

1
00:00:10,070 --> 00:00:04,010
we're trying to look like I don't know

2
00:00:16,310 --> 00:00:13,249
how do you want to get here

3
00:00:17,810 --> 00:00:16,320
nobody like we've been driving I don't

4
00:00:19,790 --> 00:00:17,820
know how long we haven't even been

5
00:00:24,590 --> 00:00:19,800
talking which I just been sitting here

6
00:00:30,410 --> 00:00:27,710
and I'm not really too afraid

7
00:00:33,290 --> 00:00:30,420
except right now I am at that time I

8
00:00:38,950 --> 00:00:33,300
didn't feel as afraid

9
00:01:01,250 --> 00:00:50,260
[Applause]

10
00:01:05,570 --> 00:01:03,229
it's all right now

11
00:01:08,149 --> 00:01:05,580
you're safe here

12
00:01:11,630 --> 00:01:08,159
tell me about the men on the road wait

13
00:01:13,910 --> 00:01:11,640

we're driving along we're on a tide Road

14

00:01:15,649 --> 00:01:13,920

and all of a sudden without any water

15

00:01:17,929 --> 00:01:15,659

you're any reason to Rhyme or anything

16

00:01:19,190 --> 00:01:17,939

about it

17

00:01:21,410 --> 00:01:19,200

uh

18

00:01:23,749 --> 00:01:21,420

he always the pranks I think he would

19

00:01:26,630 --> 00:01:23,759

squeal these out so suddenly and pay

20

00:01:32,690 --> 00:01:28,990

left head turned

21

00:01:37,190 --> 00:01:32,700

to the highway and we went on to this

22

00:01:40,310 --> 00:01:37,200

yellow Road so I was wondering what he

23

00:01:42,109 --> 00:01:40,320

was doing down here but

24

00:01:44,030 --> 00:01:42,119

he wasn't saying he's thinking I wasn't

25

00:01:46,310 --> 00:01:44,040

I said well

26

00:01:47,749 --> 00:01:46,320

maybe we're lost but

27

00:01:50,870 --> 00:01:47,759

but somewhere

28

00:01:53,590 --> 00:01:50,880

and we're going to log

29

00:01:55,010 --> 00:01:53,600

and there was a sharp curved in the road

30

00:01:57,770 --> 00:01:55,020

[Applause]

31

00:02:04,069 --> 00:02:00,469

as we went around the curve

32

00:02:06,830 --> 00:02:04,079

there were trees there was a lot of tall

33

00:02:08,630 --> 00:02:06,840

tall trees on my side

34

00:02:12,110 --> 00:02:08,640

I don't know about Bobby's side of the

35

00:02:18,410 --> 00:02:14,510

there was these men

36

00:02:23,210 --> 00:02:19,729

and

37

00:02:25,850 --> 00:02:23,220

I wasn't too afraid when I saw him

38

00:02:29,210 --> 00:02:25,860

they were standing there

39

00:02:31,970 --> 00:02:29,220

and I thought well you know it

40

00:02:36,170 --> 00:02:31,980

was soundful there was

41

00:02:44,449 --> 00:02:38,690

and they were just

42

00:02:48,890 --> 00:02:46,009

but

43

00:02:51,229 --> 00:02:48,900

then I thought well you know are they in

44

00:02:53,570 --> 00:02:51,239

a car and a car broken down or

45

00:02:54,710 --> 00:02:53,580

what are they doing there

46

00:02:57,949 --> 00:02:54,720

and

47

00:03:00,290 --> 00:02:57,959

Barney could have said to stop

48

00:03:05,150 --> 00:03:00,300

and then

49

00:03:11,089 --> 00:03:07,610

he stops the car

50

00:03:13,790 --> 00:03:11,099

again these weird started to

51
00:03:14,690 --> 00:03:13,800
come up to the car

52
00:03:16,729 --> 00:03:14,700
they

53
00:03:18,410 --> 00:03:16,739
[Applause]

54
00:03:21,470 --> 00:03:18,420
they separated

55
00:03:26,330 --> 00:03:21,480
they came up in two groups

56
00:03:26,340 --> 00:03:31,550
I I get real scared

57
00:03:39,410 --> 00:03:36,350
yep the cow motor died the cast off

58
00:03:45,289 --> 00:03:41,750
yeah well they started coming up Valley

59
00:03:50,990 --> 00:03:49,009
you try to start it and you know how a

60
00:03:52,600 --> 00:03:51,000
mode of a cow would just turn over turn

61
00:03:58,930 --> 00:03:52,610
over I won't fire

62
00:04:05,330 --> 00:04:01,729
you did what he's trying to stop the car

63
00:04:07,490 --> 00:04:05,340

and it won't stop because I just

64

00:04:09,770 --> 00:04:07,500

hit him I think well

65

00:04:11,570 --> 00:04:09,780

I could get away from this I could if I

66

00:04:13,490 --> 00:04:11,580

get the car door off like a run of the

67

00:04:14,929 --> 00:04:13,500

woods inside

68

00:04:34,310 --> 00:04:14,939

and

69

00:04:37,969 --> 00:04:35,470

this

70

00:04:39,950 --> 00:04:37,979

[Applause]

71

00:04:42,850 --> 00:04:39,960

is what

72

00:04:46,189 --> 00:04:42,860

[Applause]

73

00:04:55,310 --> 00:04:46,680

foreign

74

00:05:05,689 --> 00:04:55,320

[Applause]

75

00:05:05,699 --> 00:05:08,150

okay

76

00:05:36,409 --> 00:05:10,300

well let me put his hands out

77

00:05:45,110 --> 00:05:38,990

I don't know what happened

78

00:05:45,120 --> 00:05:56,629

you can remember everything now

79

00:06:00,890 --> 00:05:58,490

what do these men look like could you

80

00:06:02,810 --> 00:06:00,900

see their faces

81

00:06:06,890 --> 00:06:02,820

no

82

00:06:06,900 --> 00:06:16,010

how were they dressed

83

00:06:16,020 --> 00:06:18,950

all right

84

00:06:22,860 --> 00:06:21,290

but I haven't won any uniform over there

85

00:06:25,830 --> 00:06:22,870

in ordinary clothes

86

00:06:32,330 --> 00:06:25,840

[Applause]

87

00:06:38,330 --> 00:06:34,970

uniform is resemble any uniform you know

88

00:06:42,469 --> 00:06:39,800

I couldn't see

89

00:06:45,830 --> 00:06:42,479

[Applause]

90

00:06:46,670 --> 00:06:45,840

there's a couple minutes behind me into

91

00:06:50,469 --> 00:06:46,680

this body

92

00:06:54,469 --> 00:06:50,479

[Applause]

93

00:06:57,170 --> 00:06:54,479

it's about each item him

94

00:06:59,689 --> 00:06:57,180

and my eyes are open

95

00:07:01,790 --> 00:06:59,699

my body's still asleep he's walking and

96

00:07:05,629 --> 00:07:01,800

he's asleep

97

00:07:09,110 --> 00:07:06,530

thank you

98

00:07:12,170 --> 00:07:09,120

[Applause]

