

1
00:00:07,970 --> 00:00:04,269
and recording next a discussion with Mr

2
00:00:09,950 --> 00:00:07,980
Andrew Greenwood uh in connection with

3
00:00:11,750 --> 00:00:09,960
the West all sighting

4
00:00:13,209 --> 00:00:11,760
so we'll just uh if you don't want to

5
00:00:15,350 --> 00:00:13,219
sit down here

6
00:00:16,849 --> 00:00:15,360
I need a little bit more light that's a

7
00:00:19,570 --> 00:00:16,859
heck of a chair but I guess we can sort

8
00:00:22,670 --> 00:00:19,580
of right in here please

9
00:00:25,670 --> 00:00:22,680
I've read some of the material that uh

10
00:00:42,590 --> 00:00:25,680
Paul and Peter sent me so I know a bit

11
00:00:42,600 --> 00:00:48,410
thank you

12
00:00:54,350 --> 00:00:51,229
and where uh where is Weston uh West all

13
00:00:57,350 --> 00:00:54,360

is situated between Springvale and

14

00:00:58,790 --> 00:00:57,360

Clayton one of these places it's just at

15

00:01:01,630 --> 00:00:58,800

a high school a couple of shops at the

16

00:01:05,649 --> 00:01:04,130

and what what's the name of this is the

17

00:01:15,410 --> 00:01:05,659

West

18

00:01:19,910 --> 00:01:18,130

how did the whole thing unfold

19

00:01:23,870 --> 00:01:19,920

the sequence right from the beginning

20

00:01:25,130 --> 00:01:23,880

yeah well we're running back now it's uh

21

00:01:27,950 --> 00:01:25,140

I think the first thing I heard of it

22

00:01:31,190 --> 00:01:27,960

was I was teaching

23

00:01:33,410 --> 00:01:31,200

most unusual or another child is to run

24

00:01:34,910 --> 00:01:33,420

into the class without warning that's

25

00:01:37,190 --> 00:01:34,920

what happened

26
00:01:39,770 --> 00:01:37,200
girl raced in and he said she went with

27
00:01:41,149 --> 00:01:39,780
quick quick Flying Saucer outside Etc

28
00:01:43,969 --> 00:01:41,159
and

29
00:01:45,530 --> 00:01:43,979
all right got rid of her because I need

30
00:01:47,450 --> 00:01:45,540
to leave my class or anything oh you

31
00:01:50,510 --> 00:01:47,460
were in the middle class teaching a

32
00:01:52,270 --> 00:01:50,520
class yes oh she broke into this year it

33
00:01:55,929 --> 00:01:52,280
is

34
00:01:57,550 --> 00:01:55,939
normally do that too either

35
00:02:00,289 --> 00:01:57,560
no

36
00:02:06,730 --> 00:02:00,299
but she left and I was about to process

37
00:02:12,290 --> 00:02:09,889
will I wander out and have a look at she

38
00:02:13,670 --> 00:02:12,300

was the type that I thought well she's a

39

00:02:14,809 --> 00:02:13,680

defensible type of little girl and I

40

00:02:16,670 --> 00:02:14,819

thought

41

00:02:19,250 --> 00:02:16,680

I didn't really pay any attention to her

42

00:02:20,809 --> 00:02:19,260

but I'd want her out anyway and I went

43

00:02:23,210 --> 00:02:20,819

out and there must have been

44

00:02:24,670 --> 00:02:23,220

more than half the school about 300

45

00:02:28,190 --> 00:02:24,680

approximately

46

00:02:31,670 --> 00:02:28,200

boys and girls after school on the oval

47

00:02:33,850 --> 00:02:31,680

which is the buildings excuse me half of

48

00:02:37,190 --> 00:02:33,860

the half of the school amounts to 300 or

49

00:02:39,050 --> 00:02:37,200

300. approximately five six hundred in

50

00:02:50,770 --> 00:02:39,060

school

51

00:02:50,780 --> 00:02:54,770

face yourself

52

00:02:58,130 --> 00:02:56,630

and the object was still Airborne then

53

00:02:59,869 --> 00:02:58,140

oh yes yes

54

00:03:02,750 --> 00:02:59,879

but I never showed any states that it

55

00:03:07,130 --> 00:03:05,030

although some of the children say that

56

00:03:09,890 --> 00:03:07,140

they saw it played a bit I'll get the

57

00:03:13,250 --> 00:03:09,900

letters there

58

00:03:17,270 --> 00:03:15,110

well I think the first thing I can say

59

