

1
00:00:01,920 --> 00:00:10,730
Dr R Leo sprinkle

2
00:00:14,390 --> 00:00:12,830
the history of the UFO controversy as

3
00:00:17,150 --> 00:00:14,400
described by Jacobs is filled with

4
00:00:19,250 --> 00:00:17,160
strange claims in Eerie events for some

5
00:00:22,010 --> 00:00:19,260
writers for example class Menzel and

6
00:00:24,109 --> 00:00:22,020
Taves these claims are nonsense brought

7
00:00:26,630 --> 00:00:24,119
forth by misguided UFO Witnesses and by

8
00:00:28,670 --> 00:00:26,640
misled UFO investigators however other

9
00:00:31,310 --> 00:00:28,680
riders for example heineck Lorenzen and

10
00:00:33,290 --> 00:00:31,320
Lorenzen Salisbury valet and others have

11
00:00:35,690 --> 00:00:33,300
described the UFO experience in terms of

12
00:00:38,270 --> 00:00:35,700
a display including Close Encounters

13
00:00:40,369 --> 00:00:38,280

abductions and contact e cases the

14

00:00:41,930 --> 00:00:40,379

emerging pattern of UFO activity leads

15

00:00:43,490 --> 00:00:41,940

to the tentative hypothesis of

16

00:00:46,430 --> 00:00:43,500

conditioning

17

00:00:48,770 --> 00:00:46,440

the question can be asked does the UFO

18

00:00:50,569 --> 00:00:48,780

phenomenon represent a program of cosmic

19

00:00:52,490 --> 00:00:50,579

Consciousness conditioning

20

00:00:53,930 --> 00:00:52,500

if investigators are willing to consider

21

00:00:55,670 --> 00:00:53,940

the question of psychic as well as

22

00:00:57,709 --> 00:00:55,680

physical manifestations in the UFO

23

00:00:59,569 --> 00:00:57,719

display then other questions raise their

24

00:01:01,610 --> 00:00:59,579

silly heads some of the questions are

25

00:01:03,410 --> 00:01:01,620

like these are UFO prophecies in the

26
00:01:05,870 --> 00:01:03,420
Physical Realm or in the psychic realm

27
00:01:08,330 --> 00:01:05,880
the UFO prophecies represent future

28
00:01:10,370 --> 00:01:08,340
events which will occur or do they

29
00:01:13,070 --> 00:01:10,380
represent impossible events which cannot

30
00:01:15,050 --> 00:01:13,080
occur do UFO prophecies represent

31
00:01:16,490 --> 00:01:15,060
possible events if humans do not mind

32
00:01:19,429 --> 00:01:16,500
Their Manners

33
00:01:21,890 --> 00:01:19,439
the UFO prophecies represent a mirage of

34
00:01:23,330 --> 00:01:21,900
our fantasies and fears of the future or

35
00:01:24,830 --> 00:01:23,340
do they represent a mirror which

36
00:01:27,649 --> 00:01:24,840
reflects our own postures and

37
00:01:29,390 --> 00:01:27,659
pronouncements of the presence

38
00:01:32,090 --> 00:01:29,400

prophecies are difficult to explore

39

00:01:33,890 --> 00:01:32,100

there is a mass of information however

40

00:01:35,810 --> 00:01:33,900

there seems to be no easy method for

41

00:01:37,850 --> 00:01:35,820

analyzing the information

42

00:01:39,789 --> 00:01:37,860

the general literature of Prophecy has

43

00:01:42,289 --> 00:01:39,799

several features including these one

44

00:01:43,730 --> 00:01:42,299

prophecies often deal with claims of

45

00:01:46,490 --> 00:01:43,740

covenants or relationships between

46

00:01:48,950 --> 00:01:46,500

humans and gods or spiritual forces

47

00:01:50,810 --> 00:01:48,960

two prophecies often deal with claims of

48

00:01:53,630 --> 00:01:50,820

changes which will occur or must occur

49

00:01:55,130 --> 00:01:53,640

if humans are to regain or gain their

50

00:01:57,649 --> 00:01:55,140

rightful position within the framework

51
00:01:59,749 --> 00:01:57,659
of the cosmos and three prophecies often

52
00:02:02,389 --> 00:01:59,759
deal with terminology and symbols which

53
00:02:04,130 --> 00:02:02,399
promote a variety of interpretations

54
00:02:05,870 --> 00:02:04,140
historians are quick to point out that

55
00:02:07,730 --> 00:02:05,880
prophecies Revelations and doomday

56
00:02:10,010 --> 00:02:07,740
predictions usually increase at the end

57
00:02:11,930 --> 00:02:10,020
of each Century thus it's appropriate

58
00:02:13,670 --> 00:02:11,940
that we now observe an increase of Bible

59
00:02:15,710 --> 00:02:13,680
inspired predictions of the end of the

60
00:02:17,210 --> 00:02:15,720
world as a bonus we also have an

61
00:02:20,030 --> 00:02:17,220
increase in predictions about UFO

62
00:02:21,589 --> 00:02:20,040
phenomena however for every UFO

63
00:02:23,510 --> 00:02:21,599

prediction which seems to be fulfilled

64

00:02:26,270 --> 00:02:23,520

there is one which is not fulfilled

65

00:02:28,430 --> 00:02:26,280

examples Jacobs has written about the

66

00:02:30,710 --> 00:02:28,440

incident described by Major friend I

67

00:02:33,110 --> 00:02:30,720

love that name a major friend was then

68

00:02:35,210 --> 00:02:33,120

the director of The Project Blue Book

69

00:02:38,330 --> 00:02:35,220

he described as an incident in which six

70

00:02:40,010 --> 00:02:38,340

Witnesses watched while one CA CIA

71

00:02:41,570 --> 00:02:40,020

officer went into a trance and

72

00:02:44,210 --> 00:02:41,580

apparently made contact with space

73

00:02:45,830 --> 00:02:44,220

people the others wanted proof

74

00:02:46,970 --> 00:02:45,840

the man in trance said that if they

75

00:02:49,190 --> 00:02:46,980

looked out of the window they would see

76
00:02:51,470 --> 00:02:49,200
a flying saucer three men rushed to the

77
00:02:53,089 --> 00:02:51,480
window and saw an UFO at the same time

78
00:02:55,190 --> 00:02:53,099
the radar Center at Washington National

79
00:02:57,050 --> 00:02:55,200
Airport reported a blockage of radar

80
00:02:58,729 --> 00:02:57,060
returns which occurred in the direction

81
00:03:01,309 --> 00:02:58,739
of the sighting

82
00:03:03,710 --> 00:03:01,319
CIA brief major friend who sat in on a

83
00:03:05,570 --> 00:03:03,720
later transition he asked to be kept

84
00:03:07,490 --> 00:03:05,580
informed of later developments but

85
00:03:09,050 --> 00:03:07,500
apparently nothing happened except for

86
00:03:11,630 --> 00:03:09,060
the transfer to other positions of the

