144

00:06:11,150 --> 00:06:07,740

to use the word allegedly occurred

145

00:06:13,430 --> 00:06:11,160

aboard a spacecraft uh I might do a

146

00:06:15,590 --> 00:06:13,440

little step ahead before we before we

147

00:06:17,150 --> 00:06:15,600

play the tape you see the conclusion of

148

00:06:18,469 --> 00:06:17,160

the report has been that Betty and her

149

00:06:21,110 --> 00:06:18,479

daughter were both telling the truth

150

00:06:22,430 --> 00:06:21,120

some thing happened to them yes they

151
00:06:25,010 --> 00:06:22,440
both believe it happened to them there's

152
00:06:26,570 --> 00:06:25,020
no doubt the lie detector tests a very

153
00:06:28,430 --> 00:06:26,580
rigid character reference check and a

154
00:06:29,629 --> 00:06:28,440
number of other things that we can go

155
00:06:30,890 --> 00:06:29,639
into later indicates that they're

156
00:06:33,590 --> 00:06:30,900
telling the truth as they know it to be

157
00:06:37,220 --> 00:06:33,600
okay once again Betty andreasen under

158
00:06:46,990 --> 00:06:37,230
hypnosis reliving that medical exam

159
00:06:52,810 --> 00:06:50,990
why do you have to put that in my nose

160
00:07:11,050 --> 00:06:52,820
foreign

161

162
00:07:26,039 --> 00:07:39,150

andreason

167

00:08:08,089 --> 00:08:06,000

how did you get involved in first of all

168

00:08:09,230 --> 00:08:08,099

investigating the case being with nicap

169

00:08:11,390 --> 00:08:09,240

you were called in

170

00:08:13,070 --> 00:08:11,400

well actually not Gap I'm director of

171

00:08:15,110 --> 00:08:13,080

Investigations on the board of directors

172

00:08:17,749 --> 00:08:15,120

of the mutual UFO Network headquartered

173

00:08:19,249 --> 00:08:17,759

in Seguin Texas uh it happened in

174

00:08:22,550 --> 00:08:19,259

Massachusetts I reside in Massachusetts

175

00:08:25,129 --> 00:08:22,560

and the state director told me of the

176

00:08:27,230 --> 00:08:25,139

case and I became involved with the

177

00:08:30,950 --> 00:08:27,240

investigating team which consisted of a

178

00:08:33,050 --> 00:08:30,960

aerospace engineer a solo physicist an

179

00:08:34,969 --> 00:08:33,060

electrical engineer a communication

180

00:08:36,709 --> 00:08:34,979

specialist in myself there were five of

181

00:08:37,909 --> 00:08:36,719

us and we were constantly checking each

182

00:08:39,230 --> 00:08:37,919

other as we've gone through in a

183

00:08:41,930 --> 00:08:39,240

professional hypnotist

184

00:08:44,690 --> 00:08:41,940

we also Engage The Services of a

185

00:08:46,790 --> 00:08:44,700

professional psychiatrist

186

00:08:50,329 --> 00:08:46,800

the investigation started in January of

187

00:08:53,449 --> 00:08:50,339

1977 and continued for a full year and

188

00:08:56,269 --> 00:08:53,459

the final report consisted of 528 Pages

189

00:08:58,610 --> 00:08:56,279

three volumes thoroughly documenting

190

00:09:02,690 --> 00:08:58,620

this close encounter the Third Kind type

191

00:09:06,070 --> 00:09:02,700

G which involves an onboard experience

192

00:09:10,009 --> 00:09:06,080

in your personal recollection did indeed

193

00:09:12,650 --> 00:09:10,019

what Betty andreason described during

194

00:09:13,490 --> 00:09:12,660

that hypnotic session actually occur to

195

00:09:15,590 --> 00:09:13,500

her

196

00:09:17,329 --> 00:09:15,600

I believe that probably most of it did

197

00:09:19,009 --> 00:09:17,339

we kind of prove that and why I say that

198

00:09:21,050 --> 00:09:19,019

is well first of all we know they

199

00:09:23,810 --> 00:09:21,060

believe it happened they relive it as a

200

00:09:26,329 --> 00:09:23,820

real experience uh Becky her daughter

201

00:09:29,150 --> 00:09:26,339

relived it from her own vantage point

202

00:09:31,310 --> 00:09:29,160

uh three uh persons consciously remember

203

00:09:33,949 --> 00:09:31,320

the uh initial part of the experience

204

00:09:36,590 --> 00:09:33,959

the father and the daughter and uh and

205

00:09:39,650 --> 00:09:36,600

Betty I think it's interesting you can

206

00:09:41,990 --> 00:09:39,660

go back to January 25th 1967.

