

1
00:00:05,690 --> 00:00:03,470
can you tell us uh Dr Mitchell exactly

2
00:00:10,910 --> 00:00:05,700
what the locals of Roswell told you if

3
00:00:18,109 --> 00:00:14,450
yes it was that the rod roll event was

4
00:00:20,810 --> 00:00:18,119
an alien craft and it was uh not of this

5
00:00:23,710 --> 00:00:20,820
plant that's yes it's what they really

6
00:00:27,170 --> 00:00:23,720
told me was their particular each one

7
00:00:29,810 --> 00:00:27,180
had some particular part of it like a

8
00:00:32,749 --> 00:00:29,820
sheriff's deputy was controlling traffic

9
00:00:36,049 --> 00:00:32,759
but heard from what the other people

10
00:00:38,810 --> 00:00:36,059
what was going on the family of The

11
00:00:41,290 --> 00:00:38,820
Undertaker told about the small coffins

12
00:00:45,410 --> 00:00:41,300
that were created for the alien bodies

13
00:00:48,049 --> 00:00:45,420

and my Air Force family friend said yes

14

00:00:50,750 --> 00:00:48,059

he had heard the same thing from major

15

00:00:55,729 --> 00:00:53,869

and uh each one of them just told what

16

00:00:58,490 --> 00:00:55,739

their portion of the activity was all

17

00:00:59,930 --> 00:00:58,500

about so putting it all together the sum

18

00:01:01,130 --> 00:00:59,940

total was yes it was an Indian

19

00:01:03,470 --> 00:01:01,140

spacecraft

20

00:01:06,649 --> 00:01:03,480

after I came back from space and was

21

00:01:08,870 --> 00:01:06,659

lecturing around and visiting back home

22

00:01:10,850 --> 00:01:08,880

some of them came to me and threw me

23

00:01:14,330 --> 00:01:10,860

aside and told me their story

24

00:01:15,950 --> 00:01:14,340

that they had been shut up after the

25

00:01:18,590 --> 00:01:15,960

Roswell incident

26
00:01:21,170 --> 00:01:18,600
and they were now older they didn't want

27
00:01:23,149 --> 00:01:21,180
to take their story to the grave and

28
00:01:24,950 --> 00:01:23,159
they wanted it out and they figured I

29
00:01:26,390 --> 00:01:24,960
was trustworthy since I was a local boy

30
00:01:29,030 --> 00:01:26,400
I hadn't been to the Moon

31
00:01:32,030 --> 00:01:29,040
it'd be okay if I took their story

32
00:01:34,850 --> 00:01:32,040
so I promised him I wouldn't

33
00:01:35,929 --> 00:01:34,860
tell their names but I carry their story

34
00:01:38,569 --> 00:01:35,939
forward

35
00:01:40,550 --> 00:01:38,579
a few years ago 10 years ago I did take

36
00:01:43,310 --> 00:01:40,560
the story to the Pentagon

37
00:01:45,170 --> 00:01:43,320
I did have a meeting

38
00:01:46,609 --> 00:01:45,180

with high level intelligence people to

39

00:01:48,710 --> 00:01:46,619

joined Jesus staff

40

00:01:50,230 --> 00:01:48,720

I did tell the story with a couple of

41

00:01:52,910 --> 00:01:50,240

other

42

00:01:54,830 --> 00:01:52,920

naval officer and Stephen Greer Dr

43

00:01:57,649 --> 00:01:54,840

Stephen Greer if you've heard that name

44

00:02:00,469 --> 00:01:57,659

and told my story

45

00:02:03,710 --> 00:02:00,479

of what I knew about the roswellism

46

00:02:04,730 --> 00:02:03,720

and subsequently had it confirmed that

47

00:02:07,910 --> 00:02:04,740

it was true

48

00:02:11,210 --> 00:02:07,920

and that the individual

49

00:02:12,890 --> 00:02:11,220

the individual who I told us with had

50

00:02:14,510 --> 00:02:12,900

tried to get into it to find out