87
00:03:13,970 --> 00:03:11,640
men involved on the other hand we have

88
00:03:16,550 --> 00:03:13,980

an incident described in the book by

89
00:03:17,930 --> 00:03:16,560
fesniker Recon and shakter when prophecy

90
00:03:20,210 --> 00:03:17,940
fails

91
00:03:22,130 --> 00:03:20,220
this book offers a conclusion by a group

92
00:03:24,649 --> 00:03:22,140
of social psychologists at one specific

93
00:03:26,089 --> 00:03:24,659
UFO prophecies fail True Believers do

94
00:03:27,890 --> 00:03:26,099
not change their beliefs they merely

95
00:03:29,210 --> 00:03:27,900
redouble their efforts in the same wrong

96
00:03:32,630 --> 00:03:29,220
direction

97
00:03:34,490 --> 00:03:32,640
well we ask again shall we dismiss UFO

98
00:03:36,649 --> 00:03:34,500
prophecies as a mirage generated by

99
00:03:39,110 --> 00:03:36,659
Spacey CIA officials or cilia cult

100
00:03:41,089 --> 00:03:39,120
groups and little towns across the USA

101

00:03:43,369 --> 00:03:41,099

the UFO prophecies merely mirror the

102

00:03:45,350 --> 00:03:43,379

doubts and anxieties about the future or

103

00:03:47,149 --> 00:03:45,360

do these prophecies represent a portion

104

00:03:49,610 --> 00:03:47,159

of a much larger program to condition

105

00:03:52,550 --> 00:03:49,620

our belief systems and thereby change

106

00:03:54,530 --> 00:03:52,560

our actions and our patterns of behavior

107

00:03:56,930 --> 00:03:54,540

a review of the literature offers

108

00:03:58,850 --> 00:03:56,940

information opinions and speculations

109

00:04:01,190 --> 00:03:58,860

about the purposes and processes of

110

00:04:02,390 --> 00:04:01,200

Prophecy especially in regard to the

111

00:04:03,589 --> 00:04:02,400

questions about the evolution of

112

00:04:06,170 --> 00:04:03,599

humankind

113

00:04:07,670 --> 00:04:06,180

here are some examples the rent do you

114

00:04:13,610 --> 00:04:07,680

you rent a book

115

00:04:15,229 --> 00:04:13,620

of 1955 and oah s p e ospi 1882 are

116

00:04:16,789 --> 00:04:15,239

histories of the universes as well as

117

00:04:18,770 --> 00:04:16,799

the history of the Earth

118

00:04:21,050 --> 00:04:18,780

a book by Chan Thomas called the Adam

119

00:04:23,450 --> 00:04:21,060

and Eve story offers a theory of

120

00:04:25,129 --> 00:04:23,460

cataclysmic Earth changes other books

121

00:04:27,050 --> 00:04:25,139

dealing with catastrophic events and

122

00:04:30,950 --> 00:04:27,060

earthquakes include those by goodavage

123

00:04:33,110 --> 00:04:30,960

by Goodman Valentine obscure Weber and

124

00:04:35,030 --> 00:04:33,120

lists and the anonymous geologist who

125

00:04:37,550 --> 00:04:35,040

analyze Edgar Casey's predictions about

126

00:04:39,590 --> 00:04:37,560

Earth changes in general these books are

127

00:04:41,210 --> 00:04:39,600

well written in many instances the

128

00:04:43,249 --> 00:04:41,220

writers compare available scientific

129

00:04:44,930 --> 00:04:43,259

knowledge with information which is

130

00:04:46,790 --> 00:04:44,940

obtained from persons who describe their

131

00:04:48,249 --> 00:04:46,800

Clairvoyant Visions or precognitive

132

00:04:50,629 --> 00:04:48,259

Impressions

133

00:04:52,430 --> 00:04:50,639

another group of books offer various

134

00:04:54,770 --> 00:04:52,440

theories about the process of prediction

135

00:04:56,510 --> 00:04:54,780

prophecy and synchronicity including

136

00:04:59,870 --> 00:04:56,520

social and psychic factors for example

137

00:05:01,310 --> 00:04:59,880

the books by Loy Baca and Vaughn yet

138

00:05:03,170 --> 00:05:01,320

another batch of books are based upon

139

00:05:06,590 --> 00:05:03,180

the writer's interpretations of biblical

140

00:05:09,290 --> 00:05:06,600

or religious Revelations for example the

141

00:05:11,629 --> 00:05:09,300

Fatima prophecy is described by Conor by

142

00:05:13,610 --> 00:05:11,639

Culligan and interpreted by Stanford

143

00:05:15,110 --> 00:05:13,620

a variety of books some of which seem to

144

00:05:16,969 --> 00:05:15,120

be more sensationalist and sensible

145

00:05:18,530 --> 00:05:16,979

offer the writers versions of the

146

00:05:21,110 --> 00:05:18,540

Apocalypse or the end of the world for

147

00:05:24,110 --> 00:05:21,120

example books by Brooke Ebon lahaye

148

00:05:27,409 --> 00:05:24,120

Lindsay Weldon and Levitt Wilkerson and

149

00:05:28,730 --> 00:05:27,419

the booklet Cosmic awareness speaks

150

00:05:30,230 --> 00:05:28,740

some writers provide their

151

00:05:32,150 --> 00:05:30,240

interpretations of the significance of

152

00:05:34,670 --> 00:05:32,160

UFO phenomena in the forthcoming quote

153

00:05:37,730 --> 00:05:34,680

New Age end quote for example Beckley at

154

00:05:39,950 --> 00:05:37,740

Elkins her attack Moyer Peters buharic

155

00:05:42,590 --> 00:05:39,960

shuttlewood Spangler and Steiger

156

00:05:44,689 --> 00:05:42,600

one Rider with a marvelous name of Eden

157

00:05:46,730 --> 00:05:44,699

has written a book entitled planet and

158

00:05:48,529 --> 00:05:46,740

Trouble the UFO assault on Earth

159

00:05:51,230 --> 00:05:48,539

another writer wrote a book whose title

160

00:05:52,909 --> 00:05:51,240

refers to economic predictions but the

161

00:05:55,010 --> 00:05:52,919

title looks as if it could refer to UFO

162

00:05:58,850 --> 00:05:55,020

predictions it's entitled how to prepare

163

00:06:02,570 --> 00:06:00,830

has provided a fascinating account of

164

00:06:04,790 --> 00:06:02,580

meditational experiments or rituals

165

00:06:06,529 --> 00:06:04,800

which apparently were proposed by UFO

166

00:06:08,029 --> 00:06:06,539

personalities and conducted by three

167

00:06:10,810 --> 00:06:08,039

persons who are attempting to minimize

168

00:06:14,450 --> 00:06:10,820

Warfare between Arab and Israeli armies

169

00:06:16,610 --> 00:06:14,460

tensley's book 77 argues that most UFO

170

00:06:19,010 --> 00:06:16,620