00:03:18,770 --> 00:03:17,280

is I reserved it the object that

60

00:03:21,470 --> 00:03:18,780

everyone was looking at it took me a

61

00:03:25,009 --> 00:03:21,480

while to see it at gray against the uh

62

00:03:27,470 --> 00:03:25,019

coming onto Autumn blue gray sky I

63

00:03:30,790 --> 00:03:27,480

couldn't see it immediately see what I'm

64

00:03:32,809 --> 00:03:30,800

saying it's there he blames us

65

00:03:35,390 --> 00:03:32,819

I finally picked up what they were

66

00:03:38,149 --> 00:03:35,400

looking at it was quite small in science

67

00:03:40,250 --> 00:03:38,159

it was well when I said well the only

68

00:03:42,350 --> 00:03:40,260

thing I've got to compare it against is

69

00:03:45,830 --> 00:03:42,360

later on there were some small aircraft

70

00:03:47,809 --> 00:03:45,840

Cessna size aircraft it was

71

00:03:51,970 --> 00:03:47,819

approximately two-thirds the length of

72

00:03:55,130 --> 00:03:51,980

one of those how far away were they yeah

73

00:03:56,690 --> 00:03:55,140

now they were about oh when when they

74

00:03:58,910 --> 00:03:56,700

were there when they were there it was

75

00:04:01,030 --> 00:03:58,920

they were sort of circling it they were

76

00:04:05,990 --> 00:04:01,040

oh they're not the answer signs

77

00:04:06,000 --> 00:04:10,270

of they have to purge

78

00:04:15,649 --> 00:04:13,670

so that's one of these land aircraft

79

00:04:19,670 --> 00:04:15,659

okay

80

00:04:22,310 --> 00:04:19,680

now it was just any stage to me

81

00:04:25,129 --> 00:04:22,320

and cigar shape

82

00:04:27,890 --> 00:04:25,139

cylindrical cigar shape except on

83

00:04:30,230 --> 00:04:27,900

occasions it appeared to bulge in the

84

00:04:34,370 --> 00:04:30,240

middle it's changing

85

00:04:36,530 --> 00:04:34,380

yes chained in this the best way I can

86

00:04:39,409 --> 00:04:36,540

describe this holder I might say Source

87

00:04:41,390 --> 00:04:39,419

I play I was played on edge and it looks

88

00:04:43,670 --> 00:04:41,400

straight across tip it slightly and you

89

00:04:45,650 --> 00:04:43,680

see it falls around the middle that type

90

00:04:46,930 --> 00:04:45,660

of effect I can't say that's what was

91

00:04:49,969 --> 00:04:46,940

happening

92

00:04:51,650 --> 00:04:49,979

it appeared to be you didn't have a

93

00:04:53,810 --> 00:04:51,660

distinct impression of whether that was

94

00:04:55,249 --> 00:04:53,820

the college I didn't know whether that

95

00:04:58,150 --> 00:04:55,259

was a cause or whether something whether

96

00:05:01,909 --> 00:04:58,160

it actually was bulging in the middle

97

00:05:04,189 --> 00:05:01,919

okay that's what it looked like

98

00:05:07,730 --> 00:05:04,199

right how far away do you think it was

99

00:05:11,270 --> 00:05:09,770

I don't know I've ever given a distance

100

00:05:12,469 --> 00:05:11,280

before just so that's probably more

101
00:05:14,510 --> 00:05:12,479
accurate than anything I can think of

102
00:05:17,990 --> 00:05:14,520
now

103
00:05:19,969 --> 00:05:18,000
all I can say is that they were when I

104
00:05:23,029 --> 00:05:19,979
was standing it was about

105
00:05:24,830 --> 00:05:23,039
300 yards of Thailand

106
00:05:27,950 --> 00:05:24,840
so about

107
00:05:34,070 --> 00:05:27,960
all going on for a thousand yards

108
00:05:38,870 --> 00:05:36,370
more than a half maybe half a mile

109
00:05:41,990 --> 00:05:38,880
that would be when it was at its

110
00:05:44,570 --> 00:05:42,000
furthest distance from us

111
00:05:51,070 --> 00:05:44,580
okay the closest thing would have been I

112
00:05:55,909 --> 00:05:53,450
showing you uh you saw it there was a

113
00:05:58,909 --> 00:05:55,919

hovering motionless well it did several

114

00:06:01,790 --> 00:05:58,919

