

1
00:00:05,030 --> 00:00:02,869
my name is Gary esletine and I am a

2
00:00:07,490 --> 00:00:05,040
recently retired police detective in

3
00:00:09,770 --> 00:00:07,500
England having served almost 24 years

4
00:00:11,810 --> 00:00:09,780
with the ridge transport police for the

5
00:00:13,910 --> 00:00:11,820
majority of that time for 20 years I was

6
00:00:16,550 --> 00:00:13,920
a detective I was dealing at the sharp

7
00:00:17,810 --> 00:00:16,560
end of evidence evidential matters I've

8
00:00:20,689 --> 00:00:17,820
been being involved in murder

9
00:00:23,150 --> 00:00:20,699
manslaughter rape etc etc I come to this

10
00:00:25,070 --> 00:00:23,160
subject on an evidential basis and I

11
00:00:26,330 --> 00:00:25,080
think that is very necessary in this

12
00:00:28,849 --> 00:00:26,340
field

13
00:00:31,009 --> 00:00:28,859

I am here principally to speak on behalf

14

00:00:33,470 --> 00:00:31,019

of police officers worldwide who have

15

00:00:35,150 --> 00:00:33,480

witnessed UFOs but I would also like to

16

00:00:36,650 --> 00:00:35,160

say that I'm also one of the principal

17

00:00:38,810 --> 00:00:36,660

investigators of the Reynolds from

18

00:00:40,970 --> 00:00:38,820

forest incident that my colleague Peters

19

00:00:42,850 --> 00:00:40,980

alluded to along with Linda Moulton how

20

00:00:45,049 --> 00:00:42,860

I would consider as The three principal

21

00:00:47,030 --> 00:00:45,059

investigators of this incident we're all

22

00:00:49,610 --> 00:00:47,040

doing very good work on it for the last

23

00:00:52,670 --> 00:00:49,620

five years I have worked with Colonel

24

00:00:55,069 --> 00:00:52,680

Charles Holt the man who wrote the Holt

25

00:00:58,069 --> 00:00:55,079

memorandum the deputy base commander of

26

00:01:01,010 --> 00:00:58,079

what was absolutely a nuclear facility

27

00:01:03,290 --> 00:01:01,020

and let me back that up by saying that

28

00:01:07,550 --> 00:01:03,300

for three years of my six years in the

29

00:01:09,830 --> 00:01:07,560

Royal Air Force between 1983 and 1989 I

30

00:01:12,109 --> 00:01:09,840

served on two nuclear bases doing

31

00:01:14,690 --> 00:01:12,119

exactly the same job as what those U.S

32

00:01:16,670 --> 00:01:14,700

Air Force policemen did and the base at

33

00:01:18,890 --> 00:01:16,680

Ben Watts is identical to the best that

34

00:01:21,890 --> 00:01:18,900

Arif Ladbrooke in West Germany where I

35

00:01:23,510 --> 00:01:21,900

worked let's cut the crap this is a

36

00:01:26,749 --> 00:01:23,520

nuclear issue

37

00:01:29,270 --> 00:01:26,759

right in January 2002 moving to my

38

00:01:32,210 --> 00:01:29,280

police background I created the police

39

00:01:34,310 --> 00:01:32,220

reporting UFO sightings database it's

40

00:01:36,649 --> 00:01:34,320

commonly referred to as the Brute Force

41

00:01:39,710 --> 00:01:36,659

Police database you have an information

42

00:01:41,990 --> 00:01:39,720

packed with that information it's

43

00:01:44,450 --> 00:01:42,000

basically there for UK police officers

44

00:01:46,010 --> 00:01:44,460

to record on and off-duty police

45

00:01:49,249 --> 00:01:46,020

sightings

46

00:01:51,710 --> 00:01:49,259

believe me the over the 11 years of my

47

00:01:54,050 --> 00:01:51,720

research nothing will surprise me what

48

00:01:56,030 --> 00:01:54,060

anybody says in this field about what

49

00:01:58,789 --> 00:01:56,040

they report it is truly extraordinary

50

