

1
00:00:04,070 --> 00:00:01,490
it happened when I was very young

2
00:00:07,130 --> 00:00:04,080
something I didn't discover through

3
00:00:10,490 --> 00:00:07,140
hypnosis that happened to my mother and

4
00:00:11,629 --> 00:00:10,500
I as we were walking driving to my

5
00:00:15,589 --> 00:00:11,639
ballet class

6
00:00:17,990 --> 00:00:15,599
and we saw a UFO out our window and it

7
00:00:20,750 --> 00:00:18,000
came down lower and lower and until it

8
00:00:23,269 --> 00:00:20,760
was right above a telephone pole and our

9
00:00:24,710 --> 00:00:23,279
car stalled and there were about 12

10
00:00:28,550 --> 00:00:24,720
other cars

11
00:00:30,529 --> 00:00:28,560
stalled around us and white beams of

12
00:00:33,229 --> 00:00:30,539
light were shooting out from the beam

13
00:00:35,870 --> 00:00:33,239

from the craft and one hit me in the

14

00:00:37,430 --> 00:00:35,880

face and I was paralyzed it came through

15

00:00:38,990 --> 00:00:37,440

the roof of the car it didn't come

16

00:00:41,410 --> 00:00:39,000

through the window

17

00:00:45,350 --> 00:00:41,420

and I remember

18

00:00:47,630 --> 00:00:45,360

another person next to us had a white

19

00:00:50,090 --> 00:00:47,640

beam of light in his face my mother

20

00:00:54,350 --> 00:00:50,100

asked him if he thought it was UFO and

21

00:00:58,069 --> 00:00:54,360

he said he thought it was and I saw a

22

00:00:59,750 --> 00:00:58,079

tall thin man I thought walking in

23

00:01:03,410 --> 00:00:59,760

between our cars and when he reached our

24

00:01:05,630 --> 00:01:03,420

car my mother went to sleep

25

00:01:07,429 --> 00:01:05,640

and then three small beings came and

26
00:01:09,770 --> 00:01:07,439
took me out of the car and floated me

27
00:01:11,990 --> 00:01:09,780
into the craft okay three small beings

28
00:01:15,730 --> 00:01:12,000
look and what did they look like well

29
00:01:17,390 --> 00:01:15,740
they had large heads and big black eyes

30
00:01:21,050 --> 00:01:17,400
and

31
00:01:23,570 --> 00:01:21,060
it was very fuzzy I was almost passed

32
00:01:25,429 --> 00:01:23,580
out at that time I and they floated you

33
00:01:28,310 --> 00:01:25,439
up under the spacecraft and then what

34
00:01:31,010 --> 00:01:28,320
happened they put me onto a table and

35
00:01:33,410 --> 00:01:31,020
they showed me a long needle and they

36
00:01:35,690 --> 00:01:33,420
put the edge and the needle into my

37
00:01:38,469 --> 00:01:35,700
navel and

38
00:01:41,569 --> 00:01:38,479

then they floated me back down to my car

39

00:01:45,230 --> 00:01:41,579

and shut the door on my back and my

40

00:01:48,130 --> 00:01:45,240

mother woke up and we continued on to my

41

00:01:51,770 --> 00:01:48,140

ballet class and when we got there

42

00:01:56,330 --> 00:01:51,780

my class was nearly over I had missed an

43

00:01:58,910 --> 00:01:56,340

hour of it and my mother called the FAA

44

00:02:01,069 --> 00:01:58,920

to report the craft and other people had

45

00:02:03,050 --> 00:02:01,079

called also and including a lieutenant

46

00:02:05,870 --> 00:02:03,060

colonel from the Air Force

47

00:02:08,089 --> 00:02:05,880

all right now you had another incident

48

00:02:10,249 --> 00:02:08,099

happen to you

49

00:02:12,650 --> 00:02:10,259

um well three months later they came

50

00:02:16,309 --> 00:02:12,660

back and um

51
00:02:17,510 --> 00:02:16,319
they took me from my room actually I

52
00:02:18,830 --> 00:02:17,520
walked out into the front yard my

