00:00:19,780 --> 00:00:04,660
hello hello

[Music]

3
00:00:27,790 --> 00:00:23,470
hello

00:00:37,389 --> 00:00:29,359

7
00:00:43,840 --> 00:00:39,480
hello

[Applause]

10
00:00:52,250 --> 00:00:48,780
and welcome to Nada I'm Christine

11
00:00:54,110 --> 00:00:52,260
janyang UFO stories are everywhere these

12
00:00:56,810 --> 00:00:54,120
days but it's rare that they're told

13
00:01:00,529 --> 00:00:56,820

from an Aboriginal perspective in

14
00:01:02,930 --> 00:01:00,539
December of 1996 approximately 31 people

15
00:01:06,230 --> 00:01:02,940
claimed to have witnessed a giant UFO

16
00:01:09,469 --> 00:01:06,240
along a 340 kilometer stretch of highway

17
00:01:11,570 --> 00:01:09,479
in the Yukon as we discovered this was

18
00:01:13,789 --> 00:01:11,580
no ordinary sighting and according to

19
00:01:16,850 --> 00:01:13,799
Legend this is not the first encounter

20
00:01:18,290 --> 00:01:16,860
with UFOs in the Yukon we hope you enjoy

21
00:01:27,870 --> 00:01:18,300
the show

22
00:01:34,249 --> 00:01:30,830
[Music]

23
00:01:39,170 --> 00:01:36,830
until recent times the histories of

24
00:01:41,390 --> 00:01:39,180
Canada's Aboriginal peoples especially

25
00:01:42,530 --> 00:01:41,400
in Yukon was not recorded in written

26

00:01:44,810 --> 00:01:42,540

form

27

00:01:46,789 --> 00:01:44,820

their stories of creation how they

28

00:01:49,069 --> 00:01:46,799

viewed their world and major events

29

00:01:51,170 --> 00:01:49,079

throughout time have for the most part

30

00:01:53,630 --> 00:01:51,180

been passed along through the oral

31

00:01:55,969 --> 00:01:53,640

storytelling tradition

32

00:01:58,490 --> 00:01:55,979

some stories told around campfire since

33

00:02:00,830 --> 00:01:58,500

time immemorial are of strange entities

34

00:02:01,969 --> 00:02:00,840

or Spirit beings who interacted with

35

00:02:04,130 --> 00:02:01,979

humans

36

00:02:06,170 --> 00:02:04,140

other stories suggest beings who

37

00:02:08,449 --> 00:02:06,180

manifested themselves in various aerial

38

00:02:10,910 --> 00:02:08,459

phenomena such as lights or clouds in

39

00:02:13,970 --> 00:02:10,920

the sky sometimes taking locals to

40

00:02:16,490 --> 00:02:13,980

strange and Distant Worlds these stories

41

00:02:19,790 --> 00:02:16,500

were told and retold long before the

42

00:02:22,250 --> 00:02:19,800

Roswell UFO incident of 1947

43

00:02:24,229 --> 00:02:22,260

and while anthropological in nature the

44

00:02:26,690 --> 00:02:24,239

stories foreshadow many of the UFO

45

00:02:29,510 --> 00:02:26,700

phenomena observed around the world over

46

00:02:32,390 --> 00:02:29,520

the past six decades

47

00:02:35,030 --> 00:02:32,400

now the Yukon famous for its Wilderness

48

00:02:37,490 --> 00:02:35,040

wildlife and beauty and its Rich first

49

00:02:40,010 --> 00:02:37,500

nation in Gold Rush history has entered

50

00:02:41,690 --> 00:02:40,020

the vast database of UFO research with a

51

00:02:44,089 --> 00:02:41,700

story of its own

52

00:02:45,710 --> 00:02:44,099

it's a unique account not only because

53

00:02:47,930 --> 00:02:45,720

of the scale and location of the

54

00:02:50,030 --> 00:02:47,940

sightings but because it appears to put

55

00:02:52,430 --> 00:02:50,040

into perspective many of the stories

56

00:02:55,190 --> 00:02:52,440

told for hundreds perhaps thousands of

57

00:02:57,990 --> 00:02:55,200

years around crackling fires of strange

58

00:03:02,869 --> 00:02:58,000

beings and lights in the nighttime sky

59

00:03:05,750 --> 00:03:02,879

[Music]

