DIDN'T BELIEVE IN
UFQs. UNTIL THE
DAY THEY NO
LONGER HAD A
CHOICE....**

INTO THE FRINGE

**"DR. TURNER HAS
PROVIDED A
COURAGEOUS AND
UNCENSORED
JOURNAL OF THE
INTIMATE AND
DISTURBING
INTRUSIONS INTO
HER FAMILY'S LIVES..."**

-John S. Carpenter, MSW/LCSW
Mutual UFO Network Director
for Abduction Research

**A TRUE
STORY
OF ALIEN
ABDUCTION**

**KARLA
TURNER, Ph.D.**

1
00:00:05,150 --> 00:00:03,290
that's what it looks like from up here

2
00:00:07,810 --> 00:00:05,160
thank you Ed

3
00:00:12,470 --> 00:00:07,820
I'm actually six two

4
00:00:16,070 --> 00:00:14,390
and good morning everyone I want to

5
00:00:19,010 --> 00:00:16,080
thank Ellen and Monty and the rest of

6
00:00:21,170 --> 00:00:19,020
the Austin mufon organization as far

7
00:00:23,029 --> 00:00:21,180
being such wonderful hosts for my

8
00:00:24,890 --> 00:00:23,039
husband and me and this is our first

9
00:00:26,689 --> 00:00:24,900
time to participate in a muffon

10
00:00:28,490 --> 00:00:26,699
conference so you're making a very good

11
00:00:30,349 --> 00:00:28,500
impression

12
00:00:32,990 --> 00:00:30,359
um I am very pleased to be able to speak

13
00:00:35,630 --> 00:00:33,000

with you today today especially as the

14

00:00:37,370 --> 00:00:35,640

first speaker because after this I can

15

00:00:38,690 --> 00:00:37,380

really relax and enjoy the rest of the

16

00:00:41,090 --> 00:00:38,700

conference

17

00:00:43,369 --> 00:00:41,100

the topic of my presentation is the

18

00:00:44,810 --> 00:00:43,379

alien human abduction agenda and I think

19

00:00:47,510 --> 00:00:44,820

it's such an important one I'm ready

20

00:00:49,310 --> 00:00:47,520

just to jump right in but I think there

21

00:00:51,229 --> 00:00:49,320

are a few of you who may wonder who I am

22

00:00:53,810 --> 00:00:51,239

and why I'm up here so perhaps I would

23

00:00:57,650 --> 00:00:53,820

introduce myself

24

00:01:00,410 --> 00:00:57,660

I'm an abductee and I'm use that term

25

00:01:02,869 --> 00:01:00,420

because I have been forcibly taken and

26

00:01:04,130 --> 00:01:02,879

controlled by non-human entities

27

00:01:06,770 --> 00:01:04,140

which

28

00:01:08,870 --> 00:01:06,780

makes this an alien abductee situation

29

00:01:11,149 --> 00:01:08,880

now some of you may know about the

30

00:01:13,190 --> 00:01:11,159

experiences my family and I have endured

31

00:01:16,250 --> 00:01:13,200

I have recorded those and into the

32

00:01:19,070 --> 00:01:16,260

French which Berkeley published in 1992.

