

1
00:00:02,869 --> 00:00:01,490
I'd like to report something that

2
00:00:05,150 --> 00:00:02,879
happened to my girlfriend and I last

3
00:00:06,470 --> 00:00:05,160
night in Topanga Canyon okay would you

4
00:00:10,250 --> 00:00:06,480
describe it please

5
00:00:11,750 --> 00:00:10,260
and by the way we call the Malibu police

6
00:00:14,690 --> 00:00:11,760
and they said that three other people

7
00:00:17,390 --> 00:00:14,700
had reported similar things it's just

8
00:00:18,710 --> 00:00:17,400
nothing for imagining okay

9
00:00:24,290 --> 00:00:18,720
um

10
00:00:25,970 --> 00:00:24,300
one Pacific Coast Highway are you

11
00:00:28,910 --> 00:00:25,980
familiar with that area yes I am

12
00:00:32,389 --> 00:00:28,920
and we've backtracked and went decided

13
00:00:34,370 --> 00:00:32,399

to go up to panga Canyon Road which is a

14

00:00:36,110 --> 00:00:34,380

it goes pretty high up into the Canyon

15

00:00:38,090 --> 00:00:36,120

Country

16

00:00:41,330 --> 00:00:38,100

do you know where Japan Canyon is yes

17

00:00:43,549 --> 00:00:41,340

okay very familiar with it all right um

18

00:00:46,310 --> 00:00:43,559

there's a

19

00:00:49,850 --> 00:00:46,320

place where old Topanga Canyon goes to

20

00:00:51,889 --> 00:00:49,860

New Topanga Canyons there's a real high

21

00:00:57,010 --> 00:00:51,899

ledge that goes deep deep down you can

22

00:00:59,990 --> 00:00:57,020

Overlook the canyon okay at any rate

23

00:01:02,150 --> 00:01:00,000

this gets weirder as it goes on

24

00:01:06,590 --> 00:01:02,160

out of nowhere

25

00:01:09,530 --> 00:01:06,600

appeared over our car a brilliant

26

00:01:12,670 --> 00:01:09,540

brilliant brilliant light

27

00:01:17,210 --> 00:01:12,680

that was hovering about I'd say 50 feet

28

00:01:21,289 --> 00:01:19,550

and uh at first we thought it was a

29

00:01:22,910 --> 00:01:21,299

helicopter a police helicopter or

30

00:01:25,010 --> 00:01:22,920

something except that we realized that

31

00:01:27,170 --> 00:01:25,020

we didn't hear any sound

32

00:01:30,289 --> 00:01:27,180

and we looked up and we could see

33

00:01:31,730 --> 00:01:30,299

clearly the defined shape of a

34

00:01:34,969 --> 00:01:31,740

uh

35

00:01:37,190 --> 00:01:34,979

a pie shaped object a saucerer I mean I

36

00:01:38,690 --> 00:01:37,200

hate to you know use that term saucer

37

00:01:41,390 --> 00:01:38,700

type object

38

00:01:44,030 --> 00:01:41,400

there was a rim we could see a rim and

39

00:01:44,810 --> 00:01:44,040

then within the rim was this just one

40

00:01:51,050 --> 00:01:44,820

big

41

00:01:57,230 --> 00:01:53,749

yes okay was that in the form of a beam

42

00:02:04,249 --> 00:01:58,510

um

43

00:02:08,990 --> 00:02:04,259

it was a uh wide cone okay

44

00:02:11,990 --> 00:02:09,000

a wide cone covered uh oh I'd say a good

45

00:02:13,790 --> 00:02:12,000

maybe 50 feet diameter okay but it was

46

00:02:16,610 --> 00:02:13,800

very very bright

47

00:02:18,470 --> 00:02:16,620

and anyway we turned the car around and

48

00:02:20,449 --> 00:02:18,480

we decided to go back down the canyon

49

00:02:22,369 --> 00:02:20,459

and this damn thing kept following us it

50

00:02:24,290 --> 00:02:22,379

kept

51
00:02:26,390 --> 00:02:24,300
at the speed we were going at the same

52
00:02:28,490 --> 00:02:26,400
speed we were going it was following us

53
00:02:31,190 --> 00:02:28,500
it was it was above our

54
00:02:32,990 --> 00:02:31,200
car about 50 feet I say

55
00:02:34,910 --> 00:02:33,000
and we kept looking up and it kept it

56
00:02:36,710 --> 00:02:34,920
was there and if we would go faster it

57
00:02:38,570 --> 00:02:36,720
would go faster if we would slow down it

58
00:02:40,970 --> 00:02:38,580
would slow down

59
00:02:42,710 --> 00:02:40,980
and we have a distinct impression that

60
00:02:46,610 --> 00:02:42,720