99

00:07:12,180 --> 00:07:15,830

good night you're gonna get mad

100

00:07:19,670 --> 00:07:18,170

and they go oh the heck are these

101
00:07:21,070 --> 00:07:19,680
characters and what do they think

102
00:07:24,469 --> 00:07:21,080
they're doing

103
00:07:26,689 --> 00:07:24,479
yeah so I turn around and I say oh hey

104
00:07:35,210 --> 00:07:26,699
wake up

105
00:07:41,749 --> 00:07:37,249
and he doesn't

106
00:07:41,759 --> 00:07:46,309
I think he's walking

107
00:07:46,319 --> 00:07:50,390
good

108
00:07:55,249 --> 00:07:53,570
I keep going a little bit further and I

109
00:07:57,770 --> 00:07:55,259
turn around and I say his name again

110
00:08:00,230 --> 00:07:57,780
body wake up

111
00:08:01,909 --> 00:08:00,240
he doesn't pay any attention and then

112
00:08:06,290 --> 00:08:01,919
the man

113
00:08:08,450 --> 00:08:06,300

who's watching besides me here

114

00:08:14,629 --> 00:08:08,460

says

115

00:08:19,610 --> 00:08:16,490

yeah

116

00:08:22,369 --> 00:08:19,620

that's her and I looked at this man and

117

00:08:27,290 --> 00:08:22,379

I think it's none of his business

118

00:08:27,300 --> 00:08:33,769

did we keep watching

119

00:08:38,630 --> 00:08:36,709

did I try to wake Bobby up again can you

120

00:08:41,389 --> 00:08:38,640

say about anybody wake up and he doesn't

121

00:08:43,670 --> 00:08:41,399

so the man said

122

00:08:45,040 --> 00:08:43,680

think she asked me again he said it's

123

00:08:46,310 --> 00:08:45,050

Bobby his name

124

00:08:52,250 --> 00:08:46,320

[Applause]

125

00:08:52,260 --> 00:08:57,110

he said don't be afraid

126
00:09:01,670 --> 00:08:59,530
you don't have any reason to be afraid

127
00:09:04,850 --> 00:09:01,680
[Applause]

128
00:09:07,910 --> 00:09:04,860
we're not going to have you

129
00:09:12,889 --> 00:09:09,650
we just want to

130
00:09:18,110 --> 00:09:15,410
with a chance to roll for which

131
00:09:20,090 --> 00:09:18,120
will take your body back and put you

132
00:09:22,009 --> 00:09:20,100
with your car

133
00:09:25,370 --> 00:09:22,019
you'll be on your way

134
00:09:27,410 --> 00:09:25,380
back home in no time

135
00:09:32,630 --> 00:09:27,420
good

136
00:09:32,640 --> 00:09:38,150
I mean he was

137
00:09:38,160 --> 00:09:43,190
he was sort of reassuring in a way but

138
00:09:48,290 --> 00:09:45,350

I wasn't

139

00:09:50,329 --> 00:09:48,300

trust me what he said

140

00:09:52,850 --> 00:09:50,339

but I wasn't sure what was going to

141

00:09:55,850 --> 00:09:52,860

happen and we kept walking and

142

00:09:57,769 --> 00:09:55,860

the body was still asleep and then

143

00:10:00,170 --> 00:09:57,779

you mean he was walking in his sleep

144

00:10:04,430 --> 00:10:00,180

yeah he was just like sleep watching

145

00:10:08,040 --> 00:10:04,440

these men spoke good English ugh

146

00:10:10,790 --> 00:10:08,050

only one spoke the water was on my left

147

00:10:17,990 --> 00:10:10,800

[Applause]

148

00:10:18,000 --> 00:10:25,070

he had an accent

149

00:10:25,080 --> 00:10:31,190

he he had sort of a foreign accent

150

00:10:38,030 --> 00:10:33,650

but he was very

151
00:10:43,490 --> 00:10:38,040
you know business-like yeah

152
00:10:43,500 --> 00:10:48,949
we came to

153
00:10:48,959 --> 00:10:57,230
experience

154
00:10:57,240 --> 00:11:00,470
and

155
00:11:00,480 --> 00:11:07,790
there was

156
00:11:14,990 --> 00:11:10,260
occasionally clearing as it was

157
00:11:15,000 --> 00:11:20,389
a better picture

158
00:11:20,399 --> 00:11:25,069
there was a ramp in the door

159
00:11:31,490 --> 00:11:28,730
there was a the object was on the grab

160
00:11:33,110 --> 00:11:31,500
the object was on the ground yeah I

161
00:11:37,670 --> 00:11:33,120
think it was to say what I was watching

162
00:11:42,470 --> 00:11:39,650
and it was

163
00:11:45,110 --> 00:11:42,480

there were trees there was a pass and

164

00:11:47,569 --> 00:11:45,120

there was this cleric and this object

165

00:11:55,790 --> 00:11:47,579

just oh the clearing I could see just

166

00:12:01,490 --> 00:11:57,290

and

167

00:12:03,410 --> 00:12:01,500

they're taking me up to the object now I

168

00:12:05,810 --> 00:12:03,420

don't want to go on up

169

00:12:07,730 --> 00:12:05,820

I don't want it I don't know what's

170

00:12:14,690 --> 00:12:07,740

going to happen if I go on it I don't

171

00:12:19,790 --> 00:12:16,430

and

172

00:12:23,269 --> 00:12:19,800

I go up the ramp

173

00:12:29,389 --> 00:12:25,790

another card

174

00:12:29,399 --> 00:12:36,410

we go up the corridor

175

00:12:36,420 --> 00:12:39,720

foreign

176

00:12:53,150 --> 00:12:50,030

[Applause]

177

00:12:55,790 --> 00:12:53,160

the room with this man who speaks

178

00:12:58,670 --> 00:12:55,800

English in me

179

00:13:01,250 --> 00:12:58,680

do they stay for a minute

180

00:13:03,650 --> 00:13:01,260

I don't know who they are I guess maybe

181

00:13:07,910 --> 00:13:03,660

they're the crew

182

00:13:17,329 --> 00:13:10,070

at the man who speaks English

183

00:13:23,389 --> 00:13:19,990

is fair and

184

00:13:30,110 --> 00:13:23,399

another man comes in

185

00:13:37,430 --> 00:13:31,960

I think he's a doctor

186

00:13:37,440 --> 00:13:42,590

and today

187

00:13:48,769 --> 00:13:46,129

they came in the door

188

00:13:51,470 --> 00:13:48,779

and I think he's got I don't know how I

189

00:13:53,090 --> 00:13:51,480

never said that but I hope that would

190

00:13:56,090 --> 00:13:53,100

never have never enough to go around

191

00:13:58,430 --> 00:13:56,100

kidnapping people right off the highways

192

00:13:59,810 --> 00:13:58,440

like he's done

193

00:13:59,990 --> 00:13:59,820

and

194

00:14:01,069 --> 00:14:00,000

[Applause]

