1
00:00:08,690 --> 00:00:03,370
this case

2
00:00:12,890 --> 00:00:08,700
happen in October 1957.

3
00:00:14,330 --> 00:00:12,900
just in the middle of the flag we had

4
00:00:17,590 --> 00:00:14,340
that ear

5
00:00:21,410 --> 00:00:17,600
and I have a close friend

6
00:00:23,510 --> 00:00:21,420
who's a newspaper man he's called

7
00:00:26,330 --> 00:00:23,520
marchis

8
00:00:29,990 --> 00:00:26,340
and he was one

9
00:00:34,910 --> 00:00:30,000
of of the main goal with those

10
00:00:36,470 --> 00:00:34,920
photographs taking in 1952 in Rio

11
00:00:39,650 --> 00:00:36,480
you remember

12
00:00:43,310 --> 00:00:39,660
and after those photographs

13
00:00:45,290 --> 00:00:43,320

this man become became very interested

14

00:00:47,150 --> 00:00:45,300
in UFOs

15

00:00:51,650 --> 00:00:47,160
and he has

16

00:00:54,709 --> 00:00:51,660
a network of 800 correspondents all over

17

00:00:56,569 --> 00:00:54,719
the country to report everything about

18

00:01:00,110 --> 00:00:56,579
UFOs to him

19

00:01:03,650 --> 00:01:00,120
and his magazine base

20

00:01:05,750 --> 00:01:03,660
his expenses when he goes to make

21

00:01:10,550 --> 00:01:05,760
personal investigation

22

00:01:14,510 --> 00:01:10,560
of the most interesting case and almost

23

00:01:16,850 --> 00:01:14,520
every year he publishes articles about

24

00:01:18,170 --> 00:01:16,860
about the last case

25

00:01:19,910 --> 00:01:18,180
well

26

00:01:22,969 --> 00:01:19,920

this man

27

00:01:25,910 --> 00:01:22,979

his newspaper man

28

00:01:27,710 --> 00:01:25,920

received a letter

29

00:01:30,050 --> 00:01:27,720

in November

30

00:01:33,350 --> 00:01:30,060

57.

