

1  
00:00:07,909 --> 00:00:03,710  
hello my name is amauri Rivera and I

2  
00:00:11,930 --> 00:00:07,919  
live in Puerto Rico and back in 1988 and

3  
00:00:14,030 --> 00:00:11,940  
I was working in a nightclub and there

4  
00:00:16,430 --> 00:00:14,040  
was a musical group there one of my

5  
00:00:18,349 --> 00:00:16,440  
cousins wanted me to photograph the

6  
00:00:22,310 --> 00:00:18,359  
musical group and she loaned me a camera

7  
00:00:26,750 --> 00:00:22,320  
with some film on my way back home I

8  
00:00:29,290 --> 00:00:26,760  
encountered a two small beings two small

9  
00:00:32,510 --> 00:00:29,300  
strange men which I didn't think were

10  
00:00:34,030 --> 00:00:32,520  
men from outer space

11  
00:00:36,350 --> 00:00:34,040  
and

12  
00:00:39,250 --> 00:00:36,360  
they took me somewhere where there were

13  
00:00:42,470 --> 00:00:39,260

other people besides myself

14

00:00:45,470 --> 00:00:42,480

other human people like from Puerto Rico

15

00:00:47,869 --> 00:00:45,480

I guess from here another human being

16

00:00:49,850 --> 00:00:47,879

showed up he claimed to be from a

17

00:00:54,889 --> 00:00:49,860

distant planet he was dressed in black

18

00:00:57,590 --> 00:00:54,899

he had a dark skin he had a a black long

19

00:01:00,529 --> 00:00:57,600

black hair up to the shoulders and he

20

00:01:04,070 --> 00:01:00,539

spoke to us with the mouth verbally and

21

00:01:07,910 --> 00:01:04,080

not no telepathic speaking he showed us

22

00:01:11,270 --> 00:01:07,920

the various projections which looked at

23

00:01:13,130 --> 00:01:11,280

very real the projections and he informs

24

00:01:15,550 --> 00:01:13,140

us about a whole bunch of things that

25

00:01:17,530 --> 00:01:15,560

are even still incredible to me

26

00:02:07,510 --> 00:01:17,540

a

27

00:02:11,150 --> 00:02:07,520

Puerto Rico

28

00:02:13,550 --> 00:02:11,160

the last one is is that they projected

29

00:02:15,710 --> 00:02:13,560

it was showing us how there was only

30

00:02:18,350 --> 00:02:15,720

going to be one government on on the

31

00:02:20,390 --> 00:02:18,360

planet Earth and they'll be living on

32

00:02:22,150 --> 00:02:20,400

some sort of artificial Island that's

33

00:02:26,869 --> 00:02:22,160

going to be floating in the middle of a

34

00:02:32,449 --> 00:02:26,879

dark black and dirty sea a

35

00:02:35,089 --> 00:02:32,459

and then this man returned me to my my

36

00:02:36,350 --> 00:02:35,099

car again and left me somewhere

37

00:02:39,170 --> 00:02:36,360

different

38

00:02:44,030 --> 00:02:39,180

from where the whole ordeal had started

39

00:02:44,930 --> 00:02:44,040

apparently they it took me with car and

40

00:02:47,930 --> 00:02:44,940

all

41

00:02:50,809 --> 00:02:47,940

after this at this given time I heard

42

00:02:53,089 --> 00:02:50,819

some jets in the sky and I still had my

43

00:02:55,309 --> 00:02:53,099

cousin's camera and I took it the

44

00:02:58,670 --> 00:02:55,319

pictures and four of which are I'm

45

00:03:06,369 --> 00:03:02,869

so the Jets followed the UFO

46

00:03:10,130 --> 00:03:06,379

yes it was and they seemed to be uh

47

00:03:12,410 --> 00:03:10,140

surveilling it I only got to capture

48

00:03:13,610 --> 00:03:12,420

just one of the the Jets in the

49

00:03:17,030 --> 00:03:13,620

photographer there were actually there

50

00:03:19,250 --> 00:03:17,040

were three of them uh or or maybe I got

51  
00:03:20,809 --> 00:03:19,260  
in one of the photos one and in the

52  
00:03:23,270 --> 00:03:20,819  
second or third I got one of the other

53  
00:03:25,670 --> 00:03:23,280  
ones because they would go around it

54  
00:03:29,630 --> 00:03:25,680  
very far away and while this one was

55  
00:03:31,550 --> 00:03:29,640  
closer and turned you know very far very

56  
00:03:33,470 --> 00:03:31,560  
far and by the time this one was coming

57  
00:03:36,050 --> 00:03:33,480  
back another one was turning over there

58  
00:03:38,990 --> 00:03:36,060  
there was always one or the other close

59  
00:03:42,589 --> 00:03:39,000  
to the to the object to the UFO other

60  
00:03:47,089 --> 00:03:42,599  
Witnesses contacted Amore himself and so

61  
00:03:49,850 --> 00:03:47,099  
far between 1988 and 1992 I've been able

62  
00:03:53,990 --> 00:03:49,860  
to localize seven of these people

63  
00:03:57,229 --> 00:03:54,000

and because I've gone on different uh TV

64

00:04:00,110 --> 00:03:57,239

shows and uh different articles and I

65

00:04:03,170 --> 00:04:00,120

I've always been asking if anybody

66

00:04:05,149 --> 00:04:03,180

remembers anything similar happening to

67

00:04:07,009 --> 00:04:05,159

them and that year during that time

68

00:04:07,850 --> 00:04:07,019

Mother's Day to please get in touch with

69

00:04:10,850 --> 00:04:07,860

me

70

00:04:14,089 --> 00:04:10,860

and I have gotten in touch with hundreds

71

00:04:18,530 --> 00:04:14,099

of people but out of the 107 definitely

72

00:04:21,650 --> 00:04:18,540

were there with me I still have a seven

73

00:04:25,070 --> 00:04:21,660

to go maybe I'll never find them maybe

74

00:04:27,469 --> 00:04:25,080

maybe they'll see this actually Amore

75

00:04:30,050 --> 00:04:27,479

Rivera was intimidated and pressured by

76

00:04:31,189 --> 00:04:30,060

government agents to hand over his

77

00:04:35,629 --> 00:04:31,199

pictures

78

00:04:40,370 --> 00:04:35,639

well a short time after after the

79

00:04:43,189 --> 00:04:40,380

incident a three men showed up at my

80

00:04:45,530 --> 00:04:43,199

home in Puerto Rico and one of them

81

00:04:47,230 --> 00:04:45,540

stood in their car downstairs

82

00:04:51,469 --> 00:04:47,240

and

83

00:04:53,870 --> 00:04:51,479

they claimed to be a from a CIA

84

00:04:56,150 --> 00:04:53,880

and they gave me they handed me two

85

00:04:58,249 --> 00:04:56,160

pieces of paper which I was so nervous I

86

00:05:01,850 --> 00:04:58,259

couldn't really read but I remember

87

00:05:03,230 --> 00:05:01,860

seeing the letter CIA which is uh the

88

00:05:07,189 --> 00:05:03,240

intelligence agency from the United

89

00:05:09,770 --> 00:05:07,199

States and they said that it would be

90

00:05:12,230 --> 00:05:09,780

easier and better for me if I handed

91

00:05:13,850 --> 00:05:12,240

them the photographs and the negatives

92

00:05:16,550 --> 00:05:13,860

but they did not say you know what

93

00:05:19,969 --> 00:05:16,560

photographs or what Negative they didn't

94

00:05:22,490 --> 00:05:19,979

specify and I just told them that I did

95

00:05:25,010 --> 00:05:22,500

not know what they were talking about

96

00:05:28,550 --> 00:05:25,020

and they said it would be easier because

97

00:05:29,930 --> 00:05:28,560

we have at the an order for to register

98

00:05:32,749 --> 00:05:29,940

your house to look through your house

99

00:05:34,610 --> 00:05:32,759

and I said well go ahead be my guess and

100

00:05:36,590 --> 00:05:34,620

look and they they looked but they

101  
00:05:38,870 --> 00:05:36,600  
couldn't find them because I had I had

102  
00:05:41,270 --> 00:05:38,880  
hit them very well

103  
00:05:43,610 --> 00:05:41,280  
first of all I want to say um good

104  
00:05:45,830 --> 00:05:43,620  
evening to everyone and I'm really

105  
00:05:47,990 --> 00:05:45,840  
nervous so please bear with me I've

106  
00:05:50,689 --> 00:05:48,000  
never spoken in front of you know a

107  
00:05:56,990 --> 00:05:53,710  
um Wendell invited me over so that I can

108  
00:06:01,249 --> 00:05:57,000  
explain more or less um

109  
00:06:07,670 --> 00:06:02,150  
um

110  
00:06:10,610 --> 00:06:07,680  
York where I was born and raised

111  
00:06:13,070 --> 00:06:10,620  
and I was working at a hotel there for a

112  
00:06:15,350 --> 00:06:13,080  
while and I I got a phone call from my

113  
00:06:18,110 --> 00:06:15,360

one of my aunts in Puerto Rico telling

114

00:06:20,870 --> 00:06:18,120

me that my grandmother was was ill at