things it did hover at different times

115

00:06:03,290 --> 00:06:01,800

it seemed to be able to accelerate and

116

00:06:05,570 --> 00:06:03,300

disappear out of sight and then someone

117

00:06:09,110 --> 00:06:05,580

will see it over in another part of the

118

00:06:11,210 --> 00:06:09,120

sky through an apple I suppose some of

119

00:06:12,290 --> 00:06:11,220

the 30 degrees away from us in other

120

00:06:14,110 --> 00:06:12,300

words it moved considerable distance

121

00:06:18,950 --> 00:06:14,120

very rapidly

122

00:06:23,570 --> 00:06:22,430

as I've mentioned came towards us not

123

00:06:25,790 --> 00:06:23,580

that we could see it actually coming

124

00:06:27,790 --> 00:06:25,800

towards us but we can see that it was

125

00:06:30,830 --> 00:06:27,800

closer now than it was before

126
00:06:32,290 --> 00:06:30,840
it did Harbor as I mentioned go up and

127
00:06:35,450 --> 00:06:32,300
down

128
00:06:38,510 --> 00:06:35,460
when it could move slowly

129
00:06:41,809 --> 00:06:38,520
but generally it seemed to hover or move

130
00:06:50,990 --> 00:06:41,819
really fast we did see it moving across

131
00:06:55,610 --> 00:06:53,330
and the next thing we noticed was the

132
00:06:58,490 --> 00:06:55,620
presence of one of these blank planes I

133
00:07:02,029 --> 00:07:00,830
one of the I like playing

134
00:07:03,950 --> 00:07:02,039
which

135
00:07:05,510 --> 00:07:03,960
approached it

136
00:07:07,670 --> 00:07:05,520
and then

137
00:07:09,409 --> 00:07:07,680
try and move around with the object

138
00:07:12,170 --> 00:07:09,419

moved over to another part of the sky

139

00:07:14,629 --> 00:07:12,180

very rapidly playing quality over move

140

00:07:18,370 --> 00:07:14,639

back again we changed we're playing over

141

00:07:24,409 --> 00:07:21,409

then more than one of flames more than

142

00:07:25,909 --> 00:07:24,419

one plane arrived so at the end there

143

00:07:28,610 --> 00:07:25,919

were five planes there

144

00:07:30,589 --> 00:07:28,620

although as you probably heard maravan

145

00:07:33,050 --> 00:07:30,599

Airport tonight the

146

00:07:34,249 --> 00:07:33,060

presence of any plants they absolutely

147

00:07:36,710 --> 00:07:34,259

denied there are any planes in the air

148

00:07:39,589 --> 00:07:36,720

which is that the only possible airport

149

00:07:42,950 --> 00:07:39,599

moorabbin airport I think that it could

150

00:07:45,290 --> 00:07:42,960

be Moravian is very close it will be

151

00:07:48,770 --> 00:07:45,300

oh four or five miles away

152

00:07:50,689 --> 00:07:48,780

and the next one where any particularly

153

00:07:52,490 --> 00:07:50,699

five aircraft I mean obviously one black

154

00:07:55,010 --> 00:07:52,500

might take off from his back static or

155

00:07:57,830 --> 00:07:55,020

something but uh not five

156

00:08:00,830 --> 00:07:57,840

and I I really think it's the only FF

157

00:08:03,529 --> 00:08:00,840

airport that could be considered

158

00:08:06,529 --> 00:08:03,539

and you haven't a clue as to why this uh

159

00:08:08,450 --> 00:08:06,539

why they would deny uh particularly it's

160

00:08:10,490 --> 00:08:08,460

rather silly they would deny it and that

161

00:08:12,350 --> 00:08:10,500

if you ever go out near moorabbin there

162

00:08:14,749 --> 00:08:12,360

is never one spot during the day I drive

163

00:08:16,390 --> 00:08:14,759

past there several times a day and going

164

00:08:18,469 --> 00:08:16,400

back and forth between the two schools

165

00:08:20,570 --> 00:08:18,479

uh and different school now I'm

166

00:08:22,189 --> 00:08:20,580

attainable college and

167

00:08:23,930 --> 00:08:22,199

there is never a time when there's not

168

00:08:25,490 --> 00:08:23,940

