

1  
00:00:06,170 --> 00:00:03,830  
prior to 1990 I read I led a relatively

2  
00:00:08,030 --> 00:00:06,180  
normal life which is minding my own

3  
00:00:09,910 --> 00:00:08,040  
business teaching accounting courses

4  
00:00:13,070 --> 00:00:09,920  
visit our local University

5  
00:00:14,930 --> 00:00:13,080  
and I was a certified public accountant

6  
00:00:17,330 --> 00:00:14,940  
not practicing at the time but just

7  
00:00:20,269 --> 00:00:17,340  
teaching accounting courses had two very

8  
00:00:22,090 --> 00:00:20,279  
active teenage daughters happily married

9  
00:00:28,189 --> 00:00:22,100  
and

10  
00:00:30,109 --> 00:00:28,199  
activities

11  
00:00:34,630 --> 00:00:30,119  
never really thought about the UFO

12  
00:00:36,650 --> 00:00:34,640  
subject until July of 1990. I took a

13  
00:00:39,410 --> 00:00:36,660

weekend's break and went up to my

14

00:00:42,889 --> 00:00:39,420

parents house for a visit and my mother

15

00:00:45,950 --> 00:00:42,899

and I were were sitting at her kitchen

16

00:00:48,650 --> 00:00:45,960

table just eating breakfast and talking

17

00:00:51,290 --> 00:00:48,660

about everyday things when my mother

18

00:00:53,750 --> 00:00:51,300

read an article in the newspaper her

19

00:00:55,610 --> 00:00:53,760

local newspaper that stated that the

20

00:00:57,650 --> 00:00:55,620

Russian government had just admitted the

21

00:00:59,630 --> 00:00:57,660

existence of UFOs

22

00:01:01,869 --> 00:00:59,640

and

23

00:01:04,549 --> 00:01:01,879

we started talking about whether

24

00:01:07,370 --> 00:01:04,559

extraterrestrials could exist and my

25

00:01:09,649 --> 00:01:07,380

mother said that she just didn't believe

26

00:01:13,670 --> 00:01:09,659

that there were any entities other than

27

00:01:16,490 --> 00:01:13,680

us and I started debating the issue and

28

00:01:18,590 --> 00:01:16,500

then I remembered that my brother and a

29

00:01:21,649 --> 00:01:18,600

friend and I saw

30

00:01:22,670 --> 00:01:21,659

uh spacecraft when we when we were all

31

00:01:25,249 --> 00:01:22,680

children

32

00:01:27,890 --> 00:01:25,259

and I asked my mother if she if she

33

00:01:31,730 --> 00:01:27,900

remembered that day and

34

00:01:33,289 --> 00:01:31,740

and I told and she said yeah I do but I

35

00:01:35,149 --> 00:01:33,299

think probably what you saw was a

36

00:01:37,370 --> 00:01:35,159

weather balloon or a satellite or

37

00:01:40,550 --> 00:01:37,380

something like that well my mother

38

00:01:42,170 --> 00:01:40,560

didn't see the object so she said well

39

00:01:44,990 --> 00:01:42,180

your brother's coming over for a visit

40

00:01:47,030 --> 00:01:45,000

in a little while I'll just ask him if

41

00:01:49,670 --> 00:01:47,040

if he remembers seeing anything that day

42

00:01:54,289 --> 00:01:49,680

well my brother soon came into the

43

00:01:56,929 --> 00:01:54,299

kitchen too and I I said to him Seth do

44

00:01:58,670 --> 00:01:56,939

you remember seeing that object that we

45

00:02:00,950 --> 00:01:58,680

thought was a flying saucer when we were

46

00:02:04,010 --> 00:02:00,960

kids and he said oh yeah how could I

47

00:02:05,690 --> 00:02:04,020

ever forget that and so I asked him what

48

00:02:07,249 --> 00:02:05,700

he remembered about that day and he

49

00:02:09,650 --> 00:02:07,259

remembered the same thing I did he

50

00:02:12,589 --> 00:02:09,660

remembered seeing an object that was

51  
00:02:15,170 --> 00:02:12,599  
silver in color spherical in shape

52  
00:02:17,270 --> 00:02:15,180  
it was sitting stationary in the sky to

53  
00:02:19,610 --> 00:02:17,280  
the north of us

54  
00:02:22,490 --> 00:02:19,620  
and it sat there for a long time in the

55  
00:02:25,070 --> 00:02:22,500  
in was in the afternoon the sky was blue

56  
00:02:26,869 --> 00:02:25,080  
white clouds and sunny day and every

57  
00:02:28,850 --> 00:02:26,879  
once in a while the sun would shine on

58  
00:02:31,970 --> 00:02:28,860  
objects such that

59  
00:02:34,729 --> 00:02:31,980  
it it looked bluish sometimes bluish in

60  
00:02:38,809 --> 00:02:34,739  
color most the time silver we watched it

61  
00:02:41,330 --> 00:02:38,819  
for a long time and then it looked as if

62  
00:02:42,890 --> 00:02:41,340  
it floated down into the woods nearby to

63  
00:02:44,690 --> 00:02:42,900

out to the east

64

00:02:49,670 --> 00:02:44,700

and

65

00:02:51,530 --> 00:02:49,680

thought that we would like to see if it

66

00:02:53,990 --> 00:02:51,540

was a spaceship we called them flying

67

00:02:55,250 --> 00:02:54,000

saucers back then it was a long time ago

68

00:02:57,229 --> 00:02:55,260

but

69

00:02:58,610 --> 00:02:57,239

we went into the woods looking for the

70

00:03:02,290 --> 00:02:58,620

object and came back out very

71

00:03:06,229 --> 00:03:02,300

disappointed that we hadn't found it

72

00:03:08,330 --> 00:03:06,239

when I remembered this incident in 1990

73

00:03:10,130 --> 00:03:08,340

my brother and I commented on how

74

00:03:12,649 --> 00:03:10,140

unusual it was how strange it was that

75

00:03:14,570 --> 00:03:12,659

we never talked about it for 30 years we

76

00:03:16,850 --> 00:03:14,580

never talked about that incident yet

77

00:03:19,490 --> 00:03:16,860

looking back it seemed to be one of the

78

00:03:23,570 --> 00:03:19,500

most important days in our lives

79

00:03:29,570 --> 00:03:27,290

then I I asked my brother if he thought

80

00:03:32,990 --> 00:03:29,580

what we had seen that day really was a

81

00:03:35,149 --> 00:03:33,000

spaceship and he said yes and I said why

82

00:03:38,110 --> 00:03:35,159

do you think so and he said well I've

83

00:03:40,970 --> 00:03:38,120

seen quite a few TV shows about

84

00:03:43,130 --> 00:03:40,980

spaceships and extraterrestrials and

85

00:03:45,110 --> 00:03:43,140

seen a lot of well read a lot of books

86

00:03:46,910 --> 00:03:45,120

on the subject and he said in fact I've

87

00:03:48,130 --> 00:03:46,920

seen some talk shows wherein there are

88

00:03:50,630 --> 00:03:48,140

people

89

00:03:53,869 --> 00:03:50,640

climbed to have been abducted

90

00:03:56,449 --> 00:03:53,879

and he said in some cases they remember

91

00:03:58,309 --> 00:03:56,459

the incidents as dreams

92

00:04:00,949 --> 00:03:58,319

but then they undergo hypnotic

93

00:04:04,369 --> 00:04:00,959

regression and they just they discovered

94

00:04:05,930 --> 00:04:04,379

that the incident was real and that

95

00:04:09,949 --> 00:04:05,940

there are more details they remember

96

00:04:12,830 --> 00:04:09,959

under hypnosis that they could not

97

00:04:14,449 --> 00:04:12,840

remember consciously when he said the

98

00:04:16,430 --> 00:04:14,459

word dream

99

00:04:19,430 --> 00:04:16,440

I remembered an incident that occurred

100

00:04:22,370 --> 00:04:19,440

to me in the late 70s or early 80s I

101  
00:04:24,830 --> 00:04:22,380  
lived in Florence Alabama at that time

102  
00:04:29,990 --> 00:04:24,840  
and

103  
00:04:33,230 --> 00:04:30,000  
the kitchen to get a drink of water

104  
00:04:36,469 --> 00:04:33,240  
and remembered that during the night I

105  
00:04:38,689 --> 00:04:36,479  
had been aboard spacecraft how I knew it

106  
00:04:41,210 --> 00:04:38,699  
was a spacecraft I I don't know I didn't

107  
00:04:43,550 --> 00:04:41,220  
know then how I I knew that but I knew

108  
00:04:47,210 --> 00:04:43,560  
that I was in a round room that was

109  
00:04:49,370 --> 00:04:47,220  
extremely bright and I remembered chalky

110  
00:04:52,150 --> 00:04:49,380  
colored creatures with big huge black

111  
00:04:54,950 --> 00:04:52,160  
almond shaped eyes

112  
00:04:55,969 --> 00:04:54,960  
performing medical procedures on me I

113  
00:04:57,290 --> 00:04:55,979

couldn't remember what kind of

114

00:04:59,350 --> 00:04:57,300

procedures they performed I just

115

00:05:00,890 --> 00:04:59,360

remembered that it was done

116

00:05:02,930 --> 00:05:00,900

and

117

00:05:04,790 --> 00:05:02,940

when I remembered that

118

00:05:06,590 --> 00:05:04,800

I thought well wait a minute you know

119

00:05:09,770 --> 00:05:06,600

this had to have been a dream there's no

120

00:05:11,150 --> 00:05:09,780

way in the world that entities could get

121

00:05:13,730 --> 00:05:11,160

in the house

122

00:05:15,050 --> 00:05:13,740

and there's no way that a spaceship

123

00:05:16,610 --> 00:05:15,060

could get in the neighborhood without

124

00:05:18,650 --> 00:05:16,620

all the neighbors seeing it and there's

125

00:05:20,629 --> 00:05:18,660

no way that I could have gotten

126

00:05:23,390 --> 00:05:20,639

out of the bedroom without my husband

127

00:05:25,909 --> 00:05:23,400

waking up and and discovering my being

128

00:05:27,170 --> 00:05:25,919

gone so this could not have happened it

129

00:05:29,870 --> 00:05:27,180

had to have been a dream there's no

130

00:05:32,390 --> 00:05:29,880

other logical explanation for it

131

00:05:34,550 --> 00:05:32,400

I never heard about abductions back then

132

00:05:35,510 --> 00:05:34,560

in 70s or 80s so I didn't know they

133

00:05:37,249 --> 00:05:35,520

occurred

134

00:05:40,189 --> 00:05:37,259

so

135

00:05:42,110 --> 00:05:40,199

then I said to myself though but why

136

00:05:43,969 --> 00:05:42,120

does this seem so real it didn't seem

137

00:05:46,129 --> 00:05:43,979

like a dream it seemed that I was really

138

00:05:48,050 --> 00:05:46,139

there in this round room with entities

139

00:05:49,969 --> 00:05:48,060

All Around Me performing medical exam

140

00:05:52,010 --> 00:05:49,979

why does it seem so real

141

00:05:55,010 --> 00:05:52,020

if it wasn't but then I thought again

142

00:05:57,290 --> 00:05:55,020

well no it can't be real it's impossible

143

00:05:59,749 --> 00:05:57,300

things like this just don't happen

144

00:06:01,010 --> 00:05:59,759

and then I thought well the entities

145

00:06:02,870 --> 00:06:01,020

couldn't get into the house all the

146

00:06:04,370 --> 00:06:02,880

doors and windows are locked and then I

147

00:06:06,590 --> 00:06:04,380

thought well they are locked aren't they

148

00:06:09,710 --> 00:06:06,600

you know just maybe this did happen and

149

00:06:11,090 --> 00:06:09,720

a door window wasn't a lot so I walked

150

00:06:13,249 --> 00:06:11,100

around the house and and physically

151

00:06:16,189 --> 00:06:13,259

checked all the doors and windows and

152

00:06:19,070 --> 00:06:16,199

they were indeed locked so I told myself

153

00:06:20,270 --> 00:06:19,080

that it had to have been a dream it's

154

00:06:21,529 --> 00:06:20,280

the only thing it could have been that

155

00:06:23,749 --> 00:06:21,539

things like that just couldn't happen

156

00:06:26,210 --> 00:06:23,759

and I convinced myself that it was a

157

00:06:29,570 --> 00:06:26,220

dream and was able to forget about it

158

00:06:31,129 --> 00:06:29,580

until July 1990 when my husband when my

159

00:06:33,050 --> 00:06:31,139

brother and I had this conversation at

160

00:06:35,990 --> 00:06:33,060

my parents kitchen table

161

00:06:37,550 --> 00:06:36,000

and I sat there for a few minutes trying

162

00:06:40,129 --> 00:06:37,560

to decide whether I should tell my

163

00:06:42,290 --> 00:06:40,139

brother about this dream or not

164

00:06:44,150 --> 00:06:42,300

and it finally mustered up the curry to

165

00:06:47,150 --> 00:06:44,160

do so

166

00:06:49,969 --> 00:06:47,160

I don't know why I hesitated you know if

167

00:06:54,469 --> 00:06:49,979

it had been just a dream why should I

168

00:06:56,150 --> 00:06:54,479

have hesitated to tell anyone about it

169

00:06:59,090 --> 00:06:56,160

but there there was always something

170

00:07:01,550 --> 00:06:59,100

about that that felt real

171

00:07:04,430 --> 00:07:01,560

finally I did muster of the courage to

172

00:07:07,610 --> 00:07:04,440

tell my brother about the dream and and

173

00:07:10,129 --> 00:07:07,620

as I told him about it

174

00:07:13,010 --> 00:07:10,139

I noticed that my mother was turning

175

00:07:15,290 --> 00:07:13,020

white as a ghost and the more I spoke

176

00:07:18,830 --> 00:07:15,300

The Wider she turned and had a shock

177

00:07:21,710 --> 00:07:18,840

expression on her face and my brothers I

178

00:07:24,110 --> 00:07:21,720

felt caught up and he kind of got a

179

00:07:25,969 --> 00:07:24,120

crooked smile on his face

180

00:07:27,589 --> 00:07:25,979

and

181

00:07:29,689 --> 00:07:27,599

um

182

00:07:32,150 --> 00:07:29,699

finally I said to them why why are you

183

00:07:34,909 --> 00:07:32,160

two looking at me like that do you think

184

00:07:36,409 --> 00:07:34,919

I've gone crazy what what does this

185

00:07:39,529 --> 00:07:36,419

expression mean

186

00:07:42,950 --> 00:07:39,539

my mother didn't answer and my brother

187

00:07:45,230 --> 00:07:42,960

finally said well you know we read

188

00:07:48,350 --> 00:07:45,240

communion and what you're describing

189

00:07:50,330 --> 00:07:48,360