115

00:06:22,249 --> 00:06:20,880

that time so I you know I went out to

116

00:06:24,290 --> 00:06:22,259

Puerto Rico to see how my grandmother

117

00:06:25,670 --> 00:06:24,300

was she was the woman that raised me by

118

00:06:28,610 --> 00:06:25,680

the way

119

00:06:30,950 --> 00:06:28,620

and as it turns out while I was there

120

00:06:33,230 --> 00:06:30,960

you know she got better and

121

00:06:34,969 --> 00:06:33,240

I kind of like fell in love with the

122

00:06:39,170 --> 00:06:34,979

with the island I had visited there

123

00:06:41,150 --> 00:06:39,180

before and but um I wasn't born there my

124

00:06:43,249 --> 00:06:41,160

parents were

125

00:06:45,409 --> 00:06:43,259

so

126

00:06:47,150 --> 00:06:45,419

all I know is that when I went back to

127

00:06:49,790 --> 00:06:47,160

New York and when I was working I worked

128

00:06:52,969 --> 00:06:49,800

in a hotel not as big as this one but

129

00:06:53,990 --> 00:06:52,979

I was a waiter there that's on 7th

130

00:06:56,090 --> 00:06:54,000

Avenue

131

00:06:59,570 --> 00:06:56,100

and um

132

00:07:01,670 --> 00:06:59,580

in Manhattan and I just kept thinking

133

00:07:03,469 --> 00:07:01,680

about going back there it so it almost

134

00:07:04,909 --> 00:07:03,479

became like an obsession I just kept

135

00:07:09,230 --> 00:07:04,919

thinking you know like I got I want to

136

00:07:11,390 --> 00:07:09,240

go back there I didn't really know why

137

00:07:13,430 --> 00:07:11,400

and maybe because of its beauty or

138

00:07:15,710 --> 00:07:13,440

something I don't know the way people

139

00:07:18,230 --> 00:07:15,720

behave there you know so different from

140

00:07:21,650 --> 00:07:18,240

New Yorkers you know

141

00:07:23,809 --> 00:07:21,660

and so

142

00:07:26,930 --> 00:07:23,819

next thing I know I went like berserk

143

00:07:30,589 --> 00:07:26,940

and I like sold most of my stuff and the

144

00:07:33,110 --> 00:07:30,599

stuff I didn't sell I I gave away

145

00:07:35,270 --> 00:07:33,120

uh I had this little Pekingese dog I

146

00:07:37,790 --> 00:07:35,280

took with me

147

00:07:39,890 --> 00:07:37,800

and um

148

00:07:42,110 --> 00:07:39,900

and when I got there there weren't too

149

00:07:45,350 --> 00:07:42,120

many jobs available but I already had

150

00:07:47,450 --> 00:07:45,360

you know taught the scheme about so hot

151  
00:07:49,550 --> 00:07:47,460  
dogs and buy a little hot dog cart and

152  
00:07:52,070 --> 00:07:49,560  
just so hot dogs they make a living out

153  
00:07:55,129 --> 00:07:52,080  
of that I wouldn't become rich but

154  
00:07:57,290 --> 00:07:55,139  
I'll make a living out of it

155  
00:07:59,510 --> 00:07:57,300  
so while I was there when I first got

156  
00:08:03,650 --> 00:07:59,520  
there one of my cousins um to a female

157  
00:08:05,930 --> 00:08:03,660  
cousin and we call her fat Tata she um

158  
00:08:07,490 --> 00:08:05,940  
comes up to me and she tells me she

159  
00:08:08,770 --> 00:08:07,500  
heard on the over the radio that there

160  
00:08:11,570 --> 00:08:08,780  
were um

161  
00:08:14,089 --> 00:08:11,580  
offering a waiter's job in this

162  
00:08:16,490 --> 00:08:14,099  
nightclub it's called Casablanca and

163  
00:08:18,650 --> 00:08:16,500

that's in North Miguel that's near Cabo

164

00:08:20,749 --> 00:08:18,660

Rojo

165

00:08:23,689 --> 00:08:20,759

so as it turns out I went for the

166

00:08:25,730 --> 00:08:23,699

interview and I got I got the job and I

167

00:08:30,830 --> 00:08:25,740

was working there for a while and

168

00:08:31,990 --> 00:08:30,840

towards Mother's Day in May of 1988

169

00:08:34,550 --> 00:08:32,000

um

170

00:08:36,709 --> 00:08:34,560

my cousin again she had heard about the

171

00:08:39,529 --> 00:08:36,719

job through the radio now she heard that

172

00:08:40,909 --> 00:08:39,539

this group I wasn't familiar with the

173

00:08:44,930 --> 00:08:40,919

group but she was

174

00:08:47,329 --> 00:08:44,940

some at the grand combo

175

00:08:50,150 --> 00:08:47,339

they were going to be present there so

176

00:08:51,070 --> 00:08:50,160

she was a big fan or is a big fan of

177

00:08:53,030 --> 00:08:51,080

theirs

178

00:08:55,190 --> 00:08:53,040

and

179

00:08:56,870 --> 00:08:55,200

she said since basically what she said

180

00:08:59,870 --> 00:08:56,880

was since I got you that you know I

181

00:09:02,210 --> 00:08:59,880

helped you get that job well I want you

182

00:09:05,090 --> 00:09:02,220

to do me a favor and get me some

183

00:09:07,910 --> 00:09:05,100

photographs of the grand combo

184

00:09:09,230 --> 00:09:07,920

so I said that I would even though I

185

00:09:11,329 --> 00:09:09,240

didn't really want to because I had just

186

00:09:12,889 --> 00:09:11,339

started working there and I didn't you

187

00:09:15,110 --> 00:09:12,899

know they were on a platform like this

188

00:09:16,910 --> 00:09:15,120

and I it was a huge place with the

189

00:09:19,250 --> 00:09:16,920

little table was a nightclub

190

00:09:20,389 --> 00:09:19,260

and I I didn't feel that you know I had

191

00:09:21,889 --> 00:09:20,399

just started working and then I'm going

192

00:09:23,150 --> 00:09:21,899

to be there taking pictures anyway I

193

00:09:25,009 --> 00:09:23,160

said yes

194

00:09:26,990 --> 00:09:25,019

so I thought she would probably forget

195

00:09:28,490 --> 00:09:27,000

about it but when the night came you

196

00:09:30,710 --> 00:09:28,500

know she didn't forget about it so she

197

00:09:32,750 --> 00:09:30,720

gave me the camera and uh

198

00:09:35,210 --> 00:09:32,760

with the film in it and she showed up

199

00:09:36,650 --> 00:09:35,220

with an album one of their old albums

200

00:09:37,790 --> 00:09:36,660

and she wanted me to have them autograph

201  
00:09:39,949 --> 00:09:37,800  
it

202  
00:09:42,050 --> 00:09:39,959  
and I said sure you know she kept

203  
00:09:43,970 --> 00:09:42,060  
reminding me that she got helped me get

204  
00:09:45,250 --> 00:09:43,980  
the job so

205  
00:09:48,710 --> 00:09:45,260  
okay

206  
00:09:50,930 --> 00:09:48,720  
so I I went to work with the camera and

207  
00:09:54,050 --> 00:09:50,940  
I had bought this broken down car a

208  
00:09:55,490 --> 00:09:54,060  
little Toyota I think it was 71. so

209  
00:09:57,350 --> 00:09:55,500  
something like that I don't remember the

210  
00:09:59,630 --> 00:09:57,360  
the date

211  
00:10:03,889 --> 00:09:59,640  
so um

212  
00:10:07,009 --> 00:10:03,899  
the from where I live at to or Miguel

213  
00:10:09,530 --> 00:10:07,019

where the nightclub was located I had

214

00:10:11,090 --> 00:10:09,540

had um some of my cousins before I

215

00:10:12,710 --> 00:10:11,100

started that job they would take me back

216

00:10:15,230 --> 00:10:12,720

and forth so that I can know more or

217

00:10:17,449 --> 00:10:15,240

less you know how to get back from the

218

00:10:19,670 --> 00:10:17,459

nightclub to to my grandmother's house

219

00:10:21,769 --> 00:10:19,680

which is my house now

220

00:10:24,110 --> 00:10:21,779

so

221

00:10:25,790 --> 00:10:24,120

the the route that they showed me to go

222

00:10:28,310 --> 00:10:25,800

through was called uh there was a road

223

00:10:31,370 --> 00:10:28,320

called Uhura

224

00:10:32,690 --> 00:10:31,380

like real creepy place there's no houses

225

00:10:34,910 --> 00:10:32,700

or anything

226

00:10:37,790 --> 00:10:34,920

and um but that was the only way I knew

227

00:10:40,430 --> 00:10:37,800

how to get there back and forth on this

228

00:10:45,949 --> 00:10:43,910

um I took some some of the it was a

229

00:10:48,470 --> 00:10:45,959

one of those instamatic camera the 110

230

00:10:50,150 --> 00:10:48,480

it was a cheap camera

231

00:10:52,910 --> 00:10:50,160

and

232

00:10:56,329 --> 00:10:52,920

as I was going home that night or that

233

00:10:59,210 --> 00:10:56,339

morning because I left at 4 30.