51

00:02:17,390 --> 00:02:14,520

personally

52

00:02:19,010 --> 00:02:17,400

about the information and he was

53

00:02:21,770 --> 00:02:19,020

rejected as many others have been

54

00:02:25,070 --> 00:02:21,780

rejected to have first-hand knowledge of

55

00:02:28,250 --> 00:02:25,080

of the cover-up at any event however

56

00:02:30,290 --> 00:02:28,260

the fact that the Roswell incident was

57

00:02:34,130 --> 00:02:30,300

real has been confirmed we have to

58

00:02:37,010 --> 00:02:34,140

remember that right after World War II

59

00:02:39,830 --> 00:02:37,020

the Army Air Force was separated and

60

00:02:42,470 --> 00:02:39,840

became the Art became the Air Force

61

00:02:46,130 --> 00:02:42,480

a separate branch of service

62

00:02:49,190 --> 00:02:46,140

and that the office OSS which is office

63

00:02:51,890 --> 00:02:49,200

of special services was disbanded and

64

00:02:55,509 --> 00:02:51,900

eventually became the CIA

65

00:02:58,610 --> 00:02:55,519

so that here was a major military

66

00:03:00,970 --> 00:02:58,620

organization and a major intelligence

67

00:03:03,110 --> 00:03:00,980

organization totally in disarray

68

00:03:05,570 --> 00:03:03,120

newfounded didn't know what they were

69

00:03:08,449 --> 00:03:05,580

doing after World War II and not really

70

00:03:12,770 --> 00:03:08,459

reorganized yet and as a result of that

71

00:03:15,009 --> 00:03:12,780

the president to Truman at that time

72

00:03:19,190 --> 00:03:15,019

convened a very high level

73

00:03:21,290 --> 00:03:19,200

committee to examine this alien or UFO

74

00:03:24,229 --> 00:03:21,300

phenomenon they did come to the

75

00:03:27,350 --> 00:03:24,239

conclusion that it was alien

76

00:03:29,869 --> 00:03:27,360

and the military rightly came to the

77

00:03:31,309 --> 00:03:29,879

conclusion if this if they're hostile

78

00:03:35,210 --> 00:03:31,319

there's nothing we can do about it

79

00:03:37,330 --> 00:03:35,220

therefore their choice was to design it

80

00:03:40,550 --> 00:03:37,340

and to hush it up

81

00:03:43,190 --> 00:03:40,560

and create a the National Security Act

82

00:03:46,130 --> 00:03:43,200

of 1947

83

00:03:47,149 --> 00:03:46,140

which validated that

84

00:03:48,770 --> 00:03:47,159

uh

85

00:03:51,830 --> 00:03:48,780

deception

86

00:03:54,410 --> 00:03:51,840

and covers it up and allowed the group

87

00:03:56,089 --> 00:03:54,420

to go underground as it were and we've

88

00:03:57,830 --> 00:03:56,099

been living with that now for 50 years

89

00:04:01,070 --> 00:03:57,840

it has really

90

00:04:05,449 --> 00:04:01,080

the beginning of the whole cover-up the

91

00:04:10,309 --> 00:04:05,459

the entire denial of this phenomenon

92

00:04:12,789 --> 00:04:10,319

and the addition of dismissal

93

00:04:14,929 --> 00:04:12,799

disinformation misinformation

94

00:04:19,250 --> 00:04:14,939

to cloak

95

00:04:22,189 --> 00:04:19,260

and to discourage investigation

96

00:04:24,409 --> 00:04:22,199

to misinform it's just been continuous

97

00:04:27,409 --> 00:04:24,419

for many many years now eventually it

98

00:04:30,350 --> 00:04:27,419

came away from the fear I believe of not

99

00:04:31,909 --> 00:04:30,360

being able to protect and do their Duty

100

00:04:33,590 --> 00:04:31,919

to

101

