

1
00:00:06,610 --> 00:00:02,629
Maureen Paddy's case came to my notice

2
00:00:09,290 --> 00:00:06,620
through radio 3aw in Melbourne

3
00:00:10,370 --> 00:00:09,300
I don't listen to radio very often if I

4
00:00:13,430 --> 00:00:10,380
can help it

5
00:00:15,950 --> 00:00:13,440
but on this occasion some member rang me

6
00:00:18,710 --> 00:00:15,960
and said that there had been a lady

7
00:00:20,630 --> 00:00:18,720
speaking on the radio for about oh three

8
00:00:24,470 --> 00:00:20,640
quarters of an hour at that stage who'd

9
00:00:26,689 --> 00:00:24,480
had a close encounter with a UFO and I

10
00:00:28,089 --> 00:00:26,699
spoke to Maureen and I actually spoke to

11
00:00:32,089 --> 00:00:28,099
her for about an hour on the telephone

12
00:00:34,670 --> 00:00:32,099
and I was intrigued by her report and

13
00:00:37,250 --> 00:00:34,680

she promised to come and tell us about

14

00:00:39,049 --> 00:00:37,260

it at the uh and at our general meeting

15

00:00:41,090 --> 00:00:39,059

which she did

16

00:00:42,889 --> 00:00:41,100

uh we had a full house there which

17

00:00:46,190 --> 00:00:42,899

really surprised her and the people

18

00:00:48,709 --> 00:00:46,200

overflowed out into the foyer and she

19

00:00:50,590 --> 00:00:48,719

started out by saying that although I

20

00:00:53,930 --> 00:00:50,600

said these at the moment here these

21

00:00:55,729 --> 00:00:53,940

encounters occurred in 1972 but were

22

00:00:58,189 --> 00:00:55,739

never written up in our publication

23

00:00:59,750 --> 00:00:58,199

until 1983 review

24

00:01:03,049 --> 00:00:59,760

and Maureen addressed one of our

25

00:01:06,289 --> 00:01:03,059

quarterly meetings in 1995 and was

26

00:01:08,750 --> 00:01:06,299

attentively accepted to say the least

27

00:01:11,510 --> 00:01:08,760

it has been said by some researchers

28

00:01:12,890 --> 00:01:11,520

who've never even met her that her case

29

00:01:15,109 --> 00:01:12,900

was an abduction

30

00:01:17,210 --> 00:01:15,119

but to Paul Norman and myself who

31

00:01:19,609 --> 00:01:17,220

investigated this one rather thoroughly

32

00:01:21,830 --> 00:01:19,619

it was certainly not an abduction

33

00:01:23,090 --> 00:01:21,840

because we were there on the whole of

34

00:01:25,910 --> 00:01:23,100

the occasions

35

00:01:29,450 --> 00:01:25,920

and especially the third one her story

36

00:01:32,390 --> 00:01:29,460

began when her son was injured at school

37

00:01:34,670 --> 00:01:32,400

when a chest of drawers a library in the

38

00:01:36,950 --> 00:01:34,680

library fell on him and broke his hip

39

00:01:40,850 --> 00:01:36,960

and he'd been taken to the hospital by

40

00:01:43,850 --> 00:01:40,860

the Royal helicopter angel of Mercy

41

00:01:45,950 --> 00:01:43,860

ambulance and Maureen had just become

42

00:01:48,350 --> 00:01:45,960

the president of this service

43

00:01:50,810 --> 00:01:48,360

and while driving home after visiting

44

00:01:53,810 --> 00:01:50,820

her son in the hospital on the 5th of

45

00:01:55,310 --> 00:01:53,820

July 1972 she called it her mother's

46

00:01:56,149 --> 00:01:55,320

home for a cup of tea and a bit of a

47

00:01:59,749 --> 00:01:56,159

chat

48

00:02:02,030 --> 00:01:59,759

and she left there about 9 15 p.m taking

49

00:02:04,910 --> 00:02:02,040

the shortcut along the mirror duck home

50

00:02:06,530 --> 00:02:04,920

from Frankston and that's the south side

51
00:02:09,109 --> 00:02:06,540
of Melbourne I don't know how many of

52
00:02:13,250 --> 00:02:09,119
you know that area

53
00:02:14,630 --> 00:02:13,260
it's quite a a an open area it's sort of

54
00:02:16,970 --> 00:02:14,640
semi-country

55
00:02:19,610 --> 00:02:16,980
and while driving home

56
00:02:23,270 --> 00:02:19,620
on this occasion she saw a blue light

57
00:02:24,589 --> 00:02:23,280
which came down over the car and she

58
00:02:26,390 --> 00:02:24,599
thought it was the helicopter because

59
00:02:29,089 --> 00:02:26,400
they have a blue light that blinks on

60
00:02:31,309 --> 00:02:29,099
the underside of it and thinking that

61
00:02:33,650 --> 00:02:31,319
the helicopter might have a message for

