

1
00:00:07,249 --> 00:00:05,090
hi have you heard about Missouri yet oh

2
00:00:10,310 --> 00:00:07,259
yes oh yes

3
00:00:12,230 --> 00:00:10,320
what did you see oh [h__\h]

4
00:00:14,030 --> 00:00:12,240
uh the Air Force gave me your number

5
00:00:16,250 --> 00:00:14,040
Whiteman Air Force Base as a matter of

6
00:00:18,650 --> 00:00:16,260
fact gave me your number okay

7
00:00:21,170 --> 00:00:18,660
they offered 300 feet from me and stared

8
00:00:23,150 --> 00:00:21,180
at me like I was they

9
00:00:24,830 --> 00:00:23,160
were in the zoo

10
00:00:27,769 --> 00:00:24,840
like there's a lion in the cage you know

11
00:00:30,830 --> 00:00:27,779
I uh an insect in a jar

12
00:00:33,049 --> 00:00:30,840
three craft directly overhead directly

13
00:00:34,910 --> 00:00:33,059

overhead I saw their faces looking out

14

00:00:36,410 --> 00:00:34,920

the windows at me man pointing at me

15

00:00:38,150 --> 00:00:36,420

with their fingers we're not talking

16

00:00:40,549 --> 00:00:38,160

about one

17

00:00:42,229 --> 00:00:40,559

about three crafts

18

00:00:43,670 --> 00:00:42,239

I I think there's nothing like this

19

00:00:45,350 --> 00:00:43,680

around me in my life you know what I'm

20

00:00:49,069 --> 00:00:45,360

saying yeah

21

00:00:52,369 --> 00:00:49,079

this Shredder did quite a mess

22

00:00:55,670 --> 00:00:52,379

and I'm nobody wasn't able to move

23

00:00:58,069 --> 00:00:55,680

I was not able to move sit there and

24

00:00:59,810 --> 00:00:58,079

they hovered about 300 feet from me the

25

00:01:02,150 --> 00:00:59,820

closest one would they look like I mean

26
00:01:05,450 --> 00:01:02,160
what the objects look like cigar shape

27
00:01:08,030 --> 00:01:05,460
for these large or small Giant

28
00:01:10,250 --> 00:01:08,040
I would say the size of a large jet

29
00:01:14,030 --> 00:01:10,260
airliner at a minimum

30
00:01:15,530 --> 00:01:14,040
okay but no wings or tails cigar shape

31
00:01:17,990 --> 00:01:15,540
there was three of them flying in

32
00:01:20,690 --> 00:01:18,000
formation side by side

33
00:01:23,510 --> 00:01:20,700
when they stopped over me

34
00:01:26,210 --> 00:01:23,520
the closest one to me

35
00:01:28,070 --> 00:01:26,220
raised up so the next one to him could

36
00:01:29,990 --> 00:01:28,080
lower down so the next one to him could

37
00:01:32,749 --> 00:01:30,000
lower down so if the roads the windows

38
00:01:34,850 --> 00:01:32,759

going down the side all of the

39

00:01:36,890 --> 00:01:34,860

be it however you want to phrase them

40

00:01:42,730 --> 00:01:36,900

people creatures whatever

41

00:01:47,390 --> 00:01:45,050

in a zoo

42

00:01:49,249 --> 00:01:47,400

what did those occupants look like and

43

00:01:52,370 --> 00:01:49,259

you couldn't tell the light from inside

44

00:01:55,069 --> 00:01:52,380

the craft was so bright shining out the

45

00:01:56,469 --> 00:01:55,079

windows then all you could tell was all

46

00:02:01,310 --> 00:01:56,479

I could tell

47

00:02:03,649 --> 00:02:01,320

right now buddy I'm I'm saying you're

48

00:02:07,069 --> 00:02:03,659

not knowing what the hell to think

49

00:02:09,109 --> 00:02:07,079

pets were were human-shaped

50

00:02:10,790 --> 00:02:09,119

you could tell if there was eyes in the

51
00:02:13,309 --> 00:02:10,800
head you could tell us the eyes were

52
00:02:17,390 --> 00:02:13,319
large there was no visual appearances of

53
00:02:19,369 --> 00:02:17,400
hairs or ears when I can see but the

54
00:02:20,930 --> 00:02:19,379
light was so bright emanating from

55
00:02:23,330 --> 00:02:20,940
inside this craft

56
00:02:25,190 --> 00:02:23,340
that they looked like they were bald

57
00:02:27,110 --> 00:02:25,200
with no errors but there was no way to

58
00:02:28,729 --> 00:02:27,120
really tell but they were definitely it

59
00:02:30,229 --> 00:02:28,739
had a human head shape they definitely

60
00:02:31,790 --> 00:02:30,239
had a human-shaped body they definitely

61
00:02:34,729 --> 00:02:31,800
stood Behind these windows and pointed

62
00:02:36,470 --> 00:02:34,739
at me and these crafts had they they

63
00:02:38,330 --> 00:02:36,480

looked like a jet airline with no wings

64

00:02:40,490 --> 00:02:38,340

and tail okay

65

00:02:43,130 --> 00:02:40,500

on the back of them

66

00:02:45,110 --> 00:02:43,140

had pots

67

00:02:46,850 --> 00:02:45,120

that resembled the same kind of pots

68

00:02:50,210 --> 00:02:46,860

would be on the back of like a 727 or

69

00:02:53,390 --> 00:02:50,220

something okay okay except

70

00:02:55,729 --> 00:02:53,400

that they had a green glob of light it

71

00:02:58,490 --> 00:02:55,739

was mounted to the top of these pods

72

00:03:00,770 --> 00:02:58,500

that it wasn't very bright but it glowed

73

00:03:02,330 --> 00:03:00,780

then out of the back of these pods where

74

00:03:04,790 --> 00:03:02,340

would normally come

75

00:03:08,270 --> 00:03:04,800

like as we know it where we come the

76

00:03:10,610 --> 00:03:08,280

exhaust with lights that were identical

77

00:03:12,949 --> 00:03:10,620

pulling the headlights of a car that's

78

00:03:14,330 --> 00:03:12,959

what it really looked like okay that's

79

00:03:15,710 --> 00:03:14,340

what it looked like with headlights of a

80

00:03:17,809 --> 00:03:15,720

car they were shrouded in a crowd of

81

00:03:19,070 --> 00:03:17,819

mist when they hovered in the air to

82

00:03:21,770 --> 00:03:19,080

stare at me

83

00:03:24,229 --> 00:03:21,780

it was like I was on visual show

84

00:03:25,670 --> 00:03:24,239

Zoo you know what I'm saying right and

85

00:03:27,350 --> 00:03:25,680

you can see these rows of windows going

86

00:03:29,750 --> 00:03:27,360

down the side and they were identical

87

00:03:32,390 --> 00:03:29,760

this person identical to the rows of

88

00:03:35,030 --> 00:03:32,400

windows that you'd see on an airliner

89

00:03:36,350 --> 00:03:35,040

and there was beings behind each one of

90

00:03:38,869 --> 00:03:36,360

these windows

91

00:03:41,030 --> 00:03:38,879

they were looking at me and pointed

92

00:03:43,430 --> 00:03:41,040

and I could have seen their faces and

93

00:03:45,350 --> 00:03:43,440

their features very clearly it wouldn't

94

00:03:47,330 --> 00:03:45,360

been to the fact that the light was so

95

00:03:49,270 --> 00:03:47,340

intensely bright and

96

00:03:51,610 --> 00:03:49,280

inside the aircraft

97

00:03:53,809 --> 00:03:51,620

they made no noise

98

00:03:56,630 --> 00:03:53,819

