

1
00:00:04,910 --> 00:00:02,869
I just got through talking to the county

2
00:00:06,289 --> 00:00:04,920
sheriff's department in Coupeville and

3
00:00:07,490 --> 00:00:06,299
they told me that I had better call you

4
00:00:10,790 --> 00:00:07,500
people

5
00:00:13,009 --> 00:00:10,800
tonight at approximately 6 15

6
00:00:16,730 --> 00:00:13,019
um I was on my way back into Oak Harbor

7
00:00:17,930 --> 00:00:16,740
with my girlfriend and uh we had seen

8
00:00:20,870 --> 00:00:17,940
something

9
00:00:22,250 --> 00:00:20,880
very strange looking now if I know it

10
00:00:24,470 --> 00:00:22,260
wasn't a plane because it was close

11
00:00:26,810 --> 00:00:24,480
enough to where we could look at it it

12
00:00:28,490 --> 00:00:26,820
wasn't a plane it was nicely low and it

13
00:00:31,609 --> 00:00:28,500

wasn't a flare

14

00:00:33,410 --> 00:00:31,619

this thing it it had all kinds of little

15

00:00:35,389 --> 00:00:33,420

blue lights all over it and it had like

16

00:00:37,370 --> 00:00:35,399

a circle of red lights underneath with

17

00:00:39,950 --> 00:00:37,380

blue lights in the middle

18

00:00:42,170 --> 00:00:39,960

and like I say it was very very strange

19

00:00:44,209 --> 00:00:42,180

looking and you know we could see it

20

00:00:46,130 --> 00:00:44,219

turning and every time it would turn it

21

00:00:48,830 --> 00:00:46,140

would get very bright looking

22

00:00:50,450 --> 00:00:48,840

and we watched that thing for as far as

23

00:00:52,490 --> 00:00:50,460

we could watch it and all of a sudden it

24

00:00:54,049 --> 00:00:52,500

just disappeared

25

00:00:56,389 --> 00:00:54,059

okay now

26
00:00:59,150 --> 00:00:56,399
getting directly to the object could you

27
00:01:02,090 --> 00:00:59,160
see an object I could see what it was

28
00:01:02,930 --> 00:01:02,100
yeah okay what shape did the object it

29
00:01:11,330 --> 00:01:02,940
was

30
00:01:13,789 --> 00:01:11,340
had like this it just had like a small

31
00:01:17,030 --> 00:01:13,799
Dome on the top of it was all

32
00:01:20,570 --> 00:01:17,040
was that Dome lighted yes it was

33
00:01:23,030 --> 00:01:20,580
what color it was blue okay

34
00:01:23,990 --> 00:01:23,040
and uh and the circular part was done in

35
00:01:26,690 --> 00:01:24,000
red

36
00:01:28,670 --> 00:01:26,700
and then and then just underneath it was

37
00:01:30,230 --> 00:01:28,680
uh you know more little blue lights but

38
00:01:32,110 --> 00:01:30,240

not as many as there was all over the

39

00:01:33,830 --> 00:01:32,120

top

40

00:01:35,630 --> 00:01:33,840

[Applause]