234

00:11:00,970 --> 00:10:59,220

um I was just driving along in my car

235

00:11:04,970 --> 00:11:00,980

like Martin had said before

236

00:11:06,769 --> 00:11:04,980

and there was um there was fog but that

237

00:11:08,630 --> 00:11:06,779

was nothing unusual because the rest of

238

00:11:10,269 --> 00:11:08,640

the nights I had you know come across

239

00:11:12,710 --> 00:11:10,279

fog and

240

00:11:15,350 --> 00:11:12,720

that didn't bother me

241

00:11:16,250 --> 00:11:15,360

but um some of my cousins had told me

242

00:11:18,230 --> 00:11:16,260

that

243

00:11:21,769 --> 00:11:18,240

because in New York I I barely drove

244

00:11:24,170 --> 00:11:21,779

with with the taxis and buses and

245

00:11:26,210 --> 00:11:24,180

Subways usually so I didn't have much

246

00:11:28,490 --> 00:11:26,220

experience driving so I would take it

247

00:11:31,069 --> 00:11:28,500

easy anyway besides as a fog and besides

248

00:11:32,210 --> 00:11:31,079

of the the cows of the horses and my

249

00:11:33,889 --> 00:11:32,220

cousins would tell you know they had

250

00:11:35,870 --> 00:11:33,899

frightened me you got to be careful you

251  
00:11:38,030 --> 00:11:35,880  
can't be speeding around here because

252  
00:11:40,670 --> 00:11:38,040  
animals get loose and people have

253  
00:11:43,730 --> 00:11:40,680  
crashed and killed themselves

254  
00:11:45,110 --> 00:11:43,740  
um you know crashing against cows and

255  
00:11:46,670 --> 00:11:45,120  
whatnot

256  
00:11:48,590 --> 00:11:46,680  
so

257  
00:11:52,970 --> 00:11:48,600  
I'm driving along and going like really

258  
00:11:56,389 --> 00:11:52,980  
really slow and that's when I hear a

259  
00:11:58,670 --> 00:11:56,399  
noise like on this side of the other car

260  
00:12:00,949 --> 00:11:58,680  
I don't know and that moment I thought

261  
00:12:04,130 --> 00:12:00,959  
it was like a

262  
00:12:06,050 --> 00:12:04,140  
like a goat or something small I just

263  
00:12:08,990 --> 00:12:06,060

throw it out of the side of my

264

00:12:11,630 --> 00:12:09,000

and when I look to the to the side there

265

00:12:15,410 --> 00:12:11,640

was a at that moment I thought you know

266

00:12:17,509 --> 00:12:15,420

what the hell is this a with a

267

00:12:19,069 --> 00:12:17,519

mask on or something

268

00:12:21,050 --> 00:12:19,079

and um

269

00:12:23,150 --> 00:12:21,060

a whole bunch of weird thoughts went

270

00:12:25,790 --> 00:12:23,160

through my mind at that moment I

271

00:12:27,710 --> 00:12:25,800

couldn't really figure it out and

272

00:12:29,030 --> 00:12:27,720

but the funny thing is when I was going

273

00:12:30,949 --> 00:12:29,040

to hit the

274

00:12:33,769 --> 00:12:30,959

the gas pedal to get the hell out of

275

00:12:36,790 --> 00:12:33,779

there I hit the the brake

276

00:12:41,389 --> 00:12:39,470

when I was I don't know why I just got

277

00:12:44,090 --> 00:12:41,399

nervous and I hit the brake and the car

278

00:12:46,610 --> 00:12:44,100

just stopped all of a sudden and the

279

00:12:48,769 --> 00:12:46,620

next thing I know on this side

280

00:12:51,410 --> 00:12:48,779

the the same little thing I had seen

281

00:12:53,870 --> 00:12:51,420

it's like a little man not exactly the

282

00:12:56,930 --> 00:12:53,880

way they most people describe them like

283

00:12:59,329 --> 00:12:56,940

they didn't look crazy they were white

284

00:13:01,430 --> 00:12:59,339

and their arms were like in proportion

285

00:13:04,730 --> 00:13:01,440

of their body and whatnot

286

00:13:07,009 --> 00:13:04,740

but their their heads were big and and

287

00:13:09,829 --> 00:13:07,019

the eyes weren't exactly the way most

288

00:13:11,930 --> 00:13:09,839

people describing with the big

289

00:13:14,810 --> 00:13:11,940

points in the back there were big eyes

290

00:13:17,569 --> 00:13:14,820

they were like like cow eyes

291

00:13:21,290 --> 00:13:17,579

so um

292

00:13:23,090 --> 00:13:21,300

when I seen the that the the thing that

293

00:13:24,410 --> 00:13:23,100

was over here the little man it was over

294

00:13:26,750 --> 00:13:24,420

here now

295

00:13:28,670 --> 00:13:26,760

so I was like debating with her all this

296

00:13:30,050 --> 00:13:28,680

time it's taking time to me to tell you

297

00:13:31,310 --> 00:13:30,060

but all this happened like in a matter

298

00:13:33,530 --> 00:13:31,320

of seconds

299

00:13:35,810 --> 00:13:33,540

I'm debating whether I should like run

300

00:13:37,610 --> 00:13:35,820

over this little thing but at the same

301  
00:13:39,110 --> 00:13:37,620  
time I kept thinking if it was a little

302  
00:13:41,569 --> 00:13:39,120  
boy or

303  
00:13:43,129 --> 00:13:41,579  
or a or some freak or something I

304  
00:13:44,990 --> 00:13:43,139  
don't know what it was

305  
00:13:47,990 --> 00:13:45,000  
and then

306  
00:13:49,790 --> 00:13:48,000  
that's when

307  
00:13:52,370 --> 00:13:49,800  
um I Heard noise on on this side and

308  
00:13:54,110 --> 00:13:52,380  
when I looked to the side I thought you

309  
00:13:55,970 --> 00:13:54,120  
know I thought that the one that was

310  
00:13:58,250 --> 00:13:55,980  
over here was the same one that was on

311  
00:13:59,329 --> 00:13:58,260  
this side it turns out that there was

312  
00:14:01,490 --> 00:13:59,339  
two of them

313  
00:14:04,610 --> 00:14:01,500

it wasn't the same one I was wondering

314

00:14:06,889 --> 00:14:04,620

how how that how had it gotten from this

315

00:14:08,810 --> 00:14:06,899

side to this side that quick

316

00:14:10,069 --> 00:14:08,820

but it hadn't moved and the other one

317

00:14:12,230 --> 00:14:10,079

was still there

318

00:14:14,750 --> 00:14:12,240

so that's when the one on this side

319

00:14:20,870 --> 00:14:14,760

opened the door

320

00:14:25,910 --> 00:14:23,990

basically there that's when I um

321

00:14:27,730 --> 00:14:25,920

I like fainted some people say that

322

00:14:31,509 --> 00:14:27,740

these things put me to sleep or whatever

323

00:14:35,870 --> 00:14:31,519

I I in my opinion I fainted

324

00:14:38,230 --> 00:14:35,880

and I urinated on myself you know I weed

325

00:14:44,629 --> 00:14:41,870

and the next thing I know when I woke up

326

00:14:46,430 --> 00:14:44,639

I was somewhere else and it was Daylight

327

00:14:48,050 --> 00:14:46,440

out

328

00:14:49,430 --> 00:14:48,060

and I'm sitting in the car and I'm

329

00:14:51,949 --> 00:14:49,440

crying like

330

00:14:53,569 --> 00:14:51,959

I can't I don't I can't really explain

331

00:14:56,930 --> 00:14:53,579

why I was crying all I know I was just

332

00:14:59,870 --> 00:14:58,610

um I knew I was somewhere else I was

333

00:15:02,269 --> 00:14:59,880

sitting inside the car when I was

334

00:15:04,430 --> 00:15:02,279

someone I was somewhere else

335

00:15:06,949 --> 00:15:04,440

and

336

00:15:09,769 --> 00:15:06,959

that's when I heard the

337

00:15:11,290 --> 00:15:09,779

those jets that nowadays I know that

338

00:15:13,670 --> 00:15:11,300

their

339

00:15:15,730 --> 00:15:13,680

f-14s or whatever they are but I I just

340

00:15:19,129 --> 00:15:15,740

knew they were military jets back then

341

00:15:24,710 --> 00:15:19,139

and I heard the noise and

342

00:15:29,750 --> 00:15:26,810

I guess what people in the Flying Saucer

343

00:15:33,470 --> 00:15:29,760

thing I've seen in the UFO the craft was

344

00:15:33,480 --> 00:15:38,449

I didn't make any noise and

345

00:15:41,810 --> 00:15:40,610

and that's when the planes came in there

346

00:15:43,490 --> 00:15:41,820

were three of them they started going

347

00:15:46,970 --> 00:15:43,500

around them and

348

00:15:48,889 --> 00:15:46,980

I just grabbed the camera like

349

00:15:50,810 --> 00:15:48,899

again so you know people who are

350

00:15:54,189 --> 00:15:50,820

investigated the case they tell me that

351

00:15:56,329 --> 00:15:54,199

it might be that I was like

352

00:15:58,670 --> 00:15:56,339

induced to grab the camera or whatever

353

00:16:01,069 --> 00:15:58,680

I'm not really sure

354