60

00:03:08,630 --> 00:03:05,760

this story unfolds not around a campfire

61

00:03:11,570 --> 00:03:08,640

but on a lonely stretch of highway

62

00:03:14,990 --> 00:03:11,580

this is the north Klondike Highway it is

63

00:03:16,970 --> 00:03:15,000

a 541 kilometer stretch that begins in

64

00:03:19,130 --> 00:03:16,980

Whitehorse the capital city of the Yukon

65

00:03:21,410 --> 00:03:19,140

Territory and runs through several

66

00:03:23,809 --> 00:03:21,420

communities and gas stops before ending

67

00:03:26,809 --> 00:03:23,819

in Dawson City The Hub of the Klondike

68

00:03:29,149 --> 00:03:26,819

Gold Rush of 1898

69

00:03:31,490 --> 00:03:29,159

at certain times of the year travel

70

00:03:35,089 --> 00:03:31,500

along this highway can be a long lonely

71

00:03:38,869 --> 00:03:35,099

experience especially at night

72

00:03:40,910 --> 00:03:38,879

on a cold winter evening in 1996 over 30

73

00:03:42,949 --> 00:03:40,920

people witnessed an event that would

74

00:03:45,589 --> 00:03:42,959

leave them wondering what they saw and

75

00:03:47,570 --> 00:03:45,599

questioning their own reality

76
00:03:49,610 --> 00:03:47,580
Travelers on this highway spot something

77
00:03:50,690 --> 00:03:49,620
out over a lake that makes them skid to

78
00:03:52,850 --> 00:03:50,700
a stop

79
00:03:54,170 --> 00:03:52,860
around the same time that evening in

80
00:03:56,690 --> 00:03:54,180
three different communities in the

81
00:03:58,670 --> 00:03:56,700
region several people witness an object

82
00:04:01,729 --> 00:03:58,680
hovering over their Villages leaving

83
00:04:06,170 --> 00:04:01,739
them shaken and in one case face down on

84
00:04:11,089 --> 00:04:08,570
this strange event was investigated and

85
00:04:15,110 --> 00:04:11,099
recorded by Martin jassic founding

86
00:04:17,150 --> 00:04:15,120
member of the Yukon UFO research Society

87
00:04:19,310 --> 00:04:17,160
at Fox Lake the first sighting was

88
00:04:21,969 --> 00:04:19,320

around quarter to eight o'clock quarter

89

00:04:25,010 --> 00:04:21,979

to eight in the evening

90

00:04:28,610 --> 00:04:25,020

then at the main sighting there occurred

91

00:04:30,770 --> 00:04:28,620

around 8 30. in CarMax it was seven

92

00:04:33,370 --> 00:04:30,780

o'clock some indications there might

93

00:04:36,050 --> 00:04:33,380

have been a 10 o'clock sighting as well

94

00:04:38,689 --> 00:04:36,060

the village of Pali Crossing it was nine

95

00:04:39,730 --> 00:04:38,699

o'clock and in the village of mayo it

96

00:04:41,870 --> 00:04:39,740

was around

97

00:04:44,390 --> 00:04:41,880

10 o'clock

98

00:04:46,909 --> 00:04:44,400

for Danny Skookum the evening starts out

99

00:04:49,310 --> 00:04:46,919

like any other traveling from White

100

00:04:51,290 --> 00:04:49,320

Horse to CarMax he notices that although

101
00:04:55,490 --> 00:04:51,300
it's cold outside it's a clear and

102
00:05:00,230 --> 00:04:58,070
at around 8 pm he approaches the

103
00:05:02,090 --> 00:05:00,240
southern tip of Fox Lake

104
00:05:03,530 --> 00:05:02,100
he sees something out of the corner of

105
00:05:05,749 --> 00:05:03,540
his eye

106
00:05:07,909 --> 00:05:05,759
to the northwest of his position is a

107
00:05:09,890 --> 00:05:07,919
white light

108
00:05:11,270 --> 00:05:09,900
not thinking too much about it he

109
00:05:13,430 --> 00:05:11,280
continues on

110
00:05:15,050 --> 00:05:13,440
to him it looks like a vehicle is

111
00:05:16,010 --> 00:05:15,060
shining its headlights on a curve of

112
00:05:20,150 --> 00:05:16,020
Road

113
00:05:21,830 --> 00:05:20,160

not out over the lake where he sees the

114

00:05:25,969 --> 00:05:21,840

light

115

00:05:27,950 --> 00:05:25,979

two vehicles heading in the opposite

116

00:05:29,810 --> 00:05:27,960

direction

117

00:05:31,670 --> 00:05:29,820

the lights from these vehicles interfere

118

00:05:34,249 --> 00:05:31,680

with his vision for a moment

119

00:05:37,249 --> 00:05:34,259

but when his eyes adjust three rows of

120

00:05:39,650 --> 00:05:37,259

light slowly disappear behind a hill

121

00:05:42,050 --> 00:05:39,660

to his astonishment the lights appear to

122

00:05:44,629 --> 00:05:42,060

be part of a larger object

123

00:05:46,129 --> 00:05:44,639

he continues on his way thinking what he

124

00:05:47,689 --> 00:05:46,139

just witnessed looked like something out

125

00:05:50,450 --> 00:05:47,699

of a Star Trek movie

126

00:05:51,650 --> 00:05:50,460

but this is not a movie this is very

127

00:05:53,689 --> 00:05:51,660

real

128

00:05:56,930 --> 00:05:53,699

we refer to the witnesses to protect

129

00:05:59,629 --> 00:05:56,940

their names but as Fox 2 or one or three

130

00:06:02,749 --> 00:05:59,639

Fox 2 and fox 3 they were driving along

131

00:06:04,370 --> 00:06:02,759

the lake and I came down this hill here

132

00:06:07,310 --> 00:06:04,380

and all of a sudden

133

00:06:09,290 --> 00:06:07,320

um this huge row of Lights appears a UFO

134

00:06:11,629 --> 00:06:09,300

actually they could see the outline of

135

00:06:13,430 --> 00:06:11,639

the top and bottom and I noticed as I

136

00:06:16,249 --> 00:06:13,440

look across on Lake I noticed there's

137

00:06:19,270 --> 00:06:16,259

something huge in the air

138

00:06:21,830 --> 00:06:19,280

I thought that there was no waves

139

00:06:23,870 --> 00:06:21,840

helicopter out here especially in Winter

140

00:06:39,469 --> 00:06:23,880

or

141

00:06:42,830 --> 00:06:39,479

hundred meters apart and

142

00:06:45,230 --> 00:06:42,840

um DFO slowly goes over the lake but you

143

00:06:45,950 --> 00:06:45,240

can see the lake

144

00:06:48,050 --> 00:06:45,960

um

145

00:06:49,490 --> 00:06:48,060

the mountains

146

00:06:52,670 --> 00:06:49,500

roughly and

147

00:06:55,189 --> 00:06:52,680

how YouTube it was over there

148

00:06:58,189 --> 00:06:55,199

the size of it I would say is as big as

149

00:07:03,469 --> 00:07:01,070

can't even figure we got closer

150

00:07:07,309 --> 00:07:03,479

as the object moved directly over him

151
00:07:09,110 --> 00:07:07,319
the witness referred to as Fox 2 got out

152
00:07:10,570 --> 00:07:09,120
of his truck and stared up into a bright

153
00:07:14,270 --> 00:07:10,580
light

154
00:07:17,749 --> 00:07:14,280
up that's so bright though but uh kind

155
00:07:22,610 --> 00:07:20,629
Sprite has lights all over underneath

156
00:07:24,710 --> 00:07:22,620
but it had lights on the side too as you

157
00:07:28,129 --> 00:07:24,720
see I can see certainly see little

158
00:07:30,589 --> 00:07:28,139
Windows like almost like on the side

159
00:07:32,749 --> 00:07:30,599
see under a kind of like a plate almost

160
00:07:35,390 --> 00:07:32,759
like

161
00:07:37,790 --> 00:07:35,400
a long plate or whatever underneath it

162
00:07:39,890 --> 00:07:37,800
when it went over the witness tries to

163
00:07:41,990 --> 00:07:39,900

use a two-way radio in his truck but

164

00:07:51,290 --> 00:07:42,000

when he turns it on all he can raise is

165

00:07:55,370 --> 00:07:52,550

work

166

00:07:57,830 --> 00:07:55,380

couldn't get through on that

167

00:07:59,629 --> 00:07:57,840

at the same time his cousin scrambles

168

00:08:02,029 --> 00:07:59,639

for a disposable camera

169

00:08:04,749 --> 00:08:02,039

by the time he finds it the object has

170

00:08:08,930 --> 00:08:07,189

I noticed there's a lineup of vehicles

171

00:08:11,210 --> 00:08:08,940

people look

172

00:08:13,550 --> 00:08:11,220

their eyes just huge

173

00:08:16,790 --> 00:08:13,560

I don't know how long I stayed there

174

00:08:19,730 --> 00:08:16,800

standard and chalk I guess before uh

175

00:08:23,330 --> 00:08:19,740

I went back and uh

176

00:08:26,330 --> 00:08:23,340

my cousin I'm gonna ask are you okay

177

00:08:31,249 --> 00:08:26,340

yes I went back cut back into

178

00:08:32,810 --> 00:08:31,259

took a truck and try to Stir It Up

179

00:08:36,170 --> 00:08:32,820

at that point

180

00:08:38,269 --> 00:08:36,180

and uh and at the same time uh Witnesses

181

00:08:41,209 --> 00:08:38,279

Fox four and five they came around this

182

00:08:43,730 --> 00:08:41,219

corner here and they saw these huge raw

183

00:08:45,829 --> 00:08:43,740

lights going across the uh Lake out here

184

00:08:49,190 --> 00:08:45,839

and then they

185

00:08:52,250 --> 00:08:49,200

um recall going past here and and seeing

186

00:08:54,769 --> 00:08:52,260

Fox two and three so we know that both

187

00:08:57,650 --> 00:08:54,779

sets of witnesses saw the UFO at the

188

00:08:59,810 --> 00:08:57,660

same time Witnesses Fox 4 and 5 are a

189

00:09:01,130 --> 00:08:59,820

couple they have a baby in the back seat

190

00:09:03,290 --> 00:09:01,140

of their car

191

00:09:05,509 --> 00:09:03,300

at first they thought it was

192

00:09:07,009 --> 00:09:05,519

a truck out here like a semi-trailer

193

00:09:08,750 --> 00:09:07,019

truck with all the lights but there's no

194

00:09:10,850 --> 00:09:08,760

Road out here then they thought it was a

195

00:09:12,350 --> 00:09:10,860

jumbo jet crashing

196

00:09:15,170 --> 00:09:12,360

that no it wasn't that then when they

197

00:09:17,810 --> 00:09:15,180

realized was UFO the they got scared uh

198

00:09:19,790 --> 00:09:17,820

the wife wanted to go back go back stop

199

00:09:21,530 --> 00:09:19,800

you know and then but there was a truck

200

00:09:23,630 --> 00:09:21,540

ahead of them so they decide to continue

201
00:09:26,630 --> 00:09:23,640
on and they lost sight of it as they

202
00:09:28,670 --> 00:09:26,640
went into the uh the tree area here I

203
00:09:31,490 --> 00:09:28,680
hear stories a long time ago from other

204
00:09:33,590 --> 00:09:31,500
people they see things uh

205
00:09:36,650 --> 00:09:33,600
following the vehicles

206
00:09:38,570 --> 00:09:36,660
around Fox Lake area too I heard before

207
00:09:41,810 --> 00:09:38,580
and

208
00:09:44,210 --> 00:09:41,820
not too long leaving up the Asia I wrote

209
00:09:46,370 --> 00:09:44,220
but I don't know but yeah let's see

210
00:09:48,829 --> 00:09:46,380
whether you're asking I don't know if

211
00:09:51,650 --> 00:09:48,839
it's it's human to have that technology

212
00:09:53,870 --> 00:09:51,660
for something that huge system

213
00:09:55,910 --> 00:09:53,880

look how much noise a helicopter makes

214

00:09:59,030 --> 00:09:55,920

just to get off the ground

215

00:10:01,009 --> 00:09:59,040

and the hover and it makes a lot of

216

00:10:03,710 --> 00:10:01,019

noise this thing is as big as a football

217

00:10:05,509 --> 00:10:03,720

field and not make a sound just come

218

00:10:08,389 --> 00:10:05,519

over like that

219

00:10:10,730 --> 00:10:08,399

close to the same time a woman referred

220

00:10:13,250 --> 00:10:10,740

to as witness Fox 6 is driving alone

221

00:10:15,350 --> 00:10:13,260