planes taking off and coming in

169

00:08:26,689 --> 00:08:25,500

so I think it was rather a silly

170

00:08:28,129 --> 00:08:26,699

statement for them to make but at that

171

00:08:29,650 --> 00:08:28,139

particular time there were no planes in

172

00:08:32,329 --> 00:08:29,660

the sky

173

00:08:34,670 --> 00:08:32,339

which of course it could be

174

00:08:36,290 --> 00:08:34,680

and that's that's it just stands in that

175

00:08:40,370 --> 00:08:36,300

status now that there's no further

176

00:08:41,870 --> 00:08:40,380

verification of those planes no they

177

00:08:49,690 --> 00:08:41,880

absolutely deny that there were no

178

00:08:55,389 --> 00:08:52,850

at one stage disappeared behind a tall

179

00:08:58,070 --> 00:08:55,399

row of pine trees

180

00:09:00,769 --> 00:08:58,080

and from we would it would appear that

181

00:09:03,710 --> 00:09:00,779

it went behind and reasonably close to

182

00:09:05,630 --> 00:09:03,720

these pine trees

183

00:09:10,430 --> 00:09:05,640

now I'm just trying to think I suppose

184

00:09:15,170 --> 00:09:12,290

approximately 600 yards from where we

185

00:09:22,430 --> 00:09:16,370

and

186

00:09:24,710 --> 00:09:22,440

vicinity

187

00:09:26,630 --> 00:09:24,720

to have a look and see if we can see

188

00:09:27,829 --> 00:09:26,640

lots of the kids of course left the

189

00:09:30,110 --> 00:09:27,839

fence

190

00:09:33,350 --> 00:09:30,120

which they were really reveal that for

191

00:09:35,690 --> 00:09:33,360

the Headmaster but we uh we went to we

192

00:09:37,070 --> 00:09:35,700

decided to see what we could find there

193

00:09:40,310 --> 00:09:37,080

were reports

194

00:09:42,710 --> 00:09:40,320

from the several groups of the children

195

00:09:45,470 --> 00:09:42,720

later on they've seen one of these

196

00:09:47,509 --> 00:09:45,480

typical Mists

197

00:09:49,850 --> 00:09:47,519

advocacy one myself

198

00:09:53,329 --> 00:09:49,860

it would be the perfect area to see one

199

00:09:55,190 --> 00:09:53,339

in lots of Long Grass

200

00:09:57,970 --> 00:09:55,200

I didn't see one myself although I

201
00:10:01,310 --> 00:09:57,980
looked around quite a while

202
00:10:03,590 --> 00:10:01,320
the aircraft came we had the aircraft in

203
00:10:06,190 --> 00:10:03,600
there but did it

204
00:10:08,509 --> 00:10:06,200
when that process go on for many minutes

205
00:10:09,889 --> 00:10:08,519
well I suppose if we count for 10

206
00:10:11,810 --> 00:10:09,899
minutes we might have to stress it was

207
00:10:13,490 --> 00:10:11,820
first seen as I said by this group of

208
00:10:15,230 --> 00:10:13,500
girls at a phys ed class who are on the

209
00:10:17,630 --> 00:10:15,240
over now of course it could have been

210
00:10:19,090 --> 00:10:17,640
there before they noticed it as I say I

211
00:10:22,009 --> 00:10:19,100
couldn't even notice myself

212
00:10:24,170 --> 00:10:22,019
so it was until you it's one of these

213
00:10:26,590 --> 00:10:24,180

things that once you see it then you go

214

00:10:30,350 --> 00:10:26,600

on seeing it you know what I mean but

215

00:10:33,290 --> 00:10:30,360

they're hard to pick up I think it was

216

00:10:36,290 --> 00:10:33,300

just the Silvery color against the sky

217

00:10:40,730 --> 00:10:36,300

and then after you shot how long was it

218

00:10:42,050 --> 00:10:40,740

in Saint now 10 minutes there and it

219

00:10:46,690 --> 00:10:42,060

disappeared

220

00:10:49,970 --> 00:10:48,769

now it went at the end of that 25

221

00:10:52,370 --> 00:10:49,980

minutes but it could have been there

222

00:10:59,329 --> 00:10:55,009

these are all these figures of course

223

00:11:01,610 --> 00:10:59,339

yeah I'm not sure exactly and why did

224

00:11:05,690 --> 00:11:01,620

