

1  
00:00:05,990 --> 00:00:03,710  
very pleased to be able to

2  
00:00:08,870 --> 00:00:06,000  
to be here this morning and to tell you

3  
00:00:10,549 --> 00:00:08,880  
what happened to me at that time

4  
00:00:13,970 --> 00:00:10,559  
but first I'd like to give you a little

5  
00:00:16,070 --> 00:00:13,980  
background in my life for this thing

6  
00:00:18,470 --> 00:00:16,080  
happened to me

7  
00:00:22,250 --> 00:00:18,480  
I grew up was born and grew up in

8  
00:00:25,670 --> 00:00:22,260  
Southeastern Mississippi on the farm

9  
00:00:26,750 --> 00:00:25,680  
I completed High School there in a small

10  
00:00:30,349 --> 00:00:26,760  
town

11  
00:00:32,810 --> 00:00:30,359  
and it begun Junior College

12  
00:00:34,970 --> 00:00:32,820  
but at that time the Korean War had just

13  
00:00:37,910 --> 00:00:34,980

started so

14

00:00:40,790 --> 00:00:37,920

um being a patriotic citizen I quit

15

00:00:43,610 --> 00:00:40,800

college and uh joined the army and and

16

00:00:45,650 --> 00:00:43,620

spent 20 months and 16 days in combating

17

00:00:48,889 --> 00:00:45,660

career

18

00:00:51,110 --> 00:00:48,899

but after receiving a honorable

19

00:00:53,270 --> 00:00:51,120

discharge from the military

20

00:00:55,670 --> 00:00:53,280

return home

21

00:00:58,850 --> 00:00:55,680

and

22

00:01:01,910 --> 00:00:58,860

didn't bother my my college education I

23

00:01:04,189 --> 00:01:01,920

had fell in love with a young woman and

24

00:01:06,649 --> 00:01:04,199

surely she became a wife if we've been

25

00:01:10,550 --> 00:01:06,659

together all these years

26  
00:01:14,450 --> 00:01:10,560  
but anyway I had started work in a large

27  
00:01:17,570 --> 00:01:14,460  
industry there in Laurel Mississippi

28  
00:01:19,910 --> 00:01:17,580  
not too far from my home and I continued

29  
00:01:22,490 --> 00:01:19,920  
there for 14 years

30  
00:01:24,609 --> 00:01:22,500  
working my way up into management

31  
00:01:27,109 --> 00:01:24,619  
and for different reasons the company

32  
00:01:30,469 --> 00:01:27,119  
went under had to took a lot of business

33  
00:01:33,530 --> 00:01:30,479  
and do much competition in that field

34  
00:01:35,690 --> 00:01:33,540  
but anyway I moved to

35  
00:01:38,390 --> 00:01:35,700  
my family to the Gulf Coast in

36  
00:01:41,030 --> 00:01:38,400  
Pascagoula Mississippi

37  
00:01:42,830 --> 00:01:41,040  
um and uh started my career as a

38  
00:01:45,410 --> 00:01:42,840

shipbuilder

39

00:01:50,050 --> 00:01:45,420

and shortly after a few about five years

40

00:01:55,609 --> 00:01:52,670

a friend of mine

41

00:01:57,590 --> 00:01:55,619

his son had come down to that area to go

42

00:01:59,870 --> 00:01:57,600

to work Calvin Parker

43

00:02:02,630 --> 00:01:59,880

and I was a foreman in the shipyard and

44

00:02:06,830 --> 00:02:02,640

he had started to work for me

45

00:02:08,630 --> 00:02:06,840

and knowing that I'm back home he grew

46

00:02:11,750 --> 00:02:08,640

up with my kids in Jones County before

47

00:02:14,330 --> 00:02:11,760

we come to the to the Gulf Coast but and

48

00:02:16,070 --> 00:02:14,340

knowing uh Calvin and him knowing me he

49

00:02:18,229 --> 00:02:16,080

knew that I liked to fish occasionally

50

00:02:21,770 --> 00:02:18,239

so we had planned on a Thursday evening

51  
00:02:24,830 --> 00:02:21,780  
to go fishing in October

52  
00:02:28,970 --> 00:02:24,840  
and we have had uh had reached the river

53  
00:02:30,830 --> 00:02:28,980  
the pascular river and we had fish for a

54  
00:02:34,190 --> 00:02:30,840  
couple hours after work

55  
00:02:35,990 --> 00:02:34,200  
and it had become dark almost dark

56  
00:02:37,490 --> 00:02:36,000  
and we were sitting on a pier fishing

57  
00:02:41,030 --> 00:02:37,500  
out into the river

58  
00:02:42,470 --> 00:02:41,040  
and I heard some kind of casinomial

59  
00:02:46,130 --> 00:02:42,480  
hissing sound like it could have been

60  
00:02:48,770 --> 00:02:46,140  
steam or hair escaping from a pipe and

61  
00:02:51,050 --> 00:02:48,780  
it's a turnaround from the pier and look

62  
00:02:52,670 --> 00:02:51,060  
something that had come almost to the

63  
00:02:54,949 --> 00:02:52,680

ground it was over and probably

64

00:02:57,530 --> 00:02:54,959

two foot eighteen inches or two foot

65

00:02:59,690 --> 00:02:57,540

from the ground and and uh

66

00:03:02,150 --> 00:02:59,700

I I assume Calvin had heard the

67

00:03:04,490 --> 00:03:02,160

knowledge at that time he turned him up

68

00:03:06,470 --> 00:03:04,500

