

1  
00:00:07,970 --> 00:00:05,530  
hi and I want to report a UFO okay okay

2  
00:00:11,810 --> 00:00:07,980  
early this evening

3  
00:00:15,049 --> 00:00:11,820  
I've seen okay it was real weird

4  
00:00:16,970 --> 00:00:15,059  
um it was like a big lie and it's just a

5  
00:00:19,910 --> 00:00:16,980  
whole Sky up and it went straight up

6  
00:00:22,070 --> 00:00:19,920  
from the air and disappeared

7  
00:00:24,410 --> 00:00:22,080  
and a lot of my neighbors seen it and

8  
00:00:26,450 --> 00:00:24,420  
then my dad just got back from working

9  
00:00:28,250 --> 00:00:26,460  
and he said that he seen it and it looks

10  
00:00:29,870 --> 00:00:28,260  
like a big titan is inside the whole Sky

11  
00:00:31,550 --> 00:00:29,880  
up

12  
00:00:35,389 --> 00:00:31,560  
okay about what time does this happen

13  
00:00:38,090 --> 00:00:35,399

Okay when I seen it it was about 9 30

14

00:00:41,090 --> 00:00:38,100

and then when my dad seen it was about

15

00:00:43,729 --> 00:00:41,100

15 37

16

00:00:45,889 --> 00:00:43,739

okay then you must it must have seen two

17

00:00:49,790 --> 00:00:45,899

different incidents here then right

18

00:00:51,290 --> 00:00:49,800

okay now uh just starting right from the

19

00:00:54,350 --> 00:00:51,300

beginning just how did you first notice

20

00:00:55,800 --> 00:00:54,360

this object okay we'll see we're outside

21

00:00:59,689 --> 00:00:55,810

of my cousins

22

00:01:03,470 --> 00:01:01,490

and then all of a sudden this big rock

23

00:01:05,929 --> 00:01:03,480

was coming towards our house

24

00:01:07,850 --> 00:01:05,939

and it was it was got threatened to put

25

00:01:10,010 --> 00:01:07,860

the whole Sky up and then it just sat up

26

00:01:12,530 --> 00:01:10,020

in the air and disappeared

27

00:01:14,870 --> 00:01:12,540

so I called the police station down here

28

00:01:15,950 --> 00:01:14,880

and they said they had a couple reports

29

00:01:19,070 --> 00:01:15,960

about it

30

00:01:22,010 --> 00:01:19,080

and they go they'll check up on it women

31

00:01:24,109 --> 00:01:22,020

uh we never they never notified us or

32

00:01:26,270 --> 00:01:24,119

nothing about it so my dad got hungry

33

00:01:28,370 --> 00:01:26,280

Charlie but he saw it

34

00:01:30,350 --> 00:01:28,380

and so we called the police station

35

00:01:32,510 --> 00:01:30,360

again they gave me this number to call

36

00:01:34,429 --> 00:01:32,520

and tell you that we've seen this okay

37

00:01:36,230 --> 00:01:34,439

now you say that when you first saw this

38

00:01:38,749 --> 00:01:36,240

object it appeared to come in becoming

39

00:01:40,609 --> 00:01:38,759

right toward you yeah it came up towards

40

00:01:42,710 --> 00:01:40,619

I have to do it just sat up in the air

41

00:01:44,569 --> 00:01:42,720

to disappeared the whole Sky when it was

42

00:01:48,850 --> 00:01:44,579

coming to our house did this go straight

43

00:01:48,860 --> 00:01:55,030

[Music]

