[Music]

2  
00:00:04,970 --> 00:00:02,460

well I can actually say that I've never

3  
00:00:08,350 --> 00:00:04,980

never seen them before never experienced

4  
00:00:11,209 --> 00:00:08,360

anything quite like it before

5  
00:00:13,850 --> 00:00:11,219

a close encounter of the second kind in

6  
00:00:19,450 --> 00:00:13,860

the great sandy desert just another UFO

7  
00:00:24,910 --> 00:00:23,029

I've seen things that shouldn't be and

8  
00:00:28,250 --> 00:00:24,920

we where they are you know

9  
00:00:32,690 --> 00:00:28,260

but never anything like this no

10  
00:00:34,069 --> 00:00:32,700

never actually brought that you know not

11  
00:00:36,350 --> 00:00:34,079

at all

12  
00:00:38,810 --> 00:00:36,360

four separate sightings over a four-hour

13  
00:00:40,850 --> 00:00:38,820

period the first at Lake Gregory the

14

00:00:42,889 --> 00:00:40,860

last at Wolf Creek crater

15

00:00:47,080 --> 00:00:42,899

check the map they're both in the middle

16

00:00:47,090 --> 00:00:50,290

[Music]

17

00:00:54,950 --> 00:00:52,670

what was your reaction when you saw the

18

00:00:57,049 --> 00:00:54,960

lights for the first time

19

00:00:58,790 --> 00:00:57,059

funny sensation yeah

20

00:01:01,549 --> 00:00:58,800

how you feel the hairs and your legs

21

00:01:04,070 --> 00:01:01,559

sort of curling and you oh it's beating

22

00:01:05,929 --> 00:01:04,080

about a million things per second and

23

00:01:09,649 --> 00:01:05,939

just arms and legs sort of don't want to

24

00:01:11,149 --> 00:01:09,659

move so um what was it

25

00:01:15,230 --> 00:01:11,159

I don't know

26  
00:01:17,690 --> 00:01:15,240  
from the first sighting near Lake

27  
00:01:20,210 --> 00:01:17,700  
Gregory Monty Wayne and Brett traveled

28  
00:01:21,770 --> 00:01:20,220  
40 kilometers down the track they pulled

29  
00:01:24,170 --> 00:01:21,780  
up on the side of the road for a bite to

30  
00:01:26,749 --> 00:01:24,180  
eat that's when the object appeared yet

31  
00:01:28,789 --> 00:01:26,759  
again long enough for photographs to be

32  
00:01:30,649 --> 00:01:28,799  
taken photographs which have already

33  
00:01:32,810 --> 00:01:30,659  
been proved legitimate

34  
00:01:35,450 --> 00:01:32,820  
the clearest shot shows the object to be

35  
00:01:38,270 --> 00:01:35,460  
pale blue in color it was a cloudy sky

36  
00:01:40,550 --> 00:01:38,280  
with no moon both men say the thing had

37  
00:01:43,130 --> 00:01:40,560  
definite shape and form over the

38  
00:01:45,170 --> 00:01:43,140

sizzling snaggers Monty continues nah

39

00:01:47,210 --> 00:01:45,180

mixing this thing's there again

40

00:01:49,969 --> 00:01:47,220

well that's kind of like the fight with

41

00:01:53,149 --> 00:01:49,979

a shot of the of the uh with the truck

42

00:01:55,370 --> 00:01:53,159

you know and uh well there's this

43

00:01:57,649 --> 00:01:55,380

rambling noise just down like a car at a

44

00:02:02,569 --> 00:01:57,659

high speed coming over corrugation you

45

00:02:04,069 --> 00:02:02,579

know and uh which there's no cars and

46

00:02:06,830 --> 00:02:04,079

then we step back from the fire and then

47

00:02:10,249 --> 00:02:06,840

this thing was sitting there virtually

48

00:02:12,110 --> 00:02:10,259