41

00:01:38,330 --> 00:01:35,640

for these the lights around the

42

00:01:41,390 --> 00:01:38,340

perimeter where they

43

00:01:44,569 --> 00:01:41,400

sitting at all yes they were

44

00:01:48,969 --> 00:01:44,579

okay do they seem to be moving

45

00:01:53,810 --> 00:01:48,979

um as though the whole Arabic or yeah

46

00:02:00,170 --> 00:01:57,109

did that get very close to you yeah it

47

00:02:02,749 --> 00:02:00,180

sure did you heard no sound

48

00:02:04,370 --> 00:02:02,759

um I'll I don't know because I you know

49

00:02:07,190 --> 00:02:04,380

like to say my windows my windows were

50

00:02:09,830 --> 00:02:07,200

rolled up and it almost ran out it

51

00:02:13,010 --> 00:02:09,840

nearly ran us off the road

52

00:02:16,270 --> 00:02:13,020

already came that low oh yeah

53

00:02:20,390 --> 00:02:16,280

okay could you estimate the altitude

54

00:02:25,190 --> 00:02:20,400

oh I see about 300 to 400 feet

55

00:02:29,690 --> 00:02:27,890

it just all right now see there's an

56

00:02:31,790 --> 00:02:29,700

open field and it just came from the top

57

00:02:33,589 --> 00:02:31,800

of the tree down into this open field

58

00:02:40,070 --> 00:02:33,599

and right across the road and back on up

59

00:02:44,750 --> 00:02:42,710

in front of you yes it was okay okay

60

00:02:46,250 --> 00:02:44,760

which roadway were you traveling all

61

00:02:49,190 --> 00:02:46,260

right I was on

62

00:02:52,070 --> 00:02:49,200

um Highway 20. I was coming back into

63

00:02:55,150 --> 00:02:52,080

Oak Harbor okay

64

00:02:57,350 --> 00:02:55,160

okay uh wait a minute

65

00:02:58,190 --> 00:02:57,360

which way is North and which way is

66

00:02:59,930 --> 00:02:58,200

south

67

00:03:03,650 --> 00:02:59,940

all right if I'm going up towards Mount

68

00:03:08,570 --> 00:03:05,809

North

69

00:03:13,130 --> 00:03:08,580

okay I was heading north okay

70

00:03:15,949 --> 00:03:14,690

about how long would you say that you

71

00:03:20,390 --> 00:03:15,959

observed that

72

00:03:22,670 --> 00:03:20,400

oh I say for a good 15-20 minutes it

73

00:03:24,770 --> 00:03:22,680

just remained in the same area did it

74

00:03:26,690 --> 00:03:24,780

just come down low towards you just the

75

00:03:28,190 --> 00:03:26,700

one time just the one time and then all

76

00:03:31,369 --> 00:03:28,200

of a sudden like I say you know after

77

00:03:33,770 --> 00:03:31,379

that we thought leaving and then it

78

00:03:36,229 --> 00:03:33,780

disappeared completely

79

00:03:38,570 --> 00:03:36,239

okay do you have any estimate of size of

80

00:03:40,550 --> 00:03:38,580

this thing no I sure don't could you

81

00:03:43,550 --> 00:03:40,560

compare it with anything it was bigger

82

00:03:47,030 --> 00:03:43,560

than my car okay

83

00:03:51,110 --> 00:03:48,410

you know I didn't know whether to report

84

00:03:52,910 --> 00:03:51,120

this or not you know so we had gone to a

85

00:03:54,890 --> 00:03:52,920

meeting tonight and I asked the cup

86

00:03:56,449 --> 00:03:54,900

after there I said what should I do and

87

00:03:58,729 --> 00:03:56,459

he said report it

88

00:04:00,170 --> 00:03:58,739

but I thought somebody might laugh

89

00:04:01,850 --> 00:04:00,180

well you won't get any laughter from

90

00:04:04,130 --> 00:04:01,860

this office

91

00:04:07,369 --> 00:04:04,140

right how many were in the car just

92

00:04:09,949 --> 00:04:07,379

myself and my girlfriend okay

93

00:04:11,690 --> 00:04:09,959

okay now these uh lights did they stay

94

00:04:19,069 --> 00:04:11,700

the same while you were observing the

95

00:04:23,330 --> 00:04:21,050

and then it would get a real pretty pale

96

00:04:25,430 --> 00:04:23,340

blue looking again that's the whole

97

00:04:26,810 --> 00:04:25,440

object you're talking about you know

98

00:04:29,330 --> 00:04:26,820

except for the red lights you know they

99

00:04:32,930 --> 00:04:29,340

would get more brilliant would you say

100

00:04:37,249 --> 00:04:32,940

in your opinion that the object was uh

101
00:04:40,070 --> 00:04:37,259
surrounded by a uh Corona of light yeah

102
00:04:41,930 --> 00:04:40,080
okay and this was a bluish a bluish

103
00:04:44,749 --> 00:04:41,940
color yeah and it fluctuated in

104
00:04:49,370 --> 00:04:44,759
intensity then okay

105
00:04:50,629 --> 00:04:49,380
which direction was it hitting uh

106
00:04:55,670 --> 00:04:50,639
East

107
00:05:00,170 --> 00:04:57,890
you got a number from the sheriff yes I

108
00:05:02,270 --> 00:05:00,180
do okay we'll get on this thing and if

109
00:05:03,830 --> 00:05:02,280
we come up with any answers why we'll

110
00:05:06,590 --> 00:05:03,840
get back to you and let you know okay

111
00:05:09,350 --> 00:05:06,600
fine then now uh if this is any help to

112
00:05:11,689 --> 00:05:09,360
you at all there was a lady I don't know

113
00:05:13,370 --> 00:05:11,699

her name at all

114

00:05:15,710 --> 00:05:13,380

um and she said that you know her

115

00:05:17,150 --> 00:05:15,720

husband told him not to get involved but

116

00:05:20,510 --> 00:05:17,160

they saw

117

00:05:22,430 --> 00:05:20,520

something similar to what we saw today

118

00:05:24,529 --> 00:05:22,440

they had seen it this afternoon at

119

00:05:25,070 --> 00:05:24,539

approximately 12 noon

120

00:05:28,790 --> 00:05:25,080

um

121

00:05:30,409 --> 00:05:28,800

out it was coming over the naval base

122

00:05:34,249 --> 00:05:30,419

she had gone out to pick her husband out

123

00:05:37,010 --> 00:05:34,259

at the hangar and she had seen something

124

00:05:40,070 --> 00:05:37,020

uh to what I was describing in broad

125

00:05:43,010 --> 00:05:40,080

daylight in broad daylight

126

00:05:45,650 --> 00:05:43,020

well very good we'll check into that but

127

00:05:47,090 --> 00:05:45,660

I don't I don't know her name and her

128

00:05:49,550 --> 00:05:47,100

you know her husband told her not to get

129

00:05:50,990 --> 00:05:49,560

involved but this was approximately at

130

00:05:53,810 --> 00:05:51,000

12 noon today

131

00:05:55,670 --> 00:05:53,820

okay say while you were driving were you

132

00:05:57,830 --> 00:05:55,680

was your car radio on

133

00:06:00,770 --> 00:05:57,840

by any chance yes do you have any

134

00:06:03,890 --> 00:06:00,780