33

00:01:23,270 --> 00:01:19,080

and it focuses uh most intensely on the

34

00:01:25,910 --> 00:01:23,280

period from 1987 through 1990 when we

35

00:01:27,649 --> 00:01:25,920

were forced to become consciously aware

36

00:01:30,830 --> 00:01:27,659

of the alien encounters that we've been

37

00:01:33,050 --> 00:01:30,840

having ever since childhood

38

00:01:35,270 --> 00:01:33,060

and it also relates much of what we

39

00:01:37,370 --> 00:01:35,280

learned about earlier encounters through

40

00:01:40,910 --> 00:01:37,380

a lengthy investigation in conjunction

41

00:01:44,270 --> 00:01:40,920

with the researcher Barbara barclick

42

00:01:46,789 --> 00:01:44,280

but I did have a life before Fringe that

43

00:01:48,890 --> 00:01:46,799

was very happy very fulfilling and I

44

00:01:52,069 --> 00:01:48,900

think reasonably normal considering the

45

00:01:54,710 --> 00:01:52,079

fact that I came of age in the 1960s and

46

00:01:57,230 --> 00:01:54,720

the hippie generation

47

00:01:59,270 --> 00:01:57,240

I do have a provocative little theory

48

00:02:01,609 --> 00:01:59,280

about the relationship of the hippie

49

00:02:02,929 --> 00:02:01,619

generation to the abduction phenomena

50

00:02:05,630 --> 00:02:02,939

but I think that's going to have to wait

51
00:02:07,789 --> 00:02:05,640
for another presentation

52
00:02:10,249 --> 00:02:07,799
in my 20s I traveled around the world

53
00:02:13,130 --> 00:02:10,259
and yes I did it with a backpack

54
00:02:15,290 --> 00:02:13,140
I married I had a son and I managed to

55
00:02:17,270 --> 00:02:15,300
earn a couple of degrees along the way I

56
00:02:18,949 --> 00:02:17,280
got a Bachelor's in English from

57
00:02:22,190 --> 00:02:18,959
California State University in

58
00:02:23,930 --> 00:02:22,200
Sacramento and I received a and I know

59
00:02:26,330 --> 00:02:23,940
this sounds a little strange but I

60
00:02:28,490 --> 00:02:26,340
received a masters in American studies

61
00:02:31,070 --> 00:02:28,500
from the University in Nottingham

62
00:02:34,130 --> 00:02:31,080
England they have a different view it

63
00:02:36,229 --> 00:02:34,140

was a very unusual course

64

00:02:38,510 --> 00:02:36,239

in my 30s I settled down a little bit

65

00:02:41,089 --> 00:02:38,520

more and I continued to raise my fam my

66

00:02:43,610 --> 00:02:41,099

son I also managed to earn a PhD in

67

00:02:44,410 --> 00:02:43,620

English while teaching college for 12

68

00:02:46,850 --> 00:02:44,420

years

69

00:02:50,089 --> 00:02:46,860

my son has now grown

70

00:02:52,190 --> 00:02:50,099

he's a holds a masters in physics he's

71

00:02:55,930 --> 00:02:52,200

married and raising his first child so

72

00:02:58,910 --> 00:02:55,940

there is Sweet Revenge in this world

73

00:03:01,250 --> 00:02:58,920

my husband and I I was divorced and

74

00:03:04,130 --> 00:03:01,260

remarried in the late 1970s my husband

75

00:03:07,369 --> 00:03:04,140

and I have moved in the last three years

76
00:03:09,050 --> 00:03:07,379
to rural Arkansas where we lived deep in

77
00:03:10,610 --> 00:03:09,060
the woods on a Mountainside near the

78
00:03:13,850 --> 00:03:10,620
Arkansas River

79
00:03:16,369 --> 00:03:13,860
and outside of ufology which for me is

80
00:03:18,430 --> 00:03:16,379
anything but a hobby I I do have other

81
00:03:22,070 --> 00:03:18,440
interests and activities

82
00:03:24,350 --> 00:03:22,080
I love visiting with my grandchild I

83
00:03:26,030 --> 00:03:24,360
study the usefulness of the wild plants

84
00:03:29,089 --> 00:03:26,040
that grow on the Mountainside where we

85
00:03:32,089 --> 00:03:29,099
live I have a great deal of fun playing

86
00:03:34,130 --> 00:03:32,099
with my Chihuahuas and I enjoy the music

87
00:03:36,050 --> 00:03:34,140
and the concerts of Bruce Springsteen so

88
00:03:38,330 --> 00:03:36,060

I I do have some other interests here

89

00:03:40,130 --> 00:03:38,340

old hippies never give up their Hobbies

90

00:03:43,130 --> 00:03:40,140

you know

91

00:03:45,350 --> 00:03:43,140

I quit teaching college in 1991 and

92

00:03:47,330 --> 00:03:45,360

since then have devoted is uh was

93

00:03:50,089 --> 00:03:47,340

mentioned earlier all of my efforts to

94

00:03:52,250 --> 00:03:50,099

abduction research and beginning first

95

00:03:55,970 --> 00:03:52,260

in conjunction with Barbara barthelite

96

00:03:58,309 --> 00:03:55,980

when I was in Texas looking into reports

97

00:04:01,250 --> 00:03:58,319

in the Texas Oklahoma area

98

00:04:03,170 --> 00:04:01,260

and then later independently researching

99

00:04:06,410 --> 00:04:03,180

cases around the country

100

00:04:09,170 --> 00:04:06,420

my most recent work is reported in the

101
00:04:10,729 --> 00:04:09,180
new book taken that was referred to Also

102
00:04:12,770 --> 00:04:10,739
earlier that was published this past

103
00:04:14,570 --> 00:04:12,780
April by kelp works

104
00:04:16,909 --> 00:04:14,580
and

105
00:04:19,370 --> 00:04:16,919
I hope we will by the time I'm through

106
00:04:22,730 --> 00:04:19,380
talking understand all of the

107
00:04:24,590 --> 00:04:22,740
connotations that I imply with the title

108
00:04:27,830 --> 00:04:24,600
taken

109
00:04:29,930 --> 00:04:27,840
it is not just the abduction aspect that

110
00:04:32,810 --> 00:04:29,940
I'm talking about

111
00:04:34,909 --> 00:04:32,820
as both an abducting and a researcher

112
00:04:38,210 --> 00:04:34,919
into other people's experiences I feel

113
00:04:40,969 --> 00:04:38,220

that I have a somewhat expanded context

114

00:04:43,310 --> 00:04:40,979

or knowledge of this phenomenon my own

115

00:04:45,770 --> 00:04:43,320

experiences have taught me many things

116

00:04:47,629 --> 00:04:45,780

about the nature of alien activity

117

00:04:50,330 --> 00:04:47,639

but that insight has been greatly

118

00:04:52,969 --> 00:04:50,340

expanded by the context of so many other

119

00:04:55,610 --> 00:04:52,979

reports I've been able to to study and

120

00:04:58,730 --> 00:04:55,620

it has helped me to see well beyond the

121

00:05:01,850 --> 00:04:58,740

limits of the individual experience if

122

00:05:03,650 --> 00:05:01,860

we judge the entire phenomenon only by

123

00:05:06,230 --> 00:05:03,660

our personal experiences we're going to

124

00:05:08,270 --> 00:05:06,240

get a very distorted view the context

125

00:05:11,210 --> 00:05:08,280

the patterns

126

00:05:13,490 --> 00:05:11,220

the unique elements as well as the

127

00:05:16,010 --> 00:05:13,500

similar elements are all very important

128

00:05:17,930 --> 00:05:16,020

for a student have a chance of a glimmer

129

00:05:20,330 --> 00:05:17,940

of understanding what may be behind this

130

00:05:22,249 --> 00:05:20,340

phenomena

131

00:05:24,050 --> 00:05:22,259

yet even having been through these

132

00:05:25,670 --> 00:05:24,060

things lived with people who've been

133

00:05:28,610 --> 00:05:25,680

through these things have studied

134

00:05:30,409 --> 00:05:28,620

literally hundreds of personal and

135

00:05:33,770 --> 00:05:30,419

first-hand reports about these

136

00:05:37,990 --> 00:05:33,780

activities I know very little about the

137

00:05:44,390 --> 00:05:41,090

Stanton mentioned the need to hold

138

00:05:46,850 --> 00:05:44,400

ourselves to facts in this field

139

00:05:48,950 --> 00:05:46,860

think that is extremely important we

140

00:05:51,590 --> 00:05:48,960

should repeat that 10 times a day as we

141

00:05:53,930 --> 00:05:51,600

go through the work in this area

142

00:05:56,570 --> 00:05:53,940

the problem of course with the abduction

143

00:05:59,749 --> 00:05:56,580

phenomena is with a lot of ufology is

144

00:06:02,510 --> 00:05:59,759

that the nature of the alien activity is

145

00:06:03,950 --> 00:06:02,520

designed deliberately to keep us from

146

00:06:05,050 --> 00:06:03,960

having much in the way of concrete

147

00:06:09,189 --> 00:06:05,060

evidence

148

00:06:12,409 --> 00:06:09,199

designed that way it is not an accident

149

00:06:14,450 --> 00:06:12,419

so it is difficult to feel confident of

150

00:06:18,350 --> 00:06:14,460

many facts

151
00:06:20,390 --> 00:06:18,360
the dictionary defines facts as things

152
00:06:22,150 --> 00:06:20,400
and ideas which are demonstrably

153
00:06:25,969 --> 00:06:22,160
existent

154
00:06:28,070 --> 00:06:25,979
objectively verified and known to be

155
00:06:30,290 --> 00:06:28,080
certain

156
00:06:32,629 --> 00:06:30,300
and at this point given everything I've

157
00:06:35,570 --> 00:06:32,639
learned internally and from external

158
00:06:37,969 --> 00:06:35,580
evidence there are so very few things

159
00:06:39,710 --> 00:06:37,979
I'm willing to call facts the list is

160
00:06:42,249 --> 00:06:39,720
very short

161
00:06:44,990 --> 00:06:42,259
so today instead of

162
00:06:48,110 --> 00:06:45,000
regaling or educating or entertaining

163
00:06:50,210 --> 00:06:48,120

you with abduction case reports and

164

00:06:52,070 --> 00:06:50,220

photos of the body markings and the

165

00:06:54,290 --> 00:06:52,080

drawings of the spacecraft and Aliens

166

00:06:56,930 --> 00:06:54,300

which I have done and could do

167

00:06:58,969 --> 00:06:56,940

I would prefer to take this opportunity

168

00:07:02,629 --> 00:06:58,979

of perspective which is of course the

169

00:07:06,290 --> 00:07:02,639

theme of this mufon symposium

170

00:07:08,330 --> 00:07:06,300

to share with you my list of facts and

171

00:07:10,790 --> 00:07:08,340

then try to take you Beyond The Fringe

172

00:07:13,309 --> 00:07:10,800

of this phenomenon and Into the Heart of

173

00:07:15,650 --> 00:07:13,319

the abduction scenario

174

00:07:18,230 --> 00:07:15,660

now I'm going to begin by discussing my

175

00:07:21,409 --> 00:07:18,240

list of facts before I go on to two

176

00:07:23,809 --> 00:07:21,419

other issues propaganda and fantasy

177

00:07:25,490 --> 00:07:23,819

because I think it's on the basis of the

178

00:07:27,350 --> 00:07:25,500

facts that I have been able to discern

179

00:07:29,089 --> 00:07:27,360

what I can about the data in the other

180

00:07:31,370 --> 00:07:29,099

two categories

181

00:07:33,529 --> 00:07:31,380

so this will be a very short list I hope

182

00:07:36,290 --> 00:07:33,539

you'll follow along with me

183

00:07:38,930 --> 00:07:36,300

facts fact number one

184

00:07:42,529 --> 00:07:38,940

we do not know with any certainty

185

00:07:44,689 --> 00:07:42,539

exactly what these entities may be

186

00:07:46,730 --> 00:07:44,699

extraterrestrial

187

00:07:49,969 --> 00:07:46,740

interdimensional

188

00:07:51,710 --> 00:07:49,979

terrestrial and origin some combination

189

00:07:55,189 --> 00:07:51,720

of all of the above

190

00:07:57,529 --> 00:07:55,199

something we have yet to even dream of

191

00:08:00,770 --> 00:07:57,539

I'm going to use the term alien merely

192

00:08:03,469 --> 00:08:00,780

for convenience and I am not implying

193

00:08:04,490 --> 00:08:03,479

that I believe they are from another

194

00:08:07,550 --> 00:08:04,500

planet

195

00:08:09,650 --> 00:08:07,560

certainly they may well be we just don't

196

00:08:12,110 --> 00:08:09,660

know and that's a fact

197

00:08:14,089 --> 00:08:12,120

the aliens themselves have identified a

198

00:08:16,370 --> 00:08:14,099

number of different Origins to various

199

00:08:17,210 --> 00:08:16,380

abductees and contactees throughout the

200

00:08:19,129 --> 00:08:17,220

years

201
00:08:21,110 --> 00:08:19,139
but of course we humans have absolutely

202
00:08:23,029 --> 00:08:21,120
no way to check out any of the

203
00:08:25,430 --> 00:08:23,039
statements that they've made

204
00:08:27,710 --> 00:08:25,440
therefore we cannot know these things as

205
00:08:32,029 --> 00:08:27,720
the dictionary says about facts to be

206
00:08:34,310 --> 00:08:32,039
certain to be objectively verifiable

207
00:08:36,889 --> 00:08:34,320
fact number two

208
00:08:40,190 --> 00:08:36,899
and I'm stating this with all of the

209
00:08:42,050 --> 00:08:40,200
tact and diplomacy and self-control that

210
00:08:43,909 --> 00:08:42,060
I can and those of you who know me know

211
00:08:45,050 --> 00:08:43,919
I have very little

212
00:08:51,949 --> 00:08:45,060
foreign

213
00:08:56,329 --> 00:08:54,530

sorry through the past decades the

214

00:08:57,829 --> 00:08:56,339

aliens have made and you all know this

215

00:09:00,370 --> 00:08:57,839

if you're familiar with your ufology

216

00:09:04,070 --> 00:09:00,380

history have made various predictions

217

00:09:07,730 --> 00:09:04,080

and promises and given a number of very

218

00:09:09,949 --> 00:09:07,740

specific warnings about impending events

219

00:09:11,870 --> 00:09:09,959

and we have these documented at least

220

00:09:14,030 --> 00:09:11,880

since the early 1950s

221

00:09:15,949 --> 00:09:14,040

and you and I all know when we look at

222

00:09:18,410 --> 00:09:15,959

the record of what's happened since then

223

00:09:22,009 --> 00:09:18,420