absolutely none

99

00:03:58,250 --> 00:03:56,640

there were no more the closest one the

100

00:04:00,530 --> 00:03:58,260

first one that raised up higher than the

101
00:04:02,869 --> 00:04:00,540
other two so that the other two could

102
00:04:05,030 --> 00:04:02,879
raise and stair steps so the occupants

103
00:04:06,589 --> 00:04:05,040
and the winners could see me

104
00:04:10,070 --> 00:04:06,599
there's no more than

105
00:04:11,869 --> 00:04:10,080
450 Grand feet from me

106
00:04:14,210 --> 00:04:11,879
my body

107
00:04:16,189 --> 00:04:14,220
could not move I wanted to scream for my

108
00:04:17,990 --> 00:04:16,199
girlfriend my sister-in-law my mother my

109
00:04:19,610 --> 00:04:18,000
brother and the seven children that were

110
00:04:24,010 --> 00:04:19,620
in the house come look too

111
00:04:27,890 --> 00:04:24,020
I was not able to move I tried to scream

112
00:04:31,310 --> 00:04:27,900
the minute they ceased with looking at

113
00:04:33,890 --> 00:04:31,320

me and so to speak and started to move

114

00:04:35,510 --> 00:04:33,900

off without making a sound

115

00:04:36,950 --> 00:04:35,520

and there was no change in these lights

116

00:04:38,749 --> 00:04:36,960

that were shining up from behind they

117

00:04:40,570 --> 00:04:38,759

were just like headlights and fog okay

118

00:04:42,770 --> 00:04:40,580

okay

119

00:04:45,170 --> 00:04:42,780

started moving out across the lake at

120

00:04:47,330 --> 00:04:45,180

the 51 mile marker here in Mid-Missouri

121

00:04:48,710 --> 00:04:47,340

Ron and I jumped to my car then and

122

00:04:50,570 --> 00:04:48,720

drove to the top of the hill as these

123

00:04:52,370 --> 00:04:50,580

things were going over the lake and on

124

00:04:54,230 --> 00:04:52,380

the way out of sight

125

00:04:56,870 --> 00:04:54,240

the sky is totally clearing here there's

126

00:04:59,570 --> 00:04:56,880

not a cloud in the sky speak up none

127

00:05:03,969 --> 00:04:59,580

okay these things were clouded in in the

128

00:05:07,790 --> 00:05:06,290

on the top shining headlights out the

129

00:05:10,010 --> 00:05:07,800

back of these parts just like headlights

130

00:05:12,170 --> 00:05:10,020

in the front of the car

131

00:05:14,510 --> 00:05:12,180

Standing On Top the hill with my

132

00:05:16,430 --> 00:05:14,520

binoculars looking for him to come back

133

00:05:18,070 --> 00:05:16,440

people are passing me going you saw it

134

00:05:20,930 --> 00:05:18,080

too

135

00:05:21,770 --> 00:05:20,940

what did you see and I told him what I

136

00:05:23,510 --> 00:05:21,780

saw

137

00:05:25,129 --> 00:05:23,520

I called Whiteman Air Force Base they

138

00:05:26,749 --> 00:05:25,139

gave me your number who else has

139

00:05:28,850 --> 00:05:26,759

reported this am I nuts or what's going

140

00:05:32,150 --> 00:05:28,860

on out here no what time did you see it

141

00:05:34,730 --> 00:05:32,160

God I don't know I at about nine o'clock

142

00:05:36,409 --> 00:05:34,740

okay I don't know man I lost that track

143

00:05:41,529 --> 00:05:36,419

of time I lost the track of anything

144

00:05:45,350 --> 00:05:43,370

last thing I was going to worry about

145

00:05:49,070 --> 00:05:45,360

was looking at a goddamn clock

146

00:05:50,749 --> 00:05:49,080

two people just start to talk to me I

147

00:05:52,850 --> 00:05:50,759

live in the same area the Ozarks that I

148

00:05:54,890 --> 00:05:52,860

do and live on the lake here with me

149

00:05:56,330 --> 00:05:54,900

they stopped and they saw me standing on

150

00:05:58,070 --> 00:05:56,340

top the hill in the dark staring on top

151
00:05:59,330 --> 00:05:58,080
of my car binoculars they stopped and go

152
00:06:01,430 --> 00:05:59,340
you saw it too didn't you they roll down

153
00:06:03,529 --> 00:06:01,440
the window you saw it too I said yeah I

154
00:06:05,749 --> 00:06:03,539
thought [h__\h] what did you see I said

155
00:06:07,370 --> 00:06:05,759
three cigar-shaped aircraft hovering in

156
00:06:09,650 --> 00:06:07,380
a Mr fog

157
00:06:11,330 --> 00:06:09,660
no noise they said that's exactly what

158
00:06:13,909 --> 00:06:11,340
we saw we saw a crossover Highway seven

159
00:06:15,730 --> 00:06:13,919
we pulled off our car our truck off the

160
00:06:18,529 --> 00:06:15,740
side of the road

161
00:06:20,150 --> 00:06:18,539
got out with our cameras and you know

162
00:06:22,189 --> 00:06:20,160
what really bugged me about it and they

163
00:06:25,450 --> 00:06:22,199

told me they were unable to remove

164

00:06:27,290 --> 00:06:25,460

the lens caps off the camera

165

00:06:28,850 --> 00:06:27,300

that was the only thing do you know

166

00:06:30,409 --> 00:06:28,860

those people yeah I do know him

167

00:06:32,330 --> 00:06:30,419

personally they're my neighbors I don't

168

00:06:34,249 --> 00:06:32,340

know personally they're we live in Lake

169

00:06:35,930 --> 00:06:34,259

of the Ozarks where a lot of people our

170

00:06:37,189 --> 00:06:35,940

vacationers they come down here early on

171

00:06:38,270 --> 00:06:37,199

the weekends during the summer Lake of

172

00:06:41,749 --> 00:06:38,280

the Ozarks I don't know I don't know

173

00:06:43,309 --> 00:06:41,759

where you're from 206 area codes

174

00:06:44,510 --> 00:06:43,319

I don't I don't know these people I've

175

00:06:46,610 --> 00:06:44,520

never met them before

176

00:06:48,890 --> 00:06:46,620

they are full-timers here like we are

177

00:06:52,249 --> 00:06:48,900

okay okay we're in there like the Ozarks

178

00:06:54,110 --> 00:06:52,259

is 100 110 miles long we got 1400 some

179

00:06:55,309 --> 00:06:54,120

odd miles shorelines vacation Capital

180

00:06:56,990 --> 00:06:55,319

Midwest

181

00:06:59,270 --> 00:06:57,000

a lot of people they retired they look

182

00:07:00,350 --> 00:06:59,280

down here this was a retired couple a

183

00:07:02,330 --> 00:07:00,360

lot of people are only down here on

184

00:07:04,490 --> 00:07:02,340

weekends during the warm months okay

185

00:07:05,749 --> 00:07:04,500

these people live down here they stopped

186

00:07:07,550 --> 00:07:05,759

and got out and tried to photograph it

187

00:07:09,529 --> 00:07:07,560

and the only thing that really bugged me

188

00:07:10,909 --> 00:07:09,539

wrong what they said was for they go but

189

00:07:13,189 --> 00:07:10,919

we couldn't get the lenses off our

190

00:07:14,510 --> 00:07:13,199

camera why couldn't they now this really