62
00:02:35,809 --> 00:02:33,660
her she got out of the car and had a

63
00:02:38,170 --> 00:02:35,819

look at it and she was really quite

64

00:02:41,030 --> 00:02:38,180

staggered because it was a huge object

65

00:02:44,030 --> 00:02:41,040

it would have spanned the road that's

66

00:02:46,309 --> 00:02:44,040

the McAdam strip plus the two side

67

00:02:48,610 --> 00:02:46,319

pieces on the road which would have made

68

00:02:50,690 --> 00:02:48,620

it an extremely large

69

00:02:53,150 --> 00:02:50,700

saucer which would be in about the

70

00:02:56,809 --> 00:02:53,160

object was possibly in her estimation

71

00:02:58,910 --> 00:02:56,819

but two telephones poles high and would

72

00:03:02,210 --> 00:02:58,920

have spanned the strip of road which was

73

00:03:04,250 --> 00:03:02,220

24 feet wide also taking in the nature

74

00:03:06,949 --> 00:03:04,260

strips on the either side of the road

75

00:03:09,830 --> 00:03:06,959

and making this also approximately a

76

00:03:11,809 --> 00:03:09,840

hundred feet in diameter

77

00:03:13,430 --> 00:03:11,819

now having already alighted from the car

78

00:03:15,649 --> 00:03:13,440

she leaned back and took a long look at

79

00:03:16,910 --> 00:03:15,659

the object and wondered what it was that

80

00:03:20,030 --> 00:03:16,920

she was seeing

81

00:03:24,890 --> 00:03:20,040

the object's surface was smooth it had

82

00:03:28,910 --> 00:03:24,900

no joins all Wells seams or rivets no

83

00:03:31,850 --> 00:03:28,920

windows or portholes and no wheels

84

00:03:34,729 --> 00:03:31,860

the huge object was radiating a

85

00:03:36,949 --> 00:03:34,739

brilliant light or blue light and an

86

00:03:39,949 --> 00:03:36,959

intense glow and there was no movement

87

00:03:42,050 --> 00:03:39,959

no wobbling no rotating but a faint

88

00:03:44,089 --> 00:03:42,060

humming could be heard

89

00:03:46,250 --> 00:03:44,099

and she noted all these things while

90

00:03:50,149 --> 00:03:46,260

wondering what sort of aircraft it was

91

00:03:52,430 --> 00:03:50,159

before fear took over at which time

92

00:03:55,070 --> 00:03:52,440

she quickly got back into the car and

93

00:03:57,050 --> 00:03:55,080

drove off as fast as she could only to

94

00:03:59,990 --> 00:03:57,060

find the object was maintaining its

95

00:04:02,330 --> 00:04:00,000

speed just above and behind the car

96

00:04:05,089 --> 00:04:02,340

no matter how fast you travel the object

97

00:04:07,070 --> 00:04:05,099

seemed to remain at the same distance

98

00:04:09,410 --> 00:04:07,080

aware that the blue light was no longer

99

00:04:10,789 --> 00:04:09,420

with with her and seeing a very bright

100

00:04:13,670 --> 00:04:10,799

light streak off in the opposite

101
00:04:16,610 --> 00:04:13,680
direction Mrs Paddy realized that the

102
00:04:17,330 --> 00:04:16,620
case must uh the chase must have been

103
00:04:19,370 --> 00:04:17,340
over

104
00:04:21,229 --> 00:04:19,380
and it followed her for about eight

105
00:04:22,670 --> 00:04:21,239
minutes or eight miles rather she didn't

106
00:04:23,810 --> 00:04:22,680
go a minute mile a minute but eight

107
00:04:26,090 --> 00:04:23,820
miles

108
00:04:27,650 --> 00:04:26,100
the witness reported a sighting to the

109
00:04:30,590 --> 00:04:27,660
police at dramana

110
00:04:32,749 --> 00:04:30,600
and some family members and also some

111
00:04:35,030 --> 00:04:32,759
friends who considered it all a bit of a

112
00:04:37,850 --> 00:04:35,040
joke so she decided to do a little bit

113
00:04:39,890 --> 00:04:37,860

more about it but not until about three

114

00:04:42,890 --> 00:04:39,900

weeks later

115

00:04:45,469 --> 00:04:42,900

then on the 25th of July

116

00:04:47,270 --> 00:04:45,479

and that same year after having visited

117

00:04:48,770 --> 00:04:47,280

her son again he was there from the

118

00:04:51,290 --> 00:04:48,780

hospital for some time

119

00:04:52,850 --> 00:04:51,300

she fired a similar route home had a cup

120

00:04:56,270 --> 00:04:52,860

of tea with her mother and left again

121

00:04:58,850 --> 00:04:56,280

about the same time 9 15.

