

1
00:00:21,130 --> 00:00:17,330
Jackson's Point welcome to the programs

2
00:00:27,290 --> 00:00:23,950
there's one right in the sky right now

3
00:00:28,910 --> 00:00:27,300
you're kidding uh I'm not kidding where

4
00:00:34,490 --> 00:00:28,920
are you

5
00:00:36,709 --> 00:00:34,500
um well I'm in the house now but for the

6
00:00:40,729 --> 00:00:36,719
last hour I've been standing right in

7
00:00:43,069 --> 00:00:40,739
the uh Recreation field here we're

8
00:00:45,110 --> 00:00:43,079
watching a true binoculars what are you

9
00:00:47,990 --> 00:00:45,120
seeing Joe would you tell us and I'll

10
00:01:17,890 --> 00:00:48,000
check that looks like a Christmas tree a

11
00:01:22,730 --> 00:01:20,450
my goodness you say you're a senior

12
00:01:26,390 --> 00:01:22,740
citizen how old are you sir pardon how

13
00:01:28,149 --> 00:01:26,400

old are you 625 you're 65. why you're

14

00:01:30,350 --> 00:01:28,159

still young

15

00:01:33,190 --> 00:01:30,360

would you would you mind giving us your

16

00:01:35,890 --> 00:01:33,200

name you don't have to

17

00:01:39,190 --> 00:01:35,900

uh well

18

00:01:43,929 --> 00:01:39,200

uh I wouldn't mind giving you my name

19

00:01:47,210 --> 00:01:43,939

but most probably a lot of people uh

20

00:01:48,050 --> 00:01:47,220

no I I disagree with you give your name

21

00:01:50,389 --> 00:01:48,060

Joe

22

00:01:52,789 --> 00:01:50,399

I think most people I think that most

23

00:01:54,550 --> 00:01:52,799

people are inclined to agree because so

24

00:01:58,429 --> 00:01:54,560

many people I've interviewed many myself

25

00:02:00,530 --> 00:01:58,439

my name is Joseph Scott Mr Scott well

26

00:02:02,450 --> 00:02:00,540

Trump listen Mr Scott I've just been

27

00:02:05,569 --> 00:02:02,460

informed that our investigator with his

28

00:02:07,069 --> 00:02:05,579

uh nose to the task uh has caught your

29

00:02:09,650 --> 00:02:07,079

remark and I think he'd like to ask you

30

00:02:12,830 --> 00:02:09,660

some questions I'm referring to Mr Henry

31

00:02:14,570 --> 00:02:12,840

McKay who is the metro area of UFO

32

00:02:16,910 --> 00:02:14,580

investigator who's spoken to many people

33

00:02:19,190 --> 00:02:16,920

like yourself who believe that they have

34

00:02:21,050 --> 00:02:19,200

seen this type of thing would you like

35

00:02:24,050 --> 00:02:21,060

to talk to him sure what all right just

36

00:02:26,089 --> 00:02:24,060

a moment Mr McKay can you hear me hello

37

00:02:32,770 --> 00:02:26,099

look again uh have you heard this

38

00:02:38,690 --> 00:02:35,390

Joe I got your first name Joe what is

39

00:02:40,309 --> 00:02:38,700

your last name Scott Joe Scott and

40

00:02:42,650 --> 00:02:40,319

you're a senior citizen living up at

41

00:02:43,910 --> 00:02:42,660

Jackson's point and you've told us that

42

00:02:46,670 --> 00:02:43,920

you've seen something through your

43

00:02:49,070 --> 00:02:46,680

binoculars outside uh would you believe

44

00:02:52,009 --> 00:02:49,080

is is an unidentified object I'm going

45

00:02:53,570 --> 00:02:52,019

to turn you over to Mr Mr McKay and let

46

00:02:55,009 --> 00:02:53,580

him ask you a few questions about that

47

00:02:57,650 --> 00:02:55,019

because he'll know better what you guys

48

00:02:59,930 --> 00:02:57,660

do than I would it's okay

49

00:03:07,910 --> 00:02:59,940

uh I believe Mr Scott can hear you now

50

00:03:07,920 --> 00:04:00,490

um

51
00:04:06,530 --> 00:04:02,770
but uh

52
00:04:16,909 --> 00:04:06,540
apparently fairly well after this guy

53
00:04:21,770 --> 00:04:19,189
is there any sound associated with you

54
00:04:24,110 --> 00:04:21,780
here and watch forward all right and uh

55
00:04:25,810 --> 00:04:24,120
to the local guy what does it look like

56
00:04:51,290 --> 00:04:25,820
well

57
00:04:51,300 --> 00:05:02,090
like a Christmas tree

58
00:05:02,100 --> 00:05:09,770
um

59
00:05:11,770 --> 00:05:11,030
and

60
00:05:18,469 --> 00:05:11,780
um

61
00:05:21,909 --> 00:05:18,479
with me uh watching a lot of respect uh

62
00:05:29,990 --> 00:05:23,930
stationary one

63
00:05:32,749 --> 00:05:30,000

that we've seen two editing uh I will

64

00:05:40,110 --> 00:05:32,759

say Northwest right over the top of the

65

00:05:54,370 --> 00:05:41,529

[Music]

