

1
00:00:04,550 --> 00:00:02,570
I didn't know what was happening I was

2
00:00:06,170 --> 00:00:04,560
very young maybe five

3
00:00:08,270 --> 00:00:06,180
because I think I wasn't going to school

4
00:00:10,730 --> 00:00:08,280
yet and I would tell my mother about

5
00:00:13,129 --> 00:00:10,740
these three little white men that would

6
00:00:15,169 --> 00:00:13,139
come in the night and she said oh Mickey

7
00:00:17,090 --> 00:00:15,179
those are just ghosts you know that's

8
00:00:18,650 --> 00:00:17,100
silly you shouldn't those are just bad

9
00:00:20,510 --> 00:00:18,660
dreams don't pay any attention to it

10
00:00:24,230 --> 00:00:20,520
well these bad dreams kept coming back

11
00:00:26,870 --> 00:00:24,240
and doing things and one time I woke up

12
00:00:29,450 --> 00:00:26,880
instantly I just instantly woke up and I

13
00:00:32,210 --> 00:00:29,460

was in an immediate I was in an

14

00:00:35,389 --> 00:00:32,220

immediate state of panic

15

00:00:39,049 --> 00:00:35,399

and and I couldn't move I was like

16

00:00:41,510 --> 00:00:39,059

paralyzed and uh laying on my back which

17

00:00:43,670 --> 00:00:41,520

I usually don't lay in my back and it

18

00:00:45,770 --> 00:00:43,680

was dark it was nighttime and the only

19

00:00:48,110 --> 00:00:45,780

movement I had was my eyes and I could

20

00:00:50,150 --> 00:00:48,120

feel the tears and just going down like

21

00:00:51,590 --> 00:00:50,160

that on the sides of my face and there

22

00:00:54,170 --> 00:00:51,600

was those sweet little white men again

23

00:00:56,450 --> 00:00:54,180

and they were sort of like floating

24

00:00:58,430 --> 00:00:56,460

and they were thinking at one another

25

00:01:00,170 --> 00:00:58,440

they weren't talking so they were

26
00:01:01,729 --> 00:01:00,180
thinking at one another and they were

27
00:01:03,229 --> 00:01:01,739
discussing which one of my sisters

28
00:01:05,270 --> 00:01:03,239
because the four of us slept in the same

29
00:01:07,490 --> 00:01:05,280
bedroom which one of my four sisters

30
00:01:11,870 --> 00:01:07,500
they were gonna take this time

31
00:01:13,310 --> 00:01:11,880
uh besides me and the one that they were

32
00:01:15,890 --> 00:01:13,320
talking about mostly was my sister

33
00:01:17,750 --> 00:01:15,900
Georgia and she was I think under two

34
00:01:20,030 --> 00:01:17,760
years old at the time and they were very

35
00:01:22,010 --> 00:01:20,040
dubious about whether or not to take her

36
00:01:24,170 --> 00:01:22,020
because they said well we haven't taken

37
00:01:27,050 --> 00:01:24,180
anybody this young before now remember

38
00:01:29,570 --> 00:01:27,060

this was like in the early 50s that this

39

00:01:31,609 --> 00:01:29,580

was happening late 40s early 50s

40

00:01:34,130 --> 00:01:31,619

and they said they'd have to adjust

41

00:01:38,410 --> 00:01:34,140

their equipment to accommodate her and

42

00:01:40,490 --> 00:01:38,420

things like that and uh they were also

43

00:01:42,050 --> 00:01:40,500

discussing whether or not to take my

44

00:01:44,270 --> 00:01:42,060

sister Jamie because she was the second

45

00:01:46,370 --> 00:01:44,280

oldest and

46

00:01:48,730 --> 00:01:46,380

and I thought well I want to think at

47

00:01:50,810 --> 00:01:48,740

them not to take Jamie because Jamie's

48

00:01:52,550 --> 00:01:50,820

sensitive and she can't deal with this

49

00:01:54,350 --> 00:01:52,560

stuff so I sort of screamed at them in

50

00:01:57,770 --> 00:01:54,360

my mind and they just sort of turned

51
00:02:01,190 --> 00:01:57,780
around like in shock you know and they