and there was some kind of door of

69

00:03:08,690 --> 00:03:06,480

sliding door I suppose it

70

00:03:09,949 --> 00:03:08,700

came into the the end of The Craft that

71

00:03:11,930 --> 00:03:09,959

was part of us

72

00:03:13,250 --> 00:03:11,940

had a very brilliant light came out of

73

00:03:15,290 --> 00:03:13,260

the crack

74

00:03:17,390 --> 00:03:15,300

and I didn't know what to do it startled

75

00:03:18,830 --> 00:03:17,400

me at first I couldn't couldn't uh make

76

00:03:20,449 --> 00:03:18,840

out what it was

77

00:03:22,729 --> 00:03:20,459

and uh

78

00:03:25,190 --> 00:03:22,739

about that time there was three things

79

00:03:27,830 --> 00:03:25,200

begin to move into the doorway they came

80

00:03:30,350 --> 00:03:27,840

out to be my flight came right up two of

81

00:03:32,869 --> 00:03:30,360

Calvin and myself and one took hold of

82

00:03:34,550 --> 00:03:32,879

the shoulder and one of his shoulder and

83

00:03:37,970 --> 00:03:34,560

I seemed to rise up on the ground about

84

00:03:39,890 --> 00:03:37,980

the height they were and we proceeded to

85

00:03:42,229 --> 00:03:39,900

go into the crab

86

00:03:44,690 --> 00:03:42,239

at this time I saw Calvin wanted taken

87

00:03:45,949 --> 00:03:44,700

hold of him and I saw him go limp and I

88

00:03:48,649 --> 00:03:45,959

didn't know at that time but he had

89

00:03:51,170 --> 00:03:48,659

fined it passed off

90

00:03:53,149 --> 00:03:51,180

but anyway they continued to carry me

91

00:03:55,070 --> 00:03:53,159

aboard this craft and as we went in the

92

00:03:56,690 --> 00:03:55,080

doorway into the light and in the room

93

00:03:58,850 --> 00:03:56,700

of compartment

94

00:04:01,430 --> 00:03:58,860

it appeared to me that it was round and

95

00:04:02,509 --> 00:04:01,440

light was flowing from the overhead from

96

00:04:06,410 --> 00:04:02,519

the floor

97

00:04:10,009 --> 00:04:08,270

um it was so bright I couldn't see

98

00:04:12,350 --> 00:04:10,019

anything at that time

99

00:04:15,830 --> 00:04:12,360

but we seem to stop about the middle of

100

00:04:17,629 --> 00:04:15,840

the room and they they left me by this

101  
00:04:19,310 --> 00:04:17,639  
time I couldn't I couldn't do anything

102  
00:04:20,990 --> 00:04:19,320  
because I couldn't move the only thing I

103  
00:04:22,790 --> 00:04:21,000  
could move was my eyes

104  
00:04:24,650 --> 00:04:22,800  
and I could tell that they had had

105  
00:04:26,810 --> 00:04:24,660  
released me but I still wasn't pushing

106  
00:04:29,090 --> 00:04:26,820  
anything that I could tell

107  
00:04:30,290 --> 00:04:29,100  
but something in front of me in the wall

108  
00:04:32,210 --> 00:04:30,300  
in front of me

109  
00:04:36,170 --> 00:04:32,220  
it's going to come out of the wall it

110  
00:04:38,090 --> 00:04:36,180  
was probably this big and it appeared to

111  
00:04:40,850 --> 00:04:38,100  
me that it was a big eye and it moved up

112  
00:04:43,790 --> 00:04:40,860  
toward my my face and remained there for

113  
00:04:46,610 --> 00:04:43,800

possibly a few seconds or a few minutes

114

00:04:48,110 --> 00:04:46,620

and it moved downward and I'm having to

115

00:04:49,670 --> 00:04:48,120

assume that it went under me and came up

116

00:04:51,890 --> 00:04:49,680

the backside because the next time I saw

117

00:04:54,110 --> 00:04:51,900

it he come over my head came back in

118

00:04:56,090 --> 00:04:54,120

front of me again remained there for a

119

00:04:59,090 --> 00:04:56,100

few minutes and moved back into the wall

120

00:05:02,030 --> 00:04:59,100

and disappeared into the light

121

00:05:03,409 --> 00:05:02,040

but at that time that was all that I

122

00:05:05,810 --> 00:05:03,419

could see in the room

123

00:05:09,590 --> 00:05:05,820

but several years later after going

124

00:05:11,810 --> 00:05:09,600

under hypnosis regression I could recall

125

00:05:14,689 --> 00:05:11,820

that there was something some type of

126

00:05:16,730 --> 00:05:14,699

window there in that room there was

127

00:05:17,930 --> 00:05:16,740

possibly another compartment that there

128

00:05:20,450 --> 00:05:17,940

was something else in the other

129

00:05:21,530 --> 00:05:20,460

compartment here to me

130

00:05:23,930 --> 00:05:21,540

but

131

00:05:26,330 --> 00:05:23,940

these things left me there suspended for

132

00:05:28,850 --> 00:05:26,340

a while and after after a while they

133

00:05:31,909 --> 00:05:28,860

came back and and they took hold of me

134

00:05:34,010 --> 00:05:31,919

and kept me back outside and they didn't