122

00:05:00,950 --> 00:04:58,860

she arrived at the mirror duck Road

123

00:05:02,689 --> 00:05:00,960

traveled a short distance of about one

124

00:05:04,969 --> 00:05:02,699

mile when the blue light once again

125

00:05:06,890 --> 00:05:04,979

appeared before her and she thought oh

126

00:05:09,110 --> 00:05:06,900

no not again

127

00:05:10,730 --> 00:05:09,120

and this time I'm not going to stop and

128

00:05:12,110 --> 00:05:10,740

she was hanging onto the steering wheel

129

00:05:14,090 --> 00:05:12,120

and nothing was going to move her from

130

00:05:16,550 --> 00:05:14,100

that car

131

00:05:18,650 --> 00:05:16,560

and the car drifted to a stop on the

132

00:05:20,689 --> 00:05:18,660

side of the road no matter what you did

133

00:05:24,110 --> 00:05:20,699

to the Holden Car

134

00:05:26,210 --> 00:05:24,120

it wouldn't reply to her demands

135

00:05:28,189 --> 00:05:26,220

and she was wondering where do I go from

136

00:05:29,930 --> 00:05:28,199

here she was rather terrified and

137

00:05:32,270 --> 00:05:29,940

gripped the wheel and looked out the

138

00:05:35,689 --> 00:05:32,280

windscreen and saw the object hanging

139

00:05:38,029 --> 00:05:35,699

silently in the above the car in just in

140

00:05:40,070 --> 00:05:38,039

front of it and above the car and the

141

00:05:42,770 --> 00:05:40,080

countryside was bathed in a blue light

142

00:05:46,010 --> 00:05:42,780

then a voice spoke to her

143

00:05:48,290 --> 00:05:46,020

not audibly she said but in her head as

144

00:05:49,370 --> 00:05:48,300

if somebody it was a thought put into

145

00:05:51,890 --> 00:05:49,380

the head

146

00:05:54,110 --> 00:05:51,900

and as if words have been put into a

147

00:05:56,090 --> 00:05:54,120

computer and came out the other end in

148

00:05:59,870 --> 00:05:56,100

the most beautifully modulated

149

00:06:03,290 --> 00:05:59,880

and very well spoken English

150

00:06:06,290 --> 00:06:03,300

uh during this time she experienced the

151
00:06:08,749 --> 00:06:06,300
most unusual sensation she said if you

152
00:06:10,790 --> 00:06:08,759
could feel that you've been in a vacuum

153
00:06:13,189 --> 00:06:10,800
well that was the impression that she

154
00:06:14,810 --> 00:06:13,199
got that was perfectly still and

155
00:06:17,330 --> 00:06:14,820
perfectly quiet

156
00:06:19,189 --> 00:06:17,340
and the message read

157
00:06:22,070 --> 00:06:19,199
don't be afraid

158
00:06:25,249 --> 00:06:22,080
as a pause we mean you know harm another

159
00:06:27,050 --> 00:06:25,259
pause your tests will be negative

160
00:06:28,370 --> 00:06:27,060
and she'd already had some done and they

161
00:06:30,230 --> 00:06:28,380
were negative but she thought they

162
00:06:33,529 --> 00:06:30,240
couldn't have been the ones tell the

163
00:06:35,090 --> 00:06:33,539

media and along a pause and you are now

164

00:06:37,129 --> 00:06:35,100

in control

165

00:06:40,490 --> 00:06:37,139

and at that moment the car started up

166

00:06:42,290 --> 00:06:40,500

again as if she had turned the key

167

00:06:44,450 --> 00:06:42,300

now she didn't touch the key at all she

168

00:06:46,189 --> 00:06:44,460

just sat there she was stunned so the

169

00:06:49,550 --> 00:06:46,199

car started up because she hadn't turned

170

00:06:51,230 --> 00:06:49,560

it off they had apparently

171

00:06:53,930 --> 00:06:51,240

then she stopped at the same police

172

00:06:55,309 --> 00:06:53,940

station to find it closed then she went

173

00:06:57,890 --> 00:06:55,319

on to the next one

174

00:07:01,249 --> 00:06:57,900

and still on her way home

175

00:07:02,870 --> 00:07:01,259

and she told the police officer that I

176

00:07:06,110 --> 00:07:02,880

want to report a signing of a flying

177

00:07:09,409 --> 00:07:06,120

saucer oh yes Madam yes came the reply

178

00:07:12,170 --> 00:07:09,419

and she insisted in fear and frustration

179

00:07:14,990 --> 00:07:12,180

so the policeman humored her and gave

180

00:07:18,529 --> 00:07:15,000

and had it recorded the next morning she

181

00:07:20,330 --> 00:07:18,539

phoned laverton RAF station and asked if

182

00:07:22,909 --> 00:07:20,340

they could offer any explanation of what

183

00:07:24,409 --> 00:07:22,919

she'd seen to which they replied that it

184

00:07:26,210 --> 00:07:24,419

couldn't have been an aircraft or a

185

00:07:28,969 --> 00:07:26,220

balloon as neither would have been in

186

00:07:31,070 --> 00:07:28,979

the area at the time but didn't say as

187

00:07:32,930 --> 00:07:31,080

it could cause Panic anything that could

188

00:07:34,610 --> 00:07:32,940

cause panic

189

00:07:37,730 --> 00:07:34,620

um they would send her a questionnaire

190

00:07:40,610 --> 00:07:37,740

to complete but when asked about this

191

00:07:43,610 --> 00:07:40,620

later she said you'd have to have been a

192

00:07:45,230 --> 00:07:43,620

an astronaut to understand it and I

193

00:07:47,629 --> 00:07:45,240

believe she didn't bother to return it

194

00:07:49,790 --> 00:07:47,639

but Paul and I were invited to go

195

00:07:51,409 --> 00:07:49,800

through the air force files and we

196

00:07:53,749 --> 00:07:51,419

discovered that she obviously had

197

00:07:55,730 --> 00:07:53,759

returned it at a later date must have

198

00:07:57,529 --> 00:07:55,740

thought much better of it

199

00:07:59,809 --> 00:07:57,539

naturally we questioned Maureen

200

00:08:01,670 --> 00:07:59,819