44

00:02:00,050 --> 00:01:57,710

okay now did it have any shape when it

45

00:02:04,130 --> 00:02:00,060

was coming towards you it just looked

46

00:02:06,010 --> 00:02:04,140

like it had like an oval shape okay was

47

00:02:09,410 --> 00:02:06,020

this all light

48

00:02:11,089 --> 00:02:09,420

it was light and then it just did it

49

00:02:13,309 --> 00:02:11,099

have were there any colored lights or

50

00:02:14,869 --> 00:02:13,319

anything not when I saw it but I didn't

51  
00:02:17,330 --> 00:02:14,879  
ask my dad my dad's sitting right here

52  
00:02:26,270 --> 00:02:17,340  
okay Dad when you saw it did it have any

53  
00:02:30,290 --> 00:02:27,270  
Friday

54  
00:02:32,869 --> 00:02:30,300  
[Music]

55  
00:02:35,390 --> 00:02:32,879  
okay now which direction did this come

56  
00:02:38,089 --> 00:02:35,400  
from okay when I've seen it it came from

57  
00:02:40,010 --> 00:02:38,099  
the East and when my dad said it was

58  
00:02:41,990 --> 00:02:40,020  
coming from the north

59  
00:02:45,050 --> 00:02:42,000  
okay now when your dad was watching it

60  
00:02:51,110 --> 00:02:45,060  
did it also go straight up into the sky

61  
00:02:55,369 --> 00:02:53,390  
my dad says when he's seen it it came to

62  
00:02:56,690 --> 00:02:55,379  
the ground and it just slid up the

63  
00:03:01,309 --> 00:02:56,700

ground and then it just stopped straight

64

00:03:05,089 --> 00:03:03,470

and a couple of my friends called over

65

00:03:05,930 --> 00:03:05,099

here to see if I seen it and I told him

66

00:03:08,809 --> 00:03:05,940

yes

67

00:03:10,869 --> 00:03:08,819

okay uh now you say you were Outdoors

68

00:03:13,369 --> 00:03:10,879

when this happened right

69

00:03:15,170 --> 00:03:13,379

my dad was Outdoors when he stopped but

70

00:03:17,509 --> 00:03:15,180

I was indoors I wasn't even about to go

71

00:03:20,050 --> 00:03:17,519

outside oh I see well you didn't go out

72

00:03:22,130 --> 00:03:20,060

even after it shot up into the space

73

00:03:26,290 --> 00:03:22,140

oh okay

74

00:03:31,190 --> 00:03:28,850

horses and not dogs are acting real

75

00:03:33,170 --> 00:03:31,200

weird like you know our dogs started

76

00:03:35,990 --> 00:03:33,180

barking the horses started barking and

77

00:03:37,729 --> 00:03:36,000

acting real weird and then uh I heard

78

00:03:38,930 --> 00:03:37,739

there's like this whistling sound me and

79

00:03:40,009 --> 00:03:38,940

my sister so I just looked out the

80

00:03:41,930 --> 00:03:40,019

window and that big thing was just

81

00:03:43,250 --> 00:03:41,940

coming right for at the house in other

82

00:03:46,070 --> 00:03:43,260

words this is what Drew your attention

83

00:03:47,570 --> 00:03:46,080

to it it scares me I just go wow what am

84

00:03:50,570 --> 00:03:47,580

I gonna do

85

00:03:53,690 --> 00:03:50,580

okay what color was that okay when I

86

00:03:56,330 --> 00:03:53,700

seen it it was like a silver Spike color

87

00:03:59,390 --> 00:03:56,340

okay do you have any idea of just how

88

00:04:00,589 --> 00:03:59,400

close it came to you before it turned up

89

00:04:01,430 --> 00:04:00,599

okay

90

00:04:03,589 --> 00:04:01,440

um

91

00:04:06,890 --> 00:04:03,599

it wasn't very far from my house I see

92

00:04:12,470 --> 00:04:06,900

about 100 to 200 feet away from us okay

93

00:04:16,189 --> 00:04:14,509

man where was your dad when he saw it

94

00:04:19,129 --> 00:04:16,199