phenomena are reflective of esoteric or

171

00:06:21,469 --> 00:06:19,020

mystical teachings rather than physical

172

00:06:23,570 --> 00:06:21,479

manifestations and he concludes the

173

00:06:25,249 --> 00:06:23,580

purpose of these mystical displays is to

174

00:06:27,050 --> 00:06:25,259

shape the consciousness of the

175

00:06:28,969 --> 00:06:27,060

inhabitants of Earth

176

00:06:30,710 --> 00:06:28,979

Spangler described two types of

177

00:06:32,990 --> 00:06:30,720

archetypal symbols for new creative

178

00:06:35,749 --> 00:06:33,000

energies Services which are symbolized

179

00:06:37,550 --> 00:06:35,759

by the prophet and by the priest the

180

00:06:39,710 --> 00:06:37,560

prophet refers to Consciousness which is

181

00:06:42,469 --> 00:06:39,720

divinely inspired pointing out the Need

182

00:06:44,570 --> 00:06:42,479

For Change approaching Danger

183

00:06:47,390 --> 00:06:44,580

and acts as a catalyst in order to

184

00:06:49,249 --> 00:06:47,400

inspire transformation for the prophet

185

00:06:51,469 --> 00:06:49,259

reality is that which must be changed

186

00:06:53,450 --> 00:06:51,479

but the priest refers to changes which

187

00:06:55,430 --> 00:06:53,460

have already been accomplished so that

188

00:06:57,529 --> 00:06:55,440

reality is seen as the presence of the

189

00:06:58,790 --> 00:06:57,539

new the redeemed or the regenerated form

190

00:07:00,469 --> 00:06:58,800

of the world

191

00:07:02,510 --> 00:07:00,479

for the prophet the new age is yet to

192

00:07:04,430 --> 00:07:02,520

come for the priest the new age is

193

00:07:06,230 --> 00:07:04,440

already here

194

00:07:08,990 --> 00:07:06,240

Spangler goes on to point out that our

195

00:07:11,390 --> 00:07:09,000

links with quote space Brothers unquote

196

00:07:13,490 --> 00:07:11,400

are based upon consciousness

197

00:07:14,990 --> 00:07:13,500

quote ultimately it is only

198

00:07:18,409 --> 00:07:15,000

Consciousness which separates anything

199

00:07:20,689 --> 00:07:18,419

in the universe not space not time but

200

00:07:22,909 --> 00:07:20,699

Consciousness understand this and the

201
00:07:24,469 --> 00:07:22,919
key to All Space conduct in a new age is

202
00:07:26,990 --> 00:07:24,479
placed before you

203
00:07:29,150 --> 00:07:27,000
quote he claims that many meditational

204
00:07:30,050 --> 00:07:29,160
practice will lead to quote building an

205
00:07:31,969 --> 00:07:30,060
ark

206
00:07:33,650 --> 00:07:31,979
all who attuned to and live this

207
00:07:35,089 --> 00:07:33,660
Consciousness are absolutely protected

208
00:07:36,230 --> 00:07:35,099
no matter what happens to the outer

209
00:07:38,689 --> 00:07:36,240
world

210
00:07:40,730 --> 00:07:38,699
he goes on to say you are being visited

211
00:07:42,650 --> 00:07:40,740
by other planetary beings but they come

212
00:07:45,230 --> 00:07:42,660
to you now in higher energy bodies than

213
00:07:46,610 --> 00:07:45,240

before and you must yourselves rise in

214

00:07:48,890 --> 00:07:46,620

Consciousness if you wish to contact

215

00:07:50,629 --> 00:07:48,900

them unquote

216

00:07:52,430 --> 00:07:50,639

Spangler concludes quote the space

217

00:07:54,110 --> 00:07:52,440

Brothers will not come into relationship

218

00:07:56,390 --> 00:07:54,120

with you until you have evolved the

219

00:07:58,010 --> 00:07:56,400

capacity for Cosmic Brotherhood their

220

00:08:00,350 --> 00:07:58,020

interest is not simply that of helping

221

00:08:02,809 --> 00:08:00,360

you they await the people of Earth to

222

00:08:04,309 --> 00:08:02,819

arise in Consciousness so that you can

223

00:08:05,450 --> 00:08:04,319

begin working together to build greater

224

00:08:07,790 --> 00:08:05,460

patterns of life that will be

225

00:08:10,129 --> 00:08:07,800

interplanetary and scoped forming the

226

00:08:12,230 --> 00:08:10,139

bodies of truly vast Cosmic beings who

227

00:08:14,330 --> 00:08:12,240

cannot incarnate save within energy

228

00:08:16,610 --> 00:08:14,340

Fields provided by the United Harmony

229

00:08:19,010 --> 00:08:16,620

love thought and interaction of the

230

00:08:20,570 --> 00:08:19,020

races of several planetary systems

231

00:08:22,670 --> 00:08:20,580

unquote

232

00:08:24,890 --> 00:08:22,680

well these are heavy statements to lay

233

00:08:26,450 --> 00:08:24,900

on our poor suffering Souls is there any

234

00:08:27,770 --> 00:08:26,460

basis for accepting these statements as

235

00:08:28,969 --> 00:08:27,780

meaningful within our traditional

236

00:08:30,589 --> 00:08:28,979

knowledge

237

00:08:32,269 --> 00:08:30,599

I tried to think of ways that I could

238

00:08:34,490 --> 00:08:32,279

conduct quote scientific unquote

239

00:08:37,070 --> 00:08:34,500
observations in order to test the

240

00:08:39,409 --> 00:08:37,080
hypotheses of UFO prophecies

241

00:08:41,810 --> 00:08:39,419
I could not

242

00:08:42,949 --> 00:08:41,820
so I decided upon a couple of methods of

243

00:08:45,710 --> 00:08:42,959
observations

244

00:08:48,829 --> 00:08:45,720
after contemplation 96

245

00:08:51,290 --> 00:08:48,839
in two rituals or two observations

246

00:08:54,769 --> 00:08:51,300
in the second ritual at 1 20 PM Monday

247

00:08:55,910 --> 00:08:54,779
November 12 1979 I consulted the itching

248

00:08:58,730 --> 00:08:55,920
workbook

249

00:09:00,110 --> 00:08:58,740
by wing of 1979 I cast coins while

250

00:09:02,389 --> 00:09:00,120
asking the question

251
00:09:03,949 --> 00:09:02,399
is the topic of UFO prophecies a

252
00:09:06,170 --> 00:09:03,959
significant issue in the eventual

253
00:09:08,870 --> 00:09:06,180
solution of the UFO mystery

254
00:09:11,650 --> 00:09:08,880
I have time I obtained the trigrams Ali

255
00:09:14,389 --> 00:09:11,660
and Tui resulting in the hexagram 49

256
00:09:17,870 --> 00:09:14,399
changing to trigrams Chan and Chen

257
00:09:21,290 --> 00:09:17,880
resulting in hexagram number 51.