135

00:05:36,409 --> 00:05:34,020

just throw me down they they seemed to

136

00:05:39,529 --> 00:05:36,419

just release me and I fell to the ground

137

00:05:41,210 --> 00:05:39,539

and about this time I saw Calvin he was

138

00:05:42,770 --> 00:05:41,220

standing there by the river in his arms

139

00:05:45,230 --> 00:05:42,780

was outstretched like this and he

140

00:05:47,029 --> 00:05:45,240

appeared to me that he was in shop

141

00:05:48,770 --> 00:05:47,039

and I don't know whether he had been

142

00:05:50,510 --> 00:05:48,780

aboard the craft or not but there wasn't

143

00:05:51,529 --> 00:05:50,520

anything with him he was alone at that

144

00:05:54,050 --> 00:05:51,539

time

145

00:05:57,890 --> 00:05:54,060

so I was trying to make my way to him

146

00:06:00,050 --> 00:05:57,900

when I fell my Malaysia week in uh after

147

00:06:01,790 --> 00:06:00,060

a while it shortly they began to the

148

00:06:03,830 --> 00:06:01,800

feeling began to come back and as I was

149

00:06:05,689 --> 00:06:03,840

trying to get up I was making my way

150

00:06:08,450 --> 00:06:05,699

toward him to see if I could help him

151  
00:06:10,730 --> 00:06:08,460  
and when I reached him he didn't even

152  
00:06:11,570 --> 00:06:10,740  
realize who I was he was he was going in

153  
00:06:14,090 --> 00:06:11,580  
shock

154  
00:06:16,430 --> 00:06:14,100  
and I had to shake him I even had to

155  
00:06:18,830 --> 00:06:16,440  
slap him and and scream and holler to

156  
00:06:20,330 --> 00:06:18,840  
get him to realize it that uh you know

157  
00:06:22,430 --> 00:06:20,340  
that we were all right I thought that

158  
00:06:25,249 --> 00:06:22,440  
they hadn't done anything any harm to us

159  
00:06:28,309 --> 00:06:25,259  
uh physically that I could tell

160  
00:06:30,950 --> 00:06:28,319  
but after a while I got into horror we

161  
00:06:31,870 --> 00:06:30,960  
could talk and and I assured in that and

162  
00:06:35,090 --> 00:06:31,880  
uh

163  
00:06:37,309 --> 00:06:35,100

that we I thought we were okay

164

00:06:39,110 --> 00:06:37,319

but meanwhile while this was going on I

165

00:06:40,790 --> 00:06:39,120

heard the hissing sound again and as I

166

00:06:42,950 --> 00:06:40,800

turned it looked this craft the blue

167

00:06:45,350 --> 00:06:42,960

lights was flashing again and it just

168

00:06:47,450 --> 00:06:45,360

seemed to disappear when we went up it

169

00:06:50,270 --> 00:06:47,460

moved that fast

170

00:06:51,710 --> 00:06:50,280

so after we talked the thing over a

171

00:06:52,790 --> 00:06:51,720

little while we decided we wouldn't tell

172

00:06:55,070 --> 00:06:52,800

anyone

173

00:06:57,469 --> 00:06:55,080

we didn't know what it was or what it

174

00:06:59,029 --> 00:06:57,479

what it could have been there for

175

00:07:01,249 --> 00:06:59,039

but the more I thought about it I

176

00:07:02,689 --> 00:07:01,259

thought it might be a threat to our

177

00:07:04,969 --> 00:07:02,699

country

178

00:07:08,150 --> 00:07:04,979

so we stopped in a pay phone on the way

179

00:07:10,969 --> 00:07:08,160

home and I called the Keesler Air Force

180

00:07:12,529 --> 00:07:10,979

Base in Biloxi which is only about 30

181

00:07:13,990 --> 00:07:12,539

miles from there

182

00:07:22,189 --> 00:07:14,000

and

183

00:07:23,629 --> 00:07:22,199

have to go through the Sheriff's

184

00:07:25,670 --> 00:07:23,639

Department

185

00:07:26,809 --> 00:07:25,680

well we talked about that and certainly

186

00:07:27,950 --> 00:07:26,819

we didn't want to go to the Sheriff's

187

00:07:30,890 --> 00:07:27,960

Department we didn't want to be called

188

00:07:33,830 --> 00:07:30,900

crazy or nuts in the neighborhood there

189

00:07:35,029 --> 00:07:33,840

but again we talked about it I just

190

00:07:36,950 --> 00:07:35,039

couldn't keep it I didn't think I could

191

00:07:39,710 --> 00:07:36,960

keep it to myself it was just it was so

192

00:07:41,770 --> 00:07:39,720

you know something to happen

193

00:07:44,150 --> 00:07:41,780

so we called the sheriff's department

194

00:07:47,210 --> 00:07:44,160

and I talked to the sheriff Fred

195

00:07:49,309 --> 00:07:47,220

Diamondback excuse me

196

00:07:50,629 --> 00:07:49,319

and he asked us to remain there that

197

00:07:53,270 --> 00:07:50,639

they was saying he would send a couple

198

00:07:55,730 --> 00:07:53,280

of deputies over to talk with us

199

00:07:57,890 --> 00:07:55,740

so after a few minutes they arrived and

200

00:07:59,930 --> 00:07:57,900

I think they at first of all we were