here is just like what we've read and he

190

00:07:54,050 --> 00:07:50,340

said what you're describing is what I've

191

00:07:55,969 --> 00:07:54,060

heard people talk about on TV he said I

192

00:07:59,210 --> 00:07:55,979

don't think what happened to you was a

193

00:08:02,210 --> 00:07:59,220

dream it sounds real to me

194

00:08:04,490 --> 00:08:02,220

well I started thinking about that

195

00:08:07,370 --> 00:08:04,500

and

196

00:08:09,409 --> 00:08:07,380

told my brother that I had to find out

197

00:08:12,469 --> 00:08:09,419

whether the incident was real or a dream

198

00:08:14,870 --> 00:08:12,479

I had to know I just had to know my

199

00:08:16,969 --> 00:08:14,880

mother begged me to drop drop the idea

200

00:08:19,010 --> 00:08:16,979

not to pursue

201  
00:08:20,089 --> 00:08:19,020  
finding out whether it was a dream or

202  
00:08:22,369 --> 00:08:20,099  
not

203  
00:08:24,790 --> 00:08:22,379  
and

204  
00:08:28,309 --> 00:08:24,800  
I went back home

205  
00:08:31,070 --> 00:08:28,319  
I lived in Mississippi at the time and

206  
00:08:33,050 --> 00:08:31,080  
came back home and decided that I would

207  
00:08:36,050 --> 00:08:33,060  
take my mother's advice that I would

208  
00:08:38,570 --> 00:08:36,060  
just not worry with pursuing the idea of

209  
00:08:40,969 --> 00:08:38,580  
whether this was real or not

210  
00:08:43,310 --> 00:08:40,979  
besides I was too busy to mess with it

211  
00:08:45,110 --> 00:08:43,320  
at the time I thought I was attending

212  
00:08:46,850 --> 00:08:45,120  
graduate school working on my Master's

213  
00:08:50,329 --> 00:08:46,860

in Business Administration working

214

00:08:53,090 --> 00:08:50,339

full-time had two active teenagers and

215

00:08:55,790 --> 00:08:53,100

was and just started having a house

216

00:09:00,710 --> 00:08:55,800

built so I didn't have time to mess with

217

00:09:02,389 --> 00:09:00,720

nonsense like that I thought but

218

00:09:04,550 --> 00:09:02,399

all of a sudden

219

00:09:09,230 --> 00:09:04,560

the idea

220

00:09:12,829 --> 00:09:09,240

of of the of my having been abducted of

221

00:09:14,509 --> 00:09:12,839

this incident having been real

222

00:09:16,790 --> 00:09:14,519

um

223

00:09:20,329 --> 00:09:16,800

these ideas just wouldn't go out of my

224

00:09:23,210 --> 00:09:20,339

head and to make it worse I started

225

00:09:24,829 --> 00:09:23,220

having flashbacks of seeing these chalky

226

00:09:27,170 --> 00:09:24,839

colored creatures with big black eyes

227

00:09:28,910 --> 00:09:27,180

every time I would look in the mirror to

228

00:09:31,850 --> 00:09:28,920

put on my makeup or brush my hair or

229

00:09:34,190 --> 00:09:31,860

brush my teeth I would see visions of

230

00:09:35,810 --> 00:09:34,200

these entities staring back at me and I

231

00:09:38,570 --> 00:09:35,820

couldn't get it out of my head

232

00:09:40,550 --> 00:09:38,580

and I started being afraid I thought you

233

00:09:42,110 --> 00:09:40,560

know if this happened to me if it really

234

00:09:45,430 --> 00:09:42,120

did happen to me what if it happens

235

00:09:47,990 --> 00:09:45,440

again what if they come back

236

00:09:50,150 --> 00:09:48,000

what if they're hiding in my house when

237

00:09:51,710 --> 00:09:50,160

I go to bed at night and I got scared I

238

00:09:53,750 --> 00:09:51,720

started looking under the beds and in

239

00:09:55,670 --> 00:09:53,760

the closets and all the rooms before I

240

00:09:57,170 --> 00:09:55,680

go to bed at night

241

00:09:59,210 --> 00:09:57,180

but on the other hand I would tell

242

00:10:00,829 --> 00:09:59,220

myself well you know if it did happen if

243

00:10:03,590 --> 00:10:00,839

it was real you're okay there's nothing

244

00:10:06,070 --> 00:10:03,600

wrong they didn't hurt you so my

245

00:10:10,610 --> 00:10:06,080

curiosity overweighed my fear

246

00:10:14,990 --> 00:10:10,620

and I decided that I I had to find out

247

00:10:18,050 --> 00:10:15,710

um

248

00:10:20,509 --> 00:10:18,060

I put it off for a while

249

00:10:22,190 --> 00:10:20,519

and then finally I called my brother and

250

00:10:23,509 --> 00:10:22,200

asked him if if he could give me the

251

00:10:26,329 --> 00:10:23,519

name of someone who could help me

252

00:10:28,850 --> 00:10:26,339

determine whether my so-called dream was

253

00:10:30,769 --> 00:10:28,860

actually a dream or a real event he put

254

00:10:33,590 --> 00:10:30,779

me in touch with Bud Hopkins he gave me

255

00:10:37,009 --> 00:10:33,600

bud Hopkins name and address I wrote to

256

00:10:39,829 --> 00:10:37,019

Bud and it it was several months before

257

00:10:43,310 --> 00:10:39,839

I got a response

258

00:10:45,470 --> 00:10:43,320

um in the meantime in the meantime I

259

00:10:48,110 --> 00:10:45,480

started I noticed some odd things

260

00:10:51,769 --> 00:10:48,120

started happening to me I started being

261

00:10:54,290 --> 00:10:51,779

followed by cars white sedans dark blue

262

00:10:56,090 --> 00:10:54,300

sedans sometimes it seemed that cars

263

00:10:57,110 --> 00:10:56,100

were following me that were of other

264

00:11:00,410 --> 00:10:57,120

colors

265

00:11:02,389 --> 00:11:00,420

and unnerved me somewhat I didn't know

266

00:11:04,790 --> 00:11:02,399

why all of a sudden I was being followed

267

00:11:07,130 --> 00:11:04,800

I noticed that I started having odd

268

00:11:09,829 --> 00:11:07,140

noises on my telephone sometimes music

269

00:11:17,569 --> 00:11:09,839

sometimes

270

00:11:20,290 --> 00:11:17,579

if a cassette tape were winding around

271

00:11:22,790 --> 00:11:20,300

in uh cassette recorder

272

00:11:23,630 --> 00:11:22,800

sometimes I would hear voices Over The

273

00:11:25,970 --> 00:11:23,640

Line

274

00:11:26,930 --> 00:11:25,980

I never had those things occur before I

275

00:11:29,870 --> 00:11:26,940

wrote

276

00:11:31,850 --> 00:11:29,880  
to Bud Hopkins asking for help

277

00:11:32,750 --> 00:11:31,860  
and

278

00:11:35,509 --> 00:11:32,760  
um

279

00:11:38,210 --> 00:11:35,519  
I never had these things happen before I

280

00:11:40,430 --> 00:11:38,220  
discussed this possible abduction with

281

00:11:42,350 --> 00:11:40,440  
anyone I discussed it with a couple of

282

00:11:45,050 --> 00:11:42,360  
other people in addition to riding Bud

283

00:11:46,430 --> 00:11:45,060  
Hopkins a letter

284

00:11:47,810 --> 00:11:46,440  
um another thing that happened to me

285

00:11:49,370 --> 00:11:47,820  
that I thought was very odd is I came

286

00:11:51,170 --> 00:11:49,380  
home from work one day and and

287

00:11:53,030 --> 00:11:51,180  
discovered that the locks on the

288

00:11:55,370 --> 00:11:53,040

exterior doors were loose

289

00:11:57,050 --> 00:11:55,380

that upset me somewhat and I couldn't

290

00:11:59,870 --> 00:11:57,060

understand why these things started

291

00:12:03,350 --> 00:11:59,880

happening all of a sudden when I decided

292

00:12:07,069 --> 00:12:03,360

to examine the possibility of my

293

00:12:10,250 --> 00:12:07,079

so-called dream being a real event

294

00:12:14,509 --> 00:12:10,260

another odd thing that happened was in

295

00:12:18,949 --> 00:12:14,519

October of 1990

296

00:12:20,650 --> 00:12:18,959

I had I woke up one morning above my bed

297

00:12:23,640 --> 00:12:20,660

not in it

298

00:12:25,310 --> 00:12:23,650

and I

299

00:12:27,949 --> 00:12:25,320

[Music]

300

00:12:30,110 --> 00:12:27,959

I felt that I was awake that it was

301  
00:12:31,610 --> 00:12:30,120  
really something that happened

302  
00:12:34,610 --> 00:12:31,620  
that

303  
00:12:36,889 --> 00:12:34,620  
it wasn't a dream but I I had no

304  
00:12:38,930 --> 00:12:36,899  
explanation for it I I also remember

305  
00:12:43,550 --> 00:12:38,940  
being in a beam of light I was lying

306  
00:12:45,290 --> 00:12:43,560  
horizontally in a in a beam of light

307  
00:12:47,150 --> 00:12:45,300  
but after it happened I thought I

308  
00:12:49,009 --> 00:12:47,160  
thought this is weird something's wrong

309  
00:12:51,110 --> 00:12:49,019  
with me I'm going crazy things like this

310  
00:12:53,090 --> 00:12:51,120  
just can't happen not too long after

311  
00:12:55,250 --> 00:12:53,100  
that I got some information from Bud

312  
00:12:58,610 --> 00:12:55,260  
Hopkins

313  
00:13:00,050 --> 00:12:58,620

um there there was one article that or

314

00:13:05,509 --> 00:13:00,060

one

315

00:13:09,110 --> 00:13:05,519

that talked about the pros and cons of

316

00:13:12,530 --> 00:13:09,120

hypnotic regression to examine whether a

317

00:13:14,329 --> 00:13:12,540

person has had alien abductions or not

318

00:13:16,730 --> 00:13:14,339

and then there was an another little

319

00:13:18,650 --> 00:13:16,740

bulletin that he sent that seemed to be

320

00:13:21,410 --> 00:13:18,660

a series of Articles written by

321

00:13:24,590 --> 00:13:21,420

researchers I tossed that one aside and

322

00:13:27,050 --> 00:13:24,600

didn't read it immediately and

323

00:13:29,690 --> 00:13:27,060

uh it was a couple of months later that

324

00:13:32,389 --> 00:13:29,700

I finally read it and when I did read it

325

00:13:35,030 --> 00:13:32,399

I noticed an article in there about an

326

00:13:37,790 --> 00:13:35,040

abductee an alien abductee

327

00:13:40,250 --> 00:13:37,800

lying above her bed

328

00:13:43,310 --> 00:13:40,260

and dropping down

329

00:13:46,430 --> 00:13:43,320

onto onto her waterbed and when I read

330

00:13:48,230 --> 00:13:46,440

that I just about went berserk because I

331

00:13:50,930 --> 00:13:48,240

thought gosh this woman is an alien

332

00:13:54,110 --> 00:13:50,940

abductee and she's had an encounter like

333

00:13:56,210 --> 00:13:54,120

experience I remembered a couple of

334

00:13:58,490 --> 00:13:56,220

months ago and that was a straw that

335

00:14:00,949 --> 00:13:58,500

broke the camel's back when I read that

336

00:14:03,050 --> 00:14:00,959

article and realized that somebody

337

00:14:05,269 --> 00:14:03,060

besides myself was hovering above the

338

00:14:06,769 --> 00:14:05,279

bed I had to at that point in front in

339

00:14:09,650 --> 00:14:06,779

time find out whether I had actually

340

00:14:11,569 --> 00:14:09,660

been abducted by aliens or not

341

00:14:13,550 --> 00:14:11,579

so

342

00:14:15,290 --> 00:14:13,560

um I noticed at the top of the

343

00:14:17,990 --> 00:14:15,300

information Bud Hopkins sent me there

344

00:14:20,449 --> 00:14:18,000

was a name address and phone number of a

345

00:14:23,990 --> 00:14:20,459

researcher that bud Hopkins told me to

346

00:14:27,530 --> 00:14:24,000

get in touch with in his note and

347

00:14:30,710 --> 00:14:27,540

the man's name was John Carpenter he he

348

00:14:33,769 --> 00:14:30,720

is now the director of abduction

349

00:14:36,290 --> 00:14:33,779

research for the mutual UFO Network and

350

00:14:37,850 --> 00:14:36,300

I I called him

351

00:14:41,269 --> 00:14:37,860

and

352

00:14:43,009 --> 00:14:41,279

told him what I've I've just said told

353

00:14:45,350 --> 00:14:43,019

him everything that had happened to me

354

00:14:47,750 --> 00:14:45,360

that I remembered and asked him if he

355

00:14:51,290 --> 00:14:47,760

could help me find out whether or not I

356

00:14:53,030 --> 00:14:51,300

this incident I recalled was a dream or

357

00:14:55,370 --> 00:14:53,040

whether it was a real event or whether I

358

00:14:57,470 --> 00:14:55,380

was just going crazy when I found out he

359

00:15:00,590 --> 00:14:57,480

was a psychotherapist

360

00:15:03,230 --> 00:15:00,600

that convinced me that that I should go

361

00:15:06,050 --> 00:15:03,240

see him I really thought that perhaps I

362

00:15:07,910 --> 00:15:06,060

I had gone insane that I was having all

363

00:15:09,230 --> 00:15:07,920

these weird flashbacks of alien

364

00:15:11,329 --> 00:15:09,240  
creatures and

365

00:15:13,430 --> 00:15:11,339  
and I thought maybe

366

00:15:15,650 --> 00:15:13,440  
maybe I'm just paranoid about people

367

00:15:17,449 --> 00:15:15,660  
following me so I thought maybe I was

368

00:15:20,389 --> 00:15:17,459  
crazy whatever the answer was I wanted

369

00:15:21,829 --> 00:15:20,399  
to find out whether my incident I recall

370

00:15:24,170 --> 00:15:21,839  
was a dream or whether it was a real

371

00:15:26,329 --> 00:15:24,180  
event or whether I was going crazy I

372

00:15:27,650 --> 00:15:26,339  
wanted to know so I could deal with the

373

00:15:30,530 --> 00:15:27,660  
problem

374

00:15:32,750 --> 00:15:30,540  
as it needed to be dealt with

375

00:15:34,189 --> 00:15:32,760  
so

376

00:15:35,990 --> 00:15:34,199

um

377

00:15:39,710 --> 00:15:36,000

so I made an appointment with John

378

00:15:42,110 --> 00:15:39,720

Carpenter to uh to go to him for

379

00:15:44,449 --> 00:15:42,120

hypnotic regression set up an

380

00:15:46,850 --> 00:15:44,459

appointment the the first one in March

381

00:15:50,689 --> 00:15:46,860

1991.