66

00:05:54,380 --> 00:05:59,890

thank you very much

67

00:06:08,710 --> 00:06:01,870

on this

68

00:06:13,670 --> 00:06:12,110

uh Mr Scott yes let me thank you very

69

00:06:16,969 --> 00:06:13,680

much for contributing to our program

70

00:06:18,710 --> 00:06:16,979

tonight thank you okay I will say

71

00:06:26,809 --> 00:06:18,720

goodbye to you for the time being yes

72

00:06:31,850 --> 00:06:28,969

um are you are you on the same timeline

73

00:06:33,670 --> 00:06:31,860

as Mr Scott yes I see you take it over

74

00:06:36,469 --> 00:06:33,680

for Mr Scott

75

00:06:38,270 --> 00:06:36,479

oh Jack the new have observed the same

76
00:06:41,570 --> 00:06:38,280
things that Mr Scott has just described

77
00:06:43,550 --> 00:06:41,580
to us yes I see and uh do you go along

78
00:06:45,890 --> 00:06:43,560
with what he said I've been a ufologist

79
00:06:49,070 --> 00:06:45,900
for 15 years

80
00:06:52,070 --> 00:06:50,330
um I would like to speak to Matthew

81
00:06:56,570 --> 00:06:52,080
McCray all right you're there are you

82
00:06:57,590 --> 00:06:56,580
Henry yes would you go ahead hello how

83
00:07:04,090 --> 00:06:57,600
long have you been afraid of the

84
00:07:10,550 --> 00:07:07,490
yes and of course we are interested too

85
00:07:14,689 --> 00:07:10,560
in your intellect in regards to these

86
00:07:19,790 --> 00:07:14,699
sightings and your comprehensions of its

87
00:07:27,189 --> 00:07:19,800
mortality of the analogy of the apology

88
00:07:31,309 --> 00:07:29,629

one night again since that's the only

89

00:07:32,870 --> 00:07:31,319

name we have for you if you're going to

90

00:07:35,150 --> 00:07:32,880

go ahead and carry on this type of

91

00:07:37,850 --> 00:07:35,160

discussion with Mr McKay I must step in

92

00:07:39,950 --> 00:07:37,860

and get your full uh name and address

93

00:07:43,029 --> 00:07:39,960

and so forth since we have all that from

94

00:07:45,650 --> 00:07:43,039

Mr McKay would you mind giving out to us

95

00:07:46,969 --> 00:07:45,660

okay into your future oh well you're on

96

00:07:49,730 --> 00:07:46,979

the air do you have any reason for not

97

00:07:51,830 --> 00:07:49,740

giving us your uh your background sir I

98

00:07:54,469 --> 00:07:51,840

have a very strong reason oh you have a

99

00:07:56,930 --> 00:07:54,479

strong reason well it strikes me as very

100

00:07:58,850 --> 00:07:56,940

strange that you would uh in a way uh

101
00:08:00,529 --> 00:07:58,860
confront Mr McKay with the statements

102
00:08:01,790 --> 00:08:00,539
you just made without telling us who you

103
00:08:04,070 --> 00:08:01,800
are

104
00:08:06,950 --> 00:08:04,080
okay I mean you can't be just a voice in

105
00:08:11,330 --> 00:08:06,960
the night on cfgm okay my lineup it's

106
00:08:14,029 --> 00:08:11,340
not Jack no I see uh do you don't miss

107
00:08:18,490 --> 00:08:14,039
what Mr McKay is sells or what's been

108
00:08:25,749 --> 00:08:21,350
you underestimate his intellect in

109
00:08:32,690 --> 00:08:28,749
you know very much about Mr McKay yes

110
00:08:35,630 --> 00:08:32,700