was pursuing us

61
00:02:50,270 --> 00:02:46,620
the only noise I could I felt that we

62
00:02:55,309 --> 00:02:53,750
the sound that a Transformer would make

63
00:02:57,890 --> 00:02:55,319

like a hum all right all right

64

00:03:01,309 --> 00:02:57,900

high-pitched Tom okay

65

00:03:03,830 --> 00:03:01,319

then I told my girlfriend we better get

66

00:03:05,630 --> 00:03:03,840

out of here so I accelerated the car but

67

00:03:07,910 --> 00:03:05,640

you got to be very careful with Topanga

68

00:03:09,190 --> 00:03:07,920

Canyon because it's a very windy

69

00:03:12,470 --> 00:03:09,200

um

70

00:03:15,410 --> 00:03:12,480

it's a very windy road

71

00:03:16,130 --> 00:03:15,420

and uh when I tried to accelerate the

72

00:03:19,790 --> 00:03:16,140

car

73

00:03:22,190 --> 00:03:19,800

my engine one out the lights went out

74

00:03:24,170 --> 00:03:22,200

everything went out okay and we got out

75

00:03:26,869 --> 00:03:24,180

of the car

76

00:03:29,210 --> 00:03:26,879

thinking that we were gonna run away I'm

77

00:03:32,210 --> 00:03:29,220

telling you my girlfriend was almost to

78

00:03:34,850 --> 00:03:32,220

the state of Hysteria in fact later on I

79

00:03:36,890 --> 00:03:34,860

we went to Cedar Sinai emergency room

80

00:03:38,509 --> 00:03:36,900

when I got home when we got to our home

81

00:03:40,490 --> 00:03:38,519

here

82

00:03:42,890 --> 00:03:40,500

um

83

00:03:45,949 --> 00:03:42,900

when we got out of the car we got even a

84

00:03:48,530 --> 00:03:45,959

better look at it we saw that it was not

85

00:03:51,949 --> 00:03:48,540

a helicopter

86

00:03:54,050 --> 00:03:51,959

and within I'd say

87

00:03:57,289 --> 00:03:54,060

seconds

88

00:03:59,030 --> 00:03:57,299

it just went straight up in the air and

89

00:04:02,149 --> 00:03:59,040

as quickly as it appeared that's how

90

00:04:08,030 --> 00:04:05,270

and anyway we got back into the car and

91

00:04:11,030 --> 00:04:08,040

the car started

92

00:04:13,070 --> 00:04:11,040

and we got down to the coast Highway we

93

00:04:15,530 --> 00:04:13,080

came home to Los Angeles and my

94

00:04:17,150 --> 00:04:15,540

girlfriend was very bad to help me

95

00:04:18,949 --> 00:04:17,160

shaken up she's a nurse I'm an

96

00:04:23,210 --> 00:04:18,959

accountant

97

00:04:27,290 --> 00:04:23,220

uh we went to cedarsana emergency room

98

00:04:29,450 --> 00:04:27,300

and we have broken out on in blisters

99

00:04:31,189 --> 00:04:29,460

on the backs of our hands

100

00:04:33,230 --> 00:04:31,199

my girlfriend where she was wearing a

101
00:04:35,810 --> 00:04:33,240
necklace you could see the mark where

102
00:04:40,129 --> 00:04:35,820
the necklace was I wear glasses you can

103
00:04:42,050 --> 00:04:40,139
see on my face uh glass the glass mark

104
00:04:42,610 --> 00:04:42,060
and we have

105
00:05:10,010 --> 00:04:42,620
a

106
00:05:12,409 --> 00:05:10,020
police when we got home

107
00:05:14,350 --> 00:05:12,419
and uh they said the three other people

108
00:05:17,629 --> 00:05:14,360
had called

109
00:05:19,129 --> 00:05:17,639
concerning similar incidents

110
00:05:21,110 --> 00:05:19,139
that evening

111
00:05:22,629 --> 00:05:21,120
it's the same area in the same area the

112
00:05:25,249 --> 00:05:22,639
China Canyon area

113
00:05:27,950 --> 00:05:25,259

there was an officer Burns that I had

114

00:05:32,870 --> 00:05:29,990

we're going to go back to the doctors

115

00:05:34,310 --> 00:05:32,880

today at 2 30 so I can't stay too long

116

00:05:35,930 --> 00:05:34,320

and I don't want to get terribly

117

00:05:38,870 --> 00:05:35,940

involved with the

118

00:05:42,190 --> 00:05:38,880

even the doctor said I should I I could

119

00:05:44,270 --> 00:05:42,200

report this I don't I'm not prone to

120

00:05:46,730 --> 00:05:44,280

[Music]

