

1  
00:00:05,990 --> 00:00:03,830  
be between six and eight I would assume

2  
00:00:07,849 --> 00:00:06,000  
they're fairly intense or yeah they're

3  
00:00:10,250 --> 00:00:07,859  
very close together as well right okay

4  
00:00:11,870 --> 00:00:10,260  
four years ago Kelly Carr was a mother

5  
00:00:14,150 --> 00:00:11,880  
and housewife with no interest in

6  
00:00:15,770 --> 00:00:14,160  
spaceships or aliens

7  
00:00:19,189 --> 00:00:15,780  
now she's using technology to

8  
00:00:20,990 --> 00:00:19,199  
reconstruct images of her own encounter

9  
00:00:22,670 --> 00:00:21,000  
does give the idea of the lights there

10  
00:00:24,170 --> 00:00:22,680  
but you know the brightness of the light

11  
00:00:25,730 --> 00:00:24,180  
it gives a good impression except that

12  
00:00:30,550 --> 00:00:25,740  
the color doesn't seem right Kelly's

13  
00:00:36,229 --> 00:00:33,470

my husband and I were driving up to my

14

00:00:37,850 --> 00:00:36,239

girlfriend's place in monbok which is in

15

00:00:41,330 --> 00:00:37,860

the Dandenong mountains we're driving on

16

00:00:43,270 --> 00:00:41,340

belgrave Hallam road and it was just on

17

00:00:46,310 --> 00:00:43,280

dusk

18

00:00:48,770 --> 00:00:46,320

I saw what I thought was around orange

19

00:00:50,389 --> 00:00:48,780

lights in the field

20

00:00:52,490 --> 00:00:50,399

it's unusual to me

21

00:00:54,529 --> 00:00:52,500

later that night retracing their route

22

00:00:57,350 --> 00:00:54,539

home Kelly noticed something else

23

00:00:58,970 --> 00:00:57,360

unusual it's about a kilometer or so in

24

00:01:02,590 --> 00:00:58,980

front of us so about twice the height of

25

00:01:04,850 --> 00:01:02,600

the Treetops we could see this

26

00:01:07,250 --> 00:01:04,860

object which at first I thought was a

27

00:01:09,410 --> 00:01:07,260

blimp it had the shape of a blimp but it

28

00:01:11,870 --> 00:01:09,420

was light

29

00:01:14,090 --> 00:01:11,880

as we got closer to it the the light

30

00:01:17,510 --> 00:01:14,100

seemed to sort of separate and it was

31

00:01:19,850 --> 00:01:17,520

actually these a row of round lights and

32

00:01:24,530 --> 00:01:19,860

they were Orange

33

00:01:28,190 --> 00:01:26,510

standing in these round orange circles

34

00:01:31,190 --> 00:01:28,200

like people but you could only see the

35

00:01:35,630 --> 00:01:33,469

I just said to my husband there's people

36

00:01:38,090 --> 00:01:35,640

in there and the minute I said that it

37

00:01:40,910 --> 00:01:38,100

shot off to the left of us within one or

38

00:01:43,670 --> 00:01:40,920

two seconds it was gone completely about

39

00:01:45,109 --> 00:01:43,680

a kilometer or two further down the road

40

00:01:47,210 --> 00:01:45,119

as we kept driving

41

00:01:49,429 --> 00:01:47,220

I came across what at least what I

42

00:01:52,069 --> 00:01:49,439

thought was a screen or a wall of light

43

00:01:54,109 --> 00:01:52,079

across the road

44

00:01:56,210 --> 00:01:54,119

and my heart started racing and the

45

00:01:58,370 --> 00:01:56,220

adrenaline was sort of pumping through

46

00:02:00,109 --> 00:01:58,380

my body and I'm thinking we've just seen

47

00:02:02,569 --> 00:02:00,119

this back down there we're in for you

48

00:02:05,749 --> 00:02:02,579

know a close encounter

49

00:02:07,910 --> 00:02:05,759

then the next instant nothing

50

00:02:09,290 --> 00:02:07,920

we seem to have actually covered a fair

51  
00:02:11,330 --> 00:02:09,300  
distance that I don't even remember

52  
00:02:14,330 --> 00:02:11,340  
covering it might have been

53  
00:02:16,430 --> 00:02:14,340  
possibly close to a kilometer that I

54  
00:02:19,670 --> 00:02:16,440  
don't remember actually

55  
00:02:20,930 --> 00:02:19,680  
traveling there was no light there was

56  
00:02:23,210 --> 00:02:20,940  
you know there was nothing blocking the

57  
00:02:26,869 --> 00:02:25,190  
