

Woman claims 'dissected like frogs' on UFO

1
00:00:06,829 --> 00:00:04,670
August 26 1975 Mrs Sandy Larson of Fargo

2
00:00:09,290 --> 00:00:06,839
North Dakota cites 10 bright round

3
00:00:10,970 --> 00:00:09,300
objects coming out of the sky as she her

4
00:00:12,970 --> 00:00:10,980
daughter and a friend Terry Drive on

5
00:00:15,950 --> 00:00:12,980
Interstate 94 in eastern North Dakota

6
00:00:17,870 --> 00:00:15,960
afterward she says her memory is hazy

7
00:00:19,849 --> 00:00:17,880
she was very frightened

8
00:00:21,710 --> 00:00:19,859
and that about an hour had passed that

9
00:00:23,929 --> 00:00:21,720
she could not account for

10
00:00:26,210 --> 00:00:23,939
later she was hypnotized by Dr Leo

11
00:00:29,390 --> 00:00:26,220
sprinkle of the University of Wyoming

12
00:00:31,550 --> 00:00:29,400
she told of a waking naked inside a UFO

13
00:00:34,250 --> 00:00:31,560

you'll see sketches drawn from her

14

00:00:36,069 --> 00:00:34,260

descriptions as you hear her story as

15

00:00:39,530 --> 00:00:36,079

told under hypnosis

16

00:00:43,010 --> 00:00:39,540

I had a couple of tables there

17

00:00:45,170 --> 00:00:43,020

there's like one table laying down

18

00:00:47,330 --> 00:00:45,180

a long narrow one

19

00:00:50,049 --> 00:00:47,340

and one up in the air

20

00:00:54,350 --> 00:00:50,059

only on a hinge

21

00:00:55,510 --> 00:00:54,360

I think I was laying on one it was like

22

00:00:58,250 --> 00:00:55,520

they had

23

00:01:00,650 --> 00:00:58,260

Carrie standing up against the other one

24

00:01:04,250 --> 00:01:00,660

it was like

25

00:01:06,230 --> 00:01:04,260

he was tied there he couldn't move or

26

00:01:10,070 --> 00:01:06,240

clamped in

27

00:01:11,390 --> 00:01:10,080

the thing at any time say anything to

28

00:01:14,890 --> 00:01:11,400

you

29

00:01:23,390 --> 00:01:14,900

it was like there was communication

30

00:01:28,870 --> 00:01:26,289

anything that you would not remember

31

00:01:32,230 --> 00:01:28,880

this said it was secret

32

00:01:34,030 --> 00:01:32,240

not then is it later

33

00:01:36,950 --> 00:01:34,040

yeah

34

00:01:42,170 --> 00:01:36,960

did you ever see a car what they look

35

00:01:44,530 --> 00:01:42,180

like they were big it was standing by

36

00:01:46,870 --> 00:01:44,540

the ways above

37

00:01:49,850 --> 00:01:46,880

arms length maybe

38

00:01:53,109 --> 00:01:49,860

what sort of Suits or things were they

39

00:01:55,870 --> 00:01:53,119

wearing maybe a rubber like

40

00:01:57,910 --> 00:01:55,880

would you see their eyes

41

00:02:02,170 --> 00:01:57,920

here

42

00:02:05,889 --> 00:02:02,180

they were like holes deep holes

43

00:02:09,490 --> 00:02:05,899

the glaring of the eyes

44

00:02:11,589 --> 00:02:09,500

seem like their eyes can talk through

45

00:02:14,030 --> 00:02:11,599

their brain

46

00:02:18,010 --> 00:02:14,040

okay described what happened during the

47

00:02:21,670 --> 00:02:18,020

examination I have very cold

48

00:02:25,449 --> 00:02:21,680

I don't have much feeling left

49

00:02:28,010 --> 00:02:25,459

it's like they put something numb on me

50

00:02:30,430 --> 00:02:28,020

how many kinds of tests or how many

51
00:02:33,470 --> 00:02:30,440
kinds of examinations took place

52
00:02:36,190 --> 00:02:33,480
checked everything out of my body did

53
00:02:39,350 --> 00:02:36,200
you feel somebody was touching you

54
00:02:41,170 --> 00:02:39,360
with instruments or with hands with

55
00:02:43,570 --> 00:02:41,180
instruments

56
00:02:45,850 --> 00:02:43,580
maybe like a

57
00:02:48,009 --> 00:02:45,860
little knife

58
00:02:50,930 --> 00:02:48,019
a small one

59
00:02:53,229 --> 00:02:50,940
and they put it in my nose it felt like

60
00:02:56,089 --> 00:02:53,239
it was scraping it

61
00:02:58,009 --> 00:02:56,099
I think they opened my head and exhale

62
00:03:01,910 --> 00:02:58,019
in my brain