195

00:14:03,470 --> 00:14:01,079

I

196

00:14:06,590 --> 00:14:03,480

he tells me to

197

00:14:09,170 --> 00:14:06,600

take off my dress

198

00:14:13,790 --> 00:14:09,180

and

199

00:14:15,410 --> 00:14:13,800

before I haven't even have a chance

200

00:14:19,310 --> 00:14:15,420

highly to

201
00:14:22,190 --> 00:14:19,320
stand up to do it the examiner it had my

202
00:14:27,410 --> 00:14:22,200
dress has to put down my back

203
00:14:34,490 --> 00:14:30,470
so yeah it has a zipper down the back

204
00:14:39,050 --> 00:14:34,500
and The Examiner unzipped right it goes

205
00:14:41,150 --> 00:14:39,060
way down to my wife does and so I slept

206
00:14:43,550 --> 00:14:41,160
my dress off

207
00:14:46,750 --> 00:14:43,560
as well I don't have my

208
00:14:49,990 --> 00:14:46,760
my dress all my shoes on

209
00:14:52,370 --> 00:14:50,000
and there's a

210
00:14:55,970 --> 00:14:52,380
next over

211
00:14:59,629 --> 00:14:55,980
ton store and then there's in the sort

212
00:15:01,730 --> 00:14:59,639
of in the middle of the room is it table

213
00:15:04,370 --> 00:15:01,740

from another table

214

00:15:07,430 --> 00:15:04,380

it's not that very high because I'll say

215

00:15:11,150 --> 00:15:08,930

so

216

00:15:14,810 --> 00:15:11,160

uh I lie down

217

00:15:16,129 --> 00:15:14,820

on the table on my back

218

00:15:19,129 --> 00:15:16,139

and

219

00:15:24,949 --> 00:15:19,139

difference over this

220

00:15:32,090 --> 00:15:29,290

oh how can I describe but

221

00:15:36,230 --> 00:15:32,100

they're like needles there's a whole

222

00:15:41,389 --> 00:15:36,240

cluster of needles and each needle has a

223

00:15:41,399 --> 00:15:45,710

so let me roll me over

224

00:15:52,910 --> 00:15:47,330

my back

225

00:15:58,210 --> 00:15:52,920

[Applause]

226
00:16:00,970 --> 00:15:58,220
and The Examiner okay has a long needle

227
00:16:05,509 --> 00:16:00,980
in his head

228
00:16:10,730 --> 00:16:07,610
it's bigger than any leader I've ever

229
00:16:13,900 --> 00:16:13,129
I asked him what he's going to do with

230
00:16:15,590 --> 00:16:13,910
it

231
00:16:18,230 --> 00:16:15,600
[Applause]

232
00:16:20,030 --> 00:16:18,240
and he said just a simple steps to vote

233
00:16:23,509 --> 00:16:20,040
to me

234
00:16:26,870 --> 00:16:23,519
and I ask him what and he said he just

235
00:16:29,090 --> 00:16:26,880
wants to put it in my name yeah it's

236
00:16:32,569 --> 00:16:29,100
just a simple test

237
00:16:34,269 --> 00:16:32,579
I don't know it will hurt don't do

238
00:16:40,260 --> 00:16:34,279

it

239

00:16:51,050 --> 00:16:47,350

[Applause]

240

00:16:53,710 --> 00:16:51,060

and I'm crying and I tell her it's hard

241

00:17:02,990 --> 00:16:58,009

and the leader

242

00:17:06,890 --> 00:17:03,000

it goes over and he puts his head rather

243

00:17:17,329 --> 00:17:09,890

and he says I'll be all right I won't

244

00:17:17,339 --> 00:17:24,030

and all the pay goes away

245

00:17:24,040 --> 00:17:34,730

[Applause]

246

00:17:34,740 --> 00:17:40,370

dead

247

00:17:40,380 --> 00:17:44,080

foreign

248

00:17:44,090 --> 00:17:47,630

[Applause]

249

00:17:47,640 --> 00:17:55,730

[Music]

250

00:18:12,529 --> 00:18:06,909

[Applause]

251

00:18:19,010 --> 00:18:14,950

no you didn't

252

00:18:20,750 --> 00:18:19,020

no I asked the leader I said why did he

253

00:18:23,090 --> 00:18:20,760

think they don't why did they think the

254

00:18:24,770 --> 00:18:23,100

needle in my navel and he said it was a

255

00:18:26,810 --> 00:18:24,780

pregnancy test

256

00:18:29,330 --> 00:18:26,820

and I said well

257

00:18:35,390 --> 00:18:29,340

I don't know what they expected but that

258

00:18:40,430 --> 00:18:36,290

anymore

259

00:18:44,750 --> 00:18:40,440

[Applause]

260

00:18:49,250 --> 00:18:47,270

examiner with help he helped me get up

261

00:18:51,950 --> 00:18:49,260

off the table

262

00:18:55,440 --> 00:18:51,960

and I swung around

263

00:18:56,690 --> 00:18:55,450

and my he gave me my shoes

264

00:18:59,090 --> 00:18:56,700

[Applause]

265

00:19:01,930 --> 00:18:59,100

and

266

00:19:07,970 --> 00:19:01,940

I put those on

267

00:19:25,010 --> 00:19:10,070

and

268

00:19:25,020 --> 00:19:29,390

age

269

00:19:29,400 --> 00:19:33,970

and then

270

00:19:39,529 --> 00:19:36,890

oh I said

271

00:19:43,970 --> 00:19:39,539

I can go now

272

00:19:50,870 --> 00:19:46,549

and he said

273

00:19:54,770 --> 00:19:53,570

and so then I began to

274

00:19:58,850 --> 00:19:54,780

get

275

00:20:03,529 --> 00:19:58,860

worried and I kept I asked him

276

00:20:05,990 --> 00:20:03,539

why it was taking so long with Bonnie

277

00:20:08,570 --> 00:20:06,000

and he said well they were doing a few

278

00:20:13,669 --> 00:20:08,580

more tests with him

279

00:20:13,679 --> 00:20:21,409

and uh

280

00:20:34,250 --> 00:20:24,049

the

281

00:20:37,190 --> 00:20:34,260

mean

282

00:20:40,970 --> 00:20:37,200

he had gone out of the room

283

00:20:43,130 --> 00:20:40,980

they were just the leader in me there

284

00:20:46,669 --> 00:20:43,140

so there was a doctor there you say I

285

00:20:49,010 --> 00:20:46,679

and the man who did the examining

286

00:20:52,070 --> 00:20:49,020

he did the testing

287

00:20:57,650 --> 00:20:52,080

and he left

288

00:20:59,270 --> 00:20:57,660

and so there was just the Leader in Me

289

00:21:01,669 --> 00:20:59,280

and so

290

00:21:04,909 --> 00:21:01,679

uh I felt

291

00:21:05,810 --> 00:21:04,919

I mean I was grateful to him because he

292

00:21:09,110 --> 00:21:05,820

had

293

00:21:12,110 --> 00:21:09,120

stopped my pain and and now I wasn't

294

00:21:16,909 --> 00:21:13,730

and

295

00:21:16,919 --> 00:21:23,510

I started talking with the leader

296

00:21:29,200 --> 00:21:26,510

and I said to him

297

00:21:30,590 --> 00:21:29,210

that this had been

298

00:21:34,130 --> 00:21:30,600

[Applause]

