

1
00:00:04,550 --> 00:00:02,750
the lights were really brilliant and it

2
00:00:06,050 --> 00:00:04,560
was just fascinating I mean it was it

3
00:00:08,509 --> 00:00:06,060
was enormous

4
00:00:10,430 --> 00:00:08,519
it just felt otherworldly

5
00:00:12,709 --> 00:00:10,440
you know you're in your gut you could

6
00:00:16,609 --> 00:00:12,719
just tell it was otherworldly well I saw

7
00:00:19,609 --> 00:00:16,619
a uh a huge craft just kind of come

8
00:00:22,550 --> 00:00:19,619
right over a Peak

9
00:00:24,650 --> 00:00:22,560
um that was it was just breathtaking it

10
00:00:26,570 --> 00:00:24,660
was a it was a unquestionably it was a

11
00:00:28,009 --> 00:00:26,580
UFO which means unidentified flying

12
00:00:29,929 --> 00:00:28,019
object there's nothing we're being

13
00:00:32,030 --> 00:00:29,939

visited well it's nothing like anything

14

00:00:34,610 --> 00:00:32,040

I've ever seen and you're an Air Force

15

00:00:37,670 --> 00:00:34,620

guy yeah yeah and a pilot uh got a lot

16

00:00:40,190 --> 00:00:37,680

of hours flying so it was pretty

17

00:00:43,069 --> 00:00:40,200

brehtaking and um and I'll never

18

00:00:44,830 --> 00:00:43,079

forget I I snuck out to see it

19

00:00:47,150 --> 00:00:44,840

um you know without DPS

20

00:00:50,090 --> 00:00:47,160

which I I'm not supposed to be driving

21

00:00:53,029 --> 00:00:50,100

my own car and that kind of thing and so

22

00:00:54,229 --> 00:00:53,039

but I told Anne what I was doing I was

23

00:00:56,389 --> 00:00:54,239

going to go up to Peak and see

24

00:00:58,729 --> 00:00:56,399

what everybody was you know clamoring

25

00:01:00,049 --> 00:00:58,739

about and when I walked in the front

26

00:01:02,209 --> 00:01:00,059

door she looked at me and I was

27

00:01:04,609 --> 00:01:02,219

apparently just normally I'm Fair

28

00:01:06,350 --> 00:01:04,619

complected and pale anyway right and she

29

00:01:09,289 --> 00:01:06,360

said oh my gosh she said she'd look like

30

00:01:11,810 --> 00:01:09,299

a ghost what did you say and I said

31

00:01:13,969 --> 00:01:11,820

well I don't know what I saw but it's it

32

00:01:15,429 --> 00:01:13,979

was really something and I'm not going

33

00:01:19,429 --> 00:01:15,439

to talk about it

34

00:01:22,070 --> 00:01:19,439

and so were you did it frighten you no I

35

00:01:24,050 --> 00:01:22,080

no I think I was kind of in awe really

36

00:01:25,850 --> 00:01:24,060

you know how big

37

00:01:28,390 --> 00:01:25,860

ger than anything I've ever seen in the

38

00:01:31,130 --> 00:01:28,400

sky like an aircraft carrier yeah yeah

39

00:01:33,770 --> 00:01:31,140

something like that you know and it was

40

00:01:35,330 --> 00:01:33,780

hard to Define because of the light in

41

00:01:37,069 --> 00:01:35,340

terms of the size but it but it was

42

00:01:39,350 --> 00:01:37,079

absolutely silent and had sort of your

43

00:01:41,510 --> 00:01:39,360

re-embedded lights and you know so

44

00:01:42,590 --> 00:01:41,520

that's what I thought I wasn't expecting

45

00:01:43,789 --> 00:01:42,600

to see anything because I was looking

46

00:01:45,249 --> 00:01:43,799

out over

47

00:01:49,550 --> 00:01:45,259

at Luke

48

00:01:51,490 --> 00:01:49,560

to the west and and then all of a sudden

49

00:01:54,109 --> 00:01:51,500

these people in the Park

50

00:01:55,370 --> 00:01:54,119

area on the just on the west side of 51

51
00:01:57,590 --> 00:01:55,380
there are a bunch of people there

52
00:01:59,330 --> 00:01:57,600
everybody said look at that and we

53
00:02:01,490 --> 00:01:59,340
turned around and this thing was coming

54
00:02:02,630 --> 00:02:01,500
from the Northwest traveling to the

55
00:02:06,170 --> 00:02:02,640
southeast

56
00:02:08,570 --> 00:02:06,180
we now know and it really hit me when

57
00:02:09,889 --> 00:02:08,580
when we were watching the Diamondbacks

58
00:02:13,750 --> 00:02:09,899
in game seven

59
00:02:17,210 --> 00:02:13,760
and the B1 flew over

60
00:02:19,070 --> 00:02:17,220
it wasn't yeah it wasn't a B1 bomber

61
00:02:21,110 --> 00:02:19,080