52
00:02:03,230 --> 00:02:01,200
have a way of you know shutting you up a

53
00:02:06,109 --> 00:02:03,240
way of turning you off or turning off

54
00:02:07,670 --> 00:02:06,119
their perception of my thoughts which is

55
00:02:11,690 --> 00:02:07,680
what they did because they didn't like

56
00:02:13,670 --> 00:02:11,700
being shouted at like that and um so I

57
00:02:16,010 --> 00:02:13,680
sort of went to sleep or something I

58
00:02:18,229 --> 00:02:16,020
don't remember what happened after that

59
00:02:21,110 --> 00:02:18,239
the next thing I know is

60
00:02:24,850 --> 00:02:21,120
I was holding Georgia Anne's little hand

61
00:02:27,830 --> 00:02:24,860
and I was lying to her I was telling her

62
00:02:30,290 --> 00:02:27,840
uh don't worry Georgie and I'll protect

63
00:02:33,470 --> 00:02:30,300

you and I knew I was lying I couldn't

64

00:02:35,869 --> 00:02:33,480

protect her but the aliens make you say

65

00:02:38,270 --> 00:02:35,879

and do things that you do not

66

00:02:40,070 --> 00:02:38,280

do of your own volition they they make

67

00:02:42,949 --> 00:02:40,080

you do it

68

00:02:45,770 --> 00:02:42,959

even though you know it's not true or

69

00:02:47,449 --> 00:02:45,780

whatever they just control you

70

00:02:49,490 --> 00:02:47,459

and we just went out through the window

71

00:02:50,809 --> 00:02:49,500

through the through the screen we went

72

00:02:52,430 --> 00:02:50,819

out through the window we just learned

73

00:02:56,089 --> 00:02:52,440

we've been walking about one experience

74

00:02:58,309 --> 00:02:56,099

that I remember when I was 17 or 16 or

75

00:03:01,729 --> 00:02:58,319

17 I can't remember I was on a vacation

76

00:03:05,030 --> 00:03:01,739

up in Minnesota lilac Lake

77

00:03:06,890 --> 00:03:05,040

and I was there with my mother's mother

78

00:03:09,710 --> 00:03:06,900

and um

79

00:03:11,809 --> 00:03:09,720

at first I thought it was a

80

00:03:13,309 --> 00:03:11,819

all right this is what happened I don't

81

00:03:15,350 --> 00:03:13,319

understand it

82

00:03:17,630 --> 00:03:15,360

it was around midnight because it was so

83

00:03:19,910 --> 00:03:17,640

black and at night

84

00:03:21,649 --> 00:03:19,920

and there was no moon out and my

85

00:03:23,990 --> 00:03:21,659

grandmother and I

86

00:03:26,210 --> 00:03:24,000

walked down to the end of this wooden

87

00:03:27,890 --> 00:03:26,220

pier and there's a boat tied up there

88

00:03:29,690 --> 00:03:27,900

like it was waiting for us we didn't

89

00:03:31,790 --> 00:03:29,700

speak to one another it wasn't necessary

90

00:03:33,949 --> 00:03:31,800

we got into the boat

91

00:03:36,589 --> 00:03:33,959

now the crazy thing is I've never been

92

00:03:38,930 --> 00:03:36,599

in a row boat before in my life and my

93

00:03:41,030 --> 00:03:38,940

grandmother would not go in one during

94

00:03:43,009 --> 00:03:41,040

the day because she can't swim well

95

00:03:46,369 --> 00:03:43,019

neither could I at the time I got into

96

00:03:48,710 --> 00:03:46,379

this boat and I had never been in a row

97

00:03:50,809 --> 00:03:48,720

boat before in my life but I sat down

98

00:03:51,949 --> 00:03:50,819

and I thought well I guess I have to row

99

00:03:54,649 --> 00:03:51,959

it

100

00:03:56,990 --> 00:03:54,659

I felt this compulsion to row this boat

101
00:03:59,030 --> 00:03:57,000
out into the middle of the lake why

102
00:04:01,070 --> 00:03:59,040
there's nothing out there

103
00:04:03,350 --> 00:04:01,080
and my grandmother and I were sitting in

104
00:04:05,630 --> 00:04:03,360