00:16:03,050 --> 00:16:01,079

if I did it on my own or if I was

355

00:16:06,530 --> 00:16:03,060

supposed to do it I don't know I know

356

00:16:08,629 --> 00:16:06,540

that I took the camera and I started

357

00:16:10,269 --> 00:16:08,639

um taking pictures but only when I would

358

00:16:12,350 --> 00:16:10,279

hear a a

359

00:16:14,810 --> 00:16:12,360

beeping sound

360

00:16:19,250 --> 00:16:14,820

exactly like the the ones that you hear

361

00:16:21,889 --> 00:16:19,260

on a on a digital digital clock a watch

362

00:16:24,949 --> 00:16:21,899

so that's why I kind of freak out even

363

00:16:27,410 --> 00:16:24,959

three almost four years now like I still

364

00:16:28,970 --> 00:16:27,420

freak out when I hear that noise I may

365

00:16:31,550 --> 00:16:28,980

be sitting next to somebody and I hear

366

00:16:33,170 --> 00:16:31,560

the other watch goes off and that kind

367

00:16:36,230 --> 00:16:33,180

of freaks me out

368

00:16:44,990 --> 00:16:40,129

that's how I got the pictures basically

369

00:16:46,610 --> 00:16:45,000

and after that I just went home oh I

370

00:16:48,710 --> 00:16:46,620

took the pictures there

371

00:16:50,810 --> 00:16:48,720

and the

372

00:16:52,730 --> 00:16:50,820

the spaceship or whatever you want to

373

00:16:55,370 --> 00:16:52,740

call it that that brown thing just like

374

00:16:58,430 --> 00:16:55,380

tilted to the side and just took off

375

00:17:01,430 --> 00:16:58,440

and the Jets I thought were gonna follow

376

00:17:03,290 --> 00:17:01,440

it but what they did was they went they

377

00:17:04,630 --> 00:17:03,300

went the other way that don't make no

378

00:17:08,230 --> 00:17:04,640

sense but that's the way it happened

379

00:17:11,090 --> 00:17:08,240

instead of following the the object

380

00:17:14,030 --> 00:17:11,100

so after that I got in my car and I

381

00:17:15,409 --> 00:17:14,040

started and just turned it on and just

382

00:17:16,309 --> 00:17:15,419

started driving I didn't know where I

383

00:17:18,530 --> 00:17:16,319

was

384

00:17:20,689 --> 00:17:18,540

and so finally I came across these

385

00:17:23,030 --> 00:17:20,699

houses and I told this lady with a hose

386

00:17:25,370 --> 00:17:23,040

in front of her house and she I asked

387

00:17:28,549 --> 00:17:25,380

her you know which way is it too

388

00:17:29,870 --> 00:17:28,559

too she's like looking at me like this

389

00:17:33,710 --> 00:17:29,880

guy what's wrong with him he's in

390

00:17:35,690 --> 00:17:33,720

kaworld and he's asking which way is it

391

00:17:37,669 --> 00:17:35,700

but what I really wanted to get to town

392

00:17:39,529 --> 00:17:37,679

because once I was in the center of town

393

00:17:42,650 --> 00:17:39,539

I would you know like know my way back

394

00:17:44,210 --> 00:17:42,660

to my grandmother's house

395

00:17:47,150 --> 00:17:44,220

so um

396

00:17:47,990 --> 00:17:47,160

the lady directed me to certain roles

397

00:17:50,930 --> 00:17:48,000

and

398

00:17:53,090 --> 00:17:50,940

the thing was I got I got home when I

399

00:17:55,010 --> 00:17:53,100

got home like my grandmother says I

400

00:17:58,730 --> 00:17:55,020

don't remember she tells she tells me

401  
00:18:01,549 --> 00:17:58,740  
that she asked me what was um wrong with

402  
00:18:03,830 --> 00:18:01,559  
me why had I had I gotten there you know

403  
00:18:05,990 --> 00:18:03,840  
later than usual

404  
00:18:07,669 --> 00:18:06,000  
and she says I I mumbled something and

405  
00:18:10,190 --> 00:18:07,679  
went into the room I don't remember

406  
00:18:11,690 --> 00:18:10,200  
talking to her when I got in but I have

407  
00:18:12,950 --> 00:18:11,700  
to build either

408  
00:18:31,250 --> 00:18:12,960  
and

409  
00:18:33,770 --> 00:18:31,260  
don't remember this she says that I got

410  
00:18:35,930 --> 00:18:33,780  
up and I made myself like a sandwich or

411  
00:18:37,730 --> 00:18:35,940  
some something light

412  
00:18:40,330 --> 00:18:37,740  
and didn't speak or anything and just

413  
00:18:44,330 --> 00:18:40,340

went back to bed again

414

00:18:47,930 --> 00:18:44,340

so when I got up the next day I didn't

415

00:18:50,270 --> 00:18:47,940

remember any of the thing with the

416

00:18:52,669 --> 00:18:50,280

with a big-headed little man or the

417

00:18:54,289 --> 00:18:52,679

airplanes you know the Jets or the craft

418

00:18:57,529 --> 00:18:54,299

or anything

419

00:18:59,690 --> 00:18:57,539

in my mind it was like I had left the

420

00:19:03,409 --> 00:18:59,700

nightclub and

421

00:19:06,890 --> 00:19:03,419

and gotten home like any other night

422

00:19:09,650 --> 00:19:06,900

and I had given the camera back to my

423

00:19:11,570 --> 00:19:09,660

cousin and I said here I I took some

424

00:19:15,350 --> 00:19:11,580

pictures of it

425

00:19:16,430 --> 00:19:15,360

under your your musical group or

426

00:19:19,310 --> 00:19:16,440

whatever

427

00:19:21,590 --> 00:19:19,320

and um she asked for the

428

00:19:24,770 --> 00:19:21,600

for the records you wanted them to sign

429

00:19:26,630 --> 00:19:24,780

and I didn't have the like the nerve to

430

00:19:28,970 --> 00:19:26,640

go up there and ask them for their

431

00:19:30,289 --> 00:19:28,980

autograph so I just left it behind the

432

00:19:32,270 --> 00:19:30,299

bar over there and I told her that

433

00:19:34,789 --> 00:19:32,280

somebody had taken it

434

00:19:36,830 --> 00:19:34,799

that I didn't know what happened to it

435

00:19:40,730 --> 00:19:36,840

but she's not here now so she won't know

436

00:19:44,930 --> 00:19:42,250

um

437

00:19:48,850 --> 00:19:44,940

the thing was that when she had those

438

00:19:50,810 --> 00:19:48,860

the thing the developed the film

439

00:19:57,470 --> 00:19:50,820

she

440

00:19:59,570 --> 00:19:57,480

Junior my family they call me Junior and

441

00:20:00,890 --> 00:19:59,580

he said Junior come come on over I want

442

00:20:02,450 --> 00:20:00,900

you to explain to me what are these

443

00:20:05,330 --> 00:20:02,460

other pictures and I said what are the

444

00:20:08,150 --> 00:20:05,340

pictures like she said just just come on

445

00:20:11,570 --> 00:20:08,160

over and she lives in Colorado too

446

00:20:17,330 --> 00:20:13,669

I'm just gonna roll up

447

00:20:21,470 --> 00:20:17,340

so we I went to got in my car went over

448

00:20:24,049 --> 00:20:21,480

there and she said I'm here so when I'm

449

00:20:26,029 --> 00:20:24,059

looking at the

450

00:20:27,470 --> 00:20:26,039

and the pictures which are you know

451  
00:20:29,150 --> 00:20:27,480  
they're more pictures than the ones that

452  
00:20:31,370 --> 00:20:29,160  
were shown here

453  
00:20:33,830 --> 00:20:31,380  
but most of the the other ones are not

454  
00:20:36,650 --> 00:20:33,840  
for publication or

455  
00:20:38,210 --> 00:20:36,660  
or even you know those are private those

456  
00:20:40,610 --> 00:20:38,220  
are personal

457  
00:20:42,650 --> 00:20:40,620  
and um

458  
00:20:45,890 --> 00:20:42,660  
the thing was that when she showed me

459  
00:20:48,409 --> 00:20:45,900  
those pictures that's when it hit me

460  
00:20:50,810 --> 00:20:48,419  
and I got kind of freaked out I got in

461  
00:20:53,950 --> 00:20:50,820  
my car and you know I took the pictures

462  
00:20:56,150 --> 00:20:53,960  
with me and I went back home and

463  
00:20:57,830 --> 00:20:56,160

because she kept talking to me and I

464

00:21:00,529 --> 00:20:57,840

didn't answer her

465

00:21:02,150 --> 00:21:00,539

so by the time I got home she had called

466

00:21:04,310 --> 00:21:02,160

my grandmother and told her you know

467

00:21:06,289 --> 00:21:04,320

what's wrong with them I showed him

468

00:21:08,390 --> 00:21:06,299

these pictures that were wisdom the rest

469

00:21:10,250 --> 00:21:08,400

of the pictures he had taken and

470

00:21:11,630 --> 00:21:10,260

he kind of freaked out and he just got

471

00:21:13,970 --> 00:21:11,640

in his car and that's and I'm afraid he

472

00:21:17,029 --> 00:21:13,980