31

00:01:36,350 --> 00:01:33,360

and in this letter

32

00:01:37,969 --> 00:01:36,360

there was a very strange history

33

00:01:41,030 --> 00:01:37,979

because

34

00:01:42,710 --> 00:01:41,040

the writer said that he had been

35

00:01:46,490 --> 00:01:42,720

kidnapped

36

00:01:48,350 --> 00:01:46,500

and had and had been taken to Iowa for

37

00:01:54,469 --> 00:01:48,360

several hours

38

00:01:59,330 --> 00:01:54,479

and asked my friend if he was interested

39

00:02:04,850 --> 00:01:59,340

he could come from his town to real

40

00:02:07,270 --> 00:02:04,860

to give his report to him and my friend

41

00:02:11,630 --> 00:02:07,280

called me about this case

42

00:02:13,910 --> 00:02:11,640

and I told him this man is my friend

43

00:02:16,010 --> 00:02:13,920

Martinez

44

00:02:19,630 --> 00:02:16,020

you asking my advice

45

00:02:24,530 --> 00:02:19,640

about this case because he had to pay

46

00:02:28,250 --> 00:02:24,540

the expensive the expense and I said wow

47

00:02:32,869 --> 00:02:28,260

could be a good case for him

48

00:02:34,190 --> 00:02:32,879

to come to me let's see what what is his

49

00:02:39,350 --> 00:02:34,200

story

50

00:02:42,550 --> 00:02:39,360

and he called the man he was a 23 years

51
00:02:44,509 --> 00:02:42,560
old young man

52
00:02:47,690 --> 00:02:44,519
intelligent

53
00:02:49,210 --> 00:02:47,700
with no signs of psychological

54
00:02:54,170 --> 00:02:49,220
disturbance

55
00:02:58,309 --> 00:02:54,180
he wasn't a crackpot and he wasn't he

56
00:03:00,110 --> 00:02:58,319
missed it and he told a very strange

57
00:03:01,910 --> 00:03:00,120
story

58
00:03:03,229 --> 00:03:01,920
and

59
00:03:09,290 --> 00:03:03,239
we

60
00:03:14,410 --> 00:03:09,300
lasts about seven hours

61
00:03:18,589 --> 00:03:14,420
we too myself and my friend and this man

62
00:03:23,030 --> 00:03:18,599
made the most detailed description of

63
00:03:24,770 --> 00:03:23,040

the inside of a UFO that I have seen

64

00:03:31,550 --> 00:03:24,780

and

65

00:03:35,030 --> 00:03:31,560

drawing a field

66

00:03:37,309 --> 00:03:35,040

and an object came down

67

00:03:39,229 --> 00:03:37,319

egg shaping

68

00:03:42,890 --> 00:03:39,239

and

69

00:03:43,970 --> 00:03:42,900

the motor the engine of the tractor was

70

00:03:47,270 --> 00:03:43,980

solid

71

00:03:49,089 --> 00:03:47,280

the lights dimmed out and went out

72

00:03:53,589 --> 00:03:49,099

and

73

00:03:57,350 --> 00:03:53,599

the object came down slowly

74

00:04:00,710 --> 00:03:57,360

and landed in four

75

00:04:02,149 --> 00:04:00,720

in four legs two or four legs I don't

76

00:04:06,710 --> 00:04:02,159

remember

77

00:04:10,130 --> 00:04:06,720

it was a tripod for four legs

78

00:04:13,009 --> 00:04:10,140

and the door was open

79

00:04:16,969 --> 00:04:13,019

and he saw five people

80

00:04:19,310 --> 00:04:16,979

in a kind of suit with helmet helmets

81

00:04:20,930 --> 00:04:19,320

and they came down in

82

00:04:23,870 --> 00:04:20,940

the direction

83

00:04:26,210 --> 00:04:23,880

and he tried to run away

84

00:04:29,450 --> 00:04:26,220

and there was a fight

85

00:04:31,249 --> 00:04:29,460

he had to fight and

86

00:04:34,129 --> 00:04:31,259

at the end

87

00:04:37,129 --> 00:04:34,139

he was grasped

88

00:04:39,890 --> 00:04:37,139

and taken by force

89

00:04:45,710 --> 00:04:39,900

to the UFO

90

00:04:47,390 --> 00:04:45,720

and inside the UFO they took his closest

91

00:04:51,710 --> 00:04:47,400

and

92

00:04:55,250 --> 00:04:51,720

passed a kind of sponge with a liquid

93

00:04:56,990 --> 00:04:55,260

kind of oil substance all over his body

94

00:05:03,290 --> 00:04:57,000

[Music]