problems any interference yes I did in

135

00:06:05,090 --> 00:06:03,900

what way uh it was a whole bunch of

136

00:06:08,210 --> 00:06:05,100

static you know you couldn't hear

137

00:06:11,450 --> 00:06:08,220

anything very heavy static yeah did this

138

00:06:13,370 --> 00:06:11,460

clear up when the object left yeah

139

00:06:16,969 --> 00:06:13,380

had you had problems with that before

140

00:06:19,390 --> 00:06:16,979

you cited the object uh no not really no

141

00:06:22,010 --> 00:06:19,400

I had a little bit of check but not much

142

00:06:23,930 --> 00:06:22,020

his now is even a little bit unusual

143

00:06:25,189 --> 00:06:23,940

over there

144

00:06:27,710 --> 00:06:25,199

um

145

00:06:29,570 --> 00:06:27,720

uh just a little not not a whole bunch

146

00:06:31,189 --> 00:06:29,580

well usually I have a good clear clear

147

00:06:33,409 --> 00:06:31,199

station you know I get several police

148

00:06:35,510 --> 00:06:33,419

stations but the static you got did it

149

00:06:37,730 --> 00:06:35,520

just shove the broadcasting reception

150

00:06:40,969 --> 00:06:37,740

off yes okay did you have any problem

151
00:06:44,270 --> 00:06:40,979
with your car engine or anything uh car

152
00:06:47,510 --> 00:06:44,280
lights ignition system

153
00:06:50,090 --> 00:06:47,520
no the car not not really because like I

154
00:06:52,550 --> 00:06:50,100
say the thing uh you know I I put my

155
00:06:53,870 --> 00:06:52,560
food on the break you know because I was

156
00:06:54,730 --> 00:06:53,880
gonna I would go off the side of the

157
00:06:57,950 --> 00:06:54,740
road

158
00:06:59,510 --> 00:06:57,960
and and we stopped and once the thing

159
00:07:02,390 --> 00:06:59,520
went back up over the top of the trees

160
00:07:04,189 --> 00:07:02,400
I'd be lined it around the corner so

161
00:07:06,350 --> 00:07:04,199
that and then stopped the cars where we

162
00:07:08,450 --> 00:07:06,360
could see it you know over the water and

163
00:07:10,790 --> 00:07:08,460

everything right okay did you feel any

164

00:07:13,490 --> 00:07:10,800

heat of any kind

165

00:07:15,230 --> 00:07:13,500

uh

166

00:07:18,650 --> 00:07:15,240

I really couldn't take because I had my

167

00:07:20,930 --> 00:07:18,660

car heater on oh okay did you pick up

168

00:07:23,510 --> 00:07:20,940

any strange orders

169

00:07:26,570 --> 00:07:23,520

in the air

170

00:07:27,710 --> 00:07:26,580

not that I can remember not that I can

171

00:07:30,350 --> 00:07:27,720

remember

172

00:07:32,210 --> 00:07:30,360

okay we sure appreciate this and like I

173

00:07:33,529 --> 00:07:32,220

said before if I get anything else on it

174

00:07:35,390 --> 00:07:33,539

while I get back to you and let you know

175

00:07:37,210 --> 00:07:35,400

okay fine I'd appreciate it thanks very

176

00:07:39,770 --> 00:07:37,220

much thank you so much sir bye-bye

177

00:07:42,170 --> 00:07:39,780

Reporting Center hi

178

00:07:43,909 --> 00:07:42,180

um I called last night uh reporting a

179

00:07:45,589 --> 00:07:43,919

UFO I I don't know whether you're the

180

00:07:47,990 --> 00:07:45,599

gentleman I spoke to

181

00:07:51,409 --> 00:07:48,000

okay and

182

00:07:52,909 --> 00:07:51,419

my girlfriend had just called me and she

183

00:07:54,830 --> 00:07:52,919

wanted to know that if you know wanted

184

00:07:57,230 --> 00:07:54,840

to know if people could contact her

185

00:07:59,870 --> 00:07:57,240

there were some more incidences that had

186

00:08:02,330 --> 00:07:59,880

happened last night after I dropped her

187

00:08:04,430 --> 00:08:02,340

off at her home

188

00:08:06,170 --> 00:08:04,440

and uh

189

00:08:08,390 --> 00:08:06,180

she you know she has a farm and

190

00:08:10,670 --> 00:08:08,400

everything and she wanted to go see the

191

00:08:13,430 --> 00:08:10,680

content okay you have any idea what this

192

00:08:15,890 --> 00:08:13,440

entails well okay like I say last night

193

00:08:17,870 --> 00:08:15,900

we had cited UFO and we had gone to a

194

00:08:21,950 --> 00:08:17,880

meeting and everything and while we were

195

00:08:26,629 --> 00:08:21,960

gone her son had seen the same thing

196

00:08:27,529 --> 00:08:26,639

well uh when she got home

197

00:08:30,050 --> 00:08:27,539

um

198

00:08:33,050 --> 00:08:30,060

she turned on her television set it was

199

00:08:36,110 --> 00:08:33,060

clear as a bell and she said it was

200

00:08:37,610 --> 00:08:36,120

about 15 to 20 minutes later and all of

201
00:08:39,529 --> 00:08:37,620
a sudden there was nothing but snow

202
00:08:40,670 --> 00:08:39,539
about your static there was no picture

203
00:08:42,350 --> 00:08:40,680
at all

204
00:08:44,870 --> 00:08:42,360
and uh

205
00:08:47,030 --> 00:08:44,880
she said that lasted for about maybe 20

206
00:08:50,389 --> 00:08:47,040
25 minutes she said then it cleared up

207
00:08:51,769 --> 00:08:50,399
and she heard her geese acting up like

208
00:08:53,990 --> 00:08:51,779
something was

209
00:08:56,870 --> 00:08:54,000
you know after him they were really

210
00:08:58,370 --> 00:08:56,880
frightened about something and uh and

211
00:09:00,470 --> 00:08:58,380
she said they were just going berserky

212
00:09:02,690 --> 00:09:00,480
so she went outside she said she smelled

213
00:09:04,250 --> 00:09:02,700

something real funny you know and I said

214

00:09:05,870 --> 00:09:04,260

you sure I said one year Farm or

215

00:09:08,750 --> 00:09:05,880

something she said no

216

00:09:11,090 --> 00:09:08,760

and her dog is usually the first one out

217

00:09:13,009 --> 00:09:11,100

the door but she had to keep calling her

218

00:09:14,870 --> 00:09:13,019

dog calling her dog to come outside

219

00:09:17,150 --> 00:09:14,880

there with her and the dog wasn't gonna

220

00:09:20,630 --> 00:09:17,160

come something was frightening you know

221

00:09:22,070 --> 00:09:20,640

the animals as well right so uh you know

222

00:09:25,490 --> 00:09:22,080

but she could tell you more about it

223

00:09:26,870 --> 00:09:25,500

than I can right okay but uh you know

224

00:09:29,509 --> 00:09:26,880

she didn't know whether

225

00:09:31,070 --> 00:09:29,519

this might be related to the same thing

226

00:09:33,769 --> 00:09:31,080

or not

227

00:09:35,329 --> 00:09:33,779