right on top of it yeah on the truck

49

00:02:14,630 --> 00:02:12,120

anyway

50

00:02:17,030 --> 00:02:14,640

by day Monty runs a taxi service around

51  
00:02:19,970 --> 00:02:17,040  
kananara he's well known in the area and

52  
00:02:21,770 --> 00:02:19,980  
cares little for Outsiders opinions what

53  
00:02:23,150 --> 00:02:21,780  
about the people who say they're just a

54  
00:02:24,710 --> 00:02:23,160  
couple of guys who've lived in the bush

55  
00:02:27,589 --> 00:02:24,720  
too long I guess you've had a few of

56  
00:02:29,650 --> 00:02:27,599  
them too ahead yeah that's the old story

57  
00:02:32,210 --> 00:02:29,660  
in it you know

58  
00:02:35,330 --> 00:02:32,220  
along here

59  
00:02:37,610 --> 00:02:35,340  
you don't go with that one of course

60  
00:02:40,250 --> 00:02:37,620  
the Kimberly Echo was the first paper to

61  
00:02:42,770 --> 00:02:40,260  
print the photos James o'kenny who runs

62  
00:02:44,869 --> 00:02:42,780  
the torrid tabloid is also well known in

63  
00:02:47,030 --> 00:02:44,879

these parts a straight shooter you

64

00:02:48,770 --> 00:02:47,040

betcha some of which I discount would

65

00:02:50,869 --> 00:02:48,780

there be any reason to doubt what Monty

66

00:02:52,790 --> 00:02:50,879

and Wayne are saying well I'm always a

67

00:02:55,550 --> 00:02:52,800

bit susp being in the same game as you

68

00:02:58,670 --> 00:02:55,560

being in the media business but um

69

00:03:01,190 --> 00:02:58,680

you know I made it very plain to him and

70

00:03:03,170 --> 00:03:01,200

you know I'm involved with them they do

71

00:03:06,050 --> 00:03:03,180

a lot of work for me and otherwise and I

72

00:03:08,150 --> 00:03:06,060

said if you make fool of meat look out

73

00:03:10,309 --> 00:03:08,160

the third member of the trio Brett

74

00:03:11,869 --> 00:03:10,319

Rogers was so shaken he refused to leave

75

00:03:13,910 --> 00:03:11,879

the truck while the object hovered

76

00:03:16,430 --> 00:03:13,920

overhead but it wasn't just the Sight

77

00:03:18,170 --> 00:03:16,440

and Sound that made the skin crawl the

78

00:03:20,869 --> 00:03:18,180

funny part about it was

79

00:03:22,790 --> 00:03:20,879

from when we had tea

80

00:03:25,369 --> 00:03:22,800

until the last time we've seen it we

81

00:03:27,350 --> 00:03:25,379

started off again we had no uh two-way

82

00:03:28,670 --> 00:03:27,360

contact for nothing like this we'll

83

00:03:30,190 --> 00:03:28,680

blame one another two while you're

84

00:03:33,110 --> 00:03:30,200

breaking down you know

85

00:03:34,490 --> 00:03:33,120

it was literally on the ground the first

86

00:03:36,649 --> 00:03:34,500

first time

87

00:03:40,369 --> 00:03:36,659

and it was there until Molly took that

88

00:03:41,690 --> 00:03:40,379

last last photograph and uh and then it

89

00:03:43,970 --> 00:03:41,700

appeared to move off

90

00:03:46,550 --> 00:03:43,980

and money got back in the truck and said

91

00:03:48,289 --> 00:03:46,560

to me on the radio he said what happened

92

00:03:51,229 --> 00:03:48,299

with lights I've gone out

93

00:03:52,910 --> 00:03:51,239

and from the photograph

94

00:03:58,930 --> 00:03:52,920

um that last photograph he took the

95

00:04:04,910 --> 00:04:02,449

I can't even say what I saw and it was