382

00:15:52,970 --> 00:15:50,699

my brother rode to Missouri with me rode

383

00:15:55,189 --> 00:15:52,980

to Springfield Missouri with me

384

00:15:56,629 --> 00:15:55,199

and I

385

00:16:00,170 --> 00:15:56,639

on my first visit to Springfield

386

00:16:02,750 --> 00:16:00,180

Missouri had two hypnosis sessions

387

00:16:06,110 --> 00:16:02,760

in the first session

388

00:16:08,389 --> 00:16:06,120

I examined the memory of the childhood

389

00:16:10,610 --> 00:16:08,399

siding where my brother and I saw the

390

00:16:11,689 --> 00:16:10,620

UFO and we went looking for it in the

391

00:16:15,889 --> 00:16:11,699

woods

392

00:16:18,230 --> 00:16:15,899

well under regression I remembered

393

00:16:19,910 --> 00:16:18,240

that as soon as we got into the woods we

394

00:16:22,430 --> 00:16:19,920

split up

395

00:16:24,290 --> 00:16:22,440

and I remembered that I went off to the

396

00:16:26,449 --> 00:16:24,300

right and I was walking through the

397

00:16:28,790 --> 00:16:26,459

woods looking for this Flying Saucer

398

00:16:31,569 --> 00:16:28,800

that we thought had landed there but I

399

00:16:35,030 --> 00:16:31,579

didn't find the Flying Saucer what I saw

400

00:16:38,509 --> 00:16:35,040

was a chalky colored creature standing

401  
00:16:41,810 --> 00:16:38,519  
in front of a of a big tree

402  
00:16:45,050 --> 00:16:41,820  
and I remembered in the hypnosis session

403  
00:16:49,550 --> 00:16:45,060  
being frightened when I saw him

404  
00:16:52,550 --> 00:16:49,560  
and I remembered that with his big black

405  
00:16:54,290 --> 00:16:52,560  
eyes he talked to me and told me not to

406  
00:16:57,470 --> 00:16:54,300  
be afraid

407  
00:16:59,090 --> 00:16:57,480  
and I remembered he took me by the hand

408  
00:17:01,069 --> 00:16:59,100  
and

409  
00:17:03,590 --> 00:17:01,079  
there's a lapse in memory at that point

410  
00:17:06,710 --> 00:17:03,600  
the next thing I remembered was being in

411  
00:17:10,069 --> 00:17:06,720  
a different part of the woods and in a

412  
00:17:13,970 --> 00:17:10,079  
clearing I could see the spaceship this

413  
00:17:17,030 --> 00:17:13,980

spherical spaceship just hovering

414

00:17:18,829 --> 00:17:17,040

above the ground and I remembered that a

415

00:17:22,730 --> 00:17:18,839

beam of white light

416

00:17:27,470 --> 00:17:22,740

just came down upon the entity

417

00:17:28,909 --> 00:17:27,480

and and me being this somehow aboard the

418

00:17:30,350 --> 00:17:28,919

craft I remember being in the light and

419

00:17:33,409 --> 00:17:30,360

the next memory you have as being aboard

420

00:17:37,190 --> 00:17:33,419

the craft lying on a platform with other

421

00:17:37,850 --> 00:17:37,200

entities the same height same shape

422

00:17:39,890 --> 00:17:37,860

um

423

00:17:41,750 --> 00:17:39,900

they looked identical to the one I saw

424

00:17:45,650 --> 00:17:41,760

in the woods they were standing around

425

00:17:47,570 --> 00:17:45,660

me poking my arms and legs

426  
00:17:49,610 --> 00:17:47,580  
and then the next thing I remembered

427  
00:17:51,409 --> 00:17:49,620  
about that incident was being back at

428  
00:17:53,150 --> 00:17:51,419  
the edge of the woods joining the others

429  
00:17:54,710 --> 00:17:53,160  
and I'll walk and we all walked out of

430  
00:17:55,850 --> 00:17:54,720  
the woods disappointed we hadn't seen

431  
00:17:57,529 --> 00:17:55,860  
anything

432  
00:17:59,590 --> 00:17:57,539  
I didn't remember

433  
00:18:03,110 --> 00:17:59,600  
seeing anything

434  
00:18:05,330 --> 00:18:03,120  
uh in the second in the second hypnosis

435  
00:18:08,450 --> 00:18:05,340  
session

436  
00:18:10,730 --> 00:18:08,460  
We examined what I called a dream that

437  
00:18:13,610 --> 00:18:10,740  
happened when I was an adult of being in

438  
00:18:14,990 --> 00:18:13,620

a round room having medical exams

439

00:18:17,210 --> 00:18:15,000

performed on me

440

00:18:19,490 --> 00:18:17,220

we explored that

441

00:18:21,529 --> 00:18:19,500

and I remembered additional details

442

00:18:25,669 --> 00:18:21,539

about that incident

443

00:18:27,770 --> 00:18:25,679

under regression I remembered that I

444

00:18:29,930 --> 00:18:27,780

walked out of the house myself something

445

00:18:31,669 --> 00:18:29,940

compelled me to walk out the door and

446

00:18:34,430 --> 00:18:31,679

around into the backyard

447

00:18:36,950 --> 00:18:34,440

and in the backyard I saw the spherical

448

00:18:40,970 --> 00:18:36,960

object hovering in the air and again

449

00:18:42,710 --> 00:18:40,980

I'll be my white light took me aboard

450

00:18:47,690 --> 00:18:42,720

and

451

00:18:50,810 --> 00:18:47,700

I I lay on a platform while identical

452

00:18:56,510 --> 00:18:50,820

looking creatures perform gynological

453

00:18:57,169 --> 00:18:56,520

type procedures on me I remembered that

454

00:19:00,409 --> 00:18:57,179

um

455

00:19:03,169 --> 00:19:00,419

some tissue samples were taken from the

456

00:19:05,630 --> 00:19:03,179

vaginal area I remembered that a needle

457

00:19:08,570 --> 00:19:05,640

was inserted through the abdominal

458

00:19:10,549 --> 00:19:08,580

abdominal wall into the ovary and

459

00:19:13,789 --> 00:19:10,559

overextracted

460

00:19:16,610 --> 00:19:13,799

and I remembered that there was one

461

00:19:19,669 --> 00:19:16,620

entity on the other side of the room who

462

00:19:23,870 --> 00:19:19,679

was doing something with what was very

463

00:19:27,049 --> 00:19:24,470

um

464

00:19:30,409 --> 00:19:27,059

I don't remember a whole lot

465

00:19:32,810 --> 00:19:30,419

other than oh yeah I remembered I

466

00:19:36,830 --> 00:19:32,820

remembered something being done to my

467

00:19:40,190 --> 00:19:36,840

right ear I felt what seemed to be a

468

00:19:41,930 --> 00:19:40,200

piercing sensation and pain in two

469

00:19:43,669 --> 00:19:41,940

places right behind my ear and deep

470

00:19:46,130 --> 00:19:43,679

inside my ear

471

00:19:49,190 --> 00:19:46,140

and I believe that's all I I could

472

00:19:51,169 --> 00:19:49,200

recall even under regression about the

473

00:19:55,130 --> 00:19:51,179

first incident

474

00:19:57,890 --> 00:19:55,140

well when I came out of hypnosis

475

00:20:00,470 --> 00:19:57,900

I deny being hypnotized

476  
00:20:03,890 --> 00:20:00,480  
at that point in time I wanted John

477  
00:20:07,730 --> 00:20:03,900  
Carpenter to tell me I was crazy I felt

478  
00:20:11,210 --> 00:20:07,740  
that it would be easier to to feel that

479  
00:20:15,650 --> 00:20:11,220  
I was insane easier

480  
00:20:19,970 --> 00:20:17,990  
to believe that I was mentally ill so I

481  
00:20:22,850 --> 00:20:19,980  
could just be put into a mental

482  
00:20:27,950 --> 00:20:22,860  
institution get proper treatment get

483  
00:20:28,970 --> 00:20:27,960  
well and have all of this abduction

484  
00:20:31,490 --> 00:20:28,980  
um

485  
00:20:34,250 --> 00:20:31,500  
this feeling of abductions out of my

486  
00:20:36,110 --> 00:20:34,260  
mind I I wanted somebody to tell me I

487  
00:20:37,549 --> 00:20:36,120  
was crazy and help me get well so I

488  
00:20:39,049 --> 00:20:37,559

wouldn't see these chalky colored

489

00:20:40,010 --> 00:20:39,059

creatures when I looked in the mirror

490

00:20:42,169 --> 00:20:40,020

anymore

491

00:20:45,650 --> 00:20:42,179

so I wouldn't feel that I was being

492

00:20:48,650 --> 00:20:45,660

followed and being watched all the time

493

00:20:49,610 --> 00:20:48,660

but John Carpenter didn't cooperate with

494

00:20:51,890 --> 00:20:49,620

me

495

00:20:54,590 --> 00:20:51,900

he said uh

496

00:20:56,690 --> 00:20:54,600

no I'm I think that you're suffering

497

00:20:59,450 --> 00:20:56,700

from post-traumatic stress disorder

498

00:21:02,210 --> 00:20:59,460

because you've had some traumatic things

499

00:21:05,090 --> 00:21:02,220

very traumatic things happen to you

500

00:21:07,909 --> 00:21:05,100

but you're not crazy

501  
00:21:09,590 --> 00:21:07,919  
I denied being hypnotized I said well

502  
00:21:12,710 --> 00:21:09,600  
you know maybe this

503  
00:21:14,750 --> 00:21:12,720  
maybe I wasn't hypnotized maybe what I

504  
00:21:17,570 --> 00:21:14,760  
remembered didn't really happen and I

505  
00:21:19,430 --> 00:21:17,580  
imagined it so I wasn't hypnotized but

506  
00:21:22,669 --> 00:21:19,440  
my brother said

507  
00:21:25,070 --> 00:21:22,679  
it was obvious that that you were was

508  
00:21:27,770 --> 00:21:25,080  
quite obvious I could I could see the

509  
00:21:30,710 --> 00:21:27,780  
pain you were going through I I could

510  
00:21:33,110 --> 00:21:30,720  
tell that you were reliving things by

511  
00:21:35,630 --> 00:21:33,120  
the Expressions on your faces I mean on

512  
00:21:38,870 --> 00:21:35,640  
your face so

513  
00:21:41,330 --> 00:21:38,880

um Don and my brother tried hard to

514

00:21:44,690 --> 00:21:41,340

convince me that what I remembered was

515

00:21:47,330 --> 00:21:44,700

real but I didn't want to accept it I I

516

00:21:49,610 --> 00:21:47,340

wanted to deny that these things could

517

00:21:51,289 --> 00:21:49,620

happen because they didn't fit in with

518

00:21:54,230 --> 00:21:51,299

my reality

519

00:21:55,789 --> 00:21:54,240

you know I didn't learn about

520

00:21:56,890 --> 00:21:55,799

ETS or

521

00:21:59,690 --> 00:21:56,900

or

522

00:22:02,270 --> 00:21:59,700

any other kind of entity

523

00:22:05,210 --> 00:22:02,280

in my church in my school

524

00:22:08,270 --> 00:22:05,220

or or anywhere else so

525

00:22:11,029 --> 00:22:08,280

I I didn't know how to fit the reality

526

00:22:18,909 --> 00:22:11,039

of these things happening into my life

527

00:22:24,409 --> 00:22:21,950

anyway for a solid week I was in shock

528

00:22:25,730 --> 00:22:24,419

and going through denial and was so

529

00:22:27,110 --> 00:22:25,740

confused

530

00:22:29,990 --> 00:22:27,120

and

531

00:22:33,049 --> 00:22:30,000

at the same time I I kept thinking to

532

00:22:36,049 --> 00:22:33,059

myself well if these incidents did

533

00:22:38,149 --> 00:22:36,059

happen I want them to happen again I

534

00:22:40,190 --> 00:22:38,159

want these entities to come back because

535

00:22:41,510 --> 00:22:40,200

I want to learn about them I want to

536

00:22:43,909 --> 00:22:41,520

know where they're from I want to know

537

00:22:46,430 --> 00:22:43,919

if they're like us I want to know why

538

00:22:50,570 --> 00:22:46,440

they did what they did I want answers

539

00:22:52,850 --> 00:22:50,580

and I want them right now so so despite

540

00:22:54,770 --> 00:22:52,860

the fact that I'm a little bit afraid I

541

00:22:57,049 --> 00:22:54,780

want them to come back so I can find out

542

00:22:58,630 --> 00:22:57,059

what's going on if this really is

543

00:23:02,690 --> 00:22:58,640

occurring

544

00:23:06,240 --> 00:23:02,700

well I had the Leisure of going through

545

00:23:07,430 --> 00:23:06,250

this turmoil for for several days but

546

00:23:09,110 --> 00:23:07,440

[Music]