121

00:05:48,290 --> 00:05:46,740

this far out situations sir but it was

122

00:05:50,330 --> 00:05:48,300

the most amazing thing I've ever seen in

123

00:05:54,290 --> 00:05:50,340

my life and really quite frightening

124

00:05:56,870 --> 00:05:54,300

now is your girlfriend at RN yes now

125

00:05:59,930 --> 00:05:56,880

what time did that occur it occurred I

126
00:06:01,430 --> 00:05:59,940
would say approximately at 12 30. in the

127
00:06:04,310 --> 00:06:01,440
evening

128
00:06:08,450 --> 00:06:04,320
yes my girlfriend works at the Wadsworth

129
00:06:13,249 --> 00:06:09,710
what was the name of that Veterans

130
00:06:16,490 --> 00:06:14,810
now do you have any estimate of the

131
00:06:21,110 --> 00:06:16,500
diameter of the object it was about 50

132
00:06:26,570 --> 00:06:23,749
now do you remember the color that cone

133
00:06:30,050 --> 00:06:28,189
um white

134
00:06:33,590 --> 00:06:30,060
okay

135
00:06:37,309 --> 00:06:33,600
white with uh um but there was some blue

136
00:06:42,350 --> 00:06:39,590
okay now when you were exposed to that

137
00:06:45,890 --> 00:06:42,360
uh beam of light did you detect any

138
00:06:51,350 --> 00:06:48,650

you know but our skin tingled

139

00:06:54,110 --> 00:06:51,360

okay and it felt like there was a little

140

00:06:56,809 --> 00:06:54,120

I don't know electrical feeling in your

141

00:06:59,090 --> 00:06:56,819

skin okay

142

00:07:00,409 --> 00:06:59,100

and then for a brief moment to tell you

143

00:07:01,790 --> 00:07:00,419

the truth neither of us even could

144

00:07:05,029 --> 00:07:01,800

remember what happened it was almost as

145

00:07:08,090 --> 00:07:07,010

that you feel that that was a very short

146

00:07:11,130 --> 00:07:08,100

duration

147

00:07:13,189 --> 00:07:11,140

I think so I have no way of knowing okay

148

00:07:16,249 --> 00:07:13,199

[Music]