out in the country

95

00:04:22,850 --> 00:04:19,139

just don't okay it was just about a mile

96

00:04:24,650 --> 00:04:22,860

from my house it and it came down from

97

00:04:26,930 --> 00:04:24,660

the sky first

98

00:04:29,090 --> 00:04:26,940

and then it just did he see it actually

99

00:04:30,170 --> 00:04:29,100

turn and then go back up in this guy

100

00:04:32,150 --> 00:04:30,180

okay

101  
00:04:34,430 --> 00:04:32,160  
they actually turn and go back up to the

102  
00:04:38,930 --> 00:04:36,469  
my glasses when he seen it just lift the

103  
00:04:43,610 --> 00:04:38,940  
ground and shot right back up okay would

104  
00:04:50,150 --> 00:04:45,710  
for about 10 minutes

105  
00:04:56,810 --> 00:04:52,550  
and he saw it about what time 11 15 did

106  
00:05:01,670 --> 00:04:59,689  
would you ask your dad if that if the

107  
00:05:03,409 --> 00:05:01,680  
colors changed at all while he was

108  
00:05:05,090 --> 00:05:03,419  
watching it okay when you see your daddy

109  
00:05:06,230 --> 00:05:05,100  
when you were watching it did the colors

110  
00:05:08,710 --> 00:05:06,240  
change

111  
00:05:10,850 --> 00:05:08,720  
yep

112  
00:05:14,210 --> 00:05:10,860  
okay I wonder if we could talk to your

113  
00:05:18,409 --> 00:05:17,030

yeah hello good evening yeah I wonder if

114

00:05:20,830 --> 00:05:18,419

I wonder if we could get a description

115

00:05:22,670 --> 00:05:20,840

exactly what you saw with yours

116

00:05:24,469 --> 00:05:22,680

friends of mine that were out there

117

00:05:26,629 --> 00:05:24,479

hauling hay and I was supposed to go out

118

00:05:27,890 --> 00:05:26,639

there and help them so I went out there

119

00:05:29,090 --> 00:05:27,900

and I found my light out there on the

120

00:05:31,370 --> 00:05:29,100

hay field

121

00:05:34,070 --> 00:05:31,380

and I saw this big object you know like

122

00:05:36,350 --> 00:05:34,080

it lit up the whole hay field yes and

123

00:05:38,029 --> 00:05:36,360

the colors changed from uh green to

124

00:05:39,770 --> 00:05:38,039

purple and orange

125

00:05:41,629 --> 00:05:39,780

and I stood there and watched it for a

126  
00:05:44,629 --> 00:05:41,639  
while and lit up the whole is the ground

127  
00:05:46,430 --> 00:05:44,639  
you know a big area yes and then it shut

128  
00:05:48,469 --> 00:05:46,440  
straight up and I watched it as it went

129  
00:05:50,090 --> 00:05:48,479  
up into the sky and then it got outside

130  
00:05:52,610 --> 00:05:50,100  
it disappeared

131  
00:05:55,189 --> 00:05:52,620  
and when I got home my kids had seen it

132  
00:05:57,230 --> 00:05:55,199  
and the horses were acting up the dogs

133  
00:05:59,510 --> 00:05:57,240  
were barking like wolves you know and

134  
00:06:02,330 --> 00:05:59,520  
everything was going crazy around here

135  
00:06:04,010 --> 00:06:02,340  
located in the object that you saw did

136  
00:06:05,930 --> 00:06:04,020  
you see this come down out of the sky

137  
00:06:07,670 --> 00:06:05,940  
yeah I saw someone out of the sky you

138  
00:06:10,550 --> 00:06:07,680

know and it bit up it lit up the ground

139

00:06:12,230 --> 00:06:10,560

you know just like uh when you shot a

140

00:06:13,850 --> 00:06:12,240

light you know on your like a flashlight

141

00:06:15,350 --> 00:06:13,860

and you're looking for something you

142

00:06:17,510 --> 00:06:15,360

shot it in the object you're looking for