along the same stretch when a strange

222

00:10:18,050 --> 00:10:15,360

light illuminates her dashboard

223

00:10:19,430 --> 00:10:18,060

she looks up and to her amazement a

224

00:10:22,070 --> 00:10:19,440

group of multicolored lights are

225

00:10:24,230 --> 00:10:22,080

hovering over her vehicle the lights in

226

00:10:26,630 --> 00:10:24,240

her vehicle dim the music she's

227

00:10:28,790 --> 00:10:26,640

listening to garbles she watches until

228

00:10:31,670 --> 00:10:28,800

each of the lights seem to go out

229

00:10:34,070 --> 00:10:31,680

she drives on confused not sure what

230

00:10:36,620 --> 00:10:34,080

she's just witnessed

231

00:10:45,230 --> 00:10:36,630

hey hey hey hey

232

00:10:49,430 --> 00:10:47,690

in Yukon the Braeburn Lodge is situated

233

00:10:52,490 --> 00:10:49,440

about halfway between white horse and

234

00:10:55,069 --> 00:10:52,500

CarMax it's a popular stop for travelers

235

00:10:56,990 --> 00:10:55,079

between the two centers a place where

236

00:10:59,150 --> 00:10:57,000

tourists and truckers can satisfy an

237

00:11:02,030 --> 00:10:59,160

appetite and swap stories with Steve

238

00:11:04,490 --> 00:11:02,040

Watson the owner operator of the lodge

239

00:11:06,470 --> 00:11:04,500

he's heard a lot of stories during his

240

00:11:09,530 --> 00:11:06,480

time there but on the evening of

241

00:11:11,630 --> 00:11:09,540

December 11 1996 he heard of an event

242

00:11:13,310 --> 00:11:11,640

that seems so incredible it would leave

243

00:11:16,490 --> 00:11:13,320

him scanning the evening Skies around

244

00:11:18,050 --> 00:11:16,500

his property for months afterwards

245

00:11:20,030 --> 00:11:18,060

I was sitting at the table it was

246

00:11:21,470 --> 00:11:20,040

getting later at night

247

00:11:23,329 --> 00:11:21,480

and uh

248

00:11:25,069 --> 00:11:23,339

there's usually people coming back from

249

00:11:27,230 --> 00:11:25,079

White Horse and

250

00:11:29,630 --> 00:11:27,240

this fella came in

251

00:11:31,069 --> 00:11:29,640

uh Danny spookum

252

00:11:32,750 --> 00:11:31,079

from CarMax

253

00:11:35,569 --> 00:11:32,760

and then he's a good friend of mine and

254

00:11:38,509 --> 00:11:35,579

we're he's quite excited and

255

00:11:41,750 --> 00:11:38,519

he's he starts tell me about this object

256

00:11:46,069 --> 00:11:41,760

he saw at Little Fox Lake and

257

00:11:48,290 --> 00:11:46,079

he's describing it to me in in quite

258

00:11:50,810 --> 00:11:48,300

quite a bit of detail as I pull into

259

00:11:52,790 --> 00:11:50,820

braver nervous a lot of people there and

260

00:11:54,530 --> 00:11:52,800

everybody was scattered around are all

261

00:11:56,630 --> 00:11:54,540

excited and everybody was talking about

262

00:11:57,710 --> 00:11:56,640

it a little while later another car come

263

00:11:59,449 --> 00:11:57,720

in and

264

00:12:02,389 --> 00:11:59,459

this other fella

265

00:12:03,769 --> 00:12:02,399

he was quite excited too they all just

266

00:12:05,509 --> 00:12:03,779

they were really excited and they come

267

00:12:06,949 --> 00:12:05,519

in there's some I think he had some

268

00:12:10,069 --> 00:12:06,959

people with them and

269

00:12:12,530 --> 00:12:10,079

he sat down we all started talking and

270

00:12:15,110 --> 00:12:12,540

talking about it and he starts drawing

271

00:12:17,030 --> 00:12:15,120

the the exact same thing that Danny had

272

00:12:19,430 --> 00:12:17,040

just told me

273

00:12:22,310 --> 00:12:19,440

he he drew it and while he was doing

274

00:12:25,009 --> 00:12:22,320

this a bunch of other people came in

275

00:12:26,990 --> 00:12:25,019

from Pelly

276

00:12:28,550 --> 00:12:27,000

and they uh

277

00:12:32,329 --> 00:12:28,560

described

278

00:12:34,790 --> 00:12:32,339

the same thing that was being drawn it

279

00:12:37,670 --> 00:12:34,800

was kind of weird you know like they uh

280

00:12:39,530 --> 00:12:37,680

they all yeah they were pretty excited

281

00:12:40,790 --> 00:12:39,540

about it because they all they all

282

00:12:43,129 --> 00:12:40,800

realized that

283

00:12:45,949 --> 00:12:43,139

they all saw the same thing we can

284

00:12:48,650 --> 00:12:45,959

calculate the actual size vehicle they

285

00:12:51,170 --> 00:12:48,660

did say it was huge so here's Fox forms

286

00:12:53,509 --> 00:12:51,180

five location you project that angle out

287

00:12:55,430 --> 00:12:53,519

to here where Fox 2 and fox 3 were

288

00:12:59,210 --> 00:12:55,440

here's a few estimates of the size of

289

00:13:01,090 --> 00:12:59,220

the efo and based on those drawings you

290

00:13:03,350 --> 00:13:01,100

can see the scale here

291

00:13:05,509 --> 00:13:03,360

is the same order of one or two

292

00:13:08,530 --> 00:13:05,519

kilometers maybe just under a kilometer

293

00:13:10,329 --> 00:13:08,540

for the smallest estimate here

294

00:13:12,889 --> 00:13:10,339

foreign

295

00:13:15,590 --> 00:13:12,899

Crossing has a total population of less

296

00:13:16,790 --> 00:13:15,600

than 300 people 80 percent of whom are

297

00:13:19,610 --> 00:13:16,800

First Nation

298

00:13:21,110 --> 00:13:19,620

it's 282 kilometers Northwest of

299

00:13:23,470 --> 00:13:21,120

Whitehorse on the banks of the Peli

300

00:13:26,030 --> 00:13:23,480

River most of the work is in government

301
00:13:26,930 --> 00:13:26,040
providing services such as education and

302
00:13:28,910 --> 00:13:26,940
health

303
00:13:30,590 --> 00:13:28,920
the main employer is the Selkirk First

304
00:13:32,810 --> 00:13:30,600
Nation

305
00:13:35,269 --> 00:13:32,820
a small part of the economy is hunting

306
00:13:37,610 --> 00:13:35,279
fishing and trapping and it was trapping

307
00:13:38,710 --> 00:13:37,620
that had Don Trudeau out on the land on

308
00:13:42,230 --> 00:13:38,720
December 11

309
00:13:45,350 --> 00:13:42,240
1996 and when I commended at clearing I

310
00:13:47,449 --> 00:13:45,360
noticed out of the corner of my eye a

311
00:13:50,030 --> 00:13:47,459
strange light and I turned and looked at

312
00:13:54,110 --> 00:13:50,040
it it was green beam

313
00:13:55,670 --> 00:13:54,120

and I thought oh 747 is coming down

314

00:14:00,530 --> 00:13:55,680

then I looked at it and it was moving

315

00:14:03,050 --> 00:14:00,540

very very slow so I turned to get a full

316

00:14:05,090 --> 00:14:03,060

full view of it and when I turned my

317

00:14:08,290 --> 00:14:05,100

flashlight being pointed in that

318

00:14:11,210 --> 00:14:08,300

direction and that thing was

319

00:14:13,670 --> 00:14:11,220

three quarters of a mile to a mile away

320

00:14:16,310 --> 00:14:13,680

when I first saw it and as soon as my

321

00:14:19,610 --> 00:14:16,320

flashlight beam turned that thing went

322

00:14:22,550 --> 00:14:19,620

and it was about 300 yards away really

323

00:14:24,829 --> 00:14:22,560

really fast and when I did that I

324

00:14:26,810 --> 00:14:24,839

covered my light

325

00:14:28,850 --> 00:14:26,820

then I stood there watching it and I

326

00:14:31,550 --> 00:14:28,860

could no longer look at it without

327

00:14:33,470 --> 00:14:31,560

turning and looking at it by turning my

328

00:14:36,290 --> 00:14:33,480

head another witness from that Community

329

00:14:38,569 --> 00:14:36,300

is Gene van bibber her family has a

330

00:14:40,129 --> 00:14:38,579

homestead at Pele Crossing she's lived

331

00:14:42,470 --> 00:14:40,139

there most of her life

332

00:14:45,650 --> 00:14:42,480

I was driving back from Whitehorse with

333

00:14:47,689 --> 00:14:45,660

my brother and we were close to Peli

334

00:14:50,449 --> 00:14:47,699

we're only a few kilometers out of Peli

335

00:14:52,790 --> 00:14:50,459

when he looked over at me and said holy

336

00:14:55,430 --> 00:14:52,800

[h__\h] Gene and he was looking up in the

337

00:14:58,970 --> 00:14:55,440

sky and so I followed his gaze and I

338

00:15:01,610 --> 00:14:58,980

seen sort of huge clusters of stars all

339

00:15:02,990 --> 00:15:01,620

together and right away I realized that

340

00:15:05,269 --> 00:15:03,000

it was a vehicle

341

00:15:06,530 --> 00:15:05,279

and it was traveling at a very slow rate

342

00:15:10,490 --> 00:15:06,540

of speed

343

00:15:13,370 --> 00:15:10,500

and I could see it above the hill and it

344

00:15:16,030 --> 00:15:13,380

went just below the Big Dipper in the

345

00:15:18,949 --> 00:15:16,040

sky and it was the same

346

00:15:21,470 --> 00:15:18,959

length as the Big Dipper out of the back

347

00:15:25,550 --> 00:15:21,480

of it was two lights two white beams

348

00:15:28,069 --> 00:15:25,560

that were down on a 45 degree angle and

349

00:15:30,410 --> 00:15:28,079

now to the front of it was a green beam

350

00:15:32,810 --> 00:15:30,420

and those beams had to be about four

351
00:15:35,090 --> 00:15:32,820
feet in diameter both the one in front

352
00:15:37,310 --> 00:15:35,100
and the two behind you couldn't see the

353
00:15:40,670 --> 00:15:37,320
outline of the UFO but you could see the

354
00:15:42,410 --> 00:15:40,680
lights there was lights on on the side

355
00:15:45,889 --> 00:15:42,420
of the vehicle going like up and down

356
00:15:48,110 --> 00:15:45,899
and then there was individual lights for

357
00:15:50,930 --> 00:15:48,120
several stories

358
00:15:52,370 --> 00:15:50,940
I couldn't see the shape of the hole it

359
00:15:54,829 --> 00:15:52,380
was uh

360
00:15:57,590 --> 00:15:54,839
Dark of the Moon there was no moon

361
00:16:00,050 --> 00:15:57,600
but I could see that a great portion of

362
00:16:01,550 --> 00:16:00,060
the sky was blacked out the Stars I

363
00:16:03,949 --> 00:16:01,560

couldn't see the stars

364

00:16:05,210 --> 00:16:03,959

and I watched that for probably four to

365

00:16:08,449 --> 00:16:05,220

five minutes

366

00:16:10,189 --> 00:16:08,459

and very very slowly it kept going to

367

00:16:11,750 --> 00:16:10,199

where it was coming behind me and it was

368

00:16:14,269 --> 00:16:11,760

starting to disappear behind the

369

00:16:16,069 --> 00:16:14,279

Treetops so I run across that little

370

00:16:17,870 --> 00:16:16,079

crane probably about four or five steps

371

00:16:20,329 --> 00:16:17,880

I was across I turned around and looked

372

00:16:23,230 --> 00:16:20,339

and was gone

373

00:16:25,490 --> 00:16:23,240

it looked like something that huge

374

00:16:27,650 --> 00:16:25,500

shouldn't be moving in a straight line

375

00:16:30,829 --> 00:16:27,660

at that speed

376

00:16:33,350 --> 00:16:30,839

to my mind everything was kind of

377

00:16:34,670 --> 00:16:33,360

I was really surprised to see it I was

378

00:16:37,910 --> 00:16:34,680

excited

379

00:16:43,240 --> 00:16:37,920

scared and all these emotions sort of

380

00:16:48,730 --> 00:16:46,069

[Music]

