

# ALIEN BASE

EARTH'S  
ENCOUNTERS WITH  
EXTRATERRESTRIALS

# TIMOTHY GOOD

# SOUNDS FROM ANOTHER ROOM

1  
00:00:06,289 --> 00:00:03,070  
now we've had numerous accounts

2  
00:00:08,150 --> 00:00:06,299  
throughout the book alien base where

3  
00:00:10,870 --> 00:00:08,160  
people have come forward and claim to

4  
00:00:14,330 --> 00:00:10,880  
have spoken interacted if you will with

5  
00:00:16,490 --> 00:00:14,340  
extraterrestrials but none more uh

6  
00:00:19,010 --> 00:00:16,500  
fantastic I suppose

7  
00:00:21,529 --> 00:00:19,020  
um than a certain gentleman who was a

8  
00:00:24,290 --> 00:00:21,539  
former Equity to the queen yeah right

9  
00:00:26,509 --> 00:00:24,300  
absolutely Air Marshal sapita Horsley I

10  
00:00:29,210 --> 00:00:26,519  
mean this is an incredible story but

11  
00:00:31,730 --> 00:00:29,220  
you know someone like that who is so

12  
00:00:34,010 --> 00:00:31,740  
credible I interviewed him he must have

13  
00:00:35,630 --> 00:00:34,020

been very highly vetted to get the job

14

00:00:37,010 --> 00:00:35,640

of equity to the queen and Prince Philip

15

00:00:38,090 --> 00:00:37,020

he's flown 90 different types of

16

00:00:40,670 --> 00:00:38,100

aircraft

17

00:00:42,709 --> 00:00:40,680

from the Spitfire to the Vulcan bomber

18

00:00:44,389 --> 00:00:42,719

Deputy Chief of strike command for

19

00:00:46,910 --> 00:00:44,399

heaven's sakes you can't get much higher

20

00:00:48,529 --> 00:00:46,920

than that and here's a man who insists

21

00:00:50,930 --> 00:00:48,539

that he met an apparently

22

00:00:53,630 --> 00:00:50,940

extraterrestrial human being with whom

23

00:00:55,910 --> 00:00:53,640

he was who was able to read his mind he

24

00:00:57,529 --> 00:00:55,920

didn't have to formulate

25

00:00:59,450 --> 00:00:57,539

um his questions

26

00:01:01,850 --> 00:00:59,460

with his voice the questions were

27

00:01:04,130 --> 00:01:01,860

answered for him how can we discount

28

00:01:06,710 --> 00:01:04,140

dismiss stories like that we can dismiss

29

00:01:08,210 --> 00:01:06,720

Adam's skin Mentor if you like but I

30

00:01:11,450 --> 00:01:08,220

don't think we can dismiss someone like

31

00:01:13,910 --> 00:01:11,460

him one obvious question Services he's

32

00:01:15,530 --> 00:01:13,920

talking about extraordinary events from

33

00:01:18,770 --> 00:01:15,540

the mid 50s

34

00:01:20,870 --> 00:01:18,780

it's taken him the best part of 45 years

35

00:01:22,910 --> 00:01:20,880

to come forward albeit through his

36

00:01:24,830 --> 00:01:22,920

autobiography

37

00:01:27,230 --> 00:01:24,840

um to recount these details

38

00:01:29,810 --> 00:01:27,240

what explanation did he give you when

39

00:01:31,910 --> 00:01:29,820

you personally interviewed the man well

40

00:01:34,249 --> 00:01:31,920

first of all

41

00:01:36,469 --> 00:01:34,259

he didn't give me an explanation and I

42

00:01:38,270 --> 00:01:36,479

didn't ask him I only I said to him it's

43

00:01:39,950 --> 00:01:38,280

very brave of you to come out with this

44

00:01:41,929 --> 00:01:39,960

story so Peter and he said it's not

45

00:01:44,630 --> 00:01:41,939

brave it I simply recount what happened

46

00:01:46,249 --> 00:01:44,640

but I am assuming I didn't feel the need

47

00:01:48,170 --> 00:01:46,259

to answer the question I am assuming

48

00:01:50,210 --> 00:01:48,180

that there's no way he could have come

49

00:01:53,030 --> 00:01:50,220

out with that story publicly when he was

50

00:01:55,010 --> 00:01:53,040

serving you know at Buckingham Palace

51  
00:01:57,170 --> 00:01:55,020  
there's no way he could have come out

52  
00:01:59,090 --> 00:01:57,180  
with such a story while acting as Deputy

53  
00:02:01,010 --> 00:01:59,100  
Chief of strike command or flying Vulcan

54  
00:02:03,109 --> 00:02:01,020  
bombers for heaven's sakes so it's only

55  
00:02:04,609 --> 00:02:03,119  
in his retirement but he's felt give

56  
00:02:06,709 --> 00:02:04,619  
felt the freedom to come forward but

57  
00:02:09,169 --> 00:02:06,719  
even so I mean assuming for instance

58  
00:02:11,990 --> 00:02:09,179  
that the man retired at 60 or indeed 65

59  
00:02:13,670 --> 00:02:12,000  
we're still talking about 15 to 20 years

60  
00:02:15,650 --> 00:02:13,680  
for him to impart that information

61  
00:02:17,869 --> 00:02:15,660  
wasn't that strike you as odd well to

62  
00:02:19,790 --> 00:02:17,879  
impart it publicly it doesn't strike me

63  
00:02:21,050 --> 00:02:19,800

as odd no I've come across many other

64

00:02:22,910 --> 00:02:21,060

people

65

00:02:26,210 --> 00:02:22,920

um even the contactee whom I refer to as

66

00:02:28,369 --> 00:02:26,220

Joel whom I've known since 1952 didn't

67

00:02:30,229 --> 00:02:28,379

even want me to write up a story after

68

00:02:32,330 --> 00:02:30,239

her death and she died a few years ago

69

00:02:34,970 --> 00:02:32,340

so in a certain sense I'm acting against

70

00:02:36,530 --> 00:02:34,980

her her last mission in his career when

71

00:02:39,790 --> 00:02:36,540

he was a young worker at Buckingham

72

00:02:42,790 --> 00:02:39,800

Palace he became interested in UFOs

73

00:02:45,610 --> 00:02:42,800

I was working in the palace at the time

74

00:02:49,809 --> 00:02:45,620

and we all discussed it

75

00:02:53,150 --> 00:02:49,819

Prince Philip uh General Browning we all

76

00:02:56,449 --> 00:02:53,160

discussed it sometimes jokingly some

77

00:02:58,490 --> 00:02:56,459

quite seriously and I think Prince

78

00:03:01,630 --> 00:02:58,500

Philip was very open-minded about the

79

00:03:04,850 --> 00:03:01,640

house subject and I suggested one day

80

00:03:06,430 --> 00:03:04,860

that I should do a little research into

81

00:03:09,050 --> 00:03:06,440

it

82

00:03:11,210 --> 00:03:09,060

he was absolutely fine he said don't

83

00:03:13,490 --> 00:03:11,220

bring in a adverse publicity on the