okay we will contact her okay fine I'd

228

00:09:37,730 --> 00:09:35,339

appreciate it thanks so much for calling

229

00:09:40,310 --> 00:09:37,740

bye-bye bye UFO Reporting Center in

230

00:09:44,690 --> 00:09:40,320

Seattle yes sir we talked to your friend

231

00:09:46,930 --> 00:09:44,700

about her UFO experience yes sir and she

232

00:09:49,850 --> 00:09:46,940

said that you had something to tell us

233

00:09:52,250 --> 00:09:49,860

of uh certain events that occurred that

234

00:09:55,610 --> 00:09:52,260

same evening in your area

235

00:09:58,190 --> 00:09:55,620

the same day well we went play Bingo

236

00:10:00,350 --> 00:09:58,200

and going down the hill right by the

237

00:10:01,550 --> 00:10:00,360

surface says which is about oh two miles

238

00:10:03,170 --> 00:10:01,560

from my house

239

00:10:05,690 --> 00:10:03,180

approximately

240

00:10:08,630 --> 00:10:05,700

uh see I both saw this already got the

241

00:10:10,250 --> 00:10:08,640

sky right and it just like two seconds

242

00:10:12,050 --> 00:10:10,260

and what shot right across over the

243

00:10:13,670 --> 00:10:12,060

trees it's on one side the road went

244

00:10:16,250 --> 00:10:13,680

right over the top

245

00:10:18,530 --> 00:10:16,260

and it had

246

00:10:20,269 --> 00:10:18,540

a light powder blue lights on it and

247

00:10:23,150 --> 00:10:20,279

kind of an egg oval shape and then over

248

00:10:26,389 --> 00:10:23,160

the top of this we saw some red lights

249

00:10:28,670 --> 00:10:26,399

but it's pretty well lit up and I saw

250

00:10:30,410 --> 00:10:28,680

the thing and somehow it turned it up to

251
00:10:32,090 --> 00:10:30,420
where it looked like a four-point star

252
00:10:34,370 --> 00:10:32,100
to me

253
00:10:35,990 --> 00:10:34,380
and uh

254
00:10:37,610 --> 00:10:36,000
so anyway

255
00:10:39,650 --> 00:10:37,620
went on down I kind of watched because

256
00:10:41,150 --> 00:10:39,660
as you come from on Highway 20 from

257
00:10:44,090 --> 00:10:41,160
Coupeville I didn't know a car you kind

258
00:10:46,190 --> 00:10:44,100
of turn around where you uh circumstance

259
00:10:49,130 --> 00:10:46,200
kind of sits right in this uh

260
00:10:51,290 --> 00:10:49,140
horseshoe curve type thing yes and I

261
00:10:53,090 --> 00:10:51,300
looked behind me going back I can see

262
00:10:56,470 --> 00:10:53,100
nothing

263
00:10:59,269 --> 00:10:56,480

so anyway got down to

264

00:11:02,329 --> 00:10:59,279

uh the plate reserved some gals that she

265

00:11:04,069 --> 00:11:02,339

wouldn't get involved but got down to uh

266

00:11:06,290 --> 00:11:04,079

the reserved at night set across the

267

00:11:07,850 --> 00:11:06,300

table from some woman and

268

00:11:09,949 --> 00:11:07,860

I said it was weirdest thing ever saw my

269

00:11:11,150 --> 00:11:09,959

life you know it leaves an impression in

270

00:11:13,190 --> 00:11:11,160

your head

271

00:11:14,870 --> 00:11:13,200

so anyway turned around

272

00:11:16,550 --> 00:11:14,880

the Scout sitting right across and she

273

00:11:17,630 --> 00:11:16,560

said well I'm not in a savings he says

274

00:11:20,569 --> 00:11:17,640

uh

275

00:11:25,670 --> 00:11:22,870

the same similar thing over the base

276

00:11:27,470 --> 00:11:25,680

earlier that morning

277

00:11:28,730 --> 00:11:27,480

and so we went and talked to a guys with

278

00:11:30,530 --> 00:11:28,740

security

279

00:11:31,790 --> 00:11:30,540

uh that was working to play we served

280

00:11:33,110 --> 00:11:31,800

that night he said well I fell standing

281

00:11:34,610 --> 00:11:33,120

about nine months ago

282

00:11:36,230 --> 00:11:34,620

well anyway

283

00:11:38,810 --> 00:11:36,240

I got home

284

00:11:41,090 --> 00:11:38,820

I have 11 year old boy that babysits my

285

00:11:42,889 --> 00:11:41,100

little kids and we have a great big

286

00:11:44,870 --> 00:11:42,899

picture window that overlooks the whole

287

00:11:47,389 --> 00:11:44,880

Santa feca area if you notice at all out

288

00:11:48,710 --> 00:11:47,399

here do you know this area at all right

289

00:11:53,090 --> 00:11:48,720

well anyway we kind of sit up on the

290

00:11:57,170 --> 00:11:53,870

um

291

00:11:59,449 --> 00:11:57,180

yes okay and the thing was I got home

292

00:12:00,949 --> 00:11:59,459

that night and Lee was my oldest kind of

293

00:12:03,230 --> 00:12:00,959

a little bit shook

294

00:12:05,090 --> 00:12:03,240

all right what's the matter with you

295

00:12:07,069 --> 00:12:05,100

thank you around he says I saw the

296

00:12:09,470 --> 00:12:07,079

funniest thing tonight and I had not

297

00:12:10,610 --> 00:12:09,480

mentioned this at all to him in fact I

298

00:12:12,650 --> 00:12:10,620

just walked in the door and I said what

299

00:12:14,690 --> 00:12:12,660

was it he said I looked out the window

300

00:12:16,550 --> 00:12:14,700

and he said I saw this thing he said it

301
00:12:17,690 --> 00:12:16,560
was real bright I said can you describe

302
00:12:19,970 --> 00:12:17,700
it to me

303
00:12:22,310 --> 00:12:19,980
he said well it was kind of he gave the

304
00:12:23,810 --> 00:12:22,320
same descriptions all that I had given

305
00:12:25,009 --> 00:12:23,820
and I said where was it he said well

306
00:12:28,310 --> 00:12:25,019
just over

307
00:12:30,350 --> 00:12:28,320
uh well we had 11 acres out here and

308
00:12:32,810 --> 00:12:30,360
about six of our Acres goes down the

309
00:12:34,310 --> 00:12:32,820
hill this is towards the bay yes and he

310
00:12:36,350 --> 00:12:34,320
said well it's just right out here in

311
00:12:38,389 --> 00:12:36,360
the middle of the field

312
00:12:40,910 --> 00:12:38,399
I said was it high or was it low and he

313
00:12:42,110 --> 00:12:40,920

said well it just even with my window

314

00:12:44,750 --> 00:12:42,120

you know he said you didn't really have

315

00:12:46,790 --> 00:12:44,760

to look up too high for it

316

00:12:49,250 --> 00:12:46,800

well anyway

317

00:12:50,810 --> 00:12:49,260

I turned around and uh

318

00:12:53,449 --> 00:12:50,820

I was kind of nervous at this time

319

00:12:54,769 --> 00:12:53,459

anyway a little bit and uh so anyway I

320

00:12:57,769 --> 00:12:54,779

turned around and

321

00:13:00,290 --> 00:12:57,779

about 10 30 quarter to 11.