they disappear well this is one thing we

225

00:11:07,670 --> 00:11:05,700

just don't know Spanish while you were

226

00:11:09,410 --> 00:11:07,680

all looking at it no it did one of these

227

00:11:11,750 --> 00:11:09,420

you know subtle accelerations and then

228

00:11:15,130 --> 00:11:11,760

nobody could pick it up again you did

229

00:11:18,410 --> 00:11:15,140

see it accelerated oh yes yes

230

00:11:20,210 --> 00:11:18,420

you can see it to accelerate

231

00:11:24,110 --> 00:11:20,220

and it went off so fast you didn't

232

00:11:29,990 --> 00:11:26,269

terminating for the aircraft's still

233

00:11:32,509 --> 00:11:30,000

there yes the aircraft was still there

234

00:11:34,250 --> 00:11:32,519

I can't remember what happened

235

00:11:35,329 --> 00:11:34,260

and then they were there then but I just

236

00:11:36,949 --> 00:11:35,339

can't remember what happened to the

237

00:11:39,170 --> 00:11:36,959

aircraft

238

00:11:43,250 --> 00:11:39,180

so we've got the there was it was cigar

239

00:11:46,060 --> 00:11:43,260

shaped uh what the ratio of uh length to

240

00:11:51,130 --> 00:11:48,769

[Music]

241

00:11:55,490 --> 00:11:51,140

you know find this ratio

242

00:12:04,449 --> 00:11:58,850

information because of the things

243

00:12:09,850 --> 00:12:08,170

and it was a silvery

244

00:12:13,490 --> 00:12:09,860

grayish

245

00:12:16,790 --> 00:12:13,500

no sound no no nobody heard some sound

246

00:12:19,670 --> 00:12:16,800

now there were all sorts of reports of

247

00:12:20,990 --> 00:12:19,680

different things that one girl said that

248

00:12:24,069 --> 00:12:21,000

she'd sing the thing on the ground but

249

00:12:26,810 --> 00:12:24,079

it was uh

250

00:12:28,850 --> 00:12:26,820

or you know this sort of shape a little

251
00:12:31,150 --> 00:12:28,860
Windows around if not the rest of it but

252
00:12:36,250 --> 00:12:31,160
I don't really know how much

253
00:12:38,389 --> 00:12:36,260
you can put in this story there were

254
00:12:40,250 --> 00:12:38,399
all right there was a report of some

255
00:12:42,350 --> 00:12:40,260
sound from it trying to think of it but

256
00:12:45,050 --> 00:12:42,360
only from one girl who was supposedly

257
00:12:46,850 --> 00:12:45,060
close to it I heard nothing and there

258
00:12:49,009 --> 00:12:46,860
was no Sounder here when we were all

259
00:12:50,629 --> 00:12:49,019
standing in a large group watching it

260
00:12:53,329 --> 00:12:50,639
but as I say lots of them jumped the

261
00:12:55,550 --> 00:12:53,339
fence and went off after it

262
00:13:00,170 --> 00:12:55,560
I only jumped I only left the bench of

263
00:13:10,129 --> 00:13:01,610

you mean it went behind the Grove of

264

00:13:10,139 --> 00:13:16,030

I'm trying to watch this race

265

00:13:23,870 --> 00:13:20,590

working out for 40 minute periods Plus

266

00:13:27,050 --> 00:13:23,880

that around nine o'clock

267

00:13:29,449 --> 00:13:27,060

but all right sir four four forties is

268

00:13:34,190 --> 00:13:29,459

160 minutes so

269

00:13:34,200 --> 00:13:41,389

that's 12 plus see

270

00:13:45,050 --> 00:13:42,710

um

271

00:13:47,569 --> 00:13:45,060

460 that's three hours minus 20 minutes

272

00:13:52,090 --> 00:13:47,579

nine o'clock it's 11 40. oh I'm going

273

00:13:58,550 --> 00:13:55,850

noon recess no no it was morning morning

274

00:14:00,170 --> 00:13:58,560

good morning yes that doesn't sound bad

275

00:14:01,430 --> 00:14:00,180

right we started early or something that

276
00:14:06,410 --> 00:14:01,440
night

277
00:14:08,230 --> 00:14:06,420
I think it was about 11 15 but

278
00:14:14,269 --> 00:14:08,240
I'm not sure of that

279
00:14:14,279 --> 00:14:31,440
foreign

280
00:14:31,450 --> 00:14:41,870
[Music]