258
00:09:23,449 --> 00:09:21,300
what does that mean well hexagram 49 is

259
00:09:25,250 --> 00:09:23,459
entitled changing or revolution quote

260
00:09:27,410 --> 00:09:25,260
the forces that worked in the situation

261
00:09:29,150 --> 00:09:27,420
are in Conflict leaving the path open to

262
00:09:32,570 --> 00:09:29,160
change unquote

263
00:09:34,850 --> 00:09:32,580

hexagram 51 is entitled shocking quote

264

00:09:36,829 --> 00:09:34,860

the sudden force of stored and kinetic

265

00:09:40,070 --> 00:09:36,839

energy in the cosmos will be released in

266

00:09:41,630 --> 00:09:40,080

a powerful and shocking display unquote

267

00:09:43,610 --> 00:09:41,640

I don't know what this information means

268

00:09:44,870 --> 00:09:43,620

to you but I regard it as one more

269

00:09:48,050 --> 00:09:44,880

question mark and the many questions

270

00:09:49,490 --> 00:09:48,060

about UFO phenomena my first ritual was

271

00:09:52,070 --> 00:09:49,500

somewhat more traditional in on

272

00:09:53,630 --> 00:09:52,080

obtaining information I gathered from my

273

00:09:55,310 --> 00:09:53,640

files a few of the materials which have

274

00:09:57,590 --> 00:09:55,320

been submitted by persons who claim the

275

00:09:59,870 --> 00:09:57,600

experience of being abducted examined

276

00:10:03,769 --> 00:09:59,880

released and then monitored by UFO

277

00:10:05,630 --> 00:10:03,779

entities or UFO occupants or you Folk of

278

00:10:07,190 --> 00:10:05,640

these some 40 persons I have conducted

279

00:10:09,110 --> 00:10:07,200

regular correspondence with several of

280

00:10:10,730 --> 00:10:09,120

them and they send me copies of the

281

00:10:13,190 --> 00:10:10,740

messages or Transmissions which they

282

00:10:14,930 --> 00:10:13,200

receive from their UFO mentors

283

00:10:16,370 --> 00:10:14,940

of course they have no way to prove the

284

00:10:18,410 --> 00:10:16,380

alleged source of the information which

285

00:10:20,389 --> 00:10:18,420

they receive but they are obviously

286

00:10:22,610 --> 00:10:20,399

sincere in their belief that they are

287

00:10:24,710 --> 00:10:22,620

obtaining information

288

00:10:26,630 --> 00:10:24,720

two of the men have obtained psychic

289

00:10:28,730 --> 00:10:26,640

impressions of quote future unquote

290

00:10:30,650 --> 00:10:28,740

armed conflict between Arab and Israeli

291

00:10:32,690 --> 00:10:30,660

armies one had a premonition of the

292

00:10:35,030 --> 00:10:32,700

death of Robert Kennedy the other man

293

00:10:36,530 --> 00:10:35,040

had described an impression received in

294

00:10:38,570 --> 00:10:36,540

1968

295

00:10:40,130 --> 00:10:38,580

of Ted Kennedy becoming a presidential

296

00:10:42,889 --> 00:10:40,140

candidate and then being wounded in the

297

00:10:44,569 --> 00:10:42,899

shoulder during an assassination attempt

298

00:10:46,130 --> 00:10:44,579

two of the women received continuing

299

00:10:48,350 --> 00:10:46,140

messages of scientific and religious

300

00:10:51,470 --> 00:10:48,360

topics including

301

00:10:53,509 --> 00:10:51,480

kimata or devices for Mass psychic

302

00:10:55,190 --> 00:10:53,519

Communications two other women receive

303

00:10:57,230 --> 00:10:55,200

impressions of quote future unfold

304

00:10:59,030 --> 00:10:57,240

Learning Centers and methods of

305

00:11:00,769 --> 00:10:59,040

educating humankind

306

00:11:03,530 --> 00:11:00,779

two other women received impressions of

307

00:11:05,509 --> 00:11:03,540

possible Earth changes and earthquakes

308

00:11:07,550 --> 00:11:05,519

a friend of one of these women whose

309

00:11:09,829 --> 00:11:07,560

pseudonym is stormy winter star has

310

00:11:12,410 --> 00:11:09,839

provided these UFO prophecies

311

00:11:14,269 --> 00:11:12,420

one during the 1980s there will be a

312

00:11:16,250 --> 00:11:14,279

revelation for the UFO phenomenon during

313

00:11:17,630 --> 00:11:16,260

this time we will become enlightened as

314

00:11:19,430 --> 00:11:17,640

to who they are and where they come from

315

00:11:21,650 --> 00:11:19,440

we'll have a craft on the ground

316

00:11:23,150 --> 00:11:21,660

two government officials will try and

317

00:11:25,069 --> 00:11:23,160

discount this but the cover-ups will not

318

00:11:26,569 --> 00:11:25,079

be successful in explanation of this

319

00:11:28,610 --> 00:11:26,579

people have had Close Encounters will

320

00:11:30,769 --> 00:11:28,620

rally and come forth to be enlightened

321

00:11:32,389 --> 00:11:30,779

three one of my basic predictions

322

00:11:34,130 --> 00:11:32,399

concerns their base which I believe to

323

00:11:36,290 --> 00:11:34,140

be inside the earth and is accessible to

324

00:11:38,389 --> 00:11:36,300

them through water also for example or

325

00:11:39,829 --> 00:11:38,399

in other words oceans lakes rivers as

326

00:11:41,569 --> 00:11:39,839

well as through the Earth

327

00:11:42,650 --> 00:11:41,579

I believe the main place for them to

328

00:11:44,470 --> 00:11:42,660

enter their base from the Earth's

329

00:11:46,370 --> 00:11:44,480

atmosphere is around the polar ice cap

330

00:11:47,990 --> 00:11:46,380

forwards my belief that there are many

331

00:11:49,250 --> 00:11:48,000

types of spacecrafts used for many

332

00:11:50,810 --> 00:11:49,260

reasons and the majority of these

333

00:11:52,550 --> 00:11:50,820

occupants are friendly and non-violent

334

00:11:54,350 --> 00:11:52,560

types they are interested in research

335

00:11:56,449 --> 00:11:54,360

and study however I do believe and

336

00:11:58,850 --> 00:11:56,459

predict that we'll find those of war in

337

00:12:00,949 --> 00:11:58,860

outer space Also it seems to me that

338

00:12:02,750 --> 00:12:00,959

their base would be in the Galaxy we

339

00:12:05,150 --> 00:12:02,760

will find these beings more humanoid and

340

00:12:07,190 --> 00:12:05,160

violently aggressive five there will be

341

00:12:09,110 --> 00:12:07,200

a ground war in the 1980s as well as the

342

00:12:10,970 --> 00:12:09,120

space War the Encounters of the two

343

00:12:13,009 --> 00:12:10,980

opposing forces will lead no mystery for

344

00:12:14,630 --> 00:12:13,019

us it will be during this war that our

345

00:12:16,850 --> 00:12:14,640

questions will be answered for man to

346

00:12:18,949 --> 00:12:16,860

read the aggressive forces of space will

347

00:12:21,410 --> 00:12:18,959

not emerge victorious in this war

348

00:12:23,990 --> 00:12:21,420

6 we will find that abductees and

349

00:12:26,690 --> 00:12:24,000

contactees are not carelessly selected

350

00:12:28,550 --> 00:12:26,700

but carefully chosen people we will find

351

00:12:31,009 --> 00:12:28,560

that each one fits into the framework of

352

00:12:32,930 --> 00:12:31,019

the Space Age when the Space Age Dons is

353

00:12:34,550 --> 00:12:32,940

