

Pipes about
6"-8" in
diameter

1
00:00:04,070 --> 00:00:01,629
hmm

2
00:00:07,610 --> 00:00:04,080
where do you meet someone from outer

3
00:00:10,009 --> 00:00:07,620
space perhaps in the North Woods Joe

4
00:00:13,370 --> 00:00:10,019
Simonson of Eagle River Wisconsin spends

5
00:00:16,310 --> 00:00:13,380
a yarn about an April morning in 1961.

6
00:00:19,609 --> 00:00:16,320
a morning when he says he came face to

7
00:00:22,970 --> 00:00:19,619
face with another world right here is

8
00:00:26,210 --> 00:00:22,980
where this Flying Saucer this UFO landed

9
00:00:29,450 --> 00:00:26,220
right here about where I'm standing and

10
00:00:31,550 --> 00:00:29,460
uh it was a big huge thing and I

11
00:00:35,330 --> 00:00:31,560
wondered what the heck it was I was in

12
00:00:37,430 --> 00:00:35,340
my kitchen uh having a vital lunch and I

13
00:00:39,709 --> 00:00:37,440

turned around put the dishes in the sink

14

00:00:41,510 --> 00:00:39,719

and I looked out the window and that's

15

00:00:43,970 --> 00:00:41,520

when I first saw this thing coming

16

00:00:47,270 --> 00:00:43,980

straight down just like an elevator

17

00:00:49,190 --> 00:00:47,280

and uh first I thought the roof went off

18

00:00:50,930 --> 00:00:49,200

in my house and I thought no the roof is

19

00:00:53,869 --> 00:00:50,940

green and this is bright what the heck

20

00:00:56,150 --> 00:00:53,879

is it so I riced out to see what it was

21

00:00:58,010 --> 00:00:56,160

and by that time there was a hatchway

22

00:01:00,770 --> 00:00:58,020

opening up in the top of it just like

23

00:01:03,229 --> 00:01:00,780

the trunk of your car and then there

24

00:01:06,890 --> 00:01:03,239

this little man I see a little man is

25

00:01:08,630 --> 00:01:06,900

about five foot tall holding up a jug or

26

00:01:11,030 --> 00:01:08,640

a container

27

00:01:13,550 --> 00:01:11,040

and he motioned they wanted to drink he

28

00:01:17,630 --> 00:01:13,560

motion for water so I walked up to him

29

00:01:19,550 --> 00:01:17,640

to get this jug and uh I looked at his

30

00:01:20,990 --> 00:01:19,560

eyes and they were so penetrating that I

31

00:01:23,330 --> 00:01:21,000

had to look away

32

00:01:26,810 --> 00:01:23,340

so I went to the basement to get this

33

00:01:28,789 --> 00:01:26,820

water and uh I thought well they want

34

00:01:29,749 --> 00:01:28,799

water so I'll take it up to them and see

35

00:01:31,789 --> 00:01:29,759

what happens

36

00:01:33,530 --> 00:01:31,799

and with that I brought the water up and

37

00:01:35,749 --> 00:01:33,540

he was looking at me when I first came

38

00:01:37,609 --> 00:01:35,759

out of the basement but I didn't look at

39

00:01:39,770 --> 00:01:37,619

his face until I got right up to him

40

00:01:42,830 --> 00:01:39,780

then I looked up and I handed The Jug up

41

00:01:44,749 --> 00:01:42,840

with both hands and I had that same look

42

00:01:46,190 --> 00:01:44,759

in his eyes as sort of a penetrating

43

00:01:47,929 --> 00:01:46,200

look

44

00:01:50,630 --> 00:01:47,939

and uh

45

00:01:53,690 --> 00:01:50,640

when he took the water I balanced myself

46

00:01:55,550 --> 00:01:53,700

with this hand Against the Machine and I

47

00:01:57,170 --> 00:01:55,560

stepped back a few steps

48

00:02:01,370 --> 00:01:57,180

and then

49

00:02:03,649 --> 00:02:01,380

uh with that he got the job down

50

00:02:06,230 --> 00:02:03,659

and he gave me a salute the back of his

51
00:02:08,749 --> 00:02:06,240
hand the gesture of thanks I presume

52
00:02:10,550 --> 00:02:08,759
and then uh well I gave him my salute

53
00:02:12,350 --> 00:02:10,560
what am I going to do

54
00:02:14,990 --> 00:02:12,360