201  
00:08:02,450 --> 00:07:59,940  
nuts but after they they began to

202  
00:08:04,010 --> 00:08:02,460  
realize it that you know something had

203  
00:08:05,150 --> 00:08:04,020  
happened to us they asked us would we

204  
00:08:07,070 --> 00:08:05,160  
follow them to the Sheriff's Department

205  
00:08:08,930 --> 00:08:07,080  
to discuss it

206  
00:08:11,390 --> 00:08:08,940  
so we followed him in our car to the

207  
00:08:15,650 --> 00:08:11,400  
sheriff's department and after uh

208  
00:08:16,309 --> 00:08:15,660  
talking with them several hours

209  
00:08:17,809 --> 00:08:16,319  
um

210  
00:08:19,189 --> 00:08:17,819  
they were finally convinced that

211  
00:08:21,710 --> 00:08:19,199  
something did happen

212  
00:08:24,110 --> 00:08:21,720  
and I think what probably convinced him

213  
00:08:25,610 --> 00:08:24,120

that something had happened to us

214

00:08:27,290 --> 00:08:25,620

when we first went in the sheriff's

215

00:08:29,890 --> 00:08:27,300

department they removed Calvin to a room

216

00:08:33,949 --> 00:08:29,900

by himself and a man a room by myself

217

00:08:36,170 --> 00:08:33,959

and uh interrogate us you might say and

218

00:08:39,110 --> 00:08:36,180

later they came back and brought Calvin

219

00:08:41,029 --> 00:08:39,120

in the room with me and they went out to

220

00:08:43,550 --> 00:08:41,039

get some coffee and we didn't know they

221

00:08:45,290 --> 00:08:43,560

had left a tape recorder going in a desk

222

00:08:47,269 --> 00:08:45,300

there and they had taped their

223

00:08:48,949 --> 00:08:47,279

conversation and I think you have to

224

00:08:52,610 --> 00:08:48,959

listen to that did they convinced them

225

00:08:55,250 --> 00:08:52,620

to something had happened to us

226

00:08:55,910 --> 00:08:55,260

so I asked the sheriff that night that

227

00:08:58,490 --> 00:08:55,920

um

228

00:09:00,710 --> 00:08:58,500

I told him that we didn't we certainly

229

00:09:02,329 --> 00:09:00,720

didn't want any publicity about it that

230

00:09:03,829 --> 00:09:02,339

uh you know I had a position in the

231

00:09:06,170 --> 00:09:03,839

shipyard and I had to be back at work

232

00:09:07,370 --> 00:09:06,180

that morning was almost time to go to

233

00:09:09,050 --> 00:09:07,380

work at that time

234

00:09:11,150 --> 00:09:09,060

but anyway he assured me that there

235

00:09:13,070 --> 00:09:11,160

would be no publicity about it at all

236

00:09:14,690 --> 00:09:13,080

and I went home at night or that morning

237

00:09:17,750 --> 00:09:14,700

believing that

238

00:09:19,610 --> 00:09:17,760

and I had reached a shipyard after going

239

00:09:22,490 --> 00:09:19,620

home and having coffee about all the

240

00:09:24,350 --> 00:09:22,500

time I had to do the thing to do but I

241

00:09:26,329 --> 00:09:24,360

went to work that morning and after

242

00:09:28,250 --> 00:09:26,339

reaching the shipyard and I proceeded to

243

00:09:30,590 --> 00:09:28,260

get my people to work and come back to

244

00:09:33,230 --> 00:09:30,600

my office my telephone was ringing

245

00:09:35,690 --> 00:09:33,240

and it was some news media in Jackson

246

00:09:37,550 --> 00:09:35,700

Mississippi wonder what had happened to

247

00:09:39,889 --> 00:09:37,560

Calvin and myself

248

00:09:41,630 --> 00:09:39,899

the night before

249

00:09:44,210 --> 00:09:41,640

so I didn't know what to do I just hung

250

00:09:46,790 --> 00:09:44,220

up on him and uh it continued to ring

251  
00:09:48,410 --> 00:09:46,800  
and and uh someone answered the phone

252  
00:09:49,430 --> 00:09:48,420  
and the sheriff was trying to get us to

253  
00:09:51,769 --> 00:09:49,440  
come over to the Sheriff's Department

254  
00:09:53,990 --> 00:09:51,779  
that they were all being mobbed over

255  
00:09:56,630 --> 00:09:54,000  
there so many people was over there

256  
00:09:58,430 --> 00:09:56,640  
so it alarmed me I didn't you know I

257  
00:10:00,710 --> 00:09:58,440  
survived I didn't know what to expect

258  
00:10:02,509 --> 00:10:00,720  
because I didn't know what happened I

259  
00:10:04,310 --> 00:10:02,519  
didn't know what they were

260  
00:10:07,009 --> 00:10:04,320  
but anyway

261  
00:10:09,949 --> 00:10:07,019  
we went over to the Sheriff's Department

262  
00:10:11,990 --> 00:10:09,959  
and they don't know me that we could

263  
00:10:12,769 --> 00:10:12,000

have come in contact with radiation or

264

00:10:14,930 --> 00:10:12,779

something

265

00:10:17,210 --> 00:10:14,940

and I called her attention to that and

266