00:02:01,310 --> 00:01:58,799

when I began my research 11 years ago

51
00:02:03,830 --> 00:02:01,320
into British police officers there were

52
00:02:08,350 --> 00:02:03,840
approximately six cases involving 10

53
00:02:11,530 --> 00:02:08,360
officers 11 years later I now have over

54
00:02:15,050 --> 00:02:11,540
425 cases involving over

55
00:02:18,290 --> 00:02:15,060
940 British police officers this is a

56
00:02:20,630 --> 00:02:18,300
significant amount in my opinion these

57
00:02:22,369 --> 00:02:20,640
sightings have taken place the length

58
00:02:25,070 --> 00:02:22,379
and breadth of Britain and have been

59
00:02:26,869 --> 00:02:25,080
reported at all times of the day whilst

60
00:02:29,449 --> 00:02:26,879
I'm not a big lover of Statistics

61
00:02:32,930 --> 00:02:29,459
because they can be manipulated I would

62
00:02:36,229 --> 00:02:32,940
say that the key statistic for me is

63
00:02:39,530 --> 00:02:36,239

that over 70 percent of these cases are

64

00:02:42,290 --> 00:02:39,540

multiple witness officer cases therefore

65

00:02:45,290 --> 00:02:42,300

it is significant corroboration to a

66

00:02:47,270 --> 00:02:45,300

sighting event again I look at this case

67

00:02:49,910 --> 00:02:47,280

through evidential eyes

68

00:02:52,610 --> 00:02:49,920

in one particular case there is in

69

00:02:54,650 --> 00:02:52,620

excess of 24 police officers that were

70

00:02:57,890 --> 00:02:54,660

involved in tracking at least one object

71

00:03:01,850 --> 00:02:57,900

over six counties of Britain on the

72

00:03:04,910 --> 00:03:01,860

night of March the 30th 31st 1993 this

73

00:03:07,369 --> 00:03:04,920

is referred to as the cosford incident

74

00:03:10,130 --> 00:03:07,379

many police officers have observed

75

00:03:12,710 --> 00:03:10,140

structured craft of huge size and

76
00:03:15,350 --> 00:03:12,720
proportions in close proximity to their

77
00:03:17,690 --> 00:03:15,360
ground positions these craft range in

78
00:03:20,390 --> 00:03:17,700
shape and size and dimensions from many

79
00:03:24,229 --> 00:03:20,400
tens of Fleet to many hundreds of feet

80
00:03:26,570 --> 00:03:24,239
in size many of the police cases on the

81
00:03:28,309 --> 00:03:26,580
database in my opinion are truly

82
00:03:32,449 --> 00:03:28,319
extraordinary

83
00:03:35,390 --> 00:03:32,459
for example in October 1984 near RAF

84
00:03:37,790 --> 00:03:35,400
North alt in Middlesex a silent black

85
00:03:40,309 --> 00:03:37,800
triangular object was seen at low

86
00:03:42,530 --> 00:03:40,319
altitude by two uniform police officers

87
00:03:45,110 --> 00:03:42,540
on Mobile Patrol wallet which they

88
00:03:48,369 --> 00:03:45,120

described as being the size of three

89

00:03:52,190 --> 00:03:48,379

football fields when I sought to clarify

90

00:03:54,770 --> 00:03:52,200

this description of size they said when

91

00:03:56,930 --> 00:03:54,780

they saw it it was above three football

92

00:03:59,750 --> 00:03:56,940

fields so I think that's pretty good

93

00:04:02,330 --> 00:03:59,760

representation of size this report was

94

00:04:04,490 --> 00:04:02,340

made by police Constable Robin Perry of

95

00:04:08,690 --> 00:04:04,500

the Metropolitan Police on another

96

00:04:10,729 --> 00:04:08,700

occasion in October 1978 three uniformed

97

00:04:13,130 --> 00:04:10,739

police officers in a rural area of

98

00:04:15,589 --> 00:04:13,140

buckinghamshire observed a huge object

99

