

24 . 8 . 90  
20 : 56

1  
00:00:04,370 --> 00:00:01,850  
the UFO researchers set off on the

2  
00:00:07,190 --> 00:00:04,380  
journey from Xanten to Usedom and meet

3  
00:00:12,190 --> 00:00:07,200  
eyewitnesses Jens hollard was sitting with

4  
00:00:16,670 --> 00:00:15,289  
and then I saw what I saw

5  
00:00:19,070 --> 00:00:16,680  
between the two trees at the back, maybe

6  
00:00:21,410 --> 00:00:19,080  
you can show them

7  
00:00:24,170 --> 00:00:21,420  
and over there they were Luminous objects

8  
00:00:28,790 --> 00:00:24,180  
so noticed something at the time

9  
00:00:31,930 --> 00:00:28,800  
aviator heard planes off and then in these

10  
00:00:35,030 --> 00:00:31,940  
moving images up down

11  
00:00:37,610 --> 00:00:35,040  
something the native of Usedom had

12  
00:00:41,030 --> 00:00:37,620  
never seen before the encounter with the

13  
00:00:43,250 --> 00:00:41,040

inexplicable leaves him no peace

14

00:00:45,590 --> 00:00:43,260

that is nothing normal it's that simple

15

00:00:47,209 --> 00:00:45,600

that I'm not a ufo now -fanatic

16

00:00:49,310 --> 00:00:47,219

or something like that I don't want to

17

00:00:50,750 --> 00:00:49,320

express that but who is

18

00:00:52,790 --> 00:00:50,760

interested in knowing what

19

00:00:54,830 --> 00:00:52,800

really happened and

20

00:00:57,770 --> 00:00:54,840

the next witness remembers

21

00:01:03,130 --> 00:00:57,780

exactly that day when suddenly the

22

00:01:08,390 --> 00:01:05,870

the whole thin line of people stood around

23

00:01:10,270 --> 00:01:08,400

them see when the chains of lights

24

00:01:12,710 --> 00:01:10,280

hung in the sky the

25

00:01:14,870 --> 00:01:12,720

flares if you remember

26  
00:01:17,289 --> 00:01:14,880  
how long you watched it for about an

27  
00:01:24,789 --> 00:01:21,410  
hour voice no

28  
00:01:26,870 --> 00:01:24,799  
military illuminant glows that long Kettmann knows so

29  
00:01:28,490 --> 00:01:26,880  
that is very interesting and

30  
00:01:31,370 --> 00:01:28,500  
contradicts the military even more

31  
00:01:33,830 --> 00:01:31,380  
the greifswald phenomenon remains a mystery

32  
00:01:36,429 --> 00:01:33,840  
but the UFO Researchers stay tuned

33  
00:01:39,469 --> 00:01:36,439  
maybe you will still find it the

34  
00:01:41,510 --> 00:01:39,479  
ultimate proof the hope is

35  
00:01:43,730 --> 00:01:41,520  
of course in all cases that

36  
00:01:45,350 --> 00:01:43,740  
cannot be clarified at first because

37  
00:01:47,330 --> 00:01:45,360  
at some point you might find the clue

38  
00:01:48,770 --> 00:01:47,340

or the proof that

39

00:01:52,570 --> 00:01:48,780

maybe there is something intelligent

40

00:02:58,070 --> 00:02:48,500

[Music]

41

00:03:06,410 --> 00:03:00,110

there are three and there are three and the

42

00:03:06,420 --> 00:03:14,410

you know what that is, no matter how

43

00:03:14,420 --> 00:03:47,410

interesting there

44

00:03:54,050 --> 00:03:50,589

must be several small

45

00:03:55,550 --> 00:03:54,060

flying objects but

46

00:04:02,509 --> 00:03:55,560

I don't know what kind of things it is

47

00:04:02,519 --> 00:04:09,830

being

48

00:04:09,840 --> 00:04:29,710

in the camera it looks scary well

49

00:04:29,720 --> 00:04:42,310

they are quite far away

50

00:04:47,990 --> 00:04:44,210

now you can only see four of them
