

1
00:00:05,090 --> 00:00:03,050
I was in southern Sweden

2
00:00:07,789 --> 00:00:05,100
with two other people

3
00:00:09,830 --> 00:00:07,799
and we were walking in the countryside

4
00:00:13,190 --> 00:00:09,840
in The Meadows very much like England

5
00:00:14,570 --> 00:00:13,200
beautiful day like this exactly

6
00:00:15,410 --> 00:00:14,580
and

7
00:00:18,109 --> 00:00:15,420
um

8
00:00:21,170 --> 00:00:18,119
we had planned to take a picnic this was

9
00:00:22,730 --> 00:00:21,180
22 more than 22 years ago

10
00:00:25,070 --> 00:00:22,740
and

11
00:00:27,710 --> 00:00:25,080
we sat down we found a beautiful spot

12
00:00:29,529 --> 00:00:27,720
and we sat down and we started to talk

13
00:00:32,630 --> 00:00:29,539

we were very young

14

00:00:35,870 --> 00:00:32,640

and talking about the world and

15

00:00:39,110 --> 00:00:35,880

situations like Biafra and the hunger

16

00:00:41,209 --> 00:00:39,120

and Starving Children and we talked

17

00:00:44,150 --> 00:00:41,219

about Vietnam and I was very upset

18

00:00:46,130 --> 00:00:44,160

because as an American I was ashamed

19

00:00:49,970 --> 00:00:46,140

that my country was causing such

20

00:00:52,369 --> 00:00:49,980

Devastation this was about 1969 1969 and

21

00:00:54,950 --> 00:00:52,379

April first week of April I don't know

22

00:00:56,750 --> 00:00:54,960

the exact date I didn't write it down

23

00:01:00,170 --> 00:00:56,760

and

24

00:01:01,910 --> 00:01:00,180

we I started to cry because of this

25

00:01:04,149 --> 00:01:01,920

situation and what we had seen on the

26

00:01:07,490 --> 00:01:04,159

television the night before

27

00:01:08,630 --> 00:01:07,500

and at that very moment that I started

28

00:01:10,850 --> 00:01:08,640

to cry

29

00:01:13,670 --> 00:01:10,860

for some reason

30

00:01:16,429 --> 00:01:13,680

Harry did not have the experience but

31

00:01:19,190 --> 00:01:16,439

melker and I looked up

32

00:01:22,310 --> 00:01:19,200

something made us look up I don't know

33

00:01:24,109 --> 00:01:22,320

what and there was this object very

34

00:01:26,390 --> 00:01:24,119

close above us

35

00:01:30,590 --> 00:01:26,400

that had three things coming down out of

36

00:01:32,330 --> 00:01:30,600

it it was metallic no windows

37

00:01:35,390 --> 00:01:32,340

no bodies

38

00:01:37,429 --> 00:01:35,400

and soundless

39

00:01:39,710 --> 00:01:37,439

just there

40

00:01:42,410 --> 00:01:39,720

and it didn't even seem to hover it

41

00:01:46,670 --> 00:01:42,420

seemed to just be completely still

42

00:01:49,130 --> 00:01:46,680

but it was only two seconds

43

00:01:52,429 --> 00:01:49,140

and then these things went back up

44

00:01:54,350 --> 00:01:52,439

inside of it it was oval shaped and it

45

00:01:55,190 --> 00:01:54,360

just shot straight out away from the

46

00:01:58,550 --> 00:01:55,200

Earth

47

00:02:00,710 --> 00:01:58,560

and I looking straight up kept trying to

48

00:02:03,109 --> 00:02:00,720

see it and I said to melker did you see

49

00:02:05,870 --> 00:02:03,119

that and he said yes

50

00:02:07,969 --> 00:02:05,880

and we were so shocked because we've

51
00:02:09,770 --> 00:02:07,979
never had anything like this before and

52
00:02:11,990 --> 00:02:09,780
I'd never had any interest in anything

53
00:02:14,270 --> 00:02:12,000
of this nature either

54
00:02:16,010 --> 00:02:14,280
and I said that couldn't have been an

55
00:02:17,690 --> 00:02:16,020
airplane because an airplane has to go

56
00:02:19,550 --> 00:02:17,700
around the earth and this thing went

57
00:02:21,949 --> 00:02:19,560
straight away from the Earth

58
00:02:24,350 --> 00:02:21,959
and then we turned our heads and we

59
00:02:25,970 --> 00:02:24,360
looked and noticed that the word Sky did

60
00:02:29,270 --> 00:02:25,980
not exist

61
00:02:33,110 --> 00:02:29,280
there was no color blue anymore

62
00:02:34,729 --> 00:02:33,120
it was just in Infinite Space colorless

63
00:02:38,630 --> 00:02:34,739

Infinite Space

64

00:02:40,610 --> 00:02:38,640

everything seemed to be enlarged

65

00:02:41,570 --> 00:02:40,620

everything

66

00:02:45,350 --> 00:02:41,580

um

67

00:02:47,089 --> 00:02:45,360

the Earth

68

00:02:49,490 --> 00:02:47,099

the space

69

00:02:51,890 --> 00:02:49,500

the consciousness

70

00:02:55,130 --> 00:02:51,900

and then we saw the Moon

71

00:02:58,490 --> 00:02:55,140

in its natural size three-dimensional

72

00:02:59,630 --> 00:02:58,500

right in front of us in the space

73

00:03:01,550 --> 00:02:59,640

and it was

74

00:03:04,190 --> 00:03:01,560

[Music]