149

00:07:19,010 --> 00:07:16,259

did you detect any unusual odors

150

00:07:25,129 --> 00:07:22,249

come to think of it yeah

151
00:07:25,139 --> 00:07:28,430
I would say

152
00:07:34,070 --> 00:07:31,969
like burnt cinnamon okay

153
00:07:35,749 --> 00:07:34,080
did you have any trouble restarting your

154
00:07:37,969 --> 00:07:35,759
car

155
00:07:40,370 --> 00:07:37,979
foreign

156
00:07:43,129 --> 00:07:40,380
at that point I can't to tell you the

157
00:07:45,050 --> 00:07:43,139
truth I can't remember okay

158
00:07:48,589 --> 00:07:45,060
I don't know I think maybe

159
00:07:51,650 --> 00:07:48,599
a couple clicks from started

160
00:07:54,610 --> 00:07:51,660
okay have you seen any other problems

161
00:07:56,809 --> 00:07:54,620
with the car since you got home no okay

162
00:07:59,330 --> 00:07:56,819
now were there any other unusual

163
00:08:05,990 --> 00:07:59,340

physical traces uh with you or your lady

164

00:08:12,050 --> 00:08:08,029

and how long do you feel this entire uh

165

00:08:17,870 --> 00:08:14,570

I feel that it followed us for about 10

166

00:08:21,350 --> 00:08:17,880

minutes okay and then out of the car

167

00:08:23,869 --> 00:08:21,360

maybe a minute or so

168

00:08:25,850 --> 00:08:23,879

but when we were out of the cars when I

169

00:08:29,629 --> 00:08:25,860

kind of kind of kind of lack of what was

170

00:08:33,589 --> 00:08:31,610

do every people report things like this

171

00:08:36,290 --> 00:08:33,599

well yes sir they sure have they've been

172

00:08:37,790 --> 00:08:36,300

reporting them for years

173

00:08:39,170 --> 00:08:37,800

now what was the name of the doctor you

174

00:08:41,329 --> 00:08:39,180

were going to

175

00:08:43,850 --> 00:08:41,339

well we went to the Cedars-Sinai

176

00:08:47,449 --> 00:08:43,860

emergency room and I don't recall the uh

177

00:08:49,370 --> 00:08:47,459

doctor okay because of my job I really

178

00:08:51,710 --> 00:08:49,380

don't want to get to I understand

179

00:08:53,389 --> 00:08:51,720

invisible because when you talk to when

180

00:08:56,329 --> 00:08:53,399

you talk about listen to people we are

181

00:08:59,269 --> 00:08:56,339

going to go see a psychiatrist

182

00:09:00,949 --> 00:08:59,279

I mean I don't we we weren't

183

00:09:03,889 --> 00:09:00,959

hallucinating I didn't make this ration

184

00:09:07,790 --> 00:09:06,230

yeah okay can I get your name sir I

185

00:09:09,410 --> 00:09:07,800

don't want to give my name okay is there

186

00:09:11,509 --> 00:09:09,420

any way we can get back to you if we

187

00:09:13,370 --> 00:09:11,519

need more information

188

00:09:16,190 --> 00:09:13,380

what more information would you need

189

00:09:18,710 --> 00:09:16,200

I'll I'll I'm going to go back to the

190

00:09:24,590 --> 00:09:18,720

doctors I can't call you back it's just

191

00:09:29,930 --> 00:09:27,170

gotta understand a little this is such

192

00:09:31,670 --> 00:09:29,940

high strangeness that people tend if it

193

00:09:33,590 --> 00:09:31,680

gets out

194

00:09:35,449 --> 00:09:33,600

they tend to look at you

195

00:09:37,310 --> 00:09:35,459

because if you're weird or something I

196

00:09:39,650 --> 00:09:37,320

understand

197

00:09:41,690 --> 00:09:39,660

okay what would you like to do after you

198

00:09:44,269 --> 00:09:41,700

visit your doctor if you feel like it

199

00:09:48,190 --> 00:09:44,279

we'd like to hear what his diagnosis of

200

00:09:54,370 --> 00:09:52,310

what do they do with all this data

201

00:09:57,829 --> 00:09:54,380

what do we do with it

202

00:09:59,090 --> 00:09:57,839

well we compare it with other similar

203

00:10:02,090 --> 00:09:59,100

cases

204

00:10:05,269 --> 00:10:02,100

over the past years which gives us a

205

00:10:07,269 --> 00:10:05,279

basis for determining the reality of

206

00:10:09,530 --> 00:10:07,279

what is going on

207

00:10:11,389 --> 00:10:09,540

is this something that the government is

208

00:10:14,329 --> 00:10:11,399

doing no

209

00:10:16,070 --> 00:10:14,339

no the uh this type of incident has

210

00:10:18,290 --> 00:10:16,080

occurred

211

00:10:20,630 --> 00:10:18,300

uh off and on or throughout the United

212

00:10:24,829 --> 00:10:20,640

States and overseas for the last 40

213

00:10:29,150 --> 00:10:26,810

I've read about things like this but

214

00:10:31,370 --> 00:10:29,160

reading it is one thing but when you see

215

00:10:33,530 --> 00:10:31,380

it firsthand

216

00:10:35,690 --> 00:10:33,540

I I don't know how to explain it I just

217

00:10:38,150 --> 00:10:35,700

I don't know how to explain it

218

00:10:40,970 --> 00:10:38,160

it can be very traumatic

219

00:10:43,070 --> 00:10:40,980

and other other people do call you oh

220

00:10:44,930 --> 00:10:43,080

yes we get uh we're average about six

221

00:10:47,870 --> 00:10:44,940

calls or those reports a day right now

222

00:10:51,650 --> 00:10:47,880

and that's very very quiet

223

00:10:56,990 --> 00:10:54,230

well what is thought what is this

224

00:11:01,730 --> 00:10:59,449

well there's of course three or four

225

00:11:04,730 --> 00:11:01,740

different uh theories my own personal

226

00:11:06,949 --> 00:11:04,740

opinion is that these are objects coming