191

00:07:15,830 --> 00:07:14,520

bugged me because I'm gonna tell you

192

00:07:18,170 --> 00:07:15,840

what buddy

193

00:07:20,210 --> 00:07:18,180

whatever these three things were

194

00:07:22,550 --> 00:07:20,220

not unnecessarily a believer in Jesus

195

00:07:24,290 --> 00:07:22,560

and I ain't necessarily keeping UFOs but

196

00:07:26,930 --> 00:07:24,300

I'll tell you what I saw three things as

197

00:07:28,610 --> 00:07:26,940

big as jet airliners hover 300 feet

198

00:07:30,650 --> 00:07:28,620

above my head atops the trees here in

199

00:07:32,270 --> 00:07:30,660

the woods around my house

200

00:07:34,189 --> 00:07:32,280

and they're over there without a sound

201
00:07:35,029 --> 00:07:34,199
in the car to missed and as they stopped

202
00:07:36,890 --> 00:07:35,039
dead

203
00:07:38,990 --> 00:07:36,900
the Miss thinned out enough that I could

204
00:07:41,029 --> 00:07:39,000
see that there was Windows going down

205
00:07:42,589 --> 00:07:41,039
the side of these things you know what

206
00:07:44,270 --> 00:07:42,599
it gave me the idea like a Carnival

207
00:07:46,309 --> 00:07:44,280
Cruise or something you know

208
00:07:49,189 --> 00:07:46,319
and and and these things are looking at

209
00:07:51,290 --> 00:07:49,199
me out the windows in all three cracks I

210
00:07:55,129 --> 00:07:51,300
was like on display all of a sudden did

211
00:07:56,809 --> 00:07:55,139
you hear any sound no sound not a sound

212
00:07:59,210 --> 00:07:56,819
none of us that saw it down here and

213
00:08:00,890 --> 00:07:59,220

I've got quite a few Witnesses not

214

00:08:02,570 --> 00:08:00,900

necessarily just people that are in my

215

00:08:04,610 --> 00:08:02,580

household and my family around here but

216

00:08:07,010 --> 00:08:04,620

other witnesses that all live in these

217

00:08:08,150 --> 00:08:07,020

houses around here there's a bunch of us

218

00:08:10,070 --> 00:08:08,160

that saw it

219

00:08:11,930 --> 00:08:10,080

and I come white men and they tell me

220

00:08:13,730 --> 00:08:11,940

their their phone was ringing off the

221

00:08:15,650 --> 00:08:13,740

wall they even accepted my correct call

222

00:08:18,890 --> 00:08:15,660

about it to hear what I had to say I

223

00:08:19,790 --> 00:08:18,900

said I I said I called and I said hey I

224

00:08:21,230 --> 00:08:19,800

said I don't know if they know what's

225

00:08:22,550 --> 00:08:21,240

going on but operator I said you tell

226

00:08:24,650 --> 00:08:22,560

them this is the correct call from a

227

00:08:26,390 --> 00:08:24,660

person who just had all those sounds

228

00:08:28,309 --> 00:08:26,400

movies are closing time of the second

229

00:08:29,809 --> 00:08:28,319

kind and they accepted my collect call

230

00:08:31,430 --> 00:08:29,819

and talk to me transferred me some big

231

00:08:33,769 --> 00:08:31,440

shot up to Whiteman Air Force Base at

232

00:08:35,329 --> 00:08:33,779

the radar okay and he goes he goes yeah

233

00:08:37,430 --> 00:08:35,339

he says our phone's ringing up the wall

234

00:08:39,409 --> 00:08:37,440

from Kansas City to Camden now I live

235

00:08:43,070 --> 00:08:39,419

about 20 miles

236

00:08:46,070 --> 00:08:43,080

bird flies out of Camden okay when these

237

00:08:47,509 --> 00:08:46,080

uh crafts took off the The Mist reappear

238

00:08:50,509 --> 00:08:47,519

around them

239

00:08:53,210 --> 00:08:50,519

and never left them okay it was like

240

00:08:56,449 --> 00:08:53,220

continuously there what color was that

241

00:08:59,030 --> 00:08:56,459

missed like that like lights off right

242

00:09:01,970 --> 00:08:59,040

okay right okay tonight we have no moon

243

00:09:04,070 --> 00:09:01,980

it was grayish white okay but like when

244

00:09:06,650 --> 00:09:04,080

I'm standing outside in my driveway

245

00:09:08,210 --> 00:09:06,660

looking out across the lake something

246

00:09:10,550 --> 00:09:08,220

else I mean it was really weird it was

247

00:09:12,590 --> 00:09:10,560

like something tell me turn around

248

00:09:14,630 --> 00:09:12,600

and my body all of a sudden reverts

249

00:09:16,730 --> 00:09:14,640

around as it does I look up in the sky

250

00:09:18,290 --> 00:09:16,740

and just like out of the movie like a

251

00:09:19,790 --> 00:09:18,300

poltergeist or something I mean this

252

00:09:20,810 --> 00:09:19,800

isn't even this isn't even real I don't

253

00:09:23,150 --> 00:09:20,820

know how I can even talk to you about

254

00:09:25,910 --> 00:09:23,160

this but I got to talk to somebody

255

00:09:27,530 --> 00:09:25,920

this cloud of of Miss steampunk whatever

256

00:09:29,389 --> 00:09:27,540

you want to call it just comes rolling

257

00:09:31,370 --> 00:09:29,399

up over the tops of the trees and it's

258

00:09:33,410 --> 00:09:31,380

so thick and so low that it's engulfing

259

00:09:36,290 --> 00:09:33,420

the top of the tree limbs and I'm

260

00:09:39,050 --> 00:09:36,300

looking at it and as I look at it I see

261

00:09:41,570 --> 00:09:39,060

these three things that look like

262

00:09:43,730 --> 00:09:41,580

car headlights on a row

263

00:09:45,110 --> 00:09:43,740

they're facing Due West but they're

264

00:09:47,170 --> 00:09:45,120
moving East

265

00:09:49,550 --> 00:09:47,180
and I'm going what the hell

266

00:09:51,530 --> 00:09:49,560
there's no cars up there that can be

267

00:09:54,350 --> 00:09:51,540
doing that

268

00:09:57,230 --> 00:09:54,360
sudden they they can move and when they

269

00:10:00,769 --> 00:09:57,240
cease to move the fog began to thin

270

00:10:02,990 --> 00:10:00,779
okay as the fog thin you can see lights

271

00:10:06,530 --> 00:10:03,000
you can see the shape you can see these

272

00:10:12,230 --> 00:10:06,540
crafts now I don't know what color they

273

00:10:15,290 --> 00:10:14,329
the reason I I say I think they were

274

00:10:17,389 --> 00:10:15,300
dark green

275

00:10:19,850 --> 00:10:17,399
is because these lights shining out the

276

00:10:23,150 --> 00:10:19,860

back of them were so bright

277

00:10:25,610 --> 00:10:23,160

but they illuminated the Mist okay the

278

00:10:27,110 --> 00:10:25,620

spark or whatever yeah the Saul gave the

279

00:10:28,490 --> 00:10:27,120

appearance that these crafts were a dark

280

00:10:29,570 --> 00:10:28,500

green color but they could have been

281

00:10:32,640 --> 00:10:29,580

dark blue they could have been dark

282

00:10:36,949 --> 00:10:34,509

[Applause]