53
00:02:22,190 --> 00:02:18,840
parents were standing out in the front

54
00:02:24,050 --> 00:02:22,200
yard also and took me aboard the craft

55
00:02:26,809 --> 00:02:24,060
and removed something that looked like a

56
00:02:29,390 --> 00:02:26,819
placenta attached to an umbilical cord

57
00:02:31,309 --> 00:02:29,400
from your body yes

58
00:02:33,350 --> 00:02:31,319
yes now what are you saying happen to

59
00:02:35,750 --> 00:02:33,360
you

60
00:02:38,210 --> 00:02:35,760
well it's it's I can only speculate that

61
00:02:41,449 --> 00:02:38,220
they must have

62
00:02:43,369 --> 00:02:41,459
put something in me too I think they

63
00:02:45,470 --> 00:02:43,379

if you were artificially inseminate you

64

00:02:47,930 --> 00:02:45,480

feel you were impregnated about it yes

65

00:02:49,430 --> 00:02:47,940

and they were harvesting it sounds well

66

00:02:50,809 --> 00:02:49,440

a lot of things sound crazy a lot of

67

00:02:52,430 --> 00:02:50,819

things are inexplicable doesn't mean

68

00:02:53,869 --> 00:02:52,440

they don't happen

69

00:02:55,970 --> 00:02:53,879

um but you're saying you feel that you

70

00:02:58,009 --> 00:02:55,980

were somehow impregnated and they were

71

00:03:01,369 --> 00:02:58,019

taking

72

00:03:03,229 --> 00:03:01,379

the child yes well as as three months

73

00:03:04,970 --> 00:03:03,239

into the pregnancy

74

00:03:06,830 --> 00:03:04,980

all right now

75

00:03:09,050 --> 00:03:06,840

do you tell people this story do you

76

00:03:10,430 --> 00:03:09,060

share this story with people I do share

77

00:03:13,729 --> 00:03:10,440

the story with people I think it's a

78

00:03:15,949 --> 00:03:13,739

very important thing to share also um

79

00:03:18,710 --> 00:03:15,959

I I know that it happens to so many

80

00:03:20,330 --> 00:03:18,720

people and if I had thought that I was

81

00:03:23,570 --> 00:03:20,340

alone in this it would have been very

82

00:03:24,949 --> 00:03:23,580

difficult and I am still searching to

83

00:03:26,930 --> 00:03:24,959

this day for other people who are there

84

00:03:29,030 --> 00:03:26,940

in the intersection with me and possibly

85

00:03:31,009 --> 00:03:29,040

to Lieutenant Colonel who saw what I saw

86

00:03:34,250 --> 00:03:31,019

okay but are you generally greeted with

87

00:03:36,350 --> 00:03:34,260

skepticism from people do people

88

00:03:38,809 --> 00:03:36,360

yes but it's surprising how many people

89

00:03:40,190 --> 00:03:38,819

do believe this because

90

00:03:41,330 --> 00:03:40,200

yeah I mean I talked to the audience

91

00:03:42,830 --> 00:03:41,340

during the break and how many of you in

92

00:03:44,030 --> 00:03:42,840

the audience believe these stories a lot

93

00:03:46,009 --> 00:03:44,040

of you do

94

00:03:48,050 --> 00:03:46,019

and I'm not trying to convince anyone

95

00:03:49,250 --> 00:03:48,060

that no no we understand no no but you

96

00:03:51,410 --> 00:03:49,260

have to understand also that according

97

00:03:53,869 --> 00:03:51,420

to a Roper poll I think nearly 4 million

98

00:03:55,910 --> 00:03:53,879

Americans say that they've had a similar

99

00:03:57,410 --> 00:03:55,920

experience to you folks so I mean you're

100

00:03:59,630 --> 00:03:57,420

not talking about a small number of

101
00:04:01,550 --> 00:03:59,640
people how has this changed your life I

102
00:04:03,770 --> 00:04:01,560
would assume that it has well I think

103
00:04:07,190 --> 00:04:03,780