95

00:05:07,850 --> 00:05:03,300

then they took samples of his blood from

96

00:05:09,050 --> 00:05:07,860

the chin inside this side the kind of

97

00:05:14,350 --> 00:05:09,060

tube

98

00:05:19,129 --> 00:05:14,360

and he had two scarves to show us

99

00:05:20,870 --> 00:05:19,139

and then he said he had been taken to a

100

00:05:23,150 --> 00:05:20,880

small room

101
00:05:24,950 --> 00:05:23,160
with a number of

102
00:05:26,629 --> 00:05:24,960
small holes

103
00:05:29,749 --> 00:05:26,639
in the walls

104
00:05:33,730 --> 00:05:29,759
and then a gas

105
00:05:37,490 --> 00:05:33,740
came out from those holes and he was

106
00:05:40,550 --> 00:05:37,500
very disturbed he had vomits

107
00:05:42,230 --> 00:05:40,560
and after a long time

108
00:05:43,490 --> 00:05:42,240
the door

109
00:05:47,749 --> 00:05:43,500
open

110
00:05:51,290 --> 00:05:47,759
and he saw a woman

111
00:05:53,330 --> 00:05:51,300
and this woman was about

112
00:05:55,390 --> 00:05:53,340
four feet tall

113
00:05:59,090 --> 00:05:55,400

long hair

114

00:06:03,110 --> 00:05:59,100

a blown Almost White

115

00:06:06,290 --> 00:06:03,120

high cheekbones evolved in cheek

116

00:06:09,650 --> 00:06:06,300

Chi and

117

00:06:11,749 --> 00:06:09,660

blue eyes slanted

118

00:06:15,550 --> 00:06:11,759

on the sides

119

00:06:20,930 --> 00:06:15,560

and she talked a very strange language

120

00:06:22,490 --> 00:06:20,940

just like a dog he said just like a dog

121

00:06:27,110 --> 00:06:22,500

howling

122

00:06:28,730 --> 00:06:27,120

and he said he had the sex contact with

123

00:06:30,590 --> 00:06:28,740

this woman

124

00:06:34,969 --> 00:06:30,600

and then

125

00:06:37,129 --> 00:06:34,979

the others came he never saw the others

126

00:06:41,150 --> 00:06:37,139

without the helmets

127

00:06:44,809 --> 00:06:41,160

he only was it was only possible to see

128

00:06:47,629 --> 00:06:44,819

the eyes the glasses we got the helmet

129

00:06:50,570 --> 00:06:47,639

was transferred

130

00:06:55,550 --> 00:06:50,580

and at the end the human disappeared in

131

00:06:58,670 --> 00:06:55,560

another room and the four other persons

132

00:07:01,430 --> 00:06:58,680

sit at the table

133

00:07:02,870 --> 00:07:01,440

talked with it with each other for a

134

00:07:07,850 --> 00:07:02,880

long time

135

00:07:10,969 --> 00:07:07,860

and at the after a very long talk

136

00:07:15,950 --> 00:07:10,979

they called him by science he gave him

137

00:07:17,270 --> 00:07:15,960

his his closest and so in the outside of

138

00:07:19,070 --> 00:07:17,280

the roof or

139

00:07:20,930 --> 00:07:19,080

and

140

00:07:25,309 --> 00:07:20,940

the last thing

141

00:07:26,510 --> 00:07:25,319

was a man who came with him to the

142

00:07:28,969 --> 00:07:26,520

outside

143

00:07:32,029 --> 00:07:28,979

he point to the ground

144

00:07:34,670 --> 00:07:32,039

he point to himself and he point to a

145

00:07:36,830 --> 00:07:34,680

star in the south

146

00:07:39,050 --> 00:07:36,840

they were for

147

00:07:43,129 --> 00:07:39,060

who was born

148

00:07:46,909 --> 00:07:43,139

I don't believe this this story the

149

00:07:50,089 --> 00:07:46,919

story was we decided that it was too

150

00:07:52,249 --> 00:07:50,099

fantastic to be published

151
00:07:55,909 --> 00:07:52,259
and we kept

152
00:07:59,930 --> 00:07:55,919
the story it's secret like their first

153
00:08:01,670 --> 00:07:59,940
those for seven years

154
00:08:02,900 --> 00:08:01,680
but now

155
00:08:05,629 --> 00:08:02,910
another group

156
00:08:09,230 --> 00:08:05,639
[Music]

157
00:08:10,189 --> 00:08:09,240
went to the to the town where this man

158
00:08:14,450 --> 00:08:10,199
lives

159
00:08:18,290 --> 00:08:14,460
and talking to him and got his report

160
00:08:21,230 --> 00:08:18,300
but a very poor one because after seven

161
00:08:25,689 --> 00:08:21,240
years he had forgotten mostly many

162
00:08:29,749 --> 00:08:25,699
things and after this I decided to

163
00:08:33,350 --> 00:08:29,759

publish to the report of this case I

164

00:08:36,050 --> 00:08:33,360

think it to be published by Apple

165

00:08:40,610 --> 00:08:36,060

as a virgin and Gordon Creighton's

166

00:08:43,190 --> 00:08:40,620

article is not yours it's not mine and

167

00:08:46,509 --> 00:08:43,200

it's very poor

168

00:08:51,530 --> 00:08:49,370

the man

169

00:08:53,570 --> 00:08:51,540

in the second

170

00:08:57,170 --> 00:08:53,580

interrogation

171

00:09:02,150 --> 00:08:57,180

he had forgotten many things

172

00:09:06,470 --> 00:09:02,160

and the group what we have has about

173

00:09:12,820 --> 00:09:10,970

very good day very very very strange

174

00:09:19,350 --> 00:09:12,830

how do Hispanic doctors

175

00:09:19,360 --> 00:09:23,410

[Music]