281
00:14:41,880 --> 00:15:02,949
episode

282
00:15:02,959 --> 00:15:07,370
thank you

283
00:15:11,750 --> 00:15:09,250
morning recess

284
00:15:14,389 --> 00:15:11,760
but you worked it back there you came

285
00:15:16,189 --> 00:15:14,399
for your satisfaction yes it was it that

286
00:15:18,290 --> 00:15:16,199
it's been in half and then two period

287
00:15:20,509 --> 00:15:18,300
before it says in the morning and we

288
00:15:21,949 --> 00:15:20,519

started approximately nine o'clock

289

00:15:25,050 --> 00:15:21,959

it's a little bit earlier

290

00:15:26,949 --> 00:15:25,060

so it'd be um 10 to 15 so

291

00:15:30,410 --> 00:15:26,959

[Music]

292

00:15:33,949 --> 00:15:30,420

and recesses what about now it'll be 10

293

00:15:36,110 --> 00:15:33,959

15 or 10 45 which appeared about five

294

00:15:38,170 --> 00:15:36,120

minutes before the end of proceed

295

00:15:41,329 --> 00:15:38,180

were there any uh

296

00:15:42,050 --> 00:15:41,339

persons off the school grounds who saw

297

00:15:45,769 --> 00:15:42,060

it

298

00:15:49,670 --> 00:15:45,779

we never had any reports of this

299

00:15:52,670 --> 00:15:49,680

this is one thing that um was trying to

300

00:15:54,710 --> 00:15:52,680

see or find out about this we never

301
00:15:58,250 --> 00:15:54,720
could find anything how many teachers

302
00:16:00,290 --> 00:15:58,260
saw it all together the physique teacher

303
00:16:13,870 --> 00:16:00,300
said she saw something but won't say

304
00:16:13,880 --> 00:16:26,030
senior Englishman

305
00:16:26,040 --> 00:16:38,050
yes

306
00:16:43,069 --> 00:16:40,550
and the uh well this was about the

307
00:16:47,150 --> 00:16:43,079
Headmaster this woman or a man man

308
00:16:50,810 --> 00:16:47,160
what's his name thank you Sam will be

309
00:16:54,710 --> 00:16:50,820
yes l a m b l e b l e

310
00:16:59,810 --> 00:16:54,720
s a m b l e b l e b l e

311
00:16:59,820 --> 00:17:04,630
I can't believe it

312
00:17:10,850 --> 00:17:08,569
and he's the one who seemed to be quite

313
00:17:13,549 --> 00:17:10,860

enforced by some pressures to keep

314

00:17:15,710 --> 00:17:13,559

things quiet or this is almost I think

315

00:17:18,110 --> 00:17:15,720

it was probably whether or not he was

316

00:17:21,530 --> 00:17:18,120

influenced by some pressures or not we

317

00:17:23,990 --> 00:17:21,540

know the Air Force came to the school

318

00:17:26,090 --> 00:17:24,000

whether or not anything I said to him I

319

00:17:28,069 --> 00:17:26,100

don't know because of his own religion

320

00:17:29,690 --> 00:17:28,079

uh

321

00:17:32,930 --> 00:17:29,700

I know he had a

322

00:17:34,430 --> 00:17:32,940

Special Assembly lunchtime because lots

323

00:17:36,169 --> 00:17:34,440

of the children were back late and

324

00:17:38,529 --> 00:17:36,179

sleeping events trying to look for it

325

00:17:41,390 --> 00:17:38,539

and um

326

00:17:43,669 --> 00:17:41,400

some people who believe anything

327

00:17:45,169 --> 00:17:43,679

words to respect

328

00:17:47,029 --> 00:17:45,179

and

329

00:17:48,890 --> 00:17:47,039

whether the air force center before that

330

00:17:49,970 --> 00:17:48,900

recess oh no no they didn't come till

331

00:17:51,970 --> 00:17:49,980

about two or three days and that

332

00:17:54,529 --> 00:17:51,980

couldn't have been blamed on the recess

333

00:17:56,870 --> 00:17:54,539

on the airport oh no no no I'm saying

334

00:18:01,150 --> 00:17:56,880

here we have a special assembly a

335

00:18:04,190 --> 00:18:01,160

Special Assembly at lunchtime careful

336

00:18:05,330 --> 00:18:04,200

to corrected at the assembly that we

337

00:18:07,970 --> 00:18:05,340

have we have an assembly in the morning