the boat and this moonless night waiting

105
00:04:08,449 --> 00:04:05,640
for something to happen

106
00:04:10,490 --> 00:04:08,459
well I had an awareness that someone or

107
00:04:12,710 --> 00:04:10,500
something was watching us and as soon as

108
00:04:14,750 --> 00:04:12,720
they saw us kind of slipped into the

109
00:04:16,069 --> 00:04:14,760
water like it was an object that slipped

110
00:04:20,390 --> 00:04:16,079
into the water

111
00:04:22,250 --> 00:04:20,400
and what I saw was these three round

112
00:04:25,969 --> 00:04:22,260
discs in the water

113
00:04:28,010 --> 00:04:25,979

arranged in a pyramid type of shape and

114

00:04:29,330 --> 00:04:28,020

they were coming straight for us they

115

00:04:31,090 --> 00:04:29,340

were underneath the water and they were

116

00:04:33,650 --> 00:04:31,100

traveling under the water

117

00:04:38,510 --> 00:04:33,660

faster than what

118

00:04:40,850 --> 00:04:38,520

what in 1959 1960

119

00:04:43,850 --> 00:04:40,860

nothing could travel that fast under the

120

00:04:47,090 --> 00:04:43,860

water at that time that was man-made and

121

00:04:49,310 --> 00:04:47,100

yet these three glowing lime green orbs

122

00:04:52,670 --> 00:04:49,320

were coming at us and in front of it was

123

00:04:54,830 --> 00:04:52,680

this big round structure this big round

124

00:04:57,110 --> 00:04:54,840

metallic structure that was dark like

125

00:05:01,670 --> 00:04:57,120

the water and it slipped in the water

126

00:05:03,409 --> 00:05:01,680

came straight for us well after

127

00:05:05,570 --> 00:05:03,419

something happened

128

00:05:07,310 --> 00:05:05,580

like there's a break in a sequence like

129

00:05:08,990 --> 00:05:07,320

if you're watching TV and you turn it

130

00:05:10,610 --> 00:05:09,000

off and then you oops you turn it back

131

00:05:12,290 --> 00:05:10,620

on there's a little break

132

00:05:15,409 --> 00:05:12,300

there's like a break

133

00:05:19,189 --> 00:05:15,419

and um this thing comes out of the water

134

00:05:21,650 --> 00:05:19,199

this round object I turn my head away I

135

00:05:24,350 --> 00:05:21,660

don't know why I just turn it away thing

136

00:05:25,790 --> 00:05:24,360

comes out makes no noise and then it's

137

00:05:27,830 --> 00:05:25,800

gone

138

00:05:30,409 --> 00:05:27,840

and I was

139

00:05:33,230 --> 00:05:30,419

I was sweating a lot and my clothes were

140

00:05:35,930 --> 00:05:33,240

twisted and I thought

141

00:05:38,390 --> 00:05:35,940

I'm Different somehow

142

00:05:40,850 --> 00:05:38,400

I'm different and I think what happened

143

00:05:44,090 --> 00:05:40,860

as I think back is either I was

144

00:05:46,730 --> 00:05:44,100

impregnated at that time again or I Was

145

00:05:48,650 --> 00:05:46,740

Defeated was gone

146

00:05:50,450 --> 00:05:48,660

but I really think that was during the

147

00:05:52,490 --> 00:05:50,460

time I was impregnated

148

00:05:55,670 --> 00:05:52,500

one of the times

149

00:05:58,550 --> 00:05:55,680

and then we must have rode back to the

150

00:06:00,710 --> 00:05:58,560

little wooden Pier tied up the boat and

151

00:06:03,590 --> 00:06:00,720

then all I can remember is the next

152

00:06:04,430 --> 00:06:03,600

morning it was so early I looked at the

153

00:06:10,070 --> 00:06:04,440

lake

154

00:06:12,170 --> 00:06:10,080

glass and my aunt teased me and my

155

00:06:14,450 --> 00:06:12,180

grandmother for the next two weeks you

156

00:06:16,010 --> 00:06:14,460

know about our midnight boat ride

157

00:06:17,689 --> 00:06:16,020

otherwise I would have thought well