176

00:09:28,269 --> 00:09:26,810

the size of a small Zeppelin or small uh

177

00:09:32,269 --> 00:09:28,279

Airship

178

00:09:34,009 --> 00:09:32,279

yeah the size of this room perhaps did

179

00:09:35,269 --> 00:09:34,019

he describe how long it might have been

180

00:09:38,210 --> 00:09:35,279

or how high

181

00:09:43,190 --> 00:09:38,220

no it didn't gave he didn't give the

182

00:09:46,570 --> 00:09:43,200

measures he said this is this was a big

183

00:09:52,070 --> 00:09:46,580

room that one was a small room but no

184

00:09:55,130 --> 00:09:52,080

but he has he had the the the size the

185

00:09:58,850 --> 00:09:55,140

distance between the the legs

186

00:10:01,550 --> 00:09:58,860

on which the object had melted well what

187

00:10:05,630 --> 00:10:01,560

about the woman and she had a helmet on

188

00:10:08,449 --> 00:10:05,640

her hair on her head as well when he was

189

00:10:10,610 --> 00:10:08,459

attacked by the five

190

00:10:16,250 --> 00:10:10,620

men

191

00:10:18,650 --> 00:10:16,260

the first one of was smaller he said and

192

00:10:21,769 --> 00:10:18,660

this one he pushed

193

00:10:24,250 --> 00:10:21,779

and in the ground and he said that this

194

00:10:27,230 --> 00:10:24,260

this one was the woman

195

00:10:29,269 --> 00:10:27,240

you said the male crew members that

196

00:10:32,570 --> 00:10:29,279

their eyes could be seen that they had

197

00:10:35,210 --> 00:10:32,580

flat eyes like the woman did he said he

198

00:10:36,350 --> 00:10:35,220

could be sure because the the glass was

199

00:10:38,930 --> 00:10:36,360

very thick

200

00:10:42,430 --> 00:10:38,940

he saw anything sudden they they could

201
00:10:45,580 --> 00:10:42,440
have blue eyes but he could be sure

202
00:10:47,269 --> 00:10:45,590
because the glass

203
00:10:49,430 --> 00:10:47,279
[Music]

204
00:10:52,130 --> 00:10:49,440
is there any medical reason why what

205
00:10:53,449 --> 00:10:52,140
samples would be taken from a chin I

206
00:10:56,930 --> 00:10:53,459
don't know

207
00:10:59,269 --> 00:10:56,940
perhaps they want to capillary blood

208
00:11:01,370 --> 00:10:59,279
I think that would be the only ways of

209
00:11:04,009 --> 00:11:01,380
learning it will get comfortable yeah

210
00:11:07,490 --> 00:11:04,019
but physiologically was this woman the

211
00:11:09,889 --> 00:11:07,500
same as he said so it's all it was very

212
00:11:12,040 --> 00:11:09,899
difficult to get details

213
00:11:14,470 --> 00:11:12,050

about his sex contact

214

00:11:18,790 --> 00:11:14,480

[Music]