regarding her experience in the car and

201
00:08:04,670 --> 00:08:01,680
what did the messages mean she said

202
00:08:06,230 --> 00:08:04,680
she'd had not had any recent tests but

203
00:08:09,110 --> 00:08:06,240
she'd had some about six months before

204
00:08:10,610 --> 00:08:09,120
and they had proved negative there was

205
00:08:12,469 --> 00:08:10,620
no use telling her not to be afraid

206
00:08:14,749 --> 00:08:12,479
because she was terrified

207
00:08:17,990 --> 00:08:14,759
as for telling the media she phoned

208
00:08:21,290 --> 00:08:18,000
three or four TV stations and one was

209
00:08:23,170 --> 00:08:21,300
mildly interested uh and they were

210
00:08:26,510 --> 00:08:23,180
showing Chariots of the Gods at the time

211
00:08:28,610 --> 00:08:26,520
and two mate light of the news and she

212
00:08:31,249 --> 00:08:28,620
did not didn't bother to contact the

213
00:08:34,430 --> 00:08:31,259

third one or the fourth one and I heard

214

00:08:36,469 --> 00:08:34,440

through a radio talk back program which

215

00:08:39,829 --> 00:08:36,479

in desperation she had contacted because

216

00:08:42,829 --> 00:08:39,839

the UFO nuts had said to contact the

217

00:08:45,590 --> 00:08:42,839

media and she was not wanting to see

218

00:08:47,090 --> 00:08:45,600

them again UFO nuts I meant not UFO

219

00:08:55,670 --> 00:08:47,100

nuts

220

00:08:58,310 --> 00:08:55,680

and at this stage I'd not actually met

221

00:09:00,530 --> 00:08:58,320

Maureen that was at night the day I

222

00:09:02,930 --> 00:09:00,540

spoke to her on the telephone and only

223

00:09:04,790 --> 00:09:02,940

spoken to her for one hour but when I

224

00:09:06,769 --> 00:09:04,800

invited her to address one of our

225

00:09:08,810 --> 00:09:06,779

meetings that we had the national Mutual

226

00:09:12,230 --> 00:09:08,820

theater at at the time a delightful

227

00:09:13,910 --> 00:09:12,240

Little Theater app and she agreed to do

228

00:09:15,290 --> 00:09:13,920

this and we sat her down the front where

229

00:09:18,710 --> 00:09:15,300

she couldn't see all the people coming

230

00:09:20,449 --> 00:09:18,720

in and I said well you'd be comfortable

231

00:09:22,370 --> 00:09:20,459

there and you won't see anybody so when

232

00:09:23,750 --> 00:09:22,380

she got up to speak she was staggered at

233

00:09:27,530 --> 00:09:23,760

the number of people that were filling

234

00:09:29,930 --> 00:09:27,540

the hall and outside into the lobby

235

00:09:33,230 --> 00:09:29,940

but that Hall was crowded and it was

236

00:09:35,870 --> 00:09:33,240

very very quiet uh right through the

237

00:09:38,090 --> 00:09:35,880

whole hour of her talk and even the

238

00:09:39,769 --> 00:09:38,100

people outside who were standing were

239

00:09:42,470 --> 00:09:39,779

perfectly quiet

240

00:09:45,110 --> 00:09:42,480

everybody was thoroughly fascinated

241

00:09:47,329 --> 00:09:45,120

During the period the question period

242

00:09:51,230 --> 00:09:47,339

that time Maureen was put through her

243

00:09:53,930 --> 00:09:51,240

Paces she did think that what she saw

244

00:09:56,509 --> 00:09:53,940

was a psychic phenomena

245

00:09:57,769 --> 00:09:56,519

and did she suffer any Burns or after

246

00:10:00,290 --> 00:09:57,779

effects

247

00:10:01,850 --> 00:10:00,300

uh to both these questions the first one

248

00:10:04,250 --> 00:10:01,860

was did she think it was a psychic

249

00:10:06,470 --> 00:10:04,260

phenomena and to both the questions she

250

00:10:08,389 --> 00:10:06,480

answered no did you think there were any

251
00:10:10,430 --> 00:10:08,399
other Witnesses she thought there must

252
00:10:12,710 --> 00:10:10,440
have been one at least because as she

253
00:10:15,170 --> 00:10:12,720
was approaching the railway Crossing she

254
00:10:18,710 --> 00:10:15,180
saw a man with a torch leading a car

255
00:10:21,650 --> 00:10:18,720
across the railroad and surely the UFO

256
00:10:23,030 --> 00:10:21,660
must have passed it over him

257
00:10:24,710 --> 00:10:23,040
um

258
00:10:26,449 --> 00:10:24,720
that would have been going in the same

259
00:10:29,570 --> 00:10:26,459
direction so he may not have seen it

260
00:10:31,310 --> 00:10:29,580
later the man's wife contacted her and

261
00:10:33,710 --> 00:10:31,320
also another lady living on the ridge

262
00:10:35,990 --> 00:10:33,720
the Range Ridge there who'd seen a light

263
00:10:36,710 --> 00:10:36,000

coming across the road both had seen

264

00:10:40,009 --> 00:10:36,720

this

265

00:10:41,690 --> 00:10:40,019

the third experience was purely a

266

00:10:44,449 --> 00:10:41,700

psychic experience

267

00:10:47,090 --> 00:10:44,459

and this happened about six months later

268

00:10:49,069 --> 00:10:47,100

there was one Wednesday evening I'd

269

00:10:51,050 --> 00:10:49,079

received a phone call from a rather

270

00:10:52,610 --> 00:10:51,060

agitated Maureen

271

00:10:55,550 --> 00:10:52,620

who said she'd been trying to contact

272

00:10:57,590 --> 00:10:55,560

two other Representatives

273

00:10:59,630 --> 00:10:57,600

probably a good thing that she couldn't

274

00:11:00,949 --> 00:10:59,640

contact them because she may have had to

275

00:11:03,230 --> 00:11:00,959

have gone public

276

00:11:04,790 --> 00:11:03,240

and I don't think she really wanted that

277

00:11:07,790 --> 00:11:04,800

she was quite happy to speak at our

278

00:11:10,190 --> 00:11:07,800

meeting but not to go public in Media or