547

00:23:11,690 --> 00:23:09,120

um

548

00:23:14,870 --> 00:23:11,700

the first day back at work

549

00:23:17,630 --> 00:23:14,880

I see I was able to I was on spring

550

00:23:19,789 --> 00:23:17,640

break week spring break when I went to

551  
00:23:22,370 --> 00:23:19,799  
John for my first hypnosis sessions and

552  
00:23:23,870 --> 00:23:22,380  
so got back home on a Tuesday and for

553  
00:23:25,789 --> 00:23:23,880  
the remainder of the week

554  
00:23:27,890 --> 00:23:25,799  
I walked around in shock but on Monday

555  
00:23:30,470 --> 00:23:27,900  
morning I had to go back to work

556  
00:23:32,210 --> 00:23:30,480  
and I managed to get through the morning

557  
00:23:34,909 --> 00:23:32,220  
okay

558  
00:23:37,370 --> 00:23:34,919  
but then at lunchtime

559  
00:23:39,710 --> 00:23:37,380  
and everybody left the building where I

560  
00:23:42,049 --> 00:23:39,720  
worked I taught at a university and at

561  
00:23:45,049 --> 00:23:42,059  
lunchtime the whole building

562  
00:23:46,549 --> 00:23:45,059  
shut down we had no classes from noon

563  
00:23:48,230 --> 00:23:46,559

until one o'clock in the building where

564

00:23:50,270 --> 00:23:48,240

I worked and everybody left for lunch

565

00:23:53,750 --> 00:23:50,280

and I did the same thing

566

00:23:55,789 --> 00:23:53,760

and um I ran through a drive through and

567

00:23:57,770 --> 00:23:55,799

got a cheeseburger came back to work and

568

00:23:59,930 --> 00:23:57,780

decided I would grade papers while

569

00:24:02,510 --> 00:23:59,940

everyone else was gone

570

00:24:04,250 --> 00:24:02,520

and then I could get a lot done but as

571

00:24:05,450 --> 00:24:04,260

soon as I got my cheeseburger came back

572

00:24:07,549 --> 00:24:05,460

into the building

573

00:24:09,950 --> 00:24:07,559

something compelled me to go to my car

574

00:24:10,730 --> 00:24:09,960

and get a letter that I had left in

575

00:24:13,669 --> 00:24:10,740

there

576

00:24:15,710 --> 00:24:13,679

and so I walked outside

577

00:24:17,289 --> 00:24:15,720

I noticed that there was a man sniffing

578

00:24:20,210 --> 00:24:17,299

around my car

579

00:24:22,430 --> 00:24:20,220

I got a real good look at him he had on

580

00:24:24,529 --> 00:24:22,440

a long sleeve blue Oxford cloth shirt

581

00:24:27,950 --> 00:24:24,539

and gray slacks

582

00:24:29,750 --> 00:24:27,960

he wore glasses he had on a tie and he

583

00:24:31,070 --> 00:24:29,760

was messing around my car and I stood

584

00:24:33,110 --> 00:24:31,080

there for a few minutes and thought

585

00:24:34,430 --> 00:24:33,120

what's this guy doing is he about to

586

00:24:36,590 --> 00:24:34,440

steal my car

587

00:24:39,470 --> 00:24:36,600

and I don't know what a car thief looks

588

00:24:41,510 --> 00:24:39,480

like but but my mind said well he's not

589

00:24:43,010 --> 00:24:41,520

a car thief he's dressed too nicely to

590

00:24:47,390 --> 00:24:43,020

be a Carthage

591

00:24:50,390 --> 00:24:47,400

and what is it that he's doing well in a

592

00:24:52,070 --> 00:24:50,400

few seconds he caught sight of me and he

593

00:24:55,370 --> 00:24:52,080

looked at me and then he walked around

594

00:24:57,890 --> 00:24:55,380

my car and started looking as if he was

595

00:25:00,110 --> 00:24:57,900

poking around in the grass

596

00:25:02,630 --> 00:25:00,120

and I thought okay now what do I do do I

597

00:25:05,390 --> 00:25:02,640

go to my car and and get this letter out

598

00:25:08,090 --> 00:25:05,400

or do I go back inside the building and

599

00:25:09,890 --> 00:25:08,100

call security what do I do well what I

600

00:25:11,570 --> 00:25:09,900

did was just walk onto the car and kept

601  
00:25:13,430 --> 00:25:11,580  
my eyes on him the whole time and he was

602  
00:25:14,690 --> 00:25:13,440  
looking at it at me out of the corner of

603  
00:25:17,149 --> 00:25:14,700  
his eye

604  
00:25:19,730 --> 00:25:17,159  
then the entire time I was walking to my

605  
00:25:21,470 --> 00:25:19,740  
car and finally I got there unlocked the

606  
00:25:23,810 --> 00:25:21,480  
door and jumped inside and locked it

607  
00:25:25,669 --> 00:25:23,820  
real quickly and he and I were playing

608  
00:25:28,549 --> 00:25:25,679  
this cat Mouse game I'd watch him he'd

609  
00:25:29,930 --> 00:25:28,559  
watch me and

610  
00:25:32,510 --> 00:25:29,940  
um

611  
00:25:34,090 --> 00:25:32,520  
and he he acted as he as if he were

612  
00:25:36,470 --> 00:25:34,100  
poking around in the Grass at something

613  
00:25:38,930 --> 00:25:36,480

and and then I noticed there was a truck

614

00:25:41,029 --> 00:25:38,940

parked in front of my car and I looked

615

00:25:42,890 --> 00:25:41,039

at it and thought ah that truck must

616

00:25:45,409 --> 00:25:42,900

belong to that man so I started

617

00:25:48,049 --> 00:25:45,419

memorizing the license plate and as soon

618

00:25:50,090 --> 00:25:48,059

as I did that man just ran as fast as he

619

00:25:52,970 --> 00:25:50,100

could move jumped in his truck through

620

00:25:55,730 --> 00:25:52,980

this little tool in the back of it and

621

00:25:58,789 --> 00:25:55,740

sped off but I'd already memorized the

622

00:26:02,390 --> 00:25:58,799

license plate number I was able to trace

623

00:26:04,130 --> 00:26:02,400

it and and got the name and address of

624

00:26:06,710 --> 00:26:04,140

the man who was snooping around my car

625

00:26:09,230 --> 00:26:06,720

and it took me a couple of months but I

626  
00:26:12,649 --> 00:26:09,240  
eventually was able to pull some strings

627  
00:26:15,169 --> 00:26:12,659  
and find out who the man is and where he

628  
00:26:18,049 --> 00:26:15,179  
works and he works for a company that

629  
00:26:21,830 --> 00:26:18,059  
does contract work for NASA and the

630  
00:26:24,769 --> 00:26:21,840  
company he works for is responsible for

631  
00:26:27,350 --> 00:26:24,779  
calibrating the equipment related to the

632  
00:26:28,909 --> 00:26:27,360  
space shuttle's external tanks

633  
00:26:32,090 --> 00:26:28,919  
and

634  
00:26:34,010 --> 00:26:32,100  
in the meantime before I got that

635  
00:26:36,950 --> 00:26:34,020  
information there were some other

636  
00:26:39,409 --> 00:26:36,960  
strange things that happened to me I

637  
00:26:40,909 --> 00:26:39,419  
moved into my new house that I had built

638  
00:26:45,710 --> 00:26:40,919

and

639

00:26:49,310 --> 00:26:45,720

found that story or the exterior doors

640

00:26:51,769 --> 00:26:49,320

had been loosened in my new home

641

00:26:54,289 --> 00:26:51,779

we had an elaborate security system put

642

00:26:55,090 --> 00:26:54,299

into the house and

643

00:26:58,490 --> 00:26:55,100

um

644

00:27:01,010 --> 00:26:58,500

it kept malfunctioning and the security

645

00:27:02,630 --> 00:27:01,020

people came out practically daily for a

646

00:27:04,250 --> 00:27:02,640

couple of months and were extremely

647

00:27:06,649 --> 00:27:04,260

exasperated because they couldn't figure

648

00:27:08,750 --> 00:27:06,659

out why the memory in my security system

649

00:27:11,690 --> 00:27:08,760

was being erased

650

00:27:13,909 --> 00:27:11,700

and also my husband came home from work

651  
00:27:15,830 --> 00:27:13,919  
one day and told me that the FBI was

652  
00:27:18,649 --> 00:27:15,840  
snooping around the hospital where he

653  
00:27:19,370 --> 00:27:18,659  
worked asking questions about him

654  
00:27:21,769 --> 00:27:19,380  
um

655  
00:27:23,870 --> 00:27:21,779  
one of the employees told him about it

656  
00:27:26,269 --> 00:27:23,880  
so

657  
00:27:29,330 --> 00:27:26,279  
I started thinking about this I thought

658  
00:27:33,049 --> 00:27:29,340  
okay now while the sudden is the FBI

659  
00:27:35,690 --> 00:27:33,059  
interested in my husband and why did

660  
00:27:38,930 --> 00:27:35,700  
this man who works for a company that

661  
00:27:40,850 --> 00:27:38,940  
does subcontract work around my car just

662  
00:27:43,269 --> 00:27:40,860  
all of a sudden right after I have had

663  
00:27:46,669 --> 00:27:43,279

hypnosis sessions about

664

00:27:49,430 --> 00:27:46,679

abductions by extraterrestrials well I

665

00:27:52,250 --> 00:27:49,440

started thinking okay you know this

666

00:27:54,830 --> 00:27:52,260

phenomenon must be real I must have been

667

00:27:56,750 --> 00:27:54,840

abducted because I can't see any other

668

00:27:59,390 --> 00:27:56,760

reason why these other strange things

669

00:28:02,510 --> 00:27:59,400

would be happening and I must not be

670

00:28:05,630 --> 00:28:02,520

insane uh the FBI wouldn't be interested

671

00:28:07,610 --> 00:28:05,640

in mine sanity the man who worked for a

672

00:28:09,470 --> 00:28:07,620

company that does contract work for NASA

673

00:28:12,169 --> 00:28:09,480

would not be interested in my insanity

674

00:28:14,230 --> 00:28:12,179

but would they possibly be interested in

675

00:28:16,010 --> 00:28:14,240

my contact with with

676

00:28:19,070 --> 00:28:16,020

extraterrestrials or whatever beings

677

00:28:21,470 --> 00:28:19,080

these are yes that made sense that made

678

00:28:24,649 --> 00:28:21,480

sense that's the point in time where I

679

00:28:26,090 --> 00:28:24,659

started accepting the reality of my

680

00:28:30,430 --> 00:28:26,100

encounters

681

00:28:35,390 --> 00:28:33,110

that helped confirm the reality of my

682

00:28:37,390 --> 00:28:35,400

experiences was an invitation to view

683

00:28:39,830 --> 00:28:37,400

the Space Shuttle Endeavor

684

00:28:42,250 --> 00:28:39,840

one night I was teaching an accounting

685

00:28:44,450 --> 00:28:42,260

course at the local Air Force Base

686

00:28:47,750 --> 00:28:44,460

the University where I taught had a

687

00:28:49,490 --> 00:28:47,760

contract to teach x amount of courses at

688

00:28:51,250 --> 00:28:49,500

the Air Force Base and I was teaching

689

00:28:54,830 --> 00:28:51,260

one of the accounting courses out there

690

00:28:58,669 --> 00:28:54,840

and the last night

691

00:29:02,450 --> 00:28:58,679

of lectures the the week before final

692

00:29:05,990 --> 00:29:02,460

exams I was given the lecture in

693

00:29:07,970 --> 00:29:06,000

accounting and at the end of the night

694

00:29:10,010 --> 00:29:07,980

when all the students were leaving one

695

00:29:12,470 --> 00:29:10,020

of my adult female students approached

696

00:29:16,210 --> 00:29:12,480

my desk and and said

697

00:29:20,990 --> 00:29:16,220

handed me something and she said to me

698

00:29:23,930 --> 00:29:21,000

my husband said to give this to you and

699

00:29:25,730 --> 00:29:23,940

I looked at what she gave me and it

700

00:29:28,070 --> 00:29:25,740

looked like some kind of a patch and I

701  
00:29:31,130 --> 00:29:28,080  
said what is this

702  
00:29:32,570 --> 00:29:31,140  
and she said it's a patch of the Space

703  
00:29:35,210 --> 00:29:32,580  
Shuttle Endeavor

704  
00:29:39,350 --> 00:29:35,220  
and I said

705  
00:29:41,210 --> 00:29:39,360  
okay why did your husband send this to

706  
00:29:43,370 --> 00:29:41,220  
me and she said

707  
00:29:46,010 --> 00:29:43,380  
I don't know he just told me to give it

708  
00:29:47,990 --> 00:29:46,020  
to you well and I started driving home

709  
00:29:51,470 --> 00:29:48,000  
and I thought what does this mean this

710  
00:29:54,649 --> 00:29:51,480  
is a message of some kind and why why is

711  
00:29:56,630 --> 00:29:54,659  
This Woman's husband who I later Learned

712  
00:29:59,690 --> 00:29:56,640  
was a captain in the Air Force why why

713  
00:30:02,090 --> 00:29:59,700

was he sending me a patch of the Space

714

00:30:02,930 --> 00:30:02,100

Shuttle Endeavor so when I got home that

715

00:30:05,570 --> 00:30:02,940

night

716

00:30:08,750 --> 00:30:05,580

I looked up the phone number of of this

717

00:30:10,789 --> 00:30:08,760

woman and I called her husband and said

718

00:30:12,950 --> 00:30:10,799

thank you for sending me the patch of

719

00:30:15,350 --> 00:30:12,960

the Space Shuttle Endeavor but I'm

720

00:30:18,409 --> 00:30:15,360

rather curious why did you do it

721

00:30:21,350 --> 00:30:18,419

and he said to me well my wife has

722

00:30:23,330 --> 00:30:21,360

enjoyed your accounting class so much I

723

00:30:25,970 --> 00:30:23,340

just wanted to give you a token of our

724

00:30:28,010 --> 00:30:25,980

of our appreciation and I was thinking

725

00:30:30,889 --> 00:30:28,020

in my head uh-huh this is a bunch of

726

00:30:33,169 --> 00:30:30,899

garbage this woman does not

727

00:30:36,769 --> 00:30:33,179

like my accounting course that much you

728

00:30:38,990 --> 00:30:36,779

know this doesn't make sense but he went

729

00:30:41,450 --> 00:30:39,000

on to say that

730

00:30:43,130 --> 00:30:41,460

to further show their appreciation he

731

00:30:46,010 --> 00:30:43,140

would like to take me to see the space

732

00:30:47,510 --> 00:30:46,020

shuttle and Endeavor when it arrived on

733

00:30:50,690 --> 00:30:47,520

Basin next time

734

00:30:52,549 --> 00:30:50,700

and and the whole time I talked with him

735

00:30:55,490 --> 00:30:52,559

I thought what's going on here I don't

736

00:30:58,010 --> 00:30:55,500

understand this this sounds very strange

737

00:30:59,570 --> 00:30:58,020

why would an accounting instructor get a

738

00:31:01,549 --> 00:30:59,580

special invitation to view the space

739

00:31:04,690 --> 00:31:01,559

shuttle and

740

00:31:07,190 --> 00:31:04,700

I hung up thanking him again and then

741

00:31:11,269 --> 00:31:07,200

told him that

742

00:31:13,310 --> 00:31:11,279

I I appreciate his invitation and

743

00:31:15,769 --> 00:31:13,320

I when I hung up I hoped I would never

744

00:31:18,230 --> 00:31:15,779

hear from him again however the next

745

00:31:20,450 --> 00:31:18,240

week he called the night before I was to

746

00:31:21,710 --> 00:31:20,460

give a final exam out on base and he

747

00:31:23,149 --> 00:31:21,720

said the Space Shuttle Endeavor is going

748

00:31:26,450 --> 00:31:23,159

to be on base tomorrow I'd like to take

749

00:31:28,310 --> 00:31:26,460

you to see it and he said now don't tell

750

00:31:30,590 --> 00:31:28,320

anyone that this invitation is being

751  
00:31:32,210 --> 00:31:30,600  
extended to you don't tell anyone you're

752  
00:31:34,370 --> 00:31:32,220  
going out there this invitation is for

753  
00:31:36,710 --> 00:31:34,380  
you alone and make sure you bring your

754  
00:31:38,750 --> 00:31:36,720  
camera on make sure that you get some

755  
00:31:41,750 --> 00:31:38,760  
excellent pictures of this shuttle

756  
00:31:46,010 --> 00:31:41,760  
well I thought that this was a setup and

757  
00:31:51,230 --> 00:31:49,010  
I was too scared to go out there so the

758  
00:31:53,570 --> 00:31:51,240  
next and I made up some excuses I told

759  
00:31:55,490 --> 00:31:53,580  
him well actually I told him the truth I

760  
00:31:57,169 --> 00:31:55,500  
was tied up giving final exams the next

761  
00:31:59,330 --> 00:31:57,179  
day I didn't have time to go look at it

762  
00:32:01,789 --> 00:31:59,340  
but even if I'd had time I wouldn't have

763  
00:32:03,529 --> 00:32:01,799

gone I was too frightened so anyway he

764

00:32:07,250 --> 00:32:03,539

went out to the base the next night and

765

00:32:09,590 --> 00:32:07,260

I just had a weird feeling that that

766

00:32:11,630 --> 00:32:09,600

something was wrong and I was afraid to

767

00:32:13,130 --> 00:32:11,640

go on base so I didn't drive my own car

768

00:32:14,090 --> 00:32:13,140

I hitched to ride with one of my

769

00:32:15,150 --> 00:32:14,100

students

770

00:32:16,930 --> 00:32:15,160

and

771

00:32:19,909 --> 00:32:16,940

[Music]