you do yes uh Mr McKay do you know this

111
00:08:36,469 --> 00:08:35,640
man I doubt it you don't think you know

112
00:08:39,709 --> 00:08:36,479
him

113
00:08:41,750 --> 00:08:39,719

no I don't think so uh-huh what was to

114

00:08:43,850 --> 00:08:41,760

be the object of this program tonight is

115

00:08:47,810 --> 00:08:43,860

very much the object that Mr McKay seems

116

00:08:50,150 --> 00:08:47,820

to have and that is to to find out to

117

00:08:52,070 --> 00:08:50,160

dig out knowledge on UFOs and make it

118

00:08:53,990 --> 00:08:52,080

available to other people not to sway

119

00:08:56,150 --> 00:08:54,000

their their belief in this necessarily

120

00:08:58,130 --> 00:08:56,160

but but just to get the facts in front

121

00:08:59,630 --> 00:08:58,140

of them so that they can draw their own

122

00:09:02,870 --> 00:08:59,640

conclusions is there anything wrong with

123

00:09:05,210 --> 00:09:02,880

that I agree with you okay so we don't

124

00:09:07,130 --> 00:09:05,220

have any action right I don't think so

125

00:09:09,550 --> 00:09:07,140

oh wonderful thank you very much it's

126

00:09:12,530 --> 00:09:09,560

been a pleasure talking to you sir okay

127

00:09:14,090 --> 00:09:12,540

Mr McKay are you still there uh all

128

00:09:16,190 --> 00:09:14,100

right I wanted to get that straightened

129

00:09:17,750 --> 00:09:16,200

up because I'm just afraid this ad taste

130

00:09:19,250 --> 00:09:17,760

you know in the air and I wanted to get

131

00:09:20,389 --> 00:09:19,260

that clear that he didn't have an ax to

132

00:09:22,850 --> 00:09:20,399

grind

133

00:09:24,290 --> 00:09:22,860

uh Mr McKay I'm glad that you were able

134

00:09:26,329 --> 00:09:24,300

to join the program a little bit earlier

135

00:09:28,730 --> 00:09:26,339

than we expected we've got an idea of

136

00:09:30,650 --> 00:09:28,740

the types of questions that you ask when

137

00:09:33,110 --> 00:09:30,660

you're trying to authenticate or

138

00:09:36,769 --> 00:09:33,120

disprove or to do upload for writing

139

00:09:39,110 --> 00:09:36,779

what would you tell us sir why you

140

00:09:40,610 --> 00:09:39,120

became interested in this subject you've

141

00:09:42,889 --> 00:09:40,620

obviously put an awful lot of time and

142

00:09:46,329 --> 00:09:42,899

effort into it

143

00:09:52,670 --> 00:09:49,009

the question of whether an entrepreneur

144

00:09:54,730 --> 00:09:52,680

reports of nothing cannot discount all

145

00:10:02,350 --> 00:09:54,740

the reports there are

146

00:10:16,090 --> 00:10:06,430

I was more convincing

147

00:10:22,970 --> 00:10:20,090

you questioned uh this gentleman out of

148

00:10:24,710 --> 00:10:22,980

Jackson's Point how about what he

149

00:10:28,790 --> 00:10:24,720

believes he's looking at out there

150

00:10:31,310 --> 00:10:28,800

tonight uh are you inclined to believe

151
00:10:35,030 --> 00:10:31,320
that what he saw was something authentic

152
00:10:49,750 --> 00:10:35,040
is something from say another

153
00:11:03,460 --> 00:10:52,670
I am

154
00:11:03,470 --> 00:11:07,630
[Music]