279

00:11:12,230 --> 00:11:10,200

Publications

280

00:11:16,069 --> 00:11:12,240

for some days she'd been hearing a voice

281

00:11:17,990 --> 00:11:16,079

calling to her Noreen Maureen returned

282

00:11:19,910 --> 00:11:18,000

to the meeting place and it didn't

283

00:11:21,069 --> 00:11:19,920

matter where she went she could hear

284

00:11:23,509 --> 00:11:21,079

this voice

285

00:11:24,889 --> 00:11:23,519

she heard it at the front door and she

286

00:11:26,990 --> 00:11:24,899

went to answer the door and the husband

287

00:11:28,910 --> 00:11:27,000

said who was that because the husband

288

00:11:31,009 --> 00:11:28,920

was in a wheelchair at this stage she

289

00:11:33,110 --> 00:11:31,019

was he was an invalid and had been for

290

00:11:34,009 --> 00:11:33,120

some time and she said there was nobody

291

00:11:36,949 --> 00:11:34,019

there

292

00:11:39,470 --> 00:11:36,959

she went up shopping and turned around

293

00:11:42,290 --> 00:11:39,480

to hear somebody who'd been saying

294

00:11:44,509 --> 00:11:42,300

Maureen Maureen returned to the meeting

295

00:11:45,470 --> 00:11:44,519

place and this was getting on her nerves

296

00:11:46,850 --> 00:11:45,480

a bit I think she was getting a little

297

00:11:47,990 --> 00:11:46,860

bit worried as she was going shopping

298

00:11:50,630 --> 00:11:48,000

that day

299

00:11:53,210 --> 00:11:50,640

and she felt that she had to go to the

300

00:11:54,230 --> 00:11:53,220

meeting place and was too scared to go

301
00:11:57,889 --> 00:11:54,240
alone

302
00:12:00,230 --> 00:11:57,899
so when she rang my number I told Paul

303
00:12:02,329 --> 00:12:00,240
and off we both trotted that night we

304
00:12:04,850 --> 00:12:02,339
took our supper with us and went off in

305
00:12:06,410 --> 00:12:04,860
his car down to meet Maureen at the

306
00:12:10,610 --> 00:12:06,420
meeting place

307
00:12:12,949 --> 00:12:10,620
we said we'd wait to see her at an

308
00:12:15,490 --> 00:12:12,959
electrical substation which was right

309
00:12:19,490 --> 00:12:15,500
opposite where we were going to be

310
00:12:22,610 --> 00:12:19,500
and she came along about well half past

311
00:12:27,050 --> 00:12:22,620
eight and rather agitatedly dashed over

312
00:12:29,210 --> 00:12:27,060
from her car to ours and

313
00:12:31,190 --> 00:12:29,220

we were there you know really quite

314

00:12:32,030 --> 00:12:31,200

early we're still I think only just

315

00:12:34,730 --> 00:12:32,040

light

316

00:12:36,110 --> 00:12:34,740

and she came over rushing over and

317

00:12:37,430 --> 00:12:36,120

saying I nearly went off the road back

318

00:12:39,889 --> 00:12:37,440

there

319

00:12:41,690 --> 00:12:39,899

um and I said well I suggest you tell us

320

00:12:43,370 --> 00:12:41,700

all about it when we drive to the

321

00:12:45,889 --> 00:12:43,380

meeting place

322

00:12:47,569 --> 00:12:45,899

so she said that there was um before

323

00:12:49,790 --> 00:12:47,579

going further I should perhaps add that

324

00:12:52,730 --> 00:12:49,800

as I entered her car to go away to the

325

00:12:55,009 --> 00:12:52,740

meeting place I had an odd feeling when

326

00:12:57,710 --> 00:12:55,019

I touched the Electric electrical the

327

00:12:59,930 --> 00:12:57,720

the electrical experience when I touched

328

00:13:02,150 --> 00:12:59,940

the door of her car and I got a sort of

329

00:13:03,710 --> 00:13:02,160

an electric shock which probably

330

00:13:05,449 --> 00:13:03,720

wouldn't have been unusual for me

331

00:13:07,790 --> 00:13:05,459

because

332

00:13:09,949 --> 00:13:07,800

I thought maybe some being somewhere

333

00:13:11,870 --> 00:13:09,959

near the substation it might have had an

334

00:13:14,329 --> 00:13:11,880

effect on the car and touching the metal

335

00:13:16,490 --> 00:13:14,339

handle might have had an effect of a

336

00:13:18,710 --> 00:13:16,500

slightly electric shock on myself

337

00:13:22,250 --> 00:13:18,720

however I got into the car

338

00:13:24,889 --> 00:13:22,260

and I said she told me that there was a

339

00:13:26,930 --> 00:13:24,899

little man sitting there when she'd cut

340

00:13:28,610 --> 00:13:26,940

Turn Around the Corner up there and I

341

00:13:30,710 --> 00:13:28,620

said is he still there and I thought

342

00:13:33,470 --> 00:13:30,720

well if he is I'm sitting on him

343

00:13:35,509 --> 00:13:33,480

and she said no he's he went when I got

344

00:13:36,170 --> 00:13:35,519

out of the car when she got out of the

345

00:13:41,329 --> 00:13:36,180

car

346

00:13:41,339 --> 00:13:46,670

and uh

347

00:13:50,389 --> 00:13:48,290

sorry

348

00:13:53,329 --> 00:13:50,399

and that she was quite she was really

349

00:13:55,670 --> 00:13:53,339

quite shocked at this and he got out of

350

00:13:58,790 --> 00:13:55,680

the car he was like a little uh a little

351

00:14:03,829 --> 00:13:58,800

man she said but in a tinsel type suit

352

00:14:06,769 --> 00:14:03,839

he was silvery and he was

353

00:14:08,389 --> 00:14:06,779

described as in sitting exactly where I

354

00:14:09,530 --> 00:14:08,399

was which was quite close to her in the

355

00:14:11,269 --> 00:14:09,540

middle of the seat because I thought

356

00:14:14,810 --> 00:14:11,279

Paul was going to come in with us and

357

00:14:17,990 --> 00:14:14,820

I'd moved in but he wasn't there and I

358

00:14:19,069 --> 00:14:18,000

couldn't visualize it I had no idea I

359

