

1
00:00:05,030 --> 00:00:02,810
Adriana Acevedo is the daughter of a

2
00:00:07,249 --> 00:00:05,040
prominent attorney a humble unassuming

3
00:00:09,290 --> 00:00:07,259
teenager she has led a privileged life

4
00:00:12,789 --> 00:00:09,300
but nothing could have prepared her for

5
00:00:16,730 --> 00:00:12,799
an experience she calls a miracle

6
00:00:19,010 --> 00:00:16,740
what happened was on June 20th 1995 in

7
00:00:21,290 --> 00:00:19,020
my house around 2 or 3 30 in the morning

8
00:00:23,870 --> 00:00:21,300
I was sleeping I felt like someone

9
00:00:25,730 --> 00:00:23,880
turned on the light Adriana says she got

10
00:00:28,250 --> 00:00:25,740
out of bed and went to her window that's

11
00:00:30,710 --> 00:00:28,260
when she saw an alien spacecraft sitting

12
00:00:32,990 --> 00:00:30,720
in the garden outside her balcony these

13
00:00:34,930 --> 00:00:33,000

photos were taken by Adriana's father to

14

00:00:37,970 --> 00:00:34,940

prove it was not a dream

15

00:00:40,450 --> 00:00:37,980

it was a big metallic object with a

16

00:00:43,010 --> 00:00:40,460

little pulsating light

17

00:00:46,990 --> 00:00:43,020

Adriana says the ship was filled with

18

00:00:53,209 --> 00:00:50,810

I saw small men white but their skin was

19

00:00:55,670 --> 00:00:53,219

smooth some people say they've seen them

20

00:00:58,369 --> 00:00:55,680

with eyes like this but their mouths are

21

00:01:00,590 --> 00:00:58,379

very small and their noses are small the

22

00:01:03,529 --> 00:01:00,600

visitors were friendly and made Adriana

23

00:01:06,170 --> 00:01:03,539

feel loved she claims they chose her for

24

00:01:07,969 --> 00:01:06,180

a reason to send an Urgent Message that

25

00:01:10,130 --> 00:01:07,979

humans are destroying the natural beauty

26

00:01:12,050 --> 00:01:10,140
of planet Earth Adriana says the

27

00:01:14,030 --> 00:01:12,060
visitors did not speak with her they

28

00:01:16,370 --> 00:01:14,040
communicated telepathically sending

29

00:01:18,109 --> 00:01:16,380
messages to her brain she says they had

30

00:01:20,390 --> 00:01:18,119
visited her three times

31

00:01:23,749 --> 00:01:20,400
urging her to love her family and all of

32

00:01:27,350 --> 00:01:23,759
humanity how do we prepare

33

00:01:29,270 --> 00:01:27,360
women just be good Adriana is not the

34

00:01:31,789 --> 00:01:29,280
only teenager who claims to have made

35

00:01:34,070 --> 00:01:31,799
contact with alien beings this is the

36

00:01:36,170 --> 00:01:34,080
village of atlamaya It's a small poor

37

00:01:38,390 --> 00:01:36,180
Village but it's rich in UFO sightings

38

00:01:39,890 --> 00:01:38,400

one Shepherd boy we found here lives

39

00:01:42,649 --> 00:01:39,900

with his family in a house with

40

00:01:44,990 --> 00:01:42,659

crumbling walls and no roof his life is

41

00:01:47,030 --> 00:01:45,000

very difficult but he says that the day

42

00:01:48,490 --> 00:01:47,040

he encountered aliens changed his life

43

00:01:51,410 --> 00:01:48,500

forever

44

00:01:53,569 --> 00:01:51,420

we were taking care of our goats when

45

00:01:56,090 --> 00:01:53,579

suddenly we saw a light he says it

46

00:01:58,270 --> 00:01:56,100

happened six years ago Claudio Gonzalez

47

00:02:00,889 --> 00:01:58,280

was only nine

48

00:02:02,810 --> 00:02:00,899

we didn't know what it was

49

00:02:05,810 --> 00:02:02,820

we couldn't see anything from the light

50

00:02:07,490 --> 00:02:05,820

because the light was hurting us Claudio

51
00:02:09,529 --> 00:02:07,500
says the alien visitors told him they

52
00:02:11,570 --> 00:02:09,539
were here because of the volcano Legend

53
00:02:13,970 --> 00:02:11,580
has it alien spaceships may be using

54
00:02:15,910 --> 00:02:13,980
Mount popo as an energy source or an

55
00:02:18,650 --> 00:02:15,920
underground station

56
00:02:21,290 --> 00:02:18,660
all they asked was why were so many

57
00:02:23,210 --> 00:02:21,300
people coming to see them Claudio says

58
00:02:25,550 --> 00:02:23,220
the visitors were about three feet tall

59
00:02:27,949 --> 00:02:25,560
other than that their faces were a blur

60
00:02:32,710 --> 00:02:27,959
but he remembers what they said like it

61
00:02:37,309 --> 00:02:35,270
says the aliens gave no date for their

62
00:02:39,350 --> 00:02:37,319
prophecy of Doom but they predicted the

63
00:02:41,809 --> 00:02:39,360

next World War would take place in New

64

00:02:43,330 --> 00:02:41,819

York City after a moment the aliens

65

00:02:46,430 --> 00:02:43,340

disappeared

66

00:02:47,630 --> 00:02:46,440

we went looking for them and didn't find

67

00:02:50,930 --> 00:02:47,640

anything

68

00:02:53,270 --> 00:02:50,940

they floated away that was the only time

69

00:02:55,910 --> 00:02:53,280

Claudio says he ever made contact with

70

00:02:58,089 --> 00:02:55,920

alien visitors to this day Claudio does

71

00:03:02,570 --> 00:02:58,099

not know why he was chosen

72

00:03:04,670 --> 00:03:02,580

I don't know why I was just there

73

00:03:07,190 --> 00:03:04,680

but Adriana believes she was chosen

74

00:03:10,210 --> 00:03:07,200

because she is quiet and trustworthy she

75

00:03:13,250 --> 00:03:10,220

feels she's been given a mission

76

00:03:16,009 --> 00:03:13,260

I feel fine but it's also a huge

77

00:03:17,690 --> 00:03:16,019

responsibility because I'm also afraid I

78

00:03:20,809 --> 00:03:17,700

may fail

79

00:03:22,850 --> 00:03:20,819

so in a small area of Mexico beneath an

80

00:03:24,949 --> 00:03:22,860

alien face naturally carved into a

81

00:03:27,170 --> 00:03:24,959

Mountainside two children live very