so uh

55
00:02:16,910 --> 00:02:15,000
I noticed this little man the same size

56
00:02:19,430 --> 00:02:16,920
of a man right to the side the right

57
00:02:22,670 --> 00:02:19,440
side of the Hathaway cooking uh cooking

58
00:02:24,290 --> 00:02:22,680
these pancakes which I have one here yet

59
00:02:26,990 --> 00:02:24,300
uh

60
00:02:28,070 --> 00:02:27,000
he was he was frying these these

61
00:02:29,690 --> 00:02:28,080
pancakes

62
00:02:32,390 --> 00:02:29,700
and uh

63
00:02:34,430 --> 00:02:32,400

I pointed to him and made a gesture like

64

00:02:36,110 --> 00:02:34,440

eating I thought maybe I get a

65

00:02:37,910 --> 00:02:36,120

conversation out of him nobody was

66

00:02:40,070 --> 00:02:37,920

saying anything

67

00:02:42,170 --> 00:02:40,080

but he uh

68

00:02:43,850 --> 00:02:42,180

he didn't say a word he just restored

69

00:02:46,610 --> 00:02:43,860

and he got a handful of my four up and

70

00:02:47,809 --> 00:02:46,620

he handled down to me and they were hot

71

00:02:51,110 --> 00:02:47,819

and greasy

72

00:02:54,170 --> 00:02:51,120

and this uh man cooking these pancakes

73

00:02:56,030 --> 00:02:54,180

it was on a square uh grill-like

74

00:02:57,770 --> 00:02:56,040

concerned I couldn't see any flame but

75

00:03:01,190 --> 00:02:57,780

it seemed to be very hot there was smoke

76

00:03:02,089 --> 00:03:01,200

coming from it and if that was their

77

00:03:04,430 --> 00:03:02,099

food

78

00:03:06,350 --> 00:03:04,440

God help him because I took a bite of

79

00:03:07,729 --> 00:03:06,360

one of them and it tasted like a piece

80

00:03:09,949 --> 00:03:07,739

of cardboard

81

00:03:12,110 --> 00:03:09,959

and if that's what they lived on no

82

00:03:14,869 --> 00:03:12,120

wonder they're small and with that he

83

00:03:17,809 --> 00:03:14,879

reached up and he closed his hats with a

84

00:03:19,850 --> 00:03:17,819

heavy stud quick like film at last and

85

00:03:21,890 --> 00:03:19,860

you couldn't a bit more see where that

86

00:03:23,270 --> 00:03:21,900

hatch was and you could see a hole in my

87

00:03:25,910 --> 00:03:23,280

hand

88

00:03:27,649 --> 00:03:25,920

and uh with that the thing started to

89

00:03:29,809 --> 00:03:27,659

raise it's like it came down everything

90

00:03:33,350 --> 00:03:29,819

was time perfect it went up about 20

91

00:03:36,530 --> 00:03:33,360

feet it filled at a 45 degree straight

92

00:03:38,390 --> 00:03:36,540

South and shut off within two or three

93

00:03:40,670 --> 00:03:38,400

seconds it was out of sight

94

00:03:43,130 --> 00:03:40,680

well there I stood in the driveway with

95

00:03:45,289 --> 00:03:43,140

a handful of greasy pancakes my mouth

96

00:03:47,630 --> 00:03:45,299

opened wondering what the heck I saw

97

00:03:49,369 --> 00:03:47,640

what had happened this man is cooking

98

00:03:50,750 --> 00:03:49,379

these pancakes and I didn't know what he

99

00:03:53,690 --> 00:03:50,760

was doing

100

00:03:56,570 --> 00:03:53,700

so I pointed to him and I made a Chester

101

00:03:58,850 --> 00:03:56,580

like eating see

102

00:04:01,009 --> 00:03:58,860

and this man that took the water he

103

00:04:03,350 --> 00:04:01,019

looked down at me and he re-toe and he

104

00:04:05,330 --> 00:04:03,360

got a handful of these pancakes

105

00:04:07,729 --> 00:04:05,340

and he hand them down to me they

106

00:04:10,190 --> 00:04:07,739

happened to be four there was a hot and

107

00:04:13,250 --> 00:04:10,200

greasy I could hardly hold to them

108

00:04:15,890 --> 00:04:13,260

and uh from that time he reached up and

109

00:04:18,949 --> 00:04:15,900

he got all the hats he closed it with a