could have an accident on the way

473

00:21:18,650 --> 00:21:17,039

so my grandmother's still talking to my

474

00:21:20,090 --> 00:21:18,660

cousin on the phone that's when I get

475

00:21:22,610 --> 00:21:20,100

home and I just

476

00:21:24,950 --> 00:21:22,620

went into my room and I locked myself

477

00:21:26,570 --> 00:21:24,960

away and I didn't want to talk to

478

00:21:28,310 --> 00:21:26,580

anybody

479

00:21:29,510 --> 00:21:28,320

it wasn't really that I didn't want to

480

00:21:31,789 --> 00:21:29,520

talk to anybody it's just that I

481

00:21:35,510 --> 00:21:31,799

couldn't I couldn't talk

482

00:21:38,090 --> 00:21:35,520

you know it wasn't that any being had my

483

00:21:39,350 --> 00:21:38,100

you know was controlling my throat or

484

00:21:41,930 --> 00:21:39,360

anything it was just that I just

485

00:21:46,490 --> 00:21:43,130

and

486

00:21:49,250 --> 00:21:46,500

know my cousin started showing up my

487

00:21:52,130 --> 00:21:49,260

that female cousin came on just the way

488

00:21:54,289 --> 00:21:52,140

she was in her robe and with her kids in

489

00:21:56,690 --> 00:21:54,299

the car and before I knew it my whole

490

00:21:58,130 --> 00:21:56,700

family was on like a little get-together

491

00:22:00,409 --> 00:21:58,140

at home and they're banging on the door

492

00:22:01,970 --> 00:22:00,419

and you know come out what's wrong and

493

00:22:03,590 --> 00:22:01,980

they wanted to find out what was

494

00:22:05,930 --> 00:22:03,600

happening

495

00:22:07,909 --> 00:22:05,940

so um

496

00:22:08,870 --> 00:22:07,919

I I just couldn't talk to anybody at

497

00:22:11,330 --> 00:22:08,880

that point

498

00:22:13,250 --> 00:22:11,340

so I suppose one of my little cousins

499

00:22:16,070 --> 00:22:13,260

that I told him just tell anybody to

500

00:22:17,510 --> 00:22:16,080

leave me alone and I'll I'll explain

501  
00:22:23,029 --> 00:22:17,520  
later

502  
00:22:27,830 --> 00:22:25,430  
it wasn't until the next day I was able

503  
00:22:29,390 --> 00:22:27,840  
to talk to just my aunt and my

504  
00:22:31,430 --> 00:22:29,400  
grandmother about the situation I told

505  
00:22:33,529 --> 00:22:31,440  
him you know let me know this this is

506  
00:22:35,810 --> 00:22:33,539  
what happened and this is what I

507  
00:22:38,090 --> 00:22:35,820  
remember of it and

508  
00:22:40,730 --> 00:22:38,100  
oh they kind of freaked out too but then

509  
00:22:44,270 --> 00:22:40,740  
when my they all had a different opinion

510  
00:22:46,010 --> 00:22:44,280  
my father said it was the demons and you

511  
00:22:48,110 --> 00:22:46,020  
know we were we were brought up like you

512  
00:22:50,090 --> 00:22:48,120  
know Jehovah Witnesses so that was

513  
00:22:51,830 --> 00:22:50,100

another problem

514

00:22:53,690 --> 00:22:51,840

so I didn't really know what to think of

515

00:22:55,610 --> 00:22:53,700

it at one point I thought it would you

516

00:22:57,169 --> 00:22:55,620

know I said well it must they must be

517

00:23:01,130 --> 00:22:57,179

demons or

518

00:23:04,430 --> 00:23:01,140

I didn't have no explanation for it

519

00:23:06,970 --> 00:23:04,440

and the thing is that um

520

00:23:10,789 --> 00:23:06,980

I stopped working at that nightclub and

521

00:23:13,010 --> 00:23:10,799

we kind of stopped talking about that

522

00:23:16,010 --> 00:23:13,020

event at home and

523

00:23:17,810 --> 00:23:16,020

it's kind of like just put it behind us

524

00:23:20,750 --> 00:23:17,820

okay I had difficulties because I

525

00:23:22,970 --> 00:23:20,760

couldn't leave the house at night if I

526

00:23:24,649 --> 00:23:22,980

did it had the car had to be like pack

527

00:23:28,190 --> 00:23:24,659

Jam

528

00:23:31,190 --> 00:23:28,200

and I used to get um used to I don't get

529

00:23:33,230 --> 00:23:31,200

them anymore I used to get nightmares

530

00:23:34,970 --> 00:23:33,240

I mean real violent ones

531

00:23:37,730 --> 00:23:34,980

you know like these little things were

532

00:23:40,730 --> 00:23:37,740

chasing me and you know a whole bunch of

533

00:23:42,950 --> 00:23:40,740

crazy things and

534

00:23:45,049 --> 00:23:42,960

at the same time I was affected but I

535

00:23:46,250 --> 00:23:45,059

was affecting my grandmother and my

536

00:23:47,990 --> 00:23:46,260

whole household they would have to get

537

00:23:49,310 --> 00:23:48,000

up they would have to get up in the

538

00:23:51,649 --> 00:23:49,320

middle of the night and

539

00:23:54,710 --> 00:23:51,659

I come into my room and

540

00:23:57,049 --> 00:23:54,720

console me or whatever

541

00:23:59,090 --> 00:23:57,059

but um

542

00:24:01,310 --> 00:23:59,100

you know time passed

543

00:24:02,630 --> 00:24:01,320

and I kind of forgot about it about the

544

00:24:04,190 --> 00:24:02,640

thing we had forgotten about other

545

00:24:05,090 --> 00:24:04,200

horrible things that happened to me in

546

00:24:07,669 --> 00:24:05,100

life

547

00:24:10,250 --> 00:24:07,679

but um

548

00:24:11,750 --> 00:24:10,260

I stopped working working there because

549

00:24:13,190 --> 00:24:11,760

my cousins they couldn't keep taking me

550

00:24:15,350 --> 00:24:13,200

back and forth because I wouldn't go by

551  
00:24:17,450 --> 00:24:15,360  
myself to the nightclub

552  
00:24:19,610 --> 00:24:17,460  
so I stopped working there and finally

553  
00:24:21,230 --> 00:24:19,620  
that little that little dream I had

554  
00:24:24,890 --> 00:24:21,240  
about the hot dog I got that together

555  
00:24:29,450 --> 00:24:27,770  
so we had kind of forgotten about that

556  
00:24:32,149 --> 00:24:29,460  
so

557  
00:24:33,950 --> 00:24:32,159  
the thing is that once I'm preparing

558  
00:24:36,350 --> 00:24:33,960  
some meat that I put on the hot dogs in

559  
00:24:38,990 --> 00:24:36,360  
that at home and

560  
00:24:43,010 --> 00:24:41,029  
so um

561  
00:24:44,990 --> 00:24:43,020  
I don't know why that like I'm not gonna

562  
00:24:48,230 --> 00:24:45,000  
I'm not psychic or I've never had like a

563  
00:24:49,850 --> 00:24:48,240

psychic experience or anything but I for

564

00:24:52,970 --> 00:24:49,860

some reason another I went to the room

565

00:24:55,850 --> 00:24:52,980

where I had the these pictures with just

566

00:24:56,990 --> 00:24:55,860

thrown in the drawer and I never I

567

00:24:58,570 --> 00:24:57,000

didn't use that draw for anything else

568

00:25:01,909 --> 00:24:58,580

they were just there

569

00:25:03,529 --> 00:25:01,919

and and this yellow envelope I had put

570

00:25:06,110 --> 00:25:03,539

them in I put

571

00:25:07,909 --> 00:25:06,120

for some reason I just

572

00:25:10,370 --> 00:25:07,919

took them out of the drawer and went

573

00:25:12,049 --> 00:25:10,380

into the outside where we have the

574

00:25:14,270 --> 00:25:12,059

little dog house and I pasted them

575

00:25:15,890 --> 00:25:14,280

underneath

576

00:25:18,409 --> 00:25:15,900

like if this was the dog house

577

00:25:20,450 --> 00:25:18,419

underneath there inside inside the

578

00:25:23,390 --> 00:25:20,460

doghouse

579

00:25:24,950 --> 00:25:23,400

and and I gave the you know it was kind

580

00:25:29,269 --> 00:25:24,960

of part of the the routine was giving

581

00:25:31,130 --> 00:25:29,279

the my little dog some water so I like I

582

00:25:32,990 --> 00:25:31,140

I don't know I added that to everything

583

00:25:34,370 --> 00:25:33,000

that morning for one one reason or

584

00:25:36,529 --> 00:25:34,380

another

585

00:25:39,049 --> 00:25:36,539

that evening when I get home with all my

586

00:25:39,890 --> 00:25:39,059

my hot dog junk

587

00:25:43,630 --> 00:25:39,900

um

588

00:25:45,590 --> 00:25:43,640

my Grandma's watching TV and

589

00:25:48,230 --> 00:25:45,600

I'm putting the stuff away in the

590

00:25:50,149 --> 00:25:48,240

refrigerator and that's when um this man

591

00:25:52,789 --> 00:25:50,159

showed up at the door and I thought he

592

00:25:55,310 --> 00:25:52,799

was uh even a Jehovah Witness or a

593

00:25:57,049 --> 00:25:55,320