00:10:19,790 --> 00:10:17,220

they cared us to to the singer River

267

00:10:21,110 --> 00:10:19,800

Hospital there at Pascagoula to be

268

00:10:24,530 --> 00:10:21,120

checked for radiation they didn't have

269

00:10:26,530 --> 00:10:24,540

the the facilities to do it with

270

00:10:28,730 --> 00:10:26,540

so they called Keesler Air Force Base

271

00:10:29,990 --> 00:10:28,740

and they told them to bring us over

272

00:10:32,329 --> 00:10:30,000

there

273

00:10:34,730 --> 00:10:32,339

so I think they were alarmed enough that

274

00:10:37,850 --> 00:10:34,740

when we got there they had MPS that met

275

00:10:40,130 --> 00:10:37,860

us on at the gate and uh they had

276

00:10:42,769 --> 00:10:40,140

evacuated the the area that we were

277

00:10:43,970 --> 00:10:42,779

going into and the area that we were

278

00:10:46,550 --> 00:10:43,980

going to be

279

00:10:48,949 --> 00:10:46,560

tested they had protective clothes in

280

00:10:51,290 --> 00:10:48,959

the home so they were a lawn that you

281

00:10:55,009 --> 00:10:51,300

know something had had happened and

282

00:10:58,190 --> 00:10:55,019

afterwards they uh after they had uh did

283

00:11:00,110 --> 00:10:58,200

the examiners for radiation and they

284

00:11:01,910 --> 00:11:00,120

didn't find any they said they thought

285

00:11:03,290 --> 00:11:01,920

they had found a little radiation on

286

00:11:05,990 --> 00:11:03,300

Calvin

287

00:11:08,630 --> 00:11:06,000

but anyway they uh we went into a

288

00:11:09,829 --> 00:11:08,640

meeting with the top brass had keisner

289

00:11:12,350 --> 00:11:09,839

Air Force Base

290

00:11:14,329 --> 00:11:12,360

and uh I could tell in the questions

291

00:11:16,190 --> 00:11:14,339

that they asked us they were quite

292

00:11:17,750 --> 00:11:16,200

concerned that they had asked a lot of

293

00:11:21,050 --> 00:11:17,760

those questions before and probably had

294

00:11:23,569 --> 00:11:21,060

answered similar to those before

295

00:11:27,230 --> 00:11:23,579

so anyway they told us that they would

296

00:11:29,810 --> 00:11:27,240

give us a copy of the meetings of the uh

297

00:11:33,230 --> 00:11:29,820

that we had there and they never did

298

00:11:35,150 --> 00:11:33,240

they I spotted his his uh

299

00:11:38,269 --> 00:11:35,160

classified material

300

00:11:40,550 --> 00:11:38,279

but later on I obtained a copy of it

301  
00:11:43,370 --> 00:11:40,560  
from a mutual friend from a colonel that

302  
00:11:45,290 --> 00:11:43,380  
had retired they're at the Air Force

303  
00:11:47,329 --> 00:11:45,300  
but they were quite concerned keep the

304  
00:11:49,550 --> 00:11:47,339  
Air Force stays full

305  
00:11:52,490 --> 00:11:49,560  
but anyway then the newspreter picked up

306  
00:11:54,110 --> 00:11:52,500  
on it and um it just it went out all

307  
00:11:56,509 --> 00:11:54,120  
over the world and we didn't we couldn't

308  
00:11:58,130 --> 00:11:56,519  
get any rest or any sleep three or four

309  
00:11:59,329 --> 00:11:58,140  
weeks and

310  
00:12:01,490 --> 00:11:59,339  
um

311  
00:12:04,190 --> 00:12:01,500  
Calvin a couple of weeks after the end

312  
00:12:05,870 --> 00:12:04,200  
he had a nervous breakdown he was in the

313  
00:12:08,210 --> 00:12:05,880

hospital for a couple of weeks

314

00:12:10,430 --> 00:12:08,220

they wouldn't even let me see him for a

315

00:12:10,970 --> 00:12:10,440

long time

316

00:12:13,370 --> 00:12:10,980

um

317

00:12:16,610 --> 00:12:13,380

and he's continued to have nervous

318

00:12:18,350 --> 00:12:16,620

breaks down to his time goes on he can't

319

00:12:20,509 --> 00:12:18,360

seem to get over it

320

00:12:23,990 --> 00:12:20,519

but later on in in that year or the

321

00:12:26,329 --> 00:12:24,000

early part of the next year in January

322

00:12:28,910 --> 00:12:26,339

um I'm really an Outdoorsman when I'm

323

00:12:31,130 --> 00:12:28,920

not working I I do a lot of fishing and

324

00:12:34,970 --> 00:12:31,140

a lot of hunting and they happen to be a

325

00:12:37,730 --> 00:12:34,980

tree farm there close by my home that to

326

00:12:40,130 --> 00:12:37,740

about 750 acres and I spent a lot of

327

00:12:42,110 --> 00:12:40,140

time on in and hunting and fishing as a

328

00:12:44,449 --> 00:12:42,120

fine stream with a pond there

329

00:12:48,110 --> 00:12:44,459

but I had gone back in there fishing

330

00:12:50,280 --> 00:12:48,120

hunting on in January

331

00:12:51,370 --> 00:12:50,290

and I was sitting down under a

332

00:12:56,030 --> 00:12:51,380

[Music]