381

00:16:51,050 --> 00:16:48,740

the time was just off

382

00:16:53,150 --> 00:16:51,060

this thing could move so silently

383

00:16:54,769 --> 00:16:53,160

there's no motor sound it was just

384

00:16:57,249 --> 00:16:54,779

floating

385

00:17:02,389 --> 00:16:57,259

in in how I understand

386

00:17:05,150 --> 00:17:02,399

ergonomics it's it it can't do that so I

387

00:17:10,970 --> 00:17:05,160

was thinking geez you know this this is

388

00:17:13,610 --> 00:17:10,980

amazing and then after that it left

389

00:17:15,189 --> 00:17:13,620

geez why did I cover my light

390

00:17:19,549 --> 00:17:15,199

I might have been able to go up there

391

00:17:21,610 --> 00:17:19,559

and and visit with those whatever we saw

392

00:17:24,289 --> 00:17:21,620

it for oh I'd say a few minutes anyway

393

00:17:27,650 --> 00:17:24,299

and then the lights on it went blink

394

00:17:30,890 --> 00:17:27,660

blink blink in different sections of the

395

00:17:32,870 --> 00:17:30,900

spaceship and then it disappeared

396

00:17:34,490 --> 00:17:32,880

you couldn't see it at all and you

397

00:17:36,470 --> 00:17:34,500

couldn't hear anything

398

00:17:38,750 --> 00:17:36,480

and after this happened and I got home

399

00:17:40,909 --> 00:17:38,760

probably around 10 o'clock and they were

400

00:17:42,909 --> 00:17:40,919

watching a video and believe it or not

401
00:17:46,789 --> 00:17:42,919
that video was

402
00:17:49,310 --> 00:17:46,799
Independence Day and they were just

403
00:17:52,430 --> 00:17:49,320
watching the scene where the alien ship

404
00:17:54,650 --> 00:17:52,440
opened up and shot the blasto and I come

405
00:17:57,590 --> 00:17:54,660
in you know all excited you'll never

406
00:18:00,710 --> 00:17:57,600
guess what I saw and so I read my story

407
00:18:02,810 --> 00:18:00,720
and then all of them become very very

408
00:18:05,450 --> 00:18:02,820
frightened in fact our grandchildren

409
00:18:08,470 --> 00:18:05,460
didn't want to go out for their a good

410
00:18:11,390 --> 00:18:08,480
week they didn't want to be able to make

411
00:18:15,169 --> 00:18:11,400
like it was a complete surprise to both

412
00:18:17,529 --> 00:18:15,179
my brother and myself so

413
00:18:22,250 --> 00:18:19,909

I asked him I said well what do you

414

00:18:24,409 --> 00:18:22,260

think of it and he said maybe it's us in

415

00:18:28,610 --> 00:18:24,419

the future coming back to see ourselves

416

00:18:28,620 --> 00:18:37,990

foreign

417

00:18:44,570 --> 00:18:41,150

yet another witness in Pele crossing a

418

00:18:46,669 --> 00:18:44,580

teenage boy also has a close encounter

419

00:18:49,430 --> 00:18:46,679

he was crossing the bridge and he saw

420

00:18:52,010 --> 00:18:49,440

this Royal lights coming he got so

421

00:18:54,110 --> 00:18:52,020

scared he laid down on the bridge and

422

00:18:56,450 --> 00:18:54,120

then he at one point he looked up and

423

00:18:58,789 --> 00:18:56,460

the object was right above him he came

424

00:19:00,830 --> 00:18:58,799

he came home and he told his grandma

425

00:19:03,049 --> 00:19:00,840

about it and I talked to his grandma and

426

00:19:05,570 --> 00:19:03,059

she said he was really frightened about

427

00:19:06,830 --> 00:19:05,580

it he was I think maybe 16 years old or

428

00:19:09,049 --> 00:19:06,840

something like that

429

00:19:11,510 --> 00:19:09,059

before the object moved out of the Skies

430

00:19:13,909 --> 00:19:11,520

over pelly Crossing it would be seen by

431

00:19:15,830 --> 00:19:13,919

at least four other people

432

00:19:19,490 --> 00:19:15,840

about a kilometer outside the village of

433

00:19:21,289 --> 00:19:19,500

Carmax four men are out for a drive

434

00:19:23,029 --> 00:19:21,299

they notice a group of Lights to the

435

00:19:26,510 --> 00:19:23,039

northwest of them

436

00:19:28,730 --> 00:19:26,520

they stopped for a better look

437

00:19:30,110 --> 00:19:28,740

while the men stare at the lights a

438

00:19:31,669 --> 00:19:30,120

family of five are sitting in their

439

00:19:33,950 --> 00:19:31,679

living room in CarMax watching

440

00:19:35,570 --> 00:19:33,960

television when through a window they

441

00:19:37,070 --> 00:19:35,580

notice a row of Lights moving in the

442

00:19:39,350 --> 00:19:37,080

distance

443

00:19:41,450 --> 00:19:39,360

the father thinks it may be a jumbo jet

444

00:19:44,090 --> 00:19:41,460

but hears no sound

445

00:19:47,029 --> 00:19:44,100

children think it's Santa Claus then the

446

00:19:49,669 --> 00:19:47,039

lights go out one by one

447

00:19:51,409 --> 00:19:49,679

further north in mayo another eight

448

00:19:53,090 --> 00:19:51,419

people would report seeing strange

449

00:19:55,610 --> 00:19:53,100

lights over their Village

450

00:19:57,890 --> 00:19:55,620

no one is sure if there was one craft or

451
00:20:00,230 --> 00:19:57,900
several no who knows if it's man-made or

452
00:20:02,630 --> 00:20:00,240
something from outer space but they

453
00:20:04,610 --> 00:20:02,640
definitely saw what they saw

454
00:20:07,370 --> 00:20:04,620
and uh

455
00:20:09,710 --> 00:20:07,380
this area is known

456
00:20:10,669 --> 00:20:09,720
that people see different stuff though

457
00:20:14,350 --> 00:20:10,679
so

458
00:20:18,590 --> 00:20:16,549
who knows maybe it wasn't Mass

459
00:20:21,289 --> 00:20:18,600
hallucination but I doubt it

460
00:20:22,970 --> 00:20:21,299
was and it

461
00:20:26,210 --> 00:20:22,980
and it was definitely

462
00:20:28,669 --> 00:20:26,220
a manufactured

463
00:20:30,529 --> 00:20:28,679

thing that they saw

464

00:20:33,250 --> 00:20:30,539

somebody somebody made it

465

00:20:35,990 --> 00:20:33,260

for something made it or whoever

466

00:20:39,409 --> 00:20:36,000

they're describing things that are not

467

00:20:41,690 --> 00:20:39,419

conventional that move very quickly and

468

00:20:44,810 --> 00:20:41,700

hover it and are silent and there's just

469

00:20:47,930 --> 00:20:44,820

no other explanation than than something

470

00:20:54,770 --> 00:20:50,990

the term unidentified flying object was

471

00:20:58,549 --> 00:20:54,780

coined around 1950 by 1953 it was

472

00:21:00,650 --> 00:20:58,559

shortened to UFO in the years since the

473

00:21:03,830 --> 00:21:00,660

stories concerning UFOs have been Rife

474

00:21:05,570 --> 00:21:03,840

with speculation some witnesses truly

475

00:21:08,930 --> 00:21:05,580

believe the objects to be of alien

476
00:21:11,029 --> 00:21:08,940
origin piloted by strange-looking beings

477
00:21:13,310 --> 00:21:11,039
Skeptics believe these objects to be

478
00:21:14,990 --> 00:21:13,320
aeronautical technology being tested by

479
00:21:17,150 --> 00:21:15,000
governments

480
00:21:18,830 --> 00:21:17,160
still others believe the objects to be

481
00:21:20,270 --> 00:21:18,840
atmospheric test equipment such as

482
00:21:22,549 --> 00:21:20,280
weather balloons

483
00:21:24,409 --> 00:21:22,559
UFO investigator Martin jassic

484
00:21:26,830 --> 00:21:24,419
considered several possibilities for the

485
00:21:29,210 --> 00:21:26,840
sightings in December of 1996 in Yukon

486
00:21:30,950 --> 00:21:29,220
including blimps

487
00:21:33,649 --> 00:21:30,960
tried the

488
00:21:36,529 --> 00:21:33,659

several explanations uh is there a blimp

489

00:21:38,390 --> 00:21:36,539

in the area and I contacted a blimp

490

00:21:40,850 --> 00:21:38,400

company out in Toronto and they said no

491

00:21:43,549 --> 00:21:40,860

blimps do not fly in the winter it's

492

00:21:45,409 --> 00:21:43,559

very dangerous because just a bit of a

493

00:21:49,549 --> 00:21:45,419

snowfall on the blimp itself can bring

494

00:21:52,909 --> 00:21:49,559

it down so it wasn't so what else is

495

00:21:54,529 --> 00:21:52,919

that big and flies around there are also

496

00:21:55,909 --> 00:21:54,539

people who would say the whole thing is

497

00:21:57,649 --> 00:21:55,919

a hoax

498

00:21:59,930 --> 00:21:57,659

before the people in The Villages along

499

00:22:01,610 --> 00:21:59,940

the north Klondike Highway and those

500

00:22:04,070 --> 00:22:01,620

stopped along Fox Lake on the evening

501
00:22:08,510 --> 00:22:04,080
that the giant craft was spotted this

502
00:22:14,950 --> 00:22:11,990
you may see what I saw

503
00:22:18,590 --> 00:22:14,960
and if you see it believe it

504
00:22:20,270 --> 00:22:18,600
if you don't see it don't scoff at those

505
00:22:23,270 --> 00:22:20,280
who do

506
00:22:24,289 --> 00:22:23,280
and then too many too many are telling

507
00:22:32,529 --> 00:22:24,299