that very few of these things and none

224

00:09:24,949 --> 00:09:22,019

of great consequences have come to pass

225

00:09:27,470 --> 00:09:24,959

this is not a reliable source

226

00:09:30,530 --> 00:09:27,480

I would like to illustrate just from

227

00:09:32,329 --> 00:09:30,540

personal experience so one such scenario

228

00:09:35,210 --> 00:09:32,339

that should make us question the things

229

00:09:38,090 --> 00:09:35,220

we are told by these creatures and into

230

00:09:39,889 --> 00:09:38,100

The Fringe I recount the story of a

231

00:09:42,470 --> 00:09:39,899

young man that I had known since he was

232

00:09:44,389 --> 00:09:42,480

11 years old he and my son grew up

233

00:09:46,370 --> 00:09:44,399

together with his family now we're close

234

00:09:48,410 --> 00:09:46,380

friends and I have a great deal of

235

00:09:51,290 --> 00:09:48,420

confidence in who this person is and his

236

00:09:56,930 --> 00:09:53,949

he went through an intense

237

00:09:58,370 --> 00:09:56,940

series of encounters and abductions as

238

00:10:02,150 --> 00:09:58,380

we all were doing in this particular

239

00:10:04,009 --> 00:10:02,160
group during 1987 and 88 and 89 and one

240

00:10:06,949 --> 00:10:04,019
of the entities with whom he had

241

00:10:09,410 --> 00:10:06,959
repeated almost regular contact was an

242

00:10:11,170 --> 00:10:09,420
entity who described itself as an

243

00:10:14,630 --> 00:10:11,180
interdimensional being

244

00:10:17,389 --> 00:10:14,640
stating that its group was 10th

245

00:10:20,750 --> 00:10:17,399
dimensional and knew about the 11th the

246

00:10:22,850 --> 00:10:20,760
way we know about the fourth tension

247

00:10:26,030 --> 00:10:22,860
this entity would appear in various

248

00:10:27,949 --> 00:10:26,040
physical guises during its encounters

249

00:10:31,430 --> 00:10:27,959
with James sometimes it would be a

250

00:10:33,949 --> 00:10:31,440
nebulous form sometimes it would be a

251
00:10:35,150 --> 00:10:33,959
human looking woman but sometimes only

252
00:10:39,530 --> 00:10:35,160
her head

253
00:10:41,690 --> 00:10:39,540
was something she wanted to show him

254
00:10:44,329 --> 00:10:41,700
so it varied

255
00:10:46,730 --> 00:10:44,339
at one point in an extraordinary weekend

256
00:10:50,269 --> 00:10:46,740
of events which are recorded in detail

257
00:10:52,610 --> 00:10:50,279
in Fringe James was compelled to go out

258
00:10:55,310 --> 00:10:52,620
of state to a particular area

259
00:10:56,750 --> 00:10:55,320
he was at his grandparents house and was

260
00:10:59,210 --> 00:10:56,760
abducted in the middle of the night and

261
00:11:01,670 --> 00:10:59,220
taken to a hill a few miles from there

262
00:11:03,470 --> 00:11:01,680
where this woman materialized in in full

263
00:11:05,210 --> 00:11:03,480

form this time all the body parts were

264

00:11:08,150 --> 00:11:05,220

there

265

00:11:12,769 --> 00:11:08,160

at that time she told him that within

266

00:11:14,810 --> 00:11:12,779

five years of that date he and a few

267

00:11:18,050 --> 00:11:14,820

other people including us and several

268

00:11:21,470 --> 00:11:18,060

others in the area would be activated to

269

00:11:23,150 --> 00:11:21,480

perform our jobs our tasks that it

270

00:11:24,769 --> 00:11:23,160

didn't matter where we would be at that

271

00:11:29,150 --> 00:11:24,779

time it didn't matter what we were doing

272

00:11:33,230 --> 00:11:31,190

the woman told him he would know this

273

00:11:35,870 --> 00:11:33,240

was true because she was going to give

274

00:11:37,810 --> 00:11:35,880

him a series of predictions of events

275

00:11:40,550 --> 00:11:37,820

that would come to pass from this date

276

00:11:42,949 --> 00:11:40,560

through the five-year period and she

277

00:11:44,990 --> 00:11:42,959

began by telling him about a situation

278

00:11:47,930 --> 00:11:45,000

that was occurring right that moment

279

00:11:49,490 --> 00:11:47,940

several days away with people he knew so

280

00:11:50,930 --> 00:11:49,500

he could check this out to see if it was

281

00:11:53,509 --> 00:11:50,940

true

282

00:11:55,190 --> 00:11:53,519

he certainly did we all checked it out

283

00:11:56,690 --> 00:11:55,200

and it was exactly true what the woman

284

00:11:58,370 --> 00:11:56,700

had told him going on in the other

285

00:11:59,690 --> 00:11:58,380

states actually had happened was

286

00:12:03,050 --> 00:11:59,700

verifiable

287

00:12:06,230 --> 00:12:03,060

of course this Maid of James a believer

288

00:12:09,650 --> 00:12:06,240

James was a valedictorian and a private

289

00:12:11,630 --> 00:12:09,660

prestigious school he had a career ahead

290

00:12:13,130 --> 00:12:11,640

of him where the sky literally could

291

00:12:15,290 --> 00:12:13,140

have been the limit

292

00:12:17,690 --> 00:12:15,300

but the woman had told him in five years

293

00:12:19,009 --> 00:12:17,700

you will be turned on to do your job it

294

00:12:21,470 --> 00:12:19,019

doesn't matter what you're doing or

295

00:12:23,750 --> 00:12:21,480

where you are and you will know this is

296

00:12:26,810 --> 00:12:23,760

true by the things that occur

297

00:12:28,910 --> 00:12:26,820

the first thing made such an impression

298

00:12:31,610 --> 00:12:28,920

that she was telling the truth that

299

00:12:34,069 --> 00:12:31,620

James's life was put completely on hold

300

00:12:36,009 --> 00:12:34,079

he dropped out of college he gave up his

301
00:12:38,690 --> 00:12:36,019
plans for a career his personal

302
00:12:40,490 --> 00:12:38,700
relationships became irrelevant and he

303
00:12:42,769 --> 00:12:40,500
thought I've only got five years I

304
00:12:44,930 --> 00:12:42,779
should party I'll make enough delivering

305
00:12:46,790 --> 00:12:44,940
pizza on a part-time basis that I can do

306
00:12:49,490 --> 00:12:46,800
the things I need to do before they take

307
00:12:54,769 --> 00:12:52,790
of course none of the rest of the events

308
00:12:57,610 --> 00:12:54,779
occurred

309
00:13:01,850 --> 00:12:57,620
but his life was effectively

310
00:13:04,370 --> 00:13:01,860
altered to his detriment by the lies

311
00:13:06,110 --> 00:13:04,380
that he had been led to believe and you

312
00:13:08,329 --> 00:13:06,120
know the best way to get someone to

313
00:13:09,769 --> 00:13:08,339

believe a lie is to sandwich it between

314

00:13:13,190 --> 00:13:09,779

a few truths

315

00:13:15,290 --> 00:13:13,200

which is what of course the woman did

316

00:13:18,170 --> 00:13:15,300

the five years by the way ended in

317

00:13:20,389 --> 00:13:18,180

August of 1993 and we're all still doing

318

00:13:22,970 --> 00:13:20,399

what we want where we want and we're not

319

00:13:25,069 --> 00:13:22,980

doing our alien jobs

320

00:13:26,870 --> 00:13:25,079

the aliens have given a number of

321

00:13:29,030 --> 00:13:26,880

stories to people throughout the years

322

00:13:31,970 --> 00:13:29,040

about who they are

323

00:13:33,889 --> 00:13:31,980

where they're from and we have a list if

324

00:13:37,490 --> 00:13:33,899

you compile this and at one point I

325

00:13:40,009 --> 00:13:37,500

think I tried to a list of origin Planet

326

00:13:41,930 --> 00:13:40,019

Origins for these beings that include

327

00:13:44,930 --> 00:13:41,940

everything from the planet lanocaine to

328

00:13:50,150 --> 00:13:47,750

they also have given us a variety of

329

00:13:52,430 --> 00:13:50,160

explanations as to why they're here and

330

00:13:54,769 --> 00:13:52,440

why they perform certain procedures

331

00:13:56,810 --> 00:13:54,779

often however these explanations are

332

00:13:58,850 --> 00:13:56,820

contradictory

333

00:14:01,090 --> 00:13:58,860

and without going into a great deal of

334

00:14:05,569 --> 00:14:01,100

detail I will point out just one example

335

00:14:08,690 --> 00:14:05,579

I report on this in the book taken

336

00:14:11,090 --> 00:14:08,700

several people abductees that and I have

337

00:14:14,509 --> 00:14:11,100

personally worked with have been shown

338

00:14:15,590 --> 00:14:14,519

cloned bodies a board craft or in

339

00:14:17,150 --> 00:14:15,600

facilities

340

00:14:18,889 --> 00:14:17,160

and we'll talk a little bit more about

341

00:14:21,470 --> 00:14:18,899

the details of these in a moment I just

342

00:14:23,810 --> 00:14:21,480

for purposes of the deception and the

343

00:14:26,449 --> 00:14:23,820

lying capability I will use this little

344

00:14:30,350 --> 00:14:26,459

story Pat who's one of the cases in my

345

00:14:32,150 --> 00:14:30,360

book was shown a copy of her body

346

00:14:33,949 --> 00:14:32,160

that was in storage with a number of

347

00:14:37,850 --> 00:14:33,959

other human bodies

348

00:14:39,470 --> 00:14:37,860

she was told it was for the resurrection

349

00:14:41,449 --> 00:14:39,480

and if you know your Bibles you know

350

00:14:44,389 --> 00:14:41,459

when the Resurrection comes we will all

351
00:14:46,250 --> 00:14:44,399
get new bodies Pat was raised in a very

352
00:14:48,530 --> 00:14:46,260
simple Christian fundamentalist

353
00:14:50,389 --> 00:14:48,540
background the aliens throughout their

354
00:14:53,750 --> 00:14:50,399
encounters with Pat and her family had

355
00:14:55,310 --> 00:14:53,760
used the religious symbolism to to bond

356
00:14:57,170 --> 00:14:55,320
with the family and to instill

357
00:14:59,210 --> 00:14:57,180
confidence in them they'd even had Jesus

358
00:15:00,650 --> 00:14:59,220
beam into the room at one point when the

359
00:15:04,970 --> 00:15:00,660
graves were abducting the grandmother

360
00:15:10,009 --> 00:15:08,030
Pat was told that this body this cloned

361
00:15:11,569 --> 00:15:10,019
copy would be her new body for the

362
00:15:13,850 --> 00:15:11,579
resurrection and this was extremely

363
00:15:16,310 --> 00:15:13,860

moving and religious for this woman

364

00:15:19,370 --> 00:15:16,320

however another woman

365

00:15:21,410 --> 00:15:19,380

also reported on in the book was shown a

366

00:15:23,750 --> 00:15:21,420

copy of her new body in an entirely

367

00:15:26,030 --> 00:15:23,760

different scenario of course and was

368

00:15:27,949 --> 00:15:26,040

told in fact if she didn't cooperate

369

00:15:29,629 --> 00:15:27,959

with the agenda the aliens had picked

370

00:15:31,189 --> 00:15:29,639

out for her she could be replaced with

371

00:15:32,210 --> 00:15:31,199

that body and nobody never noticed the

372

00:15:34,670 --> 00:15:32,220

difference

373

00:15:37,370 --> 00:15:34,680

and in the third case we actually had

374

00:15:39,829 --> 00:15:37,380

that occur on a temporary basis a woman

375

00:15:42,290 --> 00:15:39,839

was abducted on her way to work and

376

00:15:43,910 --> 00:15:42,300

shown on a viewing screen her clone of

377

00:15:45,650 --> 00:15:43,920

going to work in her place and nobody

378

00:15:48,170 --> 00:15:45,660

knew the difference

379

00:15:50,810 --> 00:15:48,180

so are these bodies for the resurrection

380

00:15:54,230 --> 00:15:50,820

blessed by God himself or are they

381

00:15:55,730 --> 00:15:54,240

threatened potential Replacements aliens

382

00:15:58,009 --> 00:15:55,740

didn't get their stories quite straight

383

00:16:00,050 --> 00:15:58,019

in those cases

384

00:16:03,290 --> 00:16:00,060

fact number three

385

00:16:05,389 --> 00:16:03,300

in encounters the humans perceptions are

386

00:16:07,490 --> 00:16:05,399

controlled as are the human's conscious

387

00:16:09,050 --> 00:16:07,500

memories now you already are very

388

00:16:10,910 --> 00:16:09,060

familiar probably from the work of

389

00:16:13,610 --> 00:16:10,920

Hopkins and Jacobs and others with the

390

00:16:15,590 --> 00:16:13,620

concept of screen memories especially at

391

00:16:19,129 --> 00:16:15,600

the onset or the conclusion of an

392

00:16:22,490 --> 00:16:19,139

abduction event right someone may see a

393

00:16:24,170 --> 00:16:22,500

strange owl instead of the or a little

394

00:16:25,910 --> 00:16:24,180

gray rabbit by the side of the car

395

00:16:28,189 --> 00:16:25,920

instead of an into your beautiful deer

396

00:16:29,629 --> 00:16:28,199

whatever these we're familiar with these

397

00:16:31,910 --> 00:16:29,639

screen events

398

00:16:34,370 --> 00:16:31,920

what we may not be familiar with is the

399

00:16:37,129 --> 00:16:34,380

fact that the screen techniques go well

400

00:16:39,530 --> 00:16:37,139

beyond such temporary uses in the

401
00:16:41,269 --> 00:16:39,540
phenomena

402
00:16:43,129 --> 00:16:41,279
and we'll talk about that a little more

403
00:16:45,170 --> 00:16:43,139
later also

404
00:16:47,269 --> 00:16:45,180
we're talking about control in fact

405
00:16:49,850 --> 00:16:47,279
number three it's also a fact that the

406
00:16:51,829 --> 00:16:49,860
perception of pain can be controlled and

407
00:16:53,930 --> 00:16:51,839
is controlled during these encounters

408
00:16:55,910 --> 00:16:53,940
with the particular abductees as our