299

00:21:36,049 --> 00:21:34,140

quite an experience

300

00:21:39,590 --> 00:21:36,059

it was

301
00:21:46,370 --> 00:21:42,230
that no one

302
00:21:48,590 --> 00:21:46,380
would ever ever believe me

303
00:21:50,870 --> 00:21:48,600
and that

304
00:21:55,430 --> 00:21:50,880
most people

305
00:21:59,270 --> 00:21:55,440
didn't even know he was alive

306
00:22:08,330 --> 00:22:03,169
what I needed was some proof

307
00:22:14,930 --> 00:22:11,090
so he left

308
00:22:16,490 --> 00:22:14,940
and he said well what kind of proof

309
00:22:19,190 --> 00:22:16,500
did I want

310
00:22:22,909 --> 00:22:19,200
what would I like

311
00:22:28,610 --> 00:22:26,570
if he could give me something to take

312
00:22:33,169 --> 00:22:28,620
back with me

313
00:22:39,049 --> 00:22:35,930

that's what he told me to

314

00:22:44,040 --> 00:22:42,350

and maybe I could find something

315

00:22:46,850 --> 00:22:44,050

I would like to take

316

00:22:49,430 --> 00:22:46,860

[Applause]

317

00:22:52,610 --> 00:22:49,440

and I did

318

00:22:55,010 --> 00:22:52,620

and there wasn't much

319

00:22:57,169 --> 00:22:55,020

around but

320

00:23:01,010 --> 00:22:57,179

on the cabinet

321

00:23:07,070 --> 00:23:02,470

a

322

00:23:10,810 --> 00:23:08,750

so

323

00:23:13,909 --> 00:23:10,820

I I

324

00:23:15,520 --> 00:23:13,919

put my hand on the book and I said could

325

00:23:19,850 --> 00:23:15,530

I have this

326

00:23:24,590 --> 00:23:19,860

[Applause]

327

00:23:28,190 --> 00:23:24,600

and the leader laughed and he asked me

328

00:23:32,090 --> 00:23:28,200

if I thought I could read it

329

00:23:34,789 --> 00:23:32,100

and I told him no I laughed too

330

00:23:38,810 --> 00:23:34,799

I said no

331

00:23:41,390 --> 00:23:38,820

but I wasn't taking it to read

332

00:23:42,540 --> 00:23:41,400

that this was going to be my proof that

333

00:23:47,810 --> 00:23:42,550

this had happened

334

00:23:49,490 --> 00:23:47,820

[Applause]

335

00:23:52,370 --> 00:23:49,500

to

336

00:23:54,890 --> 00:23:52,380

this is my proof

337

00:23:57,409 --> 00:23:54,900

and so he said that

338

00:23:59,570 --> 00:23:57,419

I could I could have the book If I

339

00:24:02,870 --> 00:23:59,580

wanted it

340

00:24:04,610 --> 00:24:02,880

and I picked it up

341

00:24:08,029 --> 00:24:04,620

and

342

00:24:10,630 --> 00:24:08,039

I was delighted I mean this was this was

343

00:24:15,350 --> 00:24:10,640

one this was

344

00:24:18,850 --> 00:24:15,360

uh more than I'd ever hoped for he went

345

00:24:22,250 --> 00:24:20,420

across the room

346

00:24:27,409 --> 00:24:22,260

[Applause]

347

00:24:31,669 --> 00:24:28,610

and

348

00:24:34,250 --> 00:24:31,679

there was he he did something he he

349

00:24:36,470 --> 00:24:34,260

opened up uh

350

00:24:39,409 --> 00:24:36,480

wasn't like a draw

351
00:24:41,990 --> 00:24:39,419
he sort of did something and and the

352
00:24:45,230 --> 00:24:42,000
metal of the wall

353
00:24:52,669 --> 00:24:45,240
as there was an opening

354
00:24:56,750 --> 00:24:54,169
and

355
00:25:01,610 --> 00:24:56,760
he asked me

356
00:25:07,669 --> 00:25:04,010
and I watched

357
00:25:13,190 --> 00:25:10,070
and I leaned against the table and I

358
00:25:19,850 --> 00:25:15,590
and it was a map of

359
00:25:23,330 --> 00:25:19,860
it was a oblong map

360
00:25:23,340 --> 00:25:29,450
the heavy lines would trade routes

361
00:25:35,510 --> 00:25:32,370
and then the other lines

362
00:25:40,430 --> 00:25:35,520
[Applause]

363
00:25:45,350 --> 00:25:40,440

the other like that the solid lines

364

00:25:48,169 --> 00:25:45,360

were places they went occasionally

365

00:25:48,179 --> 00:25:53,149

he said that

366

00:26:02,029 --> 00:25:55,730

broken lines

367

00:26:02,039 --> 00:26:06,730

so I asked him

368

00:26:15,470 --> 00:26:11,149

where he what

369

00:26:22,549 --> 00:26:17,330

and

370

00:26:26,210 --> 00:26:22,559

he said where's the where are you on

371

00:26:30,710 --> 00:26:27,720

and

372

00:26:34,370 --> 00:26:30,720

[Applause]

373

00:26:34,930 --> 00:26:34,380

I looked and I laughed and I said I

374

00:26:38,510 --> 00:26:34,940

don't know

375

00:26:41,930 --> 00:26:38,520

[Applause]

376
00:26:46,549 --> 00:26:41,940
so he said well then

377
00:26:49,490 --> 00:26:46,559
if you don't know where you were

378
00:26:55,010 --> 00:26:49,500
there wouldn't be any point

379
00:26:57,470 --> 00:26:56,029
and

380
00:26:59,149 --> 00:26:57,480
he put

381
00:27:05,169 --> 00:26:59,159
map

382
00:27:10,130 --> 00:27:05,179
in the space in the wall

383
00:27:20,690 --> 00:27:14,269
and I felt very stupid

384
00:27:20,700 --> 00:27:30,669
and

385
00:27:37,070 --> 00:27:34,490
I asked him well could he show me could

386
00:27:39,590 --> 00:27:37,080
he open up the map again and show me

387
00:27:43,610 --> 00:27:39,600
what the Earth was

388
00:27:48,950 --> 00:27:46,010

and then

389

00:27:50,870 --> 00:27:48,960

I still I got the book

390

00:27:53,330 --> 00:27:50,880

I still got the I'm carrying the book I

391

00:27:56,930 --> 00:27:53,340

got my eyes it's a big book

392

00:27:58,850 --> 00:27:56,940

I don't and so I went back to the

393

00:28:01,190 --> 00:27:58,860

cabinet

394

00:28:05,029 --> 00:28:01,200

and put the book down and started to

395

00:28:05,039 --> 00:28:07,789

and

396

00:28:12,590 --> 00:28:10,970

then all of a sudden there's no ways out

397

00:28:13,660 --> 00:28:12,600

in the hall

398

00:28:14,990 --> 00:28:13,670

and

399

00:28:18,830 --> 00:28:15,000

[Applause]

