

1
00:00:06,050 --> 00:00:04,430
December 17th of 1987 marked a threshold

2
00:00:07,730 --> 00:00:06,060
in the evolution of the investigation

3
00:00:10,549 --> 00:00:07,740
here of the UFO phenomenon and Gulf

4
00:00:13,129 --> 00:00:10,559
Breeze on that night Ed Walters from his

5
00:00:15,350 --> 00:00:13,139
house just down here got the familiar

6
00:00:18,170 --> 00:00:15,360
buzzing he'd been accustomed to hearing

7
00:00:20,269 --> 00:00:18,180
with the the craft showing up and he

8
00:00:22,790 --> 00:00:20,279
looked out and saw this craft right out

9
00:00:25,189 --> 00:00:22,800
here above the field just a few feet

10
00:00:26,630 --> 00:00:25,199
above the ground and what was remarkable

11
00:00:28,910 --> 00:00:26,640
about that in the photograph that

12
00:00:30,890 --> 00:00:28,920
followed was in the days and weeks of

13
00:00:32,810 --> 00:00:30,900

the investigation that followed we had a

14

00:00:35,510 --> 00:00:32,820

physical phenomenon the craft had

15

00:00:37,490 --> 00:00:35,520

affected the the grass here and the soil

16

00:00:39,229 --> 00:00:37,500

in such a way that first all of the

17

00:00:42,229 --> 00:00:39,239

grass had turned white and the ground

18

00:00:43,549 --> 00:00:42,239

itself had undergone some sort of energy

19

00:00:46,069 --> 00:00:43,559

exposure

20

00:00:48,069 --> 00:00:46,079

for two years you could clearly see the

21

00:00:50,389 --> 00:00:48,079

mark where this craft had been hovering

22

00:00:52,310 --> 00:00:50,399

the local grounds crew here at the

23

00:00:54,350 --> 00:00:52,320

school had come out and put fertilizer

24

00:00:55,910 --> 00:00:54,360

down and seeded it and watered it and

25

00:00:57,650 --> 00:00:55,920

couldn't get anything to grow as you can

26

00:00:59,810 --> 00:00:57,660

see they even recently brought in a

27

00:01:02,029 --> 00:00:59,820

brown type of topsoil which is different

28

00:01:03,290 --> 00:01:02,039

than the white surrounding sand here and

29

00:01:04,490 --> 00:01:03,300

you can see they've still not been

30

00:01:09,710 --> 00:01:04,500

successful in getting something to grow

31

00:01:15,170 --> 00:01:12,530

and as you can see the bird spot is

32

00:01:17,990 --> 00:01:15,180

still visible this happens to be the

33

00:01:19,429 --> 00:01:18,000

sample from the Medford site number two

34

00:01:22,010 --> 00:01:19,439

which does show some strange

35

00:01:23,330 --> 00:01:22,020

luminescence properties and so I'd want

36

00:01:25,130 --> 00:01:23,340

to make sure that the sample that I'm

37

00:01:27,649 --> 00:01:25,140

dealing with is not in itself

38

00:01:30,530 --> 00:01:27,659

Radioactive

39

00:01:33,590 --> 00:01:30,540

and I don't find that it is I don't see

40

00:01:36,170 --> 00:01:33,600

any evidence of increased radioactivity

41

00:01:39,109 --> 00:01:36,180

furnace ready to be inserted here into

42

00:01:40,789 --> 00:01:39,119

the light chamber and now we've inserted

43

00:01:41,929 --> 00:01:40,799

the sample which is on the electric

44

00:01:43,969 --> 00:01:41,939

furnace

45

00:01:46,010 --> 00:01:43,979

into the chamber and we're going to

46

00:01:48,649 --> 00:01:46,020

start heating it but we're going to

47

00:01:51,590 --> 00:01:48,659

start off here by looking then at the

48

00:01:54,170 --> 00:01:51,600

glow curves which I ran about two months

49

00:01:56,330 --> 00:01:54,180

ago on the Medford site and if we look

50

00:01:58,429 --> 00:01:56,340

at the curve at the center of the site

51
00:02:01,130 --> 00:01:58,439
