

1  
00:00:04,910 --> 00:00:02,869  
now Linda you were walking along the

2  
00:00:07,010 --> 00:00:04,920  
banks of the river mersey in Manchester

3  
00:00:10,790 --> 00:00:07,020  
in Didsbury where you live with two of

4  
00:00:12,230 --> 00:00:10,800  
your children yes and you saw what uh we

5  
00:00:16,250 --> 00:00:12,240  
were walking along the banks Picking

6  
00:00:18,410 --> 00:00:16,260  
Wildflowers uh we saw this object come

7  
00:00:21,590 --> 00:00:18,420  
over our heads it was this oval object

8  
00:00:24,950 --> 00:00:21,600  
pinky orange which landed

9  
00:00:27,290 --> 00:00:24,960  
down over a hill vertically

10  
00:00:29,150 --> 00:00:27,300  
we ran up to see what it was our first

11  
00:00:31,910 --> 00:00:29,160  
thought was it was an aircraft on fire

12  
00:00:33,770 --> 00:00:31,920  
we live quite near Manchester Airport it

13  
00:00:35,090 --> 00:00:33,780

was big oh it was very big it was 60

14

00:00:42,170 --> 00:00:35,100

foot across

15

00:00:44,450 --> 00:00:42,180

hovering two foot off the ground we just

16

00:00:46,549 --> 00:00:44,460

stared at it we were transfixed the

17

00:00:49,130 --> 00:00:46,559

three of us were just watching this

18

00:00:51,350 --> 00:00:49,140

object and it just seemed to hover and

19

00:00:53,090 --> 00:00:51,360

there was complete silence no noise at

20

00:00:55,549 --> 00:00:53,100

all and when you ran toward it what was

21

00:00:57,290 --> 00:00:55,559

happening on the ground

22

00:00:58,850 --> 00:00:57,300

um well nothing has happened in the

23

00:01:00,529 --> 00:00:58,860

grass move or something uh

24

00:01:02,450 --> 00:01:00,539

uh Marine pack when you're running back

25

00:01:04,430 --> 00:01:02,460

yeah what happened yes when we were

26  
00:01:06,350 --> 00:01:04,440  
running away from the objects the grass

27  
00:01:07,550 --> 00:01:06,360  
seemed to move the side of us and in

28  
00:01:09,109 --> 00:01:07,560  
front of us are sort of blowing about

29  
00:01:11,630 --> 00:01:09,119  
well it's a good sort of path for you as

30  
00:01:13,969 --> 00:01:11,640  
it were no no it was the grass was

31  
00:01:15,530 --> 00:01:13,979  
overgrown on the riverbank but it seemed

32  
00:01:18,289 --> 00:01:15,540  
to be blowing over

33  
00:01:21,170 --> 00:01:18,299  
and when you got home what happened well

34  
00:01:25,670 --> 00:01:21,180  
when we got home we saw my husband who

35  
00:01:27,530 --> 00:01:25,680  
then was on a a shift a 210 shift and I

36  
00:01:30,170 --> 00:01:27,540  
said what are you doing home because

37  
00:01:33,289 --> 00:01:30,180  
we'd run out of the house at 7 30 in the

38  
00:01:34,130 --> 00:01:33,299

evening and obviously he was home it was

39

00:01:37,310 --> 00:01:34,140

dark

40

00:01:39,649 --> 00:01:37,320

we didn't realize until 18 months later

41

00:01:41,210 --> 00:01:39,659

that was an hour missing out of our time

42

00:01:43,670 --> 00:01:41,220

oh she had a similar experience to

43

00:01:44,749 --> 00:01:43,680

Dorothy here yeah lost time yes and

44

00:01:46,969 --> 00:01:44,759

there was some effect on your skin

45

00:01:49,670 --> 00:01:46,979

wasn't it yes my eyes were burnt and

46

00:01:52,310 --> 00:01:49,680

scaly underneath my eyes now you can't

47

00:01:53,510 --> 00:01:52,320

account for that no I couldn't so it

48

00:01:55,429 --> 00:01:53,520

wasn't everybody's evening wasn't it

49

00:01:57,770 --> 00:01:55,439

wasn't sunny I mean uh it was dusk it

50

00:01:58,969 --> 00:01:57,780

was like an August evening so it

51  
00:02:01,190 --> 00:01:58,979  
certainly imagine you want to go to Sun

52  
00:02:03,170 --> 00:02:01,200  
town would you no no I don't think so

53  
00:02:05,330 --> 00:02:03,180  
um I hadn't been out that day now some

54  
00:02:06,770 --> 00:02:05,340  
time later 18 months later just to move

55  
00:02:08,870 --> 00:02:06,780  
this on a bit you were persuaded to go

56  
00:02:11,089 --> 00:02:08,880  
and see a hypnotist and you and your

57  
00:02:13,610 --> 00:02:11,099  
daughter I gather both gave that

58  
00:02:16,430 --> 00:02:13,620  
hypnotist I'm almost identical

59  
00:02:18,650 --> 00:02:16,440  
version of what had happened previously

60  
00:02:20,690 --> 00:02:18,660  
and when you recounted it to the heavens

61  
00:02:21,710 --> 00:02:20,700  
it's under hypnosis yes what did you