215

00:11:24,710 --> 00:11:22,009

who started the whole business obviously

216

00:11:27,069 --> 00:11:24,720

she did who is darling the sex contact

217

00:11:29,630 --> 00:11:27,079

the rumors

218

00:11:33,170 --> 00:11:29,640

well it sounds like the abduction was

219

00:11:35,930 --> 00:11:33,180

took place a woman came in and just put

220

00:11:37,910 --> 00:11:35,940

herself against him

221

00:11:40,250 --> 00:11:37,920

it sounds like the abduction took place

222

00:11:43,190 --> 00:11:40,260

almost primarily for the sexual contact

223

00:11:46,930 --> 00:11:43,200

which would seem to be another uh sort

224

00:11:50,090 --> 00:11:46,940

of if this can be taken

225

00:11:51,470 --> 00:11:50,100

which is which is doubtful but it seems

226

00:11:53,509 --> 00:11:51,480

that this might be another sort of

227

00:11:56,150 --> 00:11:53,519

experiment as to determine what sort of

228

00:12:00,130 --> 00:11:56,160

off might be a sort of biological

229

00:12:04,730 --> 00:12:00,140

experiment yeah the case is true

230

00:12:07,850 --> 00:12:04,740

yeah and if this story went through it

231

00:12:10,430 --> 00:12:07,860

wouldn't it mean that these people have

232

00:12:14,630 --> 00:12:10,440

some way of reading their minds of this

233

00:12:18,290 --> 00:12:14,640

Blast for example he said that at no

234

00:12:25,509 --> 00:12:18,300

moment he had the impression that they

235

00:12:30,889 --> 00:12:28,610

23 years old for example

236

00:12:34,610 --> 00:12:30,899

I think they could help between him

237

00:12:36,350 --> 00:12:34,620

because he seemed very good health and

238

00:12:40,250 --> 00:12:36,360

he had good muscles

239

00:12:41,590 --> 00:12:40,260

and he was handsome last you know our

240

00:12:47,150 --> 00:12:41,600

standards

241

00:12:51,470 --> 00:12:47,160

and the report in his report there is

242

00:12:52,629 --> 00:12:51,480

mention to two sightings before the last

243

00:12:56,389 --> 00:12:52,639

one

244

00:12:58,069 --> 00:12:56,399

over his house when he saw a light

245

00:13:00,650 --> 00:12:58,079

coming from the

246

00:13:03,170 --> 00:13:00,660

from the sky at night but there was

247

00:13:04,790 --> 00:13:03,180

nothing behind the light only a big

248

00:13:07,790 --> 00:13:04,800

Searchlight

249

00:13:11,810 --> 00:13:07,800

and the second one when he was working

250

00:13:15,190 --> 00:13:11,820

in the field with one of his brothers

251
00:13:19,610 --> 00:13:15,200
and they saw an object that came down

252
00:13:24,590 --> 00:13:19,620
and started to go around them in the

253
00:13:28,129 --> 00:13:24,600
field and the day after this happened he

254
00:13:30,470 --> 00:13:28,139
was alone and in this day he said he was

255
00:13:33,170 --> 00:13:30,480
kidnapping whoever it sounds like that

256
00:13:35,690 --> 00:13:33,180
the surveillance was being made of this

257
00:13:38,810 --> 00:13:35,700
particular person several times before

258
00:13:40,910 --> 00:13:38,820
the actual contact two times before two

259
00:13:43,190 --> 00:13:40,920
times before your seven hour

260
00:13:46,870 --> 00:13:43,200
interrogation wasn't able to break him

261
00:13:50,750 --> 00:13:46,880
down in any way as to a possible move

262
00:13:53,090 --> 00:13:50,760
explanation for the uh no I still do not

263
00:13:55,850 --> 00:13:53,100

believe this story I don't believe it

264

00:13:59,389 --> 00:13:55,860

because I think it's it started too

265

00:14:02,389 --> 00:13:59,399

fantastic to believe right but I wasn't

266

00:14:04,629 --> 00:14:02,399

able to break him

267

00:14:07,629 --> 00:14:04,639

he repeated everything

268

00:14:12,430 --> 00:14:07,639

and he

269

00:14:19,009 --> 00:14:12,440

like he said he seemed to be honest

270

00:14:21,590 --> 00:14:19,019

in his story and he took also Our advice