155
00:11:11,690 --> 00:11:10,130
that's right or boy if they really saw

156
00:11:13,389 --> 00:11:11,700
something you would think that other

157
00:11:16,130 --> 00:11:13,399
people will call

158
00:11:19,190 --> 00:11:16,140
now they may not be able to get onto our

159
00:11:20,990 --> 00:11:19,200
program tonight uh Mr McKay would you

160
00:11:23,269 --> 00:11:21,000
like to give us an address where they

161
00:11:24,710 --> 00:11:23,279
could write you and and and and convey

162
00:11:26,750 --> 00:11:24,720
their sighting to the information on

163
00:11:28,490 --> 00:11:26,760

their citing to you uh yes I will but

164

00:11:30,889 --> 00:11:28,500

I'd like to emphasize the part that I'm

165

00:11:34,069 --> 00:11:30,899

not in a position to supply

166

00:11:37,190 --> 00:11:34,079

I'll provide information on UFOs or any

167

00:11:39,110 --> 00:11:37,200

literature available I give me recalls

168

00:11:40,850 --> 00:11:39,120

and letters requesting information and

169

00:11:42,230 --> 00:11:40,860

I'm just not in the position you haven't

170

00:11:43,269 --> 00:11:42,240

revolved this into a commercial

171

00:11:46,910 --> 00:11:43,279

Enterprise

172

00:11:48,650 --> 00:11:46,920

that's what you're saying we hear it's

173

00:11:51,769 --> 00:11:48,660

still just a matter of your own personal

174

00:11:53,569 --> 00:11:51,779

interest in the whole subject a member

175

00:11:55,550 --> 00:11:53,579

of a number of organizations so I just

176
00:11:57,710 --> 00:11:55,560
can't handle all the correspondence uh

177
00:12:00,530 --> 00:11:57,720
request the information I would like to

178
00:12:02,870 --> 00:12:00,540
receive all the available reports one

179
00:12:04,730 --> 00:12:02,880
will be well documented suppose you tell

180
00:12:08,509 --> 00:12:04,740
us now Mr McKay what you would do with

181
00:12:13,730 --> 00:12:08,519
that information well uh I have to try

182
00:12:18,610 --> 00:12:16,310
that kind of like from the sky or be

183
00:12:21,110 --> 00:12:18,620
like this

184
00:12:22,910 --> 00:12:21,120
approaches and Landing sites where

185
00:12:24,710 --> 00:12:22,920
details can be loaded how about

186
00:12:34,790 --> 00:12:24,720
photographs

187
00:12:34,800 --> 00:12:41,389
actual

188
00:12:46,069 --> 00:12:44,210

fact or of an object

189

00:12:49,250 --> 00:12:46,079

or

190

00:12:50,690 --> 00:12:49,260

a hope could you assume uh Mr McCabe

191

00:12:53,150 --> 00:12:50,700

that if you felt there was something

192

00:12:54,650 --> 00:12:53,160

authentic in a given report or in a

193

00:12:59,389 --> 00:12:54,660

series of reports that you would Channel

194

00:13:03,110 --> 00:13:01,250

I mean you say you belong to a number of

195

00:13:06,470 --> 00:13:03,120

organizations would this information be

196

00:13:09,170 --> 00:13:06,480

conveyed to them uh yes but I would

197

00:13:23,690 --> 00:13:09,180

suggest that the people who are

198

00:13:23,700 --> 00:13:28,310

words

199

00:13:32,930 --> 00:13:31,129

uh continuing one copy for themselves

200

00:13:34,449 --> 00:13:32,940

from one to the National research

201
00:13:36,590 --> 00:13:34,459
councilman Ottawa

202
00:13:41,569 --> 00:13:36,600
I want to

203
00:13:45,710 --> 00:13:44,030
that's very good all right I'm sure

204
00:13:47,810 --> 00:13:45,720
we'll uh we'll find out more about you

205
00:13:50,389 --> 00:13:47,820
as uh in the next 25 minutes or so Mr

206
00:13:52,009 --> 00:13:50,399
McKay I'm thinking that uh we should get

207
00:13:54,230 --> 00:13:52,019
back to the call since our lines are

208
00:13:56,150 --> 00:13:54,240
jammed and give you the opportunity and

209
00:13:59,090 --> 00:13:56,160
the people calling the opportunity for a

210
00:14:01,610 --> 00:13:59,100
conversation on the subject and we'll be

211
00:14:03,610 --> 00:14:01,620
right back uh with this program on 44

212
00:14:09,610 --> 00:14:03,620
tonight

213
00:14:14,530 --> 00:14:12,230

this commercial announcement there I

214

00:14:17,590 --> 00:14:14,540

guess we're back to line one are we lan

215

00:14:24,370 --> 00:14:17,600

c-hum you're on the air go ahead

216

00:14:30,410 --> 00:14:26,990

the the fellow from Jackson's point

217

00:14:30,420 --> 00:14:33,840

foreign

218

00:14:33,850 --> 00:15:06,170

[Laughter]