207

00:09:43,550 --> 00:09:42,000

and check things like the weather the

208

00:09:45,470 --> 00:09:43,560

power failure how much snow is on the

209

00:09:46,730 --> 00:09:45,480

ground what was on TV and things like

210

00:09:48,710 --> 00:09:46,740

that we were able to do all kinds of

211

00:09:51,230 --> 00:09:48,720

checks like that which indicated that

212

00:09:54,470 --> 00:09:51,240

they really were describing January 25th

213

00:09:57,889 --> 00:09:54,480

1967 or interest me the most is all that

214

00:09:59,990 --> 00:09:57,899

we have about 200 cases on file very

215

00:10:01,430 --> 00:10:00,000

similar to the Andreessen Affair and

216

00:10:03,829 --> 00:10:01,440

there are subtle similarities which

217

00:10:05,630 --> 00:10:03,839

exist between these cases which we feel

218

00:10:09,110 --> 00:10:05,640

no way some of these Witnesses could

219

00:10:11,990 --> 00:10:09,120

have known about for example the needle

220

00:10:14,269 --> 00:10:12,000

for example that was inserted in Betty's

221

00:10:16,910 --> 00:10:14,279

nose when they pull that needle out

222

00:10:19,070 --> 00:10:16,920

there was a little bb-like ball on the

223

00:10:21,110 --> 00:10:19,080

end of it we know of one case it has

224

00:10:23,269 --> 00:10:21,120

never been published that has a similar

225

00:10:25,610 --> 00:10:23,279

thing happened during the physical

226

00:10:28,610 --> 00:10:25,620

examination her description of the

227

00:10:30,710 --> 00:10:28,620

humanoids very similar to the hills case

228

00:10:33,310 --> 00:10:30,720

I think of a master sergeant Who belongs

229

00:10:35,810 --> 00:10:33,320

to the human rope

230

00:10:37,370 --> 00:10:35,820

uh I don't know what we're getting all

231

00:10:40,970 --> 00:10:37,380

these power failures as a matter of fact

232

00:10:42,829 --> 00:10:40,980

but in August of 1965 who had a very

233

00:10:44,269 --> 00:10:42,839

similar experience to Betty Andreas and

234

00:10:46,130 --> 00:10:44,279

his description of the craft the

235

00:10:47,690 --> 00:10:46,140

occupants how they moved or floated and

236

00:10:50,210 --> 00:10:47,700

so forth is very consistent with what

237

00:10:52,310 --> 00:10:50,220

Betty and others reported on the case of

238

00:10:54,050 --> 00:10:52,320

the master sergeant he belongs to the

239

00:10:56,389 --> 00:10:54,060

human reliability program which is a

240

00:10:57,949 --> 00:10:56,399

sulat group within the United States Air

241

00:10:59,690 --> 00:10:57,959

Force they have to pass a battery of

242

00:11:00,650 --> 00:10:59,700

psychiatric examinations to the cream of

243

00:11:02,690 --> 00:11:00,660

the crop

244

00:11:05,750 --> 00:11:02,700

so there was no possibility of a

245

00:11:07,310 --> 00:11:05,760

psychosis it's a very intelligent man in

246

00:11:08,930 --> 00:11:07,320

the case of Betty Andreas and you have a

247

00:11:10,490 --> 00:11:08,940

little country girl that has no

248

00:11:13,069 --> 00:11:10,500

knowledge of you I've always you had 10

249

00:11:15,230 --> 00:11:13,079

years of education uh married the boy

250

00:11:17,569 --> 00:11:15,240

next door raised seven kids one after

251

00:11:18,949 --> 00:11:17,579

the other and her life was mainly tied

252

00:11:21,230 --> 00:11:18,959

up bringing up children within the

253

00:11:24,050 --> 00:11:21,240

context of the local church and uh

254

00:11:26,210 --> 00:11:24,060

because he was interested in art as far

255

00:11:28,310 --> 00:11:26,220

as UFOs went he didn't even know what a

256

00:11:31,069 --> 00:11:28,320

UFO was and if you told her what the UFO

257

00:11:32,569 --> 00:11:31,079

was it would be really uh I suppose

258

00:11:34,250 --> 00:11:32,579

against her religious beliefs to even

259

00:11:35,750 --> 00:11:34,260

believe that UFOs existed we have an

260

00:11:37,490 --> 00:11:35,760

awful time trying to convince her the

261

00:11:40,009 --> 00:11:37,500

hypnosis was something that was

262

00:11:43,630 --> 00:11:40,019

legitimate and could be used by surgeons

263

00:11:46,730 --> 00:11:43,640

and dentists criminologists and so forth

264

00:11:48,050 --> 00:11:46,740

so we we have a we're a case where we

265

00:11:50,210 --> 00:11:48,060

have someone who had had no background

266

00:11:52,190 --> 00:11:50,220

in UFOs and yet describes the same type

267

00:11:53,810 --> 00:11:52,200

of thing as other types of people from

268

00:11:55,310 --> 00:11:53,820

various walks of life are described in

269

00:11:57,110 --> 00:11:55,320

this country and abroad which makes it

270

00:11:58,490 --> 00:11:57,120

very interesting what was the reaction

271

00:12:00,170 --> 00:11:58,500

of Betty Andreas and when you first

272

00:12:02,329 --> 00:12:00,180

approached her to investigate her

273

00:12:05,329 --> 00:12:02,339

experience was she got was she a little

274

00:12:07,670 --> 00:12:05,339

bit uh I suppose skeptical of you folks

275

00:12:09,230 --> 00:12:07,680

yes she had a lot of questions uh we

276

00:12:11,030 --> 00:12:09,240

originally came to know about the

277

00:12:12,530 --> 00:12:11,040

incident because she had written a

278

00:12:14,930 --> 00:12:12,540

letter to Dr jail and heineck out of the

279

00:12:16,910 --> 00:12:14,940

center for UFO studies in response to a

280

00:12:18,410 --> 00:12:16,920

newspaper article which indicated that

281

00:12:20,329 --> 00:12:18,420

he was interested in cases of this

282

00:12:23,269 --> 00:12:20,339

nature unfortunately all she could

283

00:12:24,350 --> 00:12:23,279

remember was the flashing lights which I

284

00:12:26,569 --> 00:12:24,360

guess we never really went over the

285

00:12:28,190 --> 00:12:26,579

story but there were flashing lights in

286

00:12:31,250 --> 00:12:28,200

the backyard a local power blackout

287

00:12:32,870 --> 00:12:31,260

interestingly enough and uh these being

288

00:12:34,550 --> 00:12:32,880

somehow getting into the house the

289

00:12:37,550 --> 00:12:34,560

father saw them out in the yard coming

290

00:12:41,150 --> 00:12:37,560

toward the house but it was so vague

291

00:12:44,750 --> 00:12:41,160

that Dr heinek just filed it away for a

292

00:12:48,050 --> 00:12:44,760

few years and we came to know about it

293

00:12:50,090 --> 00:12:48,060

in 1977 but she was very interested 20

294

00:12:53,690 --> 00:12:50,100

years then after the fact no it happened

295

00:12:55,150 --> 00:12:53,700

on January 25th 1967 and we started in

296

00:12:57,889 --> 00:12:55,160

January of

297

00:13:00,110 --> 00:12:57,899

1977. first she said 57. she was very

298

00:13:03,850 --> 00:13:00,120

relieved that someone might be able to

299

00:13:06,530 --> 00:13:03,860

help uh her discover what had happened

300

00:13:08,030 --> 00:13:06,540

unfortunately as he began to relive this

301
00:13:09,290 --> 00:13:08,040
under hypnosis and it came to a

302
00:13:10,430 --> 00:13:09,300
conscious mind she thought she was going

303
00:13:13,009 --> 00:13:10,440
to be loose she was losing her mind

304
00:13:16,030 --> 00:13:13,019
these things don't happen and we killed

305
00:13:18,889 --> 00:13:16,040
two birds with one stone we had her uh

306
00:13:20,810 --> 00:13:18,899
with a psychiatrist to assure her that

307
00:13:22,670 --> 00:13:20,820
she wasn't a psychotic she felt that she

308
00:13:24,170 --> 00:13:22,680
must need mental medical attention

309
00:13:26,509 --> 00:13:24,180
because things like this don't happen

310
00:13:28,670 --> 00:13:26,519
but also to assure us that we weren't

311
00:13:29,750 --> 00:13:28,680
dealing with a psychotic let me

312
00:13:31,550 --> 00:13:29,760
interrupture we'll continue our

313
00:13:33,470 --> 00:13:31,560

discussion right after news from CBS you