271

00:14:24,710 --> 00:14:21,600

because in the end

272

00:14:28,190 --> 00:14:24,720

we said to him you were required it's

273

00:14:29,629 --> 00:14:28,200

not going to be published because it's

274

00:14:32,030 --> 00:14:29,639

too fantastic

275

00:14:34,910 --> 00:14:32,040

but if you want

276

00:14:38,710 --> 00:14:34,920

you can go tomorrow morning to the

277

00:14:42,650 --> 00:14:38,720

newspapers and give give him the address

278

00:14:43,730 --> 00:14:42,660

of several newspapers in real and you

279

00:14:46,430 --> 00:14:43,740

could

280

00:14:49,189 --> 00:14:46,440

tell them your history and we are

281

00:14:50,629 --> 00:14:49,199

absolutely sure that that will be

282

00:14:54,470 --> 00:14:50,639

published

283

00:14:58,610 --> 00:14:54,480

and he said why do you think

284

00:15:02,329 --> 00:14:58,620

that my report can't be published

285

00:15:05,150 --> 00:15:02,339

and we said to him because it's too

286

00:15:06,769 --> 00:15:05,160

fantastic in most people who believe

287

00:15:08,689 --> 00:15:06,779

that you are

288

00:15:14,650 --> 00:15:08,699

lying

289

00:15:17,150 --> 00:15:14,660
and his answer was well if

290

00:15:19,970 --> 00:15:17,160
you think it's best

291

00:15:23,030 --> 00:15:19,980
I'm going away from my town you're not

292

00:15:25,370 --> 00:15:23,040
going to talk to anyone

293

00:15:30,110 --> 00:15:25,380
he did just that

294

00:15:34,370 --> 00:15:30,120
he went back and his report was not

295

00:15:35,889 --> 00:15:34,380
printed he talking with no people

296

00:15:40,730 --> 00:15:35,899
and

297

00:15:43,430 --> 00:15:40,740
only seven years after he took the game

298

00:15:48,170 --> 00:15:43,440
when those people who did the

299

00:15:51,230 --> 00:15:48,180
investigation for the social review

300

00:15:53,230 --> 00:15:51,240
went there didn't he travel to Rio

301

00:15:56,329 --> 00:15:53,240

though for uh

302

00:15:58,370 --> 00:15:56,339

to consult a doctor I think I read

303

00:16:00,769 --> 00:15:58,380

somewhere that he made a trip to Rio not

304

00:16:03,470 --> 00:16:00,779

to see newspapers but to there's no

305

00:16:04,970 --> 00:16:03,480

doctor no no

306

00:16:12,590 --> 00:16:04,980

he

307

00:16:15,769 --> 00:16:12,600

was asking for drugs asking for medical

308

00:16:19,370 --> 00:16:15,779

advice and for the names of certain

309

00:16:20,990 --> 00:16:19,380

drugs but he went I don't know if I

310

00:16:25,430 --> 00:16:21,000

think

311

00:16:27,410 --> 00:16:25,440

and in his last letter he said to my

312

00:16:31,910 --> 00:16:27,420

friend Martinez

313

00:16:33,710 --> 00:16:31,920

that now he was very happy

314

00:16:36,590 --> 00:16:33,720

because

315

00:16:41,509 --> 00:16:36,600

now he is a married man

316

00:16:44,269 --> 00:16:41,519

and if his report had been published in

317

00:16:51,129 --> 00:16:44,279

a very difficult position now because

318

00:16:56,949 --> 00:16:54,769

he didn't change the story one iota at

319

00:17:00,230 --> 00:16:56,959

that point

320

00:17:01,790 --> 00:17:00,240

no a story it was still true he was

321

00:17:06,230 --> 00:17:01,800

still sticking by the story he was just

322

00:17:18,409 --> 00:17:09,789

it's nice this was in

323

00:17:24,169 --> 00:17:20,890

and there is also a medical

324

00:17:28,850 --> 00:17:24,179

observation concerning his case

325

00:17:31,310 --> 00:17:28,860

because after his experience

326

00:17:33,530 --> 00:17:31,320

he he was very sick

327

00:17:38,529 --> 00:17:33,540

for several days

328

00:17:43,850 --> 00:17:38,539

he wasn't able to to sleep he lost his

329

00:17:47,350 --> 00:17:43,860

appetite he was very weak and

330

00:17:52,250 --> 00:17:47,360

there was a kind of

331

00:17:55,789 --> 00:17:52,260

corruption in his skin and he he had