283

00:10:39,829 --> 00:10:36,959

with a doubt they were cigar shaped

284

00:10:42,829 --> 00:10:39,839

there was no cockpit Windows as cockpit

285

00:10:45,710 --> 00:10:42,839

Windows would be in a chat as we know it

286

00:10:47,030 --> 00:10:45,720

only windows went down the side like an

287

00:10:49,490 --> 00:10:47,040

airliner's windows

288

00:10:51,530 --> 00:10:49,500

and then there was pods on the back that

289

00:10:53,990 --> 00:10:51,540

really resembled

290

00:10:57,410 --> 00:10:54,000

pods that a jet engine would have on the

291

00:10:59,930 --> 00:10:57,420

back of like a 727 or something okay

292

00:11:01,490 --> 00:10:59,940

and on top of them

293

00:11:04,130 --> 00:11:01,500

there was a

294

00:11:05,990 --> 00:11:04,140

round circle of green glowing light not

295

00:11:08,210 --> 00:11:06,000

real intensely bright

296

00:11:10,730 --> 00:11:08,220

glowing edible green

297

00:11:13,250 --> 00:11:10,740

usually like some kind of a round Dome

298

00:11:16,069 --> 00:11:13,260

shape projectile that sat on top of the

299

00:11:18,170 --> 00:11:16,079

made light now out of the back of these

300

00:11:19,009 --> 00:11:18,180

parts now the pods were pointed on the

301
00:11:21,230 --> 00:11:19,019
front

302
00:11:22,790 --> 00:11:21,240
if the Mist was enough I can't describe

303
00:11:23,930 --> 00:11:22,800
the exact appearance of them but they

304
00:11:25,910 --> 00:11:23,940
looked more and less like they were

305
00:11:27,650 --> 00:11:25,920
appointed on the floor I couldn't see a

306
00:11:30,590 --> 00:11:27,660
dark spot in front of him like an air

307
00:11:33,949 --> 00:11:30,600
intake as a jet engine as we know it

308
00:11:35,690 --> 00:11:33,959
Bad Company was definitely flat as far

309
00:11:37,250 --> 00:11:35,700
as I could see because this beam of

310
00:11:40,190 --> 00:11:37,260
light came out that looked just like a

311
00:11:42,350 --> 00:11:40,200
headlight in the fog of an automobile

312
00:11:45,829 --> 00:11:42,360
there was no tails on them there was no

313
00:11:49,370 --> 00:11:45,839

weeds they made no noise and whatever

314

00:11:51,110 --> 00:11:49,380

was on board was taking out the windows

315

00:11:52,730 --> 00:11:51,120

like people looking out the windows of a

316

00:11:54,230 --> 00:11:52,740

bus you know what I'm saying did you

317

00:11:57,949 --> 00:11:54,240

have a chance to count the number of

318

00:11:59,389 --> 00:11:57,959

those lighted openings well there again

319

00:12:05,030 --> 00:11:59,399

I

320

00:12:06,710 --> 00:12:05,040

window a picture window to where

321

00:12:08,630 --> 00:12:06,720

everybody's sitting here watching TV I

322

00:12:10,630 --> 00:12:08,640

wasn't for some reason

323

00:12:13,250 --> 00:12:10,640

and this is what scares me the most

324

00:12:15,170 --> 00:12:13,260

everyone's got me upset the most is I

325

00:12:16,009 --> 00:12:15,180

wasn't able to scream to anybody in the

326

00:12:18,350 --> 00:12:16,019

house

327

00:12:20,569 --> 00:12:18,360

my body first that's just I wasn't able

328

00:12:22,610 --> 00:12:20,579

to move because these things hovered

329

00:12:24,230 --> 00:12:22,620

there they're still in the air

330

00:12:26,690 --> 00:12:24,240

I couldn't move until I started to move

331

00:12:28,850 --> 00:12:26,700

away when they started to move away then

332

00:12:33,790 --> 00:12:28,860

all of a sudden I could move again

333

00:12:37,490 --> 00:12:33,800

there was at least to give you a minimum

334

00:12:38,569 --> 00:12:37,500

15 20th minimum okay I'd say 30 is

335

00:12:40,730 --> 00:12:38,579

maximum

336

00:12:43,069 --> 00:12:40,740

windows down the side and directly

337

00:12:45,410 --> 00:12:43,079

resembling portal windows are of a

338

00:12:48,350 --> 00:12:45,420

jetliner but to be honest with you I'm

339

00:12:49,790 --> 00:12:48,360

so upset from the situation

340

00:12:52,490 --> 00:12:49,800

I can't tell you if they were square

341

00:12:54,110 --> 00:12:52,500

around okay and the light was coming out

342

00:12:56,210 --> 00:12:54,120

of them so brightly that it would be

343

00:12:58,490 --> 00:12:56,220

hard to tell you

344

00:13:01,370 --> 00:12:58,500

if there was an incredible light coming

345

00:13:03,889 --> 00:13:01,380

out of the inside of the thing but the

346

00:13:05,629 --> 00:13:03,899

light undoubtedly showed the fact that

347

00:13:07,610 --> 00:13:05,639

there was beings creatures whatever you

348

00:13:08,870 --> 00:13:07,620

want to tournament behind each and every

349

00:13:11,329 --> 00:13:08,880

window

350

00:13:12,290 --> 00:13:11,339

looking out and pointing sir I mean

351

00:13:13,670 --> 00:13:12,300

there were some of them that were

352

00:13:17,090 --> 00:13:13,680

pointing at me

353

00:13:20,030 --> 00:13:17,100

right like I was an exhibit at the zoo

354

00:13:21,889 --> 00:13:20,040

an aquarium and they stopped their dead

355

00:13:23,389 --> 00:13:21,899

end and what really got me was the way

356

00:13:26,509 --> 00:13:23,399

they hovered into a stair-step position

357

00:13:28,610 --> 00:13:26,519

the closest one moved up the middle one

358

00:13:30,290 --> 00:13:28,620

moved down a little and the one on the

359

00:13:32,090 --> 00:13:30,300

farthest probably moved down even yet to

360

00:13:33,530 --> 00:13:32,100

our damn near touch the Treetops here

361

00:13:36,170 --> 00:13:33,540

now I'm talking we're talking this crack

362

00:13:38,269 --> 00:13:36,180

with six feet over the trees and its

363

00:13:40,370 --> 00:13:38,279

Mist was covering engulfing the trees on

364

00:13:42,410 --> 00:13:40,380

top the hill about me 200 feet three and

365

00:13:45,410 --> 00:13:42,420

feet above me okay and they moved down

366

00:13:46,850 --> 00:13:45,420

the stair steps so that our free craft I

367

00:13:48,350 --> 00:13:46,860

I looked at all three rows of windows

368

00:13:50,810 --> 00:13:48,360

done all three crafts and all and I

369

00:13:52,910 --> 00:13:50,820

could see these occupants whatever you

370

00:13:55,069 --> 00:13:52,920

want to turn them turn them in all three

371

00:13:56,210 --> 00:13:55,079

windows all three sets of Windows going

372

00:13:58,310 --> 00:13:56,220

down these crafts and they were looking

373

00:13:59,090 --> 00:13:58,320

at me they were staring at me they were

374

00:14:00,230 --> 00:13:59,100

definitely

375

00:14:02,150 --> 00:14:00,240

I don't know you know you read about

376

00:14:04,730 --> 00:14:02,160

these things in in

377

00:14:08,210 --> 00:14:04,740

papers and and said they were definitely

378

00:14:11,210 --> 00:14:08,220

humanoid looking okay as far as I could

379

00:14:13,730 --> 00:14:11,220

see they they had arms that they could

380

00:14:15,350 --> 00:14:13,740

point at me like like you and I would

381

00:14:16,550 --> 00:14:15,360

point at something look at that ant on

382

00:14:18,530 --> 00:14:16,560

the ground

383

00:14:20,030 --> 00:14:18,540

uh they had heads that were shaped like

384

00:14:23,530 --> 00:14:20,040

ours as far as whether or not they had

385

00:14:26,150 --> 00:14:23,540

ears or they had hair I have

386

00:14:28,670 --> 00:14:26,160

had two eyes

387

00:14:29,509 --> 00:14:28,680

you can see these areas that appeared

388

00:14:36,769 --> 00:14:29,519

dark

389

00:14:38,210 --> 00:14:36,779

was like even though the light was so

390

00:14:39,889 --> 00:14:38,220

intensely bright you can see that there

391

00:14:40,970 --> 00:14:39,899

was undoubtedly two eyes I don't know

392

00:14:41,569 --> 00:14:40,980

how to explain it to you the way it

393

00:14:42,889 --> 00:14:41,579

looked

394

00:14:44,870 --> 00:14:42,899

look see that you know there was

395

00:14:47,569 --> 00:14:44,880

undoubtedly two eyes on here on every

396

00:14:49,850 --> 00:14:47,579

head and they were undoubtedly carrying

397

00:14:51,410 --> 00:14:49,860

on the conversation because the way

398

00:14:52,790 --> 00:14:51,420

their heads were pointing and looking at

399

00:14:54,110 --> 00:14:52,800

each other why they pointed you know you

400

00:14:55,910 --> 00:14:54,120

could tell these these things were

401
00:14:57,470 --> 00:14:55,920
talking about the fact I was standing

402
00:14:59,750 --> 00:14:57,480
down there on the ground

403
00:15:03,470 --> 00:14:59,760
okay any estimate of length on those

404
00:15:05,329 --> 00:15:03,480
objects all right how long they were

405
00:15:06,949 --> 00:15:05,339
well

406
00:15:08,990 --> 00:15:06,959
I'll tell you what

407
00:15:14,210 --> 00:15:09,000
at a minimum

408
00:15:15,410 --> 00:15:14,220
salesman I've done a lot of flying

409
00:15:17,629 --> 00:15:15,420
the minimum

410
00:15:21,710 --> 00:15:17,639
if you peel the wings and tail off of

411
00:15:24,230 --> 00:15:21,720
747 you got it okay I mean I was 727

412
00:15:28,310 --> 00:15:24,240
on a maximum if you peel the wings and

413
00:15:31,910 --> 00:15:28,320

tail off a 747 you got it but no hump no

414

00:15:33,590 --> 00:15:31,920

cockpit Windows only Windows going down

415

00:15:35,689 --> 00:15:33,600

the side

416

00:15:38,629 --> 00:15:35,699

okay

417

00:15:40,370 --> 00:15:38,639

and these things

418

00:15:42,170 --> 00:15:40,380

where I've not only did me and a whole

419

00:15:44,080 --> 00:15:42,180

bunch of my neighbors see them I

420

00:15:45,710 --> 00:15:44,090

apparently saw him the closest

421

00:15:47,389 --> 00:15:45,720

[Applause]