00:04:17,750 --> 00:04:15,599

which they described as a size of a

100

00:04:20,629 --> 00:04:17,760

football field which suddenly and

101
00:04:22,550 --> 00:04:20,639
silently materialized in front of them

102
00:04:24,950 --> 00:04:22,560
in the blink of an eye and at relative

103
00:04:27,170 --> 00:04:24,960
close proximity to their position

104
00:04:30,290 --> 00:04:27,180
however there were also a number of

105
00:04:33,350 --> 00:04:30,300
smaller objects flying around the large

106
00:04:35,629 --> 00:04:33,360
main object akin to a Mothership kind of

107
00:04:37,490 --> 00:04:35,639
scenario and the larger object then

108
00:04:39,350 --> 00:04:37,500
projected a beam down to the ground

109
00:04:42,409 --> 00:04:39,360
which was the width of the football

110
00:04:44,510 --> 00:04:42,419
field which then traversed the ground as

111
00:04:47,450 --> 00:04:44,520
if scanning the terrain for several

112
00:04:49,370 --> 00:04:47,460
minutes they watched for this event for

113
00:04:50,570 --> 00:04:49,380

approximately five minutes before

114

00:04:54,110 --> 00:04:50,580

suddenly

115

00:04:56,990 --> 00:04:54,120

it went off and dematerialized in the

116

00:04:59,450 --> 00:04:57,000

blink of an eye one second it was there

117

00:05:01,670 --> 00:04:59,460

and then it was gone and this has been

118

00:05:04,070 --> 00:05:01,680

described as like switching on a light

119

00:05:06,710 --> 00:05:04,080

bulb on and off

120

00:05:09,710 --> 00:05:06,720

not something that I think our stealth

121

00:05:11,390 --> 00:05:09,720

capability is quite capable of yet the

122

00:05:14,150 --> 00:05:11,400

source of that report is the police

123

00:05:16,909 --> 00:05:14,160

Constable Eric Raymond retired of the

124

00:05:19,909 --> 00:05:16,919

Thames Valley police many officers have

125

00:05:22,909 --> 00:05:19,919

seen objects that appear to move in ways

126

00:05:26,749 --> 00:05:22,919

that seem to defy on laws of non-physics

127

00:05:29,810 --> 00:05:26,759

and aerodynamics for example in May 1981

128

00:05:32,090 --> 00:05:29,820

or 1982 two Firearms officers were

129

00:05:34,810 --> 00:05:32,100

involved in the close protection of what

130

00:05:38,450 --> 00:05:34,820

was then a very prominent conservative

131

00:05:39,529 --> 00:05:38,460

minister in a rural location in North

132

00:05:41,990 --> 00:05:39,539

Yorkshire

133

00:05:43,790 --> 00:05:42,000

at approximately 5 30 hours in the

134

00:05:46,430 --> 00:05:43,800

morning as they were walking in the

135

00:05:48,770 --> 00:05:46,440

grounds of this residence they suddenly

136

00:05:50,870 --> 00:05:48,780

became aware that the sunshine had

137

00:05:52,909 --> 00:05:50,880

darkened The Sky Had darkened when they

138

00:05:55,790 --> 00:05:52,919

looked up to establish the cause of that

139

00:05:59,029 --> 00:05:55,800

they were amazed to see a huge dark

140

00:06:01,129 --> 00:05:59,039

purple cylindrical object with a

141

00:06:02,990 --> 00:06:01,139

pronounced undercarriage on underneath

142

00:06:04,730 --> 00:06:03,000

it that was described as being the

143

00:06:07,610 --> 00:06:04,740

length of a football field a common

144

00:06:09,529 --> 00:06:07,620

figure in all of this and hovering

145

00:06:12,890 --> 00:06:09,539

silently above the house at an altitude

146

00:06:15,469 --> 00:06:12,900

of only two to three hundred feet which

147

00:06:18,050 --> 00:06:15,479

is extremely close the objects remained