314

00:13:36,350 --> 00:13:33,480

stand by won't you you know when the

315

00:13:38,150 --> 00:13:36,360

Project Blue Book uh was was closed

316

00:13:39,470 --> 00:13:38,160

officially so to speak by the Air Force

317

00:13:41,329 --> 00:13:39,480

they made the statement that they were

318

00:13:45,350 --> 00:13:41,339

able to pretty well discount I forget

319

00:13:48,170 --> 00:13:45,360

the exact figure 95 98 percent of all of

320

00:13:51,110 --> 00:13:48,180

all sightings or reports they were able

321

00:13:52,550 --> 00:13:51,120

to explain this but it left that two or

322

00:13:56,329 --> 00:13:52,560

three percent

323

00:13:57,110 --> 00:13:56,339

you include in this the Andreas an

324

00:13:59,210 --> 00:13:57,120

affair

325

00:14:01,129 --> 00:13:59,220

uh yes I would but the two or three

326

00:14:02,629 --> 00:14:01,139

percent is a very very low figure uh Dr

327

00:14:04,370 --> 00:14:02,639

heineck who is Chief scientific

328

00:14:06,710 --> 00:14:04,380

consultant to project sign Grudge and

329

00:14:08,750 --> 00:14:06,720

Blue Book has indicated that the true

330

00:14:09,710 --> 00:14:08,760

percentage was uh somewhere around 20

331

00:14:11,870 --> 00:14:09,720

percent

332

00:14:16,069 --> 00:14:11,880

and uh I think this came across very

333

00:14:18,530 --> 00:14:16,079

clearly in the movie uh a TV movie on uh

334

00:14:20,569 --> 00:14:18,540

Project Blue Book that uh was shown for

335

00:14:22,910 --> 00:14:20,579

maybe a year or so and they indicated a

336

00:14:25,370 --> 00:14:22,920

high percentage of 20 percent other

337

00:14:28,009 --> 00:14:25,380

countries UFO projects also come up with

338

00:14:30,769 --> 00:14:28,019

this 20 that which remain unexplained

339

00:14:32,629 --> 00:14:30,779

after after investigation just because

340

00:14:34,970 --> 00:14:32,639

you report someone reports a UFO doesn't

341

00:14:37,310 --> 00:14:34,980

make it a UFO it only remains a UFO

342

00:14:39,110 --> 00:14:37,320

after investigation uh content

343

00:14:41,150 --> 00:14:39,120

explanation before we go to our phones

344

00:14:42,710 --> 00:14:41,160

how about explaining to the listeners

345

00:14:44,569 --> 00:14:42,720

and to me too for that matter what

346

00:14:47,389 --> 00:14:44,579

exactly happened to Betty and Becky

347

00:14:49,790 --> 00:14:47,399

and reason on January 25th of 67. okay on

348

00:14:52,009 --> 00:14:49,800

that particular evening about 6 35 p.m

349

00:14:54,170 --> 00:14:52,019

uh there was an intermittent power

350

00:14:56,569 --> 00:14:54,180

failure simultaneous with that there was

351
00:14:58,250 --> 00:14:56,579
a flashing orange light which came

352
00:15:01,189 --> 00:14:58,260
through the kitchen window which

353
00:15:04,129 --> 00:15:01,199
overlooks a huge field uh the children

354
00:15:06,530 --> 00:15:04,139
were scared uh Mrs andreasen shoot her

355
00:15:08,870 --> 00:15:06,540
seven children into the living room and

356
00:15:10,490 --> 00:15:08,880
she had her parents staying with her to

357
00:15:11,930 --> 00:15:10,500
take care of the children because her

358
00:15:14,509 --> 00:15:11,940
husband was in the hospital at the time

359
00:15:16,550 --> 00:15:14,519
her father ran to the kitchen window and

360
00:15:18,590 --> 00:15:16,560
looked out and claimed he saw what

361
00:15:20,629 --> 00:15:18,600
looked like children dressed in strange

362
00:15:23,210 --> 00:15:20,639
Halloween costumes this is what his

363
00:15:25,430 --> 00:15:23,220

description of these beings were coming

364

00:15:26,810 --> 00:15:25,440

toward the house uh on second left

365

00:15:28,730 --> 00:15:26,820

though he saw that they weren't walking

366

00:15:30,949 --> 00:15:28,740

but they were moving floating with a

367

00:15:32,930 --> 00:15:30,959

Hopping motion all he can remember after

368

00:15:35,629 --> 00:15:32,940

that is him somehow getting in the house

369

00:15:38,090 --> 00:15:35,639

they did enter the house Mrs andreasen

370

00:15:39,650 --> 00:15:38,100

communicated with them through mental

371

00:15:42,110 --> 00:15:39,660

telepathy other members of the family

372

00:15:43,730 --> 00:15:42,120

seemed to have just Frozen in motion for

373

00:15:46,129 --> 00:15:43,740

want of a better term we called it we

374

00:15:48,110 --> 00:15:46,139

call it suspended animation

375

00:15:50,509 --> 00:15:48,120

this is Andreas Missouri concerned about

376

00:15:52,250 --> 00:15:50,519

her family and they allowed Becky

377

00:15:53,930 --> 00:15:52,260

Andreas and she was 11 years old at the

378

00:15:56,629 --> 00:15:53,940

time to come out of this state on

379

00:15:58,550 --> 00:15:56,639

suspended animation to assure Mrs

380

00:16:01,910 --> 00:15:58,560

andreasen that she was all right under

381

00:16:04,550 --> 00:16:01,920

hypnosis of Becky loses uh portion of

382

00:16:06,889 --> 00:16:04,560

the experience very vividly describing

383

00:16:08,810 --> 00:16:06,899

uh as an 11 year old he talked like an

384

00:16:11,449 --> 00:16:08,820

11 year old under hypnosis

385

00:16:13,009 --> 00:16:11,459

used an 11 year old vocabulary described

386

00:16:14,710 --> 00:16:13,019

little clay creatures or men rather

387

00:16:18,230 --> 00:16:14,720

talking to her mother

388

00:16:20,930 --> 00:16:18,240

and then to make a long story shot they

389

00:16:23,090 --> 00:16:20,940

convinced Betty andreasen to follow them

390

00:16:25,730 --> 00:16:23,100

to a craft which is out in the backyard

391

00:16:27,829 --> 00:16:25,740

she felt that she had free will but and

392

00:16:29,210 --> 00:16:27,839

looking back hindsight felt that they

393

00:16:31,790 --> 00:16:29,220

had complete control over everything

394

00:16:35,689 --> 00:16:31,800

that she did the craft is very small

395

00:16:37,430 --> 00:16:35,699

they stayed in that craft for a Philly

396

00:16:39,590 --> 00:16:37,440

long time she felt heaviness and so

397

00:16:40,850 --> 00:16:39,600

forth and then it stopped and she felt

398

00:16:43,490 --> 00:16:40,860

that she was taking the boy to larger

399

00:16:45,350 --> 00:16:43,500

craft where she was subjected to the

400

00:16:48,470 --> 00:16:45,360

effects of a number of very very strange

401
00:16:50,749 --> 00:16:48,480
instruments and then she was brought to

402
00:16:53,210 --> 00:16:50,759
an alien place where she had more

403
00:16:56,990 --> 00:16:53,220
experiences and then brought back to the

404
00:16:58,790 --> 00:16:57,000
craft and returned to her home uh it's a

405
00:17:00,590 --> 00:16:58,800
fascinating story I think the andreasen

406
00:17:03,110 --> 00:17:00,600
affair probably is the most documented

407
00:17:04,850 --> 00:17:03,120
account of its kind

408
00:17:07,789 --> 00:17:04,860
one of the interesting things about the

409
00:17:10,250 --> 00:17:07,799
Andreas nefarious we have a woman who is

410
00:17:11,870 --> 00:17:10,260
an excellent amateur artist and she was

411
00:17:13,429 --> 00:17:11,880
given post-hypnotic suggestion to

412
00:17:15,949 --> 00:17:13,439
remember these things in detail after

413
00:17:17,510 --> 00:17:15,959

each hypnotic regression session and she

414

00:17:20,390 --> 00:17:17,520

was able to supply us with a

415

00:17:24,409 --> 00:17:20,400

chronological account with her drawings

416

00:17:28,370 --> 00:17:24,419

in great detail uh most of which the

417

00:17:30,289 --> 00:17:28,380

major ones are included in the book uh

418

00:17:31,970 --> 00:17:30,299

one of the interesting things though uh

419

00:17:33,890 --> 00:17:31,980

considering the case which I failed to

420

00:17:35,750 --> 00:17:33,900

mention before is that one of the

421

00:17:40,210 --> 00:17:35,760

investigators was an aerospace engineer