338

00:18:10,330 --> 00:18:07,980

and afternoon the assembly we had a

339

00:18:14,330 --> 00:18:10,340

special little

340

00:18:15,130 --> 00:18:14,340

you spoke about this particular incident

341

00:19:09,049 --> 00:18:15,140

s

342

00:19:10,990 --> 00:19:09,059

anything that didn't quite follow

343

00:19:13,610 --> 00:19:11,000

regulations

344

00:19:16,430 --> 00:19:13,620

I think from his his manner in other

345

00:19:17,270 --> 00:19:16,440

things you can explain his attitude in

346

00:19:20,029 --> 00:19:17,280

this case

347

00:19:22,070 --> 00:19:20,039

yeah

348

00:19:24,950 --> 00:19:22,080

well then the Air Force came and did he

349

00:19:26,570 --> 00:19:24,960

do did he reiterate these uh I'm not in

350

00:19:29,990 --> 00:19:26,580

school not to the school he just told me

351

00:19:32,630 --> 00:19:30,000

that uh an Air Force officer

352

00:19:34,310 --> 00:19:32,640

and been out of the school and I was

353

00:19:35,690 --> 00:19:34,320

teaching at the time and he told me he

354

00:19:37,070 --> 00:19:35,700

wasn't going to wrap my class every

355

00:19:38,770 --> 00:19:37,080

night and speak to them

356

00:19:41,810 --> 00:19:38,780

and uh

357

00:19:44,390 --> 00:19:41,820

get lost together again that they can't

358

00:19:45,830 --> 00:19:44,400

have had much time with him because I

359

00:19:47,690 --> 00:19:45,840

know I was very friendly with the senior

360

00:19:50,690 --> 00:19:47,700

master at the school of the sacrament of

361

00:19:53,690 --> 00:19:50,700

man and he said they were only in his

362

00:20:02,049 --> 00:19:53,700

office for very few minutes and Sam will

363

00:20:08,750 --> 00:20:06,230

this is all pure objective

364

00:20:10,730 --> 00:20:08,760

it's nice to have somebody telling the r

365

00:20:13,070 --> 00:20:10,740

double A F that it's a lot of nonsense

366

00:20:14,950 --> 00:20:13,080

and sending them packing that's a new

367

00:20:18,590 --> 00:20:14,960

version

368

00:20:23,210 --> 00:20:21,890

this is our own propaganda here yes you

369

00:20:26,810 --> 00:20:23,220

can get along

370

00:20:28,430 --> 00:20:26,820

okay what was that the main outlines I

371

00:20:31,430 --> 00:20:28,440

think so I don't think there's anything

372

00:20:33,350 --> 00:20:31,440

else you're presently teaching where at

373

00:20:35,930 --> 00:20:33,360

hate every College

374

00:20:39,669 --> 00:20:35,940

we had a great punished

375

00:20:42,310 --> 00:20:39,679

uh h a i l y

376
00:20:45,409 --> 00:20:42,320

c y b

377
00:20:48,049 --> 00:20:45,419

u v u r y r y

378
00:20:50,029 --> 00:20:48,059

what do you teach science and what is

379
00:20:52,610 --> 00:20:50,039

your uh what what channel do you now

380
00:20:54,890 --> 00:20:52,620

live what what where do you live now oh

381
00:20:57,049 --> 00:20:54,900

395

382
00:21:02,570 --> 00:20:57,059

Waverly Road

383
00:21:02,580 --> 00:21:27,490

all right

384
00:21:45,350 --> 00:21:30,230

it's a lot of witnesses

385
00:21:51,649 --> 00:21:47,330

oh well it would be the whole school

386
00:21:53,570 --> 00:21:51,659

which would be from 11. 11 year olds up

387
00:21:56,990 --> 00:21:53,580

to

388
00:22:03,110 --> 00:21:58,610

I've seen some 16 year olds that's

389

00:22:06,289 --> 00:22:05,210

three members of staff I think there

390

00:22:08,330 --> 00:22:06,299

were only three there may have been

391

00:22:09,710 --> 00:22:08,340

others but if they were they were also

392

00:22:11,330 --> 00:22:09,720

going to just shut up and not say

393

00:22:12,830 --> 00:22:11,340

anything

394

00:22:14,510 --> 00:22:12,840

I know they're working their work three

395

00:22:18,789 --> 00:22:14,520

at least

396