422

00:15:49,250 --> 00:15:47,399

I understand from Reitman it's been

423

00:15:51,050 --> 00:15:49,260

reported from at the time I talked to

424

00:15:53,329 --> 00:15:51,060

him from Kansas City to Camdenton which

425

00:15:55,550 --> 00:15:53,339

Kansas City is about 150 miles is the

426

00:15:59,389 --> 00:15:55,560

crow flight now about 120 30 miles of

427

00:16:01,850 --> 00:15:59,399

the crow flies again it's about 20 miles

428

00:16:03,650 --> 00:16:01,860

they've got thousands of reports on it

429

00:16:05,870 --> 00:16:03,660

they even fixed up with my car collect I

430

00:16:07,069 --> 00:16:05,880

couldn't believe it all right sir can I

431

00:16:10,670 --> 00:16:07,079

get your name

432

00:16:13,430 --> 00:16:10,680

run yeah this is strictly confidential

433

00:16:14,810 --> 00:16:13,440

my name is that your first name yeah

434

00:16:16,310 --> 00:16:14,820

okay

435

00:16:19,069 --> 00:16:16,320

how many other calls you brought about

436

00:16:22,030 --> 00:16:19,079

this tonight oh dozens

437

00:16:24,949 --> 00:16:22,040

now which which uh town were you at okay

438

00:16:26,689 --> 00:16:24,959

Climax Springs Missouri just like it

439

00:16:29,569 --> 00:16:26,699

South Climax Springs I don't know where

440

00:16:31,310 --> 00:16:29,579

they ever got that name I got several of

441

00:16:33,050 --> 00:16:31,320

my neighbors that saw the same thing I

442

00:16:39,530 --> 00:16:33,060

did three crafts information moving

443

00:16:43,850 --> 00:16:42,290

I am the never in my life experienced

444

00:16:45,670 --> 00:16:43,860

anything like this tonight but my whole

445

00:16:48,650 --> 00:16:45,680

attitude

446

00:16:51,050 --> 00:16:48,660

just got a total rearrangement tonight

447

00:16:53,930 --> 00:16:51,060

because I know I'm not nuts

448

00:16:56,210 --> 00:16:53,940

I know what I saw

449

00:16:59,090 --> 00:16:56,220

um I was thrown sober

450

00:16:59,889 --> 00:16:59,100

and I don't do drugs or anything like

451
00:17:02,930 --> 00:16:59,899
that

452
00:17:04,850 --> 00:17:02,940
I'm a man with four kids

453
00:17:06,470 --> 00:17:04,860
it's all and I know what my retired

454
00:17:07,850 --> 00:17:06,480
neighbors across the way saw I knew what

455
00:17:10,250 --> 00:17:07,860
my mother saw and what all the rest of

456
00:17:11,750 --> 00:17:10,260
us Diner on this part of the lake saw we

457
00:17:13,250 --> 00:17:11,760
all saw the same thing whatever this

458
00:17:15,350 --> 00:17:13,260
thing was I'll guarantee you the Air

459
00:17:17,210 --> 00:17:15,360
Force didn't have no machines like this

460
00:17:19,730 --> 00:17:17,220
my brother-in-law from the Air Force big

461
00:17:21,590 --> 00:17:19,740
time and he sent me pictures of the

462
00:17:24,770 --> 00:17:21,600
SR-71 Blackbird before they were even

463
00:17:26,150 --> 00:17:24,780

supposed to exist and America don't have

464

00:17:29,810 --> 00:17:26,160

nothing like this you know what I'm

465

00:17:31,850 --> 00:17:29,820

saying right whatever this was uh there

466

00:17:34,549 --> 00:17:31,860

wasn't Russian or American

467

00:17:36,289 --> 00:17:34,559

and to so it leaves the mind up to have

468

00:17:38,510 --> 00:17:36,299

to decide what the hell it definitely

469

00:17:41,390 --> 00:17:38,520

was but I'll guarantee you what

470

00:17:43,010 --> 00:17:41,400

whatever these things were

471

00:17:45,650 --> 00:17:43,020

they were large

472

00:17:47,210 --> 00:17:45,660

they were silent why they were covered

473

00:17:48,710 --> 00:17:47,220

in Mist I don't know but the crowd of

474

00:17:50,390 --> 00:17:48,720

Miss moved along with them you

475

00:17:51,950 --> 00:17:50,400

understand what I'm saying right it

476
00:17:54,049 --> 00:17:51,960
preceded them as they moved through the

477
00:17:55,850 --> 00:17:54,059
sky the noses of these crafts never

478
00:17:57,110 --> 00:17:55,860
broke this cloud of steam or missed

479
00:17:59,930 --> 00:17:57,120
whatever you want to call it it

480
00:18:03,289 --> 00:17:59,940
constantly preceded them

481
00:18:05,750 --> 00:18:03,299
and and as this thing moved to describe

482
00:18:07,850 --> 00:18:05,760
me no noise and it was each one of them

483
00:18:09,770 --> 00:18:07,860
was definitely loaded with multiple

484
00:18:11,330 --> 00:18:09,780
occupants that were stirring out windows

485
00:18:13,669 --> 00:18:11,340
they were looking out their Windows

486
00:18:15,950 --> 00:18:13,679
sightseeing man these things were

487
00:18:18,830 --> 00:18:15,960
sightseeing whatever they were they were

488
00:18:21,049 --> 00:18:18,840

right then and they stopped so close to

489

00:18:22,730 --> 00:18:21,059

me to look at me and I could see no

490

00:18:24,950 --> 00:18:22,740

seams they were close enough that I

491

00:18:26,690 --> 00:18:24,960

could see no seams no rivets no plates

492

00:18:29,450 --> 00:18:26,700

on this graph the skin of this vehicle

493

00:18:31,190 --> 00:18:29,460

was totally smooth

494

00:18:32,690 --> 00:18:31,200

totally smooth

495

00:18:35,690 --> 00:18:32,700

and it was Matt

496

00:18:38,450 --> 00:18:35,700

there was no shine it was it was flat

497

00:18:40,070 --> 00:18:38,460

textured okay no shine

498

00:18:41,570 --> 00:18:40,080

for whatever it was man I'm gonna tell

499

00:18:43,549 --> 00:18:41,580

you what it was real bizarre definitely

500

00:18:45,169 --> 00:18:43,559

cigar shape but it had these two pots on

501
00:18:46,789 --> 00:18:45,179
the back that shot out lights like

502
00:18:49,250 --> 00:18:46,799
flashlight beams

503
00:18:51,289 --> 00:18:49,260
and they were all so damn close to me

504
00:18:53,570 --> 00:18:51,299
that's so damn close it's scared the

505
00:18:55,190 --> 00:18:53,580
[h__h] out of me did you hear any or feel

506
00:18:56,990 --> 00:18:55,200
any increase of temperature in the air

507
00:18:59,270 --> 00:18:57,000
at the time

508
00:19:02,510 --> 00:18:59,280
not that I recognized but

509
00:19:04,490 --> 00:19:02,520
I'm telling you what I was so scared

510
00:19:06,529 --> 00:19:04,500
is the right okay