422

00:17:42,830 --> 00:17:40,220

and he asked Mrs andreasen to describe

423

00:17:45,169 --> 00:17:42,840

each segment of The Craft that she was

424

00:17:47,289 --> 00:17:45,179

in how she entered that room and how she

425

00:17:49,490 --> 00:17:47,299

left the room what the dimensions were

426
00:17:52,130 --> 00:17:49,500
and then he took all of this information

427
00:17:54,770 --> 00:17:52,140
aside and was able to come up with a

428
00:17:57,650 --> 00:17:54,780
logical very coherent circular shaped

429
00:17:59,570 --> 00:17:57,660
craft which really amazed him he was

430
00:18:02,090 --> 00:17:59,580
very skeptical about this whole thing at

431
00:18:04,130 --> 00:18:02,100
first that sort of convinced him that

432
00:18:07,370 --> 00:18:04,140
there might be some legitimate to the

433
00:18:10,130 --> 00:18:07,380
the case how long a period our time

434
00:18:11,810 --> 00:18:10,140
frame now does this take place and did

435
00:18:13,669 --> 00:18:11,820
the rest of the family remain in this

436
00:18:16,549 --> 00:18:13,679
state of suspended animation while uh

437
00:18:19,070 --> 00:18:16,559
Betty and Becky were whoever it was they

438
00:18:21,350 --> 00:18:19,080

went to well it started approximately 6

439

00:18:25,370 --> 00:18:21,360

35 they returned to the house at 10 40

440

00:18:27,289 --> 00:18:25,380

and we estimate probably the uh aliens

441

00:18:29,570 --> 00:18:27,299

left probably between 10 40 and 11

442

00:18:31,730 --> 00:18:29,580

o'clock probably close to maybe quarter

443

00:18:33,350 --> 00:18:31,740

11 11 o'clock so the abduction

444

00:18:34,970 --> 00:18:33,360

experience we feel is about three hours

445

00:18:37,250 --> 00:18:34,980

and 40 minutes the whole experience

446

00:18:40,909 --> 00:18:37,260

maybe four hours and a half any thoughts

447

00:18:42,710 --> 00:18:40,919

any ideas on was she indeed transported

448

00:18:45,289 --> 00:18:42,720

in that vehicle somewhere

449

00:18:48,289 --> 00:18:45,299

it would seem to be that that's the

450

00:18:50,810 --> 00:18:48,299

apparent stimulus uh we kind of prove

451
00:18:52,370 --> 00:18:50,820
that uh all we can say is that what she

452
00:18:53,150 --> 00:18:52,380
described about the craft what she

453
00:18:56,930 --> 00:18:53,160
described during the physical

454
00:18:58,850 --> 00:18:56,940
examination has been described by others

455
00:19:00,710 --> 00:18:58,860
from various walks of life in this

456
00:19:03,110 --> 00:19:00,720
country and abroad who essentially

457
00:19:05,810 --> 00:19:03,120
described similar things uh some of

458
00:19:08,029 --> 00:19:05,820
which she wouldn't have been aware of at

459
00:19:10,610 --> 00:19:08,039
all it's hard to prove something like

460
00:19:13,370 --> 00:19:10,620
this it's you have to use the tools that

461
00:19:15,230 --> 00:19:13,380
you do have lie detector tests uh

462
00:19:17,570 --> 00:19:15,240
character reference checks the same way

463
00:19:20,450 --> 00:19:17,580

you deal with a criminal case it's you

464

00:19:22,190 --> 00:19:20,460

don't have physical evidence of any kind

465

00:19:24,950 --> 00:19:22,200

for something like this almost nine

466

00:19:26,810 --> 00:19:24,960

years went by before Betty andreasen

467

00:19:29,330 --> 00:19:26,820

ever mentioned this to anyone didn't it

468

00:19:31,490 --> 00:19:29,340

and they discussed it within the context

469

00:19:34,610 --> 00:19:31,500

of their own family she did discuss it

470

00:19:36,950 --> 00:19:34,620

with her sister and she uh not knowing

471

00:19:38,810 --> 00:19:36,960

that much about UFOs was trying to

472

00:19:42,350 --> 00:19:38,820

explain it within the context of her

473

00:19:45,529 --> 00:19:42,360

very simple Christian faith really and

474

00:19:48,169 --> 00:19:45,539

she found nothing that really gave her

475

00:19:49,970 --> 00:19:48,179

any answers and and strange things at

476

00:19:52,370 --> 00:19:49,980

which she couldn't remember had happened

477

00:19:54,590 --> 00:19:52,380

to her but they were just flashbacks of

478

00:19:56,930 --> 00:19:54,600

things that had happened but she

479

00:19:59,529 --> 00:19:56,940

couldn't hold it in her mind until this

480

00:20:02,570 --> 00:19:59,539

if not notice regression

481

00:20:04,250 --> 00:20:02,580

situation took place back in just a

482

00:20:05,810 --> 00:20:04,260

moment now let's go to our long distance

483

00:20:10,810 --> 00:20:05,820

line in Long Distance where are you

484

00:20:15,590 --> 00:20:13,490

nobody there phones are all the best too

485

00:20:17,210 --> 00:20:15,600

well I can't understand what you're

486

00:20:19,669 --> 00:20:17,220

saying to me what does that mean you're

487

00:20:21,950 --> 00:20:19,679

shaking your head no drop it put it on

488

00:20:24,650 --> 00:20:21,960

hold now watch

489

00:20:27,770 --> 00:20:24,660

okay we'll go up here to find out good

490

00:20:33,169 --> 00:20:27,780

morning you're on ktrs yes

491

00:20:37,970 --> 00:20:35,770

I hear somebody

492

00:20:38,990 --> 00:20:37,980

well we'll get we'll get it straightened

493

00:20:41,409 --> 00:20:39,000

out we'll figure out what's wrong with

494

00:20:43,549 --> 00:20:41,419

their phones and our power

495

00:20:46,610 --> 00:20:43,559

you didn't bring this with you did you

496

00:20:48,110 --> 00:20:46,620

who knows what I brought with me we're

497

00:20:49,430 --> 00:20:48,120

gonna try it one more time out of the

498

00:20:52,250 --> 00:20:49,440

long distance line and long distance

499

00:20:55,870 --> 00:20:52,260

where are you hello yes all right

500

00:21:00,730 --> 00:20:59,330

good morning I'm listening to your show

501
00:21:03,230 --> 00:21:00,740
this morning

502
00:21:06,409 --> 00:21:03,240
I would like to ask us to Fowler a

503
00:21:10,310 --> 00:21:06,419
couple questions one is about a kind of

504
00:21:13,850 --> 00:21:10,320
siding if he's ever heard of this

505
00:21:17,049 --> 00:21:13,860
um starters on a very clear day a sunny

506
00:21:20,210 --> 00:21:17,059
day not a cloud in the sky

507
00:21:23,450 --> 00:21:20,220
uh what would look like maybe a white

508
00:21:26,450 --> 00:21:23,460
cloud just moving across the sky slowly

509
00:21:28,810 --> 00:21:26,460
and then all of a sudden up here in this

510
00:21:33,169 --> 00:21:28,820
like a swarm

511
00:21:35,090 --> 00:21:33,179
of what looked like either Birds but

512
00:21:38,510 --> 00:21:35,100
couldn't have been Birds it was too high

513
00:21:39,649 --> 00:21:38,520

or maybe in the shape of airplanes now I

514

00:21:43,070 --> 00:21:39,659

know you couldn't have a swarm of

515

00:21:45,830 --> 00:21:43,080

airplanes but a very peculiar uh

516

00:21:49,430 --> 00:21:45,840

cloud-like formation and then suddenly

517

00:21:51,049 --> 00:21:49,440

disappear just vanished completely have

518

00:21:53,990 --> 00:21:51,059

you ever heard of anything like this has

519

00:21:56,750 --> 00:21:54,000

anyone did the cloud disappear and the

520

00:21:59,110 --> 00:21:56,760

objects disappear or just one thing it

521

00:22:01,669 --> 00:21:59,120

was like looking it was transparent

522

00:22:04,669 --> 00:22:01,679

while the only type of case which I can

523

00:22:07,750 --> 00:22:04,679

think that might uh be similar to that

524

00:22:10,730 --> 00:22:07,760

would be the type what we call a type 2

525

00:22:13,730 --> 00:22:10,740

B case where you have an object that's

526
00:22:15,789 --> 00:22:13,740
shaped like a cylinder surrounded with a

527
00:22:19,010 --> 00:22:15,799
cloudy substance

528
00:22:21,890 --> 00:22:19,020
usually it goes into a vertical mode and

529
00:22:24,529 --> 00:22:21,900
smaller objects come out of the top or

530
00:22:26,750 --> 00:22:24,539