a new era we will learn how important

354

00:12:36,470 --> 00:12:34,560

these people are to the future of this

355

00:12:38,630 --> 00:12:36,480

continent and to the world from

356

00:12:40,490 --> 00:12:38,640

observation only the mentally strong can

357

00:12:41,509 --> 00:12:40,500

survive contact with the occupants of

358

00:12:43,250 --> 00:12:41,519

UFOs

359

00:12:45,050 --> 00:12:43,260

seven I predict that we will find that

360

00:12:47,449 --> 00:12:45,060

from time of contact the abductees are

361

00:12:49,790 --> 00:12:47,459

in a sleep state of learning and

362

00:12:52,430 --> 00:12:49,800

programming for the Space Age on almost

363

00:12:53,810 --> 00:12:52,440

a daily or nightly basis contactees are

364

00:12:55,910 --> 00:12:53,820

vaguely aware of this training program

365

00:12:57,290 --> 00:12:55,920

however known communication produces a

366

00:12:58,670 --> 00:12:57,300

barrier between them and what we call

367

00:13:00,290 --> 00:12:58,680

normal life

368

00:13:01,910 --> 00:13:00,300

eight we will one day be in a position

369

00:13:03,949 --> 00:13:01,920

to view spacecrafts that are now

370

00:13:06,410 --> 00:13:03,959

obsolete to space creature creatures

371

00:13:07,970 --> 00:13:06,420

nine we will learn that reincarnation is

372

00:13:09,710 --> 00:13:07,980

an important factor between present

373

00:13:12,350 --> 00:13:09,720

contactees and other lives aboard

374

00:13:14,509 --> 00:13:12,360

spacecrafts ten during a time of War

375

00:13:16,009 --> 00:13:14,519

another physical stress people known to

376

00:13:18,410 --> 00:13:16,019

us now as abductees will disappear

377

00:13:19,850 --> 00:13:18,420

leaving no trace this is to say that I

378

00:13:22,250 --> 00:13:19,860

believe that they will become residents

379

00:13:24,530 --> 00:13:22,260

of the UFO bases or compounds as a

380

00:13:26,629 --> 00:13:24,540

protective measure for contactees when

381

00:13:28,069 --> 00:13:26,639

this becomes necessary they will become

382

00:13:30,350 --> 00:13:28,079

useful in their respective fields of

383

00:13:31,910 --> 00:13:30,360

Higher Learning I believe that all the

384

00:13:34,129 --> 00:13:31,920

above predictions have now started to

385

00:13:35,569 --> 00:13:34,139

become to pass and by the late 1990s we

386

00:13:37,610 --> 00:13:35,579

will find that we have been negligent in

387

00:13:39,530 --> 00:13:37,620

our Pursuits and will be faced with the

388

00:13:41,750 --> 00:13:39,540

universal truths of realities sincerely

389

00:13:45,769 --> 00:13:41,760

stormy winterstar

390

00:13:47,629 --> 00:13:45,779

another person HG writes of possible

391

00:13:49,370 --> 00:13:47,639

future events quote

392

00:13:51,710 --> 00:13:49,380

there has been much much prattle about

393

00:13:53,690 --> 00:13:51,720

the Rapture each sect and denomination

394

00:13:55,250 --> 00:13:53,700

claiming exclusive priority in this

395

00:13:56,930 --> 00:13:55,260

event none of them knows what it's all

396

00:13:58,490 --> 00:13:56,940

about and the pattlers do their flock's

397

00:14:00,470 --> 00:13:58,500

great disservice by misleading them into

398

00:14:02,449 --> 00:14:00,480

believing that their particular sect

399

00:14:05,170 --> 00:14:02,459

offers Surefire participation this great

400

00:14:07,370 --> 00:14:05,180

event Celestial command has exacted

401

00:14:09,949 --> 00:14:07,380

preparations for what they refer to as

402

00:14:12,290 --> 00:14:09,959

operation liftoff this entails much much

403

00:14:13,790 --> 00:14:12,300

more than the human mind can conceive it

404

00:14:15,530 --> 00:14:13,800

allows for the coming in of celestial

405

00:14:17,509 --> 00:14:15,540

ships to carry the True Believers to

406

00:14:19,069 --> 00:14:17,519

regions of safety during the time of the

407

00:14:22,250 --> 00:14:19,079

great cataclysms and Geographic

408

00:14:24,410 --> 00:14:22,260

upheavals As One Source States

409

00:14:26,210 --> 00:14:24,420

right intent will be the true passport

410

00:14:28,670 --> 00:14:26,220

liftoff will include those from every

411

00:14:29,569 --> 00:14:28,680

race Orthodox secularism will have no

412

00:14:31,129 --> 00:14:29,579

bearing

413

00:14:32,810 --> 00:14:31,139

there will be great turmoil among those

414

00:14:35,030 --> 00:14:32,820

remaining on Earth Great Famine great

415

00:14:36,590 --> 00:14:35,040

pestilence great fighting this person

416

00:14:38,329 --> 00:14:36,600

goes on to say in the final showdown

417

00:14:40,069 --> 00:14:38,339

Communists China will join hands with

418

00:14:42,410 --> 00:14:40,079

communist Russia to quote fight against

419

00:14:43,970 --> 00:14:42,420

the Lord unquote the final battle will

420

00:14:46,370 --> 00:14:43,980

be fought between the quote good guys

421

00:14:48,290 --> 00:14:46,380

and the bad guys end quote After Earth

422

00:14:49,730 --> 00:14:48,300

goes into new orbit the good guys will

423

00:14:51,050 --> 00:14:49,740

come in and take over command of this

424

00:14:52,189 --> 00:14:51,060

planet there will be an entirely new

425

00:14:54,530 --> 00:14:52,199

political and economic setup

426
00:14:56,150 --> 00:14:54,540
administered by Celestial command and

427
00:14:57,769 --> 00:14:56,160
interplanetary and even Intergalactic

428
00:15:00,110 --> 00:14:57,779
Communications will be re-established

429
00:15:02,509 --> 00:15:00,120
end of quotations

430
00:15:04,550 --> 00:15:02,519
another example a 35 year old woman who

431
00:15:06,829 --> 00:15:04,560
calls herself Gloria Archer experienced

432
00:15:09,470 --> 00:15:06,839
some strange events for for 12 long

433
00:15:11,389 --> 00:15:09,480
years which caused her much distress

434
00:15:12,889 --> 00:15:11,399
she's a bright attractive and perceptive

435
00:15:14,509 --> 00:15:12,899
person however she was raised in a

436
00:15:16,550 --> 00:15:14,519
family who value family Unity

437
00:15:18,769 --> 00:15:16,560
nationalism traditional views Common

438
00:15:20,210 --> 00:15:18,779

Sense reality and a fundamentalist

439

00:15:21,769 --> 00:15:20,220

Christian belief

440

00:15:24,050 --> 00:15:21,779

she was unable to talk with her family

441

00:15:26,090 --> 00:15:24,060

about her UFO experiences which included

442

00:15:28,910 --> 00:15:26,100

out of the body experience near-death

443

00:15:31,009 --> 00:15:28,920

experience abduction bodily and sexual

444

00:15:32,870 --> 00:15:31,019

examination mental communication with

445

00:15:34,850 --> 00:15:32,880

UFO personalities

446

00:15:36,530 --> 00:15:34,860

results of psychological inventories

447

00:15:38,569 --> 00:15:36,540

indicated that her profile of scores

448

00:15:41,269 --> 00:15:38,579

were in the normal range of scores for

449

00:15:43,069 --> 00:15:41,279

USA adults hypnotic suggestions to

450

00:15:44,750 --> 00:15:43,079