00:04:35,629 --> 00:04:33,600

the notion of power and control

102

00:04:38,030 --> 00:04:35,639

controlling the knowledge and the

103

00:04:39,650 --> 00:04:38,040

technology and the group involved with

104

00:04:41,570 --> 00:04:39,660

that is still doing it we have created

105

00:04:43,670 --> 00:04:41,580

our reality here

106

00:04:45,530 --> 00:04:43,680

and we have created it right now rather

107

00:04:47,450 --> 00:04:45,540

badly of course not a sustainable

108

00:04:50,210 --> 00:04:47,460

reality we have created

109

00:04:53,210 --> 00:04:50,220

with our Science and Technology

110

00:04:55,850 --> 00:04:53,220

instead of using it for the greater good

111

00:04:58,810 --> 00:04:55,860

it's been captured by

112

00:05:01,249 --> 00:04:58,820

interest greed self-service

113

00:05:03,650 --> 00:05:01,259

which is Rife

114

00:05:07,249 --> 00:05:03,660

and instead of using it all of our

115

00:05:09,770 --> 00:05:07,259

technology and our Brilliance and genius

116

00:05:11,510 --> 00:05:09,780

for greater good we we use it for

117

00:05:12,770 --> 00:05:11,520

self-service and that's not going to

118

00:05:15,590 --> 00:05:12,780

work

119

00:05:19,189 --> 00:05:15,600

it's important that we look at our

120

00:05:21,170 --> 00:05:19,199

civilization our place in history use

121

00:05:24,409 --> 00:05:21,180

our tools of science

122

00:05:25,550 --> 00:05:24,419

for greater understanding to promote the

123

00:05:28,189 --> 00:05:25,560

greater good

124

00:05:32,510 --> 00:05:28,199

and that's what it's all about

125

00:05:34,550 --> 00:05:32,520

I happen to be privileged enough to have

126

00:05:36,230 --> 00:05:34,560

been on the fact that we have been

127

00:05:38,810 --> 00:05:36,240

visited on this planet

128

00:05:40,070 --> 00:05:38,820

and the UFO phenomena is real although

129

00:05:43,010 --> 00:05:40,080

it's been covered up by our government

130

00:05:46,370 --> 00:05:43,020

for quite a long time

131

00:05:49,029 --> 00:05:46,380

these days the movie is shown in Germany

132

00:05:52,550 --> 00:05:49,039

like it is initial of a movie

133

00:05:56,330 --> 00:05:52,560

describing the so-called Rosso accident

134

00:05:59,689 --> 00:05:56,340

then the bodies of the humanoids were

135

00:06:05,409 --> 00:05:59,699

found to detected and photographed and

136

00:06:12,050 --> 00:06:08,510

in this article you suggested that you

137

00:06:14,409 --> 00:06:12,060

had also uh one of your colleagues one

138

00:06:17,570 --> 00:06:14,419

friend of you who witnessed himself

139

00:06:27,590 --> 00:06:17,580

these corpses of these humanoids I had a

140

00:06:27,600 --> 00:06:34,610

um

141

00:06:34,620 --> 00:06:40,629

grocery

142

00:06:40,639 --> 00:06:49,909

I'm sorry it was not a weather line

143

00:06:49,919 --> 00:06:56,809

um

144

00:07:10,390 --> 00:06:59,510

I believe that part of what we hear

145

00:07:10,400 --> 00:07:29,890

[Music]

146

00:07:33,710 --> 00:07:32,150

exhibited now in the Europe did you see

147

00:07:37,189 --> 00:07:33,720

this yeah and what do you think about

148

00:07:37,199 --> 00:07:44,029

I don't know I have next next experience

149

00:07:51,309 --> 00:07:47,270

but this bodies this corpses do they

150

00:07:57,710 --> 00:07:54,890

human-like beings or it's difficult to