bottom of this object and streak off in

531
00:22:31,149 --> 00:22:26,760
various directions and then it goes back

532
00:22:34,430 --> 00:22:31,159
to a horizontal mode and moves off

533
00:22:37,549 --> 00:22:34,440
nothing like this other than what what

534
00:22:42,049 --> 00:22:37,559
out of a clear solid Blue Sky not a

535
00:22:45,289 --> 00:22:42,059
cloud a tear a white cloud and then

536
00:22:48,649 --> 00:22:45,299
would clear up and you could see like a

537
00:22:50,810 --> 00:22:48,659
swarm of uh Optics in the white

538
00:22:52,789 --> 00:22:50,820

absolutely white and then all of a

539

00:22:55,250 --> 00:22:52,799

sudden it just vanish and be looking

540

00:22:57,890 --> 00:22:55,260

again at the Blue Sky now we thought

541

00:23:00,710 --> 00:22:57,900

maybe this were were birds like the

542

00:23:03,529 --> 00:23:00,720

egrets are often appeared to be white

543

00:23:05,630 --> 00:23:03,539

silver white in the sky and maybe

544

00:23:08,210 --> 00:23:05,640

flapping their wings would have given a

545

00:23:10,310 --> 00:23:08,220

different uh Shadow but they would just

546

00:23:13,130 --> 00:23:10,320

Disappear Completely I was just curious

547

00:23:16,010 --> 00:23:13,140

to see but this happened over Lafayette

548

00:23:18,529 --> 00:23:16,020

uh just a few weeks ago sounds very

549

00:23:19,610 --> 00:23:18,539

interesting that we have had uh reports

550

00:23:21,649 --> 00:23:19,620

like that with something has

551

00:23:24,110 --> 00:23:21,659

materialized again with the smaller

552

00:23:25,549 --> 00:23:24,120

objects but not just disappearing all of

553

00:23:27,049 --> 00:23:25,559

a sudden unless you happen to Blink your

554

00:23:29,029 --> 00:23:27,059

eye when everything just moved off very

555

00:23:31,010 --> 00:23:29,039

very fast but uh we were casting

556

00:23:32,990 --> 00:23:31,020

everyone I would say what do you see is

557

00:23:35,990 --> 00:23:33,000

it do you see it now it hasn't

558

00:23:38,510 --> 00:23:36,000

disappeared and uh we're two very solid

559

00:23:40,669 --> 00:23:38,520

people I mean we've got you know um uh

560

00:23:42,830 --> 00:23:40,679

there was no hysteria there was just

561

00:23:45,649 --> 00:23:42,840

just an ordinary day riding in a car

562

00:23:47,390 --> 00:23:45,659

when this was seen well we certainly

563

00:23:49,549 --> 00:23:47,400

would have investigated that and looked

564

00:23:51,169 --> 00:23:49,559

into a little bit of uh you had reported

565

00:23:53,149 --> 00:23:51,179

it at the time and were able to supply

566

00:23:54,710 --> 00:23:53,159

the the date and the time and place to

567

00:23:57,409 --> 00:23:54,720

our local people what was your second

568

00:23:59,990 --> 00:23:57,419

question uh the second one was um can

569

00:24:01,970 --> 00:24:00,000

you say something about mentally

570

00:24:04,970 --> 00:24:01,980

telepathically

571

00:24:08,270 --> 00:24:04,980

um someone being impressed with uh Faith

572

00:24:10,970 --> 00:24:08,280

now this is not in the Mind's Eye it are

573

00:24:14,690 --> 00:24:10,980

uh imagination sort of thing but like on

574

00:24:18,070 --> 00:24:14,700

a screen flash a person a face of a

575

00:24:21,830 --> 00:24:18,080

person and being told are made to know

576

00:24:26,930 --> 00:24:21,840

uh I'm from another this sounds so

577

00:24:30,409 --> 00:24:26,940

strange but I I'm from a UFO I'm from

578

00:24:33,649 --> 00:24:30,419

X I'm extraterrestrial I am a visitor

579

00:24:37,070 --> 00:24:33,659

and only that but it's totally

580

00:24:39,230 --> 00:24:37,080

telepathically and not an imagination

581

00:24:41,990 --> 00:24:39,240

sort of thing but like on a screen the

582

00:24:44,750 --> 00:24:42,000

Mind scream I'm not a parapsychologist

583

00:24:46,730 --> 00:24:44,760

but uh been involved in UFO

584

00:24:49,810 --> 00:24:46,740

investigation I've come across reports

585

00:24:52,789 --> 00:24:49,820

uh similar to that but

586

00:24:54,590 --> 00:24:52,799

I really can't comment intelligently on

587

00:24:56,149 --> 00:24:54,600

something like that because I'm not a

588

00:24:58,010 --> 00:24:56,159

parapsychologist

589

00:25:00,909 --> 00:24:58,020

are you objective in your this

590

00:25:03,830 --> 00:25:00,919

investigation I believe we are in fact

591

00:25:06,049 --> 00:25:03,840

uh I'm probably acknowledged as probably

592

00:25:08,529 --> 00:25:06,059

one of the most objective investigators

593

00:25:10,909 --> 00:25:08,539

in the United States and I think my

594

00:25:14,870 --> 00:25:10,919

buddies who saw me produce this book

595

00:25:16,610 --> 00:25:14,880

wondered if uh I had lost all sense of

596

00:25:18,830 --> 00:25:16,620

objectivity

597

00:25:21,470 --> 00:25:18,840

I'm really going on a limb really as far

598

00:25:23,750 --> 00:25:21,480

as my reputation goes and and bringing

599

00:25:24,669 --> 00:25:23,760

this uh this book The Andreas and Affair

600

00:25:27,769 --> 00:25:24,679

out

601
00:25:30,890 --> 00:25:27,779
as I mentioned before we decided this

602
00:25:32,750 --> 00:25:30,900
was uh too strange to have just one

603
00:25:35,630 --> 00:25:32,760
person investigated we had a team of

604
00:25:37,549 --> 00:25:35,640
five and most of this team of five are

605
00:25:40,070 --> 00:25:37,559
engaged in scientific research and

606
00:25:42,350 --> 00:25:40,080
Engineering research within the civilian

607
00:25:44,630 --> 00:25:42,360
civilian scientific community and are

608
00:25:46,490 --> 00:25:44,640
really objective people all five

609
00:25:49,730 --> 00:25:46,500
investigators in their initial

610
00:25:52,010 --> 00:25:49,740
individual evaluations in this 528 news

611
00:25:54,590 --> 00:25:52,020
report indicated that they believe that

612
00:25:56,630 --> 00:25:54,600
the andreasen affair uh involve people

613
00:25:58,310 --> 00:25:56,640

who are telling the truth who know what

614

00:26:00,110 --> 00:25:58,320

to be and that there was a real

615

00:26:01,549 --> 00:26:00,120

experience there it was a sign that

616

00:26:05,390 --> 00:26:01,559

something really is happening to these

617

00:26:08,510 --> 00:26:05,400

people especially since uh other cases

618

00:26:11,210 --> 00:26:08,520

exist similar to this if this was just a

619

00:26:13,130 --> 00:26:11,220

unique case I wouldn't be interested but

620

00:26:15,289 --> 00:26:13,140

you did not go all the way to the point

621

00:26:17,630 --> 00:26:15,299

or all all the investigators you're

622

00:26:19,970 --> 00:26:17,640

saying that yes Betty Andrea and Becky

623

00:26:22,130 --> 00:26:19,980

andreasen did have a close encounter of

624

00:26:23,990 --> 00:26:22,140

the third time of the Third Kind yes

625

00:26:25,909 --> 00:26:24,000

whatever that is it's a close encounter

626
00:26:27,289 --> 00:26:25,919
of the Third Kind type G now the

627
00:26:29,510 --> 00:26:27,299
apparent stimulus for something like

628
00:26:30,710 --> 00:26:29,520
that is obviously extraterrestrial but

629
00:26:32,690 --> 00:26:30,720
to accept the Extraterrestrial

630
00:26:35,269 --> 00:26:32,700
hypothesis without physical proof would

631
00:26:37,490 --> 00:26:35,279
be non-scientific we brought to bear

632
00:26:39,230 --> 00:26:37,500
upon the case those tools which are used

633
00:26:41,210 --> 00:26:39,240
by the criminologists it's a type of

634
00:26:43,549 --> 00:26:41,220
evidence if you will that probably could

635
00:26:46,250 --> 00:26:43,559
send a man to Jail uh eyewitness

636
00:26:48,830 --> 00:26:46,260
testimony character reference checks lie

637
00:26:50,870 --> 00:26:48,840
detector tests hypnotic regression and

638
00:26:52,669 --> 00:26:50,880

other types of tests that were either

639

00:26:55,730 --> 00:26:52,679