Kelly says it wasn't until weeks later

58  
00:02:29,330 --> 00:02:26,879  
she remembered actually getting out of

59  
00:02:32,330 --> 00:02:29,340  
the car that night

60  
00:02:34,910 --> 00:02:32,340  
and I saw that there was a um another

61  
00:02:37,729 --> 00:02:34,920  
car that had pulled up 100 meters down

62  
00:02:41,390 --> 00:02:39,170  
then I walked around the front of the

63  
00:02:43,970 --> 00:02:41,400

car to where my husband was standing on

64

00:02:45,770 --> 00:02:43,980

the other side and we started walking

65

00:02:47,630 --> 00:02:45,780

across the road together

66

00:02:48,890 --> 00:02:47,640

as we were walking across the road I

67

00:02:49,910 --> 00:02:48,900

looked down and I saw that the other

68

00:02:51,710 --> 00:02:49,920

people were getting out the car and

69

00:02:53,150 --> 00:02:51,720

starting to walk as well so I was quite

70

00:02:54,470 --> 00:02:53,160

happy that there was other people there

71

00:02:56,330 --> 00:02:54,480

who were seeing the same thing that we

72

00:02:59,869 --> 00:02:56,340

were

73

00:03:02,390 --> 00:02:59,879

and we walked up along here to to

74

00:03:04,670 --> 00:03:02,400

um where the fence is

75

00:03:08,150 --> 00:03:04,680

right out in front of us there's this

76

00:03:12,410 --> 00:03:10,430

that was totally all struck you know it

77

00:03:14,330 --> 00:03:12,420

was a

78

00:03:17,089 --> 00:03:14,340

it was it was science fiction coming to

79

00:03:22,570 --> 00:03:19,130

there wasn't any fear then it was just

80

00:03:24,830 --> 00:03:22,580

all total awe

81

00:03:26,690 --> 00:03:24,840

we stood here

82

00:03:31,190 --> 00:03:26,700

I guess side by side my husband and I

83

00:03:35,869 --> 00:03:33,710

then this tall dog being just appearing

84

00:03:38,390 --> 00:03:35,879

in front of the craft and and he was

85

00:03:41,750 --> 00:03:38,400

followed by about another seven or eight

86

00:03:46,250 --> 00:03:44,869

felt this energy go through me it's like

87

00:03:47,990 --> 00:03:46,260

nothing I've never ever experienced

88

00:03:50,750 --> 00:03:48,000

before in my life it was like some sort

89

00:03:53,630 --> 00:03:50,760

of low level frequency that came in

90

00:03:54,949 --> 00:03:53,640

waves but it was so dense that I could

91

00:03:56,570 --> 00:03:54,959

actually physically feel it going

92

00:03:59,930 --> 00:03:56,580

through my body and that feeling

93

00:04:02,509 --> 00:03:59,940

absolutely terrified me it was like

94

00:04:06,289 --> 00:04:02,519

I can't even explain the horror that I

95

00:04:07,970 --> 00:04:06,299

felt just feeling this and I began

96

00:04:10,429 --> 00:04:07,980

screaming

97

00:04:13,009 --> 00:04:10,439

the minute I did the eyes on these

98

00:04:15,170 --> 00:04:13,019

things lit up and they came charging

99

00:04:17,030 --> 00:04:15,180

across the field

100

00:04:19,310 --> 00:04:17,040

halfway across they split up into two

101  
00:04:22,069 --> 00:04:19,320  
groups some headed off down there and

102  
00:04:24,770 --> 00:04:22,079  
the rest came directly towards us

103  
00:04:25,969 --> 00:04:24,780  
I felt this blow to my stomach and the

104  
00:04:27,469 --> 00:04:25,979  
next thing you know I'm back here

105  
00:04:29,670 --> 00:04:27,479  
somewhere on the grass it literally

106  
00:04:31,249 --> 00:04:29,680  
lifted me off of my feet

107  
00:04:32,930 --> 00:04:31,259  
[Music]

108  
00:04:34,909 --> 00:04:32,940  
and I thought I was going to die I

109  
00:04:35,629 --> 00:04:34,919  
thought if I don't get up now I'm never

110  
00:04:41,689 --> 00:04:35,639  
gonna

111  
00:04:44,390 --> 00:04:41,699  
know so I pulled myself up into a

112  
00:04:46,129 --> 00:04:44,400  
sitting position and when I sat up I

113  
00:04:48,430 --> 00:04:46,139

couldn't see anything and I was like

114

00:04:49,870 --> 00:04:48,440

there's just black in front of my eyes

115

00:04:52,310 --> 00:04:49,880

[Music]