322

00:13:03,650 --> 00:13:00,300

I I have geese I have about 200 animals

323

00:13:06,050 --> 00:13:03,660

out here these ducks you know right and

324

00:13:07,730 --> 00:13:06,060

the thing is that about 10 30 40 to 11

325

00:13:08,930 --> 00:13:07,740

my keys out here I'd like to want to

326

00:13:10,790 --> 00:13:08,940

kill something

327

00:13:12,590 --> 00:13:10,800

they just started raising holding it my

328

00:13:14,990 --> 00:13:12,600

TV went fuzzy

329

00:13:16,430 --> 00:13:15,000

and uh I looked out the back window all

330

00:13:18,889 --> 00:13:16,440

these geese had their necks dressed out

331

00:13:20,930 --> 00:13:18,899

my cows are kind of moving my chickens

332

00:13:22,790 --> 00:13:20,940

are raising mad

333

00:13:24,769 --> 00:13:22,800

and I looked out there in these geese so

334

00:13:26,389 --> 00:13:24,779

I have about 75 feet in my house a

335

00:13:28,490 --> 00:13:26,399

garage

336

00:13:30,110 --> 00:13:28,500

and these geese had their neck stretched

337

00:13:31,430 --> 00:13:30,120

out towards that garage is like a dog

338

00:13:33,290 --> 00:13:31,440

that come at them or something and they

339

00:13:35,090 --> 00:13:33,300

the sound they were getting but there's

340

00:13:39,910 --> 00:13:35,100

nothing there

341

00:13:43,970 --> 00:13:41,629

did nothing

342

00:13:45,650 --> 00:13:43,980

nothing that they could be attacking

343

00:13:46,730 --> 00:13:45,660

so anyway I turned around and I do have

344

00:13:47,870 --> 00:13:46,740

a fireplace in here and I thought well

345

00:13:49,790 --> 00:13:47,880

I'm gonna have to go get wood for that

346

00:13:52,310 --> 00:13:49,800

get a fire bill

347

00:13:54,230 --> 00:13:52,320

so anyway I decided I have a dog I've

348

00:13:56,509 --> 00:13:54,240

had for eight years that's been very

349

00:13:58,910 --> 00:13:56,519

protective towards all of us in fact one

350

00:14:00,769 --> 00:13:58,920

of my kids even has a friend of theirs a

351

00:14:02,449 --> 00:14:00,779

size play to rough my dog grab hold

352

00:14:03,949 --> 00:14:02,459

their foot or something hold on

353

00:14:05,870 --> 00:14:03,959

other than that it's pretty friendly you

354

00:14:07,009 --> 00:14:05,880

know other than that yes so anyway it

355

00:14:08,269 --> 00:14:07,019

was in the house at the end of the

356

00:14:10,490 --> 00:14:08,279

living room

357

00:14:12,110 --> 00:14:10,500

and uh it kind of looks like an

358

00:14:15,290 --> 00:14:12,120

Australian sheep dog but it's not it's

359

00:14:17,389 --> 00:14:15,300

nothing more than a Heinz type dog

360

00:14:20,569 --> 00:14:17,399

and so anyway I turned around I told Pam

361

00:14:22,250 --> 00:14:20,579

I we have to go out our back door and

362

00:14:24,590 --> 00:14:22,260

then there's about 13 steps to go down

363

00:14:26,509 --> 00:14:24,600

that's how high our house is sitting up

364

00:14:28,610 --> 00:14:26,519

he goes here back just a little bit

365

00:14:30,050 --> 00:14:28,620

closed back porch and down the steps the

366

00:14:31,910 --> 00:14:30,060

other side's open

367

00:14:33,230 --> 00:14:31,920

so anyway I turned around and I told Pat

368

00:14:34,550 --> 00:14:33,240

I said let's go get some wood because I

369

00:14:36,530 --> 00:14:34,560

had to go down these steps I had to get

370

00:14:39,050 --> 00:14:36,540

it from down behind underneath

371

00:14:40,970 --> 00:14:39,060

and I told Pat I said come on it was the

372

00:14:43,370 --> 00:14:40,980

first time I had seen my dog that I've

373

00:14:45,170 --> 00:14:43,380

had to call her twice to go with me

374

00:14:47,930 --> 00:14:45,180

and it's the first time I've seen her

375

00:14:49,850 --> 00:14:47,940

stand at the top of the stairs

376

00:14:51,290 --> 00:14:49,860

and she would not go down those stairs

377

00:14:53,629 --> 00:14:51,300

with me whatsoever

378

00:14:55,370 --> 00:14:53,639

to the dog if you're appear frightened

379

00:14:56,990 --> 00:14:55,380

yes he was scared are she scared of

380

00:14:58,370 --> 00:14:57,000

something that's the first time she's

381

00:14:59,810 --> 00:14:58,380

not tried to protect me but she would

382

00:15:01,189 --> 00:14:59,820

not leave those stairs

383

00:15:02,329 --> 00:15:01,199

and most generally you let her out you

384

00:15:03,710 --> 00:15:02,339

don't get everything out here she just

385

00:15:05,329 --> 00:15:03,720

rubs right

386

00:15:06,829 --> 00:15:05,339

and then usually takes an hour so before

387

00:15:09,290 --> 00:15:06,839

she comes back in

388

00:15:11,870 --> 00:15:09,300

but that night boy she wouldn't

389

00:15:14,629 --> 00:15:11,880

so anyway I turned around

390

00:15:16,550 --> 00:15:14,639

midnight this kind of game

391

00:15:18,949 --> 00:15:16,560

gave me the inside you know I'm better

392

00:15:21,230 --> 00:15:18,959

trying to check things over and

393

00:15:23,150 --> 00:15:21,240

everything's I'm crazy I know but anyway

394

00:15:25,250 --> 00:15:23,160

the next night I saw this thing cart and

395

00:15:27,829 --> 00:15:25,260

pick a thing

396

00:15:29,689 --> 00:15:27,839

and uh

397

00:15:32,629 --> 00:15:29,699

uh my husband was

398

00:15:34,310 --> 00:15:32,639

my husband works evening 3 30 to 11 30.