219

00:15:32,110 --> 00:15:08,260

foreign

220

00:15:37,910 --> 00:15:35,389

form really for some reason all of our

221

00:15:39,710 --> 00:15:37,920

lines were jammed and we tried to clear

222

00:15:42,170 --> 00:15:39,720

all of the phone calls so the people

223

00:15:43,790 --> 00:15:42,180

were holding on would you mind calls up

224

00:15:46,009 --> 00:15:43,800

again and we'll start over

225

00:15:48,110 --> 00:15:46,019

uh I don't know maybe someone from

226

00:15:50,750 --> 00:15:48,120

downtown as well could someday figure

227

00:15:52,329 --> 00:15:50,760

out what actually happened there but lan

228

00:15:55,490 --> 00:15:52,339

and I went through our normal process

229

00:15:57,110 --> 00:15:55,500

and yet you heard the sounds the

230

00:15:59,449 --> 00:15:57,120

Distortion that occurred on the program

231

00:16:01,370 --> 00:15:59,459

and I must apologize to you for it we'll

232

00:16:03,230 --> 00:16:01,380

get right back to our calls again and I

233

00:16:07,689 --> 00:16:03,240

hope that that won't happen again we'll

234

00:16:10,490 --> 00:16:07,699

go to line one phone good evening yo

235

00:16:12,710 --> 00:16:10,500

I'm sorry for that mix up were you one

236

00:16:15,350 --> 00:16:12,720

of the people who was uh waiting yeah

237

00:16:17,030 --> 00:16:15,360

well like this and then they put me on

238

00:16:18,590 --> 00:16:17,040

hold yeah okay maybe it's just that

239

00:16:20,569 --> 00:16:18,600

there are too many people dialing in at

240

00:16:22,790 --> 00:16:20,579

once to get on the program but we're

241

00:16:25,790 --> 00:16:22,800

talking about UFOs and do you have

242

00:16:28,850 --> 00:16:25,800

something to tell us yeah um like I

243

00:16:29,769 --> 00:16:28,860

never seen a UFO before okay uh neither

244

00:16:32,530 --> 00:16:29,779

have I

245

00:16:35,230 --> 00:16:32,540

was just wondering and

246

00:16:37,550 --> 00:16:35,240

hello

247

00:16:40,009 --> 00:16:37,560

I was wondering you know what the year

248

00:16:43,730 --> 00:16:40,019

later that we have now the radar yeah

249

00:17:12,069 --> 00:16:43,740

right you know uh clean day uh

250

00:17:18,169 --> 00:17:15,650

noises we had before so I'm certainly

251

00:17:20,630 --> 00:17:18,179

not in a position to answer that but I

252

00:17:22,669 --> 00:17:20,640

would think that yes it's quite possible

253

00:17:25,130 --> 00:17:22,679

that our Department of Defense possibly

254

00:17:26,630 --> 00:17:25,140

even our the department of government

255

00:17:28,549 --> 00:17:26,640

dealing with National Communications

256

00:17:30,230 --> 00:17:28,559

must have some evidence of something

257

00:17:33,049 --> 00:17:30,240

that has been picked up on their radar

258

00:17:35,330 --> 00:17:33,059

Scopes I think because uh what I was

259

00:17:37,070 --> 00:17:35,340

wondering was that you know it's on the

260

00:17:40,250 --> 00:17:37,080

radio and there's nothing you know like

261

00:17:41,510 --> 00:17:40,260

in the paper on television and uh when

262

00:17:44,870 --> 00:17:41,520

you brought the subject up tomorrow

263

00:17:49,390 --> 00:17:44,880

about the UFO yes trust me you think and

264

00:17:55,370 --> 00:17:53,270

whether he was true or not but uh makes

265

00:17:56,870 --> 00:17:55,380

you wonder doesn't it no no are you

266

00:18:00,049 --> 00:17:56,880

inclined to believe there will be

267

00:18:02,390 --> 00:18:00,059

visited from outer space for me yeah are

268

00:18:05,090 --> 00:18:02,400

you inclined to believe that yes I am

269

00:18:06,190 --> 00:18:05,100

you know you think that it's logical and

270

00:18:08,990 --> 00:18:06,200

possible

271

00:18:10,669 --> 00:18:09,000

yeah that's my feeling exactly I'm a bit

272

00:18:12,590 --> 00:18:10,679

of a Thomas I like to put my finger in

273

00:18:15,049 --> 00:18:12,600

the room but but on the other hand it's

274

00:18:18,049 --> 00:18:15,059

it's hard to deny such a rush of reports

275

00:18:19,909 --> 00:18:18,059

from so many types of people on these

276

00:18:22,210 --> 00:18:19,919

UFO studies listen thanks for calling

277

00:18:29,409 --> 00:18:22,220

okay okay bye-bye

278

00:18:43,730 --> 00:18:32,090

are you calling from the same house no

279

00:18:49,510 --> 00:18:46,549

the same things you saw three of these

280

00:18:53,150 --> 00:18:49,520

things yeah are they out there now

281

00:18:54,710 --> 00:18:53,160

about eight o'clock around 8pm

282

00:18:56,630 --> 00:18:54,720

uh would you describe one of these

283

00:18:59,510 --> 00:18:56,640

things I

284

00:19:01,310 --> 00:18:59,520

um wait a minute I'm in Florida Mr McKay

285

00:19:04,669 --> 00:19:01,320

is back we'll let him do the questioning

286

00:19:07,730 --> 00:19:04,679

okay just a moment please hello Henry

287

00:19:10,630 --> 00:19:07,740

hello we have just found another uh

288

00:19:14,029 --> 00:19:10,640

person out in the Jacksons uh Point area

289

00:19:15,650 --> 00:19:14,039

uh to verify that earlier call is the

290

00:19:19,250 --> 00:19:15,660

lady at Willow Beach would you like to

291

00:19:21,590 --> 00:19:19,260

talk to her I will go ahead Henry hello

292

00:19:30,130 --> 00:19:21,600

hi hi

293

00:19:37,190 --> 00:19:33,230

could you describe the action

294

00:19:39,950 --> 00:19:37,200

well the first one that went down

295

00:19:45,310 --> 00:19:39,960

towards Toronto and disappeared and the

296

00:19:50,750 --> 00:19:48,830

the second one followed and when it

297

00:19:59,120 --> 00:19:50,760

disappeared to see what is the same

298

00:19:59,130 --> 00:20:03,350

[Music]