511
00:19:08,210 --> 00:19:06,539
I was so scared I don't know if I

512
00:19:09,409 --> 00:19:08,220
noticed it there was but I can tell you

513
00:19:12,770 --> 00:19:09,419

this

514

00:19:15,590 --> 00:19:12,780

that they were close enough to me

515

00:19:17,029 --> 00:19:15,600

Dean proud that surrounded these crafts

516

00:19:19,010 --> 00:19:17,039

perpetually as they moved to the air

517

00:19:22,490 --> 00:19:19,020

covered the trees in my yard

518

00:19:25,430 --> 00:19:22,500

covered the trees all over my hill

519

00:19:27,169 --> 00:19:25,440

and that's no kidding because that third

520

00:19:29,150 --> 00:19:27,179

one when it dropped down far enough for

521

00:19:30,590 --> 00:19:29,160

that its Windows could look out at me

522

00:19:32,750 --> 00:19:30,600

too

523

00:19:34,610 --> 00:19:32,760

it was virtually touching the tops of

524

00:19:36,169 --> 00:19:34,620

the Tree Tops on top of my Hill here and

525

00:19:39,770 --> 00:19:36,179

I'm almost to the top of the hill I'm

526

00:19:41,870 --> 00:19:39,780

about 50 60 feet off the lake and the

527

00:19:43,310 --> 00:19:41,880

top deal is probably 150 feet from me

528

00:19:45,049 --> 00:19:43,320

we're at crest

529

00:19:48,110 --> 00:19:45,059

see any movement on the top of the tree

530

00:19:49,549 --> 00:19:48,120

at all no okay there was no movement of

531

00:19:51,650 --> 00:19:49,559

anything but these crap but they were

532

00:19:54,169 --> 00:19:51,660

moving slow my man okay I'm telling

533

00:19:55,909 --> 00:19:54,179

these things did not move fast they

534

00:19:57,529 --> 00:19:55,919

idled away so to speak you understand

535

00:19:59,690 --> 00:19:57,539

what I'm saying yes when they came into

536

00:20:02,090 --> 00:19:59,700

view from me they were like I think in

537

00:20:04,130 --> 00:20:02,100

the view and when they idled in The View

538

00:20:06,590 --> 00:20:04,140

like something like it was really

539

00:20:07,850 --> 00:20:06,600

bizarre I mean something awesome for

540

00:20:10,430 --> 00:20:07,860

some reason my body just turned around

541

00:20:12,409 --> 00:20:10,440

and looked up and I just saw this plot

542

00:20:14,390 --> 00:20:12,419

of this boil up like right out of a

543

00:20:16,850 --> 00:20:14,400

movie or something it didn't look real

544

00:20:19,370 --> 00:20:16,860

and when it boils up and moved over then

545

00:20:20,870 --> 00:20:19,380

you saw these things move into view and

546

00:20:23,210 --> 00:20:20,880

then they also moved in the view they

547

00:20:25,430 --> 00:20:23,220

stopped and then when they stopped the

548

00:20:26,990 --> 00:20:25,440

Miss dent and then they moved into this

549

00:20:28,549 --> 00:20:27,000

stair-step position

550

00:20:30,230 --> 00:20:28,559

so that all three of them could look out

551
00:20:31,850 --> 00:20:30,240
the windows of all three of these crafts

552
00:20:33,289 --> 00:20:31,860
and they stood there to me I don't know

553
00:20:34,610 --> 00:20:33,299
how long that was

554
00:20:37,310 --> 00:20:34,620
I don't know whether they stared at me

555
00:20:40,130 --> 00:20:37,320
for 15 seconds or whether they stared at

556
00:20:42,409 --> 00:20:40,140
me for 15 minutes because the problem

557
00:20:44,630 --> 00:20:42,419
was I walked I just loaded the fireplace

558
00:20:46,070 --> 00:20:44,640
with wood I put on my coat and I walked

559
00:20:48,350 --> 00:20:46,080
out the bottom store of my house

560
00:20:50,210 --> 00:20:48,360
everybody else was upstairs

561
00:20:51,350 --> 00:20:50,220
I walked out and went out to the

562
00:20:53,510 --> 00:20:51,360
driveway

563
00:20:55,310 --> 00:20:53,520

so I don't know how long

564

00:20:57,950 --> 00:20:55,320

I was standing out there in the driveway

565

00:20:59,029 --> 00:20:57,960

with them staring at me because but I do

566

00:21:01,730 --> 00:20:59,039

know

567

00:21:03,590 --> 00:21:01,740

that I was trying to yell and scream for

568

00:21:04,789 --> 00:21:03,600

everybody inside the house and I was not

569

00:21:07,970 --> 00:21:04,799

able to

570

00:21:10,730 --> 00:21:07,980

until

571

00:21:12,950 --> 00:21:10,740

they got through with looking at me so

572

00:21:15,590 --> 00:21:12,960

to speak and started to move away the

573

00:21:18,289 --> 00:21:15,600

minute I mean the very instant the

574

00:21:20,150 --> 00:21:18,299

crafts started to move away and started

575

00:21:21,770 --> 00:21:20,160

initiating a forward movement again then

576
00:21:23,330 --> 00:21:21,780
all of a sudden my body had moved and

577
00:21:24,710 --> 00:21:23,340
that's when I ran right now started

578
00:21:25,970 --> 00:21:24,720
screaming god everybody come out here

579
00:21:27,529 --> 00:21:25,980
right now I'm now screaming like a

580
00:21:29,510 --> 00:21:27,539
madman come out here see this right now

581
00:21:31,130 --> 00:21:29,520
because I thought I was nuts I thought

582
00:21:32,810 --> 00:21:31,140
I'd lost my mind I mean I was freaking

583
00:21:35,029 --> 00:21:32,820
out come out here and look at this right

584
00:21:36,710 --> 00:21:35,039
now and everybody I was so hysterical

585
00:21:39,169 --> 00:21:36,720
that everybody ran out immediately and

586
00:21:41,029 --> 00:21:39,179
they all run to

587
00:21:42,230 --> 00:21:41,039
and a whole bunch of people in our idea

588
00:21:44,149 --> 00:21:42,240

and then that's when my brother and I

589

00:21:45,890 --> 00:21:44,159

went up on top of the hill he got scared

590

00:21:47,630 --> 00:21:45,900

he was so scared he came back down house

591

00:21:49,730 --> 00:21:47,640

he wouldn't wait up there with me okay

592

00:21:52,669 --> 00:21:49,740

how many other people saw that it's a

593

00:21:54,710 --> 00:21:52,679

total number well in my family alone 10

594

00:21:56,570 --> 00:21:54,720

okay because everybody's here this

595

00:21:58,610 --> 00:21:56,580

weekend I have four kids my brother's

596

00:22:01,070 --> 00:21:58,620

got three I mean I'm not a young I'm not

597

00:22:02,149 --> 00:22:01,080

20 years old okay what is your age 34.