409
00:16:57,410 --> 00:16:55,920
feelings of physical pleasure often

410
00:17:00,170 --> 00:16:57,420
sexual pleasure

411
00:17:02,689 --> 00:17:00,180
and of course the human's emotions are

412
00:17:07,069 --> 00:17:02,699
also controlled during these encounters

413
00:17:09,770 --> 00:17:07,079

the fact is you are in control of these

414

00:17:13,370 --> 00:17:09,780

creatures during every encounter to some

415

00:17:16,189 --> 00:17:13,380

degree more or less normally more

416

00:17:18,350 --> 00:17:16,199

fact number four false memories can

417

00:17:20,809 --> 00:17:18,360

overlay and disguise the actual events

418

00:17:23,390 --> 00:17:20,819

of an encounter and even with regressive

419

00:17:25,850 --> 00:17:23,400

hypnosis the abductee may recall false

420

00:17:27,890 --> 00:17:25,860

scenarios I'm not talking false memory

421

00:17:29,690 --> 00:17:27,900

syndrome as so much has been ballyhood

422

00:17:31,010 --> 00:17:29,700

lately in the Press it's not what I'm

423

00:17:34,010 --> 00:17:31,020

talking about

424

00:17:36,890 --> 00:17:34,020

the abductee can recall false scenarios

425

00:17:39,529 --> 00:17:36,900

even under regressive hypnosis unless

426

00:17:41,150 --> 00:17:39,539

some effective method is used in the

427

00:17:45,470 --> 00:17:41,160

hypnotic process

428

00:17:47,090 --> 00:17:45,480

to help the abductee bypass implanted

429

00:17:49,010 --> 00:17:47,100

illusions

430

00:17:51,470 --> 00:17:49,020

some of you have heard me talk before

431

00:17:54,110 --> 00:17:51,480

remember an illustration of this

432

00:17:56,810 --> 00:17:54,120

concerning a woman named Joy who in the

433

00:17:59,990 --> 00:17:56,820

1970s had an encounter a missing time

434

00:18:01,610 --> 00:18:00,000

and relocation episode in California I

435

00:18:03,470 --> 00:18:01,620

was driving in one town two hours later

436

00:18:05,810 --> 00:18:03,480

she's in another town has no idea how

437

00:18:07,310 --> 00:18:05,820

she's gotten there she's crying she's in

438

00:18:10,130 --> 00:18:07,320

hysterics and she feels totally

439

00:18:12,430 --> 00:18:10,140

abandoned and betrayed

440

00:18:15,049 --> 00:18:12,440

20 years later when

441

00:18:17,090 --> 00:18:15,059

additional incidents occurred and

442

00:18:18,950 --> 00:18:17,100

finally compelled joy to seek out some

443

00:18:21,049 --> 00:18:18,960

help to find out what was going on in

444

00:18:22,909 --> 00:18:21,059

her life one of the events that she

445

00:18:26,210 --> 00:18:22,919

looked at under hypnosis was this two

446

00:18:29,150 --> 00:18:26,220

hours of missing time in the early 70s

447

00:18:31,850 --> 00:18:29,160

she recalled in the initial stage

448

00:18:34,909 --> 00:18:31,860

that she was taken aboard a craft and

449

00:18:36,890 --> 00:18:34,919

brought by a Regal an awe-inspiring

450

00:18:39,590 --> 00:18:36,900

figure who looked like the king and head

451
00:18:42,710 --> 00:18:39,600
on the robe and was very much in charge

452
00:18:46,010 --> 00:18:42,720
into a room much like this

453
00:18:49,010 --> 00:18:46,020
stood before a Podium much like this

454
00:18:51,110 --> 00:18:49,020
gazed out into an audience of wonderful

455
00:18:52,010 --> 00:18:51,120
smiling little Grays not at all like

456
00:18:54,169 --> 00:18:52,020
this

457
00:18:56,029 --> 00:18:54,179
thank God

458
00:18:57,830 --> 00:18:56,039
and was given a book and told to read

459
00:19:00,650 --> 00:18:57,840
this book to the audience

460
00:19:02,870 --> 00:19:00,660
she looked at the book and it had blue

461
00:19:04,669 --> 00:19:02,880
symbols or figures on it that she had

462
00:19:06,230 --> 00:19:04,679
never seen and she said I can't read

463
00:19:08,090 --> 00:19:06,240

this I don't know what these symbols

464

00:19:10,430 --> 00:19:08,100

mean and she was she was told just put

465

00:19:12,289 --> 00:19:10,440

your hand over each symbol you'll

466

00:19:14,570 --> 00:19:12,299

receive the impression and then recite

467

00:19:16,490 --> 00:19:14,580

what you received to the audience so Joy

468

00:19:18,590 --> 00:19:16,500

did this and she would touch each symbol

469

00:19:21,289 --> 00:19:18,600

and as she did she would mentally

470

00:19:22,850 --> 00:19:21,299

receive a very warm uplifting wonderful

471

00:19:25,010 --> 00:19:22,860

spiritual message which she would then

472

00:19:27,110 --> 00:19:25,020

recite her audience and she went through

473

00:19:29,210 --> 00:19:27,120

doing this said the response she got was

474

00:19:32,390 --> 00:19:29,220

one of such love such overwhelming

475

00:19:33,770 --> 00:19:32,400

acceptance she was really awestrucken by

476

00:19:36,110 --> 00:19:33,780

the experience

477

00:19:37,850 --> 00:19:36,120

when the therapists are the hypnotists

478

00:19:40,070 --> 00:19:37,860

ask her to move forward there was a jump

479

00:19:41,570 --> 00:19:40,080

a gap in her story and suddenly she's

480

00:19:44,510 --> 00:19:41,580

back in the car

481

00:19:46,250 --> 00:19:44,520

crime hysterical and feeling very

482

00:19:48,529 --> 00:19:46,260

abandoned and betrayed

483

00:19:50,270 --> 00:19:48,539

now as you know that doesn't match up

484

00:19:52,130 --> 00:19:50,280

there's a discrepancy between the

485

00:19:54,470 --> 00:19:52,140

emotional state she was in in the car

486

00:19:57,049 --> 00:19:54,480

and this wonderful aw inspiring

487

00:19:58,990 --> 00:19:57,059

spiritual experience she had recalled I

488

00:20:01,850 --> 00:19:59,000

think you'll agree they don't match up

489

00:20:05,210 --> 00:20:01,860

the hypnotists noticed this notice the

490

00:20:07,669 --> 00:20:05,220

Gap and asked joy to first program her

491

00:20:11,390 --> 00:20:07,679

mental computer to perceive only the

492

00:20:13,970 --> 00:20:11,400

truth and second to back up to maybe

493

00:20:15,049 --> 00:20:13,980

five or ten minutes before she was in

494

00:20:17,510 --> 00:20:15,059

the car

495

00:20:20,330 --> 00:20:17,520

when she did Joy found herself in an

496

00:20:22,669 --> 00:20:20,340

extraordinarily different situation

497

00:20:24,770 --> 00:20:22,679

she wasn't reading a book to an a loving

498

00:20:27,289 --> 00:20:24,780

and warm audience she was naked

499

00:20:30,049 --> 00:20:27,299

suspended in a beam or tube of light

500

00:20:31,909 --> 00:20:30,059

being poked and prodded by a group of

501
00:20:35,570 --> 00:20:31,919
aliens who were using her much as a

502
00:20:37,490 --> 00:20:35,580
biological chart to explain as we might

503
00:20:41,029 --> 00:20:37,500
to students this is what this part does

504
00:20:44,930 --> 00:20:41,039
this is what that is and then she was

505
00:20:47,750 --> 00:20:44,940
put on a table tilt it at an angle and

506
00:20:50,750 --> 00:20:47,760
was forced to endure some sexual

507
00:20:53,450 --> 00:20:50,760
intrusions at this point Joy who could

508
00:20:55,789 --> 00:20:53,460
not move or talk was mentally screaming

509
00:20:58,549 --> 00:20:55,799
to God into Jesus with whom she had very

510
00:21:01,730 --> 00:20:58,559
great faith to help her to save her to

511
00:21:04,730 --> 00:21:01,740
make this stop and when it didn't

512
00:21:06,529 --> 00:21:04,740
and when she went through this for an

513
00:21:08,930 --> 00:21:06,539

extended period of time before being

514

00:21:10,370 --> 00:21:08,940

returned to her car Joy came back a

515

00:21:14,930 --> 00:21:10,380

changed person

516

00:21:17,090 --> 00:21:14,940

abandon and betrayed she felt by her God

517

00:21:19,130 --> 00:21:17,100

although she had no conscious memory of

518

00:21:22,010 --> 00:21:19,140

this event immediately upon her return

519

00:21:23,870 --> 00:21:22,020

it changed everything in her life for 20

520

00:21:28,490 --> 00:21:23,880

years her religion her sexual

521

00:21:34,130 --> 00:21:31,010

but without having the programming and

522

00:21:36,230 --> 00:21:34,140

help under hypnosis to see past delusion

523

00:21:38,810 --> 00:21:36,240

and perceive only the truth

524

00:21:40,909 --> 00:21:38,820

Joy would have been one of those persons

525

00:21:44,029 --> 00:21:40,919

telling you how wonderful it was to be

526

00:21:45,950 --> 00:21:44,039

with the great alien Brothers

527

00:21:48,350 --> 00:21:45,960

she would have never known why the

528

00:21:52,070 --> 00:21:48,360

trauma and the after effects she carried

529

00:21:57,649 --> 00:21:54,649

fact number four on my list is that

530

00:22:00,409 --> 00:21:57,659

sorry fat number five

531

00:22:03,590 --> 00:22:00,419

given all that I said so far it is

532

00:22:06,350 --> 00:22:03,600

effectively a fact that abductees like

533

00:22:09,590 --> 00:22:06,360

myself and so many of you while we

534

00:22:12,649 --> 00:22:09,600

report our experiences honestly and

535

00:22:14,630 --> 00:22:12,659

sincerely we are really reporting alien

536

00:22:16,669 --> 00:22:14,640

controlled information to the research

537

00:22:19,669 --> 00:22:16,679

community

538

00:22:21,590 --> 00:22:19,679

as abductees our situation is this we

539

00:22:22,430 --> 00:22:21,600

can see the aliens but we can't believe

540

00:22:28,549 --> 00:22:22,440

them

541

00:22:30,950 --> 00:22:28,559

and I know this from personal experience

542

00:22:34,190 --> 00:22:30,960

as well as from a number of other

543

00:22:36,470 --> 00:22:34,200

investigated situations with very honest

544

00:22:38,510 --> 00:22:36,480

very sincere people who are telling you

545

00:22:41,270 --> 00:22:38,520

just as I have told and others have told

546

00:22:44,810 --> 00:22:41,280

you what we honestly perceived as

547

00:22:48,230 --> 00:22:44,820

happening we're being honest but the

548

00:22:50,450 --> 00:22:48,240

illusions and false memories and

549

00:22:53,990 --> 00:22:50,460

distortions and controlled perceptions

550

00:22:56,930 --> 00:22:54,000

and emotions and responses that we had

551
00:22:58,850 --> 00:22:56,940
do not accurately reflect always what we

552
00:23:00,590 --> 00:22:58,860
really went through

553
00:23:02,690 --> 00:23:00,600
fact number six

554
00:23:05,330 --> 00:23:02,700
there's a serious element of human

555
00:23:07,190 --> 00:23:05,340
involvement in the abduction phenomenon

556
00:23:08,630 --> 00:23:07,200
in addition of course to the very real

557
00:23:10,909 --> 00:23:08,640
alien

558
00:23:13,070 --> 00:23:10,919
participation you all know of course

559
00:23:15,830 --> 00:23:13,080
about many abductees the reports of

560
00:23:19,029 --> 00:23:15,840
being monitored harassed by human agents

561
00:23:21,409 --> 00:23:19,039
of some sort cases of phone intervention

562
00:23:23,930 --> 00:23:21,419
male intervention Helicopter

563
00:23:26,149 --> 00:23:23,940

Surveillance Etc and I wish I had an

564

00:23:28,010 --> 00:23:26,159

hour just to talk about the human side

565

00:23:28,850 --> 00:23:28,020

of this phenomenon which of course I

566

00:23:31,010 --> 00:23:28,860

don't

567

00:23:33,110 --> 00:23:31,020

now and into the fridge for instance I

568

00:23:36,049 --> 00:23:33,120

did report about my husband's abduction

569

00:23:39,890 --> 00:23:36,059

and interrogation and threats by the

570

00:23:41,810 --> 00:23:39,900

military group in 1988

571

00:23:43,909 --> 00:23:41,820

similarly at the time I had never heard

572

00:23:48,049 --> 00:23:43,919

of such a thing and I found it even more

573

00:23:50,149 --> 00:23:48,059

disturbing than the alien encounters

574

00:23:51,770 --> 00:23:50,159

similar reports though have been made by

575

00:23:54,110 --> 00:23:51,780

a number of other abductees some of whom

576

00:23:57,409 --> 00:23:54,120

I'm sure you're familiar with such as

577

00:23:59,630 --> 00:23:57,419

Leah Haley's case Alicia Davidson in

578

00:24:02,450 --> 00:23:59,640

California and some of you may be

579

00:24:05,990 --> 00:24:02,460

surprised to know Debbie Jordan

580

00:24:08,750 --> 00:24:06,000

and part of her experiences reported a

581

00:24:10,669 --> 00:24:08,760

very similar human abduction and

582

00:24:13,970 --> 00:24:10,679

interrogation it just never quite made

583

00:24:18,890 --> 00:24:16,070

and taken there are four more accounts

584

00:24:22,510 --> 00:24:18,900

of women whose lives have been intruded

585

00:24:25,190 --> 00:24:22,520

upon by what seems to be military human

586

00:24:27,350 --> 00:24:25,200

forces and although I'm not at Liberty

587

00:24:30,230 --> 00:24:27,360

as so many of us aren't in this field of

588

00:24:32,930 --> 00:24:30,240

where confidentiality is everything to

589

00:24:34,430 --> 00:24:32,940

present to you the hard evidence that we

590

00:24:37,070 --> 00:24:34,440

have been able to gather in some of

591

00:24:39,049 --> 00:24:37,080

these cases I am convinced by the

592

00:24:41,390 --> 00:24:39,059

evidence that we do have in a number of

593

00:24:44,690 --> 00:24:41,400

these cases it's not an alien illusion

594

00:24:46,490 --> 00:24:44,700

