

Alfredo Carrillo
22 MAYO 09

Pedro Hernández
22 MAYO 09

1
00:00:05,030 --> 00:00:02,090
we have a second Witness

2
00:00:08,210 --> 00:00:05,040
with a video camera recording the same

3
00:00:09,410 --> 00:00:08,220
event in the other side that's against

4
00:00:12,410 --> 00:00:09,420
the Sun

5
00:00:15,350 --> 00:00:12,420
because of that you will see the same

6
00:00:18,470 --> 00:00:15,360
object with two different colors first

7
00:00:20,630 --> 00:00:18,480
please watch it carefully

8
00:00:23,810 --> 00:00:20,640
this is the video recorded by Pedro

9
00:00:26,689 --> 00:00:23,820
Hernandez a little bit after five

10
00:00:33,770 --> 00:00:26,699
o'clock the 22nd of May

11
00:00:38,690 --> 00:00:36,170
look in the center how

12
00:00:41,650 --> 00:00:38,700
the big UFO is spinning

13
00:00:44,090 --> 00:00:41,660

and at the same time releasing two rows

14

00:00:49,330 --> 00:00:44,100
of spheres

15

00:00:51,290 --> 00:00:49,340
so the Spheres

16

00:00:52,790 --> 00:00:51,300
went away

17

00:00:58,670 --> 00:00:52,800
and then

18

00:01:03,349 --> 00:01:00,170
but wait

19

00:01:07,130 --> 00:01:03,359
wait to see what happened next

20

00:01:08,510 --> 00:01:07,140
then four spheres for little Spears come

21

00:01:15,289 --> 00:01:08,520
around

22

00:01:19,550 --> 00:01:15,299
like recognizing the mother

23

00:01:20,990 --> 00:01:19,560
and going now away as they come back and

24

00:01:23,450 --> 00:01:21,000
they create

25

00:01:26,270 --> 00:01:23,460
what we call Fleet

26
00:01:28,609 --> 00:01:26,280
probably this is a very important video

27
00:01:33,950 --> 00:01:28,619
because For the First Time

28
00:01:36,469 --> 00:01:33,960
we now know how these spirits come

29
00:01:38,090 --> 00:01:36,479
this is the second video by Alfredo

30
00:01:39,850 --> 00:01:38,100
Carrillo

31
00:01:44,870 --> 00:01:39,860
look

32
00:01:44,880 --> 00:01:49,490
you see is

33
00:01:54,649 --> 00:01:51,830
he is but it's exactly the same we have

34
00:01:56,870 --> 00:01:54,659
been able to to see every detail and you

35
00:01:59,569 --> 00:01:56,880
can see how they look intelligent

36
00:02:00,530 --> 00:01:59,579
they're not just going away they are in

37
00:02:02,990 --> 00:02:00,540
a line

38
00:02:04,850 --> 00:02:03,000

the object now is speeding up and

39

00:02:07,550 --> 00:02:04,860

slowing down

40

00:02:11,270 --> 00:02:07,560

this is a comparison comparison of both

41

00:02:15,589 --> 00:02:13,369

do you like it

42

00:02:17,210 --> 00:02:15,599

well this is something let me tell you

43

00:02:21,410 --> 00:02:17,220

huh

44

00:02:26,690 --> 00:02:24,890

and even even now look you cannot almost

45

00:02:28,910 --> 00:02:26,700

see it but the Spheres the little black

46

00:02:32,150 --> 00:02:28,920

spheres are around as the other ones are

47

00:02:34,729 --> 00:02:32,160

here it's just the same moment

48

00:02:37,070 --> 00:02:34,739

because many people want to say oh that

49

00:02:39,830 --> 00:02:37,080

was created with a computer but then

50

00:02:42,890 --> 00:02:39,840

fortunately we have the second witness

51

00:02:45,170 --> 00:02:42,900

we have the name of both we know where

52

00:02:46,910 --> 00:02:45,180

they were we went there