00:14:21,350 --> 00:14:19,079

mean I might have a very good

360

00:14:23,389 --> 00:14:21,360

imagination at times but it didn't run

361

00:14:25,610 --> 00:14:23,399

to that extent

362

00:14:28,069 --> 00:14:25,620

and when we got back to the meeting

363

00:14:30,470 --> 00:14:28,079

place which was a little drive off among

364

00:14:33,829 --> 00:14:30,480

some trees Paul got into the back of her

365

00:14:35,750 --> 00:14:33,839

car and uh I was sitting in the front

366

00:14:37,370 --> 00:14:35,760

with her still

367

00:14:40,250 --> 00:14:37,380

and we were talking about the latest

368

00:14:42,110 --> 00:14:40,260

incident when she grabbed my arm and and

369

00:14:44,509 --> 00:14:42,120

shook me and she's pointed across and

370

00:14:46,430 --> 00:14:44,519

she said there he is can't you see him

371

00:14:48,350 --> 00:14:46,440

and can't you see him and she's sitting

372

00:14:50,930 --> 00:14:48,360

there shaking me like billio

373

00:14:53,329 --> 00:14:50,940

and I tried to explain to her that it

374

00:14:56,689 --> 00:14:53,339

was possibly like um closed circuit

375

00:14:58,910 --> 00:14:56,699

television from them to her

376

00:15:01,670 --> 00:14:58,920

and she said he was coming closer to the

377

00:15:03,470 --> 00:15:01,680

car in fact he was so close that had I

378

00:15:04,610 --> 00:15:03,480

put my arm out I could possibly touch

379

00:15:07,910 --> 00:15:04,620

him

380

00:15:10,730 --> 00:15:07,920

and I was edging closer to her because

381

00:15:12,470 --> 00:15:10,740

um she said that he wanted to to get out

382

00:15:14,389 --> 00:15:12,480

of the car and I said well come on I'll

383

00:15:16,069 --> 00:15:14,399

come with you and she wasn't going to

384

00:15:17,810 --> 00:15:16,079

get out anywhere she was hanging onto

385

00:15:18,769 --> 00:15:17,820

that steering wheel she wasn't going to

386

00:15:21,470 --> 00:15:18,779

move

387

00:15:24,550 --> 00:15:21,480

so we asked Paul if he would get out of

388

00:15:27,470 --> 00:15:24,560

the car Brave Paul

389

00:15:30,710 --> 00:15:27,480

and walk around the car to see what the

390

00:15:32,810 --> 00:15:30,720

entity would do and and he did he was

391

00:15:34,670 --> 00:15:32,820

brave enough to do it and I said to

392

00:15:37,189 --> 00:15:34,680

Maureen what's the entity doing Maureen

393

00:15:40,790 --> 00:15:37,199

and she said he's taken a step back to

394

00:15:43,730 --> 00:15:40,800

let Paul get between the car and himself

395

00:15:45,110 --> 00:15:43,740

so uh and she had a bit adamantly

396

00:15:47,689 --> 00:15:45,120

declared she still wasn't going to get

397

00:15:50,449 --> 00:15:47,699

out of it so uh

398

00:15:53,750 --> 00:15:50,459

I tried still trying to gently ease her

399

00:15:55,790 --> 00:15:53,760

out of the car anyway the entity then

400

00:15:59,930 --> 00:15:55,800

became impatient and he started to walk

401
00:16:04,850 --> 00:15:59,940
away or move away and disappeared behind

402
00:16:08,210 --> 00:16:04,860
some Thin some Thin bushes there and uh

403
00:16:09,949 --> 00:16:08,220
she suddenly commenced describing the

404
00:16:11,449 --> 00:16:09,959
interior of the object she said oh I'm

405
00:16:13,189 --> 00:16:11,459
inside the object

406
00:16:19,790 --> 00:16:13,199
and

407
00:16:22,490 --> 00:16:19,800
there pointing to a large mushroom-like

408
00:16:25,189 --> 00:16:22,500
thing like object in the center of the

409
00:16:27,949 --> 00:16:25,199
circular room it was a huge circular

410
00:16:29,990 --> 00:16:27,959
room she said couldn't see any doors or

411
00:16:32,210 --> 00:16:30,000
Windows or anything

412
00:16:34,310 --> 00:16:32,220
the center object which was taller than

413
00:16:37,189 --> 00:16:34,320

an average person

414

00:16:39,829 --> 00:16:37,199

was a bit like a jelly she said the

415

00:16:41,269 --> 00:16:39,839

first part was a bit like a clock you

416

00:16:44,749 --> 00:16:41,279

know the Roman numerals all the way

417

00:16:46,310 --> 00:16:44,759

around it and uh there's another part of

418

00:16:48,889 --> 00:16:46,320

it interior part which seemed to be

419

00:16:50,870 --> 00:16:48,899

moving like a jelly so

420

00:16:53,689 --> 00:16:50,880

I asked her if it was

421

00:16:55,129 --> 00:16:53,699

um like a gyroscope and she said what's

422

00:16:57,290 --> 00:16:55,139

a gyroscope

423

00:16:59,629 --> 00:16:57,300

Well we'd asked her that later on and

424

00:17:01,370 --> 00:16:59,639

she had no idea what a gyroscope was so

425

00:17:02,110 --> 00:17:01,380

we went on with this she said there were

426

00:17:05,270 --> 00:17:02,120

like

427

00:17:07,069 --> 00:17:05,280

Roman numerals apparently looking around

428

00:17:09,530 --> 00:17:07,079

the room she became very agitated

429

00:17:11,929 --> 00:17:09,540

started to cry and I put my arm around

430

00:17:13,970 --> 00:17:11,939

her shoulder and she said I can't get

431

00:17:16,250 --> 00:17:13,980

out I can't get out there are no doors

432

00:17:18,770 --> 00:17:16,260

or Windows I can't get out and that was

433

00:17:21,049 --> 00:17:18,780

her great fear at the time she was in

434

00:17:22,610 --> 00:17:21,059

this UFO and couldn't get out she didn't

435

00:17:23,689 --> 00:17:22,620

realize she was still sitting there with

436

00:17:28,549 --> 00:17:23,699

me

437

00:17:30,650 --> 00:17:28,559

and she was really upset and clearly and

438

00:17:32,630 --> 00:17:30,660