75

00:03:07,369 --> 00:03:04,200

it's just impossible to describe except

76

00:03:09,170 --> 00:03:07,379

that a few months later

77

00:03:11,869 --> 00:03:09,180

they landed on the moon and they came

78

00:03:13,369 --> 00:03:11,879

with all photographs over the moon and

79

00:03:15,170 --> 00:03:13,379

that was the only way I was able to

80

00:03:16,910 --> 00:03:15,180

describe what I saw I never could have

81

00:03:21,009 --> 00:03:16,920

done it that was in July of that year

82

00:03:26,330 --> 00:03:24,410

and we saw the craters and the depth of

83

00:03:29,089 --> 00:03:26,340

the craters and the size we saw the

84

00:03:32,690 --> 00:03:29,099

color of the Moon

85

00:03:33,649 --> 00:03:32,700

which I found not to be gray but to be

86

00:03:38,930 --> 00:03:33,659

like

87

00:03:43,910 --> 00:03:38,940

sand a darker shade of sand

88

00:03:45,350 --> 00:03:43,920

and it seemed to be revolving in space

89

00:03:50,149 --> 00:03:45,360

and

90

00:03:53,110 --> 00:03:50,159

which I did

91

00:03:56,270 --> 00:03:53,120

and that was the most spectacular

92

00:03:58,970 --> 00:03:56,280

feeling to stand up and walk on the

93

00:04:00,050 --> 00:03:58,980

earth and really feel myself walking on

94

00:04:02,750 --> 00:04:00,060

the Earth

95

00:04:05,750 --> 00:04:02,760

you know to feel this

96

00:04:09,289 --> 00:04:05,760

I felt that I was upside down

97

00:04:13,309 --> 00:04:09,299

I felt that I was in every direction

98

00:04:17,030 --> 00:04:13,319

and I seemed to experience gravity

99

00:04:19,250 --> 00:04:17,040

in a way I Can't Describe either

100

00:04:21,590 --> 00:04:19,260

but it was just I knew what gravity was

101
00:04:23,570 --> 00:04:21,600
and I felt it holding me that that was

102
00:04:24,469 --> 00:04:23,580
the only thing that kept my feet on the

103
00:04:27,110 --> 00:04:24,479
Earth

104
00:04:29,570 --> 00:04:27,120
and all of these things are obvious to

105
00:04:33,650 --> 00:04:29,580
anyone but people don't normally go

106
00:04:35,590 --> 00:04:33,660
around and experience it on such so it's

107
00:04:38,930 --> 00:04:35,600
such an enormous way

108
00:04:41,629 --> 00:04:38,940
and I stood up I started walking I I

109
00:04:43,430 --> 00:04:41,639
felt like a puppet on strings

110
00:04:46,490 --> 00:04:43,440
and then

111
00:04:49,610 --> 00:04:46,500
there was a sound that came

112
00:04:52,790 --> 00:04:49,620
that permeated the whole Space

113
00:04:55,129 --> 00:04:52,800

and it was very similar to if you took a

114

00:04:57,230 --> 00:04:55,139

stethoscope and you put it into a

115

00:05:00,230 --> 00:04:57,240

recording studio and you magnified it

116

00:05:02,990 --> 00:05:00,240

ten thousand times it sounded like that

117

00:05:07,490 --> 00:05:03,000

like a heartbeat you know it's um it had

118

00:05:09,770 --> 00:05:07,500

all that Echo sound and it came in boom

119

00:05:12,650 --> 00:05:09,780

and then there was a silence a gap and

120

00:05:14,749 --> 00:05:12,660

then it came again and I said like I

121

00:05:16,370 --> 00:05:14,759

knew exactly what was happening oh my

122

00:05:17,810 --> 00:05:16,380

God it's the rhythm of the universe

123

00:05:19,969 --> 00:05:17,820

pulsating

124

00:05:22,850 --> 00:05:19,979

and then

125

00:05:24,350 --> 00:05:22,860

I went back and I sat down

126

00:05:26,270 --> 00:05:24,360

and

127

00:05:28,610 --> 00:05:26,280

put my arms around my knees like this

128

00:05:29,990 --> 00:05:28,620

and was looking out and then I noticed

129

00:05:33,409 --> 00:05:30,000

that the Earth

130

00:05:36,650 --> 00:05:33,419

seemed to get very large

131

00:05:39,050 --> 00:05:36,660

so you the only way I can describe this

132

00:05:41,689 --> 00:05:39,060

is to say that it was two different

133

00:05:43,730 --> 00:05:41,699

things at the same time

134

00:05:47,510 --> 00:05:43,740

and that's what's so hard to comprehend

135

00:05:50,570 --> 00:05:47,520

with this mind now how one can do that

136

00:05:52,310 --> 00:05:50,580

but I was sitting here talking to my

137

00:05:55,790 --> 00:05:52,320

friend the same way I'm talking to you

138

00:05:59,570 --> 00:05:55,800

with the same physical attributes

139

00:06:03,230 --> 00:05:59,580

but at the same time I was literally

140

00:06:06,650 --> 00:06:03,240

somehow seeing the Earth from a distance

141

00:06:13,310 --> 00:06:10,129

um it was like being an aunt

142

00:06:17,330 --> 00:06:13,320

um a bowling ball

143

00:06:20,409 --> 00:06:17,340

but at the same time being a giant on

144

00:06:23,330 --> 00:06:20,419

the top of a pinhead okay

145

00:06:26,510 --> 00:06:23,340

what is it that you think happened to

146

00:06:32,870 --> 00:06:28,909

I I feel

147

00:06:38,330 --> 00:06:36,950

was that it was a an object

148

00:06:41,809 --> 00:06:38,340

that