400

00:28:23,690 --> 00:28:18,840

some of the other men come in

401
00:28:25,730 --> 00:28:23,700
and with them is The Examiner

402
00:28:28,310 --> 00:28:25,740
and

403
00:28:30,529 --> 00:28:28,320
they're quite excited

404
00:28:32,930 --> 00:28:30,539
so I asked the leader I said what's the

405
00:28:35,570 --> 00:28:32,940
matter it if something happened to

406
00:28:37,909 --> 00:28:35,580
Bonnie what's what is that it's

407
00:28:39,110 --> 00:28:37,919
something to do with Barney

408
00:28:42,049 --> 00:28:39,120
and

409
00:28:45,890 --> 00:28:42,059
the the experiment

410
00:28:50,090 --> 00:28:45,900
has me oh has me open my mouth

411
00:28:53,510 --> 00:28:50,100
and he starts checking my teeth

412
00:28:55,850 --> 00:28:53,520
ended up tugging at them

413
00:28:58,669 --> 00:28:55,860

and I asked him

414

00:29:00,769 --> 00:28:58,679

what are they trying to do

415

00:29:03,890 --> 00:29:00,779

what are they doing at them they would

416

00:29:05,750 --> 00:29:03,900

try pulling tugging

417

00:29:08,750 --> 00:29:05,760

yes

418

00:29:11,570 --> 00:29:08,760

and the The Examiner

419

00:29:12,769 --> 00:29:11,580

said that they were very he was very

420

00:29:18,730 --> 00:29:12,779

excited

421

00:29:29,450 --> 00:29:20,289

he

422

00:29:34,990 --> 00:29:32,580

and I I was really laughing

423

00:29:38,810 --> 00:29:35,000

[Applause]

424

00:29:41,210 --> 00:29:38,820

I said that Bonnie had dentures and I

425

00:29:44,630 --> 00:29:41,220

didn't and that's why he's even come out

426

00:29:50,450 --> 00:29:47,269

it was like and so then they asked me

427

00:29:54,470 --> 00:29:50,460

what were dentures

428

00:29:56,630 --> 00:29:54,480

and I said that

429

00:30:01,490 --> 00:29:56,640

people

430

00:30:03,590 --> 00:30:01,500

as they got older wash their teeth they

431

00:30:05,690 --> 00:30:03,600

had to go to the dentist and have their

432

00:30:11,990 --> 00:30:05,700

teeth extracted

433

00:30:13,610 --> 00:30:12,000

and they put in Dentures are a person

434

00:30:17,510 --> 00:30:13,620

[Applause]

435

00:30:18,950 --> 00:30:17,520

sometimes and Barney had to have

436

00:30:23,090 --> 00:30:18,960

dentures because

437

00:30:25,130 --> 00:30:23,100

he had he injured he had a mouth injury

438

00:30:28,130 --> 00:30:25,140

of some sight and he had to have his

439

00:30:31,430 --> 00:30:28,140

teeth extracted all these things you

440

00:30:33,230 --> 00:30:31,440

asked me I don't know I'm a very limited

441

00:30:38,590 --> 00:30:33,240

person

442

00:30:41,630 --> 00:30:38,600

when talking trying to talk with you

443

00:30:43,010 --> 00:30:41,640

but there are other people in this

444

00:30:46,070 --> 00:30:43,020

country

445

00:30:49,490 --> 00:30:46,080

who are not like me

446

00:30:51,769 --> 00:30:49,500

that they would be most happy to talk

447

00:30:57,230 --> 00:30:51,779

with him

448

00:31:00,409 --> 00:30:57,240

that they could answer all his questions

449

00:31:08,810 --> 00:31:04,310

maybe if he could come back

450

00:31:11,029 --> 00:31:08,820

if we could make arrangements

451
00:31:14,630 --> 00:31:11,039
for a meeting

452
00:31:15,830 --> 00:31:14,640
I could maybe I could if he gave me time

453
00:31:22,549 --> 00:31:15,840
enough

454
00:31:29,149 --> 00:31:27,169
and I could arrange to for him to meet

455
00:31:30,490 --> 00:31:29,159
them

456
00:31:32,630 --> 00:31:30,500
and

457
00:31:34,730 --> 00:31:32,640
[Applause]

458
00:31:37,549 --> 00:31:34,740
it would have to be gentle there'd be no

459
00:31:40,250 --> 00:31:37,559
danger involved

460
00:31:45,950 --> 00:31:40,260
I wouldn't

461
00:31:50,269 --> 00:31:48,409
that

462
00:31:52,669 --> 00:31:50,279
I don't know how I could do it I don't

463
00:31:57,110 --> 00:31:52,679

know how I could I'd work it out somehow

464

00:31:57,120 --> 00:32:04,190

If he if he could come out

465

00:32:11,269 --> 00:32:08,590

I want him to come back I want him to

466

00:32:12,710 --> 00:32:11,279

[Applause]

467

00:32:19,070 --> 00:32:12,720

they

468

00:32:24,590 --> 00:32:22,070

and I will you come back

469

00:32:28,070 --> 00:32:24,600

can we make

470

00:32:30,169 --> 00:32:28,080

you can can we work out something and

471

00:32:33,889 --> 00:32:30,179

then his answers his questions would all

472

00:32:35,810 --> 00:32:33,899

have answers and and other people could

473

00:32:38,269 --> 00:32:35,820

get the things out all the things I'd

474

00:32:41,210 --> 00:32:38,279

like to know too

475

00:32:44,210 --> 00:32:41,220

and he says

476
00:32:51,830 --> 00:32:44,220
I don't know

477
00:32:57,409 --> 00:32:54,409
so I said well

478
00:33:03,529 --> 00:32:57,419
could you discuss it with the person

479
00:33:09,649 --> 00:33:06,529
and he said

480
00:33:13,310 --> 00:33:09,659
and I said well

481
00:33:17,029 --> 00:33:13,320
if you do decide to come back

482
00:33:20,149 --> 00:33:17,039
I mean if it can be worked out

483
00:33:22,610 --> 00:33:20,159
I would need time

484
00:33:23,690 --> 00:33:22,620
I I it would take some time I mean I

485
00:33:25,970 --> 00:33:23,700
just couldn't

486
00:33:28,310 --> 00:33:25,980
go out from the spirit of the moment and

487
00:33:30,710 --> 00:33:28,320
round up people to meet with you it

488
00:33:33,769 --> 00:33:30,720

would have to be people that we knew

489

00:33:35,870 --> 00:33:33,779

would be all right and and would have

490

00:33:37,549 --> 00:33:35,880

the background enough

491

00:33:44,090 --> 00:33:37,559

and

492

00:33:48,150 --> 00:33:45,850

if he like

493

00:33:49,370 --> 00:33:48,160

he said don't worry

494

00:33:52,549 --> 00:33:49,380

[Applause]

495

00:33:57,409 --> 00:33:52,559

if we decide to come back

496

00:34:02,750 --> 00:33:59,990

but I said but I don't live around here

497

00:34:04,850 --> 00:34:02,760

I don't live in this area

498

00:34:06,590 --> 00:34:04,860

and he said

499

00:34:08,629 --> 00:34:06,600

we'll find you

500

00:34:11,930 --> 00:34:08,639

and I said how

501
00:34:13,909 --> 00:34:11,940
how will you find me out of millions of

502
00:34:16,909 --> 00:34:13,919
people

503
00:34:20,750 --> 00:34:16,919
and he said we will

504
00:34:23,210 --> 00:34:20,760
we always do find those we want to

505
00:34:24,530 --> 00:34:23,220
and I said well now what do you mean by

506
00:34:25,790 --> 00:34:24,540
that remark

507
00:34:30,409 --> 00:34:25,800
[Applause]