143

00:06:19,790 --> 00:06:17,520

right that's the way this came out of

144

00:06:21,830 --> 00:06:19,800

this kind of lit up a whole big area

145

00:06:24,110 --> 00:06:21,840

and it scared the hell out of me I I

146

00:06:25,670 --> 00:06:24,120

knew it wanted no line no 4th of July

147

00:06:28,210 --> 00:06:25,680

and firecracker or anything like that or

148

00:06:30,110 --> 00:06:28,220

uh there wasn't no airplane or no

149

00:06:32,510 --> 00:06:30,120

helicopter or anything like that it was

150

00:06:36,110 --> 00:06:32,520

something weird something strange

151

00:06:38,450 --> 00:06:36,120

and uh the kids call the police station

152

00:06:40,850 --> 00:06:38,460

here in Roy Roy Utah

153

00:06:43,909 --> 00:06:40,860

and they said they were about the third

154

00:06:45,650 --> 00:06:43,919

one that called in and when I got in the

155

00:06:48,050 --> 00:06:45,660

house I told him about it or they told

156

00:06:50,150 --> 00:06:48,060

me and then we got to talk and I I saw

157

00:06:51,890 --> 00:06:50,160

this damn thing you know and it wasn't

158

00:06:53,809 --> 00:06:51,900

no big imagination or anything like that

159

00:06:56,210 --> 00:06:53,819

this really happened okay Tina did the

160

00:06:59,809 --> 00:06:56,220

object that you saw have a shape to it

161

00:07:02,210 --> 00:06:59,819

well I'd say like uh oh let's say two

162

00:07:05,689 --> 00:07:02,220

plates put together you know rim to rim

163

00:07:07,969 --> 00:07:05,699

yeah okay I thought it was like

164

00:07:11,510 --> 00:07:07,979

did you hear any sound associated with

165

00:07:13,490 --> 00:07:11,520

that yeah I kind of like uh oh how would

166

00:07:15,590 --> 00:07:13,500

I put it uh

167

00:07:17,450 --> 00:07:15,600

what kind of like a brushing sound you

168

00:07:21,230 --> 00:07:17,460

know kind of a

169

00:07:22,969 --> 00:07:21,240

oh a real weird strange noise you know

170

00:07:24,890 --> 00:07:22,979

I don't really know how to explain it

171

00:07:27,170 --> 00:07:24,900

but uh it was kind of like a whistling

172

00:07:28,430 --> 00:07:27,180

you know like when the wind swizzling

173

00:07:30,469 --> 00:07:28,440

through a window you know it's like when

174

00:07:32,990 --> 00:07:30,479

yeah yes something like that but only

175

00:07:34,969 --> 00:07:33,000

louder okay now do you have any idea of

176

00:07:36,589 --> 00:07:34,979

how far that object was from you when it

177

00:07:37,969 --> 00:07:36,599

was hovering above the ground it seems

178

00:07:40,309 --> 00:07:37,979

like we're closing it really scared the

179

00:07:41,870 --> 00:07:40,319

hell out of me you know and uh

180

00:07:43,990 --> 00:07:41,880

like got the hell out of there out of

181

00:07:45,830 --> 00:07:44,000

that hay field and went on home you know

182

00:07:47,749 --> 00:07:45,840

and uh

183

00:07:49,430 --> 00:07:47,759

it disappeared you know it went I could

184

00:07:51,110 --> 00:07:49,440

see it but it was really moving at a

185

00:07:52,909 --> 00:07:51,120

tremendous speed you know it was really

186

00:07:54,950 --> 00:07:52,919

going like crazy you know

187

00:07:57,170 --> 00:07:54,960

but to me it looked like it was

188

00:07:59,029 --> 00:07:57,180

searching for something you know

189

00:08:03,230 --> 00:07:59,039

and then it shot up in the sky and

190

00:08:05,330 --> 00:08:03,240

disappeared was this object using a a