772

00:32:21,769 --> 00:32:19,919

went in to teach my well to get my final

773

00:32:23,990 --> 00:32:21,779

exam and while I was sitting there

774

00:32:26,149 --> 00:32:24,000

giving the final exam at one point in

775

00:32:27,769 --> 00:32:26,159

time I looked up and saw through the

776

00:32:29,389 --> 00:32:27,779

door in the back of the room a man in an

777

00:32:31,370 --> 00:32:29,399

Air Force flew uniform

778

00:32:32,330 --> 00:32:31,380

and he motioned for me to come out into

779

00:32:36,169 --> 00:32:32,340

the Hall

780

00:32:38,870 --> 00:32:36,179

and I did and I looked at his name name

781

00:32:40,909 --> 00:32:38,880

badge and noticed that this was the name

782

00:32:43,070 --> 00:32:40,919

of the man who had called me to invite

783

00:32:44,930 --> 00:32:43,080

me to go out and view the shuttle so

784

00:32:47,269 --> 00:32:44,940

when I walked out into the hall and saw

785

00:32:49,970 --> 00:32:47,279

his name he didn't even greet me he said

786

00:32:52,010 --> 00:32:49,980

to me let's go let's go right now and I

787

00:32:53,690 --> 00:32:52,020

said go where he said you know to see

788

00:32:55,250 --> 00:32:53,700

the space shuttle I told you I'd take

789

00:32:58,610 --> 00:32:55,260

you to see the space shuttle let's go

790

00:33:00,409 --> 00:32:58,620

and I said I can't leave my students

791

00:33:02,210 --> 00:33:00,419

here they're taking a final exam he said

792

00:33:03,889 --> 00:33:02,220

oh they won't care besides this will

793

00:33:06,110 --> 00:33:03,899

only take about 20 minutes

794

00:33:07,669 --> 00:33:06,120

and I explained to him that I couldn't

795

00:33:09,289 --> 00:33:07,679

leave my students that I had an

796

00:33:11,330 --> 00:33:09,299

obligation to stay with them while they

797

00:33:13,490 --> 00:33:11,340

were taking the exam we argued with me

798

00:33:14,870 --> 00:33:13,500

he kept trying to tell me that there was

799

00:33:18,289 --> 00:33:14,880

nothing wrong with my leaving my

800

00:33:20,149 --> 00:33:18,299

students and how he really wanted me to

801  
00:33:21,769 --> 00:33:20,159  
see the Endeavor and how it wouldn't

802  
00:33:24,710 --> 00:33:21,779  
take very long

803  
00:33:26,870 --> 00:33:24,720  
and I could tell that he was agitated he

804  
00:33:29,029 --> 00:33:26,880  
kept wringing his hands and shifting

805  
00:33:30,769 --> 00:33:29,039  
from one side to the other and I could

806  
00:33:32,330 --> 00:33:30,779  
tell that he was extremely upset that I

807  
00:33:34,990 --> 00:33:32,340  
wouldn't go with him to see the shuttle

808  
00:33:36,470 --> 00:33:35,000  
but I didn't nevertheless and

809  
00:33:37,190 --> 00:33:36,480  
[Music]

810  
00:33:40,549 --> 00:33:37,200  
um

811  
00:33:42,649 --> 00:33:40,559  
I went back home got off the base okay

812  
00:33:44,870 --> 00:33:42,659  
the next day though there was an article

813  
00:33:47,570 --> 00:33:44,880

in our local newspaper

814

00:33:49,789 --> 00:33:47,580

that said that

815

00:33:51,950 --> 00:33:49,799

armed guards were stationed around the

816

00:33:53,090 --> 00:33:51,960

shuttle with authorization to use deadly

817

00:33:57,710 --> 00:33:53,100

force

818

00:34:00,470 --> 00:33:57,720

and I I'm earnestly believe that

819

00:34:02,090 --> 00:34:00,480

that deadly force was meant for me that

820

00:34:03,889 --> 00:34:02,100

I was supposed to have gone out to the

821

00:34:06,230 --> 00:34:03,899

shuttle I was supposed to have gotten

822

00:34:07,789 --> 00:34:06,240

extremely close to it I was supposed to

823

00:34:13,369 --> 00:34:07,799

have taken pictures and I was supposed

824

00:34:20,690 --> 00:34:17,329

my curiosity far outweighed my fear and

825

00:34:23,270 --> 00:34:20,700

I continued with my hypnosis sessions

826

00:34:25,609 --> 00:34:23,280

and I continued

827

00:34:27,889 --> 00:34:25,619

seeking out the answers to the questions

828

00:34:30,169 --> 00:34:27,899

of this phenomenon

829

00:34:33,169 --> 00:34:30,179

and as a result I met many other

830

00:34:34,490 --> 00:34:33,179

abductees I've met a whole lot of other

831

00:34:38,089 --> 00:34:34,500

researchers

832

00:34:40,550 --> 00:34:38,099

and many of them have asked me you know

833

00:34:43,310 --> 00:34:40,560

why why do you feel that you've

834

00:34:44,930 --> 00:34:43,320

undergone harassment why do you feel

835

00:34:47,990 --> 00:34:44,940

that the military and government have

836

00:34:49,909 --> 00:34:48,000

have singled you out like this a lot of

837

00:34:51,589 --> 00:34:49,919

researchers and abductees say that they

838

00:34:53,869 --> 00:34:51,599

have not encountered military government

839

00:34:54,950 --> 00:34:53,879

harassment in in their cases or in other

840

00:34:57,230 --> 00:34:54,960

cases

841

00:34:58,730 --> 00:34:57,240

so why have I

842

00:35:01,670 --> 00:34:58,740

well

843

00:35:05,810 --> 00:35:01,680

one possible explanation is that I was

844

00:35:09,050 --> 00:35:05,820

involved in a crash of a spaceship I

845

00:35:11,510 --> 00:35:09,060

remember being aboard a craft and a

846

00:35:14,390 --> 00:35:11,520

board of spaceship and I remember

847

00:35:17,930 --> 00:35:14,400

looking out the porthole onto the the

848

00:35:20,270 --> 00:35:17,940

ocean below I don't I'm not 100 positive

849

00:35:23,450 --> 00:35:20,280

where this took place but I have an idea

850

00:35:26,270 --> 00:35:23,460

anyway I was looking out of the porthole

851  
00:35:29,150 --> 00:35:26,280  
and I saw a military ship on the ocean

852  
00:35:30,710 --> 00:35:29,160  
below and while I was looking at it I

853  
00:35:33,349 --> 00:35:30,720  
felt a jolt

854  
00:35:35,810 --> 00:35:33,359  
and I remember falling backwards and

855  
00:35:39,050 --> 00:35:35,820  
hitting my head on something

856  
00:35:43,970 --> 00:35:39,060  
and the next thing I recall was was

857  
00:35:48,349 --> 00:35:43,980  
waking up and walking out and opening

858  
00:35:50,690 --> 00:35:48,359  
um of The Craft onto Beach Sandy area

859  
00:35:54,170 --> 00:35:50,700  
and I remember hearing airplanes and

860  
00:35:59,210 --> 00:35:54,180  
helicopters overhead and I remembered

861  
00:36:03,290 --> 00:35:59,220  
seeing a man with a a

862  
00:36:06,890 --> 00:36:03,300  
an alien creature over his shoulder

863  
00:36:08,150 --> 00:36:06,900

I remembered seeing a Lifeboat approach

864

00:36:11,770 --> 00:36:08,160

the shore

865

00:36:15,530 --> 00:36:11,780

and two men motioned for me to come

866

00:36:16,970 --> 00:36:15,540

aboard that own Lifeboat before that

867

00:36:18,650 --> 00:36:16,980

happened

868

00:36:21,770 --> 00:36:18,660

I remembered

869

00:36:23,930 --> 00:36:21,780

when I walked out onto the beach

870

00:36:26,109 --> 00:36:23,940

toward the water remember somebody

871

00:36:28,550 --> 00:36:26,119

yelling at me to stay where I was

872

00:36:30,109 --> 00:36:28,560

somebody said stay right there don't

873

00:36:32,690 --> 00:36:30,119

move

874

00:36:34,849 --> 00:36:32,700

the Seance sounded Amplified to me I

875

00:36:37,430 --> 00:36:34,859

don't know now if it was because my head

876  
00:36:40,310 --> 00:36:37,440  
was hurting so bad feeling as if it were

877  
00:36:42,710 --> 00:36:40,320  
going to explode or if there was some

878  
00:36:46,010 --> 00:36:42,720  
kind of megaphone or something like that

879  
00:36:50,870 --> 00:36:47,690  
um I remember getting into the live boat

880  
00:36:52,250 --> 00:36:50,880  
not struggling but but going with two

881  
00:36:55,609 --> 00:36:52,260  
men in the Lifeboat out to the big

882  
00:36:58,310 --> 00:36:55,619  
military ship and

883  
00:37:02,810 --> 00:36:58,320  
I remember hearing helicopters overhead

884  
00:37:05,390 --> 00:37:02,820  
as I was going out onto the ocean and

885  
00:37:08,210 --> 00:37:05,400  
once I climbed up into the ship climbed

886  
00:37:10,970 --> 00:37:08,220  
up a ladder onto the ship and once I got

887  
00:37:14,569 --> 00:37:10,980  
on the deck or I remember a man in

888  
00:37:18,770 --> 00:37:14,579

uniform helping me onto the deck and

889

00:37:21,770 --> 00:37:18,780

once I got up there I saw one alien

890

00:37:24,530 --> 00:37:21,780

still alive lying on the deck of the

891

00:37:26,990 --> 00:37:24,540

ship I don't know whether this is the

892

00:37:28,310 --> 00:37:27,000

same alien that I saw earlier on the

893

00:37:30,290 --> 00:37:28,320

beach or not

894

00:37:32,510 --> 00:37:30,300

but there are several aliens that are

895

00:37:34,430 --> 00:37:32,520

unaccounted for in my mind I don't know

896

00:37:36,109 --> 00:37:34,440

what happened to them I know that there

897

00:37:40,670 --> 00:37:36,119

were at least four aliens aboard the

898

00:37:42,050 --> 00:37:40,680

craft with me and I saw one or two after

899

00:37:42,750 --> 00:37:42,060

the crash and I don't know what happened

900

00:37:44,690 --> 00:37:42,760

to the others

901  
00:37:45,829 --> 00:37:44,700

[Music]

902  
00:37:47,470 --> 00:37:45,839  
um

903  
00:37:50,030 --> 00:37:47,480  
I remember

904  
00:37:53,030 --> 00:37:50,040  
wanting to help this entity that was

905  
00:37:56,150 --> 00:37:53,040  
still alive and two men grabbed me and

906  
00:37:58,310 --> 00:37:56,160  
and took me down some stairs onto a

907  
00:38:01,310 --> 00:37:58,320  
lower deck of the ship

908  
00:38:04,550 --> 00:38:01,320  
and the last thing I remember was

909  
00:38:07,910 --> 00:38:04,560  
was sitting down on the bottom stair

910  
00:38:09,770 --> 00:38:07,920  
and my head felt so heavy and hurt so

911  
00:38:11,870 --> 00:38:09,780  
badly I felt it was going to explode and

912  
00:38:13,190 --> 00:38:11,880  
I felt like I was going to pass out and

913  
00:38:15,770 --> 00:38:13,200

the last thing I remember was sitting

914

00:38:16,790 --> 00:38:15,780

down on the stair and putting my head in

915

00:38:19,910 --> 00:38:16,800

my lap

916

00:38:20,810 --> 00:38:19,920

and I don't remember anything else

917

00:38:23,690 --> 00:38:20,820

um

918

00:38:25,569 --> 00:38:23,700

another memory I have is of

919

00:38:29,089 --> 00:38:25,579

two men

920

00:38:30,410 --> 00:38:29,099

escorting me from a military plane into

921

00:38:32,410 --> 00:38:30,420

a car

922

00:38:35,510 --> 00:38:32,420

and

923

00:38:38,690 --> 00:38:35,520

taking me back to motel where I was

924

00:38:41,150 --> 00:38:38,700

staying and holding me one man held me

925

00:38:44,089 --> 00:38:41,160

at gunpoint while the other one went to

926

00:38:45,589 --> 00:38:44,099

a desk to get a key to my room and I

927

00:38:47,450 --> 00:38:45,599

remember

928

00:38:50,030 --> 00:38:47,460

being kept out in the hallway at

929

00:38:51,950 --> 00:38:50,040

gunpoint by one man while the other one

930

00:38:53,650 --> 00:38:51,960

went inside my room where my husband was

931

00:38:56,569 --> 00:38:53,660

supposed to be sleeping

932

00:38:59,510 --> 00:38:56,579

I assume

933

00:39:02,750 --> 00:38:59,520

that that's how I got back from the

934

00:39:05,690 --> 00:39:02,760

crash site although there's a big gap in

935

00:39:10,310 --> 00:39:05,700

room a big gap in memory

936

00:39:12,710 --> 00:39:10,320

in September of 1992 I decided to try to

937

00:39:14,349 --> 00:39:12,720

find the crash site where it possibly

938

00:39:20,270 --> 00:39:14,359

occurred

939

00:39:23,089 --> 00:39:20,280

in the Gulf Breeze area around Navarre

940

00:39:25,130 --> 00:39:23,099

Beach I'm not positive I have reason to

941

00:39:29,930 --> 00:39:25,140

believe that's where it took place but I

942

00:39:32,210 --> 00:39:29,940

can't be sure I do know that the

943

00:39:35,089 --> 00:39:32,220

the area down there is consistent with

944

00:39:39,550 --> 00:39:35,099

what I remembered in my hypnosis session

945

00:39:42,230 --> 00:39:39,560

anyway I decided to walk one day from

946

00:39:44,089 --> 00:39:42,240

Navarre Beach to Fort Walton Beach to

947

00:39:47,829 --> 00:39:44,099

see if the area did look consistent with

948

00:39:51,530 --> 00:39:47,839

the crash site and it did and

949

00:39:54,530 --> 00:39:51,540

that portion of beach where I walked is

950

00:39:55,849 --> 00:39:54,540

right at the border of Eglin Air Force

951  
00:40:00,250 --> 00:39:55,859  
Base

952  
00:40:02,030 --> 00:40:00,260  
about halfway through my walk

953  
00:40:08,720 --> 00:40:02,040  
I

954  
00:40:10,190 --> 00:40:08,730  
some equipment that has since been

955  
00:40:10,870 --> 00:40:10,200  
[Music]