96

00:04:06,649 --> 00:04:04,920

it was unusual it was a bit huge

97

00:04:13,270 --> 00:04:06,659

and um

98

00:04:18,050 --> 00:04:15,890

Monty Wayne and Brett saw something on

99

00:04:20,390 --> 00:04:18,060

the night of March the 5th what it was

100

00:04:23,030 --> 00:04:20,400

remains a mystery it'll probably stay

101  
00:04:25,370 --> 00:04:23,040  
that way forever the Skeptics will write

102  
00:04:26,810 --> 00:04:25,380  
it off the Fanatics will write it down

103  
00:04:29,270 --> 00:04:26,820  
in the record books although Peter

104  
00:04:31,430 --> 00:04:29,280  
Chapman says his bus was buzzed and Then

105  
00:04:33,770 --> 00:04:31,440  
followed by a glowing sphere at Mundra

106  
00:04:35,749 --> 00:04:33,780  
Billa on the same stretch of road where

107  
00:04:38,330 --> 00:04:35,759  
the Knowles family reported being picked

108  
00:04:40,550 --> 00:04:38,340  
up by a UFO earlier this year Peter

109  
00:04:43,129 --> 00:04:40,560  
Chapman and his passengers are convinced

110  
00:04:45,409 --> 00:04:43,139  
they saw something from another planet

111  
00:04:47,510 --> 00:04:45,419  
ironically the trip to Perth began with

112  
00:04:49,249 --> 00:04:47,520  
a viewing of the movie Gremlins just

113  
00:04:51,110 --> 00:04:49,259

after midnight Monday morning the

114

00:04:53,510 --> 00:04:51,120

answered Pioneer bus was taking 25

115

00:04:56,090 --> 00:04:53,520

passengers between Mundra Billa and

116

00:04:58,610 --> 00:04:56,100

Madura when a bright night with another

117

00:05:01,070 --> 00:04:58,620

small light circling it confronted the

118

00:05:03,409 --> 00:05:01,080

vehicle and then fired the bus for eight

119

00:05:05,390 --> 00:05:03,419

kilometers it seemed to just hover there

120

00:05:06,290 --> 00:05:05,400

for a couple of seconds and I went past

121

00:05:07,969 --> 00:05:06,300

it

122

00:05:10,070 --> 00:05:07,979

and uh

123

00:05:12,170 --> 00:05:10,080

I looked in the rear Vision mirror and

124

00:05:13,850 --> 00:05:12,180

it come in behind the bus

125

00:05:15,770 --> 00:05:13,860

and then it stayed around about a

126  
00:05:17,510 --> 00:05:15,780  
kilometer behind me and Peter Chapman

127  
00:05:19,490 --> 00:05:17,520  
kept driving but alerted five other

128  
00:05:21,409 --> 00:05:19,500  
passengers who were awake they were

129  
00:05:24,830 --> 00:05:21,419  
stunned and frightened as the glowing

130  
00:05:26,810 --> 00:05:24,840  
three meter spear chased them in January

131  
00:05:28,909 --> 00:05:26,820  
this year the Knowles family from Perth

132  
00:05:30,890 --> 00:05:28,919  
claimed their car was buzzed and then

133  
00:05:33,290 --> 00:05:30,900  
lifted into the air by a similar object

134  
00:05:35,510 --> 00:05:33,300  
Peter Chapman laughed off their claims

135  
00:05:37,610 --> 00:05:35,520  
but Monday morning's experience has

136  
00:05:39,890 --> 00:05:37,620  
changed his mind in four years of

137  
00:05:42,050 --> 00:05:39,900  
driving this road he's seen nothing like

138  
00:05:45,110 --> 00:05:42,060

it and I didn't believe it at all that's

139

00:05:47,090 --> 00:05:45,120

your UFO stuff but I do now it's totally

140

00:05:49,430 --> 00:05:47,100

different unfortunately no passenger