psychiatric examinations we brought to

640

00:26:57,529 --> 00:26:55,740

bear upon the case uh what we could in

641

00:27:00,890 --> 00:26:57,539

almost like a detective trying to solve

642

00:27:03,049 --> 00:27:00,900

a mystery but when you get right down to

643

00:27:05,450 --> 00:27:03,059

Brass tanks as it were you need physical

644

00:27:09,230 --> 00:27:05,460

evidence to say without a shadow of a

645

00:27:10,970 --> 00:27:09,240

doubt that this was a close encounter

646

00:27:13,310 --> 00:27:10,980

the Third Kind type G which involved

647

00:27:14,990 --> 00:27:13,320

real after peripheral beings in a real

648

00:27:16,250 --> 00:27:15,000

abduction how do you go about proving

649

00:27:21,130 --> 00:27:16,260

something like this that's what I want

650

00:27:27,409 --> 00:27:24,350

if indeed this sort of visitation did

651
00:27:29,269 --> 00:27:27,419
happen it would seem that somewhere that

652
00:27:31,190 --> 00:27:29,279
the that the amount of evidence that you

653
00:27:34,490 --> 00:27:31,200
could develop either in terms of

654
00:27:37,370 --> 00:27:34,500
evidence of a of a spaceship Landing

655
00:27:39,289 --> 00:27:37,380
evidence of well let's talk about maybe

656
00:27:40,010 --> 00:27:39,299
some of the unrealistic or realistic

657
00:27:41,810 --> 00:27:40,020
things

658
00:27:43,370 --> 00:27:41,820
if all of these creatures did appear in

659
00:27:45,169 --> 00:27:43,380
the home maybe they left a wrist watch

660
00:27:48,590 --> 00:27:45,179
or something behind or something of this

661
00:27:50,269 --> 00:27:48,600
nature radar sightings uh or whatever

662
00:27:52,669 --> 00:27:50,279
and I'm sure you've gone through all of

663
00:27:55,490 --> 00:27:52,679

these too now let's let's just comment

664

00:27:57,830 --> 00:27:55,500

on a different type of case a close

665

00:28:00,350 --> 00:27:57,840

encounter of the Third Kind which

666

00:28:02,870 --> 00:28:00,360

involves not only occupants being seen

667

00:28:04,970 --> 00:28:02,880

closing concept of the Third Kind of the

668

00:28:07,250 --> 00:28:04,980

variety of this these type of cases that

669

00:28:09,289 --> 00:28:07,260

type G's where a person allegedly has

670

00:28:11,269 --> 00:28:09,299

communication with occupants on about a

671

00:28:12,529 --> 00:28:11,279

UFO let's take a close encounter the

672

00:28:13,850 --> 00:28:12,539

Third Kind which is also a close

673

00:28:15,950 --> 00:28:13,860

encounter of the second kind where

674

00:28:17,510 --> 00:28:15,960

there's physical evidence and let's pick

675

00:28:20,390 --> 00:28:17,520

one out of the files of the United

676
00:28:24,590 --> 00:28:20,400
States Air Force's Project Blue Book on

677
00:28:26,690 --> 00:28:24,600
April 24th 1964 Lonnie Zamora a

678
00:28:28,430 --> 00:28:26,700
policeman was chasing a speeding car on

679
00:28:30,830 --> 00:28:28,440
South Park Street at Socorro New Mexico

680
00:28:33,110 --> 00:28:30,840
he saw a silver object descending

681
00:28:35,269 --> 00:28:33,120
rapidly out of the sky uh near a

682
00:28:37,490 --> 00:28:35,279
dynamite Shack and a loud roaring sound

683
00:28:39,649 --> 00:28:37,500
his first thought was that the dynamite

684
00:28:41,810 --> 00:28:39,659
Shack had blown up he broke off his

685
00:28:44,090 --> 00:28:41,820
Chase ready of headquarters and told

686
00:28:46,070 --> 00:28:44,100
them that he was going to investigate he

687
00:28:48,769 --> 00:28:46,080
proceeded toward the dynamite Shack and

688
00:28:51,590 --> 00:28:48,779

stopped on a hill and looked down into a

689

00:28:53,390 --> 00:28:51,600

gully and there was an oval craft with

690

00:28:56,810 --> 00:28:53,400

what he described as two child-like

691

00:28:59,510 --> 00:28:56,820

figures in coveralls examining the

692

00:29:01,010 --> 00:28:59,520

object he thought it must be a car that

693

00:29:03,350 --> 00:29:01,020

has overturned or something he still

694

00:29:04,850 --> 00:29:03,360

couldn't accept what he saw he radioed

695

00:29:06,710 --> 00:29:04,860

the headquarters and asked for backup

696

00:29:08,330 --> 00:29:06,720

and continued down into the Gully where

697

00:29:10,610 --> 00:29:08,340

he lost sight of the object on another

698

00:29:12,289 --> 00:29:10,620

Hill just above the Gully and got out of

699

00:29:14,690 --> 00:29:12,299

the cruiser and Advance within 100 feet

700

00:29:17,149 --> 00:29:14,700

of that object the occupants were gone

701
00:29:19,070 --> 00:29:17,159
there was a roaring sound and the object

702
00:29:22,190 --> 00:29:19,080
lifted off the ground with sort of a

703
00:29:24,649 --> 00:29:22,200
very very blue uh Flame or a plasma-like

704
00:29:27,529 --> 00:29:24,659
material coming out of the bottom and

705
00:29:30,289 --> 00:29:27,539
then that stopped and that rule stopped

706
00:29:33,289 --> 00:29:30,299
and it just sat there motionless about

707
00:29:35,090 --> 00:29:33,299
15 feet above the ground and then it

708
00:29:36,230 --> 00:29:35,100
moved off with a strange up and down

709
00:29:39,350 --> 00:29:36,240
motion

710
00:29:40,730 --> 00:29:39,360
and out of sight he tried by the way

711
00:29:43,549 --> 00:29:40,740
when he first started to contact

712
00:29:46,370 --> 00:29:43,559
headquarters by radio and His Radio

713
00:29:48,230 --> 00:29:46,380

would not work moments later the state

714

00:29:52,250 --> 00:29:48,240

police arrived they went down into the

715

00:29:53,930 --> 00:29:52,260

area and found four Impressions and a

716

00:29:57,190 --> 00:29:53,940

series of burnt areas where the object

717

00:30:00,049 --> 00:29:57,200

appeared to have come in and then left

718

00:30:03,289 --> 00:30:00,059

they notified the Air Force the Air

719

00:30:04,970 --> 00:30:03,299

Force investigated they found by means

720

00:30:08,149 --> 00:30:04,980

of a penetrometer that it would have

721

00:30:11,389 --> 00:30:08,159

been at least one ton of weight on each

722

00:30:14,389 --> 00:30:11,399

one of those indentations the heat was

723

00:30:16,730 --> 00:30:14,399

tremendous it cracked rocks a total of

724

00:30:19,190 --> 00:30:16,740

13 Witnesses were found that either saw

725

00:30:20,690 --> 00:30:19,200

or heard this particular object the

726

00:30:22,669 --> 00:30:20,700

United States Air Force still has

727

00:30:25,010 --> 00:30:22,679

classified the sighting as that of an

728

00:30:26,810 --> 00:30:25,020

unknown vehicle now this is typical of

729

00:30:28,490 --> 00:30:26,820

other cases like this the only

730

00:30:31,250 --> 00:30:28,500

difference between this type of case and

731

00:30:34,190 --> 00:30:31,260

the andreasen affair case is that Lonnie

732

00:30:36,950 --> 00:30:34,200

tomorrow didn't talk to these beings and

733

00:30:38,389 --> 00:30:36,960

was not brought aboard so would seem

734

00:30:42,110 --> 00:30:38,399

that closing conscious of the Third Kind

735

00:30:44,690 --> 00:30:42,120

type G could be a logical extension of a

736

00:30:47,330 --> 00:30:44,700

type of UFO experience which has less

737

00:30:49,130 --> 00:30:47,340

physical data behind now what is it

738

00:30:50,690 --> 00:30:49,140

going to take then what sort of

739

00:30:51,950 --> 00:30:50,700

information or evidence is going to be

740

00:30:55,130 --> 00:30:51,960

necessary

741

00:30:57,409 --> 00:30:55,140

to make our two are to bring this out of

742

00:31:00,350 --> 00:30:57,419

the out of the realm of to some people's

743

00:31:02,090 --> 00:31:00,360

fantasy and make it uh unmistakably fact

744

00:31:04,010 --> 00:31:02,100

I think admission on the part of the

745

00:31:05,330 --> 00:31:04,020

government that solid evidence does

746

00:31:06,830 --> 00:31:05,340

exist I'm not sure they know what