956  
00:40:13,670 --> 00:40:10,880  
um

957  
00:40:14,810 --> 00:40:13,680  
confirmed as being electromagnetic pulse

958  
00:40:17,030 --> 00:40:14,820  
device

959  
00:40:18,890 --> 00:40:17,040  
some of the researchers who worked on my

960  
00:40:21,109 --> 00:40:18,900  
case believe that this electromagnetic

961  
00:40:23,750 --> 00:40:21,119  
pulse device was responsible for Downing

962  
00:40:27,349 --> 00:40:23,760  
the craft that I was in

963  
00:40:30,589 --> 00:40:27,359

when when the crash occurred

964

00:40:32,930 --> 00:40:30,599

I've experienced what I consider some

965

00:40:37,130 --> 00:40:32,940

extreme forms of harassment by a

966

00:40:38,390 --> 00:40:37,140

military government officials at least I

967

00:40:41,390 --> 00:40:38,400

believe their military and government

968

00:40:43,150 --> 00:40:41,400

officials I can't prove it

969

00:40:47,690 --> 00:40:43,160

for instance

970

00:40:49,970 --> 00:40:47,700

I had an encounter one night

971

00:40:52,130 --> 00:40:49,980

I was abducted by the chalky colored

972

00:40:54,710 --> 00:40:52,140

creatures and their normal medical

973

00:40:55,910 --> 00:40:54,720

experiments were performed on me but

974

00:40:57,829 --> 00:40:55,920

they didn't bring me all the way home

975

00:41:01,310 --> 00:40:57,839

that night instead what they did was

976

00:41:03,770 --> 00:41:01,320

drop me off in a field near my home

977

00:41:06,410 --> 00:41:03,780

I remember being

978

00:41:08,270 --> 00:41:06,420

somewhat programmed I felt as if I were

979

00:41:10,609 --> 00:41:08,280

in some kind of a zombie State and I

980

00:41:13,190 --> 00:41:10,619

remember thinking to myself as I was

981

00:41:15,530 --> 00:41:13,200

looking up into the sky I've got to get

982

00:41:17,810 --> 00:41:15,540

back home I've got to get back home

983

00:41:18,950 --> 00:41:17,820

and while I was standing out in the

984

00:41:21,050 --> 00:41:18,960

fields

985

00:41:23,750 --> 00:41:21,060

thinking about that as if I were

986

00:41:24,849 --> 00:41:23,760

programmed a helicopter landed in front

987

00:41:30,230 --> 00:41:24,859

of me

988

00:41:31,970 --> 00:41:30,240

green fatigues and carrying big black

989

00:41:34,550 --> 00:41:31,980

machine guns jumped out of the

990

00:41:35,630 --> 00:41:34,560

helicopter and came up to me and grabbed

991

00:41:39,710 --> 00:41:35,640

me

992

00:41:40,490 --> 00:41:39,720

and I started yelling expletives at them

993

00:41:48,349 --> 00:41:40,500

as

994

00:41:52,010 --> 00:41:48,359

with them but to no avail

995

00:41:55,310 --> 00:41:52,020

and they dragged me into the helicopter

996

00:41:57,589 --> 00:41:55,320

and as as I approached the helicopter I

997

00:41:59,990 --> 00:41:57,599

saw a man wearing Air Force blue uniform

998

00:42:02,990 --> 00:42:00,000

he seemed to be the one in charge of the

999

00:42:05,210 --> 00:42:03,000

situation I remember him telling me that

1000

00:42:07,310 --> 00:42:05,220

I was a troublemaker and they were going

1001  
00:42:09,230 --> 00:42:07,320  
to have to shut me up and this is about

1002  
00:42:11,089 --> 00:42:09,240  
the point in time that I had decided I

1003  
00:42:16,370 --> 00:42:11,099  
was going to undergo hypnotic regression

1004  
00:42:18,349 --> 00:42:16,380  
to recover my my memories anyway I was

1005  
00:42:20,630 --> 00:42:18,359  
taken aboard the helicopter it seemed

1006  
00:42:23,270 --> 00:42:20,640  
that we flew a short distance and the

1007  
00:42:25,609 --> 00:42:23,280  
helicopter landed near a building that

1008  
00:42:27,470 --> 00:42:25,619  
had restricted

1009  
00:42:30,230 --> 00:42:27,480  
um on the door

1010  
00:42:34,370 --> 00:42:30,240  
and I was shoved inside

1011  
00:42:36,890 --> 00:42:34,380  
and as soon as I got inside the door

1012  
00:42:39,230 --> 00:42:36,900  
the man in the Air Force blew uniform

1013  
00:42:42,410 --> 00:42:39,240

said to a group of men who were

1014

00:42:45,410 --> 00:42:42,420

apparently waiting for me to arrive here

1015

00:42:47,870 --> 00:42:45,420

she is she's a cocky little [h\_\_h]

1016

00:42:50,030 --> 00:42:47,880

and there was a man in a khaki uniform

1017

00:42:53,930 --> 00:42:50,040

standing at the opposite side of the

1018

00:42:54,829 --> 00:42:53,940

room and he looked at me coldly and said

1019

00:42:57,950 --> 00:42:54,839

well

1020

00:43:00,589 --> 00:42:57,960

we'll just take care of that and and

1021

00:43:03,410 --> 00:43:00,599

they did the next thing I remembered was

1022

00:43:07,550 --> 00:43:03,420

someone giving me a shot in my right arm

1023

00:43:10,010 --> 00:43:07,560

and I remember becoming very dizzy and

1024

00:43:13,849 --> 00:43:10,020

feeling as if I were going to pass out I

1025

00:43:15,710 --> 00:43:13,859

remember being shoved into a chair

1026  
00:43:17,770 --> 00:43:15,720  
and

1027  
00:43:21,410 --> 00:43:17,780  
I I remember

1028  
00:43:23,870 --> 00:43:21,420  
asking the man in the khaki uniform what

1029  
00:43:26,210 --> 00:43:23,880  
they wanted with me what I was doing

1030  
00:43:31,250 --> 00:43:26,220  
there what they wanted

1031  
00:43:33,710 --> 00:43:31,260  
and he told me quoting it's none of your

1032  
00:43:36,290 --> 00:43:33,720  
damn business just shut up and listen

1033  
00:43:38,329 --> 00:43:36,300  
I told him I wasn't ready to listen but

1034  
00:43:39,230 --> 00:43:38,339  
I wanted an explanation for why I was

1035  
00:43:45,050 --> 00:43:39,240  
there

1036  
00:43:47,930 --> 00:43:45,060  
and I didn't get one he told me I I just

1037  
00:43:49,970 --> 00:43:47,940  
remember him telling me that I had not

1038  
00:43:52,130 --> 00:43:49,980

seen a spaceship he kept telling me over

1039

00:43:54,829 --> 00:43:52,140

and over again you did not see a

1040

00:43:57,530 --> 00:43:54,839

spaceship do you understand you did not

1041

00:44:00,109 --> 00:43:57,540

see a spaceship and I argued with him I

1042

00:44:01,490 --> 00:44:00,119

said I know I saw what are you trying to

1043

00:44:03,530 --> 00:44:01,500

cover up

1044

00:44:05,510 --> 00:44:03,540

and again he said it's none of your damn

1045

00:44:06,290 --> 00:44:05,520

business

1046

00:44:08,270 --> 00:44:06,300

um

1047

00:44:10,069 --> 00:44:08,280

interestingly he didn't say we're not

1048

00:44:12,170 --> 00:44:10,079

trying to cover up anything he just told

1049

00:44:13,990 --> 00:44:12,180

me it was none of my business I don't

1050

00:44:17,690 --> 00:44:14,000

remember much after that I remember

1051  
00:44:19,130 --> 00:44:17,700  
getting very dizzy very weak putting my

1052  
00:44:21,650 --> 00:44:19,140  
head down

1053  
00:44:24,290 --> 00:44:21,660  
and I remember at one point

1054  
00:44:26,109 --> 00:44:24,300  
being put on a stretcher being put in

1055  
00:44:30,530 --> 00:44:26,119  
the back of a truck

1056  
00:44:32,490 --> 00:44:30,540  
and I had my eyes closed and I I heard

1057  
00:44:33,770 --> 00:44:32,500  
one man say to another

1058  
00:44:37,190 --> 00:44:33,780  
[Music]

1059  
00:44:43,370 --> 00:44:39,950  
how are we going to handle this

1060  
00:44:44,730 --> 00:44:43,380  
and I heard another man reply I don't

1061  
00:44:46,490 --> 00:44:44,740  
know this is a tough one

1062  
00:44:48,349 --> 00:44:46,500  
[Music]

1063  
00:44:50,390 --> 00:44:48,359

um

1064

00:44:53,870 --> 00:44:50,400

when I remembered this encounter was

1065

00:44:55,309 --> 00:44:53,880

very upset I felt that my rights had

1066

00:44:57,770 --> 00:44:55,319

been violated

1067

00:45:00,530 --> 00:44:57,780

I was very upset at being drugged

1068

00:45:03,710 --> 00:45:00,540

against my will being taken off to a

1069

00:45:06,050 --> 00:45:03,720

base and questioned and then brainwashed

1070

00:45:07,630 --> 00:45:06,060

and not remembering everything that

1071

00:45:10,309 --> 00:45:07,640

happened to me

1072

00:45:12,589 --> 00:45:10,319

and I

1073

00:45:14,450 --> 00:45:12,599

felt that I had a right to know what was

1074

00:45:16,569 --> 00:45:14,460

going on and yet I was given no

1075

00:45:19,670 --> 00:45:16,579

information

1076

00:45:21,230 --> 00:45:19,680

that's only one incident that I've had

1077

00:45:22,849 --> 00:45:21,240

with the parent military government

1078

00:45:26,569 --> 00:45:22,859

people

1079

00:45:29,109 --> 00:45:26,579

I remember being in what I believe to be

1080

00:45:32,750 --> 00:45:29,119

a military Hospital

1081

00:45:34,370 --> 00:45:32,760

again I saw men in uniform and men in

1082

00:45:37,190 --> 00:45:34,380

white lab coats

1083

00:45:39,950 --> 00:45:37,200

I recall being given shots I remember

1084

00:45:41,930 --> 00:45:39,960

being strapped down I remember being

1085

00:45:45,230 --> 00:45:41,940

given shock treatment

1086

00:45:47,510 --> 00:45:45,240

and again I was told that I'm that I had

1087

00:45:50,870 --> 00:45:47,520

caused these people trouble I don't know

1088

00:45:52,069 --> 00:45:50,880

what kind of trouble I've caused so

1089

00:45:55,069 --> 00:45:52,079

um

1090

00:45:57,290 --> 00:45:55,079

I'm exasperated about not knowing what

1091

00:46:01,270 --> 00:45:57,300

they're talking about they've wiped too

1092

00:46:06,829 --> 00:46:04,130

I've also recalled

1093

00:46:09,230 --> 00:46:06,839

these apparent military and government

1094

00:46:12,730 --> 00:46:09,240

people in this Military Hospital also

1095

00:46:17,809 --> 00:46:16,330

using an x-ray to x-ray my body

1096

00:46:20,270 --> 00:46:17,819

[Music]

1097

00:46:22,790 --> 00:46:20,280

and

1098

00:46:24,770 --> 00:46:22,800

I remember being in some kind of a

1099

00:46:26,510 --> 00:46:24,780

transparent container

1100

00:46:30,589 --> 00:46:26,520

I don't know what they were doing with

1101  
00:46:34,309 --> 00:46:30,599  
me there or what was happening to me I I

1102  
00:46:36,349 --> 00:46:34,319  
do know that my ear hurt when I was in

1103  
00:46:38,030 --> 00:46:36,359  
this facility my right ear the one that

1104  
00:46:41,510 --> 00:46:38,040  
I had recalled

1105  
00:46:42,890 --> 00:46:41,520  
the aliens messing with earlier and I do

1106  
00:46:45,230 --> 00:46:42,900  
know that

1107  
00:46:48,710 --> 00:46:45,240  
after

1108  
00:46:52,010 --> 00:46:48,720  
this encounter I no longer heard

1109  
00:46:55,370 --> 00:46:52,020  
some Morse code type beats in my rider

1110  
00:46:58,609 --> 00:46:55,380  
that I had been hearing previously I

1111  
00:47:00,230 --> 00:46:58,619  
assume that these individuals removed

1112  
00:47:02,089 --> 00:47:00,240  
something from my ear that had been

1113  
00:47:04,250 --> 00:47:02,099

causing tones

1114

00:47:07,930 --> 00:47:04,260

but I'm not sure I don't know for

1115

00:47:13,430 --> 00:47:10,849

I also recalled receiving shock

1116

00:47:16,730 --> 00:47:13,440

treatment when I was in a hillside

1117

00:47:20,270 --> 00:47:16,740

facility with a tiny little entity about

1118

00:47:22,250 --> 00:47:20,280

the height of knees of man and the

1119

00:47:24,170 --> 00:47:22,260

Manning green fatigues

1120

00:47:26,329 --> 00:47:24,180

was standing there questioning him I

1121

00:47:28,430 --> 00:47:26,339

remember getting shock treatment then

1122

00:47:30,770 --> 00:47:28,440

and being asked what happens when you're

1123

00:47:34,069 --> 00:47:30,780

on board spacecraft

1124

00:47:37,250 --> 00:47:34,079

I remembered seeing various types of

1125

00:47:39,829 --> 00:47:37,260

entities one of one type is what I call

1126

00:47:42,670 --> 00:47:39,839

chalky colored creatures these are the

1127

00:47:47,470 --> 00:47:42,680

ones who performed the

1128

00:47:50,630 --> 00:47:47,480

experiment the medical experiments on me

1129

00:47:54,170 --> 00:47:50,640

they are between four and five feet tall

1130

00:47:56,930 --> 00:47:54,180

they have big black almond shaped eyes

1131

00:47:57,530 --> 00:47:56,940

no whites no pupils

1132

00:48:01,790 --> 00:47:57,540

um

1133

00:48:04,550 --> 00:48:01,800

foreign they have four fingers I don't

1134

00:48:06,650 --> 00:48:04,560

remember what their feet looked like

1135

00:48:10,970 --> 00:48:06,660

I

1136

00:48:14,320 --> 00:48:10,980

hair

1137

00:48:16,010 --> 00:48:14,330

two little holes for a nose

1138

00:48:16,670 --> 00:48:16,020

[Music]