Mormon or somebody at the door like he

594

00:26:00,350 --> 00:25:57,059

was well dressed and

595

00:26:03,169 --> 00:26:00,360

so he says um we have a screen door

596

00:26:05,510 --> 00:26:03,179

and he's just standing and I looking

597

00:26:11,210 --> 00:26:05,520

he says um

598

00:26:16,390 --> 00:26:13,310

um yeah

599

00:26:19,010 --> 00:26:16,400

and he didn't say could we come in or

600

00:26:21,230 --> 00:26:19,020

nothing I didn't say come in either he

601  
00:26:23,269 --> 00:26:21,240

just like barged in

602  
00:26:24,830 --> 00:26:23,279

and he behind him there was two other

603  
00:26:27,110 --> 00:26:24,840

men

604  
00:26:30,590 --> 00:26:27,120

and the first thing he did he handed me

605  
00:26:34,610 --> 00:26:30,600

some some papers and he said we're here

606  
00:26:38,149 --> 00:26:36,710

and when he gave me the papers I started

607  
00:26:40,549 --> 00:26:38,159

like looking at them but I got real

608  
00:26:43,190 --> 00:26:40,559

nervous and I couldn't really like read

609  
00:26:45,289 --> 00:26:43,200

or figure out what is what it said on

610  
00:26:46,850 --> 00:26:45,299

there and he said um we have an order to

611  
00:26:49,549 --> 00:26:46,860

search your house and make it easier for

612  
00:26:50,930 --> 00:26:49,559

us just just give us the negatives so at

613  
00:26:53,810 --> 00:26:50,940

that point my grandmother you know she's

614

00:26:56,450 --> 00:26:53,820

she's an old woman oh she got real

615

00:26:58,669 --> 00:26:56,460

nervous and she was about to

616

00:27:01,430 --> 00:26:58,679

like to spit out um

617

00:27:03,169 --> 00:27:01,440

you know give it to them or something

618

00:27:05,510 --> 00:27:03,179

along those lines so I just like I

619

00:27:07,130 --> 00:27:05,520

looked at her like you know shut up

620

00:27:08,990 --> 00:27:07,140

and I told him I don't know what you're

621

00:27:10,549 --> 00:27:09,000

talking about and he said you know what

622

00:27:13,909 --> 00:27:10,559

I'm talking about

623

00:27:15,890 --> 00:27:13,919

I said I don't so he says well you need

624

00:27:17,029 --> 00:27:15,900

to hand them over or we're just gonna

625

00:27:18,529 --> 00:27:17,039

have to look through the whole place and

626

00:27:20,690 --> 00:27:18,539

we know you have them here

627

00:27:22,130 --> 00:27:20,700

and I said again I don't know you know

628

00:27:23,990 --> 00:27:22,140

what you're talking about but let's

629

00:27:26,269 --> 00:27:24,000

leave my my grandmother which is my

630

00:27:28,250 --> 00:27:26,279

mother out of this

631

00:27:30,769 --> 00:27:28,260

so they let my grandmother go downstairs

632

00:27:33,409 --> 00:27:30,779

to my aunt's house

633

00:27:34,669 --> 00:27:33,419

I'm down there she you know she had like

634

00:27:36,049 --> 00:27:34,679

not a heart attack but she got all

635

00:27:39,590 --> 00:27:36,059

nervous she started crying and that's

636

00:27:41,510 --> 00:27:39,600

another story downstairs because we live

637

00:27:43,970 --> 00:27:41,520

above my aunt's house there's another

638

00:27:46,190 --> 00:27:43,980

little house on top of that house

639

00:27:49,070 --> 00:27:46,200

so there was another thing going on

640

00:27:51,769 --> 00:27:49,080

downstairs while upstairs these these

641

00:27:54,049 --> 00:27:51,779

these guys were demanding something that

642

00:27:56,090 --> 00:27:54,059

I was telling them I didn't have

643

00:27:58,370 --> 00:27:56,100

so I said would just just be my guest I

644

00:28:00,710 --> 00:27:58,380

turned the TV off and they they looked

645

00:28:02,810 --> 00:28:00,720

everywhere they looked and uh

646

00:28:05,750 --> 00:28:02,820

the funny thing is that the first place

647

00:28:08,210 --> 00:28:05,760

they looked wasn't in that drawer that

648

00:28:08,930 --> 00:28:08,220

bugged me out and

649

00:28:10,669 --> 00:28:08,940

um

650

00:28:12,649 --> 00:28:10,679

but they looked every place they looked

651  
00:28:18,590 --> 00:28:12,659  
in

652  
00:28:21,769 --> 00:28:18,600  
they look there

653  
00:28:23,450 --> 00:28:21,779  
and um they weren't messy you know I was

654  
00:28:25,250 --> 00:28:23,460  
expecting though like in the movies that

655  
00:28:26,870 --> 00:28:25,260  
they they you see the detectives come

656  
00:28:28,970 --> 00:28:26,880  
into the house and they they mess

657  
00:28:31,490 --> 00:28:28,980  
everything out and they didn't do that

658  
00:28:33,649 --> 00:28:31,500  
that way they were very um

659  
00:28:35,450 --> 00:28:33,659  
like meticulous

660  
00:28:38,090 --> 00:28:35,460  
and so

661  
00:28:40,610 --> 00:28:38,100  
when they but they did take every other

662  
00:28:42,769 --> 00:28:40,620  
um negative like that at home well now

663  
00:28:44,470 --> 00:28:42,779

that we have more of them but none of

664

00:28:46,490 --> 00:28:44,480

the negative like um

665

00:28:48,169 --> 00:28:46,500

birthdays and

666

00:28:50,390 --> 00:28:48,179

you know things that have nothing to do

667

00:28:51,890 --> 00:28:50,400

with um UFOs and they took all those

668

00:28:56,570 --> 00:28:51,900

negatives they hadn't but they kept

669

00:28:59,930 --> 00:28:58,370

we thought maybe they did they were

670

00:29:03,110 --> 00:28:59,940

amongst them or something and they would

671

00:29:06,110 --> 00:29:03,120

look at them later with you know

672

00:29:08,690 --> 00:29:06,120

the time one by one

673

00:29:09,890 --> 00:29:08,700

so they left and then my arm when I

674

00:29:11,810 --> 00:29:09,900

spoke to my aunt she told me there was

675

00:29:13,970 --> 00:29:11,820

another man sitting in the in the car

676

00:29:16,610 --> 00:29:13,980

waiting waiting for these other guys

677

00:29:17,870 --> 00:29:16,620

there so there was four of them three of

678

00:29:20,210 --> 00:29:17,880

them came up and one of them stood in

679

00:29:25,490 --> 00:29:22,669

so

680

00:29:26,930 --> 00:29:25,500

basically after that I I have my

681

00:29:30,169 --> 00:29:26,940

brothers in the

682

00:29:32,510 --> 00:29:30,179

in the Marines and at that time he was

683

00:29:35,090 --> 00:29:32,520

him and his wife was stationed at in

684

00:29:37,610 --> 00:29:35,100

Japan so

685

00:29:39,710 --> 00:29:37,620

me and another cousin of mine we the

686

00:29:41,930 --> 00:29:39,720

thing was that we got those pictures to

687

00:29:44,690 --> 00:29:41,940

my brother and he put them in a safety

688

00:29:46,610 --> 00:29:44,700

and deposit box in Japan or some

689

00:29:48,710 --> 00:29:46,620

something like that he just I knew there

690

00:29:50,870 --> 00:29:48,720

was a cure with him

691

00:29:55,250 --> 00:29:50,880

so after that after I sent that to my

692

00:29:57,289 --> 00:29:55,260

brother on uh years passed by and and I

693

00:29:59,750 --> 00:29:57,299

I decided you know I was never going to

694

00:30:01,250 --> 00:29:59,760

talk to anybody about it and and my

695

00:30:03,169 --> 00:30:01,260

brother gave me advice he had heard

696

00:30:05,029 --> 00:30:03,179

weird stories in the Marines about what

697

00:30:07,610 --> 00:30:05,039

happens to people who sees these things

698

00:30:09,409 --> 00:30:07,620

and people who have evidence

699

00:30:12,230 --> 00:30:09,419

you know that they make them disappear

700

00:30:14,510 --> 00:30:12,240

and my brother you know he scared me I

701  
00:30:16,370 --> 00:30:14,520  
said wait a minute song I'm just I'm

702  
00:30:19,490 --> 00:30:16,380  
just gonna forget this

703  
00:30:21,110 --> 00:30:19,500  
but I I had shown it to to certain

704  
00:30:23,450 --> 00:30:21,120  
people and of course you know my family

705  
00:30:25,909 --> 00:30:23,460  
I can't keep about it and they

706  
00:30:28,750 --> 00:30:25,919  
might tell somebody at their job and the

707  
00:30:32,090 --> 00:30:28,760  
thing is word got around and I would

708  
00:30:34,850 --> 00:30:32,100  
basically deny it I would say no and I

709  
00:30:40,130 --> 00:30:34,860  
don't know nothing about that

710  
00:30:42,350 --> 00:30:40,140  