of military we've got names dates places

595

00:24:49,850 --> 00:24:46,500

bases

596

00:24:54,409 --> 00:24:52,070

fact number seven

597

00:24:57,110 --> 00:24:54,419

whatever else it may be the abduction

598

00:24:59,090 --> 00:24:57,120

agenda involves quite physical physical

599

00:25:01,909 --> 00:24:59,100

aims and procedures

600

00:25:03,950 --> 00:25:01,919

that tend to belie the idea of a

601
00:25:05,750 --> 00:25:03,960
primarily spiritual motivation on the

602
00:25:07,490 --> 00:25:05,760
aliens part

603
00:25:10,010 --> 00:25:07,500
and much of what we see in these

604
00:25:12,770 --> 00:25:10,020
procedures goes well beyond the alleged

605
00:25:14,930 --> 00:25:12,780
aim of a cross-breeding program

606
00:25:17,149 --> 00:25:14,940
if you think the aliens are only

607
00:25:19,250 --> 00:25:17,159
interested in making hybrid babies then

608
00:25:20,990 --> 00:25:19,260
I'll invite you to figure out what these

609
00:25:22,669 --> 00:25:21,000
following procedures have to do with the

610
00:25:24,590 --> 00:25:22,679
process

611
00:25:27,289 --> 00:25:24,600
first you're aware of the various type

612
00:25:29,930 --> 00:25:27,299
of implants into number numerous areas

613
00:25:33,470 --> 00:25:29,940

of the body into the brain

614

00:25:35,330 --> 00:25:33,480

through the year into the neck into the

615

00:25:37,850 --> 00:25:35,340

spine

616

00:25:41,450 --> 00:25:37,860

into the legs the hips and even in one

617

00:25:43,310 --> 00:25:41,460

man's fairly notable case into the penis

618

00:25:45,769 --> 00:25:43,320

some of these implants have been seen on

619

00:25:47,090 --> 00:25:45,779

x-ray CAT scan and MRIs some of them

620

00:25:49,610 --> 00:25:47,100

never show up

621

00:25:52,310 --> 00:25:49,620

some have been physically recovered

622

00:25:54,230 --> 00:25:52,320

but so far as I'm aware today and I do

623

00:25:56,870 --> 00:25:54,240

invite those who may know better to

624

00:25:58,789 --> 00:25:56,880

please correct me on this whatever

625

00:26:00,590 --> 00:25:58,799

analysis has been performed on these

626
00:26:02,090 --> 00:26:00,600
objects has not given us any Sensational

627
00:26:04,250 --> 00:26:02,100
new information

628
00:26:07,250 --> 00:26:04,260
we still don't have any proof of what

629
00:26:09,890 --> 00:26:07,260
these things do in our bodies

630
00:26:12,769 --> 00:26:09,900
what about the insertion of wires and

631
00:26:15,289 --> 00:26:12,779
tubes into abductees in the chest in the

632
00:26:18,230 --> 00:26:15,299
kidneys the ovaries the wrists the knees

633
00:26:20,149 --> 00:26:18,240
and the feet as well as the taking of

634
00:26:22,430 --> 00:26:20,159
human body fluids and the injection of

635
00:26:24,470 --> 00:26:22,440
unknown substances into the body in

636
00:26:27,950 --> 00:26:24,480
various locations

637
00:26:29,690 --> 00:26:27,960
what about the brain operations which in

638
00:26:31,549 --> 00:26:29,700

the statistics that I've been able to

639

00:26:33,649 --> 00:26:31,559

look at in a very general way without

640

00:26:36,710 --> 00:26:33,659

running them through the computer seem

641

00:26:38,870 --> 00:26:36,720

to turn up as often almost as often at

642

00:26:40,610 --> 00:26:38,880

least as the reported taking of sperm

643

00:26:43,190 --> 00:26:40,620

and elbow

644

00:26:44,630 --> 00:26:43,200

in the case is reported the individuals

645

00:26:45,950 --> 00:26:44,640

who've undergone or think they've

646

00:26:47,390 --> 00:26:45,960

undergone because you always have to

647

00:26:49,730 --> 00:26:47,400

have that in the back of your mind give

648

00:26:51,950 --> 00:26:49,740

an illusion who have undergone these

649

00:26:54,049 --> 00:26:51,960

experiences use almost identical terms

650

00:26:56,090 --> 00:26:54,059

in reporting what has happened to them I

651
00:27:00,230 --> 00:26:56,100
felt like my brain was so my head was

652
00:27:01,789 --> 00:27:00,240
opened up and my brain was taken out

653
00:27:05,210 --> 00:27:01,799
what about the deliberate pain

654
00:27:07,250 --> 00:27:05,220
experiments meant to produce levels of

655
00:27:08,990 --> 00:27:07,260
pain in the abductees Apparently for the

656
00:27:11,090 --> 00:27:09,000
measurement study or pleasure of the

657
00:27:13,070 --> 00:27:11,100
aliens who are observing them

658
00:27:15,230 --> 00:27:13,080
I reported on one of these with James

659
00:27:17,149 --> 00:27:15,240
and Into The Fringe he was put through

660
00:27:19,730 --> 00:27:17,159
an extraordinarily torturous and

661
00:27:21,590 --> 00:27:19,740
traumatic experience having holes

662
00:27:23,330 --> 00:27:21,600
drilled in a row through the top of his

663
00:27:26,390 --> 00:27:23,340

head

664

00:27:28,490 --> 00:27:26,400

he received an apology for this sorry

665

00:27:31,250 --> 00:27:28,500

but we had to do it

666

00:27:32,330 --> 00:27:31,260

but no explanation for why he had to do

667

00:27:33,950 --> 00:27:32,340

it

668

00:27:35,330 --> 00:27:33,960

and most people are not given an

669

00:27:37,310 --> 00:27:35,340

explanation

670

00:27:38,990 --> 00:27:37,320

what about the other bizarre tests and

671

00:27:40,090 --> 00:27:39,000

procedures that are reported time and

672

00:27:42,529 --> 00:27:40,100

time again

673

00:27:44,090 --> 00:27:42,539

abductees immersed in water are some

674

00:27:46,130 --> 00:27:44,100

liquid in which they're then forced to

675

00:27:47,870 --> 00:27:46,140

breathe the liquid I think Hopkins and

676

00:27:49,669 --> 00:27:47,880

Jacobs have made this fairly well known

677

00:27:51,409 --> 00:27:49,679

to you they now included as one of the

678

00:27:53,330 --> 00:27:51,419

standard procedures what does this have

679

00:27:55,850 --> 00:27:53,340

to do with cross breeding

680

00:27:57,830 --> 00:27:55,860

are being forced to eat or drink unknown

681

00:27:59,570 --> 00:27:57,840

substances that that then produce a

682

00:28:02,750 --> 00:27:59,580

variety of after effects on the

683

00:28:04,930 --> 00:28:02,760

abductees Angie reported on intake and

684

00:28:07,549 --> 00:28:04,940

was given a bitter red liquid to drink

685

00:28:11,269 --> 00:28:07,559

passed out immediately and came to in a

686

00:28:13,310 --> 00:28:11,279

very passive hypnotic state in which she

687

00:28:15,649 --> 00:28:13,320

then went through an interrogation with

688

00:28:17,750 --> 00:28:15,659

a number of people

689

00:28:20,390 --> 00:28:17,760

Ted rice another case that I've been

690

00:28:22,730 --> 00:28:20,400

working on for a couple of years as a

691

00:28:24,649 --> 00:28:22,740

child was given a pill to eat or swallow

692

00:28:28,310 --> 00:28:24,659

that then produced on the 10 year old

693

00:28:31,310 --> 00:28:28,320

boy the effects of an aphrodisiac

694

00:28:33,769 --> 00:28:31,320

what about being forced to engage in a

695

00:28:35,630 --> 00:28:33,779

variety of sexual not reproductive but

696

00:28:37,909 --> 00:28:35,640

sexual situations

697

00:28:40,490 --> 00:28:37,919

with alien beings with human looking

698

00:28:42,769 --> 00:28:40,500

figures and with other abductees

699

00:28:44,390 --> 00:28:42,779

frequently the alien sexual activities

700

00:28:46,810 --> 00:28:44,400

are reported to be carried out by

701
00:28:50,690 --> 00:28:46,820
Reptoid looking beings but not always

702
00:28:53,870 --> 00:28:50,700
we've got reports of gray sex hybrid sex

703
00:28:56,149 --> 00:28:53,880
and Nordic sex among others

704
00:28:58,789 --> 00:28:56,159
and as Justice in one of Hopkins

705
00:29:02,049 --> 00:28:58,799
recently reported scenarios I think it

706
00:29:05,330 --> 00:29:02,059
was on television last year on sightings

707
00:29:07,549 --> 00:29:05,340
I described and taken how Lisa one of

708
00:29:09,649 --> 00:29:07,559
the abductees reported on here was

709
00:29:11,810 --> 00:29:09,659
forced to have sex with another abductee

710
00:29:15,049 --> 00:29:11,820
in one of her encounters it was it was

711
00:29:17,870 --> 00:29:15,059
extremely poignant situation after the

712
00:29:19,610 --> 00:29:17,880
fact the man told her apologized to her

713
00:29:21,470 --> 00:29:19,620

told her how sorry he was that he was

714

00:29:23,330 --> 00:29:21,480

being forced to do this to her he said

715

00:29:25,190 --> 00:29:23,340

they've been taking me since childhood I

716

00:29:28,130 --> 00:29:25,200

don't know how to stop it and he gave

717

00:29:30,470 --> 00:29:28,140

her his full name that's all he had in

718

00:29:32,510 --> 00:29:30,480

his control to do

719

00:29:35,029 --> 00:29:32,520

what about the cloning I mentioned this

720

00:29:37,269 --> 00:29:35,039

earlier and I'm not talking about just

721

00:29:39,889 --> 00:29:37,279

the potential and I think very uh

722

00:29:41,630 --> 00:29:39,899

evidentially supported idea that the

723

00:29:43,190 --> 00:29:41,640

little gray workers you're also familiar

724

00:29:46,130 --> 00:29:43,200

with like the little guy down here on

725

00:29:49,669 --> 00:29:46,140

the floor are cloned produced

726
00:29:53,269 --> 00:29:49,679
manufactured like you know we do Fords

727
00:29:55,130 --> 00:29:53,279
Chevys not just this kind of cloning of

728
00:29:56,690 --> 00:29:55,140
the same sort of creatures to go out and

729
00:29:59,990 --> 00:29:56,700
do the work

730
00:30:01,490 --> 00:30:00,000
but also the cloning of human bodies

731
00:30:04,130 --> 00:30:01,500
which as I said have been shown to

732
00:30:07,130 --> 00:30:04,140
abductees sometimes they match and are

733
00:30:08,870 --> 00:30:07,140
identical to the human in the situation

734
00:30:12,409 --> 00:30:08,880
sometimes they're just a bunch of

735
00:30:15,350 --> 00:30:12,419
identical bodies and aren't adult bodies

736
00:30:17,810 --> 00:30:15,360
in one case a man was taken to a

737
00:30:20,149 --> 00:30:17,820
facility in which he saw a room in which

738
00:30:23,029 --> 00:30:20,159

there were about 40 in our human bodies

739

00:30:25,310 --> 00:30:23,039

20 male 20 female the males were all

740

00:30:27,289 --> 00:30:25,320

identical to each other the females were

741

00:30:34,310 --> 00:30:27,299

identical to each other and they were

742

00:30:38,090 --> 00:30:36,529

what do these things have to do is what

743

00:30:40,250 --> 00:30:38,100

I've asked you to think about with the

744

00:30:42,110 --> 00:30:40,260

cross-breeding agenda

745

00:30:43,850 --> 00:30:42,120

fat number eight

746

00:30:45,710 --> 00:30:43,860

all of the things that I've described to

747

00:30:48,110 --> 00:30:45,720

you so far are part of the alien's

748

00:30:49,549 --> 00:30:48,120

physical aims and procedures

749

00:30:50,810 --> 00:30:49,559

but that isn't all there is to their

750

00:30:53,149 --> 00:30:50,820

motivations

751
00:30:58,010 --> 00:30:53,159
the agenda also involves the long-term

752
00:31:02,330 --> 00:31:00,289
it targets among other Concepts our

753
00:31:05,510 --> 00:31:02,340
social and personal relationships our

754
00:31:08,450 --> 00:31:05,520
sexuality our political ideas and our

755
00:31:11,269 --> 00:31:08,460
religious and spiritual concerns

756
00:31:12,950 --> 00:31:11,279
for instance many of us through our

757
00:31:14,690 --> 00:31:12,960
experiences and I think I could get a

758
00:31:17,630 --> 00:31:14,700
show of hands on this

759
00:31:21,710 --> 00:31:17,640
are made to be highly suspicious of our

760
00:31:26,750 --> 00:31:24,350
and in general we become less trusting

761
00:31:29,029 --> 00:31:26,760
and intimate with people outside of this

762
00:31:31,190 --> 00:31:29,039
field and very paranoid often if people

763
00:31:34,909 --> 00:31:31,200

within this field

764

00:31:38,450 --> 00:31:34,919

as one of the women in the book Jane and

765

00:31:41,870 --> 00:31:38,460

taken has said the aliens had fostered

766

00:31:43,970 --> 00:31:41,880

in her mind a mistrust of the government

767

00:31:47,210 --> 00:31:43,980

certainly it has changed most of

768

00:31:50,510 --> 00:31:47,220

Dundee's spiritual concerns and social

769

00:31:54,529 --> 00:31:52,850

with Pat also reported on intake and the

770

00:31:56,330 --> 00:31:54,539

aliens as I mentioned earlier used a

771

00:31:58,610 --> 00:31:56,340

religious approach in their contacts

772

00:32:00,110 --> 00:31:58,620

with her telling her very early on that

773

00:32:02,149 --> 00:32:00,120

they were angels

774

00:32:03,590 --> 00:32:02,159

but as they said not as you've been

775

00:32:05,870 --> 00:32:03,600

taught

776
00:32:07,789 --> 00:32:05,880
and they even had Jesus as I said appear

777
00:32:09,590 --> 00:32:07,799
in her bedroom to give us okay for a

778
00:32:12,350 --> 00:32:09,600
subsequent multiple family abduction

779
00:32:13,909 --> 00:32:12,360
event that occurred that night Pat told

780
00:32:16,310 --> 00:32:13,919
me about this as her brother and sister

781
00:32:19,130 --> 00:32:16,320
who also remembered the event and said

782
00:32:21,830 --> 00:32:19,140
that Jesus had blonde hair and blue eyes