333

00:12:59,389 --> 00:12:56,040

Pickering a tree or 1200 and

334

00:13:02,389 --> 00:12:59,399

the same craft that Calvin and myself

335

00:13:03,370 --> 00:13:02,399

had seen in Pascagoula came down in an

336

00:13:05,389 --> 00:13:03,380

area

337

00:13:07,550 --> 00:13:05,399

close by me

338

00:13:08,930 --> 00:13:07,560

and up until then I was very frightened

339

00:13:11,030 --> 00:13:08,940

I was afraid to go out at night by

340

00:13:11,870 --> 00:13:11,040

myself I didn't know what was going to

341

00:13:14,690 --> 00:13:11,880

happen

342

00:13:16,670 --> 00:13:14,700

but they just seen I was sitting down on

343

00:13:19,910 --> 00:13:16,680

the trail just seeing my voice came to

344

00:13:22,069 --> 00:13:19,920

me that do not be afraid that they

345

00:13:24,350 --> 00:13:22,079

didn't mean me any harm that they would

346

00:13:28,009 --> 00:13:24,360

be another place or another time

347

00:13:30,410 --> 00:13:28,019

and um it fried me all of a sudden but

348

00:13:33,949 --> 00:13:30,420

then I immediately got up and went

349

00:13:36,290 --> 00:13:33,959

straight home my wife had alarmed it

350

00:13:38,629 --> 00:13:36,300

that I didn't continue my my hunting so

351

00:13:41,389 --> 00:13:38,639

I told her what happened but all the

352

00:13:43,550 --> 00:13:41,399

fear was gone that uh that these things

353

00:13:44,750 --> 00:13:43,560

didn't mean us any harm that that I

354

00:13:46,250 --> 00:13:44,760

thought in the future I would get to

355

00:13:48,650 --> 00:13:46,260

meet them

356

00:13:50,030 --> 00:13:48,660

and in the May of that same year in

357

00:13:53,629 --> 00:13:50,040

Mother's Day

358

00:13:56,269 --> 00:13:53,639

we had gone up to my My Father's Farm up

359

00:14:00,590 --> 00:13:58,610

got further up in Mississippi to spend a

360

00:14:02,990 --> 00:14:00,600

day with my mother and we were coming

361

00:14:08,210 --> 00:14:03,000

home late at night my wife and myself

362

00:14:10,790 --> 00:14:08,220

and and uh three of our children and

363

00:14:12,230 --> 00:14:10,800

we had a terrible experience if we were

364

00:14:14,030 --> 00:14:12,240

they thought it was terrible we were

365

00:14:16,190 --> 00:14:14,040

coming in a

366

00:14:18,170 --> 00:14:16,200

area that was not very populated at

367

00:14:19,910 --> 00:14:18,180

wooded area off of the main highway

368

00:14:21,949 --> 00:14:19,920

coming home

369

00:14:24,590 --> 00:14:21,959

and they was a light it kept following

370

00:14:25,670 --> 00:14:24,600

us and later on it came around in front

371

00:14:26,870 --> 00:14:25,680

of the car

372

00:14:28,970 --> 00:14:26,880

and

373

00:14:32,930 --> 00:14:28,980

come down was coming down in the road to

374

00:14:34,790 --> 00:14:32,940

land and and uh when my wife saw it she

375

00:14:38,050 --> 00:14:34,800

she just became hysterical

376

00:14:41,150 --> 00:14:38,060

and uh my youngest daughter at that time

377

00:14:42,290 --> 00:14:41,160

she was a baby in fact she graduated

378

00:14:44,210 --> 00:14:42,300

from high school this year she came

379

00:14:46,129 --> 00:14:44,220

along late in life but anyway she was

380

00:14:48,769 --> 00:14:46,139

quite young and she was asleep and it

381

00:14:51,350 --> 00:14:48,779

alarmed her and she had awakened and was

382

00:14:53,870 --> 00:14:51,360

screaming my wife was screaming but this

383

00:14:56,150 --> 00:14:53,880

crab moved back up to the end into the

384

00:14:58,970 --> 00:14:56,160

sky and moved around to the to our right

385

00:15:01,430 --> 00:14:58,980

and moved out into a field and came down

386

00:15:02,750 --> 00:15:01,440

and lit the entire area up and had

387

00:15:03,889 --> 00:15:02,760

rolled lights all the way around the

388

00:15:05,870 --> 00:15:03,899

craft

389

00:15:07,610 --> 00:15:05,880

Well we'd stopped the car with that time

390

00:15:10,250 --> 00:15:07,620

and and I was trying to get out of the

391

00:15:11,750 --> 00:15:10,260

car I knew it was my time to meet him

392

00:15:13,610 --> 00:15:11,760

and

393

00:15:15,110 --> 00:15:13,620

before I could get out of the car my

394

00:15:17,629 --> 00:15:15,120

wife was screaming and my youngest son

395

00:15:19,189 --> 00:15:17,639

and and she held me it wouldn't let me

396

