

1
00:00:10,490 --> 00:00:07,070
retired from the force she was Brazilian in

2
00:00:12,770 --> 00:00:10,500
1992 5 years ago it didn't cross my

3
00:00:15,169 --> 00:00:12,780
mind to talk to the

4
00:00:16,910 --> 00:00:15,179
ufologists and report I didn't talk

5
00:00:18,470 --> 00:00:16,920
much with the time I talked very

6
00:00:20,029 --> 00:00:18,480
practical always when he comes to Brazil

7
00:00:23,710 --> 00:00:20,039
to contact me it was Irene

8
00:00:23,720 --> 00:00:35,950
but I never

9
00:00:45,229 --> 00:00:39,590
wrote anything on my own I was never

10
00:00:49,610 --> 00:00:47,150
I already think differently I think he

11
00:00:55,090 --> 00:00:49,620
must have said something I think

12
00:00:55,100 --> 00:01:04,240
'm going to celebrate 60 years

13
00:01:04,250 --> 00:01:09,730

[Music]

14

00:01:18,550 --> 00:01:12,910

of disclosure is talking like this

15

00:01:22,870 --> 00:01:18,560

situation see well I'm going to talk about it

16

00:01:22,880 --> 00:01:33,850

19778 around I had a conversation

17

00:01:38,600 --> 00:01:37,069

nothing talking another one without authorization

18

00:01:42,109 --> 00:01:38,610

for publication at all

19

00:01:50,270 --> 00:01:46,810

Ok so years later

20

00:01:52,609 --> 00:01:50,280

things had changed I was already on the

21

00:01:54,109 --> 00:01:52,619

reserve I could already talk without

22

00:01:56,389 --> 00:01:54,119

complications ok

23

00:01:57,710 --> 00:01:56,399

there are problems

24

00:01:59,810 --> 00:01:57,720

immediate for my strength and for myself

25

00:02:10,249 --> 00:02:05,289

and knowing the seriousness of the magazine

26
00:02:13,070 --> 00:02:10,259
and the friends I know who

27
00:02:15,589 --> 00:02:13,080
collaborate with the magazine I know

28
00:02:19,010 --> 00:02:15,599
some

29
00:02:20,710 --> 00:02:19,020
gives me more peace of mind to talk if

30
00:02:23,930 --> 00:02:20,720
there is not sensationalism

31
00:02:25,790 --> 00:02:23,940
the connotation of sensationalism and

32
00:02:29,809 --> 00:02:25,800
publish an article by simple reason

33
00:02:33,290 --> 00:02:29,819
for sale sell the matter

34
00:02:35,510 --> 00:02:33,300
in order to publish to clarify the

35
00:02:37,490 --> 00:02:35,520
matter thank you there is no monetary interest

36
00:02:42,290 --> 00:02:39,650
Coronel how did it all begin how

37
00:02:44,750 --> 00:02:42,300
did the Initial Estopim first

38
00:02:46,850 --> 00:02:44,760

how was the interest in Cruzeiro

39
00:02:53,150 --> 00:02:46,860
predating the practical operation don't see well

40
00:02:55,070 --> 00:02:53,160
in 1952 53 I was 12 years old 13 years ago and I

41
00:02:58,910 --> 00:02:55,080
was at the window of my house in Belém and

42
00:03:02,690 --> 00:02:58,920
a very large object appeared. There was a

43
00:03:05,270 --> 00:03:02,700
very large light over the city. I saw it and

44
00:03:07,910 --> 00:03:05,280
the next day, it was published in the

45
00:03:10,550 --> 00:03:07,920
newspaper.

46
00:03:12,770 --> 00:03:10,560
a federation of scouts

47
00:03:16,309 --> 00:03:12,780
Children's and Youth Educational Federation in

48
00:03:19,570 --> 00:03:17,990
of a swimming competition had

49
00:03:23,690 --> 00:03:19,580
stopped on top really everyone saw it

50
00:03:25,210 --> 00:03:23,700
Thanks kid I saw something the next day

51
00:03:32,649 --> 00:03:29,649
I've always been in

52
00:03:36,770 --> 00:03:32,659
extraterrestrial life I've always believed

53
00:03:38,990 --> 00:03:36,780
in the possibility that they were

54
00:03:41,390 --> 00:03:39,000
curious to be in the observing

55
00:03:44,410 --> 00:03:41,400
investigating a form a planet with

56
00:03:47,869 --> 00:03:44,420
life something an intelligence

57
00:03:52,390 --> 00:03:47,879
Flora was observing even if the

58
00:03:52,400 --> 00:04:11,330
[Music]

59
00:04:17,330 --> 00:04:13,910
she provided all

60
00:04:21,650 --> 00:04:17,340
administrative and financial support for the

61
00:04:23,890 --> 00:04:21,660
actions of the command and the known

62
00:04:27,490 --> 00:04:23,900
information services operations session

63
00:04:30,909 --> 00:04:27,500

as A2 aeronautics

64

00:04:33,890 --> 00:04:30,919
is closely linked to State security

65

00:04:36,409 --> 00:04:33,900
Thank you very much to

66

00:04:40,129 --> 00:04:36,419
State security Marcos

67

00:04:42,730 --> 00:04:40,139
the objectives phenophagous ideas arrived

68

00:04:44,530 --> 00:04:42,740
here and this

69

00:04:47,650 --> 00:04:44,540
essence of

70

00:04:51,650 --> 00:04:47,660
right after the 1964 revolution

71

00:04:53,210 --> 00:04:51,660
the actions of terrorists and

72

00:04:55,550 --> 00:04:53,220
communist party groups these other things

73

00:04:56,689 --> 00:04:55,560
that we he had to be fighting

74

00:04:59,170 --> 00:04:56,699
that

75

00:05:01,189 --> 00:04:59,180
was state security

76

00:05:03,290 --> 00:05:01,199

on his resume also a

77

00:05:10,450 --> 00:05:03,300

very interesting function about the head of the

78

00:05:10,460 --> 00:05:17,230

the air force she had an old idea

79

00:05:23,150 --> 00:05:21,050

of ■■■making a border necklace it was the

80

00:05:24,469 --> 00:05:23,160

idea of ■■■a brigadier she had a lot of

81

00:05:27,170 --> 00:05:24,479

knowledge about the Amazon a

82

00:05:30,650 --> 00:05:27,180

very intelligent person Brigadeiro Camarão João

83

00:05:32,689 --> 00:05:30,660

Camarão Teles Ribeiro and he had this

84

00:05:36,650 --> 00:05:32,699

idea of ■■■forming a

85

00:05:40,850 --> 00:05:36,660

border collar that is 200 km on the edge of

86

00:05:44,810 --> 00:05:40,860

Fronteira a field with a

87

00:05:48,909 --> 00:05:44,820

Protestant or Catholic religious mission and a

88

00:05:54,909 --> 00:05:52,249

assistance from a track on landing a

89

00:05:58,570 --> 00:05:54,919

group of religious people to

90

00:06:01,670 --> 00:05:58,580

assist And Fabi

91

00:06:03,890 --> 00:06:01,680

supporting all of this I, as a

92

00:06:03,890 --> 00:06:06,710

paratrooper,

93

00:06:11,390 --> 00:06:08,650

also had this

94

00:06:13,450 --> 00:06:11,400

greater facility at one time adaptability

95

00:06:21,670 --> 00:06:13,460

is this type of Mission

96

00:06:27,550 --> 00:06:25,010

cultured and we always worked

97

00:06:30,610 --> 00:06:27,560

on some missions very closely contact

98

00:07:10,390 --> 00:06:30,620

a lot always

99

00:07:17,330 --> 00:07:13,670

and it seems that there had come some

100

00:07:21,469 --> 00:07:17,340

core of some very

101
00:07:23,330 --> 00:07:21,479
ancient civilization and that abandoned the jungle took

102
00:07:26,870 --> 00:07:23,340
over ah but there was a

103
00:07:29,809 --> 00:07:26,880
clear pyramidal formation both perfect of a

104
00:07:31,860 --> 00:07:29,819
pyramid This was found where

105
00:07:33,770 --> 00:07:31,870
not

106
00:07:37,430 --> 00:07:33,780
[Music]

107
00:07:40,189 --> 00:07:37,440
exactly but if I'm not mistaken, the

108
00:07:54,550 --> 00:07:40,199
region of the Javari River was reported by

109
00:08:01,550 --> 00:07:58,129
Brazil.

110
00:08:17,150 --> 00:08:13,790
my activity It was exactly

111
00:08:19,670 --> 00:08:17,160
State security, the things that involved

112
00:08:22,330 --> 00:08:19,680
compromising national security,

113
00:08:25,390 --> 00:08:22,340

so we had

114

00:08:29,089 --> 00:08:25,400

party actions with me,

115

00:08:32,290 --> 00:08:29,099

these groups that carried out

116

00:08:34,490 --> 00:08:32,300

bank robberies and kidnappings, these things, I

117

00:08:38,170 --> 00:08:34,500

was already aware of the cases

118

00:08:43,190 --> 00:08:40,310

they represented some way

119

00:08:45,530 --> 00:08:43,200

interest or concern because of that

120

00:08:49,370 --> 00:08:45,540

journey that they were an external threat it

121

00:08:55,550 --> 00:08:52,190

was also just seen as a phenomenon that

122

00:08:58,850 --> 00:08:55,560

even doubtful some social most

123

00:09:01,670 --> 00:08:58,860

of them as a thing even of the elderly and

124

00:09:03,829 --> 00:09:01,680

some even made a lot of jokes

125

00:09:07,610 --> 00:09:03,839

about it made a lot of jokes

126

00:09:09,650 --> 00:09:07,620

about it That's the luck of this

127

00:09:12,350 --> 00:09:09,660

dish operation to come out is that the commander

128

00:09:14,230 --> 00:09:12,360

at the time was interested in that is to

129

00:09:16,430 --> 00:09:14,240

believe in that he was Commander

130

00:09:19,090 --> 00:09:16,440

Lopes de Oliveira brigadier Commander

131

00:09:24,590 --> 00:09:23,449

in Belém and how did the idea come up it was

132

00:09:26,509 --> 00:09:24,600

your idea it was an idea of ■■the

133

00:09:28,389 --> 00:09:26,519

commander something I

134

00:09:31,970 --> 00:09:28,399

wasn't in Belém at the time

135

00:09:34,009 --> 00:09:31,980

77 77 I was working in Belém but I'm

136

00:09:36,050 --> 00:09:34,019

taking a course in Brasília When

137

00:09:38,570 --> 00:09:36,060

I returned from the course I introduced myself to my

138

00:09:41,630 --> 00:09:40,610

and he asked if we were in a flying saucer

139

00:09:46,310 --> 00:09:43,430

I didn't even know I was applying for

140

00:09:48,170 --> 00:09:46,320

this operation that leader was Colonel

141

00:09:51,370 --> 00:09:48,180

Camilo Ferraz de Barros He asked if

142

00:09:58,210 --> 00:09:53,710

so now you have loaded this case

143

00:10:00,949 --> 00:09:58,220

with the beginning of the alteration so that I

144

00:10:09,430 --> 00:10:00,959

would take care of the matter and be

145

00:10:14,769 --> 00:10:12,550

Brazil is unique

146

00:10:17,750 --> 00:10:14,779

in the world a single

147

00:10:17,750 --> 00:10:18,970

nation from the world that calls the flying saucer the flying saucer the

148

00:10:29,470 --> 00:10:23,829

french is called the cult is

149

00:10:33,670 --> 00:10:29,480

flying saucer the portuguese calls it a flying saucer the

150

00:10:39,889 --> 00:10:38,630

the english calls it flying soccer i

151
00:10:45,190 --> 00:10:39,899
even knew what i'm going to call it too

152
00:10:52,250 --> 00:10:48,530
like the we put some operations in the middle

153
00:10:54,610 --> 00:10:52,260
it's a piece of code and this one

154
00:10:58,310 --> 00:10:54,620
couldn't be too far away from the

155
00:11:00,710 --> 00:10:58,320
real purpose of the operation we couldn't

156
00:11:03,110 --> 00:11:00,720
call it operation flying saucer I also didn't

157
00:11:08,530 --> 00:11:03,120
want to call it a flying virus and there was

158
00:11:14,210 --> 00:11:11,329
your boss that he already had then in

159
00:11:16,310 --> 00:11:14,220
some investigation going on when I

160
00:11:18,670 --> 00:11:16,320
arrived there were already some agents already

161
00:11:22,069 --> 00:11:18,680
sent to

162
00:11:23,990 --> 00:11:22,079
investigate because because this thing

163
00:11:25,610 --> 00:11:24,000

was happening a lot in the region of

164

00:11:29,630 --> 00:11:25,620

Colares it is an island

165

00:11:31,930 --> 00:11:29,640

belonging to the municipality of Vigia it is an

166

00:11:33,670 --> 00:11:31,940

island on the coast already on the saltwater

167

00:11:35,530 --> 00:11:33,680

coast

168

00:11:40,630 --> 00:11:35,540

of Marajó

169

00:11:52,509 --> 00:11:40,640

the mayor of Colares da Vigia sent a

170

00:12:00,410 --> 00:11:55,690

couldn't fish because

171

00:12:02,690 --> 00:12:00,420

flying over the boats

172

00:12:04,850 --> 00:12:02,700

sometimes some even dived from the

173

00:12:05,949 --> 00:12:04,860

boat

174

00:12:08,329 --> 00:12:05,959

so he

175

00:12:15,009 --> 00:12:08,339

spent the night i lit the bonfires and

176
00:12:20,090 --> 00:12:17,509
terrified he asked how was the thing in the

177
00:12:23,090 --> 00:12:20,100
air he went to the command of the first

178
00:12:27,250 --> 00:12:23,100
command asking Providence

179
00:12:33,009 --> 00:12:30,250
or trip

180
00:12:36,350 --> 00:12:33,019
he asked for caution shorts

181
00:12:39,530 --> 00:12:36,360
confidentiality I didn't pass it at the time

182
00:12:43,310 --> 00:12:39,540
Captain I received it I didn't participate

183
00:12:45,829 --> 00:12:43,320
in this launch right it was the

184
00:12:50,090 --> 00:12:45,839
brigadier for the session but in

185
00:12:58,389 --> 00:12:50,100
his second session so if there was it was between him