783
00:32:23,930 --> 00:32:21,840
and was very beautiful and wonderful

784
00:32:25,490 --> 00:32:23,940
and I pointed out that you know this is

785
00:32:27,529 --> 00:32:25,500
physically inconsistent with the

786
00:32:29,570 --> 00:32:27,539
historical Jesus that we know about from

787
00:32:31,549 --> 00:32:29,580
the Bible he's certainly probably didn't

788
00:32:35,330 --> 00:32:31,559

have blonde hair and blue eyes

789

00:32:38,389 --> 00:32:35,340

Pat could only say well this one did

790

00:32:40,669 --> 00:32:38,399

on socio-political terms abductees often

791

00:32:45,409 --> 00:32:40,679

find themselves obsessively interested

792

00:32:47,810 --> 00:32:45,419

in ecology animal rights globalism

793

00:32:49,850 --> 00:32:47,820

but I have yet to see the really hard

794

00:32:51,049 --> 00:32:49,860

evidence other than the ecological side

795

00:32:54,110 --> 00:32:51,059

of this

796

00:32:56,690 --> 00:32:54,120

that this is a result of alien

797

00:32:59,990 --> 00:32:56,700

programming our response a human

798

00:33:02,269 --> 00:33:00,000

response to our own experiences which

799

00:33:05,090 --> 00:33:02,279

tend when one goes through trauma to

800

00:33:07,430 --> 00:33:05,100

make one much more empathetic to others

801
00:33:10,310 --> 00:33:07,440
going through trauma

802
00:33:11,990 --> 00:33:10,320
on more personal terms abductees often

803
00:33:15,350 --> 00:33:12,000
go through specifically sexual

804
00:33:17,930 --> 00:33:15,360
obsessions dysfunction and compulsions

805
00:33:20,450 --> 00:33:17,940
now because of the personal nature of

806
00:33:22,310 --> 00:33:20,460
sexual situations I'm sure that so many

807
00:33:25,250 --> 00:33:22,320
of these reports I wish we had available

808
00:33:28,730 --> 00:33:25,260
to us are not well known

809
00:33:30,710 --> 00:33:28,740
in the abduction data body such as other

810
00:33:32,149 --> 00:33:30,720
things like sperm Gathering all the

811
00:33:34,610 --> 00:33:32,159
Gathering fetal extractions baby

812
00:33:36,409 --> 00:33:34,620
presentations and so on now I know those

813
00:33:38,690 --> 00:33:36,419

two are very intimate and very personal

814

00:33:41,330 --> 00:33:38,700

scenarios

815

00:33:43,909 --> 00:33:41,340

but it seems that humans we humans are

816

00:33:46,430 --> 00:33:43,919

even more sensitive about our sexuality

817

00:33:50,990 --> 00:33:46,440

and if you've ever known someone who's

818

00:33:53,690 --> 00:33:51,000

had a sexual assault no matter how

819

00:33:55,909 --> 00:33:53,700

traumatic unwelcome intrusive and

820

00:33:58,730 --> 00:33:55,919

criminal the event may have been the

821

00:34:00,289 --> 00:33:58,740

person tends to carry without a lot of

822

00:34:04,730 --> 00:34:00,299

help to get over it the sins of Shame

823

00:34:09,530 --> 00:34:07,370

this is also true for abductees

824

00:34:11,210 --> 00:34:09,540

in private although these reports are

825

00:34:12,649 --> 00:34:11,220

not often made public and private

826

00:34:14,629 --> 00:34:12,659

abductees have reported not only

827

00:34:17,450 --> 00:34:14,639

straightforward sexual encounters during

828

00:34:20,210 --> 00:34:17,460

abductions as I mentioned earlier but

829

00:34:22,609 --> 00:34:20,220

also the aftermath of such encounters on

830

00:34:24,710 --> 00:34:22,619

their lives you would not be surprised

831

00:34:27,409 --> 00:34:24,720

and again you might not be to know how

832

00:34:30,169 --> 00:34:27,419

many abductees report obsessions or

833

00:34:32,450 --> 00:34:30,179

compulsive masturbation after their

834

00:34:33,609 --> 00:34:32,460

experiences that they do not have

835

00:34:36,889 --> 00:34:33,619

control over

836

00:34:39,530 --> 00:34:36,899

overwhelming sexual appetites conversely

837

00:34:42,290 --> 00:34:39,540

the loss of all sexual appetite or the

838

00:34:44,089 --> 00:34:42,300

fear of sex as well as sexual obsessions

839

00:34:46,430 --> 00:34:44,099

with people the abductees normally would

840

00:34:48,649 --> 00:34:46,440

never be attracted to

841

00:34:50,510 --> 00:34:48,659

fact number nine

842

00:34:52,609 --> 00:34:50,520

with their advanced technology the

843

00:34:55,190 --> 00:34:52,619

aliens can create virtual reality

844

00:34:57,890 --> 00:34:55,200

scenarios that are usually absolutely

845

00:34:59,450 --> 00:34:57,900

real to the perceptions of the targeted

846

00:35:01,849 --> 00:34:59,460

abductee

847

00:35:05,030 --> 00:35:01,859

now such capabilities have often been

848

00:35:07,670 --> 00:35:05,040

theorized and hypothesized and discussed

849

00:35:09,710 --> 00:35:07,680

in this field but for me they were

850

00:35:12,470 --> 00:35:09,720

confirmed in an extraordinary case

851
00:35:13,870 --> 00:35:12,480
multiple case that I that have helped

852
00:35:17,210 --> 00:35:13,880
research the last couple of years

853
00:35:19,430 --> 00:35:17,220
involving an abductee named Ted rice

854
00:35:22,370 --> 00:35:19,440
this is the one story I do intend to

855
00:35:24,950 --> 00:35:22,380
tell in detail before going on

856
00:35:27,470 --> 00:35:24,960
in the early 1990s Ted was in Florida

857
00:35:30,530 --> 00:35:27,480
visiting an old friend

858
00:35:33,230 --> 00:35:30,540
named Marie and she had also invited a

859
00:35:35,210 --> 00:35:33,240
third friend a woman named Francis

860
00:35:37,730 --> 00:35:35,220
as a house guest

861
00:35:40,069 --> 00:35:37,740
Ted was in one room Marie and Francis

862
00:35:41,210 --> 00:35:40,079
went to bed in twin beds in the other

863
00:35:43,910 --> 00:35:41,220

room

864

00:35:47,030 --> 00:35:43,920

shortly after going to bed

865

00:35:48,950 --> 00:35:47,040

Ted heard his Hostess Marie screaming

866

00:35:50,870 --> 00:35:48,960

Ted come here quick

867

00:35:52,370 --> 00:35:50,880

popped up out of bed ran down the

868

00:35:54,890 --> 00:35:52,380

hallway and as he approached the other

869

00:35:57,829 --> 00:35:54,900

bedroom he could see a blue glow coming

870

00:36:00,349 --> 00:35:57,839

through the open bedroom doorway

871

00:36:03,950 --> 00:36:00,359

when he walked inside he saw a very

872

00:36:07,069 --> 00:36:03,960

strange situation his host Marie was

873

00:36:09,109 --> 00:36:07,079

pinned as far away up against the wall

874

00:36:12,349 --> 00:36:09,119

as far away from the bed area as she

875

00:36:15,170 --> 00:36:12,359

could staring fixed at one of the twin

876

00:36:18,430 --> 00:36:15,180

beds in which Francis was still lying

877

00:36:22,910 --> 00:36:18,440

the bed was surrounded by a large

878

00:36:24,770 --> 00:36:22,920

spherical blue energy field of some sort

879

00:36:26,890 --> 00:36:24,780

through which little light seemed to

880

00:36:31,130 --> 00:36:26,900

dark and move

881

00:36:33,410 --> 00:36:31,140

Marie was I'm sorry Francis was raised

882

00:36:35,510 --> 00:36:33,420

in a slightly raised position just as

883

00:36:37,490 --> 00:36:35,520

she had been starting to sit up in the

884

00:36:39,710 --> 00:36:37,500

bed and had been paralyzed in that

885

00:36:44,750 --> 00:36:43,069

Ted and Marie yelled at her what you

886

00:36:46,790 --> 00:36:44,760

know are you in pain can we help you

887

00:36:48,470 --> 00:36:46,800

what's wrong she could barely hear them

888

00:36:50,210 --> 00:36:48,480

and when she did answer them they could

889

00:36:51,890 --> 00:36:50,220

barely hear her and this is in a small

890

00:36:54,109 --> 00:36:51,900

bedroom

891

00:36:56,390 --> 00:36:54,119

she for several minutes they observed

892

00:36:57,650 --> 00:36:56,400

was carrying on a conversation with the

893

00:36:59,750 --> 00:36:57,660

ceiling

894

00:37:01,490 --> 00:36:59,760

and then a few minutes later she was

895

00:37:02,930 --> 00:37:01,500

carrying on a conversation with the foot

896

00:37:05,930 --> 00:37:02,940

of her bed

897

00:37:08,329 --> 00:37:05,940

a few more minutes passed and this fear

898

00:37:10,609 --> 00:37:08,339

of electrical energy disappeared and

899

00:37:13,310 --> 00:37:10,619

Marie was able to move sorry Francis was

900

00:37:15,290 --> 00:37:13,320

able to move again when she set up she

901
00:37:18,230 --> 00:37:15,300
told them what she had been experiencing

902
00:37:20,569 --> 00:37:18,240
it had begun she said hearing the sound

903
00:37:22,430 --> 00:37:20,579
of a helicopter low over the house and

904
00:37:24,650 --> 00:37:22,440
in fact she had turned to her Hostess

905
00:37:26,750 --> 00:37:24,660
Maria and said what's a helicopter doing

906
00:37:27,710 --> 00:37:26,760
over the house this low this time of

907
00:37:29,690 --> 00:37:27,720
night

908
00:37:31,370 --> 00:37:29,700
I already said What helicopter I don't

909
00:37:33,470 --> 00:37:31,380
hear anything you're dreaming go back to

910
00:37:35,390 --> 00:37:33,480
sleep

911
00:37:37,970 --> 00:37:35,400
Francis said no don't you hear that

912
00:37:41,030 --> 00:37:37,980
helicopter at that point she had started

913
00:37:45,170 --> 00:37:41,040

to sit up that's when the blue sphere of

914

00:37:49,490 --> 00:37:47,030

Francis told them after this was over

915

00:37:51,290 --> 00:37:49,500

that the it had seemed as if the ceiling

916

00:37:52,730 --> 00:37:51,300

dissolved or disappeared and I've heard

917

00:37:54,770 --> 00:37:52,740

this over and over and over again and

918

00:37:56,630 --> 00:37:54,780

she could see through the ceiling up to

919

00:37:58,609 --> 00:37:56,640

the trees above the house where there

920

00:38:00,349 --> 00:37:58,619

was a little strange crash she thought

921

00:38:02,150 --> 00:38:00,359

it was a copter when she heard the sound

922

00:38:04,730 --> 00:38:02,160

but as she looked up it was not like any

923

00:38:06,530 --> 00:38:04,740

Cocker she had ever seen and within this

924

00:38:09,050 --> 00:38:06,540

were two alien creatures which she

925

00:38:10,970 --> 00:38:09,060

described in physical detail with which

926

00:38:12,170 --> 00:38:10,980

she carried on a conversation for

927

00:38:14,750 --> 00:38:12,180

several minutes

928

00:38:16,430 --> 00:38:14,760

and then she said they came out of the

929

00:38:18,530 --> 00:38:16,440

craft and beamed down to the foot of the

930

00:38:20,750 --> 00:38:18,540

bed didn't you see them and where she

931

00:38:22,670 --> 00:38:20,760

carried on another few minutes of

932

00:38:25,250 --> 00:38:22,680

conversation

933

00:38:28,550 --> 00:38:25,260

when the spirit disappeared so did the

934

00:38:32,329 --> 00:38:28,560

aliens so did the invisible ceiling and

935

00:38:37,550 --> 00:38:35,510

s had not been able to see the blue

936

00:38:40,310 --> 00:38:37,560

sphere of light around the bed

937

00:38:43,069 --> 00:38:40,320

all she had seen was a craft

938

00:38:44,530 --> 00:38:43,079

heard noises had a conversation with two

939

00:38:47,990 --> 00:38:44,540

alien entities

940

00:38:51,950 --> 00:38:48,000

Marie and Ted who were outside of this

941

00:38:54,349 --> 00:38:51,960

field watching this saw and heard only

942

00:38:56,690 --> 00:38:54,359

the blue sphere if they had not been in

943

00:38:59,810 --> 00:38:56,700

the room to observe this Marie would

944

00:39:02,510 --> 00:38:59,820

have Francis would have believed With

945

00:39:04,970 --> 00:39:02,520

all sincerity that she had had exactly

946

00:39:10,310 --> 00:39:04,980

the encounter she thought she had

947

00:39:14,390 --> 00:39:12,290

fact number 10 and this is the last of

948

00:39:16,490 --> 00:39:14,400

my shortlist of facts it is a fact that

949

00:39:18,050 --> 00:39:16,500

the aliens show a mysterious interest in

950

00:39:20,750 --> 00:39:18,060

the human soul

951
00:39:23,030 --> 00:39:20,760
and I say mysterious because of the

952
00:39:24,710 --> 00:39:23,040
kinds of things they do and say

953
00:39:26,870 --> 00:39:24,720
concerning him

954
00:39:29,270 --> 00:39:26,880
and this part of the phenomenon is so

955
00:39:31,430 --> 00:39:29,280
rarely discussed in public that I don't

956
00:39:34,010 --> 00:39:31,440
think we really have a good pool of data

957
00:39:35,870 --> 00:39:34,020
to proceed on a serious discussion but

958
00:39:37,970 --> 00:39:35,880
I'd like to bring it up because it is a

959
00:39:39,890 --> 00:39:37,980
fact that the interest is there and

960
00:39:41,930 --> 00:39:39,900
mysterious and we should be concerned

961
00:39:43,490 --> 00:39:41,940
about it there are a number of

962
00:39:46,370 --> 00:39:43,500
intriguing reports that we could start

963
00:39:49,250 --> 00:39:46,380

with for instance a young girl who the

964

00:39:51,470 --> 00:39:49,260

aliens ask if they could borrow her soul

965

00:39:53,870 --> 00:39:51,480

two of different abductees totally

966

00:39:55,849 --> 00:39:53,880

different totally uh isolated from each

967

00:39:58,370 --> 00:39:55,859

other it happened to both come from the

968

00:40:01,609 --> 00:39:58,380

St Louis area both shown at the age of

969

00:40:04,069 --> 00:40:01,619