1139

00:48:18,950 --> 00:48:16,680

um

1140

00:48:23,569 --> 00:48:18,960

they move so gracefully extremely

1141

00:48:26,270 --> 00:48:23,579

gracefully and they talk they

1142

00:48:28,609 --> 00:48:26,280

they communicate telepathically through

1143

00:48:33,050 --> 00:48:28,619

the eyes

1144

00:48:34,550 --> 00:48:33,060

I've also seen a creature that I call

1145

00:48:37,250 --> 00:48:34,560

the reptilian

1146

00:48:40,069 --> 00:48:37,260

I only remember I remember encountering

1147

00:48:41,950 --> 00:48:40,079

that creature only one time it was a

1148

00:48:44,870 --> 00:48:41,960

rape encounter

1149

00:48:47,210 --> 00:48:44,880

this creature was the ugliest creature I

1150

00:48:50,569 --> 00:48:47,220

could ever imagine seeing he had scaly

1151

00:48:53,329 --> 00:48:50,579

skin and Long Claws

1152

00:48:54,770 --> 00:48:53,339

his snake his head reminded me of the

1153

00:48:58,849 --> 00:48:54,780

snake's head

1154

00:49:01,190 --> 00:48:58,859

in in its shape he had long pointed ears

1155

00:49:05,329 --> 00:49:01,200

he was probably around five and a half

1156

00:49:05,720 --> 00:49:05,339

feet tall had kind of tan or brownish

1157

00:49:06,950 --> 00:49:05,730

skin

1158

00:49:09,130 --> 00:49:06,960

[Music]

1159

00:49:13,550 --> 00:49:09,140

and

1160

00:49:15,950 --> 00:49:13,560

it looked like protrusion sort of in up

1161

00:49:18,180 --> 00:49:15,960

here in the chest area

1162

00:49:19,849 --> 00:49:18,190

although my memory is quite vague

1163

00:49:21,589 --> 00:49:19,859

[Music]

1164

00:49:23,270 --> 00:49:21,599

um in that encounter I couldn't move I

1165

00:49:26,809 --> 00:49:23,280

was paralyzed I didn't have any feeling

1166

00:49:29,270 --> 00:49:26,819

and I don't remember too much

1167

00:49:32,290 --> 00:49:29,280

about that encounter other than

1168

00:49:37,069 --> 00:49:32,300

than what I'm reporting now

1169

00:49:39,710 --> 00:49:37,079

beginning in May 1991

1170

00:49:43,089 --> 00:49:39,720

I started receiving telepathic

1171

00:49:45,349 --> 00:49:43,099

Communications from some unknown source

1172

00:49:47,750 --> 00:49:45,359

the first time I received any

1173

00:49:49,849 --> 00:49:47,760

communication of this sort

1174

00:49:52,309 --> 00:49:49,859

was after

1175

00:49:55,250 --> 00:49:52,319

one of my hypnosis sessions where I

1176  
00:49:56,750 --> 00:49:55,260  
remembered I remembered being

1177  
00:50:00,050 --> 00:49:56,760  
interrogated

1178  
00:50:02,750 --> 00:50:00,060  
in conference room on base

1179  
00:50:04,250 --> 00:50:02,760  
and the telepathic communication I

1180  
00:50:07,870 --> 00:50:04,260  
received that time was in the form of

1181  
00:50:10,250 --> 00:50:07,880  
symbols the symbols seemed to be

1182  
00:50:11,450 --> 00:50:10,260  
religious symbols

1183  
00:50:13,970 --> 00:50:11,460  
but

1184  
00:50:16,910 --> 00:50:13,980  
I was extremely confused

1185  
00:50:17,569 --> 00:50:16,920  
after I saw these symbols in my head it

1186  
00:50:22,190 --> 00:50:17,579  
was

1187  
00:50:25,309 --> 00:50:22,200  
to describe it it's very difficult but

1188  
00:50:27,950 --> 00:50:25,319

the best way I can explain it is by

1189

00:50:30,410 --> 00:50:27,960

saying if a person imagines just

1190

00:50:34,750 --> 00:50:30,420

scrolling down a computer screen

1191

00:50:38,450 --> 00:50:34,760

and seeing one symbol on each screen

1192

00:50:40,730 --> 00:50:38,460

that's what I saw but in my head in my

1193

00:50:42,430 --> 00:50:40,740

mind nothing had ever happened to me

1194

00:50:46,130 --> 00:50:42,440

like that before

1195

00:50:48,890 --> 00:50:46,140

it happened after I prayed I after my

1196

00:50:51,530 --> 00:50:48,900

hypnosis session I was so upset I I

1197

00:50:52,970 --> 00:50:51,540

didn't understand what was going on as

1198

00:50:55,370 --> 00:50:52,980

far as the alien phenomenon was

1199

00:50:56,870 --> 00:50:55,380

concerned I didn't understand why our

1200

00:50:58,849 --> 00:50:56,880

military and government were trying to

1201  
00:51:00,770 --> 00:50:58,859  
cover it up and I certainly didn't

1202  
00:51:03,109 --> 00:51:00,780  
understand why I was caught in the

1203  
00:51:06,230 --> 00:51:03,119  
middle it was before I remember being

1204  
00:51:08,270 --> 00:51:06,240  
involved in a crash and so I didn't know

1205  
00:51:09,829 --> 00:51:08,280  
at that point in time why I might be

1206  
00:51:13,309 --> 00:51:09,839  
singled out by military and government

1207  
00:51:16,069 --> 00:51:13,319  
officials so I was extremely upset and I

1208  
00:51:19,430 --> 00:51:16,079  
was praying to God to give me answers

1209  
00:51:20,809 --> 00:51:19,440  
to to these questions that I had

1210  
00:51:22,190 --> 00:51:20,819  
and

1211  
00:51:27,950 --> 00:51:22,200  
I

1212  
00:51:30,230 --> 00:51:27,960  
understand what was going on you know

1213  
00:51:31,910 --> 00:51:30,240

why were these aliens interested in me

1214

00:51:34,309 --> 00:51:31,920

why were the military and government

1215

00:51:36,290 --> 00:51:34,319

officials interested in me and

1216

00:51:38,510 --> 00:51:36,300

what was happening what did the

1217

00:51:41,470 --> 00:51:38,520

phenomena mean and I was begging for

1218

00:51:44,630 --> 00:51:41,480

answers and that's when I first

1219

00:51:46,670 --> 00:51:44,640

saws symbols scrolling through my head I

1220

00:51:48,290 --> 00:51:46,680

don't understand what they mean even to

1221

00:51:51,170 --> 00:51:48,300

this day I don't know what they mean but

1222

00:51:53,530 --> 00:51:51,180

they did give me a source of comfort and

1223

00:51:56,030 --> 00:51:53,540

I was able to go to sleep

1224

00:51:57,650 --> 00:51:56,040

so some of my telepathic Communications

1225

00:52:01,250 --> 00:51:57,660

have come in the form of symbols there

1226  
00:52:03,589 --> 00:52:01,260  
was another time that I had a dream of

1227  
00:52:06,349 --> 00:52:03,599  
of symbols but again I don't remember

1228  
00:52:10,270 --> 00:52:06,359  
what the symbols meant or why they were

1229  
00:52:13,370 --> 00:52:10,280  
in my head I've also received verbal

1230  
00:52:16,670 --> 00:52:13,380  
telepathic Communications although not

1231  
00:52:18,470 --> 00:52:16,680  
audible I don't hear a voice I I call

1232  
00:52:21,230 --> 00:52:18,480  
the communications the silent voice

1233  
00:52:23,829 --> 00:52:21,240  
because I don't really hear anything I

1234  
00:52:26,210 --> 00:52:23,839  
just have instant knowledge in my head

1235  
00:52:28,210 --> 00:52:26,220  
some of the communications of this

1236  
00:52:29,990 --> 00:52:28,220  
nature I've received

1237  
00:52:32,589 --> 00:52:30,000  
involved

1238  
00:52:35,630 --> 00:52:32,599

spiritual type things

1239

00:52:38,809 --> 00:52:35,640

for instance one night

1240

00:52:42,230 --> 00:52:38,819

I I was asleep and something awakened me

1241

00:52:44,510 --> 00:52:42,240

and I sat up in bed and then all of a

1242

00:52:47,329 --> 00:52:44,520

sudden got a lot of information about

1243

00:52:49,930 --> 00:52:47,339

what this silent voice called the

1244

00:52:55,329 --> 00:52:49,940

spiritual grid of the universe

1245

00:52:58,849 --> 00:52:55,339

and the message there was that

1246

00:53:01,849 --> 00:52:58,859

we we live in different eras in the era

1247

00:53:04,670 --> 00:53:01,859

we live in now is about to end

1248

00:53:07,849 --> 00:53:04,680

and a new era is about to begin

1249

00:53:10,430 --> 00:53:07,859

and I was told that people who are in

1250

00:53:12,470 --> 00:53:10,440

tune with this Awakening have been given

1251

00:53:14,990 --> 00:53:12,480

the opportunity to go to a higher

1252

00:53:18,530 --> 00:53:15,000

spiritual level if they if they want to

1253

00:53:22,370 --> 00:53:18,540

I was told that everything that we do

1254

00:53:25,430 --> 00:53:22,380

basically is because we have we choose

1255

00:53:27,530 --> 00:53:25,440

to do so we have freedom of choice

1256

00:53:32,750 --> 00:53:27,540

in in all things

1257

00:53:36,349 --> 00:53:34,549

um if we choose to stay on the same

1258

00:53:37,730 --> 00:53:36,359

spiritual level we're on now we can do

1259

00:53:40,790 --> 00:53:37,740

that

1260

00:53:43,970 --> 00:53:40,800

and but the way to progress from one

1261

00:53:47,089 --> 00:53:43,980

level to another is by heating our

1262

00:53:48,770 --> 00:53:47,099

positive and negative or heating our

1263

00:53:51,109 --> 00:53:48,780

positive energies rather than our

1264

00:53:53,510 --> 00:53:51,119

negative ones so

1265

00:53:56,690 --> 00:53:53,520

that's one communication that I have

1266

00:53:59,210 --> 00:53:56,700

received I've also been told

1267

00:54:02,390 --> 00:53:59,220

specific things that would help me for

1268

00:54:03,710 --> 00:54:02,400

instance I've been taught by the silent

1269

00:54:06,650 --> 00:54:03,720

voice

1270

00:54:11,329 --> 00:54:06,660

not to give in to anger

1271

00:54:12,650 --> 00:54:11,339

fear worry and guilt that they create my

1272

00:54:18,890 --> 00:54:12,660

noise

1273

00:54:22,309 --> 00:54:18,900

voice meant was that

1274

00:54:24,890 --> 00:54:22,319

if we if we dwell on these negative

1275

00:54:26,510 --> 00:54:24,900

characteristics

1276  
00:54:29,809 --> 00:54:26,520  
and then

1277  
00:54:32,569 --> 00:54:29,819  
then our our thoughts about

1278  
00:54:35,630 --> 00:54:32,579  
now our fears and worries you know if

1279  
00:54:39,049 --> 00:54:35,640  
they fill our mind and

1280  
00:54:43,910 --> 00:54:39,059  
they prevent us from doing constructive

1281  
00:54:47,390 --> 00:54:43,920  
things so we've got to learn how to not

1282  
00:54:49,610 --> 00:54:47,400  
worry or be afraid or be filled with

1283  
00:54:51,470 --> 00:54:49,620  
anger or filled with guilt

1284  
00:54:53,809 --> 00:54:51,480  
[Music]

1285  
00:54:59,630 --> 00:54:56,990  
I've also been

1286  
00:55:02,630 --> 00:54:59,640  
told that

1287  
00:55:04,190 --> 00:55:02,640  
time is not linear

1288  
00:55:17,569 --> 00:55:04,200

that

1289

00:55:20,450 --> 00:55:17,579

contract expand overlap

1290

00:55:22,309 --> 00:55:20,460

and that there can even be more than one

1291

00:55:24,230 --> 00:55:22,319

Slinky in other words more than one

1292

00:55:25,370 --> 00:55:24,240

dimension and these Dimensions can

1293

00:55:27,490 --> 00:55:25,380

overlap

1294

00:55:31,190 --> 00:55:27,500

intertwine

1295

00:55:33,650 --> 00:55:31,200

I've been told that

1296

00:55:37,430 --> 00:55:33,660

there's going to be afraid of

1297

00:55:41,030 --> 00:55:37,440

Devastation that will arrive soon

1298

00:55:41,040 --> 00:55:46,370

um I've been told that

1299

00:55:52,549 --> 00:55:49,490

um I need to get my body in good shape

1300

00:55:55,010 --> 00:55:52,559

exercise eat right

1301

00:55:59,150 --> 00:55:55,020

I don't know why

1302

00:56:03,770 --> 00:56:01,790

I was also given a telepathic message to

1303

00:56:04,570 --> 00:56:03,780

write a children's book about an

1304

00:56:05,750 --> 00:56:04,580

abduction

1305

00:56:06,770 --> 00:56:05,760

[Music]