110

00:04:20,930 --> 00:04:18,959

heavy sudden it clicked and uh when he

111

00:04:23,030 --> 00:04:20,940

closed that you couldn't admit more see

112

00:04:25,129 --> 00:04:23,040

where that was and you could see a hole

113

00:04:28,670 --> 00:04:25,139

in my hand yeah it was just that purpose

114

00:04:31,430 --> 00:04:28,680

and with that the Stars erased the

115

00:04:33,610 --> 00:04:31,440

surgery the weight raise up about 20

116

00:04:36,110 --> 00:04:33,620

feet high about the top of the street

117

00:04:38,350 --> 00:04:36,120

and from there it was a terrible release

118

00:04:41,629 --> 00:04:38,360

of air this is like a

119

00:04:44,810 --> 00:04:41,639

like that you know and it took us

120

00:04:46,070 --> 00:04:44,820

straight South on a 45 degree angle up

121

00:04:47,870 --> 00:04:46,080

the

122

00:04:51,050 --> 00:04:47,880

and uh

123

00:04:53,150 --> 00:04:51,060

I would say uh in three seconds that's

124

00:04:55,790 --> 00:04:53,160

an awful short time but it was a short

125

00:04:57,590 --> 00:04:55,800

time let's say it took down to disappear

126
00:04:59,210 --> 00:04:57,600
and they were gone now they really

127
00:05:01,430 --> 00:04:59,220
traveled fast

128
00:05:02,570 --> 00:05:01,440
and there I stood right here in my

129
00:05:06,469 --> 00:05:02,580
driveway

130
00:05:09,710 --> 00:05:06,479
with a handful of uh hot greasy pancakes

131
00:05:12,110 --> 00:05:09,720
of looking in that direction and seeing

132
00:05:13,850 --> 00:05:12,120
nothing and nothing here to show where

133
00:05:19,330 --> 00:05:13,860
it landed

134
00:05:19,340 --> 00:05:35,629
[Music]

135
00:05:35,639 --> 00:05:42,350
um

136
00:05:42,360 --> 00:05:57,110
there

137
00:05:57,120 --> 00:06:09,980
foreign

138
00:06:09,990 --> 00:06:29,290

[Music]

139

00:06:32,870 --> 00:06:31,249

that I

140

00:06:55,390 --> 00:06:32,880

I

141

00:06:55,400 --> 00:07:14,830

[Music]

142

00:07:23,350 --> 00:07:17,510

what could I do

143

00:07:33,670 --> 00:07:28,249

but not almost six feet up to the edge

144

00:07:36,890 --> 00:07:33,680

and they will get the top five

145

00:07:44,029 --> 00:07:36,900

it was all border or something great

146

00:07:44,039 --> 00:07:48,230

nope

147

00:07:48,240 --> 00:07:53,120

148

00:08:35,110 --> 00:07:59,200

[Music]

149

00:08:39,769 --> 00:08:37,029

flipped off

150

00:08:42,709 --> 00:08:39,779

both of these men look like

151
00:08:44,930 --> 00:08:42,719
they look like Italian

152
00:08:45,829 --> 00:08:44,940
it looks like there were about five foot

153
00:08:48,590 --> 00:08:45,839
tall

154
00:08:51,790 --> 00:08:48,600
IES

155
00:08:56,290 --> 00:08:51,800
and they were wearing a flight

156
00:09:04,280 --> 00:09:00,170
two piece of this turtleneck no buttons

157
00:09:04,290 --> 00:09:34,190
[Music]

normal

163
00:10:58,180 --> 00:10:34,560

I give it to it

164

00:10:58,190 --> 00:11:04,730

[Music]

165

00:11:04,740 --> 00:11:17,840

[Music]

169

00:12:04,430 --> 00:12:03,130

it looked like a

[Music]

171

foreign

173

00:13:06,600 --> 00:13:09,710

nice

186
00:15:52,820 --> 00:16:06,769
[Music]

187
00:16:06,779 --> 00:16:17,150
I wonder the authorities

188
00:16:23,569 --> 00:16:19,069

yeah

189

00:16:23,579 --> 00:16:29,670

foreign

190

00:17:00,610 --> 00:16:51,510

[Music]

they believe

192

00:17:07,030 --> 00:17:04,559

and now everybody at least

193

00:17:09,829 --> 00:17:07,040

everybody out there believe it

194

00:17:11,329 --> 00:17:09,839

I don't care if nobody believes that I

195

00:17:21,350 --> 00:17:11,339

know it's right and they don't want to

196

down now

206
00:19:49,640 --> 00:19:47,270
you know