we see that there's just a very small

52
00:02:04,730 --> 00:02:01,140
rise here that is the luminescence Peak

53
00:02:07,069 --> 00:02:04,740
is very small at the edge of the site

54
00:02:08,809 --> 00:02:07,079
as we proceed along here at the edge of

55
00:02:11,630 --> 00:02:08,819
the site we discover the intense

56
00:02:14,030 --> 00:02:11,640
luminescence now this luminescence that

57
00:02:16,190 --> 00:02:14,040
we are observing is apparently the

58
00:02:18,470 --> 00:02:16,200
result of some sort of radiation effect

59
00:02:20,750 --> 00:02:18,480
it looks at least as though that

60
00:02:22,610 --> 00:02:20,760
particular sample at the edge of the

61
00:02:24,710 --> 00:02:22,620
site has been subjected to some kind of

62
00:02:27,290 --> 00:02:24,720
high energy radiation

63
00:02:30,110 --> 00:02:27,300

These Are soil samples taken from five

64

00:02:32,510 --> 00:02:30,120

recent UFO landing sites and are fairly

65

00:02:34,670 --> 00:02:32,520

representative of some two to three

66

00:02:36,710 --> 00:02:34,680

hundred UFO landing sites that I have

67

00:02:40,010 --> 00:02:36,720

personally been involved with each of

68

00:02:42,170 --> 00:02:40,020

the pins in this map represents a UFO

69

00:02:44,350 --> 00:02:42,180

landing site that has been reported to

70

00:02:48,170 --> 00:02:44,360

Ted Phillips in the last eight years

71

00:02:50,930 --> 00:02:48,180

there are over a hundred and fifty UFO

72

00:02:52,970 --> 00:02:50,940

landing sites represented on this map

73

00:02:54,790 --> 00:02:52,980

I've investigated a rather high

74

00:02:57,770 --> 00:02:54,800

percentage of these reports personally

75

00:03:01,130 --> 00:02:57,780

and have found a remarkable consistency

76

00:03:03,830 --> 00:03:01,140

in size and shape regarding the UFO

77

00:03:08,270 --> 00:03:03,840

scene and the ground effects resulting

78

00:03:11,630 --> 00:03:08,280

from that UFO landing we find imprints

79

00:03:13,729 --> 00:03:11,640

left evidently by the landing gear of

80

00:03:16,330 --> 00:03:13,739

the object some of these indicating

81

00:03:20,089 --> 00:03:16,340

tremendous pressure a great weight

82

00:03:22,550 --> 00:03:20,099

generally found as three or four in

83

00:03:25,430 --> 00:03:22,560

number arranged in either a triangular

84

00:03:27,710 --> 00:03:25,440

or rectangular pattern we have effects

85

00:03:29,570 --> 00:03:27,720

on Witnesses such as the witnesses

86

00:03:31,430 --> 00:03:29,580

suffering what appears to be a sunburn

87

00:03:33,649 --> 00:03:31,440

effect on their face neck and hands

88

00:03:36,110 --> 00:03:33,659

following the close approach of a UFO

89

00:03:38,930 --> 00:03:36,120

extreme dryness of the nasal area

90

00:03:41,809 --> 00:03:38,940

extreme dryness of the throat I have

91

00:03:44,030 --> 00:03:41,819

talked with nearly 2 000 people who have

92

00:03:46,789 --> 00:03:44,040

had a UFO experience

93

00:03:48,770 --> 00:03:46,799

and those people certainly have

94

00:03:50,089 --> 00:03:48,780

convinced me that something very real is

95

00:03:52,670 --> 00:03:50,099

going on

96

00:03:55,910 --> 00:03:52,680

this is a small portion of the soil

97

00:03:57,710 --> 00:03:55,920

taken from a UFO landing site in Delphos

98

00:04:00,770 --> 00:03:57,720

Kansas

99

00:04:03,890 --> 00:04:00,780

the soil in the UFO landing ring is

100

00:04:06,830 --> 00:04:03,900

extremely dehydrated and is unable to

101
00:04:06,840 --> 00:04:11,630

instead it simply floats

102
00:04:17,090 --> 00:04:13,970