191

00:08:07,850 --> 00:08:05,340

shaft of light or a spotlight of any

192

00:08:10,070 --> 00:08:07,860

kind well the the lights that they

193

00:08:11,510 --> 00:08:10,080

changed it was a bright light up when I

194

00:08:13,550 --> 00:08:11,520

first thought it was a real bright light

195

00:08:16,850 --> 00:08:13,560

you know just like he uh how you got

196

00:08:18,950 --> 00:08:16,860

like a like a spotlight yes and then the

197

00:08:20,330 --> 00:08:18,960

colors changed from uh green to purple

198

00:08:22,249 --> 00:08:20,340

and orange and all kinds of different

199

00:08:24,589 --> 00:08:22,259

colors

200

00:08:27,710 --> 00:08:24,599

and then a shot up and this kind of it

201  
00:08:31,249 --> 00:08:27,720  
got out of sign it just disappeared okay

202  
00:08:34,310 --> 00:08:31,259  
can you give an estimate on its size

203  
00:08:36,889 --> 00:08:34,320  
oh I would say uh

204  
00:08:39,769 --> 00:08:36,899  
just a giant two plates put together oh

205  
00:08:41,630 --> 00:08:39,779  
they were pretty big I'd say uh

206  
00:08:43,490 --> 00:08:41,640  
it seemed like about as big as a house

207  
00:08:46,010 --> 00:08:43,500  
okay

208  
00:08:50,889 --> 00:08:46,020  
and it was pretty big you know I'd say

209  
00:08:56,030 --> 00:08:53,690  
okay were you using any Power Machinery

210  
00:08:58,130 --> 00:08:56,040  
out in the field uh no see this friends

211  
00:09:01,250 --> 00:08:58,140  
of mine was out there uh they were

212  
00:09:03,590 --> 00:09:01,260  
running a generator that's run by uh by

213  
00:09:05,690 --> 00:09:03,600

gas yes but when I got there they were

214

00:09:06,829 --> 00:09:05,700

gone so I shot my Spotlight out there to

215

00:09:08,170 --> 00:09:06,839

see what they were doing but they

216

00:09:10,550 --> 00:09:08,180

weren't anymore

217

00:09:11,870 --> 00:09:10,560

and at first when I first thought I

218

00:09:13,910 --> 00:09:11,880

thought it was them working out there on

219

00:09:14,930 --> 00:09:13,920

the field but they wanted me because I

220

00:09:16,430 --> 00:09:14,940

turned around and called him you know

221

00:09:17,870 --> 00:09:16,440

call my buddy and he says no we've been

222

00:09:19,850 --> 00:09:17,880

gone for a while

223

00:09:22,070 --> 00:09:19,860

and I told him about this you

224

00:09:24,410 --> 00:09:22,080

know he just laughed so that thing must

225

00:09:25,730 --> 00:09:24,420

have been fairly close then yeah what it

226

00:09:28,310 --> 00:09:25,740

really won

227

00:09:29,810 --> 00:09:28,320

yeah well it lit up the whole the big

228

00:09:32,630 --> 00:09:29,820

area on the ground it lit up the whole

229

00:09:35,210 --> 00:09:32,640

uh big area on the ground

230

00:09:37,370 --> 00:09:35,220

okay this might seem like a joke but

231

00:09:40,070 --> 00:09:37,380

I'll tell you this ain't no joke no I

232

00:09:42,050 --> 00:09:40,080

can tell by the Tony your voice

233

00:09:43,790 --> 00:09:42,060

yeah what surprised me about this the

234

00:09:45,710 --> 00:09:43,800

dogs were sparking like wolves too you

235

00:09:47,690 --> 00:09:45,720

know and stuff like that

236

00:09:49,130 --> 00:09:47,700

and the horses was going crazy and

237

00:09:51,290 --> 00:09:49,140

everything was going crazy around here

238

00:09:54,710 --> 00:09:51,300

uh was there any electrical interference

239

00:09:57,410 --> 00:09:54,720