recall and relive her UFO experiences

451

00:15:46,790 --> 00:15:44,760

were a helpful to her in recognizing

452

00:15:49,610 --> 00:15:46,800

that she had experienced direct contact

453

00:15:51,230 --> 00:15:49,620

with alien beings Gloria Archer has

454

00:15:53,210 --> 00:15:51,240

described the effects of her UFO

455

00:15:54,470 --> 00:15:53,220

experience as shown by the following

456

00:15:56,329 --> 00:15:54,480

excerpts

457

00:15:58,370 --> 00:15:56,339

beginning the quote changes brought

458

00:16:00,769 --> 00:15:58,380

about in the interme as a result of this

459

00:16:02,810 --> 00:16:00,779

experience after my experience I knew

460

00:16:04,970 --> 00:16:02,820

that I'd been privileged with a glimpse

461

00:16:06,170 --> 00:16:04,980

of something infinitely wondrous and

462

00:16:08,509 --> 00:16:06,180

profound

463

00:16:11,449 --> 00:16:08,519

my inner Consciousness had undergone a

464

00:16:13,250 --> 00:16:11,459

complete and staggering metamorphosis

465

00:16:15,050 --> 00:16:13,260

those truths I had been taught Through

466

00:16:17,870 --> 00:16:15,060

The Years by my church family parents

467

00:16:20,269 --> 00:16:17,880

and teachers no longer were valid to me

468

00:16:21,769 --> 00:16:20,279

these beliefs have been replaced by an

469

00:16:23,870 --> 00:16:21,779

understanding of the process we call

470

00:16:26,210 --> 00:16:23,880

creation and I know our earth science

471

00:16:27,889 --> 00:16:26,220

and education are not yet beginning to

472

00:16:29,569 --> 00:16:27,899

suspect the universal laws that govern

473

00:16:30,769 --> 00:16:29,579

the creation of Worlds within our

474

00:16:33,170 --> 00:16:30,779

universe

475

00:16:34,310 --> 00:16:33,180

the following is a synopsis of the

476

00:16:36,050 --> 00:16:34,320

changes brought about in the

477

00:16:38,930 --> 00:16:36,060

intermediate as a direct consequence of

478

00:16:41,269 --> 00:16:38,940

my experience and I'll read just briefly

479

00:16:44,150 --> 00:16:41,279

some of the excerpts from those

480

00:16:45,829 --> 00:16:44,160

statements one I've embraced a faith of

481

00:16:48,410 --> 00:16:45,839

cosmic conditions

482

00:16:49,910 --> 00:16:48,420

two I no longer have allegiance to any

483

00:16:52,009 --> 00:16:49,920

particular form of Earthly government

484

00:16:54,530 --> 00:16:52,019

political system race economic or social

485

00:16:56,629 --> 00:16:54,540

structure my only Allegiance is to my

486

00:16:59,210 --> 00:16:56,639

Creator and to the cosmic Christ

487

00:17:01,009 --> 00:16:59,220

three I've continued to be obsessed with

488

00:17:02,749 --> 00:17:01,019

an expanding desire for truth and

489

00:17:05,150 --> 00:17:02,759

understanding of Earth's in man's

490

00:17:06,829 --> 00:17:05,160

evolutionary progress four I have

491

00:17:08,929 --> 00:17:06,839

studied the mind in altar States Of

492

00:17:11,210 --> 00:17:08,939

Consciousness five I'm a firm believer

493

00:17:12,890 --> 00:17:11,220

in reincarnation all of us are Immortal

494

00:17:15,049 --> 00:17:12,900

Souls and we are responsible for what

495

00:17:17,870 --> 00:17:15,059

our minds manifest around us

496

00:17:19,130 --> 00:17:17,880

six I have strived to balance myself to

497

00:17:20,630 --> 00:17:19,140

evolve physically mentally and

498

00:17:22,970 --> 00:17:20,640

spiritually into a more balanced human

499

00:17:25,490 --> 00:17:22,980

being seven I've tried to live my

500

00:17:27,230 --> 00:17:25,500

principles and moral laws Within Myself

501
00:17:30,049 --> 00:17:27,240
eight I have vowed to serve the

502
00:17:32,690 --> 00:17:30,059
universal law I try to feel and live the

503
00:17:35,750 --> 00:17:32,700
law of love for others

504
00:17:39,230 --> 00:17:35,760
nine all my life is one we are part of

505
00:17:43,029 --> 00:17:39,240
the Stars oceans all creation

506
00:17:46,669 --> 00:17:43,039
ten I have no fear of death

507
00:17:48,710 --> 00:17:46,679
eleven my mission is to Earth citizens

508
00:17:50,390 --> 00:17:48,720
and environment unless the consciousness

509
00:17:52,130 --> 00:17:50,400
of humankind is raised we will

510
00:17:54,770 --> 00:17:52,140
ultimately destroy the work of eons

511
00:17:55,669 --> 00:17:54,780
ourselves and the present environment of

512
00:17:59,029 --> 00:17:55,679
our world

513
00:18:02,270 --> 00:17:59,039

12 man is facing a crucial period in his

514

00:18:04,190 --> 00:18:02,280

Evolution as a species 13 I believe in a

515

00:18:06,830 --> 00:18:04,200

father mother God a balanced interchange

516

00:18:08,750 --> 00:18:06,840

between the creativity of both sexes 14

517

00:18:10,250 --> 00:18:08,760

I have the knowledge that we are

518

00:18:12,230 --> 00:18:10,260

unknowing participants in a living

519

00:18:15,049 --> 00:18:12,240

Universe there are other life forms

520

00:18:16,850 --> 00:18:15,059

other worlds other dimensions 15 I'm

521

00:18:19,070 --> 00:18:16,860

experiencing loss of interest in the

522

00:18:21,409 --> 00:18:19,080

accumulation of material things

523

00:18:24,289 --> 00:18:21,419

16 basically I have become a pacifist

524

00:18:26,810 --> 00:18:24,299

War depletes it does not enrich

525

00:18:29,390 --> 00:18:26,820

17 I have the knowledge that the world's

526

00:18:30,710 --> 00:18:29,400

fuel must be water I feel a total

527

00:18:32,510 --> 00:18:30,720

disagreement with the new society that

528

00:18:36,169 --> 00:18:32,520

pushes the use of nuclear fuel or

529

00:18:37,909 --> 00:18:36,179

weapons 18 Within Myself I experienced

530

00:18:39,289 --> 00:18:37,919

the consummation of science with

531

00:18:41,330 --> 00:18:39,299

religion

532

00:18:43,310 --> 00:18:41,340

after many years I now realize and know

533

00:18:45,169 --> 00:18:43,320

that my own transformation was not and

534

00:18:47,330 --> 00:18:45,179

is not a single experience here upon

535

00:18:50,210 --> 00:18:47,340

Earth there are literally hundreds if

536

00:18:52,610 --> 00:18:50,220

not thousands of people who are and or

537

00:18:54,289 --> 00:18:52,620

have experienced this metamorphosis our

538

00:18:55,970 --> 00:18:54,299

numbers are growing yearly and we are

539

00:18:59,090 --> 00:18:55,980

beginning to locate and communicate with

540

00:19:00,950 --> 00:18:59,100

each other an alien invasion has already

541

00:19:03,409 --> 00:19:00,960

occurred on Earth

542

00:19:06,110 --> 00:19:03,419

the Conquering power is not military or

543

00:19:08,270 --> 00:19:06,120

technological economic superiority it is

544

00:19:09,470 --> 00:19:08,280

a revolution in Consciousness and

545

00:19:11,390 --> 00:19:09,480

spiritual knowing that has been

546

00:19:13,820 --> 00:19:11,400

implanted within the minds of thousands

547

00:19:15,230 --> 00:19:13,830

of people all over the world

548

00:19:17,870 --> 00:19:15,240

[Music]