116

00:04:53,810 --> 00:04:52,320

I wanted to try stretching it down a

117

00:04:56,689 --> 00:04:53,820

little bit as well Kelly is not the only

118

00:04:58,550 --> 00:04:56,699

one who saw these images that night

119

00:05:00,350 --> 00:04:58,560

for the first time ever independent

120

00:05:02,270 --> 00:05:00,360

Witnesses have given the same account of

121

00:05:04,430 --> 00:05:02,280

a close encounter

122

00:05:06,409 --> 00:05:04,440

even though Kelly has never met Jane

123

00:05:07,249 --> 00:05:06,419

glender and Bill from the other car she

124

00:05:09,530 --> 00:05:07,259

saw

125

00:05:11,990 --> 00:05:09,540

she has seen the sketches they drew for

126  
00:05:13,909 --> 00:05:12,000  
UFO researchers they've drawn the same

127  
00:05:16,850 --> 00:05:13,919  
circles of light around the top of the

128  
00:05:19,370 --> 00:05:16,860  
craft with um this these blue lines

129  
00:05:21,110 --> 00:05:19,380  
coming down ending in a semi uh circle

130  
00:05:22,790 --> 00:05:21,120  
on the ground I've actually also drawn a

131  
00:05:24,890 --> 00:05:22,800  
tripod underneath which was something I

132  
00:05:27,350 --> 00:05:24,900  
didn't see that night

133  
00:05:29,210 --> 00:05:27,360  
comes very clear then that we were all

134  
00:05:32,689 --> 00:05:29,220  
looking at the same thing and it wasn't

135  
00:05:34,550 --> 00:05:32,699  
your average source of shaped craft

136  
00:05:35,749 --> 00:05:34,560  
basically the second party were able to

137  
00:05:37,969 --> 00:05:35,759  
draw

138  
00:05:39,529 --> 00:05:37,979

sketches of the beings very similar to

139

00:05:43,310 --> 00:05:39,539

the ones that I had and they're not your

140

00:05:45,890 --> 00:05:43,320

usual little gray things that are you

141

00:05:48,290 --> 00:05:45,900

know media propaganda

142

00:05:50,450 --> 00:05:48,300

I found a small red colored uh

143

00:05:54,170 --> 00:05:50,460

equilateral triangle underneath my navel

144

00:05:56,629 --> 00:05:54,180

which I guess in reality provoked only a

145

00:05:58,969 --> 00:05:56,639

minor curiosity at the time it was oddly

146

00:06:00,350 --> 00:05:58,979

geometric and I didn't I did wonder you

147

00:06:02,629 --> 00:06:00,360

know how how something like that could

148

00:06:05,450 --> 00:06:02,639

get on me that looked like a burn

149

00:06:07,430 --> 00:06:05,460

without me feeling it at UFO conferences

150

00:06:09,529 --> 00:06:07,440

where Kelly's now a keynote speaker she

151  
00:06:11,570 --> 00:06:09,539  
had strength to her own Story by showing

152  
00:06:13,029 --> 00:06:11,580  
photographs of physical marks left on

153  
00:06:15,290 --> 00:06:13,039  
one of the other women

154  
00:06:17,510 --> 00:06:15,300  
we're all left with triangular marks

155  
00:06:18,710 --> 00:06:17,520  
under our navels but um the ones that

156  
00:06:20,749 --> 00:06:18,720  
were marks that were actually

157  
00:06:23,629 --> 00:06:20,759  
photographed the first one came from

158  
00:06:26,090 --> 00:06:23,639  
Glenda which is a it's a series of three

159  
00:06:28,850 --> 00:06:26,100  
small red dots along the inner thigh and

160  
00:06:30,309 --> 00:06:28,860  
both Jane and Glenda were marked with

161  
00:06:33,770 --> 00:06:30,319  
these dots I wasn't

162  
00:06:37,129 --> 00:06:33,780  
Glinda had a ligature Mark around her

163  
00:06:38,629 --> 00:06:37,139

ankle which is quite severe bruising

164

00:06:42,469 --> 00:06:38,639

it looked like she'd been strapped down

165

00:06:46,309 --> 00:06:44,570

ufi researchers have also reported

166

00:06:47,990 --> 00:06:46,319

finding physical traces at the site

167

00:06:49,070 --> 00:06:48,000

where all Witnesses said the encounter

168

00:06:50,450 --> 00:06:49,080

happened

169

00:06:52,249 --> 00:06:50,460

particularly in relation to where the

170

00:06:55,150 --> 00:06:52,259

craft landed

171

00:06:57,710 --> 00:06:55,160

inside that semicircle was actually a

172

00:07:00,529 --> 00:06:57,720

triangular formation of three points

173

00:07:03,170 --> 00:07:00,539

Space six meters apart which correspond

174

00:07:07,790 --> 00:07:03,180

with the tripod that was drawn

175

00:07:11,629 --> 00:07:09,710

to this day

176

00:07:13,550 --> 00:07:11,639

Kelly still doesn't know exactly what

177

00:07:15,409 --> 00:07:13,560

happened to her that night I tried a

178

00:07:17,570 --> 00:07:15,419

little bit her most vivid memory is the

179

00:07:19,969 --> 00:07:17,580

fear that you felt that's very good it's

180

00:07:21,589 --> 00:07:19,979

fun to come out to what I'm looking for

181

00:07:22,909 --> 00:07:21,599

and I think a lot of people you know

182

00:07:24,469 --> 00:07:22,919

might have experienced the fear in a

183
