

1
00:00:05,570 --> 00:00:02,810
so I went down to see what was happening

2
00:00:08,030 --> 00:00:05,580
and I actually saw this Clorox in the

3
00:00:12,110 --> 00:00:08,040
trees and it was like in a Milky Way

4
00:00:14,030 --> 00:00:12,120
pattern like silver and green and that

5
00:00:15,650 --> 00:00:14,040
sort of colors

6
00:00:17,570 --> 00:00:15,660
um and then there was this little boy

7
00:00:19,370 --> 00:00:17,580
crying so I went up to him to see what

8
00:00:22,370 --> 00:00:19,380
was wrong with him and he said he's he

9
00:00:23,870 --> 00:00:22,380
was quite afraid of it and then um that

10
00:00:25,130 --> 00:00:23,880
actually made me quite afraid of it

11
00:00:29,150 --> 00:00:25,140
because then somebody was afraid I could

12
00:00:31,550 --> 00:00:29,160
agree and then um I saw this person and

13
00:00:34,490 --> 00:00:31,560

he is his eyes were like in a slant like

14

00:00:36,110 --> 00:00:34,500

say like so and his mouth was just like

15

00:00:38,690 --> 00:00:36,120

a line like this

16

00:00:40,250 --> 00:00:38,700

and then at the at the time the teachers

17

00:00:42,830 --> 00:00:40,260

were in a stock meeting

18

00:00:44,690 --> 00:00:42,840

so um nobody actually went up to go and

19

00:00:47,810 --> 00:00:44,700

call the teachers because I think they

20

00:00:49,970 --> 00:00:47,820

were too afraid and everything so when

21

00:00:51,529 --> 00:00:49,980

when the ball rang because somebody

22

00:00:54,350 --> 00:00:51,539

eventually went up one of the prefix

23

00:00:57,310 --> 00:00:54,360

went and said to um one of our teachers

24

00:00:59,510 --> 00:00:57,320

Misty Vernon Police called the um

25

00:01:01,010 --> 00:00:59,520

can you ring the bar because it's quite

26
00:01:03,590 --> 00:01:01,020
a bit of a performance down there with

27
00:01:05,630 --> 00:01:03,600
all the kids running around and then

28
00:01:09,109 --> 00:01:05,640
somebody from BBC

29
00:01:10,810 --> 00:01:09,119
um came to us and he went for a walk

30
00:01:13,370 --> 00:01:10,820
down there with us with a guide account

31
00:01:14,570 --> 00:01:13,380
and actually on that there's a metal

32
00:01:16,789 --> 00:01:14,580
over there

33
00:01:19,130 --> 00:01:16,799
we you could stand up on it and you

34
00:01:20,630 --> 00:01:19,140
could actually see a few burn marks so

35
00:01:22,130 --> 00:01:20,640
he asked us when we were walking down

36
00:01:23,630 --> 00:01:22,140
there with him he said please could you

37
00:01:27,109 --> 00:01:23,640
come down with us to go and have a look

38
00:01:29,690 --> 00:01:27,119

at the things so when we we walked about

39

00:01:31,010 --> 00:01:29,700

if there's about six pounds and if you

40

00:01:33,890 --> 00:01:31,020

haven't knocked one two three four five

41

00:01:35,330 --> 00:01:33,900

six there were um burn marks actually on

42

00:01:37,490 --> 00:01:35,340

the ground

43

00:01:39,109 --> 00:01:37,500

um and then the heels there on the Rock

44

00:01:41,630 --> 00:01:39,119

the the day that happened there was

45

00:01:44,090 --> 00:01:41,640

something glittering like quite strongly

46

00:01:47,149 --> 00:01:44,100

and then when we came back to school the

47

00:01:49,249 --> 00:01:47,159

next day it was just gone and also when

48

00:01:51,429 --> 00:01:49,259

we went down with the burn marks we had

49

00:01:53,990 --> 00:01:51,439

just gone next like a few minutes later

50

00:01:55,249 --> 00:01:54,000

how long did You observe this whole

51
00:01:57,410 --> 00:01:55,259
happening

52
00:01:59,389 --> 00:01:57,420
I think it was about five and a half

53
00:02:00,889 --> 00:01:59,399
minutes when we went down there because

54
00:02:03,830 --> 00:02:00,899
it was actually

55
00:02:05,929 --> 00:02:03,840
quite scary guy has just one last

56
00:02:08,089 --> 00:02:05,939