148

00:06:20,270 --> 00:06:18,060

motionless silent above the house for

149

00:06:22,850 --> 00:06:20,280

five to ten minutes before it suddenly

150

00:06:25,309 --> 00:06:22,860

and silently accelerated

151
00:06:28,550 --> 00:06:25,319
and they blink of an eye out to the

152
00:06:30,710 --> 00:06:28,560
Horizon where it stopped in an instant

153
00:06:32,870 --> 00:06:30,720
for a few seconds and then disappeared

154
00:06:34,550 --> 00:06:32,880
towards the horizon and out of sight the

155
00:06:36,830 --> 00:06:34,560
source of this report is police Sergeant

156
00:06:38,330 --> 00:06:36,840
retired John Paulson of the North

157
00:06:40,370 --> 00:06:38,340
Yorkshire police

158
00:06:42,170 --> 00:06:40,380
in my introduction I mentioned that I

159
00:06:44,809 --> 00:06:42,180
would refer to police officer sightings

160
00:06:46,309 --> 00:06:44,819
worldwide and in the time permitted I

161
00:06:48,290 --> 00:06:46,319
would like to draw your attention to

162
00:06:50,029 --> 00:06:48,300
just two particular countries where

163
00:06:52,670 --> 00:06:50,039

numerous police officer sightings have

164

00:06:56,270 --> 00:06:52,680

taken place namely I refer to the United

165

00:06:58,909 --> 00:06:56,280

States and Belgium many of the U.S cases

166

00:07:00,950 --> 00:06:58,919

are simply outstanding and I will

167

00:07:04,730 --> 00:07:00,960

highlight just two of them just after

168

00:07:07,270 --> 00:07:04,740

midnight on the 14th of December 1994 15

169

00:07:10,730 --> 00:07:07,280

police officers of Trumbull County Ohio

170

00:07:13,670 --> 00:07:10,740

observed multiple circular UFOs from

171

00:07:15,170 --> 00:07:13,680

different geographical positions in one

172

00:07:17,029 --> 00:07:15,180

particular sighting the engine of the

173

00:07:19,309 --> 00:07:17,039

police vehicle driven by Sergeant Toby

174

00:07:21,110 --> 00:07:19,319

malaro suddenly cut out when he got out

175

00:07:22,490 --> 00:07:21,120

of the vehicle he looked up and a UFO

176

00:07:25,610 --> 00:07:22,500

was

177

00:07:28,430 --> 00:07:25,620

directly above him shining a boom down

178

00:07:30,710 --> 00:07:28,440

as soon as the the object moved away his

179

00:07:31,969 --> 00:07:30,720

engine restarted and he attempted to a

180

00:07:34,330 --> 00:07:31,979

short Pursuit

181

00:07:37,129 --> 00:07:34,340

on the 5th of January 2000 in Illinois

182

00:07:38,570 --> 00:07:37,139

multiple police officers observed a

183

00:07:40,430 --> 00:07:38,580

large triangular craft that was

184

00:07:43,010 --> 00:07:40,440

witnessed from many geographical

185

00:07:44,990 --> 00:07:43,020

positions and was sometimes seen at

186

00:07:46,370 --> 00:07:45,000

close proximity to their Ground

187

00:07:48,110 --> 00:07:46,380

locations

188

00:07:49,790 --> 00:07:48,120

broadly speaking all the offices

189

00:07:52,129 --> 00:07:49,800

involved in both of these incident

190

00:07:54,290 --> 00:07:52,139

described craft that moved in silence

191

00:07:56,809 --> 00:07:54,300

which were able to make incredibly

192

00:07:58,730 --> 00:07:56,819

high-speed Maneuvers unlike that of any

193

00:08:00,650 --> 00:07:58,740

known aircraft

194

00:08:05,150 --> 00:08:00,660

finally in the skies above Belgium

195

00:08:07,370 --> 00:08:05,160

between 1989 and 1991 hundreds of police

196

00:08:09,469 --> 00:08:07,380

officers observed large triangular

197

00:08:11,510 --> 00:08:09,479