I clearly visualized what she was

439

00:17:34,970 --> 00:17:32,640

telling us as if there was a picture in

440

00:17:36,650 --> 00:17:34,980

front of us I knew exactly what she was

441

00:17:38,930 --> 00:17:36,660

describing she said the little man was

442

00:17:41,810 --> 00:17:38,940

standing there pointing pointing to this

443

00:17:44,990 --> 00:17:41,820

object and she was watching and didn't

444

00:17:47,029 --> 00:17:45,000

take her eyes off it so I decided

445

00:17:48,950 --> 00:17:47,039

because she was so upset and agitated

446

00:17:50,270 --> 00:17:48,960

that I was getting a bit concerned about

447

00:17:51,890 --> 00:17:50,280

it because I could feel her tears

448

00:17:55,310 --> 00:17:51,900

falling down onto my hand which was

449

00:17:56,510 --> 00:17:55,320

around her shoulders and I directed my

450

00:17:58,370 --> 00:17:56,520

thoughts to them and I thought well I

451
00:18:00,529 --> 00:17:58,380
got nothing to lose and I thought well

452
00:18:03,470 --> 00:18:00,539
you know I'm fearful for her state of

453
00:18:05,930 --> 00:18:03,480
health if you can help her please do

454
00:18:08,930 --> 00:18:05,940
and um you got her into this state so

455
00:18:10,730 --> 00:18:08,940
get her out of it and

456
00:18:12,770 --> 00:18:10,740
I felt she might have had a nervous

457
00:18:16,250 --> 00:18:12,780
breakdown or a stroke or something she

458
00:18:18,470 --> 00:18:16,260
was just so upset and uh

459
00:18:20,930 --> 00:18:18,480
anyway they said that she said they

460
00:18:23,330 --> 00:18:20,940
wanted her to close her eyes and I said

461
00:18:24,590 --> 00:18:23,340
well go ahead and she said no I'm not

462
00:18:26,810 --> 00:18:24,600
going to close my eyes and you know when

463
00:18:30,470 --> 00:18:26,820

you blink you have no

464

00:18:32,270 --> 00:18:30,480

you have no idea of blinking because you

465

00:18:33,890 --> 00:18:32,280

do it so naturally so she obviously

466

00:18:36,289 --> 00:18:33,900

blinked and then I could feel her relax

467

00:18:38,810 --> 00:18:36,299

and she must have gone out

468

00:18:40,549 --> 00:18:38,820

into a sort of a trance or a coma or

469

00:18:43,310 --> 00:18:40,559

whatever you like to call it

470

00:18:45,590 --> 00:18:43,320

and then she began again to describe the

471

00:18:47,510 --> 00:18:45,600

interior of the object and she still

472

00:18:48,650 --> 00:18:47,520

could see no way out and she was still

473

00:18:51,470 --> 00:18:48,660

upset

474

00:18:53,690 --> 00:18:51,480

and after a brief period She sort of

475

00:18:55,250 --> 00:18:53,700

came back to us she relaxed and she said

476

00:18:57,409 --> 00:18:55,260

oh I'm back again

477

00:18:59,510 --> 00:18:57,419

and um

478

00:19:01,909 --> 00:18:59,520

I said to Paul well let's have this cup

479

00:19:04,010 --> 00:19:01,919

of tea we had a cup of tea with us and

480

00:19:06,110 --> 00:19:04,020

we'll discuss it further and see what

481

00:19:08,330 --> 00:19:06,120

else we can make out of this

482

00:19:10,490 --> 00:19:08,340

and see what you can get uh see if

483

00:19:12,770 --> 00:19:10,500

Maureen can remember anything extra

484

00:19:14,870 --> 00:19:12,780

so we put the lights on and we got the

485

00:19:15,890 --> 00:19:14,880

thermos flask out and handed more in a

486

00:19:17,930 --> 00:19:15,900

cup of tea

487

00:19:19,490 --> 00:19:17,940

and she's all of a sudden really even

488

00:19:22,250 --> 00:19:19,500

with a cup of tea in her hand she said

489

00:19:24,470 --> 00:19:22,260

oh I'm back in there again and she

490

00:19:26,390 --> 00:19:24,480

started describing it again

491

00:19:27,590 --> 00:19:26,400

and repeated the whole description all

492

00:19:29,930 --> 00:19:27,600

over again

493

00:19:32,450 --> 00:19:29,940

and after a little while

494

00:19:33,890 --> 00:19:32,460

she said more calmly

495

00:19:39,049 --> 00:19:33,900

he's gone

496

00:19:42,110 --> 00:19:39,059

feeling's different it's gone completely

497

00:19:44,810 --> 00:19:42,120

he's gone it feels different so now she

498

00:19:47,690 --> 00:19:44,820

came back to normal again

499

00:19:49,070 --> 00:19:47,700

and everything seemed quite normal so we

500

00:19:51,529 --> 00:19:49,080

went on with our supper and discussing

501
00:19:54,230 --> 00:19:51,539
the mushroom and I was trying to

502
00:19:56,690 --> 00:19:54,240
identify it because

503
00:19:59,090 --> 00:19:56,700
um she wasn't very technically minded

504
00:20:01,130 --> 00:19:59,100
and I asked if it was like a gyroscope

505
00:20:03,350 --> 00:20:01,140
but Maureen was apparently unfamiliar

506
00:20:05,990 --> 00:20:03,360
with that to him I'd only come into the

507
00:20:07,610 --> 00:20:06,000
the met the term because I was working

508
00:20:09,110 --> 00:20:07,620
with an airline and they took us through

509
00:20:12,049 --> 00:20:09,120
all the

510
00:20:14,570 --> 00:20:12,059
the area where they used to do up the

511
00:20:15,350 --> 00:20:14,580
aircraft and and go over all these

512
00:20:17,750 --> 00:20:15,360
things

513
00:20:19,010 --> 00:20:17,760

so I knew what what it was and she

514

00:20:21,650 --> 00:20:19,020

picked up a little Gadget off the

515

00:20:24,289 --> 00:20:21,660

dashboard and said would this be like it

516

00:20:26,390 --> 00:20:24,299

and to my astonishment it was one of

517

00:20:28,850 --> 00:20:26,400

those tiny little compasses that people

518