399

00:15:35,990 --> 00:15:34,320

the time he got home there's nothing on

400

00:15:36,829 --> 00:15:36,000

it well you just figure imagination you

401
00:15:40,069 --> 00:15:36,839
know

402
00:15:41,810 --> 00:15:40,079
same thing and that's all it is and I

403
00:15:44,990 --> 00:15:41,820
tried to write it off my mind

404
00:15:48,350 --> 00:15:45,000
well this night before last let's see

405
00:15:54,829 --> 00:15:51,530
no last night Thursday night we got home

406
00:15:56,930 --> 00:15:54,839
from uh Boeing my husband and all right

407
00:15:58,790 --> 00:15:56,940
and Mikey started acting up out there

408
00:16:01,009 --> 00:15:58,800
well I let my geese run loose they're

409
00:16:02,329 --> 00:16:01,019
not pinned up no sense to have it pinned

410
00:16:04,850 --> 00:16:02,339
up because I'm the only trailer here on

411
00:16:07,610 --> 00:16:04,860
Power Road and that is about a two mile

412
00:16:08,930 --> 00:16:07,620
road yes and same way Mikey started

413
00:16:10,550 --> 00:16:08,940

acting up well I just looked out the

414

00:16:13,670 --> 00:16:10,560

window well they're doing the same car

415

00:16:15,050 --> 00:16:13,680

pick a thing up in the sky towards Oak

416

00:16:16,790 --> 00:16:15,060

Harbor area

417

00:16:19,430 --> 00:16:16,800

with the same object well I got my

418

00:16:21,410 --> 00:16:19,440

husband up I said what is that

419

00:16:22,670 --> 00:16:21,420

either what do you see he looked up

420

00:16:25,129 --> 00:16:22,680

there and he described the same thing I

421

00:16:27,350 --> 00:16:25,139

saw so he saw it the other night

422

00:16:31,069 --> 00:16:27,360

just search not

423

00:16:32,389 --> 00:16:31,079

was this object moving uh real slowly it

424

00:16:34,310 --> 00:16:32,399

just kind of like a

425

00:16:36,829 --> 00:16:34,320

a dipping motion and then it go back up

426

00:16:41,210 --> 00:16:38,569

and then all of a sudden it just looks

427

00:16:42,530 --> 00:16:41,220

like a standing still also just like a l

428

00:16:45,230 --> 00:16:42,540

don't know kind of like a Darkness shoot

429

00:16:46,910 --> 00:16:45,240

a little bit and then it stuck

430

00:16:48,530 --> 00:16:46,920

now the stepping motion would that be

431

00:16:52,850 --> 00:16:48,540

like a rocking motion back and forth

432

00:16:54,230 --> 00:16:52,860

Just similar like a pendulum uh sort of

433

00:16:56,030 --> 00:16:54,240

it just kind of looked like it dropped

434

00:16:58,910 --> 00:16:56,040

uh let's see

435

00:17:01,129 --> 00:16:58,920

like if you took a

436

00:17:02,629 --> 00:17:01,139

H this is a terrible discredibile like

437

00:17:03,769 --> 00:17:02,639

you took an egg yolk you put in cold

438

00:17:05,750 --> 00:17:03,779

water and you know how the thing kind of

439

00:17:11,329 --> 00:17:05,760

bobbles right this is about the way this

440

00:17:15,949 --> 00:17:13,789

I don't know I mean now let's see a year

441

00:17:17,390 --> 00:17:15,959

ago and I didn't think nothing

442

00:17:19,010 --> 00:17:17,400

of it

443

00:17:20,809 --> 00:17:19,020

I thought maybe it was other incense

444

00:17:22,850 --> 00:17:20,819

that had brought forth on this deal but

445

00:17:24,650 --> 00:17:22,860

I I didn't go for that but about a year

446

00:17:25,549 --> 00:17:24,660

ago I see November and I can't I lost my

447

00:17:27,590 --> 00:17:25,559

mother

448

00:17:31,310 --> 00:17:27,600

and we drove

449

00:17:33,169 --> 00:17:31,320

from Oak Harbor to La Grande Oregon down

450

00:17:36,409 --> 00:17:33,179

through Prosser in that area

451

00:17:37,970 --> 00:17:36,419

and just uh top the hill into Yakima I

452

00:17:39,590 --> 00:17:37,980

had a cousin with me and this is driving

453

00:17:41,570 --> 00:17:39,600

night time

454

00:17:44,930 --> 00:17:41,580

and uh

455

00:17:47,450 --> 00:17:44,940

so anyway just at the top of the hill

456

00:17:49,070 --> 00:17:47,460

the Yakima this great big blue ball

457

00:17:50,450 --> 00:17:49,080

thing looked kind of like a beacon line

458

00:17:52,310 --> 00:17:50,460

it was right in front of the car well

459

00:17:53,570 --> 00:17:52,320

Harry Lynn my cousin had commented to me

460

00:17:55,370 --> 00:17:53,580

about this and you wonder what it was

461

00:17:56,390 --> 00:17:55,380

and I said well kind of looks like vegan

462

00:17:58,970 --> 00:17:56,400

line you know

463

00:18:01,549 --> 00:17:58,980

well the dumb thing followed us

464

00:18:03,110 --> 00:18:01,559

the processor

465

00:18:05,870 --> 00:18:03,120

I don't know if you know that area down

466

00:18:09,230 --> 00:18:05,880

there or not but that desert between um

467

00:18:11,630 --> 00:18:09,240

out of Yakima you get down to uh

468

00:18:13,909 --> 00:18:11,640

Ellenberg and then you take a road

469

00:18:16,850 --> 00:18:13,919

and cut off on a two uh Lane Highway

470