186
00:13:03,949 --> 00:13:01,310
the silver operation how did he

187
00:13:05,629 --> 00:13:03,959
structure it in which divisions and how many

188
00:13:06,730 --> 00:13:05,639

people in how many missions how were they

189

00:13:08,930 --> 00:13:06,740

finally

190

00:13:13,269 --> 00:13:08,940

organized the practical change to

191

00:13:19,970 --> 00:13:17,569

and had five agents sometimes 5 to 16

192

00:13:23,269 --> 00:13:19,980

times 4 but it's basically five

193

00:13:24,490 --> 00:13:23,279

we know who worked in the second

194

00:13:24,490 --> 00:13:28,610

session,

195

00:13:35,509 --> 00:13:31,389

we divided

196

00:13:38,629 --> 00:13:35,519

the team into two or three teams for two

197

00:13:39,850 --> 00:13:38,639

or three observation positions, of course,

198

00:13:43,690 --> 00:13:39,860

in contact

199

00:13:48,550 --> 00:13:43,700

with radio communication, the objectives were to

200

00:13:48,560 --> 00:13:53,389

the test, put the Clear

201
00:13:58,129 --> 00:13:56,090
because everyone I said there nicknamed

202
00:14:00,670 --> 00:13:58,139
these things that were

203
00:14:00,680 --> 00:14:08,110
became known at the time as super

204
00:14:11,629 --> 00:14:10,250
needed to know what was really

205
00:14:13,090 --> 00:14:11,639
happening what

206
00:14:15,949 --> 00:14:13,100
was happening in

207
00:14:18,110 --> 00:14:15,959
Brazilian airspace

208
00:14:19,550 --> 00:14:18,120
because we have the responsibility there was

209
00:14:19,550 --> 00:14:22,030
space it was Brazilian with the Navy about

210
00:14:28,910 --> 00:14:26,870
master Brazilian territorial water can help the Brazilian and the

211
00:14:32,820 --> 00:14:28,920
army the land security part

212
00:14:43,449 --> 00:14:39,850
[Music]

213
00:14:47,030 --> 00:14:43,459

well there was

214

00:14:51,590 --> 00:14:49,670
of people who had been hit by

215

00:14:54,410 --> 00:14:51,600
a light

216

00:14:56,509 --> 00:14:54,420
and who judged and had sucked blood

217

00:14:59,389 --> 00:14:56,519
of the people because really after

218

00:15:02,090 --> 00:14:59,399
we went to check there were some

219

00:15:04,970 --> 00:15:02,100
mainly women I don't know left

220

00:15:11,030 --> 00:15:04,980
a mark with their two needle leaves

221

00:15:14,050 --> 00:15:11,040
ok and one returned a brown stain

222

00:15:16,069 --> 00:15:14,060
as if it were an iodine burn

223

00:15:23,530 --> 00:15:16,079
people saying that they had been

224

00:15:32,410 --> 00:15:26,689
because a light came and followed that

225

00:15:40,300 --> 00:15:36,050
for how many years more or less 8

226

00:15:40,310 --> 00:15:54,410

[Music]

227

00:16:00,769 --> 00:15:56,810

when you started your vigils

228

00:16:03,470 --> 00:16:00,779

then and you had right away in fact

229

00:16:05,269 --> 00:16:03,480

the confirmations something like

230

00:16:07,210 --> 00:16:05,279

that happened no I'm going to tell you honestly

231

00:16:10,490 --> 00:16:07,220

I entered with a lawyer

232

00:16:12,970 --> 00:16:10,500

I went to demystify it to

233

00:16:15,889 --> 00:16:12,980

say that this thing did not exist that it was

234

00:16:17,090 --> 00:16:15,899

let's say Collective hallucination that

235

00:16:22,389 --> 00:16:17,100

something that was being seen that

236

00:16:29,410 --> 00:16:25,970

n't know

237

00:16:31,509 --> 00:16:29,420

the footage of an owl

238

00:16:34,090 --> 00:16:31,519

reflected

239

00:16:39,069 --> 00:16:34,100

reflecting the moonlight

240

00:16:43,610 --> 00:16:41,150

could even imagine it was but I didn't

241

00:16:46,249 --> 00:16:43,620

believe I was seeing it I

242

00:16:47,449 --> 00:16:46,259

went to see if it was really that

243

00:16:52,749 --> 00:16:47,459

how long did you have this confirmation I

244

00:16:58,490 --> 00:16:55,850

when I came back I would spend a week and

245

00:17:00,610 --> 00:16:58,500

come back at the weekend to live a a

246

00:17:03,850 --> 00:17:00,620

little bit with the whole family

247

00:17:11,409 --> 00:17:09,470

yeah and I came back at the weekend and my

248

00:17:14,750 --> 00:17:11,419

answer

249

00:17:15,020 --> 00:17:14,760

There was something, no I saw light but

250

00:17:19,750 --> 00:17:15,030

never

251
00:17:24,289 --> 00:17:22,250
nothing I think it's really very strange

252
00:17:28,930 --> 00:17:24,299
but I couldn't say what it was

253
00:17:28,940 --> 00:17:36,730
during at night during the night

254
00:17:36,740 --> 00:17:41,409
try to see people interview

255
00:17:49,669 --> 00:17:46,070
the places we could go at night we knew

256
00:17:52,610 --> 00:17:49,679
that the night before it appeared so

257
00:17:53,870 --> 00:17:52,620
we had a lot of information

258
00:17:56,210 --> 00:17:53,880
about that place so likely

259
00:17:57,610 --> 00:17:56,220
incidence It would be in that place that

260
00:18:01,210 --> 00:17:57,620
we would move there in

261
00:18:03,190 --> 00:18:01,220
the place in the most probable

262
00:18:03,200 --> 00:18:06,549
events

263
00:18:12,669 --> 00:18:08,930

always asking the name of the

264

00:18:16,010 --> 00:18:12,679

person put a relationship

265

00:18:17,950 --> 00:18:16,020

the methodology to cure this and we

266

00:18:22,130 --> 00:18:17,960

always put the name of the person

267

00:18:29,570 --> 00:18:22,140

location time as it was discretion of

268

00:18:33,049 --> 00:18:31,730

type of descriptions that people gave

269

00:18:36,650 --> 00:18:33,059

more common

270

00:18:41,169 --> 00:18:36,660

there are no strange ones than we

271

00:18:47,390 --> 00:18:44,450

materialization of the entire wall of the

272

00:18:49,310 --> 00:18:47,400

roof As well, she

273

00:18:51,830 --> 00:18:49,320

is the first lady I interviewed

274

00:18:53,930 --> 00:18:51,840

to speak I had left by helicopter

275

00:18:56,750 --> 00:18:53,940

in Belém

276

00:19:03,529 --> 00:18:56,760

we landed in Imbituba to collect the

277

00:19:07,430 --> 00:19:05,870

arrived in necklaces I went to listen to a

278

00:19:11,330 --> 00:19:07,440

lady

279

00:19:14,650 --> 00:19:11,340

who I had been burnt by that

280

00:19:22,150 --> 00:19:19,370

I really saw it she made me ready for the

281

00:19:25,150 --> 00:19:22,160

6th I had

282

00:19:29,029 --> 00:19:25,160

written chestnut marks

283

00:19:32,409 --> 00:19:29,039

and two stitches

284

00:19:34,549 --> 00:19:32,419

it's perforated

285

00:19:36,830 --> 00:19:34,559

when we're talking to her

286

00:19:41,150 --> 00:19:36,840

she wrote that she was sitting in a hammock

287

00:19:44,570 --> 00:19:41,160

making a child sleep ok and

288

00:19:46,370 --> 00:19:44,580

suddenly the The environment started to change in

289

00:19:48,010 --> 00:19:46,380
temperature it started to get a

290

00:19:51,130 --> 00:19:48,020
strange temperature

291

00:19:53,510 --> 00:19:51,140
she thought it was strange that it

292

00:19:55,990 --> 00:19:53,520
happened next

293

00:19:59,570 --> 00:19:56,000
she lying on the hammock saw that the roof tile

294

00:20:01,669 --> 00:19:59,580
started to turn red as if you

295

00:20:03,830 --> 00:20:01,679
had put a cigar on a

296

00:20:05,529 --> 00:20:03,840
sheet of paper it started to turn

297

00:20:08,570 --> 00:20:05,539
red then

298

00:20:10,789 --> 00:20:08,580
you could see the sky

299

00:20:14,270 --> 00:20:10,799
the tile disappeared it

300

00:20:17,950 --> 00:20:14,280
was almost like a glass she could see the sky

301
00:20:21,710 --> 00:20:17,960
ok she was

302
00:20:23,090 --> 00:20:21,720
on the other side she was seeing the stars then i