but that thing all of a sudden out of

62
00:02:22,850 --> 00:02:21,120
nowhere appears and I and I said to

63
00:02:25,490 --> 00:02:22,860

somebody that night I said well you know

64

00:02:27,470 --> 00:02:25,500

when they do test these they test them

65

00:02:29,930 --> 00:02:27,480

in populated areas they're new stuff

66

00:02:32,089 --> 00:02:29,940

they test it to see if people detect it

67

00:02:33,770 --> 00:02:32,099

do you believe it was ours do you

68

00:02:35,449 --> 00:02:33,780

believe it was something from the US

69

00:02:37,010 --> 00:02:35,459

government that they were kind of flying

70

00:02:38,809 --> 00:02:37,020

around yeah it wasn't even close to ABY

71

00:02:41,030 --> 00:02:38,819

was much bigger than B1 I'd be one that

72

00:02:42,710 --> 00:02:41,040

actually isn't that big I mean right I

73

00:02:45,350 --> 00:02:42,720

mean if it's it's at low altitude it'll

74

00:02:46,550 --> 00:02:45,360

appear a big but no this was totally

75

00:02:48,650 --> 00:02:46,560

different

76

00:02:49,910 --> 00:02:48,660

something though that you think our own

77

00:02:51,770 --> 00:02:49,920

government may have been kind of running

78

00:02:55,009 --> 00:02:51,780

by a populated area to see what would

79

00:02:57,770 --> 00:02:55,019

happen I will they certainly certainly

80

00:02:59,270 --> 00:02:57,780

achieved their goal of stirring the pot

81

00:03:01,250 --> 00:02:59,280

if that's what they were doing but I

82

00:03:03,410 --> 00:03:01,260

don't think I don't think so I don't I

83

00:03:05,809 --> 00:03:03,420

think this was technologically far

84

00:03:08,690 --> 00:03:05,819

advanced

85

00:03:12,170 --> 00:03:08,700

I use the I use the analogy can you

86

00:03:14,030 --> 00:03:12,180

imagine if you took Christopher Columbus

87

00:03:15,589 --> 00:03:14,040

and put him in the cockpit of a Boeing

88

00:03:18,170 --> 00:03:15,599

triple seven

89

00:03:20,930 --> 00:03:18,180

what his reaction would be he wouldn't

90

00:03:23,630 --> 00:03:20,940

understand it he would be convinced that

91

00:03:25,910 --> 00:03:23,640

this is something from another world you

92

00:03:27,290 --> 00:03:25,920

know and I think I really believe I

93

00:03:28,670 --> 00:03:27,300

believe that I believe that but I've

94

00:03:30,949 --> 00:03:28,680

always been open to that you know we're

95

00:03:31,910 --> 00:03:30,959

not alone in the universe I agree we're

96

00:03:33,589 --> 00:03:31,920

going to find that we're going to find

97

00:03:34,910 --> 00:03:33,599

that out one way or the other even Bill

98

00:03:37,369 --> 00:03:34,920

Clinton was talking about that the other

99

00:03:39,589 --> 00:03:37,379

day on the national news I saw that yeah

100

00:03:40,850 --> 00:03:39,599

I do believe that that we're not alone I

101
00:03:43,070 --> 00:03:40,860
just don't know that we've been visited

102
00:03:44,570 --> 00:03:43,080
but you think maybe that night we were I

103
00:03:46,250 --> 00:03:44,580
I think so yeah there have been so many

104
00:03:50,270 --> 00:03:46,260
different sort of sightings and

105
00:03:54,170 --> 00:03:50,280
inexplicable phenomena that you know um

106
00:03:56,330 --> 00:03:54,180
but but the disparity in terms of

107
00:03:58,970 --> 00:03:56,340
technological progress would be so vast

108
00:04:00,830 --> 00:03:58,980
that we would be I think of sort of no

109
00:04:03,110 --> 00:04:00,840
consequence to whoever is visiting us

110
00:04:05,030 --> 00:04:03,120
because the technology to get here would

111
00:04:08,149 --> 00:04:05,040
be just beyond anything we could imagine

112
00:04:10,130 --> 00:04:08,159
did it hover no it was just going in a

113
00:04:12,830 --> 00:04:10,140

straight line slow pace yeah slow pace

114

00:04:14,509 --> 00:04:12,840

yeah and then you know the roles there

115

00:04:16,310 --> 00:04:14,519

were the sightings of the America West

116

00:04:18,830 --> 00:04:16,320

Plain coming into Sky Harbor or said he

117

00:04:20,750 --> 00:04:18,840

could have landed on it it was enormous

118

00:04:22,129 --> 00:04:20,760