00:20:31,190 --> 00:20:28,860

have stuck on their dashboard and she

519

00:20:33,470 --> 00:20:31,200

said that was almost identical to the

520

00:20:35,510 --> 00:20:33,480

mushroom that she'd been viewing and it

521

00:20:36,590 --> 00:20:35,520

sticks on the this little one sticks on

522

00:20:38,690 --> 00:20:36,600

the dashboard you know with a suction

523

00:20:40,610 --> 00:20:38,700

cup

524

00:20:42,289 --> 00:20:40,620

um I hadn't seen one before and I

525

00:20:44,830 --> 00:20:42,299

haven't seen one since

526

00:20:48,830 --> 00:20:44,840

but we didn't let her drive home alone

527

00:20:50,270 --> 00:20:48,840

and she didn't wish to go either on her

528

00:20:51,650 --> 00:20:50,280

own because she was afraid that they

529

00:20:53,390 --> 00:20:51,660

might come back again

530

00:20:55,430 --> 00:20:53,400

and she didn't want another visit from

531

00:20:58,190 --> 00:20:55,440

her friends so called

532

00:20:59,270 --> 00:20:58,200

all the nerves on the part of the drive

533

00:21:01,669 --> 00:20:59,280

she thought she might have had an

534

00:21:03,230 --> 00:21:01,679

accident or something so I drove in her

535

00:21:05,029 --> 00:21:03,240

car and Paul followed us and we went

536

00:21:07,250 --> 00:21:05,039

further down the line further away from

537

00:21:10,970 --> 00:21:07,260

home and I believe at this time that it

538

00:21:13,310 --> 00:21:10,980

was about oh 10 30 or 11 o'clock when we

539

00:21:15,350 --> 00:21:13,320

got down to her home

540

00:21:17,210 --> 00:21:15,360

um we didn't really take that much

541

00:21:20,450 --> 00:21:17,220

notice of the time but it was about that

542

00:21:23,630 --> 00:21:20,460

time and of course the events went

543

00:21:25,430 --> 00:21:23,640

through the the air again the her

544

00:21:29,330 --> 00:21:25,440

husband was there and we made a cup of

545

00:21:36,770 --> 00:21:33,710

and I was able was I able to communicate

546

00:21:38,149 --> 00:21:36,780

with the entity when he said to close

547

00:21:41,690 --> 00:21:38,159

her eyes

548

00:21:43,549 --> 00:21:41,700

did I really communicate with him uh did

549

00:21:45,950 --> 00:21:43,559

they receive my thoughts regarding her

550

00:21:47,630 --> 00:21:45,960

agitated State this is just my own our

551

00:21:50,330 --> 00:21:47,640

own thoughts after this

552

00:21:52,490 --> 00:21:50,340

if so what thoughts can they receive

553

00:21:55,250 --> 00:21:52,500

from more important and delicate

554

00:21:57,830 --> 00:21:55,260

situations than that particular one

555

00:22:01,610 --> 00:21:57,840

can they transmit to us can we transmit

556

00:22:05,090 --> 00:22:01,620

to them I do believe that as science has

557

00:22:07,490 --> 00:22:05,100

gone on in those since those years of

558

00:22:10,549 --> 00:22:07,500

course naturally we can communicate a

559

00:22:12,669 --> 00:22:10,559

lot more easily with uh in in so many

560

00:22:16,070 --> 00:22:12,679

various ways

561

00:22:18,890 --> 00:22:16,080

and I thought perhaps at this stage that

562

00:22:21,350 --> 00:22:18,900

have you ever watched a hypnotist on on

563

00:22:23,210 --> 00:22:21,360

a stage you know at work when they get a

564

00:22:24,110 --> 00:22:23,220

whole lot of people there and they can

565

00:22:26,630 --> 00:22:24,120

either

566

00:22:28,669 --> 00:22:26,640

I can't hypnotize you or come on I can

567

00:22:31,130 --> 00:22:28,679

hypnotize you and they get up there and

568

00:22:35,390 --> 00:22:31,140

they put them under as we say

569

00:22:37,310 --> 00:22:35,400

and when I snap my fingers you will go

570

00:22:38,930 --> 00:22:37,320

into a deeper trance or you'll come out

571

00:22:40,789 --> 00:22:38,940

of it and or you'll do such and such a

572

00:22:44,570 --> 00:22:40,799

thing

573

00:22:46,669 --> 00:22:44,580

was this second or third case the time

574

00:22:49,430 --> 00:22:46,679

when they snap their fingers at Maureen

575

00:22:52,190 --> 00:22:49,440

putty and she went along and went into

576

00:22:56,390 --> 00:22:52,200

this so-called trance and visualized the

577

00:23:02,090 --> 00:22:59,690

um was the second meeting of that such

578

00:23:04,789 --> 00:23:02,100

case in her car just prior to speaking

579

00:23:07,070 --> 00:23:04,799

to her was at the time when they perhaps

580

00:23:09,470 --> 00:23:07,080

snapped their fingers then

581

00:23:12,289 --> 00:23:09,480

that if you could be in a vacuum then

582

00:23:15,110 --> 00:23:12,299

I've been in one such an incident

583

00:23:17,990 --> 00:23:15,120

there was no sound there was no movement

584

00:23:20,029 --> 00:23:18,000

all was calm and quiet then the voice

585

00:23:21,649 --> 00:23:20,039

delivered the message was the third

586

00:23:24,289 --> 00:23:21,659

incident due to the snapping of the

587

00:23:28,130 --> 00:23:24,299

fingers when they urged her to act

588

00:23:31,370 --> 00:23:28,140

if this is so how many people can they

589

00:23:34,549 --> 00:23:31,380

hypnotize I'll put it their way perhaps

590

00:23:36,710 --> 00:23:34,559

in their sleep so we react when they

591

00:23:37,669 --> 00:23:36,720

wish us to or whenever they snap their

592

00:23:39,950 --> 00:23:37,679

fingers

593

00:23:42,710 --> 00:23:39,960

I find this a very sobering thought

594

00:23:44,570 --> 00:23:42,720

perhaps some of the abductions are the

595

00:23:45,830 --> 00:23:44,580

result of this snapping of the fingers