303
00:20:25,190 --> 00:20:23,100
got more worried

304
00:20:27,049 --> 00:20:25,200
even more curious these people seem to be

305
00:20:31,010 --> 00:20:27,059
sincere and go down a hole she said

306
00:20:35,330 --> 00:20:31,020
that there came a first green light

307
00:20:55,870 --> 00:20:35,340
that it became half numb and

308
00:21:03,610 --> 00:20:58,570
is the sky with

309
00:21:09,230 --> 00:21:05,930
two eighths to eight octaves

310
00:21:13,150 --> 00:21:09,240
completely full of clouds that

311
00:21:17,390 --> 00:21:13,160
day the sky was with eighths

312
00:21:19,690 --> 00:21:17,400
almost completely covered in the hole When I

313
00:21:21,830 --> 00:21:19,700

Leaving the house I was talking

314

00:21:23,870 --> 00:21:21,840

When I left the house I actually saw it

315

00:21:26,690 --> 00:21:23,880

go through a hole that the girl was

316

00:21:29,270 --> 00:21:26,700

counting, a light passed

317

00:21:33,110 --> 00:21:29,280

with reasonable speed it is not very

318

00:21:34,690 --> 00:21:33,120

fast and it blinked it blinked always oscillation

319

00:21:40,490 --> 00:21:34,700

of a second

320

00:21:43,149 --> 00:21:40,500

this blinking passed in the North direction

321

00:21:49,029 --> 00:21:47,149

could be even one satellite until 8:30 at

322

00:21:52,430 --> 00:21:49,039

night still has sunlight even

323

00:21:54,049 --> 00:21:52,440

then and he could by some

324

00:21:57,590 --> 00:21:54,059

rotation movement of it something he is

325

00:22:00,350 --> 00:21:57,600

emitting that lubricant But that

326

00:22:02,630 --> 00:22:00,360

light came back right after it came back

327

00:22:04,850 --> 00:22:02,640

satellite doesn't come back it got even weirder

328

00:22:06,890 --> 00:22:04,860

but I couldn't say that you did

329

00:22:08,210 --> 00:22:06,900

n't say the value I wasn't there

330

00:22:10,010 --> 00:22:08,220

to say that anything that

331

00:22:12,350 --> 00:22:10,020

appears you said you sent me I

332

00:22:15,310 --> 00:22:12,360

was clearing up this story that

333

00:22:29,950 --> 00:22:17,930

was some type of equipment that I

334

00:22:35,810 --> 00:22:33,590

is part From the traffic control service,

335

00:22:40,250 --> 00:22:38,450

these attacks Colonel here are

336

00:22:42,289 --> 00:22:40,260

happening people who were already

337

00:22:44,930 --> 00:22:42,299

doing it a certain frequency they were

338

00:22:49,810 --> 00:22:44,940

communicated to the state government the

339

00:22:56,750 --> 00:22:54,230

ok sent by the government by the government

340

00:22:57,669 --> 00:22:56,760

they went there to look and examine people and

341

00:23:01,750 --> 00:22:57,679

then

342

00:23:05,149 --> 00:23:01,760

the parents confirmed the place burned and

343

00:23:08,830 --> 00:23:05,159

discouraged they took a statement from the patent

344

00:23:14,090 --> 00:23:11,049

the person recovered easily

345

00:23:18,310 --> 00:23:14,100

terrified sometimes he had to be

346

00:23:21,470 --> 00:23:18,320

nauseous numb for a few days

347

00:23:23,570 --> 00:23:21,480

a citizen once came to look for me he

348

00:23:25,669 --> 00:23:23,580

had near his house a woman had

349

00:23:28,149 --> 00:23:25,679

appeared light like this but closer it's

350

00:23:35,049 --> 00:23:30,710

focused in his direction it was no longer

351

00:23:39,470 --> 00:23:37,789

he ran inside the house pointed there he

352

00:23:41,049 --> 00:23:39,480

took a shotgun and ready

353

00:23:45,830 --> 00:23:43,370

where does this light

354

00:23:48,830 --> 00:23:45,840

come from a stronger light he fell and got

355

00:23:54,730 --> 00:23:48,840

sick with the 15 days with mobility problems

356

00:24:02,990 --> 00:23:57,909

anything of that nature just a

357

00:24:05,210 --> 00:24:03,000

light cut off the power and that stopped

358

00:24:07,730 --> 00:24:05,220

being federal movements of the

359

00:24:09,190 --> 00:24:07,740

federal government was retired with this kind

360

00:24:12,110 --> 00:24:09,200

of absurd thing is counting in the region i

361

00:24:24,830 --> 00:24:12,120

believe so but i know you i

362

00:24:29,570 --> 00:24:26,930

When did you have your

363

00:24:33,250 --> 00:24:29,580

first Grande

364

00:24:36,950 --> 00:24:35,450

we had information that on Ilha do

365

00:24:42,549 --> 00:24:36,960

Mosqueiro

366

00:24:48,710 --> 00:24:45,909

Balneário de Belém

367

00:24:51,289 --> 00:24:48,720

in Bahia do Sol things were happening in

368

00:24:56,950 --> 00:24:51,299

Bahia it is only very close to

369

00:25:02,169 --> 00:25:00,830

there is a TV channel Laura, between Bahia do

370

00:25:06,230 --> 00:25:02,179

Sol, between

371

00:25:07,210 --> 00:25:06,240

Mosqueiro and Colares Island, you can almost

372

00:25:11,649 --> 00:25:07,220

see

373

00:25:24,130 --> 00:25:15,830

us as investigating everything and any

374

00:25:28,909 --> 00:25:27,350

under pressure from the agents who were

375

00:25:30,049 --> 00:25:28,919

closer than me to what

376

00:25:31,630 --> 00:25:30,059

was happening because when I

377

00:25:33,289 --> 00:25:31,640

arrived I already got it the tram was walking

378

00:25:34,789 --> 00:25:33,299

there were days when I was in Brasilia

379

00:25:37,450 --> 00:25:34,799

When I came back they taught me this

380

00:25:39,789 --> 00:25:37,460

lesson okay

381

00:25:43,970 --> 00:25:39,799

captain

382

00:25:46,070 --> 00:25:43,980

you don't believe it not for me not for

383

00:25:48,409 --> 00:25:46,080

me something I still need to

384

00:25:51,110 --> 00:25:48,419

know what it is to say to you who have

385

00:25:52,610 --> 00:25:51,120

never seen this

386

00:25:58,730 --> 00:25:52,620

I never

387

00:26:02,149 --> 00:26:00,590

I'm satisfied I'm seeing

388

00:26:04,490 --> 00:26:02,159

strange things but I can't say

389

00:26:04,500 --> 00:26:10,269

his Rio is

390

00:26:14,470 --> 00:26:12,950

if I don't want this thing to go

391

00:26:17,810 --> 00:26:14,480

around on top of the Lord

392

00:26:20,330 --> 00:26:17,820

Turn on the Light do everything take a

393

00:26:21,130 --> 00:26:20,340

little walk on top of it a walk just to if

394

00:26:23,409 --> 00:26:21,140

youbelieve it

395

00:26:28,210 --> 00:26:23,419

would be interesting this is

396

00:26:47,049 --> 00:26:30,649

could be an owl it could guess that

397

00:26:55,909 --> 00:26:52,330

a light appeared ok It came

398

00:27:02,049 --> 00:26:55,919

from us

399

00:27:07,970 --> 00:27:04,909

and really when it arrived It will be defense

400

00:27:10,870 --> 00:27:07,980

and made a cycle around then it was

401
00:27:10,870 --> 00:27:13,330
although then I got [___] from the sergeant's gang

402
00:27:13,340 --> 00:27:52,370
that I don't know yet I have

403
00:27:55,970 --> 00:27:54,350
n't seen anything when he took the

404
00:27:57,909 --> 00:27:55,980
negative there was nothing several times it

405
00:28:02,289 --> 00:27:57,919
happened

406
00:28:05,690 --> 00:28:02,299
think coincidence doesn't exist but then it

407
00:28:08,090 --> 00:28:05,700
was an unusual fact I was analyzing

408
00:28:11,230 --> 00:28:08,100
and very sad very upset because I

409
00:28:13,970 --> 00:28:11,240
couldn't print those images

410
00:28:17,169 --> 00:28:13,980
in the photographic induction

411
00:28:21,190 --> 00:28:17,179
and mine on my table had a

412
00:28:23,750 --> 00:28:21,200
flashlight that I used Jungle operations

413
00:28:25,310 --> 00:28:23,760

it was there I don't even know why because maybe

414

00:28:28,909 --> 00:28:25,320

he had a review of

415

00:28:30,890 --> 00:28:28,919

Jungle equipment doing maintenance on it and I love the the

416

00:28:39,769 --> 00:28:30,900

flashlight was on top of my table I

417

00:28:44,810 --> 00:28:42,049

I noticed that the flashlight had it there

418

00:28:45,669 --> 00:28:44,820

at one end it had a normal earth

419

00:28:51,730 --> 00:28:49,190

at the other end the other account it

420

00:28:54,669 --> 00:28:51,740

had a red cover

421

00:29:00,970 --> 00:28:54,679

for Intelbras signaling

422

00:29:09,430 --> 00:29:04,090

it had a

423

00:29:13,510 --> 00:29:12,350

I looked that and I remembered that the

424

00:29:17,750 --> 00:29:13,520

doctors

425

00:29:22,370 --> 00:29:17,760

examine the radiographs in the radioscope

426

00:29:26,169 --> 00:29:22,380

which is an opaque frame with light behind it and

427

00:29:29,230 --> 00:29:26,179

they put the

428

00:29:39,850 --> 00:29:29,240

radiographic plate there to examine and to

429

00:29:46,850 --> 00:29:42,250

but I took a

430

00:29:49,690 --> 00:29:46,860

film tape and put it

431

00:29:52,450 --> 00:29:49,700

and I noticed that there was a point

432

00:29:55,370 --> 00:29:52,460

there was an object I wasn't looking for

433

00:29:57,830 --> 00:29:55,380

any mask bring an object I

434

00:30:01,909 --> 00:29:57,840

was looking for light Luis

435

00:30:04,549 --> 00:30:01,919

I noticed that there really was a

436

00:30:08,169 --> 00:30:04,559

little cylinder throughout the film there was

437

00:30:11,630 --> 00:30:08,179

that cylinder So I had

438

00:30:14,330 --> 00:30:11,640

managed to print the solid part

439

00:30:17,750 --> 00:30:14,340

of that agitation and not the light for that

440

00:30:20,149 --> 00:30:17,760

matter of wave length I don't

441

00:30:24,710 --> 00:30:20,159

know why the light didn't impress me

442

00:30:27,350 --> 00:30:24,720

that film but the solid part the probe

443

00:30:30,649 --> 00:30:27,360

later we came to the conclusion that it would be

444

00:30:32,630 --> 00:30:30,659

a probe it was a cylinder that was

445

00:30:36,669 --> 00:30:32,640

printed there it's not looking it's

446

00:30:36,679 --> 00:30:43,570

right

447

00:30:43,580 --> 00:30:50,529

how many photos of

448

00:30:50,539 --> 00:30:54,370

cataloged

449

00:30:58,909 --> 00:30:56,810

a lot sad because those

450

00:31:00,710 --> 00:30:58,919

film hills were in front of me I kept

451
00:31:03,350 --> 00:31:00,720
looking for almost two months of work

452
00:31:05,990 --> 00:31:03,360
and I didn't get anything we didn't get any on that

453
00:31:09,350 --> 00:31:06,000
I was looking to see what I had seen in

454
00:31:10,909 --> 00:31:09,360
the negative that I had seen it

455
00:31:14,630 --> 00:31:10,919
didn't appear

456
00:31:17,690 --> 00:31:14,640
so then we went to look out of

457
00:31:20,570 --> 00:31:17,700
curiosity and we passed there we went to expand

458
00:31:23,889 --> 00:31:20,580
to Santa Laboratório to expand that

459
00:31:30,889 --> 00:31:28,490
and after we were having

460
00:31:34,730 --> 00:31:30,899
difficulty in this photographic technical part

461
00:31:36,950 --> 00:31:34,740
I had a brother in

462
00:31:39,590 --> 00:31:36,960
Freemasonry called Milton Mendonça,

463
00:31:43,330 --> 00:31:39,600

he has passed away he was a cameraman for TV

464

00:31:49,190 --> 00:31:46,190

I asked for his help because I trusted him, I

465

00:31:52,029 --> 00:31:49,200

knew that he was participating in the operations, he was

466

00:31:55,070 --> 00:31:52,039

n't going to talk to anyone, I was

467

00:31:57,470 --> 00:31:55,080

absolutely sure that the matter would

468

00:31:57,470 --> 00:32:01,610

be restricted to our group.

469

00:32:27,690 --> 00:32:09,470

Milton sometimes had

470

00:32:27,700 --> 00:32:31,810

[Music]

471

00:32:38,149 --> 00:32:34,130

and other ways that we didn't even

472

00:32:40,510 --> 00:32:38,159

imagine could impress me

473

00:32:40,510 --> 00:32:46,210

with these emotions. he

474

00:33:01,310 --> 00:32:58,190

also died, pay the American that was

475

00:33:03,110 --> 00:33:01,320

the stage there in Colares he was talking about a

476

00:33:05,330 --> 00:33:03,120

probe that he had seen several times

477

00:33:08,409 --> 00:33:05,340

it was like it was and more or less the

478

00:33:11,090 --> 00:33:08,419

size of a 200 liter oil flavor

479

00:33:13,850 --> 00:33:11,100

this water with irregular goal it didn't

480

00:33:18,529 --> 00:33:13,860

have a flight sure it goes as if it

481

00:33:25,909 --> 00:33:22,610

and sometimes it walked one or two together leave

482

00:33:28,789 --> 00:33:25,919

from where and go to where suddenly

483

00:33:34,570 --> 00:33:28,799

I divert the light and it comes on top

484

00:33:39,950 --> 00:33:38,210

in relation to what you are doing and the

485

00:33:42,409 --> 00:33:39,960

arm phenomenon some kind of reaction from the

486

00:33:43,310 --> 00:33:42,419

phenomenon in relation to a very

487

00:33:44,750 --> 00:33:43,320

strange thing this question is very

488

00:33:48,490 --> 00:33:44,760

interesting

489

00:33:51,830 --> 00:33:48,500

they seemed to us that there was absolute

490

00:33:53,570 --> 00:33:51,840

they did not look for them they were on top

491

00:33:55,549 --> 00:33:53,580

of us

492

00:33:59,389 --> 00:33:55,559

some after some time we

493

00:34:03,409 --> 00:33:59,399

were there let's say after a

494

00:34:04,730 --> 00:34:03,419

month things were on top of the team already he

495

00:34:06,230 --> 00:34:04,740

was on top of us he knew

496

00:34:08,930 --> 00:34:06,240

what we were doing you could

497

00:34:10,250 --> 00:34:08,940

move here and go to another place there

498

00:34:12,109 --> 00:34:10,260

that

499

00:34:14,210 --> 00:34:12,119

as if he was aware of our

500

00:34:16,190 --> 00:34:14,220

movement we know with certainty where

501
00:34:17,270 --> 00:34:16,200
they were and what they were doing and

502
00:34:19,909 --> 00:34:17,280
what they are doing for For example, this case

503
00:34:22,369 --> 00:34:19,919
that I installed in Baía do Sol at that

504
00:34:25,369 --> 00:34:22,379
time People are already finishing school and

505
00:34:26,770 --> 00:34:25,379
then there are a lot of people on the beach, right at