like an aircraft carrier in the sky is

119

00:04:23,330 --> 00:04:22,139

that about as good yes I think that's I

120

00:04:27,110 --> 00:04:23,340

think that's a fair description yeah

121

00:04:29,990 --> 00:04:27,120

yeah I'm five Simington in 1997 during

122

00:04:31,730 --> 00:04:30,000

my second term as Governor of Arizona I

123

00:04:33,530 --> 00:04:31,740

saw something that defied logic and

124

00:04:37,010 --> 00:04:33,540

challenged my reality

125

00:04:39,830 --> 00:04:37,020

I witnessed a massive delta-shaped craft

126

00:04:41,870 --> 00:04:39,840

that silently navigated over the

127

00:04:44,990 --> 00:04:41,880

Peak area

128

00:04:46,790 --> 00:04:45,000

in North Phoenix in the evening and it

129

00:04:49,850 --> 00:04:46,800

was truly breathtaking

130

00:04:51,830 --> 00:04:49,860

uh to my astonishment it appeared that

131

00:04:54,650 --> 00:04:51,840

it appeared to be a solid structure it

132

00:04:57,530 --> 00:04:54,660

was huge uh it had a very distinctive

133

00:05:00,830 --> 00:04:57,540

Leading Edge with embedded huge embedded

134

00:05:03,530 --> 00:05:00,840

lights in it and it was just traveling

135

00:05:05,450 --> 00:05:03,540

quietly made no sound through the

136

00:05:07,610 --> 00:05:05,460

Arizona night sky

137

00:05:09,710 --> 00:05:07,620

I still don't know what it was

138

00:05:12,650 --> 00:05:09,720

as a pilot and a former Air Force

139

00:05:14,450 --> 00:05:12,660

officer I can definitely say that this

140

00:05:16,370 --> 00:05:14,460

craft did not resemble any man-made

141

00:05:18,770 --> 00:05:16,380

object that I'd ever seen

142

00:05:19,850 --> 00:05:18,780

and it was certainly not high altitude

143

00:05:22,790 --> 00:05:19,860

flares

144

00:05:25,610 --> 00:05:22,800

as uh put out by the the Air Force at

145

00:05:28,730 --> 00:05:25,620

Luke Air Force Base because I've never

146

00:05:30,830 --> 00:05:28,740

seen flares fly in formation

147

00:05:33,409 --> 00:05:30,840

the incident was witnessed by hundreds

148

00:05:35,629 --> 00:05:33,419

if not thousands of people in Maricopa

149

00:05:37,730 --> 00:05:35,639

County and in Southern Arizona

150

00:05:41,629 --> 00:05:37,740

and my office was besieged with phone

151
00:05:43,850 --> 00:05:41,639
calls from very concerned citizens

152
00:05:45,770 --> 00:05:43,860
the growing hysteria intensified when

153
00:05:50,029 --> 00:05:45,780
the story broke nationally

154
00:05:51,290 --> 00:05:50,039
and so I decided to lighten the mood of

155
00:05:52,550 --> 00:05:51,300
the state and I called a press

156
00:05:55,010 --> 00:05:52,560
conference

157
00:05:57,170 --> 00:05:55,020
uh where I dressed up my chief of staff

158
00:05:59,029 --> 00:05:57,180
in a martian outfit

159
00:06:01,969 --> 00:05:59,039
it was meant to be a spoof a

160
00:06:03,770 --> 00:06:01,979
good-natured spoof that worked we

161
00:06:04,850 --> 00:06:03,780
managed to lessen the sense of panic at

162
00:06:07,969 --> 00:06:04,860
the time

163
00:06:09,710 --> 00:06:07,979

but I also upset quite a few of my

164

00:06:11,150 --> 00:06:09,720

constituents

165

00:06:12,170 --> 00:06:11,160

well I'd like now to set the record

166

00:06:14,870 --> 00:06:12,180

straight

167

00:06:17,270 --> 00:06:14,880

I never meant to ridicule anyone

168

00:06:19,790 --> 00:06:17,280

my office did make inquiries as to the

169

00:06:21,529 --> 00:06:19,800

origin of the craft but to this day they

170

00:06:23,390 --> 00:06:21,539

remain unanswered

171

00:06:25,370 --> 00:06:23,400

eventually the Air National Guard

172

00:06:27,590 --> 00:06:25,380

claimed responsibility stating that

173

00:06:30,050 --> 00:06:27,600

their pilots had been dropping flares

174

00:06:33,469 --> 00:06:30,060

they also also another individual from

175

00:06:35,990 --> 00:06:33,479

Tucson said that a-10s had been flying

176
00:06:37,969 --> 00:06:36,000
information over Maricopa County but

177
00:06:39,590 --> 00:06:37,979
those of us in the Air Force and those

178
00:06:41,510 --> 00:06:39,600
of you who know about a-10s they're