549

00:19:20,270 --> 00:19:17,880

the future of this world is passing into

550

00:19:22,549 --> 00:19:20,280

the hands and minds of these people

551
00:19:24,470 --> 00:19:22,559
those of us who have been contacted no

552
00:19:25,970 --> 00:19:24,480
longer serve the old orders we fear

553
00:19:28,250 --> 00:19:25,980
nothing least of all the threat of death

554
00:19:30,470 --> 00:19:28,260
or physical deprivation we are here now

555
00:19:31,730 --> 00:19:30,480
we walk among you daily we pass you on

556
00:19:33,049 --> 00:19:31,740
the streets stand next during the

557
00:19:35,750 --> 00:19:33,059
elevators and you see little of what is

558
00:19:38,029 --> 00:19:35,760
moving daily to closer to completion we

559
00:19:40,610 --> 00:19:38,039
are among you and our force is the force

560
00:19:42,289 --> 00:19:40,620
of Mind governed by a morality and an

561
00:19:45,590 --> 00:19:42,299
ethical code that upon Earth is

562
00:19:46,850 --> 00:19:45,600
incomprehensible end of quotation I

563
00:19:48,710 --> 00:19:46,860

think it's interesting to note in regard

564

00:19:49,990 --> 00:19:48,720

to item seven quote I have the knowledge

565

00:19:53,029 --> 00:19:50,000

that the world's fuel must be water

566

00:19:56,570 --> 00:19:53,039

unquote uh I noticed in the Denver Post

567

00:19:58,250 --> 00:19:56,580

of November 13 1979 Associated Press

568

00:20:00,409 --> 00:19:58,260

news item about work being conducted in

569

00:20:02,990 --> 00:20:00,419

the Sandia Laboratories in Albuquerque

570

00:20:05,630 --> 00:20:03,000

New Mexico regarding a particle beam

571

00:20:07,130 --> 00:20:05,640

fusion fusion accelerator which was

572

00:20:09,409 --> 00:20:07,140

described as the only one of its kind

573

00:20:11,630 --> 00:20:09,419

outside the Soviet Union and is a type

574

00:20:13,370 --> 00:20:11,640

of nuclear reactor which if successful

575

00:20:15,409 --> 00:20:13,380

would be fueled by Nature's most

576

00:20:18,230 --> 00:20:15,419

plentiful resource water

577

00:20:21,590 --> 00:20:18,240

and this young woman has no knowledge of

578

00:20:24,230 --> 00:20:21,600

this kind of scientific work as far as I

579

00:20:26,690 --> 00:20:24,240

can determine well the question arises

580

00:20:29,450 --> 00:20:26,700

what do UFO prophecies tell us about the

581

00:20:32,330 --> 00:20:29,460

possible purposes of UFO personalities

582

00:20:34,789 --> 00:20:32,340

here is a model of these claims or

583

00:20:37,430 --> 00:20:34,799

speculations about UFO experiences and

584

00:20:39,169 --> 00:20:37,440

related conditions UFO experiences are

585

00:20:42,169 --> 00:20:39,179

one segment of a plan to transform

586

00:20:43,610 --> 00:20:42,179

humans from planetary persons to Cosmic

587

00:20:46,730 --> 00:20:43,620

citizens

588

00:20:50,630 --> 00:20:46,740

UFO contactees have been chosen no UFO

589

00:20:52,430 --> 00:20:50,640

contact is accidental to contact these

590

00:20:54,890 --> 00:20:52,440

are Ordinary People Who exhibited caring

591

00:20:56,750 --> 00:20:54,900

or loving concern for all humankind

592

00:20:58,490 --> 00:20:56,760

three contactees have an experience

593

00:21:02,450 --> 00:20:58,500

which can be viewed as a manifestation

594

00:21:04,029 --> 00:21:02,460

of their ideas of reality four UFO

595

00:21:06,590 --> 00:21:04,039

experiences include parapsychological

596

00:21:09,470 --> 00:21:06,600

parabiological parapsychological and

597

00:21:11,450 --> 00:21:09,480

para spiritual manifestations

598

00:21:14,029 --> 00:21:11,460

which are designed to influence the

599

00:21:16,370 --> 00:21:14,039

quote worldview of contact Deeds

600

00:21:18,590 --> 00:21:16,380

five contactees receive information

601
00:21:20,330 --> 00:21:18,600
during and after their UFO experiences

602
00:21:22,730 --> 00:21:20,340
which is related to their life interests

603
00:21:25,070 --> 00:21:22,740
for example Natural Sciences ancient

604
00:21:27,529 --> 00:21:25,080
civilizations psychic phenomena and

605
00:21:31,130 --> 00:21:27,539
metaphysical or spiritual knowledge Etc

606
00:21:33,470 --> 00:21:31,140
six contactees are gently coerced into

607
00:21:35,090 --> 00:21:33,480
studies and activities which blend with

608
00:21:37,070 --> 00:21:35,100
the ultimate purpose of UFO entities

609
00:21:39,590 --> 00:21:37,080
they are not forced to be obedient

610
00:21:41,750 --> 00:21:39,600
obedient to UFO personalities

611
00:21:43,370 --> 00:21:41,760
seven contactees are initiated and

612
00:21:47,510 --> 00:21:43,380
maintained within the general framework

613
00:21:49,390 --> 00:21:47,520

contact these views of reality thus UFO

614

00:21:51,830 --> 00:21:49,400

contacts can be reviewed as real