598

00:22:04,070 --> 00:22:02,159

okay

599

00:22:05,930 --> 00:22:04,080

but then I stood up on top the hill with

600

00:22:09,230 --> 00:22:05,940

my binoculars and I'm looking around the

601
00:22:10,669 --> 00:22:09,240
Horizon and pickup truck drives up sees

602
00:22:12,049 --> 00:22:10,679
me standing there and they stopped they

603
00:22:14,570 --> 00:22:12,059
roll down the window and the first thing

604
00:22:16,070 --> 00:22:14,580
they said to me was you sought too

605
00:22:19,549 --> 00:22:16,080
didn't you

606
00:22:21,649 --> 00:22:19,559
said yeah that's from them what'd you

607
00:22:23,330 --> 00:22:21,659
see we go oh we don't know what did you

608
00:22:24,590 --> 00:22:23,340
see and they were like real apprehensive

609
00:22:27,470 --> 00:22:24,600
you know

610
00:22:30,470 --> 00:22:27,480
and I said well I'm not sure what I

611
00:22:32,330 --> 00:22:30,480
thought but I saw something to the sky

612
00:22:34,549 --> 00:22:32,340
they said serve me

613
00:22:37,970 --> 00:22:34,559

they said how many of them did you see

614

00:22:40,070 --> 00:22:37,980

I said I saw three I said sorry I said

615

00:22:41,330 --> 00:22:40,080

in a cloud of myths they said yeah I

616

00:22:42,770 --> 00:22:41,340

said where'd you see them and then they

617

00:22:44,090 --> 00:22:42,780

opened up a little more after it was

618

00:22:45,049 --> 00:22:44,100

obvious that we both agreed on what

619

00:22:46,549 --> 00:22:45,059

we've saw

620

00:22:48,110 --> 00:22:46,559

they said they were sitting down and

621

00:22:49,549 --> 00:22:48,120

climbing around Climax Springs and they

622

00:22:52,250 --> 00:22:49,559

saw the crafts hover across the southern

623

00:22:54,049 --> 00:22:52,260

this is a retired couple now they're

624

00:22:55,730 --> 00:22:54,059

both gray-haired

625

00:22:57,350 --> 00:22:55,740

and they proceeded to tell me that they

626

00:22:59,029 --> 00:22:57,360

shut off their place when they saw them

627

00:23:01,370 --> 00:22:59,039

they realized that something was strange

628

00:23:03,110 --> 00:23:01,380

with the crap the fact that the lights

629

00:23:04,970 --> 00:23:03,120

were shining the opposite direction

630

00:23:06,890 --> 00:23:04,980

but the crafts were moving

631

00:23:08,390 --> 00:23:06,900

that they stopped their trucks shut off

632

00:23:10,130 --> 00:23:08,400

the lights put in the park shut off the

633

00:23:12,049 --> 00:23:10,140

motor and got out

634

00:23:13,610 --> 00:23:12,059

when they realized that they heard no

635

00:23:16,130 --> 00:23:13,620

engine noise

636

00:23:18,110 --> 00:23:16,140

they tried to get their cameras

637

00:23:19,250 --> 00:23:18,120

some reason and this is what the

638

00:23:21,169 --> 00:23:19,260

strangest thing that struck me about

639

00:23:22,730 --> 00:23:21,179

what they said was they go but we

640

00:23:23,810 --> 00:23:22,740

couldn't get our lens caps off the

641

00:23:26,390 --> 00:23:23,820

cameras

642

00:23:27,830 --> 00:23:26,400

now that seems real strange

643

00:23:29,990 --> 00:23:27,840

I don't know whether they really got

644

00:23:31,970 --> 00:23:30,000

pictures or whether they really couldn't

645

00:23:33,350 --> 00:23:31,980

get their lens caps off the cameras but

646

00:23:35,630 --> 00:23:33,360

I really but I'll tell you one thing I

647

00:23:38,270 --> 00:23:35,640

really couldn't move out in the driveway

648

00:23:39,289 --> 00:23:38,280

but I believe them in this sense maybe I

649

00:23:40,669 --> 00:23:39,299

believe in the sense that they couldn't

650

00:23:43,130 --> 00:23:40,679

get the lens caps off their cameras

651
00:23:44,690 --> 00:23:43,140
because I know as long as those things

652
00:23:46,789 --> 00:23:44,700
still for however long that was they

653
00:23:48,409 --> 00:23:46,799
stood there hover to wait for me I was

654
00:23:50,149 --> 00:23:48,419
not able to move a screen I'm 20 feet

655
00:23:51,529 --> 00:23:50,159
from the plate glass windows of my house

656
00:23:53,750 --> 00:23:51,539
where everybody's sitting in the living

657
00:23:55,310 --> 00:23:53,760
room watching TV

658
00:23:57,110 --> 00:23:55,320
if I'd have been able to scream they

659
00:23:58,789 --> 00:23:57,120
could have heard me instantly

660
00:24:00,169 --> 00:23:58,799
heard me yeah I mean down here in this

661
00:24:01,789 --> 00:24:00,179
part of the country it's so quiet we've

662
00:24:03,289 --> 00:24:01,799
got no traffic there's no road noise

663
00:24:04,850 --> 00:24:03,299

there's no airplane noise I mean it's

664

00:24:07,610 --> 00:24:04,860

bedtime somebody screams a half mile

665

00:24:09,230 --> 00:24:07,620

away you can hear them

666

00:24:11,029 --> 00:24:09,240

couldn't scream these people couldn't

667

00:24:13,070 --> 00:24:11,039

get the lenses off their camera

668

00:24:14,750 --> 00:24:13,080

do you see them quite often I've never

669

00:24:16,549 --> 00:24:14,760

seen them before in my life they live on

670

00:24:19,310 --> 00:24:16,559

Kaufman Bend 11. now let me explain you

671

00:24:21,230 --> 00:24:19,320

what that means on every curve of the

672

00:24:23,090 --> 00:24:21,240

lake one side of the Curve will be

673

00:24:26,210 --> 00:24:23,100

coffined into the next side of crops

674

00:24:27,830 --> 00:24:26,220

caught them in three okay okay and you

675

00:24:29,270 --> 00:24:27,840

have lots and lots and lots of Curves

676
00:24:31,730 --> 00:24:29,280
get out your map of Missouri look up

677