1306

00:56:09,410 --> 00:56:06,780

um

1307

00:56:10,730 --> 00:56:09,420

one night about 11 30 p.m I was just

1308

00:56:12,890 --> 00:56:10,740

brushing my teeth minding my own

1309

00:56:14,210 --> 00:56:12,900

business not even thinking about the UFO

1310

00:56:17,809 --> 00:56:14,220

phenomenon

1311

00:56:19,609 --> 00:56:17,819

and his silent voice told me to take an

1312

00:56:23,510 --> 00:56:19,619

encounter I had when I was three years

1313

00:56:26,150 --> 00:56:23,520

old and ride it into a story in the form

1314

00:56:29,650 --> 00:56:26,160

of a children's book for preschoolers

1315

00:56:33,609 --> 00:56:29,660

so that children who are being abducted

1316

00:56:36,890 --> 00:56:33,619

would not be so afraid

1317

00:56:39,890 --> 00:56:36,900

I was told that this story was to be

1318

00:56:42,650 --> 00:56:39,900

written to help alleviate the fear of

1319

00:56:44,809 --> 00:56:42,660

young children who are being abducted

1320

00:56:48,170 --> 00:56:44,819

so

1321

00:56:50,390 --> 00:56:48,180

I I think all in all the telepathic

1322

00:56:53,329 --> 00:56:50,400

Communications I've received have

1323

00:56:56,510 --> 00:56:53,339

benefited me I don't see that they've

1324

00:56:58,490 --> 00:56:56,520

harmed me in any way at least so far I

1325

00:57:01,490 --> 00:56:58,500

don't know whether

1326

00:57:03,230 --> 00:57:01,500

what I'm told is true or not I don't

1327

00:57:05,630 --> 00:57:03,240

know whether these men where these

1328

00:57:08,750 --> 00:57:05,640

messages are coming from when I receive

1329

00:57:11,510 --> 00:57:08,760

these messages I don't see anything

1330

00:57:15,290 --> 00:57:11,520

so I I don't know whether or not these

1331

00:57:17,990 --> 00:57:15,300

messages can be trusted I just feel that

1332

00:57:20,809 --> 00:57:18,000

they're important enough to discuss and

1333

00:57:23,089 --> 00:57:20,819

let whoever hears them make up his or

1334

00:57:29,870 --> 00:57:23,099

her own mind about

1335

00:57:36,230 --> 00:57:33,890

I've seen a big transformation

1336

00:57:38,750 --> 00:57:36,240

in my personality

1337

00:57:41,870 --> 00:57:38,760

since the time I started remembering my

1338

00:57:44,270 --> 00:57:41,880

encounters and and the present time

1339

00:57:46,010 --> 00:57:44,280

when I first started remembering my

1340

00:57:48,770 --> 00:57:46,020

encounters

1341

00:57:52,730 --> 00:57:48,780

of course I I wanted to be diagnosed as

1342

00:57:55,130 --> 00:57:52,740

crazy at first so I could be cured and

1343

00:57:56,930 --> 00:57:55,140

my memories

1344

00:58:00,530 --> 00:57:56,940

um

1345

00:58:03,470 --> 00:58:00,540

could just be put away

1346

00:58:06,049 --> 00:58:03,480

once I realized that my abduction

1347

00:58:07,549 --> 00:58:06,059

encounters were real really happened

1348

00:58:12,190 --> 00:58:07,559

were true

1349

00:58:16,130 --> 00:58:12,200

had a very difficult time coping

1350

00:58:19,609 --> 00:58:16,140

at first I went through denial and shock

1351

00:58:22,549 --> 00:58:19,619

oh I was angry too I wasn't angry that

1352

00:58:24,829 --> 00:58:22,559

my abductions were occurring I was angry

1353

00:58:28,490 --> 00:58:24,839

that my memory of them was being watched

1354

00:58:29,930 --> 00:58:28,500

from my mind I I was angry that entities

1355

00:58:32,270 --> 00:58:29,940

would

1356

00:58:34,670 --> 00:58:32,280

come come into my house during the night

1357

00:58:38,089 --> 00:58:34,680

and take me away and bring me back and

1358

00:58:42,470 --> 00:58:38,099

not allow me to remember it my anger

1359

00:58:45,789 --> 00:58:42,480

was was pointed at not knowing what was

1360

00:58:51,650 --> 00:58:49,730

after I realized I was being followed by

1361

00:58:54,589 --> 00:58:51,660

a parent military government people and

1362

00:58:56,990 --> 00:58:54,599

after I was taken to a base and

1363

00:58:59,450 --> 00:58:57,000

interrogated and given shock treatment

1364

00:59:01,490 --> 00:58:59,460

and drugged up by these apparent

1365

00:59:04,849 --> 00:59:01,500

military and government officials again

1366

00:59:08,450 --> 00:59:04,859

I was just horribly filled with anger I

1367

00:59:11,030 --> 00:59:08,460

felt betrayed by our military and

1368

00:59:12,650 --> 00:59:11,040

government I I felt that my rights had

1369

00:59:15,349 --> 00:59:12,660

been violated

1370

00:59:16,609 --> 00:59:15,359

I felt that all my privacy had been

1371

00:59:19,490 --> 00:59:16,619

Stripped Away

1372

00:59:21,470 --> 00:59:19,500

I felt like a little hunting animal that

1373

00:59:24,829 --> 00:59:21,480

couldn't escape

1374

00:59:26,870 --> 00:59:24,839

and I was filled with fear that I was

1375

00:59:30,589 --> 00:59:26,880

going to be killed

1376

00:59:33,289 --> 00:59:30,599

so I had a very very difficult time

1377

00:59:33,299 --> 00:59:35,809

um

1378

00:59:40,430 --> 00:59:37,970

I've had a lot of time to work through

1379

00:59:42,589 --> 00:59:40,440

all these feelings

1380

00:59:44,990 --> 00:59:42,599

the silent voice helped me work through

1381

00:59:48,890 --> 00:59:45,000

anger and fear

1382

00:59:52,490 --> 00:59:48,900

once I was told that

1383

00:59:55,789 --> 00:59:52,500

that I I mustn't dwell on anger and fear

1384

00:59:58,849 --> 00:59:55,799

and worry and guilt it took a while but

1385

01:00:01,490 --> 00:59:58,859

but I I learned that the truth of those

1386

01:00:03,470 --> 01:00:01,500

messages I learned that they didn't help

1387

01:00:04,250 --> 01:00:03,480

me these negative emotions didn't help

1388

01:00:10,730 --> 01:00:04,260

me

1389

01:00:12,470 --> 01:00:10,740

when I backslide and I'll maybe have an

1390

01:00:14,870 --> 01:00:12,480

encounter and wake up with marks on my

1391

01:00:17,270 --> 01:00:14,880

body won't remember how I got them and

1392

01:00:19,750 --> 01:00:17,280

that's extremely frustrating

1393

01:00:24,170 --> 01:00:19,760

and recently

1394

01:00:25,490 --> 01:00:24,180

I I remember being deprogrammed by a

1395

01:00:29,150 --> 01:00:25,500

parent military government officials

1396

01:00:31,190 --> 01:00:29,160

having my memory erased and I became

1397

01:00:34,970 --> 01:00:31,200

very upset with that

1398

01:00:37,309 --> 01:00:34,980

so I still face these challenges that

1399

01:00:38,870 --> 01:00:37,319

are difficult to deal with and hard to

1400

01:00:40,190 --> 01:00:38,880

cope with

1401

01:00:42,890 --> 01:00:40,200

but

1402

01:00:46,549 --> 01:00:42,900

there are things that I do for myself

1403

01:00:47,210 --> 01:00:46,559

that that help me cope

1404

01:00:49,609 --> 01:00:47,220

um

1405

01:00:51,370 --> 01:00:49,619

first thing I I have to remind myself

1406

01:00:56,589 --> 01:00:51,380

that I'm human

1407

01:01:01,609 --> 01:00:56,599

and I I just can't be cheerful and happy

1408

01:01:04,670 --> 01:01:01,619

all the time so I allow myself the

1409

01:01:06,170 --> 01:01:04,680

luxury of being depressed every once in

1410

01:01:07,190 --> 01:01:06,180

a while

1411

01:01:11,930 --> 01:01:07,200

um

1412

01:01:14,210 --> 01:01:11,940

sometimes I I Cry Sometimes if I

1413

01:01:16,250 --> 01:01:14,220

if I get extremely depressed I'll even

1414

01:01:18,410 --> 01:01:16,260

watch a sad movie or something like that

1415

01:01:21,710 --> 01:01:18,420

to make myself cry

1416

01:01:23,809 --> 01:01:21,720

so I can get the emotions out I realize

1417

01:01:26,329 --> 01:01:23,819

that the worst thing I can do is keep

1418

01:01:28,789 --> 01:01:26,339

everything bottled up inside if if I

1419

01:01:31,069 --> 01:01:28,799

keep everything bottled up inside it

1420

01:01:32,569 --> 01:01:31,079

eats at me and my chest starts or my

1421

01:01:35,089 --> 01:01:32,579

stomach hurts

1422

01:01:37,370 --> 01:01:35,099

and it starts affecting me physically or

1423

01:01:38,630 --> 01:01:37,380

I get so upset I can't eat

1424

01:01:41,329 --> 01:01:38,640

so

1425

01:01:43,910 --> 01:01:41,339

I've found that it's it's best for me to

1426

01:01:46,309 --> 01:01:43,920

do something to get the feelings out

1427

01:01:47,930 --> 01:01:46,319

I talked to other abductees and other

1428

01:01:50,510 --> 01:01:47,940

researchers that has helped me

1429

01:01:53,329 --> 01:01:50,520

tremendously knowing that I'm not alone

1430

01:01:55,549 --> 01:01:53,339

in all of this knowing that

1431

01:01:58,370 --> 01:01:55,559

that these things do happen to other

1432

01:02:00,470 --> 01:01:58,380

people that people I've never heard of

1433

01:02:02,210 --> 01:02:00,480

before never met before or whose stories

1434

01:02:04,609 --> 01:02:02,220

I've never heard and experienced the

1435

01:02:07,370 --> 01:02:04,619

same things I experience and that's

1436

01:02:09,410 --> 01:02:07,380

confirmation for me and the more

1437

01:02:13,010 --> 01:02:09,420

confirmation I get the easier it is for

1438

01:02:16,849 --> 01:02:14,390

um sometimes

1439

01:02:19,970 --> 01:02:16,859

I just have to get totally away from the

1440

01:02:22,910 --> 01:02:19,980

UFO phenomenon for a while sometimes I

1441

01:02:24,770 --> 01:02:22,920

have to escape for a few days where I

1442

01:02:26,630 --> 01:02:24,780

don't talk to any abductees or

1443

01:02:29,270 --> 01:02:26,640

researchers or answer my mail or answer

1444

01:02:31,910 --> 01:02:29,280

my phone and try not to even think about

1445

01:02:32,930 --> 01:02:31,920

the UFO phenomenon at all to clear my

1446

01:02:36,710 --> 01:02:32,940

head

1447

01:02:39,289 --> 01:02:36,720

helps me to get outside to to get out

1448

01:02:42,670 --> 01:02:39,299

with nature and to ReDiscover what God

1449

01:02:46,490 --> 01:02:42,680

created that helps me to cope

1450

01:02:49,490 --> 01:02:46,500

sometimes too and I make a point of

1451

01:02:53,690 --> 01:02:49,500

doing things that I enjoy

1452

01:02:56,329 --> 01:02:53,700

so that I can escape from the front from

1453

01:02:59,630 --> 01:02:56,339

the memories for a while

1454

01:03:04,190 --> 01:02:59,640

a lot of people ask me how I'm able to

1455

01:03:07,130 --> 01:03:04,200

cope with this abductive status so well

1456

01:03:08,750 --> 01:03:07,140

what they don't know because they don't

1457

01:03:11,930 --> 01:03:08,760

see it is that

1458

01:03:14,329 --> 01:03:11,940

I don't always deal with it so well

1459

01:03:15,609 --> 01:03:14,339

there's still so many things that happen

1460

01:03:18,829 --> 01:03:15,619

to me

1461

01:03:20,089 --> 01:03:18,839

that that I still have trouble coping

1462

01:03:21,950 --> 01:03:20,099

with

1463

01:03:34,190 --> 01:03:21,960

and

1464

01:03:36,589 --> 01:03:34,200

you know all we can do is just do the

1465

01:03:38,140 --> 01:03:36,599

best we can and that's all we can ask of

1466

01:03:42,849 --> 01:03:38,150

ourselves

1467

01:03:50,150 --> 01:03:47,630

many people ask me what my opinion is of

1468

01:03:53,510 --> 01:03:50,160

of what's going on here you know what

1469

01:03:56,450 --> 01:03:53,520

what's this phenomenon all about

1470

01:03:57,650 --> 01:03:56,460

and of course I don't have the answer to

1471

01:03:59,569 --> 01:03:57,660

that question

1472

01:04:03,289 --> 01:03:59,579

I wish I did

1473

01:04:05,809 --> 01:04:03,299

right now based on my own experiences

1474

01:04:08,809 --> 01:04:05,819

my own encounters

1475

01:04:11,990 --> 01:04:08,819

the telepathic messages I've received

1476

01:04:16,730 --> 01:04:12,000

military government harassment

1477

01:04:19,069 --> 01:04:16,740

my opinion at present is that

1478

01:04:20,230 --> 01:04:19,079

there's a struggle going on between Good

1479

01:04:23,270 --> 01:04:20,240

and Evil

1480

01:04:26,870 --> 01:04:23,280

and we're caught up in the middle of it

1481

01:04:30,530 --> 01:04:26,880

I've heard so many abductees talk about

1482

01:04:33,470 --> 01:04:30,540

their encounters that that sing to have

1483

01:04:35,089 --> 01:04:33,480

a negative slant and others seem to have

1484

01:04:38,569 --> 01:04:35,099

a positive slant

1485

01:04:40,730 --> 01:04:38,579

and I believe that we're caught up in

1486

01:04:44,030 --> 01:04:40,740

a war between

1487

01:04:48,109 --> 01:04:44,040

maybe Dark Forces and light forces good

1488

01:04:52,250 --> 01:04:48,119

and evil whatever we want to call it

1489

01:04:55,549 --> 01:04:52,260

but until I get further Evidence

1490

01:04:58,190 --> 01:04:55,559

that's that's what I tend to believe

1491

01:05:00,230 --> 01:04:58,200

I always like to

1492

01:05:02,089 --> 01:05:00,240

say that the one thing that is very

1493

01:05:06,410 --> 01:05:02,099

important to me

1494

01:05:07,789 --> 01:05:06,420

is that everyone keep an open mind

1495

01:05:11,870 --> 01:05:07,799

I

1496

01:05:13,970 --> 01:05:11,880

subduction phenomenon

1497

01:05:16,069 --> 01:05:13,980

I was a southern baptist certified

1498

01:05:17,809 --> 01:05:16,079

public accountant teaching in a very

1499

01:05:20,589 --> 01:05:17,819

traditional

1500

01:05:23,990 --> 01:05:20,599

environment

1501

01:05:26,089 --> 01:05:24,000

I knew nothing about the UFO phenomenon

1502

01:05:28,609 --> 01:05:26,099

at that time

1503

01:05:33,710 --> 01:05:28,619

and

1504

01:05:37,430 --> 01:05:35,329

a lot

1505

01:05:39,650 --> 01:05:37,440

a whole lot

1506

01:05:43,069 --> 01:05:39,660

I've had to expand my reality

1507

01:05:46,789 --> 01:05:44,510

and

1508

01:05:49,670 --> 01:05:46,799

I've discovered that

1509

01:05:50,809 --> 01:05:49,680

our world is our universe is so much

1510

01:05:54,829 --> 01:05:50,819

larger

1511

01:05:56,150 --> 01:05:54,839

than what I had ever imagined it being

1512

01:05:59,270 --> 01:05:56,160

and

1513

01:06:01,670 --> 01:05:59,280

the one thing that I request you know

1514

01:06:04,490 --> 01:06:01,680

really doesn't matter to me whether

1515

01:06:07,670 --> 01:06:04,500

someone believes me or not