179
00:06:43,370 --> 00:06:41,520
called the warthog it's a tank-killing

180
00:06:45,050 --> 00:06:43,380
aircraft know that it's the noisiest

181
00:06:47,090 --> 00:06:45,060
machine in the sky and there's no way

182
00:06:49,129 --> 00:06:47,100
that a flight of a-10s could come over

183
00:06:50,390 --> 00:06:49,139
Maricopa County and be quiet that just

184
00:06:52,790 --> 00:06:50,400
doesn't work

185
00:06:55,129 --> 00:06:52,800
so we get these explanations that fly in

186
00:06:57,890 --> 00:06:55,139
the face effects explanations like

187
00:06:59,930 --> 00:06:57,900
weather balloons swamp gas

188
00:07:02,990 --> 00:06:59,940

military flares

189

00:07:05,689 --> 00:07:03,000

and hardware and software problems

190

00:07:08,689 --> 00:07:05,699

I was never happy with this silly silly

191

00:07:10,490 --> 00:07:08,699

explanation there might there might very

192

00:07:12,350 --> 00:07:10,500

well have been military flares in the

193

00:07:15,050 --> 00:07:12,360

sky that evening but that sure wasn't

194

00:07:16,850 --> 00:07:15,060

what uh what I and what hundreds of my

195

00:07:18,770 --> 00:07:16,860

fellow citizens saw

196

00:07:20,270 --> 00:07:18,780

well I now know that I'm not alone in

197

00:07:22,010 --> 00:07:20,280

witnessing something extraordinary

198

00:07:24,129 --> 00:07:22,020

that's the bottom line

199

00:07:27,650 --> 00:07:24,139

there are many high-ranking military

200

00:07:29,270 --> 00:07:27,660

Aviation and government officials many

201
00:07:30,409 --> 00:07:29,280
of whom are here today who share my

202
00:07:33,409 --> 00:07:30,419
concerns

203
00:07:34,850 --> 00:07:33,419
some of them have truly exceptional

204
00:07:36,830 --> 00:07:34,860
stories to tell

205
00:07:39,170 --> 00:07:36,840
there's absolutely no doubt as to the

206
00:07:41,450 --> 00:07:39,180
veracity of what these men have told you

207
00:07:43,790 --> 00:07:41,460
they have fought in Wars they have

208
00:07:46,010 --> 00:07:43,800
guarded top secret weapons

209
00:07:48,529 --> 00:07:46,020
and they've flown countless passengers

210
00:07:51,409 --> 00:07:48,539
throughout the world Skies

211
00:07:53,570 --> 00:07:51,419
incidents like these are not going away

212
00:07:55,490 --> 00:07:53,580
one year ago Chicago's O'Hare Airport

213
00:07:57,830 --> 00:07:55,500

experienced a UFO event that made

214

00:08:00,230 --> 00:07:57,840

national and international headlines

215

00:08:02,930 --> 00:08:00,240

pilots and many other Airline employees

216

00:08:04,490 --> 00:08:02,940

observed a metallic looking disc

217

00:08:07,249 --> 00:08:04,500

hovering over the United Airlines

218

00:08:09,409 --> 00:08:07,259

terminal for several minutes and then it

219

00:08:12,589 --> 00:08:09,419

shot straight up into the sky cut a hole

220

00:08:14,870 --> 00:08:12,599

in the sky disappeared the FAA

221

00:08:18,710 --> 00:08:14,880

apparently did not investigate dismissed

222

00:08:24,710 --> 00:08:21,650

we want the United States government

223

00:08:27,409 --> 00:08:24,720

to stop perpetuating the myth that all

224

00:08:29,629 --> 00:08:27,419

UFOs can be explained away in down to

225

00:08:32,750 --> 00:08:29,639

earth and conventional terms

226

00:08:34,550 --> 00:08:32,760

instead our country needs to reopen its

227

00:08:36,949 --> 00:08:34,560

official investigation that it shut down

228

00:08:39,290 --> 00:08:36,959

in 1969.

229

00:08:41,750 --> 00:08:39,300

the United States government can no

230

00:08:44,810 --> 00:08:41,760

longer shun an international dialogue

231

00:08:46,670 --> 00:08:44,820

about this phenomenon and we invite the

232

00:08:49,310 --> 00:08:46,680

government to work in cooperation with

233

00:08:51,530 --> 00:08:49,320

countries as represented on both sides

234

00:08:53,690 --> 00:08:51,540

of me here today

235

00:08:57,530 --> 00:08:53,700

when it comes to events of this nature

236

00:09:02,030 --> 00:08:57,540

dealing with the great unknown

237

00:09:05,030 --> 00:09:02,040

we deserve I believe more openness and a