the story

508
00:22:32,539 --> 00:22:36,310
they're out there

509
00:22:40,610 --> 00:22:38,390
I believe there's something out there

510
00:22:42,230 --> 00:22:40,620
now that I've seen in myself in my own

511
00:22:44,690 --> 00:22:42,240
eyes we know what something's there

512
00:22:45,950 --> 00:22:44,700
somewhere you know it's not like we

513
00:22:47,690 --> 00:22:45,960

can't we can't

514

00:22:50,090 --> 00:22:47,700

we can't deny it because we don't know

515

00:22:51,470 --> 00:22:50,100

well there there are unanswered

516

00:22:53,990 --> 00:22:51,480

questions

517

00:22:55,789 --> 00:22:54,000

um we're taught not to believe in UFOs

518

00:22:58,490 --> 00:22:55,799

we're taught not to believe in all sorts

519

00:23:00,830 --> 00:22:58,500

of things and uh humans do as they're

520

00:23:03,770 --> 00:23:00,840

told despite the unanswered questions

521

00:23:05,450 --> 00:23:03,780

and the uncertainty a large percentage

522

00:23:07,789 --> 00:23:05,460

of society believe there is life on

523

00:23:09,350 --> 00:23:07,799

other planets they also believed that

524

00:23:11,630 --> 00:23:09,360

there are Intergalactic visitors who

525

00:23:13,909 --> 00:23:11,640

come to Earth to interact with humans

526
00:23:16,549 --> 00:23:13,919
Michael Bryan is one

527
00:23:18,529 --> 00:23:16,559
he believes in UFOs and in order to

528
00:23:20,750 --> 00:23:18,539
stimulate dialogue about the subject and

529
00:23:22,850 --> 00:23:20,760
other tough issues he writes an article

530
00:23:25,610 --> 00:23:22,860
called Beyond The Box

531
00:23:28,070 --> 00:23:25,620
it appears in a local newspaper it's

532
00:23:30,190 --> 00:23:28,080
common sense to me that we are not alone

533
00:23:34,490 --> 00:23:30,200
in this universe

534
00:23:37,250 --> 00:23:34,500
that there are other there's life on

535
00:23:38,330 --> 00:23:37,260
other planets in other galaxies and so

536
00:23:41,270 --> 00:23:38,340
forth

537
00:23:42,950 --> 00:23:41,280
Lorraine bretman has written a book UFO

538
00:23:44,930 --> 00:23:42,960

stories from the Yukon

539

00:23:46,490 --> 00:23:44,940

she runs an ad in the personal section

540

00:23:48,590 --> 00:23:46,500

of a local paper that has a telephone

541

00:23:50,690 --> 00:23:48,600

number to call if someone wants to

542

00:23:53,390 --> 00:23:50,700

report a UFO sighting or other strange

543

00:23:57,169 --> 00:23:53,400

phenomena well in the beginning I had

544

00:23:58,909 --> 00:23:57,179

asked for UFO stories and I the first

545

00:24:02,930 --> 00:23:58,919

year I wrote

546

00:24:06,710 --> 00:24:02,940

it was 101 stories and not one of them

547

00:24:09,950 --> 00:24:06,720

was the same I think at the moment we

548

00:24:11,390 --> 00:24:09,960

tend to be looked upon as adolescent

549

00:24:13,370 --> 00:24:11,400

children

550

00:24:16,130 --> 00:24:13,380

and that we're being very closely

551
00:24:17,870 --> 00:24:16,140
observed by a different

552
00:24:19,610 --> 00:24:17,880
um star people

553
00:24:21,590 --> 00:24:19,620
we can't say there isn't anybody out

554
00:24:24,529 --> 00:24:21,600
there or any any other thing we'd be

555
00:24:26,510 --> 00:24:24,539
kind of silly to say that

556
00:24:29,330 --> 00:24:26,520
tell you the truth I mean

557
00:24:31,730 --> 00:24:29,340
we'd be pretty naive if I see something

558
00:24:33,649 --> 00:24:31,740
on a busy highway like this and a lot of

559
00:24:37,190 --> 00:24:33,659
other people seen it

560
00:24:38,930 --> 00:24:37,200
it's got to be other people's seen stuff

561
00:24:40,070 --> 00:24:38,940
here in the territory I don't need a

562
00:24:42,770 --> 00:24:40,080
territory but

563
00:24:44,810 --> 00:24:42,780

Around the World perhaps ultimately

564

00:24:47,330 --> 00:24:44,820

there are enough people in Yukon who

565

00:24:50,149 --> 00:24:47,340

believe in UFOs that the Yukon UFO

566

00:24:52,190 --> 00:24:50,159

research society was established in 2001

567

00:24:53,330 --> 00:24:52,200

to investigate and record the local

568

00:24:54,770 --> 00:24:53,340

sightings

569

00:24:56,810 --> 00:24:54,780

I lived in the UConn for about eight

570

00:25:00,289 --> 00:24:56,820

years and when I was up there I um

571

00:25:01,669 --> 00:25:00,299

invested a UFO sightings and it was

572

00:25:05,149 --> 00:25:01,679

really good it got to meet a lot of

573

00:25:07,789 --> 00:25:05,159

people and really interesting cases

574

00:25:09,590 --> 00:25:07,799

we used to go out in the field and and

575

00:25:11,390 --> 00:25:09,600

take measurements of where people saw

576
00:25:13,789 --> 00:25:11,400
things and uh

577
00:25:16,310 --> 00:25:13,799
and compiled reports and put them on a

578
00:25:18,830 --> 00:25:16,320
website and published some of them

579
00:25:21,529 --> 00:25:18,840
the research Society has recorded at

580
00:25:22,430 --> 00:25:21,539
least 293 sightings going back to the

581
00:25:24,590 --> 00:25:22,440
60s

582
00:25:26,690 --> 00:25:24,600
with at least one sighting from the 30s

583
00:25:29,390 --> 00:25:26,700
less than half of the sightings were

584
00:25:31,190 --> 00:25:29,400
made public by the witnesses

585
00:25:33,490 --> 00:25:31,200
these records indicate that there may

586
00:25:37,789 --> 00:25:33,500
also be UFO hot spots in the territory

587
00:25:39,890 --> 00:25:37,799
well uh I think the the one that a lot

588
00:25:42,769 --> 00:25:39,900

of people are familiar with is Fox Lake

589

00:25:48,549 --> 00:25:42,779

a high hot spot from what I understand

590

00:25:54,250 --> 00:25:48,559

is LaBarge Lake LaBarge and also Viceroy

591

00:25:59,210 --> 00:25:56,630

Elder Irene Adamson is a southern

592

00:26:01,190 --> 00:25:59,220

dishoni of klinget descent she's lived

593

00:26:02,870 --> 00:26:01,200

and hunted in the Fox Lake Lake LaBarge

594

00:26:05,029 --> 00:26:02,880

area most of her life

595

00:26:07,070 --> 00:26:05,039

if strange celestial objects were

596

00:26:08,690 --> 00:26:07,080

spotted in the area in the past she

597

00:26:11,690 --> 00:26:08,700

would have heard about it

598

00:26:13,310 --> 00:26:11,700

indeed the story she recounts here is of

599

00:26:16,730 --> 00:26:13,320

a strange event that occurred in that

600

00:26:18,769 --> 00:26:16,740

area during the 1800s my grandmother

601
00:26:21,529 --> 00:26:18,779
that

602
00:26:22,430 --> 00:26:21,539
a shooting next routine but it's not

603
00:26:26,750 --> 00:26:22,440
there

604
00:26:28,750 --> 00:26:26,760
they stay up right back behind them that

605
00:26:32,450 --> 00:26:28,760
Village is

606
00:26:34,370 --> 00:26:32,460
up in that mountain that mountain so

607
00:26:37,610 --> 00:26:34,380
they were sitting down by the campfire

608
00:26:39,590 --> 00:26:37,620
after they eat so the moon come up and

609
00:26:41,570 --> 00:26:39,600
it just went up so far

610
00:26:44,930 --> 00:26:41,580
and then here

611
00:26:47,690 --> 00:26:44,940
and all of a Suddenly It's just it's

612
00:26:50,029 --> 00:26:47,700
just like it started drip

613
00:26:54,049 --> 00:26:50,039

started drip just like water

614

00:26:57,110 --> 00:26:54,059

and the heat that moon was Dripping and

615

00:27:00,769 --> 00:26:57,120

so it went down so far

616

00:27:04,730 --> 00:27:00,779

and it stopped there and another another

617

00:27:06,409 --> 00:27:04,740

moon was formed there another Moon

618

00:27:09,529 --> 00:27:06,419

and

619

00:27:11,930 --> 00:27:09,539

it happened three times

620

00:27:14,630 --> 00:27:11,940

despite the uncertainty and skepticism

621

00:27:16,430 --> 00:27:14,640

surrounding the UFO phenomenon sightings

622

00:27:19,070 --> 00:27:16,440

on a global scale increased dramatically

623

00:27:20,269 --> 00:27:19,080

in the late 40s leaving some to surmise

624

00:27:22,850 --> 00:27:20,279

that they might have something to do

625

00:27:25,850 --> 00:27:22,860

with World War II or the development of

626
00:27:28,250 --> 00:27:25,860
nuclear technology but these theories do

627
00:27:31,310 --> 00:27:28,260
not explain the sightings in Yukon prior

628
00:27:33,950 --> 00:27:31,320
to the 1940s or for that matter prior to

629
00:27:36,470 --> 00:27:33,960
the aircraft arriving in Canada's North

630
00:27:38,570 --> 00:27:36,480
for Irene adamson's grandmother Han day

631
00:27:40,130 --> 00:27:38,580
seeing the moon split into three was

632
00:27:42,649 --> 00:27:40,140
enough to have her fearing for her life

633
00:27:45,169 --> 00:27:42,659
and the lives of her children

634
00:27:48,590 --> 00:27:45,179
that time then my grandmother my great

635