00:15:22,550 --> 00:15:19,199

out of the car

397

00:15:24,470 --> 00:15:22,560

so then the voice came to me again you

398

00:15:26,269 --> 00:15:24,480

know this is not the time

399

00:15:27,650 --> 00:15:26,279

it'll be another time

400

00:15:30,230 --> 00:15:27,660

and

401  
00:15:33,650 --> 00:15:30,240  
we left my wife became so hysterical

402  
00:15:35,990 --> 00:15:33,660  
that we left and we I could see looking

403  
00:15:37,910 --> 00:15:36,000  
back that the crab was still there if

404  
00:15:40,009 --> 00:15:37,920  
Auburn when we left it was a lot larger

405  
00:15:41,449 --> 00:15:40,019  
crab than what Calvin and myself had

406  
00:15:43,970 --> 00:15:41,459  
seen

407  
00:15:45,710 --> 00:15:43,980  
but anyway they wanted to uh someone

408  
00:15:47,930 --> 00:15:45,720  
wanted me to call the key to the airport

409  
00:15:49,430 --> 00:15:47,940  
they but I said there's no use there's

410  
00:15:51,829 --> 00:15:49,440  
no use of notifying anyone there's

411  
00:15:55,970 --> 00:15:51,839  
nothing anyone can do it's something I

412  
00:15:58,490 --> 00:15:55,980  
have to to handle myself

413  
00:16:00,230 --> 00:15:58,500

so we didn't tell anyone about this over

414

00:16:02,629 --> 00:16:00,240

a period of years

415

00:16:04,189 --> 00:16:02,639

and I

416

00:16:06,230 --> 00:16:04,199

know a lot of things that I can't talk

417

00:16:08,689 --> 00:16:06,240

about it's kind of personal that we've

418

00:16:10,490 --> 00:16:08,699

had other encounters since then it's

419

00:16:12,889 --> 00:16:10,500

come to a point now that the tree farm

420

00:16:14,569 --> 00:16:12,899

that I had mentioned

421

00:16:15,829 --> 00:16:14,579

um there's very few people that goes

422

00:16:17,150 --> 00:16:15,839

into that area

423

00:16:19,310 --> 00:16:17,160

and

424

00:16:21,050 --> 00:16:19,320

when I've been there many times I go

425

00:16:24,290 --> 00:16:21,060

there many times now

426  
00:16:26,210 --> 00:16:24,300  
and that's where these things contact me

427  
00:16:28,430 --> 00:16:26,220  
I have a feeling that I have to go there

428  
00:16:29,150 --> 00:16:28,440  
when I go there

429  
00:16:36,170 --> 00:16:29,160  
um

430  
00:16:38,509 --> 00:16:36,180  
and they have obtained a beautiful

431  
00:16:42,290 --> 00:16:38,519  
picture to me that what a world could be

432  
00:16:44,329 --> 00:16:42,300  
without pollution

433  
00:16:47,509 --> 00:16:44,339  
um that we're we were on the verge of

434  
00:16:48,650 --> 00:16:47,519  
destroying ourselves nuclear hydrogen

435  
00:16:52,069 --> 00:16:48,660  
energy

436  
00:16:53,930 --> 00:16:52,079  
and they would if we didn't stop this it

437  
00:16:56,389 --> 00:16:53,940  
just wasn't stopped or something wasn't

438  
00:16:58,430 --> 00:16:56,399

done about our environment that we would

439

00:17:00,769 --> 00:16:58,440

be could be to start again

440

00:17:02,810 --> 00:17:00,779

but I think now that

441

00:17:05,689 --> 00:17:02,820

um it seems that there is being

442

00:17:08,510 --> 00:17:05,699

something done we notice the threat of a

443

00:17:10,669 --> 00:17:08,520

nuclear hydrogen energy is beginning to

444

00:17:11,750 --> 00:17:10,679

fade a little bit communism is going

445

00:17:13,909 --> 00:17:11,760

away

446

00:17:15,409 --> 00:17:13,919

but people are taking more interest in

447

00:17:17,169 --> 00:17:15,419

our environment in the pollution that

448

00:17:20,870 --> 00:17:17,179

we're putting in the air

449

00:17:23,750 --> 00:17:20,880

excuse me I'm just a little bit hoarse

450

00:17:25,309 --> 00:17:23,760

but I think we do we are going to see a

451  
00:17:27,890 --> 00:17:25,319  
world change that

452  
00:17:31,610 --> 00:17:27,900  
that uh we're going to find answers to

453  
00:17:34,070 --> 00:17:31,620  
our pollution of our environment

454  
00:17:36,470 --> 00:17:34,080  
I think the threat of nuclear and

455  
00:17:39,650 --> 00:17:36,480  
hydrogen energy will go away

456  
00:17:41,450 --> 00:17:39,660  
these things have told me that

457  
00:17:43,190 --> 00:17:41,460  
this is something that's way out I mean

458  
00:17:45,350 --> 00:17:43,200  
it's hard it's hard for me to stand

459  
00:17:47,630 --> 00:17:45,360  
before you and tell you this

460  
00:17:51,289 --> 00:17:47,640  