615

00:21:54,409 --> 00:21:51,840

face-to-face encounters

616

00:21:56,270 --> 00:21:54,419

with flesh and blood beings or UFO

617

00:21:58,850 --> 00:21:56,280

contacts can be viewed as dreams

618

00:22:01,549 --> 00:21:58,860

fantasies and subconscious ideas which

619

00:22:04,190 --> 00:22:01,559

are manifested consciously

620

00:22:06,470 --> 00:22:04,200

eight contactees are programmed for a

621

00:22:08,930 --> 00:22:06,480

variety of future activities including

622

00:22:10,370 --> 00:22:08,940

awareness of their own contacts and a

623

00:22:12,770 --> 00:22:10,380

desire to share their message and

624

00:22:15,950 --> 00:22:12,780

knowledge with other contact teams

625

00:22:17,390 --> 00:22:15,960

nine the lives of contactees move in the

626

00:22:19,730 --> 00:22:17,400

direction of Greater self-awareness

627

00:22:21,830 --> 00:22:19,740

greater concern for the welfare of the

628

00:22:23,990 --> 00:22:21,840

planet Earth and a greater sense of

629

00:22:25,130 --> 00:22:24,000

cosmic citizenship with other beings in

630

00:22:28,130 --> 00:22:25,140

the universe

631

00:22:30,169 --> 00:22:28,140

and 10 the personal metamorphosis of UFO

632

00:22:31,970 --> 00:22:30,179

contactees is the Forerunner of a social

633

00:22:34,430 --> 00:22:31,980

transformation in human consciousness

634

00:22:37,130 --> 00:22:34,440

which now is leading to changes in the

635

00:22:39,710 --> 00:22:37,140

economic educational military political

636

00:22:42,529 --> 00:22:39,720

and religious institutions of nations of

637

00:22:44,750 --> 00:22:42,539

the earth summary and conclusions on the

638

00:22:47,690 --> 00:22:44,760

basis of the various claims and the

639

00:22:50,029 --> 00:22:47,700

materials submitted by UFO contactees we

640

00:22:51,590 --> 00:22:50,039

are not able to determine if UFO

641

00:22:53,690 --> 00:22:51,600

entities exist

642

00:22:56,029 --> 00:22:53,700

you may recall that Eileen Garrett the

643

00:22:58,430 --> 00:22:56,039

renowned psychic and medium who was able

644

00:23:01,430 --> 00:22:58,440

to obtain psychic Impressions which

645

00:23:03,049 --> 00:23:01,440

later were verified was asked if the

646

00:23:05,690 --> 00:23:03,059

sources of her impressions actually were

647

00:23:07,909 --> 00:23:05,700

discarnate spirits and she replied on

648

00:23:09,529 --> 00:23:07,919

Monday Wednesday and Friday I say yes on

649

00:23:12,049 --> 00:23:09,539

Tuesday Thursday and Saturday I say no

650

00:23:14,570 --> 00:23:12,059

and on Sundays I'm not sure

651
00:23:16,190 --> 00:23:14,580
well in the same vein these good persons

652
00:23:18,230 --> 00:23:16,200
are not certain about the sources of

653
00:23:20,390 --> 00:23:18,240
their messages or transmission however

654
00:23:21,950 --> 00:23:20,400
on one point they all agree

655
00:23:23,930 --> 00:23:21,960
they feel as if they are receiving

656
00:23:25,610 --> 00:23:23,940
information from sources who seem to be

657
00:23:29,029 --> 00:23:25,620
highly intelligent and deeply ethical

658
00:23:31,310 --> 00:23:29,039
they feel that their lives are enriched

659
00:23:33,710 --> 00:23:31,320
in conclusion I suggest that we consider

660
00:23:35,570 --> 00:23:33,720
the work of a social psychologist Loy

661
00:23:37,850 --> 00:23:35,580
who has written a book entitled The

662
00:23:39,110 --> 00:23:37,860
Noble future a psychology of forecasting

663
00:23:40,970 --> 00:23:39,120

and prophecy

664

00:23:43,250 --> 00:23:40,980

claims that his book shows one how the

665

00:23:44,630 --> 00:23:43,260

future can be read two that this is a

666

00:23:47,090 --> 00:23:44,640

natural capacity within all of us

667

00:23:49,190 --> 00:23:47,100

scholar and non-scholar alike and three

668

00:23:51,110 --> 00:23:49,200

that this ability can be strengthened

669

00:23:53,630 --> 00:23:51,120

and made more socially useful through

670

00:23:55,010 --> 00:23:53,640

methods for the quote pooling of Asians

671

00:23:57,049 --> 00:23:55,020

unquote

672

00:23:58,909 --> 00:23:57,059

Loy offers the book in the hope of

673

00:24:01,490 --> 00:23:58,919

Bridging the Gap between rational and

674

00:24:03,350 --> 00:24:01,500

intuitive predictions quote to make the

675

00:24:05,690 --> 00:24:03,360

intelligent use of mind more palatable

676

00:24:07,970 --> 00:24:05,700

and of unconscious mind more respectable

677

00:24:10,250 --> 00:24:07,980

and to readers who need knowledge not

678

00:24:11,810 --> 00:24:10,260

merely of one or the other but of both

679

00:24:13,970 --> 00:24:11,820

unquote

680

00:24:17,330 --> 00:24:13,980

I wonder what knowledge might arise if

681

00:24:19,370 --> 00:24:17,340

UFO researchers and UFO contactees would