00:22:22,370 --> 00:22:20,690

think of

397

00:22:24,950 --> 00:22:22,380

there's the one because it amused me the

398

00:22:28,010 --> 00:22:24,960

most was the news isn't the word but

399

00:22:31,190 --> 00:22:28,020

intriguing we're having an airport plane

400

00:22:32,870 --> 00:22:31,200

one only has to sit beside moorabbin

401
00:22:35,690 --> 00:22:32,880
airports or the road that leads to

402
00:22:37,549 --> 00:22:35,700
decided and watch the Flames coming in

403
00:22:38,990 --> 00:22:37,559
and out and then listen to their plane

404
00:22:40,850 --> 00:22:39,000
that there were no planes in the air

405
00:22:43,070 --> 00:22:40,860
have you ever gone personally to talk to

406
00:22:47,110 --> 00:22:43,080
them no I haven't

407
00:22:51,950 --> 00:22:50,270
there are also contacted by to the

408
00:22:56,049 --> 00:22:51,960
Dandenong Journal took this up obviously

409
00:23:01,610 --> 00:22:59,870
looking out for that story is very

410
00:23:03,649 --> 00:23:01,620
interested and went out and saw them and

411
00:23:06,049 --> 00:23:03,659
so on sorts interviewed dozens of people

412
00:23:09,649 --> 00:23:06,059
on the street who lived there around

413
00:23:14,390 --> 00:23:10,990

sure

414

00:23:17,210 --> 00:23:14,400

well we thought so too although I must

415

00:23:20,210 --> 00:23:17,220

emphasize that there was this I you can

416

00:23:22,669 --> 00:23:20,220

I think believe this it probably only

417

00:23:24,529 --> 00:23:22,679

was my chance of a first person saw it

418

00:23:26,270 --> 00:23:24,539

and then someone else pointed it out to

419

00:23:28,370 --> 00:23:26,280

them and then we could all see it

420

00:23:31,190 --> 00:23:28,380

but if it wasn't pointed out to you it

421

00:23:33,110 --> 00:23:31,200

was hard to see uh against it it was

422

00:23:35,630 --> 00:23:33,120

purely the effect of the sky it was that

423

00:23:37,850 --> 00:23:35,640

no a bigger imagination or anything I

424

00:23:41,450 --> 00:23:37,860

mean we could see it no doubt about it

425

00:23:42,890 --> 00:23:41,460

and it looked real it was no

426

00:23:44,690 --> 00:23:42,900

um of course I've had to explain what I

427

00:23:45,950 --> 00:23:44,700

mean by this but it didn't look as

428

00:23:48,649 --> 00:23:45,960

though it was a reflection or anything

429

00:23:51,649 --> 00:23:48,659

like this it looked real

430

00:23:53,149 --> 00:23:51,659

yeah because one has no ways of deciding

431

00:23:55,310 --> 00:23:53,159

that something is real it's whether you

432

00:23:59,110 --> 00:23:55,320

get the impression that's real enough oh

433

00:24:05,690 --> 00:24:01,990

it's fascinating

434

00:24:07,909 --> 00:24:05,700

particularly in terms of the whole thing

435

00:24:09,230 --> 00:24:07,919

it would be fascinating anyway but it's

436

00:24:11,270 --> 00:24:09,240

even more fascinating perhaps it's just

437

00:24:12,649 --> 00:24:11,280

my perverse nature I think but if people

438

00:24:25,340 --> 00:24:12,659

try and hide things I want to find out

439

00:24:25,350 --> 00:24:36,190

[Music]

440

00:24:36,200 --> 00:24:39,850

too much

441

00:24:45,230 --> 00:24:43,490

people know if someone wants to hide

442

00:24:48,049 --> 00:24:45,240

curiosity killed the cat or something in

443

00:24:50,570 --> 00:24:48,059

my face but still it's just a

444

00:24:53,690 --> 00:24:50,580

tremendously fascinating yeah it's not

445

00:24:55,909 --> 00:24:53,700

very clear whether they're hiding they

446

00:25:08,149 --> 00:24:55,919

are just so confused that they don't

447

00:25:17,510 --> 00:25:09,649

let's not get ourselves in if we don't

448

00:25:17,520 --> 00:25:26,830

okay Andrew thank you very much