is something I've kept it myself for a

461  
00:17:55,130 --> 00:17:53,330  
but there's an energy out there that we

462  
00:17:57,130 --> 00:17:55,140  
haven't discovered yet

463  
00:17:59,870 --> 00:17:57,140

it's an energy that

464

00:18:01,549 --> 00:17:59,880

for instance the movement of the planets

465

00:18:03,529 --> 00:18:01,559

in our universe and our solar system

466

00:18:04,850 --> 00:18:03,539

there's an energy that moves these

467

00:18:07,370 --> 00:18:04,860

planets

468

00:18:09,350 --> 00:18:07,380

I think they've learned how to tap this

469

00:18:10,909 --> 00:18:09,360

energy it's it's something that's there

470

00:18:14,990 --> 00:18:10,919

it's free

471

00:18:17,690 --> 00:18:15,000

and I think in the days uh to come in in

472

00:18:20,210 --> 00:18:17,700

the very near future that we're going to

473

00:18:22,130 --> 00:18:20,220

tap into some energy that it's going to

474

00:18:24,590 --> 00:18:22,140

make everything else obviously I think

475

00:18:27,830 --> 00:18:24,600

we're going to see a much better and a

476

00:18:30,049 --> 00:18:27,840

more beautiful world to live in

477

00:18:32,750 --> 00:18:30,059

and also I like to say while I'm talking

478

00:18:34,549 --> 00:18:32,760

with you that me and reared a hardship

479

00:18:36,789 --> 00:18:34,559

of Baptist in in South Central

480

00:18:39,590 --> 00:18:36,799

Mississippi

481

00:18:41,570 --> 00:18:39,600

we only simply lived in our own little

482

00:18:43,430 --> 00:18:41,580

world I didn't believe or even think

483

00:18:46,010 --> 00:18:43,440

about these things until this happened

484

00:18:47,750 --> 00:18:46,020

to me in Pascagoula Mississippi

485

00:18:49,850 --> 00:18:47,760

I certainly didn't believe in

486

00:18:51,590 --> 00:18:49,860

reincarnation but I believe in

487

00:18:54,049 --> 00:18:51,600

reincarnation now

488

00:18:56,630 --> 00:18:54,059

I think I've lived before and to live

489

00:19:02,210 --> 00:18:59,570

um I think as well as we've it's been

490

00:19:04,490 --> 00:19:02,220

destroyed several times our

491

00:19:06,710 --> 00:19:04,500

civilizations has been destroyed and was

492

00:19:09,770 --> 00:19:06,720

on the verge of being destroyed again

493

00:19:12,830 --> 00:19:09,780

but I think we're going to make it now

494

00:19:14,450 --> 00:19:12,840

on what I can the only indications that

495

00:19:16,010 --> 00:19:14,460

I have

496

00:19:18,529 --> 00:19:16,020

but um

497

00:19:21,470 --> 00:19:18,539

it's something that has really uh I've

498

00:19:24,470 --> 00:19:21,480

not a religious fanatic I've never help

499

00:19:27,789 --> 00:19:24,480

and I certainly believe in in God and I

500

00:19:31,070 --> 00:19:27,799

think that God in all of his greatness

501  
00:19:32,930 --> 00:19:31,080  
didn't only create this little wallet

502  
00:19:35,330 --> 00:19:32,940  
here he created all those worlds out

503  
00:19:37,490 --> 00:19:35,340  
there in this universe and the ones

504  
00:19:38,810 --> 00:19:37,500  
Beyond there's no end to it it's a

505  
00:19:44,450 --> 00:19:38,820  
revolving thing

506  
00:19:48,650 --> 00:19:46,669  
planted here

507  
00:19:51,230 --> 00:19:48,660  
that's something that's greater than we

508  
00:19:52,669 --> 00:19:51,240  
are that come under the jurisdiction of

509  
00:19:55,250 --> 00:19:52,679  
God

510  
00:19:58,669 --> 00:19:55,260  
has us here as an experiment where

511  
00:20:01,430 --> 00:19:58,679  
direct we're indirectly from God

512  
00:20:03,230 --> 00:20:01,440  
and I believe that maybe the experiment

513  
00:20:06,169 --> 00:20:03,240

might work this time

514

00:20:11,990 --> 00:20:09,590

so I'm gonna I'd like to leave you with

515

00:20:14,270 --> 00:20:12,000

that and but I'm open to any questions

516

00:20:16,789 --> 00:20:14,280

anyone anyone might ask

517

00:20:19,370 --> 00:20:16,799

but um I will I would like to say this

518

00:20:23,210 --> 00:20:19,380

that uh

519

00:20:27,350 --> 00:20:23,220

it's made me a lot better man than I was

520

00:20:29,390 --> 00:20:27,360

back before 1973 to know that there are

521

00:20:31,250 --> 00:20:29,400

life out there and there's a good

522

00:20:32,930 --> 00:20:31,260

possibility that their life is going to

523

00:20:35,810 --> 00:20:32,940

help us