508
00:34:30,419 --> 00:34:33,250
and then

509
00:34:38,930 --> 00:34:36,409
Bonnie's coming

510
00:34:40,790 --> 00:34:38,940
they're bringing Bonnie out of I hear

511
00:34:43,609 --> 00:34:40,800
this I hear the men out in the corridor

512
00:34:47,270 --> 00:34:43,619
and I said Bonnie's coming

513
00:34:50,889 --> 00:34:47,280

he said yes you can go back the car now

514

00:34:53,210 --> 00:34:50,899

and I got the book

515

00:34:56,149 --> 00:34:53,220

somebody's coming out and buying his

516

00:34:58,030 --> 00:34:56,159

eyes are still shut

517

00:35:01,250 --> 00:34:58,040

good Heavens

518

00:35:03,050 --> 00:35:01,260

he's just an awful lot

519

00:35:07,370 --> 00:35:03,060

I wonder if he made her keep his

520

00:35:07,380 --> 00:35:11,150

so

521

00:35:15,890 --> 00:35:13,730

they uh anyway uh

522

00:35:17,450 --> 00:35:15,900

now it's time to go back to the car and

523

00:35:19,370 --> 00:35:17,460

the leader said come on we'll walk back

524

00:35:20,990 --> 00:35:19,380

to the car with you

525

00:35:23,329 --> 00:35:21,000

I said all right

526

00:35:25,130 --> 00:35:23,339

I said but I do wish

527

00:35:26,990 --> 00:35:25,140

I wish I knew if you were going to come

528

00:35:29,690 --> 00:35:27,000

back

529

00:35:31,069 --> 00:35:29,700

and he said well we'll see

530

00:35:34,730 --> 00:35:31,079

and

531

00:35:35,890 --> 00:35:34,740

we're out into the corridor

532

00:35:39,050 --> 00:35:35,900

I'm

533

00:35:42,589 --> 00:35:39,060

Barney's behind me and his eyes shut

534

00:35:43,540 --> 00:35:42,599

there's a man on each side of him

535

00:35:44,870 --> 00:35:43,550

and

536

00:35:47,510 --> 00:35:44,880

[Applause]

537

00:35:48,890 --> 00:35:47,520

I'm starting I'm all ready to go down

538

00:35:53,170 --> 00:35:48,900

the ramp

539

00:36:02,089 --> 00:35:58,010

not that the leader but some of the

540

00:36:08,270 --> 00:36:04,069

I don't know what they say but they're

541

00:36:12,710 --> 00:36:10,609

and the leader is saying he's he's

542

00:36:18,530 --> 00:36:12,720

saying something

543

00:36:26,750 --> 00:36:23,030

just that they don't they're undecided

544

00:36:26,760 --> 00:36:30,109

and then

545

00:36:30,119 --> 00:36:34,970

oh

546

00:36:34,980 --> 00:36:42,290

Jolena comes over and takes my book

547

00:36:48,530 --> 00:36:46,190

and I said oh I'm furious

548

00:36:50,170 --> 00:36:48,540

I said you promised me I could have the

549

00:36:53,990 --> 00:36:50,180

book

550

00:36:56,329 --> 00:36:54,000

you gave me a word you I could have it

551
00:36:59,990 --> 00:36:56,339
and he said I know it

552
00:37:02,510 --> 00:37:00,000
he said but the others object

553
00:37:05,030 --> 00:37:02,520
they don't want you to have it and I

554
00:37:06,950 --> 00:37:05,040
said that this is my proof If you take

555
00:37:09,010 --> 00:37:06,960
the book away from me I'll have no proof

556
00:37:13,010 --> 00:37:09,020
that this has happened

557
00:37:14,770 --> 00:37:13,020
and he said that's the whole point they

558
00:37:18,530 --> 00:37:14,780
don't want you to know what's happened

559
00:37:22,089 --> 00:37:18,540
they want you to forget all about it

560
00:37:25,190 --> 00:37:22,099
and that's why I'm taking the

561
00:37:27,770 --> 00:37:25,200
I I won't forget about it

562
00:37:29,870 --> 00:37:27,780
you you could take the book but you

563
00:37:32,630 --> 00:37:29,880

never never could make me forget about

564

00:37:38,560 --> 00:37:32,640

it because I'll remember the last thing

565

00:37:38,570 --> 00:37:41,770

[Applause]

566

00:37:41,780 --> 00:37:46,150

but I want the book

567

00:37:52,310 --> 00:37:49,250

he won't give it to me

568

00:37:52,320 --> 00:37:56,990

he lies he he said

569

00:38:03,349 --> 00:38:00,349

maybe you will remember

570

00:38:05,210 --> 00:38:03,359

I don't know I hope you don't but maybe

571

00:38:09,050 --> 00:38:05,220

you will

572

00:38:12,170 --> 00:38:09,060

but it won't do you any good if you do

573

00:38:15,710 --> 00:38:12,180

because body won't body won't remember

574

00:38:20,210 --> 00:38:17,810

but not only that if he should remember

575

00:38:22,190 --> 00:38:20,220

anything at all

576

00:38:24,670 --> 00:38:22,200

he's going to remember it differently

577

00:38:27,170 --> 00:38:24,680

from you

578

00:38:29,569 --> 00:38:27,180

and all you gotta do is get each other

579

00:38:31,190 --> 00:38:29,579

so confused you won't know what's going

580

00:38:32,310 --> 00:38:31,200

on

581

00:38:33,530 --> 00:38:32,320

okay

582

00:38:36,530 --> 00:38:33,540

[Applause]

583

00:38:39,829 --> 00:38:36,540

David do remember

584

00:38:42,890 --> 00:38:39,839

it'd be better if you forgot it anyway

585

00:38:44,390 --> 00:38:42,900

but I said why but you try to threaten

586

00:38:56,210 --> 00:38:44,400

me

587

00:39:01,010 --> 00:38:57,790

so that is

588

00:39:03,710 --> 00:39:01,020

all right now come on let's go back to

589

00:39:07,280 --> 00:39:06,050

we'll go back to the we'll take you back

590

00:39:08,569 --> 00:39:07,290

to the car

591

00:39:10,040 --> 00:39:08,579

[Applause]

592

00:39:12,710 --> 00:39:10,050

and

593

00:39:15,410 --> 00:39:12,720

[Applause]