506
00:34:31,369 --> 00:34:26,780
night the people

507
00:34:35,230 --> 00:34:31,379
young people dating and let's

508
00:34:35,240 --> 00:34:41,169
on the weekend

509
00:34:41,179 --> 00:34:48,369
this curve that made on top It was where

510
00:34:53,710 --> 00:34:51,310
we had stayed there now

511
00:34:56,710 --> 00:34:53,720
I am the first big event

512
00:34:59,690 --> 00:34:56,720
at the first wedding

513
00:35:02,349 --> 00:34:59,700

and then what they did I ran back

514

00:35:04,990 --> 00:35:02,359

to base

515

00:35:07,130 --> 00:35:05,000

until morning the next day

516

00:35:08,750 --> 00:35:07,140

I talked to my commander Look at the

517

00:35:15,950 --> 00:35:08,760

first thing he asked every time

518

00:35:19,970 --> 00:35:18,230

Did you have any reaction in your organism

519

00:35:23,390 --> 00:35:19,980

any problem resulting from that

520

00:35:25,510 --> 00:35:23,400

observation at that exact moment no what

521

00:35:28,670 --> 00:35:25,520

we noticed is that we all lose over

522

00:35:29,650 --> 00:35:28,680

time we don't have to lose

523

00:35:32,990 --> 00:35:29,660

visual care

524

00:35:35,829 --> 00:35:33,000

the glasses of one living being the other

525

00:35:40,670 --> 00:35:35,839

I could see very well at

526
00:35:42,650 --> 00:35:40,680
that time I was 77 I was 37

527
00:35:44,750 --> 00:35:42,660
soon after we started to need

528
00:35:46,190 --> 00:35:44,760
glasses for all of the team but this is

529
00:35:49,010 --> 00:35:46,200
due to other Exhibitions that we

530
00:35:50,810 --> 00:35:49,020
had later on Coronel

531
00:35:53,750 --> 00:35:50,820
then an example of this that was

532
00:35:56,690 --> 00:35:53,760
repeated several times I I know you

533
00:35:59,569 --> 00:35:56,700
would make a complete report If we

534
00:36:01,370 --> 00:35:59,579
submit some type of exam anyway what was the

535
00:36:03,829 --> 00:36:01,380
forwarding this

536
00:36:05,230 --> 00:36:03,839
report was made a report of the

537
00:36:09,829 --> 00:36:05,240
event

538
00:36:13,930 --> 00:36:12,349

you have geographic coordinates everything

539

00:36:19,089 --> 00:36:13,940

is right okay

540

00:36:22,690 --> 00:36:19,099

mapping of the region and

541

00:36:26,210 --> 00:36:22,700

more personal examination and we are not

542

00:36:32,230 --> 00:36:26,220

we are always people trusted by the

543

00:36:36,349 --> 00:36:34,790

and the commander when he received the news

544

00:36:39,770 --> 00:36:36,359

that something had also happened

545

00:36:42,650 --> 00:36:39,780

and he was convinced what he How

546

00:36:48,109 --> 00:36:42,660

he reacted he was more satisfied but I

547

00:36:52,310 --> 00:36:50,329

you commented on this fact with someone outside

548

00:36:56,890 --> 00:36:52,320

the base outside the practical operation of

549

00:37:02,510 --> 00:36:59,710

would start with her

550

00:37:12,589 --> 00:37:02,520

but outside of that, not and always ask for

551
00:37:15,770 --> 00:37:14,030
my family is very well known the

552
00:37:17,410 --> 00:37:15,780
reality of Mosqueiro ah your brother

553
00:37:24,010 --> 00:37:17,420
was there

554
00:37:29,810 --> 00:37:27,349
these factors repeating new

555
00:37:35,890 --> 00:37:29,820
big observations but do you

556
00:37:35,900 --> 00:37:41,890
had been a very favorable place

557
00:37:48,190 --> 00:37:44,990
Only with much more frequent much more

558
00:37:50,510 --> 00:37:48,200
assiduity we have friends

559
00:37:52,870 --> 00:37:50,520
at the National information service

560
00:37:55,089 --> 00:37:52,880
smi ok we

561
00:37:57,530 --> 00:37:55,099
prefer it has nothing to do with that

562
00:38:00,730 --> 00:37:57,540
don't worry that's a matter of the

563
00:38:05,930 --> 00:38:00,740

Air Force but the guys were in this

564

00:38:08,270 --> 00:38:05,940

acquaintance I was curious to see

565

00:38:10,089 --> 00:38:08,280

this a lot in the newspaper Everyone must have

566

00:38:12,950 --> 00:38:10,099

commented

567

00:38:19,210 --> 00:38:12,960

from morning to night that there was an

568

00:38:30,010 --> 00:38:22,510

knew I

569

00:38:34,670 --> 00:38:32,990

but I didn't know what we didn't know about the

570

00:38:37,849 --> 00:38:34,680

result What we were doing we

571

00:38:40,550 --> 00:38:37,859

knew he was looking they asked

572

00:38:42,950 --> 00:38:40,560

to go to an operation like this with us as

573

00:38:44,050 --> 00:38:42,960

it was close to Belém They could see it

574

00:38:46,970 --> 00:38:44,060

too

575

00:38:49,970 --> 00:38:46,980

no problem no

576

00:38:53,329 --> 00:38:49,980

but ask your boss for the

577

00:38:54,589 --> 00:38:53,339

head of the service National

578

00:38:55,329 --> 00:38:54,599

information at the time of the Air Force

579

00:39:00,670 --> 00:38:55,339

also

580

00:39:07,190 --> 00:39:05,510

but it wasn't an smi operation it was mere

581

00:39:10,150 --> 00:39:07,200

curiosity with any other

582

00:39:13,069 --> 00:39:10,160

citizen who could have

583

00:39:15,829 --> 00:39:13,079

and that doesn't see with the team they

584

00:39:17,750 --> 00:39:15,839

knew here was doing a

585

00:39:20,390 --> 00:39:17,760

serious job

586

00:39:22,790 --> 00:39:20,400

I was in places that already from

587

00:39:25,310 --> 00:39:22,800

experience were the most likely then would

588

00:39:28,430 --> 00:39:25,320

not have any chance of

589

00:39:31,790 --> 00:39:28,440

losing it being a long time

590

00:39:34,190 --> 00:39:31,800

dangerous I marked it was interesting

591

00:39:36,770 --> 00:39:34,200

that my son had asked to buy

592

00:39:38,329 --> 00:39:36,780

a small Christmas tree that was set up

593

00:39:40,970 --> 00:39:38,339

big at home but they wanted for

594

00:39:42,770 --> 00:39:40,980

them not a little child's thing and

595

00:39:44,750 --> 00:39:42,780

I went to get this one I had to look for

596

00:40:01,990 --> 00:39:44,760

this Christmas tree in the supermarket,

597

00:40:02,000 --> 00:40:13,730

the TV Liberal cameraman

598

00:40:18,890 --> 00:40:15,950

there, authorized, he had

599

00:40:18,900 --> 00:40:26,810

photographic knowledge

600

00:40:35,829 --> 00:40:30,829

and we stayed in the reserved dark place,

601
00:40:40,150 --> 00:40:38,690
come back earlier, you

602
00:40:42,349 --> 00:40:40,160
have to understand at 8 o'clock

603
00:40:44,210 --> 00:40:42,359
because I'm going to get it my children and I will

604
00:40:46,430 --> 00:40:44,220
bear to do the Taurus of the purchase of the

605
00:40:50,230 --> 00:40:46,440
Christmas Tree

606
00:40:54,589 --> 00:40:50,240
6:30 am more or less passed very high pass

607
00:40:58,390 --> 00:40:54,599
three Luminous points aligned

608
00:41:01,250 --> 00:40:58,400
very high and the great speed

609
00:41:03,950 --> 00:41:01,260
air force speed meet airplane

610
00:41:06,410 --> 00:41:03,960
is greater than the speed of an airplane

611
00:41:11,569 --> 00:41:08,109
was flying very high in the direction

612
00:41:13,440 --> 00:41:11,579
west east that is in the Cordillera of the

613
00:41:14,829 --> 00:41:13,450

years to the Atlantic

614

00:41:17,750 --> 00:41:14,839

[Music]

615

00:41:19,450 --> 00:41:17,760

it is very high they passed three a

616

00:41:25,089 --> 00:41:19,460

very high speed

617

00:41:33,290 --> 00:41:31,030

from the North region to the south that is from

618

00:41:36,170 --> 00:41:33,300

California Triangle from Bermuda to

619

00:41:39,710 --> 00:41:36,180

Brasilia in that direction more or less

620

00:41:42,470 --> 00:41:39,720

two objects passed two lights

621

00:41:43,150 --> 00:41:42,480

flashing aligned also one after the

622

00:41:45,970 --> 00:41:43,160

other they

623

00:41:49,370 --> 00:41:45,980

passed in a north-south direction

624

00:41:51,710 --> 00:41:49,380

Wait a little longer we started there the

625

00:41:54,290 --> 00:41:51,720

people arriving

626
00:41:57,950 --> 00:41:54,300
these friends did not arrive I could not

627
00:41:57,950 --> 00:41:59,410
wait so we started to dismantle

628
00:42:05,329 --> 00:42:01,510
keep the equipment

629
00:42:06,650 --> 00:42:05,339
in the boxes and put it in the car when it

630
00:42:15,490 --> 00:42:09,470
arrives and they asked I even played with

631
00:42:22,329 --> 00:42:19,510
on the way out and such a traffic thing

632
00:42:24,530 --> 00:42:22,339
asked a stupid question it

633
00:42:27,410 --> 00:42:24,540
passed now if you were here

634
00:42:31,750 --> 00:42:27,420
with me 6:30 passed very loudly but

635
00:42:34,329 --> 00:42:31,760
you would have seen it and even 7 o'clock

636
00:42:36,130 --> 00:42:34,339
again

637
00:42:39,109 --> 00:42:36,140
but

638
00:42:41,089 --> 00:42:39,119

now I'm leaving then he asked

639

00:42:42,390 --> 00:42:41,099

what time is it another one I don't

640

00:42:47,650 --> 00:42:42,400

know it's not good [

641

00:42:53,589 --> 00:42:49,490

stay here with my son for the whole night

642

00:42:58,730 --> 00:42:55,370

but when we are talking about

643

00:43:01,370 --> 00:42:58,740

this one of them said look here up

644

00:43:03,770 --> 00:43:01,380

Look up we looked up

645

00:43:05,690 --> 00:43:03,780

there the Brazilian hero trembled in his pants

646

00:43:10,510 --> 00:43:05,700

because I looked there was a huge thing on

647

00:43:13,370 --> 00:43:10,520

top of us a dark black disk

648

00:43:16,609 --> 00:43:13,380

stopped on top of us it wasn't more

649

00:43:18,890 --> 00:43:16,619

than 150 meters high

650

00:43:21,910 --> 00:43:18,900

it's standing over where we are

651
00:43:29,210 --> 00:43:21,920
we had lights there wasn't a light

652
00:43:33,069 --> 00:43:29,220
in the middle the yellow one for both okay and making

653
00:43:41,170 --> 00:43:36,530
air conditioning and sometimes

654
00:43:45,109 --> 00:43:43,370
making a noise like a

655
00:43:47,770 --> 00:43:45,119
bicycle ratchet As if pedaling backwards

656
00:43:53,809 --> 00:43:51,349
with that light on medium but a

657
00:43:59,230 --> 00:43:53,819
very big thing I believe about 30

658
00:44:08,089 --> 00:44:01,970
and it started and soon after it started to

659
00:44:14,150 --> 00:44:11,030
very strong he did this he repeated this at

660
00:44:16,690 --> 00:44:14,160
short intervals five more times What

661
00:44:20,290 --> 00:44:16,700
was the reaction of the people really

662
00:44:25,730 --> 00:44:23,329
I had never seen this I had already seen this almost

663
00:44:28,569 --> 00:44:25,740

twice in this story and it had never

664

00:44:32,450 --> 00:44:28,579

appeared like this to see

665

00:44:34,730 --> 00:44:32,460

what time there was no idea to open the car

666

00:44:39,430 --> 00:44:34,740

to assemble the machine that there was no

667

00:44:45,010 --> 00:44:41,349

this thing

668

00:44:47,829 --> 00:44:45,020

illuminated that light of the the yellow one

669

00:44:51,890 --> 00:44:47,839

went out lit up again

670

00:44:54,589 --> 00:44:51,900

throbbing this the interval two seconds

671

00:45:03,250 --> 00:44:54,599

when they turned off the second after the 3

672

00:45:09,730 --> 00:45:07,069

it was growing then coming back the same

673

00:45:13,730 --> 00:45:12,290

on top of us he's standing on top

674

00:45:15,290 --> 00:45:13,740

of us in such a dark place no one

675

00:45:17,349 --> 00:45:15,300

knew he was

676

00:45:20,930 --> 00:45:17,359

there voice

677

00:45:24,770 --> 00:45:20,940

now I know that you will only see it among other

678

00:45:27,410 --> 00:45:24,780

teams and other government agencies no what

679

00:45:28,910 --> 00:45:27,420

I know is that there was a

680

00:45:33,950 --> 00:45:28,920

leak of

681

00:45:42,710 --> 00:45:40,130

I believe that the focus of this was on the

682

00:45:45,589 --> 00:45:42,720

aero club ok

683

00:45:47,809 --> 00:45:45,599

and we are already from Belém de Belém and a

684

00:45:50,390 --> 00:45:47,819

team from a newspaper at the time I don't know if it

685

00:45:52,970 --> 00:45:50,400

exists I think it was bought by

686

00:45:55,490 --> 00:45:52,980

Jota who was from the state of Pará

687

00:45:57,890 --> 00:45:55,500

the team from the state of Pará went to the

688

00:46:13,430 --> 00:45:57,900

place where we were going They were a

689

00:46:17,510 --> 00:46:15,650

there I swore that never would do a

690

00:46:20,390 --> 00:46:17,520

mission like this what

691

00:46:23,030 --> 00:46:20,400

happened they saw the light

692

00:46:24,890 --> 00:46:23,040

approaching this light came very low

693

00:46:26,990 --> 00:46:24,900

entered this channel that I told

694

00:46:29,329 --> 00:46:27,000

you about which is between Mara Island and

695

00:46:29,890 --> 00:46:29,339

Monastery Island And then he from Colares to

696

00:46:31,370 --> 00:46:29,900

Laura's channel

697

00:46:38,270 --> 00:46:31,380

[Music]

698

00:46:43,930 --> 00:46:42,349

this light Directed towards him towards him

699

00:46:50,270 --> 00:46:47,450

focused on him he was in the car the

700

00:46:52,970 --> 00:46:50,280

roof of the car became translucent

701
00:46:53,950 --> 00:46:52,980
transparent also like

702
00:46:58,190 --> 00:46:53,960
glass

703
00:47:00,650 --> 00:46:58,200
they were seeing the sky

704
00:47:04,670 --> 00:47:00,660
he made the evolution on top passed stopped

705
00:47:10,150 --> 00:47:08,210
they photographed it

706
00:47:18,790 --> 00:47:10,160
but it wasn't publican it

707
00:47:24,849 --> 00:47:21,410
and after the SUS they took it some

708
00:47:27,309 --> 00:47:24,859
seem even had access to volleyball

709
00:47:31,670 --> 00:47:27,319
some got emotionally out of control

710
00:47:34,130 --> 00:47:31,680
to get the missing car they left

711
00:47:36,130 --> 00:47:34,140
the next day the days after

712
00:47:39,230 --> 00:47:36,140
we're published in newspaper

713
00:47:40,670 --> 00:47:39,240

The reportage

714

00:47:44,089 --> 00:47:40,680

who can give information about this

715

00:47:44,099 --> 00:47:57,950

of meeting at the airport

716

00:47:57,960 --> 00:48:03,670

[Music]

717

00:48:09,849 --> 00:48:07,849

anyway, at some point in the

718

00:48:12,230 --> 00:48:09,859

practical operation you

719

00:48:14,150 --> 00:48:12,240

were all the time sending a report of what

720

00:48:16,309 --> 00:48:14,160

happened there to the boss, right, but it is

721

00:48:18,470 --> 00:48:16,319

a moment that you asked if

722

00:48:20,569 --> 00:48:18,480

there was a possibility of informing the

723

00:48:22,910 --> 00:48:20,579

population about this

724

00:48:24,670 --> 00:48:22,920

no this question was not asked because

725

00:48:24,670 --> 00:48:26,770

he knew it was not possible

726
00:48:31,750 --> 00:48:29,510
this question would not be appropriate to the command because

727
00:48:34,309 --> 00:48:31,760
this was a matter to

728
00:48:36,829 --> 00:48:34,319
collect data and deliver it to the Commander

729
00:48:39,950 --> 00:48:36,839
this was treated confidentially

730
00:48:42,829 --> 00:48:39,960
this was that we have to collect data

731
00:49:12,210 --> 00:48:42,839
document photograph that the Milestones

732
00:50:04,089 --> 00:49:23,470
[Music]

733
00:50:10,030 --> 00:50:07,250
and at some point there was the participation

734
00:50:11,230 --> 00:50:10,040
of Americans asking for information

735
00:50:14,450 --> 00:50:11,240
[Music]

736
00:50:31,210 --> 00:50:14,460
listening to Brazil to accompany

737
00:50:38,829 --> 00:50:34,329
very active

738
00:50:44,050 --> 00:50:38,839

you detected various types of objects

739

00:50:51,849 --> 00:50:48,109

verify at least nine forms,

740

00:50:59,230 --> 00:50:55,690

classify them as

741

00:51:03,470 --> 00:50:59,240

forms of analysis, some were probes,

742

00:51:07,630 --> 00:51:03,480

some photographs looked like a

743

00:51:07,630 --> 00:51:10,490

larger ship and nothing smaller coming out of it.