so like two years I had gone by and

711  
00:30:44,810 --> 00:30:42,360  
I didn't think about it any longer and

712  
00:30:47,810 --> 00:30:44,820  
at home nobody ever brought it up

713  
00:30:50,630 --> 00:30:47,820

until one day um

714

00:30:53,630 --> 00:30:50,640

and the people I'm here with they um

715

00:30:55,909 --> 00:30:53,640

they they showed up uh it's not even so

716

00:30:57,889 --> 00:30:55,919

clear how they they got in touch with me

717

00:31:00,350 --> 00:30:57,899

but they had heard about the photographs

718

00:31:03,769 --> 00:31:00,360

or something and they would come up

719

00:31:05,690 --> 00:31:03,779

and I would deny it to them too

720

00:31:07,250 --> 00:31:05,700

and say no I don't know I'm not that

721

00:31:11,029 --> 00:31:07,260

person I don't know what you're talking

722

00:31:12,590 --> 00:31:11,039

about and you have the wrong guy

723

00:31:15,289 --> 00:31:12,600

because I didn't know who they were

724

00:31:17,930 --> 00:31:15,299

really they claimed to be from the UFO

725

00:31:20,149 --> 00:31:17,940

investigators or they claimed to be you

726

00:31:21,590 --> 00:31:20,159

know the editor of a magazine but I

727

00:31:24,470 --> 00:31:21,600

didn't know them

728

00:31:26,750 --> 00:31:24,480

so I thought they could have been part

729

00:31:28,789 --> 00:31:26,760

of the government for all I know I was I

730

00:31:31,310 --> 00:31:28,799

wasn't about to admit to them

731

00:31:33,889 --> 00:31:31,320

But as time went by um

732

00:31:35,990 --> 00:31:33,899

and I got to know them better and

733

00:31:38,330 --> 00:31:36,000

and they showed me that the magazine

734

00:31:40,970 --> 00:31:38,340

they said I don't know the thing was

735

00:31:44,149 --> 00:31:40,980

that they they inspired trust and

736

00:31:46,669 --> 00:31:44,159

and finally well you know I I admitted

737

00:31:50,149 --> 00:31:46,679

to them yeah this is what happened and I

738

00:31:54,649 --> 00:31:50,159

show them a few of the of the snapshots

739

00:31:56,330 --> 00:31:54,659

and they they suggested that maybe this

740

00:31:59,930 --> 00:31:56,340

should be made public because that

741

00:32:03,830 --> 00:32:01,130

so

742

00:32:06,169 --> 00:32:03,840

and initially I said no but then I

743

00:32:08,570 --> 00:32:06,179

started taking it because um

744

00:32:10,250 --> 00:32:08,580

enjoying this whole time that that time

745

00:32:13,330 --> 00:32:10,260

that I didn't

746

00:32:16,789 --> 00:32:13,340

kind of remember from from the moment

747

00:32:18,889 --> 00:32:16,799

when the that small little thing opened

748

00:32:21,049 --> 00:32:18,899

the door on this side that I that I

749

00:32:23,990 --> 00:32:21,059

fainted from that moment to the moment I

750

00:32:27,110 --> 00:32:24,000

had awakened in that other place there

751  
00:32:29,389 --> 00:32:27,120  
is there something else had happened

752  
00:32:31,610 --> 00:32:29,399  
and then apparently that that was what

753  
00:32:33,710 --> 00:32:31,620  
was causing the nightmares and and

754  
00:32:36,370 --> 00:32:33,720  
whatnot

755  
00:32:38,889 --> 00:32:36,380  
so with the help of um

756  
00:32:40,690 --> 00:32:38,899  
thing and

757  
00:32:43,970 --> 00:32:40,700  
salsa

758  
00:32:46,750 --> 00:32:43,980  
and a few other people amongst them I

759  
00:32:49,190 --> 00:32:46,760  
have a lot to be grateful to this woman

760  
00:32:51,889 --> 00:32:49,200  
who called him and thing introduced to

761  
00:32:53,750 --> 00:32:51,899  
me her name is Maria Victoria

762  
00:32:57,110 --> 00:32:53,760  
and um

763  
00:32:59,269 --> 00:32:57,120

she you know she made me she's very

764

00:33:01,789 --> 00:32:59,279

special she made me um see things in a

765

00:33:03,590 --> 00:33:01,799

different light like and nowadays if I

766

00:33:06,169 --> 00:33:03,600

hear somebody joking about UFOs I don't

767

00:33:08,930 --> 00:33:06,179

get like all upset or or freaky about it

768

00:33:11,630 --> 00:33:08,940

I can handle it

769

00:33:13,009 --> 00:33:11,640

well the the the thing that had happened

770

00:33:15,110 --> 00:33:13,019

was that when

771

00:33:17,029 --> 00:33:15,120

when I fainted or whatever it was at

772

00:33:18,950 --> 00:33:17,039

that time and then they opened the door

773

00:33:20,710 --> 00:33:18,960

that the little guy on this I opened the

774

00:33:23,930 --> 00:33:20,720

door

775

00:33:26,149 --> 00:33:23,940

uh I had woken up somewhere else besides

776  
00:33:27,710 --> 00:33:26,159  
that that last time when I woke up when

777  
00:33:30,830 --> 00:33:27,720  
the Jets were there

778  
00:33:32,210 --> 00:33:30,840  
and in that place there were other cars

779  
00:33:36,110 --> 00:33:32,220  
there

780  
00:33:38,090 --> 00:33:36,120  
and they were like 10 or 15 cars and I I

781  
00:33:39,830 --> 00:33:38,100  
can't you know people ask me about how

782  
00:33:42,889 --> 00:33:39,840  
many exactly I don't know how many

783  
00:33:45,409 --> 00:33:42,899  
exactly and there were but they were

784  
00:33:47,509 --> 00:33:45,419  
like 10 to 15 cars here

785  
00:33:49,490 --> 00:33:47,519  
when I'm sitting there and it looks like

786  
00:33:51,350 --> 00:33:49,500  
like if it was an underground parking or

787  
00:33:53,330 --> 00:33:51,360  
something I'd say no you know what

788  
00:33:55,009 --> 00:33:53,340

oh well I couldn't even think straight

789

00:33:56,750 --> 00:33:55,019

now you know I know I didn't know where

790

00:33:59,269 --> 00:33:56,760

I was

791

00:34:01,789 --> 00:33:59,279

but a moment later that that little

792

00:34:03,590 --> 00:34:01,799

thing showed up again and

793

00:34:06,710 --> 00:34:03,600

he opened the door and I couldn't move

794

00:34:09,649 --> 00:34:06,720

again I don't know if it was

795

00:34:12,470 --> 00:34:09,659

that this thing has the power to to

796

00:34:14,690 --> 00:34:12,480

freeze you or or I was just you know

797

00:34:17,389 --> 00:34:14,700

really scared

798

00:34:19,070 --> 00:34:17,399

you know now that I mention scared I

799

00:34:20,750 --> 00:34:19,080

just want to say this so I don't

800

00:34:23,389 --> 00:34:20,760

understand like when

801  
00:34:25,250 --> 00:34:23,399  
I mean nowadays I'm not all that scared

802  
00:34:28,430 --> 00:34:25,260  
of about it but still in the beginning

803  
00:34:31,970 --> 00:34:28,440  
when I would speak about fear and and

804  
00:34:33,230 --> 00:34:31,980  
how afraid this this made me in me and I

805  
00:34:35,810 --> 00:34:33,240  
would hear people come up to me and say

806  
00:34:37,730 --> 00:34:35,820  
oh I wish this would happen to me

807  
00:34:40,369 --> 00:34:37,740  
yeah like I I don't really understand

808  
00:34:42,050 --> 00:34:40,379  
why would anybody want this to happen to

809  
00:34:44,210 --> 00:34:42,060  
them

810  
00:34:46,010 --> 00:34:44,220  
and or other people would say you know

811  
00:34:47,450 --> 00:34:46,020  
what you shouldn't be afraid or you

812  
00:34:49,250 --> 00:34:47,460  
shouldn't feel this or you shouldn't

813  
00:34:51,710 --> 00:34:49,260

feel

814

00:34:53,329 --> 00:34:51,720

that's the way I felt like I was I felt

815

00:34:55,250 --> 00:34:53,339

terrorized

816

00:34:57,950 --> 00:34:55,260

and

817

00:35:00,710 --> 00:34:57,960

well anyway the next thing I know this

818

00:35:03,589 --> 00:35:00,720

this little um

819

00:35:06,349 --> 00:35:03,599

this little man to call him that he puts

820

00:35:08,210 --> 00:35:06,359

his his he starts moving his he opens

821

00:35:09,710 --> 00:35:08,220

the door again and he starts I don't see

822

00:35:12,530 --> 00:35:09,720

the other one

823

00:35:14,870 --> 00:35:12,540

he he he opens the door and he starts

824

00:35:18,589 --> 00:35:14,880

putting his um the small hands towards

825

00:35:20,630 --> 00:35:18,599

my um forehead but I remember when

826  
00:35:22,609 --> 00:35:20,640  
when he's putting the hand towards my

827  
00:35:23,510 --> 00:35:22,619  
forehead like it's like I want him you

828  
00:35:26,329 --> 00:35:23,520  