soil taken only a few feet away that was

103
00:04:20,050 --> 00:04:17,100

not part of the UFO landing ring behaves

104
00:04:25,930 --> 00:04:22,310

within a few seconds it absorbed the

105
00:04:32,150 --> 00:04:29,689

besides being unable to absorb water UFO

106
00:04:34,730 --> 00:04:32,160

affected soil cannot support seed

107
00:04:37,249 --> 00:04:34,740

germination and plant life

108
00:04:39,230 --> 00:04:37,259

soil taken a few feet away does support

109
00:04:42,050 --> 00:04:39,240

normal plant growth

110
00:04:46,430 --> 00:04:42,060

no matter how Vivid a Hallucination is

111
00:04:48,530 --> 00:04:46,440

it cannot dehydrate soil

112
00:04:51,830 --> 00:04:48,540

eighty percent of the descriptions of a

113
00:04:55,249 --> 00:04:51,840

UFO in Ted Phillips files are of a disc

114

00:04:56,629 --> 00:04:55,259

shaped object between 10 and 35 feet in

115

00:04:59,689 --> 00:04:56,639

diameter

116

00:05:02,629 --> 00:04:59,699

over 400 of the landing cases in these

117

00:05:05,510 --> 00:05:02,639

files involve more than one witness

118

00:05:09,170 --> 00:05:05,520

observing a UFO for longer than one

119

00:05:12,590 --> 00:05:09,180

minute at a distance of less than 250

120

00:05:15,230 --> 00:05:12,600

feet we're talking about ebola police

121

00:05:17,990 --> 00:05:15,240

officers clergymen newsmen business

122

00:05:20,270 --> 00:05:18,000

people people in all walks of life from

123

00:05:23,210 --> 00:05:20,280

all parts of the country who have had

124

00:05:25,010 --> 00:05:23,220

real UFO experiences and in many cases

125

00:05:27,170 --> 00:05:25,020

at very close range

126

00:05:30,110 --> 00:05:27,180

the interesting thing is that these

127

00:05:32,629 --> 00:05:30,120

people could witness a murder could go

128

00:05:34,310 --> 00:05:32,639

into court testify to that effect put a

129

00:05:36,950 --> 00:05:34,320

man away for life

130

00:05:38,629 --> 00:05:36,960

and yet those same people have a UFO

131

00:05:40,790 --> 00:05:38,639

experience and their testimony is no

132

00:05:43,610 --> 00:05:40,800

longer valid that's certainly a very

133

00:05:45,890 --> 00:05:43,620

strange set of double standards that we

134

00:05:47,930 --> 00:05:45,900

have in this country it's difficult to

135

00:05:50,270 --> 00:05:47,940

understand during the past 10 years I've

136

00:05:54,670 --> 00:05:50,280

talked with over two dozen military

137

00:05:58,150 --> 00:05:54,680

personnel who have confidentially

138

00:06:01,790 --> 00:05:58,160

relate cases involving

139

00:06:03,469 --> 00:06:01,800

not only Landings very near or on

140

00:06:05,689 --> 00:06:03,479

military installations in this country

141

00:06:09,469 --> 00:06:05,699

but also cases involving physical

142

00:06:11,330 --> 00:06:09,479

residue in one instance an individual

143

00:06:13,790 --> 00:06:11,340

assured me that he had personally seen

144

00:06:15,529 --> 00:06:13,800

to the transmission of this report to

145

00:06:17,629 --> 00:06:15,539

Project Blue buck and this was a report

146

00:06:19,969 --> 00:06:17,639

involving a landing and quite a number

147

00:06:21,830 --> 00:06:19,979

of witnesses security personnel

148

00:06:24,650 --> 00:06:21,840

and if one is to check the Blue Book

149

00:06:25,850 --> 00:06:24,660

files the files that have been opened to

150

00:06:28,370 --> 00:06:25,860

the public

151

00:06:30,469 --> 00:06:28,380

those cases are not there not a single

152

00:06:49,220 --> 00:06:30,479

case

153

00:06:49,230 --> 00:07:07,730

[Music]