744

00:51:17,569 --> 00:51:15,650

Spaceships or

745

00:51:19,420 --> 00:51:17,579

smaller probes this was documented

746

00:51:21,370 --> 00:51:19,430

photographically

747

00:51:24,109 --> 00:51:21,380

[Music]

748

00:51:26,210 --> 00:51:24,119

the equipment used to

749

00:51:30,069 --> 00:51:26,220

record all the materials

750

00:51:30,079 --> 00:51:36,010

professional camera

751
00:51:40,809 --> 00:51:38,390
to work with it

752
00:51:42,370 --> 00:51:40,819
because it quickly takes out of focus

753
00:51:45,950 --> 00:51:42,380
any

754
00:51:48,670 --> 00:51:45,960
movement already went out of focus it was a terror it

755
00:51:50,589 --> 00:51:48,680
was a huge mess it

756
00:51:53,450 --> 00:51:50,599
leaves it that big

757
00:51:55,089 --> 00:51:53,460
we couldn't operate much

758
00:52:03,170 --> 00:51:55,099
with it not

759
00:52:08,109 --> 00:52:05,510
to record the versions of possibilities

760
00:52:23,049 --> 00:52:08,119
of some noise something

761
00:52:28,549 --> 00:52:25,270
nothing of

762
00:52:31,069 --> 00:52:28,559
that nature could happen

763
00:52:32,150 --> 00:52:31,079

anything but we were in a

764

00:52:33,950 --> 00:52:32,160

military alteration it is a military obligation

765

00:52:39,010 --> 00:52:37,190

if it happened it happened on duty if

766

00:52:47,270 --> 00:52:39,020

we were not at

767

00:52:53,170 --> 00:52:49,990

never we were armed it didn't matter it didn't matter

768

00:52:56,510 --> 00:52:53,180

I didn't expect it to be

769

00:52:59,990 --> 00:52:56,520

so much needed that it had never been

770

00:53:05,589 --> 00:53:00,000

thought of setting up the operation in the

771

00:53:10,569 --> 00:53:09,049

was never thought of a weapon in that there were

772

00:53:14,870 --> 00:53:10,579

some expectations in at some point

773

00:53:17,990 --> 00:53:14,880

within the operation that will be

774

00:53:19,849 --> 00:53:18,000

dangerous in objective terms

775

00:53:19,849 --> 00:53:22,270

once there

776

00:53:27,010 --> 00:53:25,450

was a very

777

00:53:30,470 --> 00:53:27,020

strong

778

00:53:33,410 --> 00:53:30,480

appearance and you have to detail

779

00:53:36,170 --> 00:53:33,420

how it was but really this thing

780

00:53:39,490 --> 00:53:36,180

happened and I was very afraid that

781

00:53:41,770 --> 00:53:39,500

there would be an addition how was that

782

00:53:46,870 --> 00:53:41,780

Just to make you a relative

783

00:53:55,670 --> 00:53:51,650

talking to Rafael right on hard

784

00:53:59,270 --> 00:53:55,680

Rafael gave me a tremendous amount of pain in the husband

785

00:54:02,450 --> 00:53:59,280

called me crazy responsible

786

00:54:04,010 --> 00:54:02,460

okay and said if you're forbidden you have a

787

00:54:05,510 --> 00:54:04,020

commander but I'm your friend

788

00:54:10,270 --> 00:54:05,520

I'm forbidden to do one something like

789

00:54:17,780 --> 00:54:12,710

riverside vessel and the thing stopped in front

790

00:54:17,790 --> 00:54:56,690

[Music] he

791

00:55:02,089 --> 00:54:59,470

did it he

792

00:55:04,430 --> 00:55:02,099

heard about a case he knew that I was there the

793

00:55:07,069 --> 00:55:04,440

whole air force knew

794

00:55:10,790 --> 00:55:07,079

that we were in this investigation he

795

00:55:12,130 --> 00:55:10,800

about a case From a boy who worked

796

00:55:16,190 --> 00:55:12,140

with

797

00:55:21,230 --> 00:55:16,200

him he collected clay for this pottery,

798

00:55:23,870 --> 00:55:21,240

he took clay there in Rio for this

799

00:55:25,849 --> 00:55:23,880

pottery and he found out about the case that happened

800

00:55:27,890 --> 00:55:25,859

to this boy and he knew that I was

801
00:55:40,210 --> 00:55:27,900
investigating and I went to look for myself and

802
00:55:46,549 --> 00:55:43,370
he told me About this Luís I sent

803
00:55:48,109 --> 00:55:46,559
for Luiz but he is an agent there with a

804
00:55:53,809 --> 00:55:48,119
car with Luiz I wanted to talk to

805
00:56:02,809 --> 00:55:58,930
he when she was picking Barros he saw

806
00:56:06,530 --> 00:56:02,819
traces that there was game

807
00:56:08,210 --> 00:56:06,540
eating the rest of flowers a tree that

808
00:56:11,630 --> 00:56:08,220
was in flowering

809
00:56:16,450 --> 00:56:11,640
is on the riverbank he followed and saw

810
00:56:16,460 --> 00:56:20,589
had a knife eating in this place I

811
00:56:35,170 --> 00:56:23,450
'm going back to get that part I'm going to

812
00:56:39,170 --> 00:56:36,370
[Music]

813
00:56:40,490 --> 00:56:39,180

he went and left the clay there emptied the

814

00:56:42,170 --> 00:56:40,500

vessel

815

00:56:44,990 --> 00:56:42,180

went by his house picked it up a

816

00:56:48,309 --> 00:56:45,000

shotgun and went back there during the day he

817

00:56:52,910 --> 00:56:48,319

prepared a Jirau where he could stay in

818

00:56:59,690 --> 00:56:55,150

and kept the shotgun flashlight there

819

00:57:03,829 --> 00:57:01,910

dark he was up there in

820

00:57:06,370 --> 00:57:03,839

Geraldo sitting in his hammock there

821

00:57:08,049 --> 00:57:06,380

waiting he heard some noise

822

00:57:15,770 --> 00:57:12,069

preparing to shoot at the house

823

00:57:18,170 --> 00:57:15,780

a very strong light passed over him the

824

00:57:21,770 --> 00:57:18,180

light passed shortly after it came back and stopped

825

00:57:25,190 --> 00:57:21,780

over him It stopped over the center

826

00:57:27,250 --> 00:57:25,200

of this ship that he wrote and it

827

00:57:29,990 --> 00:57:27,260

was not in a discordant way it

828

00:57:32,770 --> 00:57:30,000

was not in a way as if it were the cabin of

829

00:57:36,190 --> 00:57:32,780

a bath when he makes

830

00:57:39,530 --> 00:57:36,200

the bulge inside the belly of this ship

831

00:57:41,450 --> 00:57:39,540

opened a door and descended a

832

00:57:45,849 --> 00:57:41,460

human-like being I

833

00:57:49,309 --> 00:57:45,859

asked him if by stairway

834

00:57:53,349 --> 00:57:49,319

or mental something like that they descended

835

00:57:53,359 --> 00:57:58,690

open focus like that

836

00:57:58,700 --> 00:58:05,030

when he approached

837

00:58:10,970 --> 00:58:07,670

he jumped from there where he was and hid

838

00:58:15,370 --> 00:58:14,150

and watched he put a branch a

839

00:58:19,670 --> 00:58:18,230

tree branch on his face

840

00:58:21,130 --> 00:58:19,680

and watched what was

841

00:58:27,670 --> 00:58:21,140

happening he

842

00:58:32,589 --> 00:58:29,690

it was something that maybe had been

843

00:58:36,530 --> 00:58:32,599

done here in Palma then

844

00:58:38,870 --> 00:58:36,540

he went down examined the net he examined

845

00:58:40,390 --> 00:58:38,880

the place where he was he has a

846

00:58:44,109 --> 00:58:40,400

leaf branch in front of him man

847

00:58:56,510 --> 00:58:47,890

later he didn't look for it he didn't

848

00:58:59,589 --> 00:58:57,710

[Music]

849

00:59:03,910 --> 00:58:59,599

when he saw that he had been

850

00:59:07,250 --> 00:59:03,920

located he ran he ran inside

851

00:59:11,809 --> 00:59:07,260

the river there suffers a lot suffers a lot no

852

00:59:14,210 --> 00:59:11,819

I know from Maré he passes and goes up a

853

00:59:14,660 --> 00:59:14,220

mud three he left over there on that

854

00:59:20,790 --> 00:59:14,670

bank

855

00:59:26,510 --> 00:59:23,470

Music]

856

00:59:30,650 --> 00:59:26,520

you came back to

857

00:59:32,750 --> 00:59:30,660

us started to get in the face of Rio

858

00:59:37,870 --> 00:59:32,760

and chase him at low speed

859

00:59:37,880 --> 00:59:42,470

a few times

860

00:59:46,609 --> 00:59:44,690

and following but very slowly he's having

861

00:59:49,490 --> 00:59:46,619

trouble walking

862

00:59:51,170 --> 00:59:49,500

like he intended to hunt and come back

863

00:59:52,710 --> 00:59:51,180

he didn't take a boat because if it's not

864

00:59:58,990 --> 00:59:52,720

enough to want to run aground

865

01:00:03,650 --> 01:00:01,510

a 9-year-old boy at the time

866

01:00:06,970 --> 01:00:03,660

had a friend of his who took

867

01:00:11,089 --> 01:00:06,980

care of the bar and they stayed fishing

868

01:00:13,250 --> 01:00:11,099

this river is catching

869

01:00:15,650 --> 01:00:13,260

and the guy was listening with the radio to the

870

01:00:26,390 --> 01:00:15,660

brazilian championship game football games

871

01:00:26,400 --> 01:00:31,750

and this thing behind him

872

01:00:35,809 --> 01:00:34,309

started screaming desperately until a

873

01:00:39,530 --> 01:00:35,819

boy called his partner's attention

874

01:00:49,270 --> 01:00:39,540

and the guy put the football down and looked

875

01:00:55,670 --> 01:00:52,370

as there was no more companion on the boat

876
01:00:58,069 --> 01:00:55,680
and he hid there they

877
01:01:00,760 --> 01:00:58,079
were both in the water and

878
01:01:01,970 --> 01:01:00,770
Luiz hiding in the bush

879
01:01:05,870 --> 01:01:01,980
[Music]

880
01:01:07,309 --> 01:01:05,880
they this this ship It stopped on top of the

881
01:01:09,849 --> 01:01:07,319
battalion

882
01:01:13,670 --> 01:01:09,859
you got off

883
01:01:14,870 --> 01:01:13,680
with the same red light examined the whole

884
01:01:17,870 --> 01:01:14,880
boat

885
01:01:21,049 --> 01:01:17,880
looked for everywhere he examined the

886
01:01:24,470 --> 01:01:21,059
boat and I can see this there he got on it went there he

887
01:01:25,990 --> 01:01:24,480
closed it and she fired he

888
01:01:29,630 --> 01:01:26,000

left I

889

01:01:31,130 --> 01:01:29,640
talked to him tomorrow I want to

890

01:01:41,230 --> 01:01:31,140
be in that

891

01:01:44,650 --> 01:01:43,849
we talked to Paulo Costa who is the owner

892

01:01:47,950 --> 01:01:44,660
of

893

01:01:50,630 --> 01:01:47,960
Olaria he authorized it and we went there

894

01:01:54,890 --> 01:01:50,640
when we arrived at 7 o'clock at night it

895

01:01:58,549 --> 01:01:54,900
was raining in the rain it

896

01:02:02,390 --> 01:01:58,559
wasn't a storm it's not rain now

897

01:02:04,990 --> 01:02:02,400
the agents went inside a house

898

01:02:11,349 --> 01:02:05,000
that was the caretaker's house

899

01:02:19,450 --> 01:02:15,349
and I wasn't going to worry about coffee because he's