00:18:17,930 --> 00:18:16,860

that goes down to uh Hermiston yes that

471

00:18:19,850 --> 00:18:17,940

area

472

00:18:22,630 --> 00:18:19,860

but anyway

473

00:18:24,289 --> 00:18:22,640

this uh blue thing whatever it was

474

00:18:25,850 --> 00:18:24,299

followed us

475

00:18:27,169 --> 00:18:25,860

and then when the fog would get so bad

476

00:18:28,789 --> 00:18:27,179

and it was really really bad because it

477

00:18:30,230 --> 00:18:28,799

was in November you couldn't even see

478

00:18:31,970 --> 00:18:30,240

the hand in front of your face it was

479

00:18:33,169 --> 00:18:31,980

blue whatever it was would get low

480

00:18:34,610 --> 00:18:33,179

enough where you can see the road just

481

00:18:36,770 --> 00:18:34,620

perfectly clear

482

00:18:38,210 --> 00:18:36,780

we get to a gas station this thing could

483

00:18:40,310 --> 00:18:38,220

hover over the gas station we went in

484

00:18:42,049 --> 00:18:40,320

had got some donuts some coffee at this

485

00:18:44,930 --> 00:18:42,059

one gas station down there

486

00:18:47,390 --> 00:18:44,940

and this thing hovered we get to a light

487

00:18:49,549 --> 00:18:47,400

there's a stoplight

488

00:18:50,810 --> 00:18:49,559

uh on the main highway I think it's down

489

00:18:52,730 --> 00:18:50,820

around

490

00:18:53,990 --> 00:18:52,740

I can't think where it's at it's halfway

491

00:18:58,190 --> 00:18:54,000

between

492

00:18:59,810 --> 00:18:58,200

the Columbia Bridge and uh ellisburg but

493

00:19:01,789 --> 00:18:59,820

anyway this thing at this red light is

494

00:19:04,250 --> 00:19:01,799

stopping at hover

495

00:19:06,350 --> 00:19:04,260

well I started getting light out

496

00:19:07,610 --> 00:19:06,360

and whatever this thing was I turned

497

00:19:08,870 --> 00:19:07,620

around I looked up so I was watching

498

00:19:10,010 --> 00:19:08,880

this is something to do I guess while

499

00:19:11,510 --> 00:19:10,020

you're driving

500

00:19:13,549 --> 00:19:11,520

and I looked up and this thing

501
00:19:15,470 --> 00:19:13,559
completely faded out

502
00:19:17,090 --> 00:19:15,480
and then I come back and I'm not kidding

503
00:19:18,890 --> 00:19:17,100
I gave it both harrylands because both

504
00:19:20,150 --> 00:19:18,900
of us saw it so we're just feeling but

505
00:19:21,970 --> 00:19:20,160
that thing came back the most beautiful

506
00:19:24,529 --> 00:19:21,980
Blue Cross you ever saw in your life

507
00:19:26,150 --> 00:19:24,539
it's kind of a powder blue color

508
00:19:29,210 --> 00:19:26,160
and then it went right down to nothing

509
00:19:31,250 --> 00:19:29,220
completely faded out

510
00:19:32,690 --> 00:19:31,260
and I don't know whether it's super Bean

511
00:19:34,190 --> 00:19:32,700
or whatever the heck it was but I knew

512
00:19:36,049 --> 00:19:34,200
my mom was a critical list so I turned

513
00:19:38,270 --> 00:19:36,059

around tonight but Terry Lynn I said my

514

00:19:40,010 --> 00:19:38,280

mom would be dead about 7 30 tonight

515

00:19:42,590 --> 00:19:40,020

and she was

516

00:19:45,110 --> 00:19:42,600

start at 7 30 exactly that night

517

00:19:47,150 --> 00:19:45,120

so that same color blue was on the same

518

00:19:51,049 --> 00:19:47,160

color blue as what I saw

519

00:19:52,490 --> 00:19:51,059

out here is kind of a powdery blue so

520

00:19:55,430 --> 00:19:52,500

getting back to that first night when

521

00:19:57,830 --> 00:19:55,440

the skis were

522

00:20:00,049 --> 00:19:57,840

concentrating on this particular outdoor

523

00:20:02,090 --> 00:20:00,059

building did you check that building the

524

00:20:04,010 --> 00:20:02,100

next day yes I went all the way around

525

00:20:08,390 --> 00:20:04,020

there and the area around it no marks of

526

00:20:13,549 --> 00:20:11,330

and today the keys were they did they

527

00:20:15,289 --> 00:20:13,559

appear normal from that point on yeah

528

00:20:18,830 --> 00:20:15,299

they were fine

529

00:20:21,110 --> 00:20:18,840

okay the thing is uh

530

00:20:24,529 --> 00:20:21,120

as well I know as well probably what you

531

00:20:26,090 --> 00:20:24,539

do the geese are watch dogs right and

532

00:20:29,029 --> 00:20:26,100

like I said I had three of them out

533

00:20:30,470 --> 00:20:29,039

there I lost one the other day

534

00:20:32,330 --> 00:20:30,480

but

535

00:20:34,789 --> 00:20:32,340

I'm just beginning to wonder now because

536

00:20:37,010 --> 00:20:34,799

the geese act to death somehow I've had

537

00:20:39,169 --> 00:20:37,020

a couple animals disappear from out here

538

00:20:40,970 --> 00:20:39,179

I don't know dang apparent reason

539

00:20:43,250 --> 00:20:40,980

I locked a couple of rabbits out here

540

00:20:47,090 --> 00:20:43,260

they all sudden just next morning I got

541

00:20:50,810 --> 00:20:48,590

and there was no reason to have a dead

542