299

00:20:11,810 --> 00:20:05,300

no

300

00:20:13,980 --> 00:20:11,820

[Music]

301
00:20:17,409 --> 00:20:13,990
you have to write the altitude

302
00:20:19,850 --> 00:20:17,419
[Music]

303
00:20:21,130 --> 00:20:19,860
where you're located

304
00:20:24,890 --> 00:20:21,140
um

305
00:20:38,049 --> 00:20:27,110
would you estimate the angle from your

306
00:20:38,059 --> 00:20:44,169
I know

307
00:20:44,179 --> 00:20:48,710
are you familiar

308
00:20:48,720 --> 00:20:51,550
right

309
00:21:20,090 --> 00:20:59,290
[Music]

310
00:21:22,610 --> 00:21:20,100
very cloudy

311
00:21:25,450 --> 00:21:22,620
thank you very much okay thank you for

312
00:21:30,350 --> 00:21:28,029
okay

313
00:21:33,770 --> 00:21:30,360

I must apologize for that telephone

314

00:21:35,270 --> 00:21:33,780

mixed up earlier Henry uh I'm still at a

315

00:21:37,310 --> 00:21:35,280

lot to explain it it just seemed that

316

00:21:39,169 --> 00:21:37,320

everything on the whole telephone system

317

00:21:41,930 --> 00:21:39,179

here jammed we had to clear all the

318

00:21:54,370 --> 00:21:41,940

lines and start over in order to get

319

00:22:00,950 --> 00:21:57,590

go back to Dave uh Dave what was it

320

00:22:02,529 --> 00:22:00,960

November about uh 54 years ago now or

321

00:22:06,169 --> 00:22:02,539

was it five

322

00:22:07,070 --> 00:22:06,179

1973 1970 we're talking five years ago

323

00:22:08,930 --> 00:22:07,080

already

324

00:22:10,850 --> 00:22:08,940

um

325

00:22:13,730 --> 00:22:10,860

that's five years and a couple of weeks

326

00:22:16,190 --> 00:22:13,740

ago uh man we were doing a show here and

327

00:22:18,049 --> 00:22:16,200

we had conferenced in Henry McKay the

328

00:22:20,270 --> 00:22:18,059

federal let alone Toronto UFO

329

00:22:23,029 --> 00:22:20,280

investigator and

330

00:22:24,350 --> 00:22:23,039

um we had arranged for him to well no we

331

00:22:26,690 --> 00:22:24,360

hadn't arranged as a matter of fact some

332

00:22:28,490 --> 00:22:26,700

folks called us from out of town who

333

00:22:31,310 --> 00:22:28,500

claim to be watching a year for that

334

00:22:33,049 --> 00:22:31,320

great time that's right and um we

335

00:22:34,610 --> 00:22:33,059

mentioned a certain name as you relate

336

00:22:36,110 --> 00:22:34,620

in your books and all of a sudden

337

00:22:38,090 --> 00:22:36,120

everything went straight here on the air

338

00:22:39,289 --> 00:22:38,100

we were knocked off the air when our

339

00:22:41,390 --> 00:22:39,299

colleagues were knocked off the

340

00:22:44,710 --> 00:22:41,400

telephone lines there was a there was a

341

00:22:48,470 --> 00:22:44,720

strange sound on the air at that time

342

00:22:50,210 --> 00:22:48,480

and uh what were you doing I don't know

343

00:22:51,409 --> 00:22:50,220

I know what I was doing I was sitting

344

00:22:53,090 --> 00:22:51,419

here and my hair was standing straight

345

00:22:54,470 --> 00:22:53,100

up what were you gonna do so I was

346

00:22:56,470 --> 00:22:54,480

sitting in an old drill taping the show

347

00:22:58,909 --> 00:22:56,480

because as a matter of fact I was

348

00:23:01,070 --> 00:22:58,919

associated with Henry at the time in a

349

00:23:03,770 --> 00:23:01,080

UFO course that he was teaching in

350

00:23:05,690 --> 00:23:03,780

Toronto and he mentioned that he was

351
00:23:07,669 --> 00:23:05,700
going to be on the show doing a phone in

352
00:23:10,490 --> 00:23:07,679
thing and I thought well we'll see what

353
00:23:12,350 --> 00:23:10,500
kind of calls we get about UFO signings

354
00:23:14,990 --> 00:23:12,360
in the area recently so I taped the show

355
00:23:16,970 --> 00:23:15,000
and and as a matter of fact I didn't

356
00:23:18,289 --> 00:23:16,980
think too much of the the noise the

357
00:23:20,630 --> 00:23:18,299
interference at the time I thought it