about it every night when I go to sleep

104
00:04:08,930 --> 00:04:07,200
because recently I became engaged and I

105
00:04:12,949 --> 00:04:08,940
live with my fiance and now they are

106
00:04:14,809 --> 00:04:12,959
visiting us together and and he worked

107
00:04:16,670 --> 00:04:14,819
with an incision scar on his back about

108
00:04:18,830 --> 00:04:16,680
two inches long

109
00:04:20,509 --> 00:04:18,840
so I know it's still happening and it

110
00:04:22,189 --> 00:04:20,519
concerns me about having my own children

111
00:04:24,409 --> 00:04:22,199
but um

112
00:04:26,810 --> 00:04:24,419
through help of friends and people I

113
00:04:29,270 --> 00:04:26,820

know getting through it I didn't ask you

114

00:04:30,650 --> 00:04:29,280

about the physical evidence that you

115

00:04:32,510 --> 00:04:30,660

claim to have sustained from one of

116

00:04:34,129 --> 00:04:32,520

these abductions what what did they do

117

00:04:36,890 --> 00:04:34,139

to you well the first abduction I

118

00:04:41,390 --> 00:04:36,900

remember I remembered with that

119

00:04:42,830 --> 00:04:41,400

regression hypnosis also I was taken to

120

00:04:45,050 --> 00:04:42,840

board of craft and they showed me a

121

00:04:46,670 --> 00:04:45,060

small BB and they told me they were

122

00:04:48,890 --> 00:04:46,680

going to put it in my nose because they

123

00:04:51,830 --> 00:04:48,900

had two tubes going from my nose to my

124

00:04:54,350 --> 00:04:51,840

feet and that it would not hurt but they

125

00:04:56,990 --> 00:04:54,360

took an instrument and put the BB on the

126

00:05:01,310 --> 00:04:57,000

end of it and punctured the soft palate

127

00:05:04,370 --> 00:05:01,320

of my mouth and it hurt very badly and

128

00:05:05,990 --> 00:05:04,380

blood split it onto my down that they

129

00:05:08,150 --> 00:05:06,000

had given me and I still have those

130

00:05:10,189 --> 00:05:08,160

puncture wounds in my mouth which have

131

00:05:12,170 --> 00:05:10,199

never been explained by a doctor he

132

00:05:14,390 --> 00:05:12,180

asked me what I put up there because it

133

00:05:16,430 --> 00:05:14,400

was it has scar tissue around it so it

134

00:05:18,530 --> 00:05:16,440

was obviously done after birth okay I

135

00:05:20,990 --> 00:05:18,540

think people think that you put on your

136

00:05:22,670 --> 00:05:21,000

hypnosis and you're very relaxed and and

137

00:05:24,290 --> 00:05:22,680

you ask these questions what happened

138

00:05:26,510 --> 00:05:24,300

you say oh I was taking a blood a

139

00:05:29,390 --> 00:05:26,520

spacecraft and this happened but I know

140

00:05:31,370 --> 00:05:29,400

Michael and I both work with Bud Hopkins

141

00:05:33,110 --> 00:05:31,380

it's not like that at all when you get

142

00:05:34,730 --> 00:05:33,120

to that moment that you maybe have some

143

00:05:36,610 --> 00:05:34,740

missing time a block of missing time

144

00:05:38,810 --> 00:05:36,620

getting through that is the most

145

00:05:41,150 --> 00:05:38,820

traumatic thing I almost threw up all

146

00:05:41,950 --> 00:05:41,160

over no I'm not suggesting it wasn't

147

00:05:46,370 --> 00:05:41,960

true

148

00:05:48,290 --> 00:05:46,380

I hadn't seen anything about this and

149

00:05:49,790 --> 00:05:48,300

the last thing I wanted to really

150

00:05:51,350 --> 00:05:49,800

believe is that this happened actually

151

00:05:53,450 --> 00:05:51,360

the last thing I want to believe is that