00:27:50,750 --> 00:27:48,600
great grandmother she

636
00:27:54,409 --> 00:27:50,760
she started to cry

637
00:27:57,049 --> 00:27:54,419
and she took out she took out the Rope

638
00:28:00,110 --> 00:27:57,059

she took up roof and she tied around her

639

00:28:01,669 --> 00:28:00,120

waist and she tied them she tied all of

640

00:28:05,390 --> 00:28:01,679

her kids to

641

00:28:09,470 --> 00:28:05,400

to her she watched Penny all night and

642

00:28:09,480 --> 00:28:23,230

foreign

643

00:28:27,769 --> 00:28:26,090

in the past 10 years the two major

644

00:28:29,630 --> 00:28:27,779

newspapers in the territory have

645

00:28:32,630 --> 00:28:29,640

published numerous stories of strange

646

00:28:34,549 --> 00:28:32,640

lights in Yukon Skies the sightings have

647

00:28:37,130 --> 00:28:34,559

been so frequent that it was decided

648

00:28:39,110 --> 00:28:37,140

that it was time to have a conference so

649

00:28:41,149 --> 00:28:39,120

far there have been two both in

650

00:28:44,210 --> 00:28:41,159

Whitehorse one in two thousand and the

651
00:28:47,390 --> 00:28:44,220
other in 2002 attended by ufologists

652
00:28:50,990 --> 00:28:47,400
such as the well-known Stan Friedman the

653
00:28:54,289 --> 00:28:51,000
giant UFO event of December 11 1996 was

654
00:28:57,529 --> 00:28:54,299
a highlight of the 2000 conference

655
00:28:59,810 --> 00:28:57,539
and I'm going to share my story with you

656
00:29:01,549 --> 00:28:59,820
the conference has also addressed some

657
00:29:04,549 --> 00:29:01,559
of the major obstacles plaguing the

658
00:29:07,310 --> 00:29:04,559
collection of UFO data fear of ridicule

659
00:29:10,010 --> 00:29:07,320
is one Witnesses are very reluctant to

660
00:29:13,669 --> 00:29:10,020
come forward I think the biggest thing

661
00:29:17,510 --> 00:29:13,679
would be they're afraid of um of uh

662
00:29:20,389 --> 00:29:17,520
losing face or or looking silly or

663
00:29:22,610 --> 00:29:20,399

people won't believe them

664

00:29:24,409 --> 00:29:22,620

so you know um

665

00:29:30,190 --> 00:29:24,419

we're taught not to believe in things

666

00:29:36,169 --> 00:29:33,610

they might be questioned

667

00:29:38,389 --> 00:29:36,179

there might be some individuals that are

668

00:29:40,250 --> 00:29:38,399

in the reserves I've seen it and you

669

00:29:42,110 --> 00:29:40,260

know might even get picked out of the

670

00:29:43,730 --> 00:29:42,120

reserves there's lots of people who

671

00:29:47,330 --> 00:29:43,740

believe

672

00:29:49,510 --> 00:29:47,340

um simply because they have experiences

673

00:29:51,850 --> 00:29:49,520

um but at the same time

674

00:29:54,529 --> 00:29:51,860

Christianity enters into the picture

675

00:29:58,010 --> 00:29:54,539

most people will not

676
00:29:59,450 --> 00:29:58,020
cross that line publicly well they're

677
00:30:00,909 --> 00:29:59,460
afraid of being criticized and thought

678
00:30:03,590 --> 00:30:00,919
to be you know

679
00:30:05,630 --> 00:30:03,600
in la la land and of course it could

680
00:30:07,970 --> 00:30:05,640
affect their their position in their job

681
00:30:11,510 --> 00:30:07,980
or whatever I went to the post office

682
00:30:13,730 --> 00:30:11,520
and the next day and I saw the RCMP

683
00:30:15,909 --> 00:30:13,740
there and I told him I said well I saw

684
00:30:19,250 --> 00:30:15,919
that big UFO that flew over yesterday

685
00:30:21,470 --> 00:30:19,260
last night and he said that was no UFO

686
00:30:22,909 --> 00:30:21,480
there was meteor breaking up and I said

687
00:30:25,250 --> 00:30:22,919
well I hope to heck it you're right

688
00:30:27,350 --> 00:30:25,260

because if you're not there was somebody

689

00:30:29,389 --> 00:30:27,360

behind the wheel driving it

690

00:30:31,490 --> 00:30:29,399

the reasons why Witnesses and government

691

00:30:35,870 --> 00:30:31,500

agencies do not come forward publicly

692

00:30:37,850 --> 00:30:35,880

are many the RCMP Transport Canada Yukon

693

00:30:39,769 --> 00:30:37,860

Municipal and First Nation governments

694

00:30:40,789 --> 00:30:39,779

were all invited to the conference in

695

00:30:44,149 --> 00:30:40,799

2000

696

00:30:45,830 --> 00:30:44,159

but for various reasons did not attend

697

00:30:48,169 --> 00:30:45,840

a letter from the Department of National

698

00:30:50,510 --> 00:30:48,179

Defense states that they couldn't attend

699

00:30:52,610 --> 00:30:50,520

because of scheduling conflicts

700

00:30:55,970 --> 00:30:52,620

Louise Hardy was UConn's Member of

701

00:30:57,710 --> 00:30:55,980

Parliament from 1997 to 2000. she

702

00:31:00,889 --> 00:30:57,720

provided some opening remarks at the

703

00:31:04,250 --> 00:31:00,899

2000 UFO conference we know that there's

704

00:31:06,769 --> 00:31:04,260

a wider world out there and I see work

705

00:31:08,870 --> 00:31:06,779

as as people coming together to

706

00:31:11,090 --> 00:31:08,880

investigate and study that wider world

707

00:31:13,370 --> 00:31:11,100

so I hope everybody enjoys the

708

00:31:14,690 --> 00:31:13,380

conference and and I and I hope that you

709

00:31:16,430 --> 00:31:14,700

know that you're on The Cutting Edge

710

00:31:19,430 --> 00:31:16,440

here there's not too many places that

711

00:31:21,830 --> 00:31:19,440

have UFO conferences so congratulations

712

00:31:24,529 --> 00:31:21,840

Louise Hardy was one government official

713

00:31:28,070 --> 00:31:24,539

to whom the 1996 sighting was reported

714

00:31:29,990 --> 00:31:28,080

by the Yukon UFO research Society

715

00:31:34,389 --> 00:31:30,000

I sent it to just about anybody I could

716

00:31:38,269 --> 00:31:34,399

uh Louise Hardy our our MP at the time

717

00:31:39,830 --> 00:31:38,279

the RCMP Detachment in White Horse DND

718

00:31:43,669 --> 00:31:39,840

out of Yellowknife

719

00:31:48,169 --> 00:31:43,679

and a lot of the communities as well

720

00:31:51,889 --> 00:31:48,179

and uh basically what what I asked is to

721

00:31:54,470 --> 00:31:51,899

for two-way exchange of information

722

00:31:56,570 --> 00:31:54,480

about this case we did eventually get a

723

00:31:59,389 --> 00:31:56,580

response about a year later from the

724

00:32:01,850 --> 00:31:59,399

National Defense and and they

725

00:32:03,830 --> 00:32:01,860

forwarded the report to uh UFO

726
00:32:06,470 --> 00:32:03,840
organization in Manitoba which is kind

727
00:32:08,389 --> 00:32:06,480
of like the central collecting point of

728
00:32:11,090 --> 00:32:08,399
for UFO sightings and but they're just

729
00:32:13,250 --> 00:32:11,100
like another organization like us so it

730
00:32:15,289 --> 00:32:13,260
actually went full the report went full

731
00:32:17,450 --> 00:32:15,299
circle and uh there was really no

732
00:32:20,090 --> 00:32:17,460
official acknowledgment

733
00:32:21,590 --> 00:32:20,100
this email sent to Martin jassic from a

734
00:32:24,769 --> 00:32:21,600
Canadian Forces intelligence and

735
00:32:28,370 --> 00:32:24,779
security officer dated August 8 2000

736
00:32:30,830 --> 00:32:28,380
States in part Canada and the USA as

737
00:32:34,610 --> 00:32:30,840
NORAD Partners back in either the end of

738
00:32:36,710 --> 00:32:34,620

the 1970s or the early 1980s determined

739

00:32:38,510 --> 00:32:36,720

that the existence of extraterrestrials

740

00:32:41,690 --> 00:32:38,520

was unfounded

741

00:32:43,730 --> 00:32:41,700

the email goes on to say it has been my

742

00:32:45,529 --> 00:32:43,740

experience that all sightings that I

743

00:32:47,990 --> 00:32:45,539

have reported up the chain of command

744

00:32:50,269 --> 00:32:48,000

have proven to be either satellites or

745

00:32:52,250 --> 00:32:50,279

high-flying military aircraft

746

00:32:55,010 --> 00:32:52,260

the long-standing theory of a government

747

00:32:56,990 --> 00:32:55,020

cover-up is also a concern to Witnesses

748

00:32:58,970 --> 00:32:57,000

and investigators

749

00:33:01,090 --> 00:32:58,980

no one talks about it because the

750

00:33:03,289 --> 00:33:01,100

governments don't

751
00:33:06,289 --> 00:33:03,299
acknowledge the fact that these things

752
00:33:08,510 --> 00:33:06,299
exist there was a new story about this

753
00:33:10,850 --> 00:33:08,520
particular UFO

754
00:33:12,830 --> 00:33:10,860
um on the radio the next morning

755
00:33:15,529 --> 00:33:12,840
but

756
00:33:18,310 --> 00:33:15,539
that's all it was like people seen this

757
00:33:20,830 --> 00:33:18,320
there's no nothing that says

758
00:33:24,350 --> 00:33:20,840
whether any

759