747

00:31:08,269 --> 00:31:06,840

they're dealing with I'm sure that they

748

00:31:10,310 --> 00:31:08,279

know that they're dealing with unknown

749

00:31:12,769 --> 00:31:10,320

vehicles from an unknown source which

750

00:31:14,149 --> 00:31:12,779

they have no control over whatsoever one

751
00:31:16,909 --> 00:31:14,159
of the interesting things that has come

752
00:31:18,289 --> 00:31:16,919
to light within the past few weeks is a

753
00:31:20,690 --> 00:31:18,299
summary report from the government of

754
00:31:23,930 --> 00:31:20,700
France to the Center for UFO studies Dr

755
00:31:26,690 --> 00:31:23,940
Claude poyer a director of a civilian

756
00:31:30,049 --> 00:31:26,700
French government sponsored UFO project

757
00:31:32,510 --> 00:31:30,059
is on our board of directors in 1977 the

758
00:31:34,549 --> 00:31:32,520
French government seemingly took the UFO

759
00:31:37,510 --> 00:31:34,559
problem at least partially out of the

760
00:31:40,850 --> 00:31:37,520
hands of the military and commissioned a

761
00:31:43,430 --> 00:31:40,860
commissioned a a team of scientists to

762
00:31:46,909 --> 00:31:43,440
look at 11 Close Encounters of the Third

763
00:31:48,470 --> 00:31:46,919

Kind one of which involved occupants in

764

00:31:51,350 --> 00:31:48,480

communication

765

00:31:53,750 --> 00:31:51,360

they spent the year of 1978 looking at

766

00:31:56,510 --> 00:31:53,760

these particular cases percent of UFO

767

00:31:59,990 --> 00:31:56,520

studies received several weeks ago a

768

00:32:02,990 --> 00:32:00,000

summary of a five-volume report which is

769

00:32:05,690 --> 00:32:03,000

still classified a secret that indicates

770

00:32:09,590 --> 00:32:05,700

that and this is a conclusion of the

771

00:32:11,090 --> 00:32:09,600

report 10 out of 11 cases were found not

772

00:32:13,310 --> 00:32:11,100

to be misinterpretation of natural

773

00:32:15,769 --> 00:32:13,320

phenomena or misidentification of

774

00:32:18,529 --> 00:32:15,779

man-made devices nor were they hoaxes

775

00:32:21,769 --> 00:32:18,539

and the conclusion of this study of

776

00:32:24,529 --> 00:32:21,779

these 11 cases indicated a very strong

777

00:32:27,889 --> 00:32:24,539

statement behind the UFO phenomenon

778

00:32:30,110 --> 00:32:27,899

there exists a flying machine whose mode

779

00:32:32,870 --> 00:32:30,120

of sustenance and propulsion is

780

00:32:36,289 --> 00:32:32,880

currently beyond the scope of current uh

781

00:32:38,330 --> 00:32:36,299

present-day science

782

00:32:41,090 --> 00:32:38,340

originally when that project was set up

783

00:32:42,529 --> 00:32:41,100

Dr Claude foyer indicated that the

784

00:32:43,490 --> 00:32:42,539

results of this project would be made

785

00:32:47,570 --> 00:32:43,500

public

786

00:32:50,510 --> 00:32:47,580

that the uh five volume report would be

787

00:32:53,210 --> 00:32:50,520

sent to people in this country in abroad

788

00:32:55,669 --> 00:32:53,220

to study but the French government has

789

00:32:58,970 --> 00:32:55,679

classified this secret and we don't know

790

00:33:01,490 --> 00:32:58,980

when the fold is also this particular uh

791

00:33:02,930 --> 00:33:01,500

study will be made public except for the

792

00:33:04,730 --> 00:33:02,940

summary report that was released to the

793

00:33:06,470 --> 00:33:04,740

center of UFO studies so I think it's

794

00:33:08,570 --> 00:33:06,480

going to take something like the

795

00:33:11,330 --> 00:33:08,580

government to release the information

796

00:33:13,190 --> 00:33:11,340

that is presently holding on UFOs to at

797

00:33:14,990 --> 00:33:13,200

least convince the public that UFOs are

798

00:33:17,810 --> 00:33:15,000

real although the last Gallup poll

799

00:33:20,090 --> 00:33:17,820

indicates that 57 of the American people

800

00:33:22,190 --> 00:33:20,100

believe that UFOs are real and that they

801
00:33:25,130 --> 00:33:22,200
have seen a UFO that's about 15 million

802
00:33:26,690 --> 00:33:25,140
Americans uh from time to time through

803
00:33:28,970 --> 00:33:26,700
the Freedom of Information Act we have

804
00:33:31,310 --> 00:33:28,980
acquired some very spectacular military

805
00:33:33,710 --> 00:33:31,320
reports involving radar visual sightings

806
00:33:36,889 --> 00:33:33,720
uh weapon systems control panels being

807
00:33:41,029 --> 00:33:36,899
disrupted smaller missiles being fired

808
00:33:43,370 --> 00:33:41,039
from larger UFOs at interceptors causing

809
00:33:45,769 --> 00:33:43,380
uh disruption of navigational equipment

810
00:33:47,149 --> 00:33:45,779
Communications equipment you read these

811
00:33:48,289 --> 00:33:47,159
things and you read these twixes they're

812
00:33:49,970 --> 00:33:48,299
addressed to the White House the

813
00:33:51,590 --> 00:33:49,980

Secretary of the State Defense all the

814

00:33:53,630 --> 00:33:51,600

heads of the intelligence agencies Joint

815

00:33:57,950 --> 00:33:53,640

Chiefs of staffs something is going on

816

00:34:00,769 --> 00:33:57,960

somewhere and these fixes telegram

817

00:34:02,630 --> 00:34:00,779

telegrams classified telegrams contains

818

00:34:04,909 --> 00:34:02,640

some very very hard information and

819

00:34:07,250 --> 00:34:04,919

we've been very fortunate to have got

820

00:34:10,609 --> 00:34:07,260

information like that into our hands

821

00:34:12,250 --> 00:34:10,619

morning you're on KTRH okay outside of

822

00:34:15,649 --> 00:34:12,260

being totally frightened

823

00:34:19,250 --> 00:34:15,659

a couple questions all right go ahead

824

00:34:21,050 --> 00:34:19,260

what person do uh well we just totally

825

00:34:23,930 --> 00:34:21,060

help with one if you see something like

826

00:34:25,669 --> 00:34:23,940

that do you run do you submit uh since

827

00:34:27,470 --> 00:34:25,679

the government has really not recognized

828

00:34:30,409 --> 00:34:27,480

that this exists as far as protecting

829

00:34:31,430 --> 00:34:30,419

the citizen of the of the world uh what

830

00:34:33,050 --> 00:34:31,440

are we supposed to do you're supposed to

831

00:34:35,210 --> 00:34:33,060

walk around thinking any minute you're

832

00:34:37,190 --> 00:34:35,220

going to get picked up I don't want to

833

00:34:40,310 --> 00:34:37,200

live that type of life even though I do

834

00:34:43,310 --> 00:34:40,320

believe this has this does exist

835

00:34:45,589 --> 00:34:43,320

has it been any study as far as how you

836

00:34:48,109 --> 00:34:45,599

react if you're caught in this type of

837

00:34:49,490 --> 00:34:48,119

situation no no if I were you though I

838

00:34:51,109 --> 00:34:49,500

don't think I would dwell on it and

839

00:34:52,609 --> 00:34:51,119

worry about it that's for sure that's

840

00:34:54,950 --> 00:34:52,619

not because you all kind of problems

841

00:34:57,050 --> 00:34:54,960

however we were talking during the break

842

00:34:58,430 --> 00:34:57,060

that it seemed to me that the kind of

843

00:35:00,589 --> 00:34:58,440

evidence that it was going to take to

844

00:35:01,910 --> 00:35:00,599

really convince well even me and a lot

845

00:35:04,670 --> 00:35:01,920

of other people would be the classic

846

00:35:06,950 --> 00:35:04,680

kind of take me to your leader kind of

847

00:35:08,089 --> 00:35:06,960

uh experience and you were telling me

848

00:35:10,670 --> 00:35:08,099

that the government has already

849

00:35:12,470 --> 00:35:10,680

initiated a study on just how to how to

850

00:35:14,089 --> 00:35:12,480

approach that kind of a potential

851

00:35:15,650 --> 00:35:14,099

problem how is nearly wanting

852

00:35:18,109 --> 00:35:15,660

coordinated for the University of

853

00:35:20,930 --> 00:35:18,119