594

00:39:18,109 --> 00:39:15,420

um I've been stared in there by the time

595

00:39:21,250 --> 00:39:18,119

of the rep talking to him

596

00:39:21,260 --> 00:39:26,150

I'm not so bad though

597

00:39:33,589 --> 00:39:29,450

and they've taken body ahead

598

00:39:42,710 --> 00:39:37,849

so he the other bit of going ahead

599

00:39:49,069 --> 00:39:45,770

he said you know he said I

600

00:39:50,810 --> 00:39:49,079

I had no objections to you having the

601
00:39:53,870 --> 00:39:50,820
book

602
00:39:56,630 --> 00:39:53,880
but the others object

603
00:39:58,609 --> 00:39:56,640
if they have as much

604
00:40:10,190 --> 00:39:58,619
right

605
00:40:15,710 --> 00:40:10,200
I won't be mad at you

606
00:40:21,650 --> 00:40:18,770
it is the most I wish I could be able to

607
00:40:24,950 --> 00:40:21,660
have some proof of this

608
00:40:29,270 --> 00:40:24,960
because it's the most unbelievable thing

609
00:40:32,089 --> 00:40:30,770
very

610
00:40:34,849 --> 00:40:32,099
the paragraph

611
00:40:38,810 --> 00:40:34,859
can only determine what you believe to

612
00:40:41,630 --> 00:40:38,820
be so in trying to bridge from what you

613
00:40:43,970 --> 00:40:41,640

believe to be so whether it is so or not

614

00:40:45,349 --> 00:40:43,980

I think probably the best thing to use

615

00:40:48,170 --> 00:40:45,359

is the star map

616

00:40:52,370 --> 00:40:48,180

at least the star map is something that

617

00:40:54,650 --> 00:40:52,380

brings us into reality as those who have

618

00:40:57,109 --> 00:40:54,660

never had your experience would know it

619

00:40:59,890 --> 00:40:57,119

in other words there is a map that you

620

00:41:02,930 --> 00:40:59,900

drew prior to the time

621

00:41:04,430 --> 00:41:02,940

a couple of stars were discernible

622

00:41:06,970 --> 00:41:04,440

because they didn't have the equipment

623

00:41:11,569 --> 00:41:06,980

in 61 or 65

624

00:41:14,990 --> 00:41:11,579

to see those stars and subsequently that

625

00:41:18,470 --> 00:41:15,000

map became validated is that correct

626

00:41:20,750 --> 00:41:18,480

okay I think that trying to bridge what

627

00:41:23,450 --> 00:41:20,760

you believe to be so and what is in fact

628

00:41:26,390 --> 00:41:23,460

so if we address the polygraph

629

00:41:28,970 --> 00:41:26,400

examination to how you obtained the

630

00:41:32,450 --> 00:41:28,980

information with which to draw the star

631

00:41:36,530 --> 00:41:32,460

map we might at least strike at some

632

00:41:38,569 --> 00:41:36,540

form of reality as a as opposed to your

633

00:41:41,089 --> 00:41:38,579

perception which you may think is very

634

00:41:43,010 --> 00:41:41,099

real but which may not in fact be real

635

00:41:45,109 --> 00:41:43,020

so if we try to make the bridge with the

636

00:41:47,750 --> 00:41:45,119

star map and we ask you questions along

637

00:41:51,770 --> 00:41:47,760

the lines of did you obtain the

638

00:41:54,530 --> 00:41:51,780

information to draw that star map from a

639

00:41:56,870 --> 00:41:54,540

UFO and then reverse it did you obtain

640

00:41:58,670 --> 00:41:56,880

it to any other source we can determine

641

00:42:01,490 --> 00:41:58,680

what you at least believe in relation to

642

00:42:04,730 --> 00:42:01,500

the star map and then what we've been

643

00:42:07,069 --> 00:42:04,740

using basically uh in these areas of

644

00:42:10,130 --> 00:42:07,079

psychic phenomena and

645

00:42:11,870 --> 00:42:10,140

with some success is to ask you whether

646

00:42:14,569 --> 00:42:11,880

or not you think this whole thing is a

647

00:42:19,849 --> 00:42:14,579

hoax I think quickly we can strip away

648

00:42:21,170 --> 00:42:19,859

if it is a hoax uh your belief is that

649

00:42:23,390 --> 00:42:21,180

what you're saying is so when you know

650

00:42:25,490 --> 00:42:23,400

in fact it isn't so but I think if we

651
00:42:28,609 --> 00:42:25,500
address the Examination for those two

652
00:42:31,370 --> 00:42:28,619
areas we may at least be able to find

653
00:42:34,670 --> 00:42:31,380
out if you believe that what you're

654
00:42:36,890 --> 00:42:34,680
saying is so and before I invite you to

655
00:42:38,990 --> 00:42:36,900
take that test if someone came up to you

656
00:42:42,829 --> 00:42:39,000
today and I'm sure many people have

657
00:42:45,650 --> 00:42:42,839
since you've become uh noteworthy in

658
00:42:48,050 --> 00:42:45,660
this area and said I had an experience

659
00:42:49,910 --> 00:42:48,060
or I was on a UFO what do you think of

660
00:42:52,670 --> 00:42:49,920
those people today are they telling the

661
00:42:55,310 --> 00:42:52,680
truth or not I would want a great deal

662
00:42:57,970 --> 00:42:55,320
more than just the presence word

663
00:43:01,250 --> 00:42:57,980

that the president

664

00:43:02,990 --> 00:43:01,260

tangible product of this uh this whole

665

00:43:05,390 --> 00:43:03,000

experience

666

00:43:07,069 --> 00:43:05,400

that has some substantiation quite apart

667

00:43:08,870 --> 00:43:07,079

from anybody's arguments against all

668

00:43:11,750 --> 00:43:08,880

this yeah so I think we could use that

669

00:43:13,670 --> 00:43:11,760

effective nothing disparaging but I

670

00:43:16,370 --> 00:43:13,680

would be derelict as a polygraph

671

00:43:19,490 --> 00:43:16,380

examiner if I didn't inquire into your

672

00:43:21,290 --> 00:43:19,500

General Medical Health and as far as

673

00:43:23,390 --> 00:43:21,300

your mental health let me ask you if

674

00:43:26,630 --> 00:43:23,400

you're not reluctant to say have you

675

00:43:28,550 --> 00:43:26,640

ever prior to this occurrence had

676
00:43:32,150 --> 00:43:28,560
therapy or counseling or visited a

677
00:43:35,089 --> 00:43:32,160
psychiatrist no I'm a retired social

678
00:43:36,589 --> 00:43:35,099
worker I usually touch other people with

679
00:43:37,450 --> 00:43:36,599
but you never needed any treatment

680
00:43:40,250 --> 00:43:37,460
yourself

681
00:43:42,050 --> 00:43:40,260
good enough for me let's try a few

682
00:43:44,210 --> 00:43:42,060
friends and lie to me about that star

683
00:43:53,089 --> 00:43:44,220
man yeah

684
00:43:55,190 --> 00:43:53,099
[Music]

685
00:44:04,250 --> 00:43:55,200
if we receive that starmax information

686
00:44:09,890 --> 00:44:07,190
any story first emerged under hypnosis

687
00:44:12,230 --> 00:44:09,900
following Nightmares on her part and

688
00:44:13,730 --> 00:44:12,240

named unexplained deterioration in the

689

00:44:15,829 --> 00:44:13,740

physical condition

690

00:44:18,230 --> 00:44:15,839

of her husband Barney and his medical

691

00:44:21,070 --> 00:44:18,240

hypnotist the psychiatrist was

692

00:44:22,190 --> 00:44:21,080

recommended and this is what he found

693

00:44:24,710 --> 00:44:22,200

[Music]