900

01:02:25,390 --> 01:02:21,370
look see

901
01:02:29,450 --> 01:02:25,400
if he saw anything there's something

902
01:02:38,410 --> 01:02:29,460
he didn't see something dark he couldn't

903
01:02:45,470 --> 01:02:42,910
This was the one I'm making the noise of

904
01:02:52,270 --> 01:02:45,480
an air conditioning balloon in the very

905
01:02:58,750 --> 01:02:55,569
spinning something

906
01:03:06,490 --> 01:03:03,310
it was something like a blender

907
01:03:11,870 --> 01:03:08,589
over where

908
01:03:14,630 --> 01:03:11,880
I was at the door of the house and it was

909
01:03:17,530 --> 01:03:14,640
raining I was looking at it he passed it

910
01:03:24,710 --> 01:03:17,540
freed the tree

911
01:03:29,990 --> 01:03:26,930
's too dangerous that on a clear day

912
01:03:32,690 --> 01:03:30,000
imagine with rain and at night

913
01:03:34,150 --> 01:03:32,700

what to do as configured time passed and

914

01:03:37,370 --> 01:03:34,160

left

915

01:03:37,990 --> 01:03:37,380

Captain I just saw a thing here

916

01:03:40,910 --> 01:03:38,000

now it

917

01:03:47,390 --> 01:03:40,920

appeared very strange there we are going to

918

01:03:53,870 --> 01:03:51,410

where Luiz had been we stopped the

919

01:03:57,410 --> 01:03:53,880

circus boat and walked to a tree

920

01:04:02,750 --> 01:03:59,750

so we went to this place like Maria

921

01:04:07,430 --> 01:04:02,760

was filling us up with

922

01:04:08,750 --> 01:04:07,440

increasingly critical water, right, and we got to the

923

01:04:11,030 --> 01:04:08,760

position that we were in a situation

924

01:04:13,549 --> 01:04:11,040

where nothing had happened

925

01:04:16,370 --> 01:04:13,559

I already had the camera with

926

01:04:18,970 --> 01:04:16,380

everything with a suspension

927

01:04:31,910 --> 01:04:18,980

already in a little while to go up in the wide

928

01:04:34,910 --> 01:04:33,710

Then we took a little canoe that was

929

01:04:37,609 --> 01:04:34,920

with us

930

01:04:39,829 --> 01:04:37,619

We went to the boat

931

01:04:43,630 --> 01:04:39,839

is stopped at the other base we just took the

932

01:04:46,150 --> 01:04:43,640

equipment and we drowned

933

01:04:49,609 --> 01:04:46,160

we left it here at the bar we

934

01:04:50,289 --> 01:04:49,619

stayed there now I'm going to stay a

935

01:04:53,170 --> 01:04:50,299

little bit more

936

01:05:02,049 --> 01:04:53,180

it will come back

937

01:05:07,690 --> 01:05:05,450

there at the end the river accumilar we are

938

01:05:10,609 --> 01:05:07,700

in a position on the left bank of the river

939

01:05:12,789 --> 01:05:10,619

and we saw the river closing there in

940

01:05:12,799 --> 01:05:17,349

about two thousand meters

941

01:05:24,170 --> 01:05:20,530

it passed from the left from the

942

01:05:25,630 --> 01:05:24,180

north to the south crossing from the river a

943

01:05:29,930 --> 01:05:25,640

light very strong

944

01:05:34,430 --> 01:05:29,940

yellow both like a sun but very low

945

01:05:39,410 --> 01:05:37,190

in the same position more or less where

946

01:05:40,730 --> 01:05:39,420

the watchman's house is where I had seen the

947

01:05:47,530 --> 01:05:40,740

first thing

948

01:05:47,540 --> 01:05:57,670

there passed very low

949

01:06:17,289 --> 01:06:00,410

something like that

950

01:06:22,870 --> 01:06:19,690

that I didn't go to Brasilia, I have

951
01:06:29,289 --> 01:06:22,880
n't

952
01:06:35,450 --> 01:06:31,930
Brazil left

953
01:06:50,630 --> 01:06:35,460
half a dozen windsocks in the middle of the

954
01:06:59,450 --> 01:06:54,130
register the time, height,

955
01:07:03,410 --> 01:07:01,270
right now, I'm not leaving here

956
01:07:04,390 --> 01:07:03,420
now, we're going to stay, but he hadn't

957
01:07:10,029 --> 01:07:04,400
brought

958
01:07:16,190 --> 01:07:12,670
he proposed to his house

959
01:07:17,890 --> 01:07:16,200
in Rio to make coffee bring something

960
01:07:21,410 --> 01:07:20,150
could we stay longer at

961
01:07:25,849 --> 01:07:21,420
night drink water have a little coffee

962
01:07:27,589 --> 01:07:25,859
now he left with a little boat and there was a boat in the

963
01:07:28,750 --> 01:07:27,599

middle of the river

964

01:07:31,250 --> 01:07:28,760

Islet

965

01:07:33,529 --> 01:07:31,260

I'm not more than 15 or 20 meters

966

01:07:36,430 --> 01:07:33,539

wide, no, but it's very long, it looked like a

967

01:07:55,190 --> 01:07:39,829

Verde River, it left with a boat and disappeared on that

968

01:08:03,710 --> 01:08:01,970

from the

969

01:08:06,190 --> 01:08:03,720

boat the agents talking but it was the

970

01:08:14,790 --> 01:08:06,200

boss, he couldn't be giving me

971

01:08:14,800 --> 01:08:21,370

[Music]

972

01:08:39,610 --> 01:08:25,309

on my side very strong the same

973

01:08:39,620 --> 01:09:06,110

they prepared a camera

974

01:09:12,470 --> 01:09:08,829

[Music]

975

01:09:14,209 --> 01:09:12,480

then we saw a strange shape

976
01:09:18,309 --> 01:09:14,219
with the shape of a

977
01:09:27,550 --> 01:09:20,410
very big football

978
01:09:27,560 --> 01:09:39,669
all

979
01:09:45,289 --> 01:09:43,070
very big about 100

980
01:09:47,930 --> 01:09:45,299
meters

981
01:09:50,329 --> 01:09:47,940
very big a

982
01:09:54,470 --> 01:09:50,339
big football passing over us lowers

983
01:09:57,130 --> 01:09:54,480
the height and makes a strange noise

984
01:10:00,830 --> 01:09:57,140
to make the noise of

985
01:10:03,290 --> 01:10:00,840
this air conditioned

986
01:10:06,350 --> 01:10:03,300
when he walked slowly over

987
01:10:09,729 --> 01:10:06,360
us on purpose slowly very slowly the

988
01:10:13,610 --> 01:10:09,739

camcorder was on and

989

01:10:16,090 --> 01:10:13,620

its mechanism makes a noise

990

01:10:20,330 --> 01:10:16,100

I asked that the people who were moving

991

01:10:22,310 --> 01:10:20,340

were filming that he stop filming

992

01:10:24,649 --> 01:10:22,320

because he didn't want to I wanted to clear up a doubt

993

01:10:26,590 --> 01:10:24,659

I didn't I wanted to confuse this noise from the

994

01:10:28,510 --> 01:10:26,600

machine that I

995

01:10:32,229 --> 01:10:28,520

was hearing

996

01:10:35,070 --> 01:10:32,239

it hits the Japanese

997

01:10:40,610 --> 01:10:35,080

I said that the guy could hit it

998

01:10:48,189 --> 01:10:44,510

he stopped you can you hear me I am it

999

01:10:50,570 --> 01:10:48,199

was this noise from the turnstile

1000

01:10:52,670 --> 01:10:50,580

there is a little weird noise there

1001

01:11:01,270 --> 01:10:52,680

in the middle in the middle of this noise

1002

01:11:07,610 --> 01:11:04,689

this thing that passed went away it

1003

01:11:13,630 --> 01:11:07,620

entered the bottom of the continent on the side of

1004

01:11:18,470 --> 01:11:16,550

now it got worse right now I only leave here

1005

01:11:19,970 --> 01:11:18,480

when I see more things because now it's

1006

01:11:21,830 --> 01:11:19,980

painting that

1007

01:11:23,930 --> 01:11:21,840

Come, something else could happen

1008

01:11:28,010 --> 01:11:23,940

in front

1009

01:11:30,229 --> 01:11:28,020

I want more or less some it was 11 o'clock

1010

01:11:32,630 --> 01:11:30,239

11:30 around it's

1011

01:11:33,430 --> 01:11:32,640

in the report of the right time I was

1012

01:11:47,209 --> 01:11:33,440

doing it

1013

01:11:53,709 --> 01:11:49,790

one o'clock in the morning

1014

01:11:57,229 --> 01:11:53,719

between 1:30 in the report that's right

1015

01:11:59,350 --> 01:11:57,239

it came following the same light but it

1016

01:12:02,810 --> 01:11:59,360

wasn't both anymore

1017

01:12:05,750 --> 01:12:02,820

Blue very strong

1018

01:12:08,330 --> 01:12:05,760

it came following the side of the

1019

01:12:10,430 --> 01:12:08,340

opposite river bank

1020

01:12:13,510 --> 01:12:10,440

it has been accompanying it following it and

1021

01:12:16,430 --> 01:12:13,520

we see it look there look there

1022

01:12:19,790 --> 01:12:16,440

when it arrived in the direction of the Island it

1023

01:12:22,209 --> 01:12:19,800

entered in the direction of Belém

1024

01:12:25,250 --> 01:12:22,219

but it is very low

1025

01:12:27,770 --> 01:12:25,260

at the height of the guns and passing the Copa

1026

01:12:30,050 --> 01:12:27,780

das Águas but a light very big one

1027

01:12:32,510 --> 01:12:30,060

next huge This was the most

1028

01:12:36,290 --> 01:12:32,520

complicated situation the most absorbed case within

1029

01:12:41,450 --> 01:12:38,990

she approached she entered Belém

1030

01:12:43,330 --> 01:12:41,460

then she came back towards us we

1031

01:12:46,870 --> 01:12:43,340

were seeing that a light down there

1032

01:12:53,510 --> 01:12:50,450

by his forest there I go but she she came back

1033

01:12:54,649 --> 01:12:53,520

towards us she came and stood in

1034

01:12:57,290 --> 01:12:54,659

front of us

1035

01:13:00,290 --> 01:12:57,300

on the other bank of the river knowing that you

1036

01:13:02,810 --> 01:13:00,300

wanted to stop in front of us and then

1037

01:13:05,510 --> 01:13:02,820

I went out of curiosity out of

1038

01:13:13,390 --> 01:13:05,520

gratitude for the report I went to measure that

1039

01:13:19,550 --> 01:13:16,729

a blue sun

1040

01:13:21,910 --> 01:13:19,560

was very bright strong but you

1041

01:13:24,550 --> 01:13:21,920

could face it you could keep frying it

1042

01:13:27,470 --> 01:13:24,560

didn't hurt you from that I did

1043

01:13:30,669 --> 01:13:27,480

n't see anything I just saw that light that

1044

01:13:33,229 --> 01:13:30,679

very strong light it's very strong a

1045

01:13:37,000 --> 01:13:33,239

strange blue but very high very big I

1046

01:13:37,010 --> 01:14:10,550

[Music]

1047

01:14:10,560 --> 01:14:16,149

suddenly this light blue went out

1048

01:14:21,649 --> 01:14:19,490

and what was behind that light

1049

01:14:24,890 --> 01:14:21,659

that was emitting this light appeared the object

1050

01:14:27,770 --> 01:14:24,900

was this american football that

1051
01:14:30,229 --> 01:14:27,780
was standing in front of us

1052
01:14:31,630 --> 01:14:30,239
a soccer ball 100 meters

1053
01:14:35,330 --> 01:14:31,640
high

1054
01:14:36,310 --> 01:14:35,340
the stop in front of us I didn't see any window it

1055
01:14:42,890 --> 01:14:39,290
was too much different it must have been the same

1056
01:14:48,790 --> 01:14:42,900
but it must have had the inside turned off I don't know