five a gigantic metallic spherical

970

00:40:06,050 --> 00:40:04,079

object somewhere in space and we're told

971

00:40:07,670 --> 00:40:06,060

in essence it was the sole recycling

972

00:40:11,210 --> 00:40:07,680

center

973

00:40:13,250 --> 00:40:11,220

reports of abductees who recall apparent

974

00:40:15,950 --> 00:40:13,260

past lives in which they've inhabited

975

00:40:19,609 --> 00:40:15,960

alien bodies with their souls and even

976
00:40:22,910 --> 00:40:19,619
in one case a man who watched as his

977
00:40:25,030 --> 00:40:22,920
young body was killed and his soul

978
00:40:29,030 --> 00:40:25,040
energy released

979
00:40:30,950 --> 00:40:29,040
captured in a container and taken to a

980
00:40:33,290 --> 00:40:30,960
new replacement body where it was

981
00:40:35,510 --> 00:40:33,300
reintroduced into the body through the

982
00:40:36,829 --> 00:40:35,520
technology of the little black box you

983
00:40:38,630 --> 00:40:36,839
might have heard about in some of these

984
00:40:41,510 --> 00:40:38,640
cases

985
00:40:44,630 --> 00:40:41,520
for me that's the end of my list of

986
00:40:46,730 --> 00:40:44,640
facts so I'd like to move on to the

987
00:40:49,490 --> 00:40:46,740
other two categories beginning with

988
00:40:56,210 --> 00:40:52,910

propaganda is defined as any association

989

00:40:58,670 --> 00:40:56,220

system or concerted movement for the

990

00:41:00,050 --> 00:40:58,680

propagation of a particular Doctrine or

991

00:41:03,230 --> 00:41:00,060

belief

992

00:41:05,089 --> 00:41:03,240

with me on that what I've learned from

993

00:41:08,030 --> 00:41:05,099

my own experiences and the research into

994

00:41:10,069 --> 00:41:08,040

this field with others shows me that the

995

00:41:11,569 --> 00:41:10,079

aliens are clearly practicing such

996

00:41:13,609 --> 00:41:11,579

programming

997

00:41:15,950 --> 00:41:13,619

and they are propagating a number of

998

00:41:18,250 --> 00:41:15,960

beliefs within abductees and through

999

00:41:20,569 --> 00:41:18,260

their reports to the UFO Community

1000

00:41:22,430 --> 00:41:20,579

specifically and then to the population

1001
00:41:25,730 --> 00:41:22,440
in general

1002
00:41:28,190 --> 00:41:25,740
they shape our beliefs in part

1003
00:41:30,230 --> 00:41:28,200
at least our beliefs about them in part

1004
00:41:33,950 --> 00:41:30,240
by the physical appearances they appear

1005
00:41:36,170 --> 00:41:33,960
to us for one thing and through the

1006
00:41:38,750 --> 00:41:36,180
virtual reality capabilities that I just

1007
00:41:40,550 --> 00:41:38,760
described to you they can and do give us

1008
00:41:42,530 --> 00:41:40,560
any illusion they choose during

1009
00:41:45,530 --> 00:41:42,540
abduction scenarios

1010
00:41:47,270 --> 00:41:45,540
one young man a young boy abducted with

1011
00:41:48,770 --> 00:41:47,280
his grandmother in a situation I don't

1012
00:41:51,730 --> 00:41:48,780
need to go in

1013
00:41:54,050 --> 00:41:51,740

uh was brought had brought into the room

1014

00:41:57,349 --> 00:41:54,060

the grandfather just happened the

1015

00:42:00,890 --> 00:41:57,359

grandfather had been dead for six years

1016

00:42:02,750 --> 00:42:00,900

another case in which other many cases

1017

00:42:06,230 --> 00:42:02,760

in which celebrities are well-known

1018

00:42:08,270 --> 00:42:06,240

figures are used to in a scenario to

1019

00:42:11,630 --> 00:42:08,280

persuade and abductee to participate in

1020

00:42:13,849 --> 00:42:11,640

this or that others procedure Jesus

1021

00:42:16,550 --> 00:42:13,859

turns up very very often he's always

1022

00:42:17,990 --> 00:42:16,560

blue eyed blonde hair and I'm sure that

1023

00:42:20,650 --> 00:42:18,000

doesn't you know maybe if we were in

1024

00:42:23,690 --> 00:42:20,660

India we'd get Krishna I'm not sure

1025

00:42:26,270 --> 00:42:23,700

masking entities when the Illusions have

1026

00:42:28,550 --> 00:42:26,280

been seen through and they often are

1027

00:42:30,230 --> 00:42:28,560

and one I think particularly important

1028

00:42:32,030 --> 00:42:30,240

although I've cited it before I think

1029

00:42:34,970 --> 00:42:32,040

it's worth repeating until the entire

1030

00:42:37,130 --> 00:42:34,980

account and Into The Fringe a young man

1031

00:42:39,050 --> 00:42:37,140

who was compelled to go out of his house

1032

00:42:40,609 --> 00:42:39,060

in the middle of the night as we you

1033

00:42:41,930 --> 00:42:40,619

know under control you go where you're

1034

00:42:43,790 --> 00:42:41,940

supposed to go and there is some

1035

00:42:45,710 --> 00:42:43,800

evidence we get up and take ourselves

1036

00:42:46,750 --> 00:42:45,720

out to be abducted whether we know it or

1037

00:42:49,430 --> 00:42:46,760

not

1038

00:42:51,950 --> 00:42:49,440

compelled to go outside for an encounter

1039

00:42:54,650 --> 00:42:51,960

and they're waiting for him was a Nordic

1040

00:42:58,089 --> 00:42:54,660

a beautiful blonde woman

1041

00:43:01,250 --> 00:42:58,099

probably the spinning image of simeonzi

1042

00:43:02,990 --> 00:43:01,260

who was waiting with open arms and a

1043

00:43:04,849 --> 00:43:03,000

loving look a little bit attractive

1044

00:43:07,430 --> 00:43:04,859

alluring look in fact for him to come

1045

00:43:09,589 --> 00:43:07,440

into her arms and he reached out she

1046

00:43:11,870 --> 00:43:09,599

reached out for him and Drew him towards

1047

00:43:14,109 --> 00:43:11,880

her and being under control as we always

1048

00:43:16,790 --> 00:43:14,119

are he went for it

1049

00:43:19,309 --> 00:43:16,800

expecting to get an Embrace and a kiss

1050

00:43:22,250 --> 00:43:19,319

as the arms wrapped around him the image

1051
00:43:25,069 --> 00:43:22,260
of semiasi disappeared and what was

1052
00:43:26,270 --> 00:43:25,079
holding him was not blonde beautiful or

1053
00:43:29,089 --> 00:43:26,280
human

1054
00:43:31,670 --> 00:43:29,099
and what he got was not a kiss

1055
00:43:33,950 --> 00:43:31,680
but being thrown to the ground pinned

1056
00:43:36,410 --> 00:43:33,960
down with claw marks the next day around

1057
00:43:38,930 --> 00:43:36,420
his neck where this had been held down

1058
00:43:40,910 --> 00:43:38,940
while a two foot Rod of some sort was

1059
00:43:42,950 --> 00:43:40,920
rammed down his mouth down his throat

1060
00:43:45,530 --> 00:43:42,960
into his stomach where the extraction of

1061
00:43:47,510 --> 00:43:45,540
juices then took place leaving him with

1062
00:43:49,910 --> 00:43:47,520
the external claw marks the scrape

1063
00:43:53,390 --> 00:43:49,920

throat and the taste of bile for quite a

1064

00:43:59,630 --> 00:43:56,270

the aliens Foster a belief

1065

00:44:01,849 --> 00:43:59,640

I think in their beauty and their

1066

00:44:03,829 --> 00:44:01,859

compassion with us through such means is

1067

00:44:05,990 --> 00:44:03,839

showing us pretty people

1068

00:44:08,210 --> 00:44:06,000

I think they realize we're not as smart

1069

00:44:10,550 --> 00:44:08,220

as we think we are

1070

00:44:12,710 --> 00:44:10,560

and that we often equate Beauty with

1071

00:44:15,170 --> 00:44:12,720

goodness and you and I both know that's

1072

00:44:17,510 --> 00:44:15,180

not always the case

1073

00:44:20,030 --> 00:44:17,520

they also Foster a belief in the alien

1074

00:44:22,609 --> 00:44:20,040

human cross-breeding scenario

1075

00:44:25,130 --> 00:44:22,619

through such a great repeated procedures

1076
00:44:26,930 --> 00:44:25,140
is fetal implants and extractions sperm

1077
00:44:29,809 --> 00:44:26,940
and over Gathering baby presentations

1078
00:44:34,569 --> 00:44:29,819
and so on but I think as Stanton warned

1079
00:44:41,329 --> 00:44:38,690
without external confirming evidence we

1080
00:44:43,069 --> 00:44:41,339
cannot accept this as proof If We

1081
00:44:44,809 --> 00:44:43,079
believe the aliens in our race can

1082
00:44:46,790 --> 00:44:44,819
interbreed however it serves a lot of

1083
00:44:49,370 --> 00:44:46,800
propaganda purposes it makes us think we

1084
00:44:51,109 --> 00:44:49,380
have some shared commonality which makes

1085
00:44:53,150 --> 00:44:51,119
us more receptive to their presence and

1086
00:44:55,309 --> 00:44:53,160
activities if we think we share

1087
00:44:57,710 --> 00:44:55,319
Offspring with them this belief binds us

1088
00:45:00,230 --> 00:44:57,720

to them even more so just as Royal

1089

00:45:01,730 --> 00:45:00,240

marriages used to try to bind competing

1090

00:45:03,410 --> 00:45:01,740

political parties when one wanted

1091

00:45:05,870 --> 00:45:03,420

control over the other

1092

00:45:08,329 --> 00:45:05,880

the cross-breeding scenario also can

1093

00:45:10,609 --> 00:45:08,339

lead us to see ourselves subordinate to

1094

00:45:12,230 --> 00:45:10,619

the aliens and dependent upon them when

1095

00:45:15,050 --> 00:45:12,240

they tell us this is the only way your

1096

00:45:18,109 --> 00:45:15,060

race is going to be able to survive and

1097

00:45:19,849 --> 00:45:18,119

they reinforce our dependence on them by

1098

00:45:22,430 --> 00:45:19,859

warning us of the impending disasters

1099

00:45:24,650 --> 00:45:22,440

from which only they can save us

1100

00:45:27,230 --> 00:45:24,660

I wish I had time to discuss what they

1101
00:45:29,510 --> 00:45:27,240
may really be doing with the sperminova

1102
00:45:32,150 --> 00:45:29,520
and Fetal material they take from us but

1103
00:45:34,010 --> 00:45:32,160
I have yet to see confirmed proof that

1104
00:45:36,470 --> 00:45:34,020
it has anything to do with hybridizing

1105
00:45:38,089 --> 00:45:36,480
either their species or ours

1106
00:45:39,770 --> 00:45:38,099
through the manipulation of what we

1107
00:45:41,690 --> 00:45:39,780
think they're doing and what they tell

1108
00:45:42,950 --> 00:45:41,700
us they also propagate the belief that

1109
00:45:45,589 --> 00:45:42,960
their intrusions are ultimately

1110
00:45:46,970 --> 00:45:45,599
beneficial in purpose in spite of the

1111
00:45:49,010 --> 00:45:46,980
fact that so much of the specific

1112
00:45:50,750 --> 00:45:49,020
abduction events are in painful

1113
00:45:51,950 --> 00:45:50,760

traumatic and debasing to the person

1114

00:45:54,410 --> 00:45:51,960

involved

1115

00:45:56,390 --> 00:45:54,420

we have many well-known accounts

1116

00:45:58,970 --> 00:45:56,400

abduction accounts or should I say

1117

00:46:01,630 --> 00:45:58,980

contact accounts in which a person has

1118

00:46:03,190 --> 00:46:01,640

been given a very positive

1119

00:46:05,210 --> 00:46:03,200

spiritual

1120

00:46:07,370 --> 00:46:05,220

experience sometimes with physical

1121

00:46:09,589 --> 00:46:07,380

healing or expanded intelligence of

1122

00:46:12,290 --> 00:46:09,599

psychic abilities and these abductees

1123

00:46:14,690 --> 00:46:12,300

feel very compelled to go out and tell

1124

00:46:16,849 --> 00:46:14,700

you about their situations and Proclaim

1125

00:46:19,910 --> 00:46:16,859

that the spiritual benevolence of the

1126

00:46:22,550 --> 00:46:19,920

aliens is all there is to it and such

1127

00:46:24,770 --> 00:46:22,560

reports can almost make you forget about

1128

00:46:26,710 --> 00:46:24,780

the numerous other reports and which

1129

00:46:29,030 --> 00:46:26,720

abductees experience great pain

1130

00:46:31,069 --> 00:46:29,040

suffering during their abductions as

1131

00:46:33,290 --> 00:46:31,079

well as severe sometimes even fatal

1132

00:46:35,150 --> 00:46:33,300

physical After Effects and emotional

1133

00:46:37,670 --> 00:46:35,160

distress afterwards

1134

00:46:41,210 --> 00:46:37,680

some apologists for the aliens call such

1135

00:46:43,190 --> 00:46:41,220

problems unfortunate but unavoidable

1136

00:46:45,770 --> 00:46:43,200

as if they were privy to the do's and

1137

00:46:47,630 --> 00:46:45,780

don'ts of the alien conduct

1138

00:46:50,750 --> 00:46:47,640

but if inflicting pain or permanent

1139

00:46:53,089 --> 00:46:50,760

damage can be controlled and avoided in

1140

00:46:55,130 --> 00:46:53,099

certain cases we can have and do have

1141

00:46:57,770 --> 00:46:55,140

the right to ask why is it not extended

1142

00:46:59,290 --> 00:46:57,780

to all abductees which it certainly is

1143

00:47:01,910 --> 00:46:59,300

not

1144

00:47:03,770 --> 00:47:01,920

just real quickly one case I reported

1145

00:47:06,349 --> 00:47:03,780

intake and Beth Puerto Rican woman

1146

00:47:07,609 --> 00:47:06,359

abducted in the late 1970s along with

1147

00:47:09,470 --> 00:47:07,619

some of her children and her husband

1148

00:47:11,569 --> 00:47:09,480

went through a series of very strange

1149

00:47:14,809 --> 00:47:11,579

physical and spiritual events during

1150

00:47:17,270 --> 00:47:14,819

this abduction afterwards suffered with

1151
00:47:19,670 --> 00:47:17,280
a persistent weeks-long Ranch that no

1152
00:47:21,950 --> 00:47:19,680
one could explain severe nausea for days

1153
00:47:25,730 --> 00:47:21,960