know

829  
00:35:29,630 --> 00:35:26,339  
like I wanna I wanna move I wanna I

830  
00:35:31,190 --> 00:35:29,640  
wanna get away but I I was too scared to

831  
00:35:34,130 --> 00:35:31,200  
do that

832  
00:35:35,870 --> 00:35:34,140  
and when he put his his hand on my

833  
00:35:40,430 --> 00:35:35,880  
forehead that's what I like I blanked

834  
00:35:44,329 --> 00:35:42,230  
so

835  
00:35:47,450 --> 00:35:44,339  
and then then the next thing I know I

836  
00:35:49,310 --> 00:35:47,460  
walk up somewhere else I was seated with

837  
00:35:51,710 --> 00:35:49,320  
these other people

838  
00:35:53,750 --> 00:35:51,720

and like I have mentioned before they

839

00:35:55,670 --> 00:35:53,760

they seem to be either you know like

840

00:35:59,510 --> 00:35:55,680

Hispanic or Puerto Rican

841

00:36:01,069 --> 00:35:59,520

and they were seated there we were

842

00:36:03,410 --> 00:36:01,079

seated in a

843

00:36:07,730 --> 00:36:03,420

in a room where

844

00:36:12,170 --> 00:36:09,890

I can't it's very hard to describe it

845

00:36:13,609 --> 00:36:12,180

was a place where if you were to be

846

00:36:15,589 --> 00:36:13,619

standing in the middle of that place you

847

00:36:16,790 --> 00:36:15,599

would think like it's it's an infinite

848

00:36:20,150 --> 00:36:16,800

room

849

00:36:25,010 --> 00:36:20,160

the only even the seats were like would

850

00:36:27,950 --> 00:36:25,020

blend into the to the whole scenery

851

00:36:29,270 --> 00:36:27,960

that maybe if they just left you in that

852

00:36:31,609 --> 00:36:29,280

place you would you wouldn't trip over

853

00:36:34,069 --> 00:36:31,619

one of those seats or whatever they were

854

00:36:38,990 --> 00:36:34,079

you know where they sat us

855

00:36:43,849 --> 00:36:40,849

their um

856

00:36:45,770 --> 00:36:43,859

there was like like there was like 15 or

857

00:36:48,829 --> 00:36:45,780

16 other people there

858

00:36:50,690 --> 00:36:48,839

you know people that like me they were

859

00:36:52,970 --> 00:36:50,700

afraid and they were

860

00:36:54,650 --> 00:36:52,980

and they was good and I and I felt for

861

00:36:57,890 --> 00:36:54,660

them but I I couldn't do nothing for

862

00:36:59,750 --> 00:36:57,900

myself so I couldn't do nothing for them

863

00:37:02,150 --> 00:36:59,760

and I've had a lot of guilt feeling

864

00:37:03,829 --> 00:37:02,160

about that especially this one lady that

865

00:37:06,950 --> 00:37:03,839

she she looked like she needed more help

866

00:37:08,630 --> 00:37:06,960

than I did but I couldn't help her

867

00:37:10,609 --> 00:37:08,640

it wasn't that they were hurting her or

868

00:37:12,890 --> 00:37:10,619

anything they weren't even nowhere near

869

00:37:14,270 --> 00:37:12,900

her but she was you know she was freaked

870

00:37:15,890 --> 00:37:14,280

out

871

00:37:20,450 --> 00:37:15,900

and

872

00:37:26,089 --> 00:37:20,460

walks in um

873

00:37:27,890 --> 00:37:26,099

this man or a a human being with um with

874

00:37:30,109 --> 00:37:27,900

the two little little big-headed ones

875

00:37:31,069 --> 00:37:30,119

and and they stand in the front of this

876  
00:37:33,710 --> 00:37:31,079  
place

877  
00:37:37,670 --> 00:37:33,720  
wherever that was

878  
00:37:40,550 --> 00:37:37,680  
and they start

879  
00:37:42,170 --> 00:37:40,560  
he starts because I never heard you know

880  
00:37:44,690 --> 00:37:42,180  
the little ones that either talk to me

881  
00:37:48,230 --> 00:37:44,700  
not even the way people say with the

882  
00:37:50,870 --> 00:37:48,240  
mind telepathically or or the man either

883  
00:37:52,490 --> 00:37:50,880  
I mean if he does have that ability he

884  
00:37:54,770 --> 00:37:52,500  
never um

885  
00:37:56,930 --> 00:37:54,780  
you know he never demonstrated it there

886  
00:37:59,870 --> 00:37:56,940  
he spoke with his mouth

887  
00:38:02,270 --> 00:37:59,880  
and he spoke um

888  
00:38:05,510 --> 00:38:02,280

how perfect is it Spanish she spoke

889

00:38:07,870 --> 00:38:05,520

Spanish better than than me

890

00:38:10,370 --> 00:38:07,880

and

891

00:38:12,290 --> 00:38:10,380

they just spoke about a whole bunch of

892

00:38:14,390 --> 00:38:12,300

crazy things and

893

00:38:16,670 --> 00:38:14,400

okay

894

00:38:19,250 --> 00:38:16,680

and you know it wasn't the what he was

895

00:38:23,450 --> 00:38:19,260

saying wasn't directly directed towards

896

00:38:29,569 --> 00:38:27,349

and so he picked at one point he noticed

897

00:38:32,450 --> 00:38:29,579

that everybody is like attention was

898

00:38:34,550 --> 00:38:32,460

focused more on one of you know the

899

00:38:36,109 --> 00:38:34,560

little creature things

900

00:38:38,690 --> 00:38:36,119

and we weren't really paying attention

901  
00:38:39,650 --> 00:38:38,700  
to what he was saying so he he picks up

902  
00:38:43,910 --> 00:38:39,660  
the

903  
00:38:46,010 --> 00:38:43,920  
a like a seven-year-old child or

904  
00:38:48,230 --> 00:38:46,020  
something and he picked it up and he put

905  
00:38:50,510 --> 00:38:48,240  
it around he just picked it up and the

906  
00:38:52,849 --> 00:38:50,520  
little thing put the legs around him

907  
00:38:54,349 --> 00:38:52,859  
and he started going like this on his

908  
00:38:55,730 --> 00:38:54,359  
head he's saying you see you don't have

909  
00:38:57,950 --> 00:38:55,740  
to be afraid of it because it's not

910  
00:39:00,470 --> 00:38:57,960  
going to do anything because I'm this

911  
00:39:04,250 --> 00:39:00,480  
thing is there's something that we make

912  
00:39:05,930 --> 00:39:04,260  
and he's the one you know basically that

913  
00:39:08,569 --> 00:39:05,940

the little one is sent out like to do

914

00:39:10,910 --> 00:39:08,579

the dirty work or something because they

915

00:39:14,210 --> 00:39:10,920

don't want to expose themselves to

916

00:39:14,220 --> 00:39:16,849

and

917

00:39:20,810 --> 00:39:18,770

so they showed a whole bunch of things

918

00:39:22,609 --> 00:39:20,820

and most of the things they they showed

919

00:39:26,870 --> 00:39:22,619

there were more

920

00:39:30,349 --> 00:39:28,609

they're you know they're stronger

921

00:39:31,430 --> 00:39:30,359

they're more powerful sometimes than the

922

00:39:33,470 --> 00:39:31,440

actual

923

00:39:35,329 --> 00:39:33,480

you know being scared of the

924

00:39:38,630 --> 00:39:35,339

of the little ones

925

00:39:41,210 --> 00:39:38,640

because like I've told them hold him I

926  
00:39:44,810 --> 00:39:41,220  
think that if if

927  
00:39:47,150 --> 00:39:44,820  
the what if if that man that spoke to us

928  
00:39:50,690 --> 00:39:47,160  
that they would approach me

929  
00:39:52,370 --> 00:39:50,700  
in a in a civil manner

930  
00:39:54,410 --> 00:39:52,380  
okay that was another thing I had to

931  
00:39:55,670 --> 00:39:54,420  
work with with all the anger if I had a

932  
00:39:57,890 --> 00:39:55,680  
lot of anger

933  
00:40:00,109 --> 00:39:57,900  
because um

934  
00:40:01,310 --> 00:40:00,119  
you know I felt like how could these

935  
00:40:04,310 --> 00:40:01,320  
people no matter you know no matter

936  
00:40:08,270 --> 00:40:04,320  
where people are from whether it be a a

937  
00:40:12,470 --> 00:40:08,280  
Russian a French or an American I nobody

938  
00:40:13,970 --> 00:40:12,480

has the right to to to grab you and and

939

00:40:15,470 --> 00:40:13,980

take you away somewhere where you don't

940

00:40:17,870 --> 00:40:15,480

want to

941

00:40:20,089 --> 00:40:17,880

you know no even if you're from another

942

00:40:22,190 --> 00:40:20,099

planet or wherever you're from that

943

00:40:24,410 --> 00:40:22,200

doesn't give you any special when

944

00:40:27,470 --> 00:40:24,420

special rights or anything

945

00:40:30,650 --> 00:40:27,480

you still you know I I I think I still

946

00:40:33,530 --> 00:40:30,660

have to be respected regardless

947

00:40:35,930 --> 00:40:33,540

so that was I had an idea with fear

948

00:40:40,730 --> 00:40:35,940

anger and a whole bunch of things you