694

00:44:26,990 --> 00:44:24,720

we can only test whether or not she

695

00:44:29,510 --> 00:44:27,000

believes this is a real recollection not

696

00:44:31,910 --> 00:44:29,520

something that she made up or only

697

00:44:33,829 --> 00:44:31,920

dreamed

698

00:44:35,690 --> 00:44:33,839

regarding the original Star map

699

00:44:42,470 --> 00:44:35,700

information did you obtain it from a

700

00:44:48,650 --> 00:44:44,650

or from New Hampshire are typically

701

00:44:50,690 --> 00:44:48,660

Swift and Direct in their answers

702

00:45:01,250 --> 00:44:50,700

do you believe this storm that story is

703

00:45:06,530 --> 00:45:03,710

test is over remain still for 10 seconds

704

00:45:08,150 --> 00:45:06,540

please this is one of the charts Petty

705

00:45:10,069 --> 00:45:08,160

that was actually collected on

706

00:45:12,650 --> 00:45:10,079

television that our viewers could see

707

00:45:14,990 --> 00:45:12,660

the first relevant question was did you

708

00:45:18,829 --> 00:45:15,000

initially receive that star map

709

00:45:22,130 --> 00:45:18,839

information while on board a UFO you as

710

00:45:25,609 --> 00:45:22,140

you're not in your head said yes and we

711

00:45:28,609 --> 00:45:25,619

see in the cardio tracing a downward

712

00:45:30,890 --> 00:45:28,619

movement of the blood pressure as shown

713

00:45:32,809 --> 00:45:30,900

by measuring blood volume

714

00:45:35,890 --> 00:45:32,819

we contrast that with the question

715

00:45:38,930 --> 00:45:35,900

before where there was a slight upswing

716

00:45:42,710 --> 00:45:38,940

and more notably here in the respiration

717

00:45:45,230 --> 00:45:42,720

tracing we see a very long sustained

718

00:45:47,510 --> 00:45:45,240

suppression when you answered the

719

00:45:49,490 --> 00:45:47,520

control question and almost nothing

720

00:45:52,010 --> 00:45:49,500

happening when you answered the relevant

721

00:45:53,870 --> 00:45:52,020

question indicating a lack of stress for

722

00:45:55,790 --> 00:45:53,880

what we call a lack of reaction to the

723

00:45:56,930 --> 00:45:55,800

relevant question let's go to the second

724

00:45:59,990 --> 00:45:56,940

question

725

00:46:01,849 --> 00:46:00,000

first

726

00:46:03,589 --> 00:46:01,859

regarding the original storm map

727

00:46:07,430 --> 00:46:03,599

information did you obtain it from a

728

00:46:09,710 --> 00:46:07,440

source other than a UFO now when you

729

00:46:11,270 --> 00:46:09,720

created the star map I don't believe

730

00:46:13,609 --> 00:46:11,280

there were any sources that could have

731

00:46:15,710 --> 00:46:13,619

given you those two other stars but the

732

00:46:17,809 --> 00:46:15,720

question is what did you believe you

733

00:46:20,569 --> 00:46:17,819

said no you didn't get it from a source

734

00:46:23,030 --> 00:46:20,579

other than UFO and there's absolutely

735

00:46:25,069 --> 00:46:23,040

nothing happening here in this cardio

736

00:46:27,589 --> 00:46:25,079

tracing showing a lack of stress when

737

00:46:29,329 --> 00:46:27,599

you said no to that question but the

738

00:46:31,849 --> 00:46:29,339

question before we see that you're

739

00:46:33,829 --> 00:46:31,859

capable of significant cardio response

740

00:46:36,230 --> 00:46:33,839

because we see it here with this

741

00:46:38,270 --> 00:46:36,240

tremendous upswing here again the

742

00:46:39,950 --> 00:46:38,280

respiration pattern there is that

743

00:46:42,410 --> 00:46:39,960

suppression that we noted in the earlier

744

00:46:44,150 --> 00:46:42,420

question nothing happening in the

745

00:46:46,430 --> 00:46:44,160

relevant question let's go to the third

746

00:46:49,370 --> 00:46:46,440

question dealing with whether or not you

747

00:46:51,309 --> 00:46:49,380

believe that your story is a hoax

748

00:46:54,770 --> 00:46:51,319

what is that you believe your start

749

00:46:56,450 --> 00:46:54,780

Matt's story is a hoax you said no blood

750

00:46:59,630 --> 00:46:56,460

pressure's going down

751
00:47:02,089 --> 00:46:59,640
galvanic skin response shows six chart

752
00:47:04,609 --> 00:47:02,099
divisions and we contrast that with the

753
00:47:07,190 --> 00:47:04,619
question before where you had many more

754
00:47:09,170 --> 00:47:07,200
chart divisions in the galvanometer a

755
00:47:11,270 --> 00:47:09,180
significant Baseline arousal in the

756
00:47:15,230 --> 00:47:11,280
respiration tracing putting it all

757
00:47:16,910 --> 00:47:15,240
together Betty you believe what you're

758
00:47:19,490 --> 00:47:16,920
telling us and I wouldn't want to

759
00:47:21,950 --> 00:47:19,500
alienate an alien and Say It Isn't So

760
00:47:23,750 --> 00:47:21,960
all I can tell you is you believe what

761
00:47:27,589 --> 00:47:23,760
you're saying I do

762
00:47:29,089 --> 00:47:27,599
we now have an astronomer will back you

763
00:47:31,010 --> 00:47:29,099

off I guess a whole bunch of them you

764

00:47:32,870 --> 00:47:31,020

can't very well describe stars that have

765

00:47:35,089 --> 00:47:32,880

been discovered without some kind of

766

00:47:37,730 --> 00:47:35,099

help we have

767

00:47:39,170 --> 00:47:37,740

scientist who's a doctor who wonder if

768

00:47:42,410 --> 00:47:39,180

most of some of the techniques that he

769

00:47:44,210 --> 00:47:42,420

believes were totally legitimate came

770

00:47:46,130 --> 00:47:44,220

out with this story

771

00:47:47,990 --> 00:47:46,140

showing at least it was in your mind it

772

00:47:49,609 --> 00:47:48,000

was very real decided it happened we

773

00:47:52,069 --> 00:47:49,619

have the time Gap

774

00:47:55,250 --> 00:47:52,079

for two hours have disappeared from your

775

00:47:57,890 --> 00:47:55,260

lifetime until He restored them and now

776

00:48:00,410 --> 00:47:57,900

we have a polygraph which says you're

777

00:48:02,750 --> 00:48:00,420

much more disturbed by General character

778

00:48:05,390 --> 00:48:02,760

questions than you are my questions

779

00:48:08,750 --> 00:48:05,400

about the authenticity of your story

780

00:48:10,250 --> 00:48:08,760

we can't even with Steven Spielberg's

781

00:48:12,530 --> 00:48:10,260

help we can't

782

00:48:14,030 --> 00:48:12,540

produce the spacecraft but maybe someday

783

00:48:15,550 --> 00:48:14,040

somebody will and maybe they'll be