158

00:06:21,409 --> 00:06:17,699

maybe it was a dream

159

00:06:23,629 --> 00:06:21,419

she kept teasing us about it constantly

160

00:06:25,790 --> 00:06:23,639

so it was not a dream until the day she

161

00:06:26,749 --> 00:06:25,800

died we never talked about it I wish we

162

00:06:28,610 --> 00:06:26,759

had

163

00:06:30,170 --> 00:06:28,620

sure because I think it would have been

164

00:06:33,230 --> 00:06:30,180

interesting to see how there was a

165

00:06:35,330 --> 00:06:33,240

connection from Grandmother to mother

166

00:06:38,629 --> 00:06:35,340

who has lost several babies where did

167

00:06:40,610 --> 00:06:38,639

they go to me who has had

168

00:06:42,770 --> 00:06:40,620

all these different pregnancies now to

169

00:06:45,170 --> 00:06:42,780

my daughter who is an adult

170

00:06:48,830 --> 00:06:45,180

and my grandson now he's

171

00:06:51,950 --> 00:06:48,840

almost three he's having nosebleeds and

172

00:06:55,490 --> 00:06:51,960

that to me is a tragic part that these

173

00:06:57,529 --> 00:06:55,500

alien cultures attack children children

174

00:06:59,990 --> 00:06:57,539

it's bad enough they do this to adults

175

00:07:01,010 --> 00:07:00,000

but when they attack your child what can

176

00:07:02,930 --> 00:07:01,020

you do

177

00:07:04,850 --> 00:07:02,940

you can't even protect yourself how are

178

00:07:08,210 --> 00:07:04,860

you going to protect your child how are

179

00:07:13,610 --> 00:07:10,610

you know are we really

180

00:07:16,189 --> 00:07:13,620

conquered people

181

00:07:17,990 --> 00:07:16,199

I don't want to believe that I don't

182

00:07:20,809 --> 00:07:18,000

want to believe that there's a big

183

00:07:22,629 --> 00:07:20,819

connection between humans and aliens and

184

00:07:25,670 --> 00:07:22,639

it's a very physical type of connection

185

00:07:28,309 --> 00:07:25,680

and for humans it's a very emotional

186

00:07:30,830 --> 00:07:28,319

type of connection avians don't have

187

00:07:32,749 --> 00:07:30,840

that same type of emotionality that

188

00:07:33,770 --> 00:07:32,759

humans have they don't understand it

189

00:07:37,670 --> 00:07:33,780

they don't

190

00:07:40,969 --> 00:07:37,680

uh to them our emotionality makes us

191

00:07:42,650 --> 00:07:40,979

very unpredictable they don't know why

192

00:07:45,710 --> 00:07:42,660

we are so attached to these little

193

00:07:48,050 --> 00:07:45,720

babies they said why why bother because

194

00:07:50,390 --> 00:07:48,060

look at all the babies that are aborted

195

00:07:54,170 --> 00:07:50,400

you know so why is there this attachment

196

00:07:56,749 --> 00:07:54,180

well if humankind has been genetically

197

00:07:59,150 --> 00:07:56,759

manipulated then it may have been I mean

198

00:08:00,409 --> 00:07:59,160

I I don't know it may really have been

199

00:08:02,930 --> 00:08:00,419

manipulated

200

00:08:05,570 --> 00:08:02,940

there's one thing that makes us

201
00:08:08,029 --> 00:08:05,580
special or unique and that is our

202
00:08:10,189 --> 00:08:08,039
spirituality because that goes beyond

203
00:08:13,189 --> 00:08:10,199
our our physical self

204
00:08:16,490 --> 00:08:13,199
and that's something that is

205
00:08:18,350 --> 00:08:16,500
elevating it elevates humankind and

206
00:08:20,450 --> 00:08:18,360
that's something that the aliens have a

207
00:08:23,150 --> 00:08:20,460
lot of trouble dealing with that's the

208
00:08:25,909 --> 00:08:23,160
thing that sort of makes us um

209
00:08:29,450 --> 00:08:25,919
not slaves it makes us something a