00:20:52,789 --> 00:20:50,820

rabbit

543

00:20:54,110 --> 00:20:52,799

there's no no physical marks on it no

544

00:20:56,330 --> 00:20:54,120

nothing this thing was just dead in the

545

00:20:56,340 --> 00:21:00,049

did you say you had similar

546

00:21:03,110 --> 00:21:01,850

uh one of the geese though it's real

547

00:21:05,630 --> 00:21:03,120

stranger that I don't know exactly it

548

00:21:08,090 --> 00:21:05,640

looked like kind of a ruptured itself

549

00:21:09,770 --> 00:21:08,100

but yet

550

00:21:11,750 --> 00:21:09,780

uh there's no physical marks it could

551
00:21:14,870 --> 00:21:11,760
have been stepped on

552
00:21:17,090 --> 00:21:14,880
it's just kind of a weird

553
00:21:18,710 --> 00:21:17,100
it was still living

554
00:21:20,210 --> 00:21:18,720
you're definitely alive in fact we had

555
00:21:22,730 --> 00:21:20,220
to kill it

556
00:21:24,950 --> 00:21:22,740
I mean we ate the thing last night but I

557
00:21:25,850 --> 00:21:24,960
mean it was just the basic fact it had

558
00:21:29,510 --> 00:21:25,860
this

559
00:21:30,830 --> 00:21:29,520
rupture on the back end of it and uh

560
00:21:32,270 --> 00:21:30,840
it was really strange because there's

561
00:21:33,710 --> 00:21:32,280
nothing I mean it didn't look like one

562
00:21:35,330 --> 00:21:33,720
of our cows that stepped on it it had no

563
00:21:38,149 --> 00:21:35,340

physical marks no broken bones no

564

00:21:39,529 --> 00:21:38,159

nothing am I just imagined things or

565

00:21:42,110 --> 00:21:39,539

what's going on

566

00:21:44,270 --> 00:21:42,120

am I crazy

567

00:21:47,029 --> 00:21:44,280

oh I don't think

568

00:21:51,830 --> 00:21:50,149

spread into what we've been picking up

569

00:21:53,510 --> 00:21:51,840

for years

570

00:21:55,669 --> 00:21:53,520

what does that mean

571

00:21:57,710 --> 00:21:55,679

well something is in the area and

572

00:22:00,409 --> 00:21:57,720

something relating to UFOs is operating

573

00:22:01,490 --> 00:22:00,419

in the area well what exactly is a UFO

574

00:22:03,770 --> 00:22:01,500

can I ask

575

00:22:05,090 --> 00:22:03,780

what do you do what do you describe as

576
00:22:08,930 --> 00:22:05,100
UFO

577
00:22:11,270 --> 00:22:08,940
well with anything which we classify as

578
00:22:14,930 --> 00:22:11,280
a UFO or an unknown would be a vehicle

579
00:22:19,250 --> 00:22:17,149
well this thing was definitely I mean

580
00:22:22,070 --> 00:22:19,260
I've I've kind of watched it

581
00:22:24,230 --> 00:22:22,080
and I know for a fact

582
00:22:27,049 --> 00:22:24,240
not even when not at home

583
00:22:29,570 --> 00:22:27,059
he called me next morning and she saw it

584
00:22:31,490 --> 00:22:29,580
she met back into town that night

585
00:22:33,529 --> 00:22:31,500
but I have definitely seen something out

586
00:22:37,610 --> 00:22:33,539
here that's got the same thing but you

587
00:22:39,230 --> 00:22:37,620
see like it it'll just be um

588
00:22:40,970 --> 00:22:39,240

the lights and all of a sudden it just

589

00:22:42,830 --> 00:22:40,980

gets to a point it seemed like it could

590

00:22:48,230 --> 00:22:42,840

turn enough to where you get a

591

00:22:51,830 --> 00:22:50,270

I didn't know I was kidding Lynn like I

592

00:22:54,169 --> 00:22:51,840

told her I said

593

00:22:55,730 --> 00:22:54,179

I didn't really believe in the basic

594

00:22:57,169 --> 00:22:55,740

Factor these guys back here should read

595

00:22:58,370 --> 00:22:57,179

about one of these guys back he's also

596

00:23:00,529 --> 00:22:58,380

in a disappears him while I was picked

597

00:23:01,430 --> 00:23:00,539

up by the UFO you know and I said I

598

00:23:02,930 --> 00:23:01,440

didn't really believe but now I'm

599

00:23:04,909 --> 00:23:02,940

beginning to wonder

600

00:23:06,950 --> 00:23:04,919

and uh I turned around I said well

601
00:23:08,690 --> 00:23:06,960
there's only one thing to do she said

602
00:23:10,610 --> 00:23:08,700
what's that and I said well

603
00:23:12,049 --> 00:23:10,620
if I have anything like that show at my

604
00:23:14,210 --> 00:23:12,059
house I guess I'll offer them a cup of

605
00:23:15,710 --> 00:23:14,220
coffee I said I don't know what else to

606
00:23:17,690 --> 00:23:15,720
do about you know

607
00:23:19,850 --> 00:23:17,700
but they definitely been hovering over

608
00:23:26,029 --> 00:23:19,860
this field out here

609
00:23:30,529 --> 00:23:28,130
I mean my husband saw it but I got him

610
00:23:33,470 --> 00:23:30,539
up I told her to him my kids have seen

611
00:23:36,710 --> 00:23:35,270
okay well we sure appreciate your

612
00:23:38,090 --> 00:23:36,720
talking to us if we come up with any

613
00:23:39,590 --> 00:23:38,100

answers on this why we'll get back to

614

00:23:40,789 --> 00:23:39,600

you and let you know I appreciate it

615

00:23:43,130 --> 00:23:40,799

because I'm really curious know what