mention of something very interesting in

57
00:02:09,290 --> 00:02:08,099
his gut and Mr Starkey you should go

58
00:02:11,750 --> 00:02:09,300
down there with that teacher Misty

59
00:02:14,809 --> 00:02:11,760
Vernon just for a walk for our content

60
00:02:17,030 --> 00:02:14,819
study and we've got it down at the

61
00:02:20,030 --> 00:02:17,040
Champions moment and we go down there to

62
00:02:21,110 --> 00:02:20,040
get some clay and a piece of the grant

63
00:02:22,369 --> 00:02:21,120

um it's actually quite interesting

64

00:02:24,890 --> 00:02:22,379

because there's usually ants that

65

00:02:27,110 --> 00:02:24,900

crawler enough invite us and and when we

66

00:02:29,390 --> 00:02:27,120

went down there with the BBC

67

00:02:31,010 --> 00:02:29,400

um we were walking around and we came

68

00:02:33,530 --> 00:02:31,020

back and they were very there were quite

69

00:02:35,270 --> 00:02:33,540

a few antoes and and told them small

70

00:02:36,650 --> 00:02:35,280

there was another single ant and there

71

00:02:37,910 --> 00:02:36,660

were quite there were a few dead ones on

72

00:02:39,890 --> 00:02:37,920

the floor

73

00:02:42,530 --> 00:02:39,900

could you tell me what you saw on on

74

00:02:48,290 --> 00:02:46,550

um well we saw some people

75

00:02:51,410 --> 00:02:48,300

who

76
00:02:54,350 --> 00:02:51,420
there was a right one to read one and a

77
00:02:57,229 --> 00:02:54,360
black one and the black one was sitting

78
00:02:59,210 --> 00:02:57,239
on the spaceship

79
00:03:00,530 --> 00:02:59,220
I didn't know it was a spaceship wasn't

80
00:03:02,690 --> 00:03:00,540
it a helicopter or something like that

81
00:03:04,850 --> 00:03:02,700
well it looked like it was like glancing

82
00:03:08,210 --> 00:03:04,860
in the trees

83
00:03:11,690 --> 00:03:08,220
like it looked like round about like a

84
00:03:13,970 --> 00:03:11,700
like a disc like a round and whereabouts

85
00:03:18,410 --> 00:03:13,980
was it well they made it in the trees

86
00:03:20,449 --> 00:03:18,420
over there between the state park

87
00:03:22,670 --> 00:03:20,459
and and you say it looked like a disc

88
00:03:25,910 --> 00:03:22,680

are you sure it wasn't a

89

00:03:28,130 --> 00:03:25,920

um a Harrier jump jet or a an aircraft

90

00:03:30,649 --> 00:03:28,140

no something that the Zimbabwe Air Force

91

00:03:33,530 --> 00:03:30,659

was like in a in a disc

92

00:03:35,869 --> 00:03:33,540

and what just what happened guy well

93

00:03:38,869 --> 00:03:35,879

it's it was just glancing in the trees

94

00:03:40,190 --> 00:03:38,879

and this like there was a man and he

95

00:03:41,210 --> 00:03:40,200

walked toward us and you walked back

96

00:03:44,089 --> 00:03:41,220

again

97

00:03:46,970 --> 00:03:44,099

what does he look like his face was like

98

00:03:49,610 --> 00:03:46,980

this and his eyes were down here

99

00:03:51,110 --> 00:03:49,620

like what further down his face yeah I'm

100

00:03:53,390 --> 00:03:51,120

much further down than us because our

101
00:03:54,470 --> 00:03:53,400
idea here is the town and how close were

102
00:03:57,110 --> 00:03:54,480
you to him

103
00:03:58,910 --> 00:03:57,120
well I was like there are

104
00:04:01,369 --> 00:03:58,920
because I had just been finished in the

105
00:04:04,729 --> 00:04:01,379
classroom and I was quite at the back

106
00:04:06,470 --> 00:04:04,739
so all the other kids were in the front

107
00:04:09,050 --> 00:04:06,480
you don't think it was somebody in fancy

108
00:04:11,089 --> 00:04:09,060
dress doing a prank or something

109
00:04:15,410 --> 00:04:11,099
what about you Ariana tell us what you

110
00:04:18,590 --> 00:04:15,420
saw well I saw the Shameless guy but

111
00:04:21,850 --> 00:04:18,600
um I saw this like one under silver

112
00:04:25,430 --> 00:04:21,860