afterwards headaches blinding headaches

1154
00:47:28,490 --> 00:47:25,740
severe hair loss and such damage to her

1155
00:47:30,290 --> 00:47:28,500
eyes that she developed cataracts and

1156
00:47:31,670 --> 00:47:30,300
she was a very young woman this call for

1157
00:47:34,490 --> 00:47:31,680
surgery of course to remove the

1158
00:47:36,290 --> 00:47:34,500
cataracts and the surgeon found evidence

1159
00:47:40,069 --> 00:47:36,300
that she had had previous eye surgery

1160
00:47:43,069 --> 00:47:40,079
which she of course had never had

1161
00:47:46,250 --> 00:47:43,079
we have reports over and over of of

1162
00:47:48,890 --> 00:47:46,260
diseases distress

1163
00:47:51,109 --> 00:47:48,900

sometimes fatal situations following

1164

00:47:53,510 --> 00:47:51,119

immediately upon abductions as well as

1165

00:47:56,150 --> 00:47:53,520

the wonderful healing cases that are out

1166

00:47:58,069 --> 00:47:56,160

there they do exist but if they exist

1167

00:48:00,829 --> 00:47:58,079

for one why didn't they not exist for

1168

00:48:03,230 --> 00:48:00,839

all and I think we need to ask that

1169

00:48:05,270 --> 00:48:03,240

proper propaganda techniques also

1170

00:48:07,550 --> 00:48:05,280

include perpetrating good cut bad cop

1171

00:48:09,050 --> 00:48:07,560

situations or good alien bad alien

1172

00:48:11,390 --> 00:48:09,060

situations

1173

00:48:13,490 --> 00:48:11,400

um you know how many accounts tell of

1174

00:48:15,170 --> 00:48:13,500

a painful traumatic events taking place

1175

00:48:18,410 --> 00:48:15,180

during an abduction and then they stop

1176
00:48:20,089 --> 00:48:18,420
when the good alien enters the friendly

1177
00:48:22,250 --> 00:48:20,099
one The Protector who makes it all

1178
00:48:24,650 --> 00:48:22,260
better and takes away the pain

1179
00:48:26,930 --> 00:48:24,660
finds us to them we've got to help her

1180
00:48:28,670 --> 00:48:26,940
reminds me of what goes on in some of

1181
00:48:32,270 --> 00:48:28,680
the abduction and hostage situations

1182
00:48:34,430 --> 00:48:32,280
we've been familiar with over the years

1183
00:48:36,470 --> 00:48:34,440
these things tend to instill in the

1184
00:48:38,270 --> 00:48:36,480
abductive sense of awe

1185
00:48:41,870 --> 00:48:38,280
a sense of fear

1186
00:48:43,670 --> 00:48:41,880
a sense of vulnerability and a very very

1187
00:48:45,530 --> 00:48:43,680
strange way a sense of bonding and

1188
00:48:48,170 --> 00:48:45,540

identification through that protector

1189

00:48:49,370 --> 00:48:48,180

alien figure making a subordinate and

1190

00:48:52,190 --> 00:48:49,380

vulnerable

1191

00:48:54,470 --> 00:48:52,200

in our relations with them the aliens

1192

00:48:56,270 --> 00:48:54,480

start early in the abductee's life to

1193

00:48:58,550 --> 00:48:56,280

instill notions that the abductee

1194

00:49:00,829 --> 00:48:58,560

somehow belongs to the aliens is alien

1195

00:49:02,630 --> 00:49:00,839

property sometimes telling children as

1196

00:49:04,790 --> 00:49:02,640

they told me that they are their parents

1197

00:49:07,130 --> 00:49:04,800

that the human parents have are not the

1198

00:49:10,750 --> 00:49:07,140

real parents that they are our we are

1199

00:49:15,050 --> 00:49:13,250

aliens say they have the right to do the

1200

00:49:17,870 --> 00:49:15,060

things they do to us they never show us

1201
00:49:19,970 --> 00:49:17,880
however the warrant for that right

1202
00:49:24,170 --> 00:49:19,980
they Pro they Foster our belief in the

1203
00:49:26,809 --> 00:49:24,180
cross-breeding agenda and if all we had

1204
00:49:28,609 --> 00:49:26,819
to go on was the data related to this

1205
00:49:30,230 --> 00:49:28,619
that would be a very acceptable Theory

1206
00:49:32,450 --> 00:49:30,240
but I hope I've made clear to you by

1207
00:49:37,329 --> 00:49:32,460
what I presented Heritage for that's

1208
00:49:42,849 --> 00:49:40,849
in a handful of cases well I I don't

1209
00:49:45,230 --> 00:49:42,859
have time we're coming to a limit here

1210
00:49:47,569 --> 00:49:45,240
abductees have even seen these wonderful

1211
00:49:49,609 --> 00:49:47,579
hybrid fetuses that that are supposedly

1212
00:49:51,530 --> 00:49:49,619
going to either save their race or IRAs

1213
00:49:53,329 --> 00:49:51,540

race depending on who which alien you're

1214

00:49:56,410 --> 00:49:53,339

talking to at the time

1215

00:49:58,970 --> 00:49:56,420

deliberately destroyed in one case

1216

00:50:01,130 --> 00:49:58,980

Blended up as we would do a milkshake

1217

00:50:03,770 --> 00:50:01,140

and when the woman would destroy in

1218

00:50:05,809 --> 00:50:03,780

great distress protested this was told

1219

00:50:07,730 --> 00:50:05,819

in effect by the alien don't get so

1220

00:50:09,829 --> 00:50:07,740

excited it wasn't really alive anyway

1221

00:50:11,990 --> 00:50:09,839

and don't worry we won't waste any of

1222

00:50:14,630 --> 00:50:12,000

the physical material

1223

00:50:17,930 --> 00:50:14,640

I wish I could go into a series of other

1224

00:50:20,270 --> 00:50:17,940

reports along this line that bring block

1225

00:50:23,290 --> 00:50:20,280

after block of evidence upon which to

1226
00:50:25,730 --> 00:50:23,300
build the idea that we should not accept

1227
00:50:29,510 --> 00:50:25,740
hybridizing and cross-breeding as the

1228
00:50:32,030 --> 00:50:29,520
agenda but again time is of the essence

1229
00:50:33,890 --> 00:50:32,040
programming also occurs with the sexual

1230
00:50:35,690 --> 00:50:33,900
scenarios that are carried out and again

1231
00:50:37,849 --> 00:50:35,700
without getting into the details they

1232
00:50:40,370 --> 00:50:37,859
are mostly reported by abductees to be

1233
00:50:43,130 --> 00:50:40,380
invasive unwelcome and traumatic having

1234
00:50:45,290 --> 00:50:43,140
after effects on the sexuality of that

1235
00:50:47,329 --> 00:50:45,300
person sometimes for years afterwards

1236
00:50:48,829 --> 00:50:47,339
there are a lot of details we could

1237
00:50:51,109 --> 00:50:48,839
discuss maybe during question and

1238
00:50:53,510 --> 00:50:51,119

answers we can in general alien

1239

00:50:56,390 --> 00:50:53,520

propaganda seems designed to promote the

1240

00:50:58,430 --> 00:50:56,400

superiority the proprietary nature and

1241

00:51:00,650 --> 00:50:58,440

the benevolent status of the aliens and

1242

00:51:02,329 --> 00:51:00,660

the subordinate dependent position of

1243

00:51:04,609 --> 00:51:02,339

humanity

1244

00:51:06,470 --> 00:51:04,619

to close I'd like to talk a little very

1245

00:51:10,130 --> 00:51:06,480

quickly about the issue of fantasy

1246

00:51:12,770 --> 00:51:10,140

fantasy refers in in some of its

1247

00:51:15,430 --> 00:51:12,780

um definitions to

1248

00:51:18,170 --> 00:51:15,440

suppositions resting on no Solid Ground

1249

00:51:20,450 --> 00:51:18,180

And I think you can see already we've

1250

00:51:23,569 --> 00:51:20,460

had alien fantasy propagated and

1251
00:51:26,030 --> 00:51:23,579
perpetrated Upon Us in scenarios I think

1252
00:51:28,250 --> 00:51:26,040
more disturbing sometimes is the fact

1253
00:51:30,890 --> 00:51:28,260
that there's come to be such a strong

1254
00:51:33,410 --> 00:51:30,900
element of fantasy or fantastic thinking

1255
00:51:35,569 --> 00:51:33,420
in the abduction research community so

1256
00:51:37,309 --> 00:51:35,579
that we've we've made the mistake of

1257
00:51:40,130 --> 00:51:37,319
basing our theories and ideas and

1258
00:51:42,410 --> 00:51:40,140
responses upon what is essentially alien

1259
00:51:44,750 --> 00:51:42,420
controlled reports from abductees that

1260
00:51:46,970 --> 00:51:44,760
cannot be taken at face value even by

1261
00:51:50,390 --> 00:51:46,980
those of us who go through them these

1262
00:51:54,290 --> 00:51:50,400
have led to Fantastic theories those

1263
00:51:56,270 --> 00:51:54,300

with no basis on solid evidence and you

1264

00:51:57,950 --> 00:51:56,280

and I have heard many many of these

1265

00:52:00,770 --> 00:51:57,960

statements made to the point where it's

1266

00:52:03,170 --> 00:52:00,780

divided the community and into a point

1267

00:52:05,569 --> 00:52:03,180

where we now refer to camps

1268

00:52:06,890 --> 00:52:05,579

of opinions as if the soldiers on one

1269

00:52:08,630 --> 00:52:06,900

side of the field are getting ready to

1270

00:52:10,849 --> 00:52:08,640

take on the soldiers on the other and

1271

00:52:13,309 --> 00:52:10,859

this is not the way it should be

1272

00:52:16,549 --> 00:52:13,319

we base our theories on fantasy and

1273

00:52:20,329 --> 00:52:16,559

we're never going to find the truth

1274

00:52:23,150 --> 00:52:20,339

I wish I could end with this replying to

1275

00:52:24,410 --> 00:52:23,160

one of the statements I consider fantasy

1276
00:52:27,049 --> 00:52:24,420
oriented

1277
00:52:29,510 --> 00:52:27,059
the Aliens Must Be benevolent because

1278
00:52:31,730 --> 00:52:29,520
they have the ability to conquer us and

1279
00:52:34,250 --> 00:52:31,740
they haven't invaded us if they wanted

1280
00:52:35,930 --> 00:52:34,260
to conquer us they could therefore they

1281
00:52:39,230 --> 00:52:35,940
must be our friends

1282
00:52:42,410 --> 00:52:39,240
and my reply first is every time a

1283
00:52:45,589 --> 00:52:42,420
person is inducted there is an invasion

1284
00:52:47,870 --> 00:52:45,599
also please remember there are many more

1285
00:52:51,410 --> 00:52:47,880
sophisticated ways to invade than to use

1286
00:52:54,230 --> 00:52:51,420
men weapons of mass destruction if they

1287
00:52:57,109 --> 00:52:54,240
can control and manipulate the way we

1288
00:52:59,030 --> 00:52:57,119

think the things we see and how we

1289

00:53:02,750 --> 00:52:59,040

emotionally respond they don't need

1290

00:53:08,329 --> 00:53:05,870

I have to bring this to a close and I

1291

00:53:11,690 --> 00:53:08,339

would like to say that we must I think

1292

00:53:13,609 --> 00:53:11,700

get rid of the fantasy element in our

1293

00:53:16,370 --> 00:53:13,619

thinking in this field we have our own

1294

00:53:18,049 --> 00:53:16,380

human needs and desires that that also

1295

00:53:20,470 --> 00:53:18,059

help shape our thinking not just the

1296

00:53:23,150 --> 00:53:20,480

alien Control Data that abductees report

1297

00:53:25,250 --> 00:53:23,160

we do not want this to be a bad

1298

00:53:27,829 --> 00:53:25,260

situation therefore we don't let

1299

00:53:30,290 --> 00:53:27,839

ourselves think it could be we do not

1300

00:53:31,970 --> 00:53:30,300

want to thank our government is involved

1301
00:53:34,190 --> 00:53:31,980
in any way in this because it's too

1302
00:53:36,109 --> 00:53:34,200
frightening the implications are far too

1303
00:53:38,750 --> 00:53:36,119
frightening so we ignore them or deny

1304
00:53:41,270 --> 00:53:38,760
them are rationalize them

1305
00:53:43,130 --> 00:53:41,280
we feel so helpless sometimes to affect

1306
00:53:45,530 --> 00:53:43,140
any change in the abduction scenario

1307
00:53:47,510 --> 00:53:45,540
that we forego focusing on the big

1308
00:53:50,089 --> 00:53:47,520
questions and resign ourselves in effect

1309
00:53:53,089 --> 00:53:50,099
to abduct etherapy

1310
00:53:55,490 --> 00:53:53,099
which of course is necessary but it's

1311
00:53:57,589 --> 00:53:55,500
not abduction research

1312
00:53:59,990 --> 00:53:57,599
the point is not so much learning how to

1313
00:54:01,730 --> 00:54:00,000

live with a situation as it is finding

1314

00:54:05,329 --> 00:54:01,740

answers to the questions of who and

1315

00:54:07,790 --> 00:54:05,339

Truth these beings are why they're here

1316

00:54:09,829 --> 00:54:07,800

what technology they possess that allows

1317

00:54:11,750 --> 00:54:09,839

them to implant and control is to clone

1318

00:54:13,250 --> 00:54:11,760

our bodies to harvest our energy and our

1319

00:54:14,809 --> 00:54:13,260

physical material

1320

00:54:16,970 --> 00:54:14,819

and to find out what our government

1321

00:54:20,329 --> 00:54:16,980

knows about this agenda and what it may

1322

00:54:22,490 --> 00:54:20,339

be trying to do about it and why part of

1323

00:54:25,370 --> 00:54:22,500

that involves intimidating surveilling

1324

00:54:28,309 --> 00:54:25,380

and even abducting abductees

1325

00:54:30,230 --> 00:54:28,319

I think these are the ideas now in 25th

1326

00:54:32,270 --> 00:54:30,240

year anniversary of move fund when we

1327

00:54:33,950 --> 00:54:32,280

have to look forward to where ufology

1328

00:54:36,109 --> 00:54:33,960

should go in the field of abduction

1329

00:54:38,089 --> 00:54:36,119

research these are the areas that I

1330

00:54:40,309 --> 00:54:38,099

would Advocate we concentrate our

1331

00:54:43,069 --> 00:54:40,319

energies in spite of whatever wishes

1332

00:54:45,770 --> 00:54:43,079

fears and prejudices we bring into this

1333

00:54:47,030 --> 00:54:45,780

there is no room for Fantasy in our

1334

00:54:49,430 --> 00:54:47,040

thinking about the potential