00:24:34,130 --> 00:24:31,740
like the Ozarks Central Missouri just

678
00:24:35,690 --> 00:24:34,140
west of Jefferson City just south of

679
00:24:37,850 --> 00:24:35,700
Sedalia in Columbia

680
00:24:39,470 --> 00:24:37,860
just north of Springfield like the

681
00:24:41,149 --> 00:24:39,480
Ozarks and you you'll get the picture

682
00:24:42,529 --> 00:24:41,159
although the map will not show you how

683
00:24:44,630 --> 00:24:42,539
many curves the lake actually has

684
00:24:47,149 --> 00:24:44,640
because the right Lakes are like 110

685
00:24:48,529 --> 00:24:47,159
miles long but we got 1456 miles of

686
00:24:49,610 --> 00:24:48,539
Shoreline that tells you we got a lot of

687
00:24:51,169 --> 00:24:49,620
codes

688
00:24:52,250 --> 00:24:51,179

that doesn't tell you off the coast you

689

00:24:54,529 --> 00:24:52,260

know in our area

690

00:24:56,029 --> 00:24:54,539

you know it was caught up and bend and

691

00:24:57,289 --> 00:24:56,039

the first coat has caught and been one

692

00:24:58,549 --> 00:24:57,299

the other side of the curve the north

693

00:25:00,049 --> 00:24:58,559

side of the Cove is caught them in two

694

00:25:01,549 --> 00:25:00,059

then the next Kobe come to the South

695

00:25:07,990 --> 00:25:01,559

Side the coach Crawford been three the

696

00:25:08,000 --> 00:25:12,190

Okay so

697

00:25:17,029 --> 00:25:14,390

may be

698

00:25:20,149 --> 00:25:17,039

they uh they definitely stopped and and

699

00:25:21,950 --> 00:25:20,159

tried to photograph it but uh

700

00:25:23,270 --> 00:25:21,960

they tell me they weren't able to

701
00:25:24,289 --> 00:25:23,280
now I don't know whether they were just

702
00:25:26,090 --> 00:25:24,299
talking about because they really

703
00:25:28,190 --> 00:25:26,100
weren't able to but they come and they

704
00:25:30,350 --> 00:25:28,200
couldn't get the lenses they said they

705
00:25:32,450 --> 00:25:30,360
were not able to remove the lenses from

706
00:25:35,330 --> 00:25:32,460
their cameras and I know that I wasn't

707
00:25:37,250 --> 00:25:35,340
able to yell my family inside the house

708
00:25:38,930 --> 00:25:37,260
until these crash started to move away

709
00:25:41,690 --> 00:25:38,940
and the minute they started to move away

710
00:25:42,890 --> 00:25:41,700
my body could move again and man the

711
00:25:44,510 --> 00:25:42,900
first thing I did was run in the house

712
00:25:46,730 --> 00:25:44,520
and start screaming god everybody get

713
00:25:49,730 --> 00:25:46,740

out of here now and look at this and I

714

00:25:52,070 --> 00:25:49,740

brought about four adults out there and

715

00:25:52,850 --> 00:25:52,080

of course one of the children is way too

716

00:25:54,529 --> 00:25:52,860

young

717

00:25:56,810 --> 00:25:54,539

but the other six of the children all

718

00:25:58,850 --> 00:25:56,820

sought to in fact the children that

719

00:26:00,710 --> 00:25:58,860

ranged in ages from 6 to 10 we're so

720

00:26:04,130 --> 00:26:00,720

scared I had to uh

721

00:26:06,470 --> 00:26:04,140

really give some rationalized uh

722

00:26:09,350 --> 00:26:06,480

councils for what it meant okay

723

00:26:11,990 --> 00:26:09,360

determined to go to church they

724

00:26:13,250 --> 00:26:12,000

they don't understand what UFOs are

725

00:26:14,870 --> 00:26:13,260

supposed to go to church but my mother

726

00:26:17,090 --> 00:26:14,880

and the rest of my rural religious they

727

00:26:18,049 --> 00:26:17,100

go to church every weekend stop at

728

00:26:20,690 --> 00:26:18,059

school they don't you know their

729

00:26:22,549 --> 00:26:20,700

comprehension is is Jesus was born 2 000

730

00:26:24,080 --> 00:26:22,559

years ago and we're you know they don't

731

00:26:27,300 --> 00:26:24,090

burn it

732

00:26:31,990 --> 00:26:27,310

[Laughter]

733

00:26:36,529 --> 00:26:34,730

whatever these things were I know I

734

00:26:41,390 --> 00:26:36,539

don't have hallucinations

735

00:26:43,310 --> 00:26:41,400

know what I saw and and even if I did

736

00:26:45,169 --> 00:26:43,320

have hallucinations

737

00:26:46,850 --> 00:26:45,179

and my neighbors don't have the same

738

00:26:48,110 --> 00:26:46,860

exact hallucinations not all my

739

00:26:50,210 --> 00:26:48,120

neighbors some of my neighbors don't

740

00:26:52,549 --> 00:26:50,220

have the same exact hallucination my

741

00:26:54,350 --> 00:26:52,559

brother my girlfriend my mother my

742

00:26:55,909 --> 00:26:54,360

sister-in-law and my kids aren't going

743

00:26:58,490 --> 00:26:55,919

to have the same hallucination I got

744

00:27:01,430 --> 00:26:58,500

four kids that are fat

745

00:27:03,830 --> 00:27:01,440

and I mean it shook them up big time

746

00:27:05,269 --> 00:27:03,840

they don't uh you know they they don't

747

00:27:06,350 --> 00:27:05,279

comprehend stuff like that and they see

748

00:27:08,090 --> 00:27:06,360

something like that they think of the

749

00:27:10,669 --> 00:27:08,100

Dead Years Day of the Earth Stood Still

750

00:27:12,350 --> 00:27:10,679

or something you know okay well thanks

751

00:27:13,909 --> 00:27:12,360

very much for calling and if we get any

752

00:27:16,549 --> 00:27:13,919

follow-up on this we'll get back to you

753

00:27:18,169 --> 00:27:16,559

all right I'd be willingness to normal

754

00:27:20,390 --> 00:27:18,179

but just what the hell it was

755

00:27:23,149 --> 00:27:20,400

I'm interested on who else in my own

756

00:27:25,130 --> 00:27:23,159

spot okay