62  
00:02:24,350 --> 00:02:21,720  
tell him

63  
00:02:27,350 --> 00:02:24,360

uh under hypnosis I don't remember

64

00:02:30,110 --> 00:02:27,360

anything at all about the hypnosis only

65

00:02:31,490 --> 00:02:30,120

what I have seen on videotape and we'll

66

00:02:34,010 --> 00:02:31,500

stress this you've seen yourself back

67

00:02:37,670 --> 00:02:34,020

that's correct my only conscious memory

68

00:02:39,650 --> 00:02:37,680

of this object was seeing the object it

69

00:02:42,470 --> 00:02:39,660

seemed to disappear and appear and we

70

00:02:44,630 --> 00:02:42,480

ran away from it right uh oh we saw it

71

00:02:46,790 --> 00:02:44,640

actually following on the tail of a

72

00:02:48,350 --> 00:02:46,800

plane going into Manchester Airport as

73

00:02:51,110 --> 00:02:48,360

we were nearing our home

74

00:02:52,970 --> 00:02:51,120

but I don't remember anything about the

75

00:02:56,750 --> 00:02:52,980

hypnosis only what I have seen on

76

00:02:57,710 --> 00:02:56,760

videotape and I find it very hard to

77

00:03:01,130 --> 00:02:57,720

accept

78

00:03:04,009 --> 00:03:01,140

what I actually said under hypnosis

79

00:03:05,589 --> 00:03:04,019

well what was said was I ran down the

80

00:03:08,750 --> 00:03:05,599

hill the three of us ran down the hill

81

00:03:11,589 --> 00:03:08,760

we thought we were running home

82

00:03:14,390 --> 00:03:11,599

we went into this man in dark clothing

83

00:03:16,630 --> 00:03:14,400

tall dark eyes

84

00:03:20,330 --> 00:03:16,640

then there was a sensation of floating

85

00:03:22,790 --> 00:03:20,340

and then being on a table and have feel

86

00:03:25,250 --> 00:03:22,800

having feelings of eyes put on our legs

87

00:03:27,710 --> 00:03:25,260

and lights shine in our eyes and that's

88

00:03:30,290 --> 00:03:27,720

all I remember and there were six of

89

00:03:33,170 --> 00:03:30,300

them and they all looked the same now I

90

00:03:34,910 --> 00:03:33,180

just can't accept this but

91

00:03:36,410 --> 00:03:34,920

this is what's on that's what you said

92

00:03:38,930 --> 00:03:36,420

on the hypnosis right that's correct now

93

00:03:40,190 --> 00:03:38,940

I have to say well I imagine anyway that

94

00:03:41,570 --> 00:03:40,200

when you when you recount this story

95

00:03:42,770 --> 00:03:41,580

what happened to you under hypnosis to

96

00:03:45,229 --> 00:03:42,780

your children Manchester you don't get

97

00:03:47,530 --> 00:03:45,239

an entirely sympathetic hearing I don't

98

00:03:50,449 --> 00:03:47,540

talk to them a lot about that

99

00:03:52,369 --> 00:03:50,459

on a November evening about 10 years ago

100

00:03:53,990 --> 00:03:52,379

Linda Jones took a young son and

101  
00:03:55,550 --> 00:03:54,000  
daughter for a walk along a Manchester

102  
00:03:57,410 --> 00:03:55,560  
Canal bank

103  
00:03:58,190 --> 00:03:57,420  
suddenly they saw a bright light in the

104  
00:04:00,110 --> 00:03:58,200  
sky

105  
00:04:01,430 --> 00:04:00,120  
it looked like it was going to hit us

106  
00:04:04,070 --> 00:04:01,440  
directly

107  
00:04:07,910 --> 00:04:04,080  
we dot enter the grass

108  
00:04:11,210 --> 00:04:07,920  
it landed vertically in a field

109  
00:04:13,309 --> 00:04:11,220  
over a hill we ran up the hill we

110  
00:04:15,770 --> 00:04:13,319  
thought we were going to see an aircraft

111  
00:04:18,650 --> 00:04:15,780  
in Flames or something but it was just

112  
00:04:20,390 --> 00:04:18,660  
this object's total silence not making

113  
00:04:23,090 --> 00:04:20,400

any noise at all

114

00:04:25,129 --> 00:04:23,100

it was then shaped like a half moon

115

00:04:27,469 --> 00:04:25,139

really good a structure the

116

00:04:32,090 --> 00:04:27,479

undercarriage of it we stood there

117

00:04:37,670 --> 00:04:35,510

with statuses it was hovering two foot

118

00:04:39,950 --> 00:04:37,680

off the ground

119

00:04:41,810 --> 00:04:39,960

it turned out that Linda lost track of

120

00:04:44,990 --> 00:04:41,820

about half an hour of time during the

121

00:04:47,270 --> 00:04:45,000

encounter At first she told no one years

122

00:04:49,310 --> 00:04:47,280

later under hypnosis she recalls an

123

00:04:51,590 --> 00:04:49,320

experience on board the craft but she

124

00:05:00,710 --> 00:04:51,600

doesn't like to recall it now I don't