358
00:23:22,370 --> 00:23:20,640
was a technical malfunction as a matter

359
00:23:24,590 --> 00:23:22,380
of fact it wasn't until uh two three

360
00:23:26,930 --> 00:23:24,600
years later when something else came up

361
00:23:29,390 --> 00:23:26,940
I heard an interview with another UFO

362
00:23:32,270 --> 00:23:29,400
researcher in the area who mentioned

363
00:23:33,470 --> 00:23:32,280

that several Toronto UFO researchers

364

00:23:36,289 --> 00:23:33,480

have been having trouble with their

365

00:23:38,690 --> 00:23:36,299

telephones in other words their

366

00:23:40,789 --> 00:23:38,700

telephone calls concerning UFO research

367

00:23:43,070 --> 00:23:40,799

have been interrupted by some weird

368

00:23:46,070 --> 00:23:43,080

interference it was being interviewed on

369

00:23:48,770 --> 00:23:46,080

a CBC radio show at the time and he

370

00:23:51,350 --> 00:23:48,780

mentioned the fact that even a radio

371

00:23:53,750 --> 00:23:51,360

show concerned UFOs had been jammed that

372

00:23:55,430 --> 00:23:53,760

was the word he used and that triggered

373

00:23:57,350 --> 00:23:55,440

my memory and I remembered the incident

374

00:23:59,270 --> 00:23:57,360

and I said darn it I got a tape for that

375

00:24:00,950 --> 00:23:59,280

show I'm going to play it again and see

376
00:24:03,350 --> 00:24:00,960
what happened just to refresh my memory

377
00:24:04,669 --> 00:24:03,360
and I played it and then I decided to

378
00:24:07,789 --> 00:24:04,679
get a hold of you and find out if you

379
00:24:09,830 --> 00:24:07,799
found any mechanical reasons for that

380
00:24:11,090 --> 00:24:09,840
particular interference I was to tell

381
00:24:12,649 --> 00:24:11,100
the truth I was really surprised that

382
00:24:14,750 --> 00:24:12,659
you hadn't you know I thought there

383
00:24:16,490 --> 00:24:14,760
would have been essential explanation

384
00:24:18,049 --> 00:24:16,500
for that well to the extent that we

385
00:24:19,789 --> 00:24:18,059
investigated it we didn't we were not

386
00:24:22,789 --> 00:24:19,799
able to find the recent board either

387
00:24:24,950 --> 00:24:22,799
from our own station engineer nor from

388
00:24:27,470 --> 00:24:24,960

the Bell Telephone Company right so we

389

00:24:29,330 --> 00:24:27,480

really had no obvious explanation for it

390

00:24:31,130 --> 00:24:29,340

in any event yeah and then you went

391

00:24:32,930 --> 00:24:31,140

further than that yeah right I got a

392

00:24:35,390 --> 00:24:32,940

hold of an Electronics expert and who

393

00:24:37,610 --> 00:24:35,400

analyzed the signal from the tape and

394

00:24:40,149 --> 00:24:37,620

his conclusions were that in order to

395

00:24:43,190 --> 00:24:40,159

create such an interference on your show

396

00:24:45,649 --> 00:24:43,200

some electromagnetic source with a power

397

00:24:47,450 --> 00:24:45,659

at least twice the power with which you

398

00:24:49,490 --> 00:24:47,460

were transmitting would have to be

399

00:24:51,649 --> 00:24:49,500

responsible for jamming you off the air

400

00:24:53,870 --> 00:24:51,659

and that would mean something in the

401
00:24:55,669 --> 00:24:53,880
neighborhood of a hundred thousand Watts

402
00:24:56,930 --> 00:24:55,679
which is pretty strong and as you know

403
00:24:59,330 --> 00:24:56,940
there's nothing around here with that

404
00:25:01,549 --> 00:24:59,340
capability now again we come into

405
00:25:03,649 --> 00:25:01,559
conclusions whether we when we say you

406
00:25:06,049 --> 00:25:03,659
know when we speculate that there was

407
00:25:08,149 --> 00:25:06,059
any relationship between this

408
00:25:10,610 --> 00:25:08,159
interference and the UFO that was being

409
00:25:12,590 --> 00:25:10,620
reported at the time but nevertheless

410
00:25:15,049 --> 00:25:12,600
the whole thing was more of an

411
00:25:17,330 --> 00:25:15,059