00:33:26,570 --> 00:33:24,360
airports had it on their radar screen or

760
00:33:29,450 --> 00:33:26,580
what it was or you know there's no

761
00:33:31,549 --> 00:33:29,460
answers absolutely no answers so the

762
00:33:32,930 --> 00:33:31,559
government is kind of like our they like

763
00:33:35,269 --> 00:33:32,940

to think of themselves as being our

764

00:33:36,409 --> 00:33:35,279

parents assuring us that everything's

765

00:33:36,950 --> 00:33:36,419

okay

766

00:33:38,630 --> 00:33:36,960

um

767

00:33:40,909 --> 00:33:38,640

everything's under control they have

768

00:33:42,830 --> 00:33:40,919

everything under control and and to

769

00:33:44,269 --> 00:33:42,840

admit to this it would indicate that

770

00:33:46,430 --> 00:33:44,279

they don't have everything under control

771

00:33:49,789 --> 00:33:46,440

and uh

772

00:33:53,110 --> 00:33:49,799

um then there's the issue of fear that

773

00:33:56,750 --> 00:33:53,120

everybody will panic and um

774

00:33:59,389 --> 00:33:56,760

there's also things like um

775

00:34:02,810 --> 00:33:59,399

issue of energy if people if this

776
00:34:05,570 --> 00:34:02,820
becomes accepted then what energy are

777
00:34:07,549 --> 00:34:05,580
these UFOs using to fly around at such

778
00:34:10,190 --> 00:34:07,559
great speeds convincing government

779
00:34:11,990 --> 00:34:10,200
agencies and officials scientists and

780
00:34:14,510 --> 00:34:12,000
the general public to take the UFO

781
00:34:16,609 --> 00:34:14,520
phenomena seriously and to accept it as

782
00:34:18,589 --> 00:34:16,619
a legitimate field of study was a

783
00:34:20,750 --> 00:34:18,599
long-term goal of the UFO conference in

784
00:34:22,669 --> 00:34:20,760
Whitehorse UConn in 2000

785
00:34:24,589 --> 00:34:22,679
a shorter term goal was to begin

786
00:34:26,750 --> 00:34:24,599
establishing an environment of trust

787
00:34:29,389 --> 00:34:26,760
respect and cooperation between

788
00:34:31,129 --> 00:34:29,399

Witnesses civilian investigators and

789

00:34:33,589 --> 00:34:31,139

government agencies

790

00:34:36,169 --> 00:34:33,599

Martin Jassie the main investigator of

791

00:34:38,089 --> 00:34:36,179

the giant UFO that was witnessed in 1996

792

00:34:39,770 --> 00:34:38,099

would like to see some Frank and open

793

00:34:42,470 --> 00:34:39,780

discussion take place

794

00:34:44,990 --> 00:34:42,480

yeah my hopes are that we'll be able to

795

00:34:47,570 --> 00:34:45,000

get to that stage and talk about it and

796

00:34:49,369 --> 00:34:47,580

then once it's accepted then you can

797

00:34:52,550 --> 00:34:49,379

really put the resources on it to find

798

00:34:54,230 --> 00:34:52,560

out what what's going on like it's

799

00:34:55,849 --> 00:34:54,240

people working out of their homes trying

800

00:34:58,250 --> 00:34:55,859

to solve the Mysteries and answer these

801

00:35:01,010 --> 00:34:58,260

questions it it just can't be done but

802

00:35:02,690 --> 00:35:01,020

Witnesses still want answers not just

803

00:35:06,230 --> 00:35:02,700

the witnesses that cited the giant

804

00:35:08,750 --> 00:35:06,240

object in 1996 but others in Yukon whose

805

00:35:11,450 --> 00:35:08,760

experiences have gone far beyond just a

806

00:35:21,410 --> 00:35:11,460

sighting Colette Opera was a participant

807

00:35:25,190 --> 00:35:22,609

it was

808

00:35:27,349 --> 00:35:25,200

a very odd feeling because what I saw in

809

00:35:29,210 --> 00:35:27,359

front of me was something that went

810

00:35:31,329 --> 00:35:29,220

straight out in front and I can look up

811

00:35:33,890 --> 00:35:31,339

but that's it

812

00:35:36,650 --> 00:35:33,900

to me it looked metal but the only thing

813

00:35:38,750 --> 00:35:36,660

that didn't make any sense to me how

814

00:35:41,150 --> 00:35:38,760

could that be happening on the side of

815

00:35:45,490 --> 00:35:41,160

my head I really find that the UFO

816

00:35:48,770 --> 00:35:45,500

sightings follow along family lines and

817

00:35:51,650 --> 00:35:48,780

certain people certain people I can see

818

00:35:53,630 --> 00:35:51,660

them have sightings more often and I'm

819

00:35:56,150 --> 00:35:53,640

not sure what it is first nations in

820

00:35:58,310 --> 00:35:56,160

particular stand out from what I

821

00:36:02,450 --> 00:35:58,320

understand if you have one incident you

822

00:36:05,329 --> 00:36:02,460

have many incidents and if sometimes

823

00:36:07,910 --> 00:36:05,339

that just is follows along in your

824

00:36:10,010 --> 00:36:07,920

family do certain cultures seem more

825

00:36:11,930 --> 00:36:10,020

open to such phenomenon as Martin jassic

826

00:36:13,670 --> 00:36:11,940

and Lorraine Britland believe

827

00:36:17,150 --> 00:36:13,680

and our Aboriginal people more

828

00:36:19,490 --> 00:36:17,160

susceptible to such events or could the

829

00:36:22,010 --> 00:36:19,500

UFO phenomena already be incorporated

830

00:36:26,230 --> 00:36:22,020

into Aboriginal oral histories another

831

00:36:26,240 --> 00:36:41,050

[Music]

832

00:36:46,130 --> 00:36:43,609

one of the oldest stories involving

833

00:36:48,650 --> 00:36:46,140

Celestial phenomenon can be found in

834

00:36:51,589 --> 00:36:48,660

neighboring British Columbia

835

00:36:54,109 --> 00:36:51,599

Elder Chief Kenneth Harris translates in

836

00:36:56,810 --> 00:36:54,119

the book visitors who never left the

837

00:36:58,730 --> 00:36:56,820

origins of the people of Dom Muhammad a

838

00:37:01,490 --> 00:36:58,740

place that existed between the skina and

839

00:37:02,690 --> 00:37:01,500

mass rivers in northern BC thousands of

840

00:37:04,970 --> 00:37:02,700

years ago

841

00:37:07,490 --> 00:37:04,980

the story tells of a young woman who is

842

00:37:08,810 --> 00:37:07,500

taken to a house in the Sky by a strange

843

00:37:10,670 --> 00:37:08,820

visitor

844

00:37:12,349 --> 00:37:10,680

this is where

845

00:37:14,930 --> 00:37:12,359

the old lady

846

00:37:16,910 --> 00:37:14,940

started to shout looking for a husband

847

00:37:21,410 --> 00:37:16,920

for her granddaughter

848

00:37:27,530 --> 00:37:24,710

that's where her name was born

849

00:37:30,950 --> 00:37:27,540

suddenly one day

850

00:37:32,990 --> 00:37:30,960

a fork settled in where there were on

851
00:37:36,290 --> 00:37:33,000
top of the mountain

852
00:37:39,770 --> 00:37:36,300
and out steps a young man

853
00:37:42,829 --> 00:37:39,780
and the old lady knew that this man was

854
00:37:44,569 --> 00:37:42,839
different he has to be from Heaven you

855
00:37:47,630 --> 00:37:44,579
know an angel

856
00:37:51,589 --> 00:37:47,640
and he only took the girl

857
00:37:53,030 --> 00:37:51,599
who was with him

858
00:37:56,329 --> 00:37:53,040
and

859
00:37:59,450 --> 00:37:56,339
it turned out to be that this girl is

860
00:38:00,950 --> 00:37:59,460
our first mother in heaven

861
00:38:04,670 --> 00:38:00,960
you see

862
00:38:06,050 --> 00:38:04,680
and uh and the person that came to pick

863
00:38:10,430 --> 00:38:06,060

her up

864

00:38:19,069 --> 00:38:13,130

and so this is the beginning of our

865

00:38:23,390 --> 00:38:21,710

in heaven the girl is taken to what is

866

00:38:25,310 --> 00:38:23,400

described as a house

867

00:38:27,589 --> 00:38:25,320

in the corner of the house is something

868

00:38:30,109 --> 00:38:27,599

that resembles dripping water

869

00:38:32,329 --> 00:38:30,119

a baby placed under the drips could grow

870

00:38:35,510 --> 00:38:32,339

into adulthood in an incredibly short

871

00:38:39,470 --> 00:38:35,520

period of time they had a little drips

872

00:38:41,690 --> 00:38:39,480

of water from the corner of the house

873

00:38:43,370 --> 00:38:41,700

and what happened

874

00:38:47,030 --> 00:38:43,380

this girl

875

00:38:51,770 --> 00:38:47,040

although they never lived together

876
00:38:53,930 --> 00:38:51,780
and the young man that brought her there

877
00:38:56,750 --> 00:38:53,940
had a child

878
00:39:00,109 --> 00:38:56,760
first child was born

879
00:39:02,990 --> 00:39:00,119
he took the child and brought it to his

880
00:39:04,310 --> 00:39:03,000
father who was sitting in the middle of

881
00:39:06,530 --> 00:39:04,320
the house

882
00:39:09,290 --> 00:39:06,540
and what he did

883
00:39:13,010 --> 00:39:09,300
he washed the baby

884
00:39:15,470 --> 00:39:13,020
in the little jets that flew from the

885
00:39:17,800 --> 00:39:15,480
corner of his house and all of a sudden

886
00:39:19,089 --> 00:39:17,810
the baby crowed to be a man

887
00:39:21,970 --> 00:39:19,099
[Music]