glittery thing I saw this like black

113
00:04:28,430 --> 00:04:25,440

like like black long it looks like a

114

00:04:31,070 --> 00:04:28,440

stick but it was very thin

115

00:04:33,290 --> 00:04:31,080

it was it was a man was it I don't know

116

00:04:36,170 --> 00:04:33,300

what it was but it was very thin all I

117

00:04:40,490 --> 00:04:36,180

saw was like a a long thing

118

00:04:44,330 --> 00:04:40,500

and on on on a like a silver

119

00:04:46,370 --> 00:04:44,340

and he was very very very thin

120

00:04:47,930 --> 00:04:46,380

but I really it wasn't he was do you

121

00:04:51,650 --> 00:04:47,940

think he was a sort of a black

122

00:04:53,810 --> 00:04:51,660

Zimbabwean man well not not really she

123

00:04:56,510 --> 00:04:53,820

wasn't very very dark he was very quite

124

00:05:00,230 --> 00:04:56,520

lightish and he was very thin that is

125

00:05:02,689 --> 00:05:00,240

and how tall about about stay there

126

00:05:06,230 --> 00:05:02,699

just a bit a bit taller than you well

127

00:05:10,189 --> 00:05:08,270

and why do you think why do you think

128

00:05:12,710 --> 00:05:10,199

that this was something different that

129

00:05:14,990 --> 00:05:12,720

this wasn't some helicopter from the

130

00:05:16,550 --> 00:05:15,000

Zimbabwe Air Force and just some some

131

00:05:19,010 --> 00:05:16,560

guys playing a joke why do you think he

132

00:05:21,110 --> 00:05:19,020

was actually in a UFO and possibly a

133

00:05:22,070 --> 00:05:21,120

space man

134

00:05:23,270 --> 00:05:22,080

um it just

135

00:05:24,770 --> 00:05:23,280

it was

136

00:05:26,450 --> 00:05:24,780

somebody wouldn't just be playing around

137

00:05:27,110 --> 00:05:26,460

and just be on the ground to all of a

138

00:05:29,930 --> 00:05:27,120

sudden

139

00:05:33,590 --> 00:05:29,940
did it make any noise this thing

140

00:05:35,150 --> 00:05:33,600
not really no and and it's it landed

141

00:05:37,310 --> 00:05:35,160
something landed do you see it do you

142

00:05:40,129 --> 00:05:37,320
see it land no it was it was in the

143

00:05:42,650 --> 00:05:40,139
trees over there like in the trees like

144

00:05:45,290 --> 00:05:42,660
in the trees like linting and like

145

00:05:46,670 --> 00:05:45,300
there's somebody on the ground

146

00:05:48,590 --> 00:05:46,680
and then what happened

147

00:05:50,390 --> 00:05:48,600
and then he walked towards us and he

148

00:05:52,610 --> 00:05:50,400
walked back again and they just screamed

149

00:05:55,070 --> 00:05:52,620
how how did they go it just went all of

150

00:05:56,629 --> 00:05:55,080
a sudden what like helicopter no just

151
00:06:00,950 --> 00:05:56,639

just went

152
00:06:03,110 --> 00:06:00,960

which way down more down into the valley

153
00:06:05,510 --> 00:06:03,120

at about what height

154
00:06:07,850 --> 00:06:05,520

quite high like and then what happened

155
00:06:11,689 --> 00:06:07,860

and then it didn't come back again and

156
00:06:16,249 --> 00:06:13,550

when I went home the day after this

157
00:06:18,230 --> 00:06:16,259

incident it happened I told my mom and

158
00:06:20,870 --> 00:06:18,240

she said actually I don't believe you

159
00:06:22,790 --> 00:06:20,880

but I can't really say a yes and no but

160
00:06:24,650 --> 00:06:22,800

she said I I really don't think I would

161
00:06:27,529 --> 00:06:24,660

leave you and then

162
00:06:29,570 --> 00:06:27,539

um she said my dad came home and I told

163
00:06:31,670 --> 00:06:29,580

him all about this and he said it was

164

00:06:33,230 --> 00:06:31,680

probably just a rumor I felt really

165

00:06:35,210 --> 00:06:33,240

upset because I knew that it was true

166

00:06:36,770 --> 00:06:35,220

but I want to forget about it I want to

167

00:06:38,510 --> 00:06:36,780

keep it in because I knew that was true