attention-getting device to grab my

412
00:25:18,649 --> 00:25:17,340
attention to the fact that Jerry

413
00:25:20,470 --> 00:25:18,659

Armstrong the mention of Jerry

414

00:25:23,870 --> 00:25:20,480

Armstrong's name had apparently

415

00:25:25,850 --> 00:25:23,880

triggered interference and it caused me

416

00:25:27,890 --> 00:25:25,860

to get into the investigation of the

417

00:25:29,810 --> 00:25:27,900

events of the book as I recall I didn't

418

00:25:32,930 --> 00:25:29,820

understand his name and I was getting

419

00:25:33,950 --> 00:25:32,940

him to repeat it uh what actually

420

00:25:35,750 --> 00:25:33,960

happened

421

00:25:38,510 --> 00:25:35,760

um and this is fresh in my mind because

422

00:25:40,610 --> 00:25:38,520

I recently played the tape was that uh

423

00:25:43,310 --> 00:25:40,620

he meant you he got into an all vacation

424

00:25:45,470 --> 00:25:43,320

with Henry McKay on that show yeah and

425

00:25:46,850 --> 00:25:45,480

you made him uh reveal his name you

426

00:25:49,070 --> 00:25:46,860

mentioned that you don't usually do that

427

00:25:50,630 --> 00:25:49,080

on a radio show but since uh because of

428

00:25:53,149 --> 00:25:50,640

the tone of the conversation you wanted

429

00:25:54,710 --> 00:25:53,159

to know his name and he revealed it and

430

00:25:58,130 --> 00:25:54,720

then a few minutes later later somebody

431

00:26:00,230 --> 00:25:58,140

else telephone in and mentioned his name

432

00:26:02,750 --> 00:26:00,240

and it was at the second mentioning in

433

00:26:04,970 --> 00:26:02,760

his of his name by somebody else that

434

00:26:06,830 --> 00:26:04,980

the interference started ah yes yeah

435

00:26:09,350 --> 00:26:06,840

because Jerry Armstrong and I had words

436

00:26:12,169 --> 00:26:09,360

uh because he was questioning the

437

00:26:14,269 --> 00:26:12,179

credibility of Henry uh it appeared that

438

00:26:15,830 --> 00:26:14,279

way it appeared to me it appeared I'm

439

00:26:18,529 --> 00:26:15,840

pretty sensitive to those things I don't

440

00:26:20,390 --> 00:26:18,539

allow badgering on the show right and uh

441

00:26:22,430 --> 00:26:20,400

so immediately uh the hairs on the back

442

00:26:23,510 --> 00:26:22,440

of my neck went up and I said well all

443

00:26:25,970 --> 00:26:23,520

right I'll allow this to continue

444

00:26:28,490 --> 00:26:25,980

providing me you let us know who you are

445

00:26:30,529 --> 00:26:28,500

you know who we are now let's make it

446

00:26:33,769 --> 00:26:30,539

for a game tell us who you are and uh

447

00:26:35,330 --> 00:26:33,779

because of um the his profession at the

448

00:26:37,909 --> 00:26:35,340

time he preferred to remain anonymous

449

00:26:40,130 --> 00:26:37,919

but it was so important to him that he

450

00:26:47,210 --> 00:26:40,140

finally uh reluctantly uh revealed his

451
00:26:47,220 --> 00:26:50,409
um

452
00:26:53,990 --> 00:26:52,549
until that time on his show there's

453
00:26:57,890 --> 00:26:54,000
never been that type of interference

454
00:26:59,390 --> 00:26:57,900
anytime and since that time many of my

455
00:27:01,789 --> 00:26:59,400
other producers can verify it has never

456
00:27:04,490 --> 00:27:01,799
happened again except about a year ago

457
00:27:07,190 --> 00:27:04,500
when we brought you on the show again

458
00:27:11,029 --> 00:27:07,200
and we played the tape of what happened

459
00:27:15,490 --> 00:27:11,039
in 1973 and lo and behold 15 minutes

460
00:27:19,250 --> 00:27:18,049
railroad when it was coming and we're

461
00:27:20,630 --> 00:27:19,260
talking and could hear it in the

462
00:27:23,330 --> 00:27:20,640
background coming and we're all looking

463
00:27:25,610 --> 00:27:23,340

at one another wow here it is again and

464

00:27:27,440 --> 00:27:25,620

after we acknowledged it it just