888
00:39:24,829 --> 00:39:21,980

and uh

889

00:39:29,329 --> 00:39:24,839

and that was the beginning

890

00:39:32,390 --> 00:39:29,339

this became the firstborn son of

891

00:39:37,130 --> 00:39:32,400

Kim we call them

892

00:39:39,829 --> 00:39:37,140

the next child became was it was a boy

893

00:39:43,430 --> 00:39:39,839

and became a man

894

00:39:46,490 --> 00:39:43,440

and now the third one

895

00:39:48,050 --> 00:39:46,500

was a little girl and so that the three

896

00:39:50,750 --> 00:39:48,060

children are

897

00:39:52,250 --> 00:39:50,760

growing up well they didn't grow up he

898

00:39:55,810 --> 00:39:52,260

stretch them

899

00:39:59,329 --> 00:39:55,820

attracts them into adult adulthood

900

00:40:01,609 --> 00:39:59,339

and he put them in a canoe

901
00:40:05,030 --> 00:40:01,619
and put them on Earth

902
00:40:07,190 --> 00:40:05,040
and the canoe landed at a place that we

903
00:40:10,370 --> 00:40:07,200
called the Muhammad

904
00:40:15,829 --> 00:40:12,890
because these three children that came

905
00:40:18,230 --> 00:40:15,839
from kiloli

906
00:40:20,870 --> 00:40:18,240
the story this respected Elder tells

907
00:40:23,089 --> 00:40:20,880
records the history and lineage of the

908
00:40:25,250 --> 00:40:23,099
First Nations people from that area

909
00:40:27,050 --> 00:40:25,260
it is a living record of Immaculate

910
00:40:30,470 --> 00:40:27,060
interaction between humans and

911
00:40:32,890 --> 00:40:30,480
Supernatural or otherworldly beings can

912
00:40:37,030 --> 00:40:32,900
you can you do you believe that maybe

913
00:40:41,390 --> 00:40:37,040

the people in clockwan Alaska might also

914

00:40:43,670 --> 00:40:41,400

be related to those people yes but they

915

00:40:46,250 --> 00:40:43,680

brought with them also the first totem

916

00:40:49,609 --> 00:40:46,260

pole remember yeah they they did bring

917

00:40:59,109 --> 00:40:49,619

the first totem pole with ticketless

918

00:41:03,710 --> 00:41:02,329

according to Aboriginal oral history the

919

00:41:05,930 --> 00:41:03,720

children who brought the first totem

920

00:41:08,510 --> 00:41:05,940

pole to Earth were created in a room in

921

00:41:10,609 --> 00:41:08,520

the sky thousands of years ago this is

922

00:41:13,310 --> 00:41:10,619

not surprising considering strange

923

00:41:14,870 --> 00:41:13,320

objects lights and beings that come down

924

00:41:16,849 --> 00:41:14,880

from the heavens have been recorded

925

00:41:18,170 --> 00:41:16,859

before written history in most places in

926
00:41:21,050 --> 00:41:18,180
the world

927
00:41:23,329 --> 00:41:21,060
but however humankind in all its

928
00:41:25,250 --> 00:41:23,339
Multicultural diversity has recorded

929
00:41:28,010 --> 00:41:25,260
these unexplained celestial events

930
00:41:30,410 --> 00:41:28,020
whether in written oral or pictorial

931
00:41:31,910 --> 00:41:30,420
form these records leave more questions

932
00:41:34,550 --> 00:41:31,920
than answers

933
00:41:36,890 --> 00:41:34,560
could the cloud the angel in the canoe

934
00:41:39,230 --> 00:41:36,900
in Chief Harris's story be the same

935
00:41:40,730 --> 00:41:39,240
clouds angels and chariots that are

936
00:41:42,470 --> 00:41:40,740
referred to in the Bible and other

937
00:41:44,690 --> 00:41:42,480
ancient histories

938
00:41:47,030 --> 00:41:44,700

is it possible that the vessels that

939

00:41:49,790 --> 00:41:47,040

these angels traveled in are the UFOs

940

00:41:51,650 --> 00:41:49,800

that are talked about today

941

00:41:53,630 --> 00:41:51,660

and could these angels be the same

942

00:41:55,730 --> 00:41:53,640

beings that have been spoken of for

943

00:41:58,130 --> 00:41:55,740

thousands of years around the campfires

944

00:42:00,349 --> 00:41:58,140

of Aboriginal people around the world

945

00:42:02,270 --> 00:42:00,359

well there's certainly UFOs in the Bible

946

00:42:04,550 --> 00:42:02,280

all through the Bible there's a whole

947

00:42:06,890 --> 00:42:04,560

bunch of passages in fact when Moses

948

00:42:10,670 --> 00:42:06,900

went up to the mountain to visit with

949

00:42:11,870 --> 00:42:10,680

God here came God flying towards him on

950

00:42:15,170 --> 00:42:11,880

a cloud

951
00:42:17,150 --> 00:42:15,180
so God's Cloud came and landed and and

952
00:42:20,030 --> 00:42:17,160
he got out of the cloud and talked to

953
00:42:21,589 --> 00:42:20,040
Moses and you supposedly gave him the

954
00:42:24,530 --> 00:42:21,599
Ten Commandments

955
00:42:25,670 --> 00:42:24,540
so um there's uh several different

956
00:42:28,310 --> 00:42:25,680
places

957
00:42:30,109 --> 00:42:28,320
in the in the Bible where they mentioned

958
00:42:33,530 --> 00:42:30,119
spacecraft

959
00:42:37,190 --> 00:42:33,540
and all of the mythology have little

960
00:42:41,030 --> 00:42:37,200
people and big people and all different

961
00:42:43,310 --> 00:42:41,040
sort of beings that are not human

962
00:42:47,150 --> 00:42:43,320
all the mythology from around the world

963
00:42:49,730 --> 00:42:47,160

if you go back to the Egyptian temples

964

00:42:51,470 --> 00:42:49,740

in the earlier times you know three or

965

00:42:54,950 --> 00:42:51,480

four thousand years ago

966

00:42:57,829 --> 00:42:54,960

you know I've always felt that the gods

967

00:42:59,690 --> 00:42:57,839

and the that are put on these drawings

968

00:43:02,210 --> 00:42:59,700

and that are in these drawings you know

969

00:43:05,750 --> 00:43:02,220

there's some with a long snout that

970

00:43:08,510 --> 00:43:05,760

these were the original Star people that

971

00:43:10,550 --> 00:43:08,520

that came to Earth and that's what they

972

00:43:12,349 --> 00:43:10,560

saw and they called them gods of course

973

00:43:15,589 --> 00:43:12,359

because they came in these incredible

974

00:43:19,849 --> 00:43:15,599

ships we call UFOs supposedly Crow made

975

00:43:22,210 --> 00:43:19,859

the world so maybe he was uh the god raw

976

00:43:25,069 --> 00:43:22,220

from the Egyptian tax say this

977

00:43:28,069 --> 00:43:25,079

crow-looking creature and the people

978

00:43:30,950 --> 00:43:28,079

back then didn't have a name for him or

979

00:43:34,010 --> 00:43:30,960

anything and uh and the being must have

980

00:43:35,809 --> 00:43:34,020

had a beak or looked crow-like so they

981

00:43:38,390 --> 00:43:35,819

called him a crow all these things

982

00:43:41,630 --> 00:43:38,400

coming here aren't new

983

00:43:44,690 --> 00:43:41,640

um how far they go back I don't know and

984

00:43:48,410 --> 00:43:44,700

how they are wherever recorded I don't

985

00:43:50,170 --> 00:43:48,420

know but certainly that type of phrasing

986

00:43:53,210 --> 00:43:50,180

and wording

987

00:43:55,130 --> 00:43:53,220

absolutely it fits in

988

00:43:58,130 --> 00:43:55,140

with what's happening today although

989

00:44:01,250 --> 00:43:58,140

we're using modern words it's

990

00:44:03,230 --> 00:44:01,260

it has the Ring of all the same sort of

991

00:44:04,609 --> 00:44:03,240

subject matter I think they've been

992

00:44:06,710 --> 00:44:04,619

around for a while

993

00:44:08,510 --> 00:44:06,720

it's got to be with the technology like

994

00:44:10,010 --> 00:44:08,520

that that's

995

00:44:12,950 --> 00:44:10,020

I mean that's

996

00:44:18,290 --> 00:44:12,960

light years ahead they have been here

997

00:44:20,210 --> 00:44:18,300

for a long long time even I wonder if we

998

00:44:22,069 --> 00:44:20,220

are an experiment

999

00:44:23,630 --> 00:44:22,079

whether they placed us here and then

1000

00:44:24,589 --> 00:44:23,640

just come and check on us every once in

1001
00:44:27,770 --> 00:44:24,599
a while

1002
00:44:30,470 --> 00:44:27,780
we're far too smart to be an animal

1003
00:44:31,730 --> 00:44:30,480
far too smart and we we evolve very

1004
00:44:33,829 --> 00:44:31,740
fastly

1005
00:44:35,690 --> 00:44:33,839
we we come up and look at the last

1006
00:44:39,950 --> 00:44:35,700
hundred years from the crank telephone

1007
00:44:43,370 --> 00:44:39,960
to internet in a hundred years

1008
00:44:44,870 --> 00:44:43,380
I think we're very intelligent beings I

1009
00:44:46,970 --> 00:44:44,880
think we're part of

1010
00:44:49,609 --> 00:44:46,980
of them out there

1011
00:44:51,109 --> 00:44:49,619
and I think one day we will remember

1012
00:44:53,690 --> 00:44:51,119
that

1013
00:44:55,430 --> 00:44:53,700

and I don't know what their agenda is or

1014

00:44:58,430 --> 00:44:55,440

where they're from whether they're from

1015

00:44:59,870 --> 00:44:58,440

Earth whether they're from outer space

1016

00:45:03,170 --> 00:44:59,880

so

1017

00:45:07,309 --> 00:45:03,180

it's hard to say what it was or

1018

00:45:10,670 --> 00:45:07,319

I have no idea who was driving the thing

1019

00:45:13,790 --> 00:45:10,680

I think that these are manifestations of

1020

00:45:16,309 --> 00:45:13,800

beings who come from other dimensions or

1021

00:45:18,710 --> 00:45:16,319

from other star systems if they have the

1022

00:45:22,490 --> 00:45:18,720

technology to float a ship that slowly

1023

00:45:24,050 --> 00:45:22,500

they have a technology too

1024

00:45:27,530 --> 00:45:24,060

we're history

1025

00:45:30,950 --> 00:45:27,540

so I think there are people of or beings

1026

00:45:35,690 --> 00:45:30,960

that want to meet with us

1027

00:45:40,550 --> 00:45:37,730

I probably won't see it again in my

1028

00:45:42,950 --> 00:45:40,560

lifetime but

1029

00:45:44,750 --> 00:45:42,960

if I do I might wave this time

1030

00:45:48,290 --> 00:45:44,760

one day I'll meet them I shake their

1031

00:45:52,990 --> 00:45:50,390

I think that'll be soon

1032

00:45:57,849 --> 00:45:53,000

real soon

1033

00:46:06,190 --> 00:46:00,670

I look forward to it

1034

00:46:12,710 --> 00:46:09,829

will Society ever discuss openly these

1035

00:46:14,990 --> 00:46:12,720

strange celestial events without fear

1036

00:46:17,870 --> 00:46:15,000

without fear of ridicule or fear of

1037

00:46:19,970 --> 00:46:17,880

reproach perhaps reconciling the stories

1038

00:46:22,250 --> 00:46:19,980

of our ancestors and our elders with

1039

00:46:26,510 --> 00:46:22,260

present day experiences

1040

00:46:32,510 --> 00:46:28,790

as for the giant craft that so many

1041

00:46:34,490 --> 00:46:32,520

people witnessed on December 11 1996

1042

00:46:36,290 --> 00:46:34,500

will we ever know for sure what it was

1043

00:46:38,510 --> 00:46:36,300

or who was flying it

1044

00:46:40,790 --> 00:46:38,520

probably not

1045

00:46:43,130 --> 00:46:40,800

but one thing is for sure

1046

00:46:45,770 --> 00:46:43,140

if you find yourself on a lonely stretch

1047

00:46:47,690 --> 00:46:45,780

of road on the North Klondike Highway

1048

00:46:50,210 --> 00:46:47,700

especially late at night

1049

00:46:52,370 --> 00:46:50,220

make sure you look at the sky

1050

00:47:07,970 --> 00:46:52,380

look into the heavens