Colorado uh UFO studies sponsored by the

854

00:35:23,630 --> 00:35:20,940

United States Air Force and uh during an

855

00:35:26,030 --> 00:35:23,640

investigation we had two scientists fly

856

00:35:27,829 --> 00:35:26,040

out to my home to investigate some very

857

00:35:30,890 --> 00:35:27,839

strange UFO sightings that occurred in

858

00:35:32,930 --> 00:35:30,900

Massachusetts and at that time they told

859

00:35:35,630 --> 00:35:32,940

me that part of their job was to

860

00:35:39,230 --> 00:35:35,640

ascertain what would the government do

861

00:35:41,390 --> 00:35:39,240

if a UFO landed on the White House lawn

862

00:35:44,329 --> 00:35:41,400

for example interestingly enough the

863

00:35:47,990 --> 00:35:44,339

Condon report never contained any such

864

00:35:50,270 --> 00:35:48,000

report at all and one wonders how many

865

00:35:52,010 --> 00:35:50,280

other reports that went to the

866

00:35:53,990 --> 00:35:52,020

University of Colorado never got printed

867

00:35:56,089 --> 00:35:54,000

one of the reports for example that we

868

00:35:58,970 --> 00:35:56,099

investigated involved two trained

869

00:36:01,430 --> 00:35:58,980

observers former aircraft spotters uh

870

00:36:03,589 --> 00:36:01,440

and amateur astronomers using binoculars

871

00:36:06,410 --> 00:36:03,599

in a telescope and naked eye as

872

00:36:07,910 --> 00:36:06,420

signaling to a UFO with a flashlight and

873

00:36:09,470 --> 00:36:07,920

they were the scientists were very

874

00:36:11,450 --> 00:36:09,480

intrigued with this report and put some

875

00:36:12,829 --> 00:36:11,460

Credence in it but it never appeared in

876

00:36:14,569 --> 00:36:12,839

the final report and there are a lot of

877

00:36:16,310 --> 00:36:14,579

reports like that that never appeared in

878

00:36:20,450 --> 00:36:16,320

the final report have there ever been

879

00:36:22,370 --> 00:36:20,460

instances of the of the uh of the

880

00:36:26,270 --> 00:36:22,380

accounts and the sightings that remain

881

00:36:28,990 --> 00:36:26,280

let's say still classified as unknown uh

882

00:36:31,790 --> 00:36:29,000

where where hostile action was

883

00:36:34,790 --> 00:36:31,800

encountered on part of the UFO there

884

00:36:36,589 --> 00:36:34,800

have been some cases for example uh at

885

00:36:39,770 --> 00:36:36,599

Otis Air Force Base for example in May

886

00:36:44,089 --> 00:36:39,780

of 1953 we have a massive Sergeant who

887

00:36:46,730 --> 00:36:44,099

was involved in uh search for a missing

888

00:36:49,310 --> 00:36:46,740

aircraft which told us who told us a

889

00:36:51,050 --> 00:36:49,320

very interesting story uh ground radar

890

00:36:53,870 --> 00:36:51,060

had picked up unidentified flying

891

00:36:57,050 --> 00:36:53,880

objects off the coast of uh Boston and

892

00:36:58,810 --> 00:36:57,060

they sent f94 see all whether a gen

893

00:37:01,609 --> 00:36:58,820

Interceptor to look into the situation

894

00:37:03,710 --> 00:37:01,619

the Interceptor took off and was over

895

00:37:06,050 --> 00:37:03,720

the Gunnery Range and all communication

896

00:37:09,230 --> 00:37:06,060

navigational systems went dead and then

897

00:37:13,430 --> 00:37:09,240

the aircraft engine cut out and the

898

00:37:15,050 --> 00:37:13,440

pilot ejected the canopy cockpit canopy

899

00:37:16,790 --> 00:37:15,060

and ejected himself thinking the radar

900

00:37:19,609 --> 00:37:16,800

operator would follow suit

901
00:37:20,810 --> 00:37:19,619
and uh he his parachute opened just in

902
00:37:22,370 --> 00:37:20,820
time and

903
00:37:23,810 --> 00:37:22,380
there was no crash he couldn't figure

904
00:37:26,390 --> 00:37:23,820
anything was very very quiet and he

905
00:37:28,910 --> 00:37:26,400
landed and he went to the nearest house

906
00:37:31,089 --> 00:37:28,920
and knocked on the door and Kali it was

907
00:37:34,550 --> 00:37:31,099
space and told him what happened

908
00:37:37,069 --> 00:37:34,560
they found the canopy over the weapons

909
00:37:39,829 --> 00:37:37,079
range they'd find the aircraft and find

910
00:37:41,150 --> 00:37:39,839
the radar operator he said that the

911
00:37:43,849 --> 00:37:41,160
mother came out there and spent three

912
00:37:46,069 --> 00:37:43,859
months living off base hoping to find uh

913
00:37:47,510 --> 00:37:46,079

her son he said there's no way that that

914

00:37:49,130 --> 00:37:47,520

thing could have kept on going out to

915

00:37:51,589 --> 00:37:49,140

the ocean which was you know several

916

00:37:53,750 --> 00:37:51,599

miles off he says it was falling like

917

00:37:55,730 --> 00:37:53,760

lead it was it was just no way that the

918

00:37:56,810 --> 00:37:55,740

plane completely disappeared now there

919

00:37:59,150 --> 00:37:56,820

were a number of planes that have

920

00:38:01,490 --> 00:37:59,160

disappeared all crashed chasing UF

921

00:38:03,890 --> 00:38:01,500

always uh and uh if you consider this

922

00:38:06,770 --> 00:38:03,900

hostility I really don't know that there

923

00:38:08,210 --> 00:38:06,780

was one report that these are in the

924

00:38:10,849 --> 00:38:08,220

minority but let me give you an example

925

00:38:12,050 --> 00:38:10,859

of a little boy in leelsville Ohio went

926

00:38:14,930 --> 00:38:12,060

out to get some water with a metal

927

00:38:17,150 --> 00:38:14,940

bucket and returning to his house he saw

928

00:38:19,790 --> 00:38:17,160

this typical oval UFO hovering the

929

00:38:21,829 --> 00:38:19,800

treetop level in the ball of fire seemed

930

00:38:24,170 --> 00:38:21,839

to come out emanate from it and and come

931

00:38:26,390 --> 00:38:24,180

after him and he began running and the

932

00:38:28,310 --> 00:38:26,400

ball of fire hit him and knocked him to

933

00:38:30,710 --> 00:38:28,320

the ground and his clothes is out of

934

00:38:32,990 --> 00:38:30,720

coat caught fire and his he caught fire

935

00:38:34,970 --> 00:38:33,000

really the grandmother and the mother

936

00:38:37,670 --> 00:38:34,980

heard him screaming and came out and

937

00:38:39,170 --> 00:38:37,680

watched this boy and saw this boy uh

938

00:38:40,490 --> 00:38:39,180

rolling over and over they went out I

939

00:38:42,829 --> 00:38:40,500

saw the object it was a local power

940

00:38:44,870 --> 00:38:42,839

failure which only lasted about 30

941

00:38:46,430 --> 00:38:44,880

seconds to a minute they managed to put

942

00:38:49,550 --> 00:38:46,440

the fire out and they called the sheriff

943

00:38:51,170 --> 00:38:49,560

he informed NY camp in the Air Force and

944

00:38:55,609 --> 00:38:51,180

the boy was brought to the hospital and

945

00:38:57,349 --> 00:38:55,619

treated for minor burns uh now what what

946

00:38:58,790 --> 00:38:57,359

we make of this is this hostile action

947

00:39:00,710 --> 00:38:58,800

or is that metal busted that metal

948

00:39:03,170 --> 00:39:00,720

bucket that he was carrying and initiate

949

00:39:05,510 --> 00:39:03,180

some type of uh protective action on

950

00:39:08,030 --> 00:39:05,520

part of the UFO the sheriff was

951

00:39:09,470 --> 00:39:08,040

convinced it wasn't a hoax but these

952

00:39:12,050 --> 00:39:09,480

cases in their mind are in the minority

953

00:39:13,490 --> 00:39:12,060

and they might be akin to some NATO who

954

00:39:15,109 --> 00:39:13,500

has never seen an airplane before

955

00:39:17,990 --> 00:39:15,119

watched an airplane land on the jungle

956

00:39:19,069 --> 00:39:18,000

and the occupants leave the airplane but

957

00:39:20,270 --> 00:39:19,079

they leave the propeller going the

958

00:39:22,670 --> 00:39:20,280

native goes walking up to the airplane

959

00:39:25,190 --> 00:39:22,680

sticks his turn the propeller and then