1057
01:14:48,800 --> 01:14:54,169
about football it

1058
01:14:59,149 --> 01:14:56,290
stayed a little longer

1059
01:15:01,189 --> 01:14:59,159
and suddenly she ate with fear of now

1060
01:15:02,450 --> 01:15:01,199
everyone and now these guys are coming to

1061
01:15:04,550 --> 01:15:02,460
carry us

1062
01:15:06,110 --> 01:15:04,560
how is it going

1063
01:15:17,050 --> 01:15:06,120

nobody knew what what from then

1064

01:15:21,649 --> 01:15:19,669

something extraordinary was going to happen within

1065

01:15:24,850 --> 01:15:21,659

ufology are testimonies first

1066

01:15:27,649 --> 01:15:24,860

absolutely qualified

1067

01:15:29,750 --> 01:15:27,659

witnesses the object seen will

1068

01:15:32,510 --> 01:15:29,760

witnesses all of them can be

1069

01:15:35,030 --> 01:15:32,520

within a military function that is

1070

01:15:36,910 --> 01:15:35,040

precisely linked to that why in

1071

01:15:40,250 --> 01:15:36,920

your opinion is such an objective

1072

01:15:42,530 --> 01:15:40,260

Ships in your opinion these areas

1073

01:15:46,990 --> 01:15:42,540

insisted so much on appearing in the northeast in

1074

01:15:51,950 --> 01:15:50,750

will answer you a personal conclusion

1075

01:15:58,910 --> 01:15:55,270

this conclusion I put some friends

1076

01:16:01,490 --> 01:15:58,920

Seriously that ufology I treat it very

1077

01:16:03,530 --> 01:16:01,500

seriously I became much

1078

01:16:06,229 --> 01:16:03,540

more interested after the aeronautics stopped I

1079

01:16:09,169 --> 01:16:06,239

continued interested on the subject and for

1080

01:16:14,090 --> 01:16:11,470

I discard a lot of

1081

01:16:15,950 --> 01:16:14,100

sightings because I didn't see it I'm not

1082

01:16:19,430 --> 01:16:15,960

sure I started to study it

1083

01:16:21,649 --> 01:16:19,440

much more seriously and I went to try to

1084

01:16:23,209 --> 01:16:21,659

understand it I had already seen it now I

1085

01:16:26,410 --> 01:16:23,219

wanted to understand it

1086

01:16:28,430 --> 01:16:26,420

I wanted to draw conclusions

1087

01:16:30,350 --> 01:16:28,440

conclusions that I couldn't put in the

1088

01:16:34,270 --> 01:16:30,360

report because it was a conclusion of

1089

01:16:34,280 --> 01:16:41,290

difficulties

1090

01:16:46,990 --> 01:16:45,410

in operations in the Jungle that's why

1091

01:16:51,530 --> 01:16:47,000

my conclusion

1092

01:16:58,010 --> 01:16:54,110

and we are very careful, we were very

1093

01:17:00,709 --> 01:16:58,020

concerned about not transmitting to the

1094

01:17:03,770 --> 01:17:00,719

Indians any disease that

1095

01:17:06,350 --> 01:17:03,780

we had controlled during the body of

1096

01:17:09,229 --> 01:17:06,360

ours that they they didn't have it and you could

1097

01:17:11,630 --> 01:17:09,239

have the flu a measles But

1098

01:17:14,030 --> 01:17:11,640

something of that nature because we

1099

01:17:15,530 --> 01:17:14,040

have a tragedy that we have it

1100

01:17:17,229 --> 01:17:15,540

inside our body more controlled

1101

01:17:20,330 --> 01:17:17,239

we have

1102

01:17:23,450 --> 01:17:20,340

these things exist in our in our

1103

01:17:26,570 --> 01:17:23,460

organism but we are not sure and he didn't

1104

01:17:29,149 --> 01:17:26,580

have I had a lot of concern and that

1105

01:17:32,930 --> 01:17:29,159

voluntarily but not fulfilling the mission

1106

01:17:35,870 --> 01:17:32,940

I had and

1107

01:17:37,910 --> 01:17:35,880

happily transmitted it Never There was a case like this I

1108

01:17:41,470 --> 01:17:37,920

don't remember having involuntarily

1109

01:17:45,290 --> 01:17:41,480

damaged any Indian in that way

1110

01:17:47,330 --> 01:17:45,300

this is that it was my concern it

1111

01:17:50,630 --> 01:17:47,340

is my concern and I went to

1112

01:17:52,970 --> 01:17:50,640

conclude another thing regarding

1113

01:17:54,470 --> 01:17:52,980

why why are they doing

1114

01:17:56,689 --> 01:17:54,480

this

1115

01:18:01,610 --> 01:17:56,699

if i were him i put myself in

1116

01:18:05,950 --> 01:18:01,620

his shoes i needed an

1117

01:18:11,930 --> 01:18:08,810

what would i have to do i wanted to

1118

01:18:15,590 --> 01:18:11,940

protect myself i him i like he would have

1119

01:18:19,070 --> 01:18:15,600

to protect and protect me as knowing

1120

01:18:22,310 --> 01:18:19,080

that you already are you put it inside your

1121

01:18:26,110 --> 01:18:22,320

body that could damage my body you

1122

01:18:29,209 --> 01:18:26,120

know I could only do this

1123

01:18:30,430 --> 01:18:29,219

defense of mine if I had death in

1124

01:18:34,729 --> 01:18:30,440

your blood a sample

1125

01:18:37,450 --> 01:18:34,739

of your tissue and it wasn't hard for me to

1126

01:18:40,729 --> 01:18:37,460

imagine that they were doing

1127

01:18:43,189 --> 01:18:40,739

these things that became even like a

1128

01:18:46,070 --> 01:18:43,199

joke chupa chupa that he was

1129

01:18:49,189 --> 01:18:46,080

collecting material

1130

01:18:50,870 --> 01:18:49,199

if he was collecting blood to

1131

01:18:53,689 --> 01:18:50,880

see what was with you in that blood

1132

01:18:56,330 --> 01:18:53,699

that could damage them in a

1133

01:19:00,229 --> 01:18:56,340

necessary contact in the future

1134

01:19:04,550 --> 01:19:00,239

right then and not only the blood but

1135

01:19:08,689 --> 01:19:04,560

also material cell I don't know what it

1136

01:19:09,490 --> 01:19:08,699

is this this light this light with High

1137

01:19:12,050 --> 01:19:09,500

Energy

1138

01:19:15,189 --> 01:19:12,060

what it could do if it could

1139

01:19:18,669 --> 01:19:15,199

transport this material also

1140

01:19:28,209 --> 01:19:21,110

that could be marked

1141

01:19:34,130 --> 01:19:31,510

doing a repetition This is already

1142

01:19:36,410 --> 01:19:34,140

recent At the time, I didn't think anything

1143

01:19:37,630 --> 01:19:36,420

of that, okay? But I thought he was

1144

01:19:40,850 --> 01:19:37,640

collecting material to defend himself

1145

01:19:44,209 --> 01:19:40,860

in a contact that needed to

1146

01:19:47,270 --> 01:19:44,219

make close contact and that could

1147

01:19:56,770 --> 01:19:47,280

be notified by some situation in the

1148

01:19:56,780 --> 01:20:02,270

like something like that, they

1149

01:20:07,430 --> 01:20:05,630

didn't think it was already a Umbrella

1150

01:20:09,830 --> 01:20:07,440

that was something that came from Padre

1151

01:20:11,750 --> 01:20:09,840

another planet and they are already seeing them they

1152

01:20:14,110 --> 01:20:11,760

saw shapes they saw lights they saw them they

1153

01:20:17,209 --> 01:20:14,120

saw shapes before me

1154

01:20:22,450 --> 01:20:17,219

I spent a long time to see the

1155

01:20:44,890 --> 01:20:26,209

they used a rocket they used they were

1156

01:21:17,290 --> 01:20:47,689

the Padre himself said no one

1157

01:21:24,290 --> 01:21:20,470

this report was passed on to the Comandante it

1158

01:21:27,850 --> 01:21:24,300

was said how it was later the film

1159

01:21:33,490 --> 01:21:27,860

was developed and it was seen in the

1160

01:21:33,500 --> 01:21:38,470

we took no

1161

01:21:42,669 --> 01:21:40,610

one interesting thing is that we took it

1162

01:21:48,470 --> 01:21:42,679

from

1163

01:21:51,110 --> 01:21:48,480

the film slowly past ok this is this

1164

01:21:53,090 --> 01:21:51,120

standing shape

1165

01:21:55,550 --> 01:21:53,100

that we had not seen

1166

01:21:58,130 --> 01:21:55,560

we couldn't see it we didn't realize it we

1167

01:22:02,270 --> 01:21:58,140

heard it after the impression in the

1168

01:22:05,890 --> 01:22:02,280

photographic emotion this thing had at the top at the

1169

01:22:17,110 --> 01:22:05,900

top a door with the plane door

1170

01:22:20,990 --> 01:22:19,370

someone focusing something in our

1171

01:22:23,930 --> 01:22:21,000

direction okay but that's

1172

01:22:27,050 --> 01:22:23,940

us I didn't see it, I don't

1173

01:22:29,330 --> 01:22:27,060

know if it was

1174

01:22:31,090 --> 01:22:29,340

with this very strong Blue light

1175

01:22:34,149 --> 01:22:31,100

that we didn't see that a way inside

1176

01:22:37,850 --> 01:22:34,159

to make that ball

1177

01:22:39,970 --> 01:22:37,860

with a declaration of that level an

1178

01:22:43,810 --> 01:22:39,980

extraordinary thing like that

1179

01:22:46,669 --> 01:22:43,820

already three or four months of work

1180

01:22:48,790 --> 01:22:46,679

why the sea because for ours it was

1181

01:22:48,790 --> 01:22:51,950

then to deactivate the project.

1182

01:23:11,410 --> 01:23:09,590

can answer maybe who has the

1183

01:23:16,070 --> 01:23:11,420

most dented

1184

01:23:19,209 --> 01:23:16,080

face maybe who they are there is no answer where they

1185

01:23:21,890 --> 01:23:19,219

come from there is no answer what

1186

01:23:24,110 --> 01:23:21,900

they want also there are no

1187

01:23:28,030 --> 01:23:24,120

answers to the three questions that will be

1188

01:23:31,430 --> 01:23:28,040

asked that no one can answer and that

1189

01:23:32,870 --> 01:23:31,440

empties the subject demoralizes even the

1190

01:23:34,490 --> 01:23:32,880

institution air force the

1191

01:23:37,729 --> 01:23:34,500

Brazilian government even so would not compensate

1192

01:23:42,070 --> 01:23:37,739

for keeping the project looking for

1193

01:23:45,350 --> 01:23:42,080

these three or more or other answers

1194

01:24:08,950 --> 01:23:45,360

if I were the commander if I had

1195

01:24:13,970 --> 01:24:12,169

this conclusion about the collection of

1196

01:24:15,790 --> 01:24:13,980

material to make a

1197

01:24:17,470 --> 01:24:15,800

[Music]

1198

01:24:21,610 --> 01:24:17,480

vaccine

1199

01:24:23,530 --> 01:24:21,620

a serological solution that he said

1200

01:24:29,149 --> 01:24:23,540

any

1201

01:24:32,810 --> 01:24:29,159

of these aliens

1202

01:24:33,729 --> 01:24:32,820

from the blood of the polished material of the

1203

01:24:38,810 --> 01:24:33,739

human body

1204

01:24:42,830 --> 01:24:38,820

ok it was an occasion was exposed to

1205

01:24:46,010 --> 01:24:42,840

when I visited Rafael semperi in

1206

01:24:48,850 --> 01:24:46,020

São Paulo after the student the conversation

1207

01:24:51,430 --> 01:24:48,860

my opinion was put to Rafael

1208

01:24:54,169 --> 01:24:51,440

and Rafael told me This was the

1209

01:24:58,209 --> 01:24:54,179

most logical explanation I saw

1210

01:25:04,550 --> 01:25:02,570

was aggression and it doesn't seem like aggression

1211

01:25:04,550 --> 01:25:06,110

to me at all

1212

01:25:12,590 --> 01:25:10,430

and he

1213

01:25:14,990 --> 01:25:12,600

thanked me and said look it was the

1214

01:25:19,070 --> 01:25:15,000

most logical explanation that I understood that I heard

1215

01:25:26,709 --> 01:25:19,080

so far after operations

1216

01:25:34,790 --> 01:25:31,189

several times I tried to write

1217

01:25:38,350 --> 01:25:34,800

a final report report is still on a

1218

01:25:42,590 --> 01:25:38,360

case by case basis ok for example one night

1219

01:25:44,709 --> 01:25:42,600

it happened three times so

1220

01:25:48,830 --> 01:25:44,719

a report had to be made

1221

01:25:49,689 --> 01:25:48,840

on that and a final report I

1222

01:25:56,330 --> 01:25:53,149

tried to write several times and what I wrote I

1223

01:26:13,800 --> 01:25:56,340

thought that in Brasilia and they called me

1224

01:26:13,810 --> 01:26:32,229

[Music]

1225

01:26:32,239 --> 01:26:47,050

and once I was at home I've

1226

01:26:53,570 --> 01:26:50,090

never said that to anyone

1227

01:26:59,930 --> 01:26:56,810

telling you now I'm 60

1228

01:27:02,990 --> 01:26:59,940

in a little while I'm 70 if I get there and it doesn't

1229

01:27:04,729 --> 01:27:03,000

disappear before then

1230

01:27:19,570 --> 01:27:04,739

I

1231

01:27:25,129 --> 01:27:22,310

? with me that he

1232

01:27:28,910 --> 01:27:25,139

asked he wanted to know about what

1233

01:27:32,209 --> 01:27:30,950

I didn't even know about his existence of the

1234

01:27:34,550 --> 01:27:32,219

crabs that had occurred there after

1235

01:27:35,990 --> 01:27:34,560

once checking what it was What

1236

01:27:38,330 --> 01:27:36,000

others say they looked for to know about

1237

01:27:43,850 --> 01:27:38,340

national and international meals a

1238

01:27:43,860 --> 01:27:51,669

several several

1239

01:27:58,910 --> 01:27:55,870

he wrote he called me

1240

01:28:00,830 --> 01:27:58,920

but he wanted to talk and we didn't have it I

1241

01:28:08,229 --> 01:28:00,840

couldn't speak I don't know

1242

01:28:18,050 --> 01:28:11,470

talked to me He

1243

01:28:19,930 --> 01:28:18,060

looked for me and I changed he looked for me there was a

1244

01:28:34,870 --> 01:28:19,940

guy from Argentina whose name I don't know

1245

01:28:40,450 --> 01:28:37,729

talk to him about the subject, they even

1246

01:28:42,350 --> 01:28:40,460

saw some photographs, okay,

1247

01:28:43,810 --> 01:28:42,360

we talked about some official word

1248

01:28:46,970 --> 01:28:43,820

from the Brazilian Air Force,

1249

01:28:49,910 --> 01:28:46,980

okay, and I am not authorized by anyone

1250

01:28:49,910 --> 01:28:53,950

to give an opinion on

1251

01:28:57,709 --> 01:28:55,729

anything. exchanging

1252

01:29:00,229 --> 01:28:57,719

correspondence continue playing

1253

01:29:04,270 --> 01:29:00,239

correspondence I was often

1254

01:29:09,290 --> 01:29:04,280

consulted some cases logronio

1255

01:29:13,990 --> 01:29:09,300

not Rafael never a priest a probe

1256

01:29:18,350 --> 01:29:16,490

this opinion about

1257

01:29:20,209 --> 01:29:18,360

international consoles also in Spain

1258

01:29:22,430 --> 01:29:20,219

interesting nationals sent a personalized case

1259

01:29:35,169 --> 01:29:24,950

through Rafael to be hung Marcos

1260

01:29:44,510 --> 01:29:40,669

us United States so I was at home I

1261

01:29:46,729 --> 01:29:44,520

had received a lot of books as a gift

1262

01:29:59,229 --> 01:29:48,970

these books I was looking to

1263

01:30:04,129 --> 01:30:02,689

too much knowledge about ufology you

1264

01:30:07,990 --> 01:30:04,139

were interested no longer had

1265

01:30:12,709 --> 01:30:10,550

and one day I had put up a shelf I

1266

01:30:14,810 --> 01:30:12,719

lived in the village military very far from the

1267

01:30:16,430 --> 01:30:14,820

highway

1268

01:30:19,250 --> 01:30:16,440

this important detail because there was no

1269

01:30:26,770 --> 01:30:22,669

she saw the military become a

1270

01:30:31,729 --> 01:30:29,090

they were stacked one on top

1271

01:30:34,330 --> 01:30:31,739

of the other on my shelf

1272

01:30:38,110 --> 01:30:34,340

I was lying down and I wasn't reading a sheet

1273

01:30:38,110 --> 01:30:40,870

that day I was reading another Rosicrucian book

1274

01:30:46,850 --> 01:30:44,090

that had nothing to do with hunger and

1275

01:30:49,010 --> 01:30:46,860

my daughter is here at home she

1276

01:30:51,169 --> 01:30:49,020

is here she was tiny I was reading

1277

01:30:53,570 --> 01:30:51,179

a children's magazine at my

1278

01:31:03,729 --> 01:30:53,580

bedside I was lying on the bed and she

1279

01:31:03,739 --> 01:31:26,290

and they fell to the floor

1280

01:31:36,410 --> 01:31:28,510

until the floor

1281

01:31:42,830 --> 01:31:38,870

but how funny it was even interesting funny

1282

01:31:44,950 --> 01:31:42,840

how did the book fall

1283

01:31:47,330 --> 01:31:44,960

at the same time as the

1284

01:31:49,669 --> 01:31:47,340

event my wife who was

1285

01:31:57,050 --> 01:31:49,679

downstairs preparing the children's bottles

1286

01:32:01,550 --> 01:31:59,570

the same thing happened downstairs only

1287

01:32:04,430 --> 01:32:01,560

with a tray with cups and

1288

01:32:08,220 --> 01:32:04,440

cutlery they tray woman alone

1289

01:32:10,810 --> 01:32:08,230

downstairs the flag went flying

1290

01:32:15,890 --> 01:32:10,820

[Music]