objects all over the country many of

198

00:08:13,550 --> 00:08:11,520

these sightings involve multiple police

199

00:08:15,589 --> 00:08:13,560

officer Witnesses and were frequently

200

00:08:17,809 --> 00:08:15,599

seen at close proximity to their Ground

201
00:08:20,270 --> 00:08:17,819
locations in addition many of these

202
00:08:23,330 --> 00:08:20,280
sightings were confirmed on multiple

203
00:08:26,089 --> 00:08:23,340
civilian radar and multiple military

204
00:08:27,950 --> 00:08:26,099
radar facilities in the allotted 10

205
00:08:30,409 --> 00:08:27,960
minutes given to brief you which I'm

206
00:08:32,750 --> 00:08:30,419
trying to keep to I would like to say on

207
00:08:35,990 --> 00:08:32,760
behalf of police officers worldwide that

208
00:08:40,010 --> 00:08:36,000
they are seeing actual structured craft

209
00:08:42,769 --> 00:08:40,020
physical in nature and which move in

210
00:08:44,149 --> 00:08:42,779
ways that they have never seen before or

211
00:08:47,329 --> 00:08:44,159
since

212
00:08:50,930 --> 00:08:47,339
in closing I urge this panel to accept

213
00:08:53,650 --> 00:08:50,940

their Collective testimonies as genuine

214

00:08:56,329 --> 00:08:53,660

and that they offer compelling

215

00:08:59,170 --> 00:08:56,339

circumstantial evidence that many of

216

00:09:02,210 --> 00:08:59,180

these sightings represent extraordinary

217

00:09:03,470 --> 00:09:02,220

unknown structured craft moving in the

218

00:09:06,889 --> 00:09:03,480

earth's airspace

219

00:09:09,829 --> 00:09:06,899

in closing and on a personal note I

220

00:09:11,810 --> 00:09:09,839

believe that the time is now to lift the

221

00:09:14,150 --> 00:09:11,820

veil of secrecy that has shrouded this

222

00:09:17,090 --> 00:09:14,160

subject for over 60 years and the

223

00:09:20,690 --> 00:09:17,100

subject of UFOs should now be openly

224

00:09:23,930 --> 00:09:20,700

accepted in the mainstream media as

225

00:09:26,690 --> 00:09:23,940

being real in nature and which in turn

226
00:09:29,810 --> 00:09:26,700
would allow people to come forward from

227
00:09:32,870 --> 00:09:29,820
all walks all life all countries without

228
00:09:35,750 --> 00:09:32,880
the fear of ridicule and a risk to their

229
00:09:38,329 --> 00:09:35,760
careers as a police detective of many

230
00:09:41,570 --> 00:09:38,339
years service I believe that the

231
00:09:44,150 --> 00:09:41,580
collective testimonial documentary and

232
00:09:46,630 --> 00:09:44,160
physical evidence obtained in obtained

233
00:09:49,790 --> 00:09:46,640
in over 60 years of UFO research

234
00:09:52,910 --> 00:09:49,800
overwhelmingly confirms that someone I

235
00:09:56,150 --> 00:09:52,920
repeat the word some UFO sightings do

236
00:09:58,850 --> 00:09:56,160
represent an ongoing extraterrestrial

237
00:10:01,430 --> 00:09:58,860
engagement with planet Earth

238
00:10:03,769 --> 00:10:01,440

I am deeply honored to be here before

239

00:10:05,870 --> 00:10:03,779

you today and thank you the panel for

240

00:10:07,970 --> 00:10:05,880

being courageous in coming forward at

241

00:10:10,670 --> 00:10:07,980

some probably some cost to yourselves in

242

00:10:13,490 --> 00:10:10,680

your reputation but you are and whether

243

00:10:16,009 --> 00:10:13,500

the mainstream media are here or not

244

00:10:18,230 --> 00:10:16,019

this is historic and it will be looked

245

00:10:20,630 --> 00:10:18,240

back as an historic event and you will