in the area no no I would I would say no

240

00:10:01,190 --> 00:09:57,420

and the Roy police station they had free

241

00:10:02,810 --> 00:10:01,200

reports on this okay

242

00:10:04,490 --> 00:10:02,820

now would you ask I wonder if you'd ask

243

00:10:07,250 --> 00:10:04,500

your daughter how big she thought the

244

00:10:08,930 --> 00:10:07,260

object was that she saw the object that

245

00:10:19,130 --> 00:10:08,940

you just like an album asking her now

246

00:10:26,030 --> 00:10:21,590

they said it was really huge but they

247

00:10:29,449 --> 00:10:26,040

they describe it as an oval shape okay

248

00:10:31,730 --> 00:10:29,459

they say like it was really a huge thing

249

00:10:33,590 --> 00:10:31,740

now do you feel that uh which you saw

250

00:10:34,910 --> 00:10:33,600

and what your daughter saw were the same

251  
00:10:36,590 --> 00:10:34,920  
object

252  
00:10:39,769 --> 00:10:36,600  
I noticed there's quite a time

253  
00:10:42,110 --> 00:10:39,779  
difference here yeah I would say so uh

254  
00:10:44,090 --> 00:10:42,120  
this thing was I know a plant when I see

255  
00:10:46,310 --> 00:10:44,100  
one I know a helicopter when I see one

256  
00:10:49,370 --> 00:10:46,320  
this was something strange something

257  
00:10:51,650 --> 00:10:49,380  
weird is there anything special in your

258  
00:10:53,930 --> 00:10:51,660  
area any special surface features either

259  
00:10:56,030 --> 00:10:53,940  
natural or man-made that these things

260  
00:10:58,130 --> 00:10:56,040  
might be watching is there anything in

261  
00:11:00,889 --> 00:10:58,140  
the way of hydroelectric dams in that

262  
00:11:04,069 --> 00:11:00,899  
area there there's a Hill Air Force Base

263  
00:11:07,850 --> 00:11:04,079

here just about 10 miles to the south of

264

00:11:11,389 --> 00:11:07,860

me and the best Deadpool about eight

265

00:11:14,210 --> 00:11:11,399

miles north of me okay

266

00:11:16,730 --> 00:11:14,220

and as far as I know that's about it you

267

00:11:18,410 --> 00:11:16,740

know they uh they got this uh radio

268

00:11:20,810 --> 00:11:18,420

stations around here stuff like that

269

00:11:26,269 --> 00:11:23,990

uh I can't imagine there's something uh

270

00:11:29,090 --> 00:11:26,279

I never seen anything like it

271

00:11:30,650 --> 00:11:29,100

okay it's kind of spooky you know uh

272

00:11:32,150 --> 00:11:30,660

some people might think uh well he's

273

00:11:34,430 --> 00:11:32,160

crazy he's been drinking something or

274

00:11:36,110 --> 00:11:34,440

stuff like that but this ain't no joke

275

00:11:37,870 --> 00:11:36,120

how are the weather conditions there

276

00:11:41,329 --> 00:11:37,880

tonight it's

277

00:11:43,910 --> 00:11:41,339

been warm it's been pretty been pretty

278

00:11:46,850 --> 00:11:43,920

hot over here okay

279

00:11:48,710 --> 00:11:46,860

also we sure appreciate this report and

280

00:11:51,530 --> 00:11:48,720

if we get any additional information on

281

00:11:53,329 --> 00:11:51,540

this uh including other eyewitness

282

00:11:55,910 --> 00:11:53,339

accounts that might come in we'll get

283

00:11:57,829 --> 00:11:55,920

back to you and let you know okay and uh

284

00:11:59,630 --> 00:11:57,839

if uh if we need any additional

285

00:12:01,610 --> 00:11:59,640

information could we get back to you

286

00:12:04,490 --> 00:12:01,620

yeah see I work for the defense

287

00:12:06,350 --> 00:12:04,500