1291

01:32:19,810 --> 01:32:15,900

through the kitchen and it fell a glass didn't break

1292

01:32:22,810 --> 01:32:19,820

that noise I saw that noise

1293

01:32:26,030 --> 01:32:22,820

and got up

1294

01:32:28,850 --> 01:32:26,040

before that I had even played when

1295

01:32:30,950 --> 01:32:28,860

it happened soon this daughter fell it was soon

1296

01:32:33,470 --> 01:32:30,960

after this thing happened downstairs I

1297

01:32:37,070 --> 01:32:33,480

even played I got the books I put them in their

1298

01:32:44,530 --> 01:32:37,080

place I arrived here at the place it's in the

1299

01:32:50,810 --> 01:32:47,050

this happened downstairs at my house

1300

01:32:52,370 --> 01:32:50,820

the flag flew and fell

1301

01:32:59,290 --> 01:32:52,380

because of the noise I thought it had

1302

01:33:03,770 --> 01:33:02,810

two floors I said I was going down that

1303

01:33:05,870 --> 01:33:03,780

she came up with her eyes

1304

01:33:07,010 --> 01:33:05,880

wide open then you don't stay

1305

01:33:11,330 --> 01:33:07,020

down there anymore I don't

1306

01:33:11,340 --> 01:33:18,850

she had no reason to leave

1307

01:33:28,450 --> 01:33:22,550

Every time she flew away and ended up in the

1308

01:33:35,030 --> 01:33:31,850

I don't understand let's have the tray and I put it

1309

01:33:36,970 --> 01:33:35,040

in its place then I took a glass of water ok

1310

01:33:40,689 --> 01:33:39,770

soon after the two or three days

1311

01:33:43,490 --> 01:33:40,699

later

1312

01:33:49,370 --> 01:33:43,500

I was

1313

01:33:59,870 --> 01:33:49,380

was doing a kind of

1314

01:34:05,689 --> 01:34:02,090

it was around midnight

1315

01:34:07,610 --> 01:34:05,699

I was lying down my wife

1316

01:34:11,050 --> 01:34:07,620

next to me on the bed and I was lying on my

1317

01:34:13,810 --> 01:34:12,250

sudden

1318

01:34:16,070 --> 01:34:13,820

[Music]

1319

01:34:19,129 --> 01:34:16,080

in my room

1320

01:34:22,189 --> 01:34:19,139

a flash very strong

1321

01:34:24,729 --> 01:34:22,199

very strong I crack as if

1322

01:34:27,350 --> 01:34:24,739

something like that had happened to

1323

01:34:29,510 --> 01:34:27,360

that box with a

1324

01:34:31,390 --> 01:34:29,520

circuit breaker as if it had asked for some

1325

01:34:34,970 --> 01:34:31,400

problem there old

1326

01:34:39,189 --> 01:34:34,980

very big very strong and at the same

1327

01:34:44,750 --> 01:34:43,010

I got scared you saw it

1328

01:34:48,470 --> 01:34:44,760

and

1329

01:34:50,209 --> 01:34:48,480

immediately after that there was someone behind

1330

01:34:52,189 --> 01:34:50,219

me hugging me until a

1331

01:34:54,129 --> 01:34:52,199

kind of weird situation the guy passing me from

1332

01:34:59,570 --> 01:34:54,139

behind I didn't like the story very much

1333

01:35:05,990 --> 01:35:03,189

it was a meter and a half more or less Like

1334

01:35:19,310 --> 01:35:06,000

dressed in clothes similar to this

1335

01:35:27,310 --> 01:35:22,669

the face doesn't live but it was gray lead gray

1336

01:35:27,320 --> 01:35:32,050

a machine

1337

01:35:38,270 --> 01:35:34,910

I was very scared

1338

01:35:40,910 --> 01:35:38,280

and that animal goes hugging me

1339

01:35:43,669 --> 01:35:40,920

hugged me squeezed me and spoke in my ear

1340

01:35:48,370 --> 01:35:43,679

in Portuguese

1341

01:35:50,229 --> 01:35:48,380

with the sound of today we even listen to

1342

01:36:01,629 --> 01:35:50,239

our

1343

01:36:01,639 --> 01:36:06,740

no harm

1344

01:36:06,750 --> 01:36:15,950

[Music]

1345

01:36:15,960 --> 01:36:21,669

I looked there is this short one

1346

01:36:27,649 --> 01:36:24,770

I was opposite her

1347

01:36:30,530 --> 01:36:27,659

right after that the other one is there and the

1348

01:36:30,540 --> 01:36:35,110

I was very scared everyone I

1349

01:36:40,010 --> 01:36:37,610

don't remember I don't remember that I

1350

01:36:44,510 --> 01:36:40,020

was after Could it be that I dreamed

1351

01:36:58,450 --> 01:36:44,520

Was it but twice I was

1352

01:37:06,709 --> 01:37:02,290

the next day it happened again

1353

01:37:08,870 --> 01:37:06,719

the next day I was the role

1354

01:37:11,390 --> 01:37:08,880

my wife always closed the gate of the

1355

01:37:15,290 --> 01:37:11,400

house because of the dogs for the

1356

01:37:18,290 --> 01:37:15,300

children I went out with the car in reverse

1357

01:37:20,090 --> 01:37:18,300

when I I left she closed the gate if

1358

01:37:21,729 --> 01:37:20,100

she accompanied me until the car got in the

1359

01:37:26,470 --> 01:37:21,739

car

1360

01:37:29,209 --> 01:37:26,480

I

1361

01:37:31,010 --> 01:37:29,219

had at that time

1362

01:37:34,490 --> 01:37:31,020

there is a legislative fact this car

1363

01:37:38,590 --> 01:37:34,500

again I had a navy blue Alfa Romeo

1364

01:37:42,770 --> 01:37:38,600

I went to put the key in the car because

1365

01:37:44,330 --> 01:37:42,780

of the driver's door when I got

1366

01:37:45,950 --> 01:37:44,340

close to the door the door on the other side

1367

01:37:47,570 --> 01:37:45,960

opened and my wife was watching she

1368

01:37:50,209 --> 01:37:47,580

was scared the door on the other side

1369

01:37:54,669 --> 01:37:50,219

opened by itself I hadn't touched the

1370

01:37:54,679 --> 01:37:59,410

the door on the other side opened

1371

01:39:09,890 --> 01:38:01,669

my wife was looking,

1372

01:39:09,900 --> 01:39:14,050

[Music]

1373

01:39:14,060 --> 01:39:19,270

and all around it Pink

1374

01:39:19,280 --> 01:39:33,729

right from 77 it

1375

01:39:39,610 --> 01:39:35,770

wasn't curiosity

1376

01:39:42,110 --> 01:39:39,620

I pressed that point

1377

01:41:03,100 --> 01:39:42,120

when I pressed it seems like the traffic here

1378

01:41:03,110 --> 01:41:08,350

[Music]

1379

01:41:13,610 --> 01:41:10,250

later I talked to one friend of my

1380

01:41:15,729 --> 01:41:13,620

doctor I showed him we

1381

01:41:22,990 --> 01:41:15,739

went to the hospital they

1382

01:41:28,189 --> 01:41:25,430

São Paulo I talked to Rafael without a

1383

01:41:31,149 --> 01:41:28,199

fart there Rafael had half of

1384

01:41:31,159 --> 01:41:35,290

their apartment

1385

01:41:41,390 --> 01:41:38,149

he arrived and just took a tiny

1386

01:41:42,830 --> 01:41:41,400

little compass that he had let me take

1387

01:41:49,570 --> 01:41:42,840

a look here when he put it the

1388

01:41:49,580 --> 01:42:09,250

he arrived he put on he smokes punishment

1389

01:42:16,790 --> 01:42:12,669

adding That's it there is a drug dealer I

1390

01:42:18,530 --> 01:42:16,800

talked to the doctor Good night do the

1391

01:42:22,370 --> 01:42:18,540

radiological research that there nothing shows up

1392

01:42:25,790 --> 01:42:22,380

there I talked to

1393

01:42:28,790 --> 01:42:25,800

Rafael I'm going to have the skin opened here and

1394

01:42:32,229 --> 01:42:28,800

see what it is boy if i were you i would

1395

01:42:32,239 --> 01:42:46,450

bother you no i've already done different

1396

01:42:53,090 --> 01:42:50,810

research like determination like the

1397

01:42:54,770 --> 01:42:53,100

program no i don't believe there's no

1398

01:42:58,070 --> 01:42:54,780

information about it first i

1399

01:43:00,530 --> 01:42:58,080

'm out i'm in the reserve there's very

1400

01:43:01,810 --> 01:43:00,540

little contact to not be financed by the

1401

01:43:05,570 --> 01:43:01,820

aeronautical ministry

1402

01:43:10,070 --> 01:43:05,580

there is friends there but I never heard

1403

01:43:13,129 --> 01:43:10,080

about it that there was a program

1404

01:43:14,870 --> 01:43:13,139

an eventuality occurred an event the

1405

01:43:17,810 --> 01:43:14,880

Ministry will investigate

1406

01:43:19,330 --> 01:43:17,820

how it investigated the case of 05 those who

1407

01:43:22,310 --> 01:43:19,340

left

1408

01:43:27,490 --> 01:43:22,320

but with the program I

1409

01:43:31,609 --> 01:43:29,930

of the Brazilian government of research

1410

01:43:33,890 --> 01:43:31,619

my personal opinion I think that yes if I

1411

01:43:36,290 --> 01:43:33,900

were a Commander if I were a Commander on

1412

01:43:37,990 --> 01:43:36,300

your Brazilian vacation I would do it that way

1413

01:43:41,870 --> 01:43:38,000

I already have

1414

01:43:46,450 --> 01:43:41,880

my personal reasons But even if we

1415

01:43:46,460 --> 01:43:53,709

it was made of the operation of the document I

1416

01:44:00,910 --> 01:43:55,790

was not aware of any

1417

01:44:14,530 --> 01:44:03,229

were the photographs contained in the

1418

01:44:22,510 --> 01:44:16,990

But you won't have anything about it

1419

01:44:28,430 --> 01:44:25,330

here it

1420

01:44:32,169 --> 01:44:28,440

means it's kept but you won't have

1421

01:44:48,690 --> 01:44:35,320

movies The four sons

1422

01:45:24,109 --> 01:45:04,570

[Music]

1423

01:45:30,410 --> 01:45:26,709

I've always had a lot of respect

1424

01:45:33,350 --> 01:45:30,420

for the air force and for my service I

1425

01:45:35,629 --> 01:45:33,360

never would that happen

1426

01:45:38,149 --> 01:45:35,639

I kept quiet 20 years I

1427

01:45:42,050 --> 01:45:38,159

was consulted I was contacted several

1428

01:45:44,270 --> 01:45:42,060

times and asked to make the

1429

01:45:45,950 --> 01:45:44,280

declaration yourself you asked me I

1430

01:45:49,430 --> 01:45:45,960

can't talk oh no today I'm in the

1431

01:45:50,870 --> 01:45:49,440

reserve and for the military they remain

1432

01:45:53,030 --> 01:45:50,880

the air force that knows that these

1433

01:45:56,870 --> 01:45:53,040

documents exist and that the population has the

1434

01:45:58,850 --> 01:45:56,880

right to know them I think these

1435

01:46:00,410 --> 01:45:58,860

documents should be released to the

1436

01:46:03,050 --> 01:46:00,420

public that's a

1437

01:46:06,790 --> 01:46:03,060

command decision I think

1438

01:46:12,770 --> 01:46:10,490

opens up if I say right away there are

1439

01:46:13,910 --> 01:46:12,780

other questions the Ministry of

1440

01:46:16,490 --> 01:46:13,920

Aeronautics the Brazilian government has no

1441

01:46:19,669 --> 01:46:16,500

answer

1442

01:46:19,679 --> 01:46:24,430

Once I was watching

1443

01:46:31,970 --> 01:46:28,250

this thing in Maracanã for everyone to

1444

01:46:36,310 --> 01:46:31,980

see if a case of these people happened nothing

1445

01:46:41,750 --> 01:46:38,270

I believe is that in the

1446

01:46:43,370 --> 01:46:41,760

very near future and I can even be one a

1447

01:46:46,609 --> 01:46:43,380

little more abused than I'm

1448

01:46:49,070 --> 01:46:46,619

telling you it's not enough for two years

1449

01:46:50,870 --> 01:46:49,080

this event will happen

1450

01:46:53,090 --> 01:46:50,880

within a year and a half to two years this

1451

01:46:54,430 --> 01:46:53,100
event will happen contact Claro

1452

01:46:57,109 --> 01:46:54,440
open

1453

01:46:59,810 --> 01:46:57,119
all televisions in the world CNN Globo

1454

01:47:06,189 --> 01:46:59,820
everyone watching this should happen

1455

01:47:11,090 --> 01:47:08,169
I was the

1456

01:47:15,870 --> 01:47:11,100
first thing that

1457

01:47:22,689 --> 01:47:15,880
arrived at the Minister to reach the public

1458

01:47:28,250 --> 01:47:26,450
is not authorized to speak there is no

1459

01:47:29,810 --> 01:47:28,260
credit from Porto Alegre that is the

1460

01:47:31,270 --> 01:47:29,820
subject I was in a very stupid situation

1461

01:47:38,350 --> 01:47:34,129
the captain is not authorized it has

1462

01:47:38,360 --> 01:47:42,229
I'm You
