

1
00:00:07,010 --> 00:00:04,030
years ago many many years ago in fact

2
00:00:09,169 --> 00:00:07,020
1972 I was sitting at my desk at about 4

3
00:00:10,549 --> 00:00:09,179
30 in the morning at the headquarters of

4
00:00:14,450 --> 00:00:10,559
the commander-in-chief of the United

5
00:00:17,090 --> 00:00:14,460
States Pacific Fleet arranging the

6
00:00:21,830 --> 00:00:17,100
information that had come in over the

7
00:00:24,590 --> 00:00:21,840
last 24 hours into a logical order so

8
00:00:26,390 --> 00:00:24,600
that we could prepare a briefing for the

9
00:00:28,009 --> 00:00:26,400
Admiral and his staff which would take

10
00:00:31,370 --> 00:00:28,019
place later that morning

11
00:00:33,950 --> 00:00:31,380
among the papers I found on my desk was

12
00:00:36,470 --> 00:00:33,960
a document entitled

13
00:00:39,229 --> 00:00:36,480

operation majority

14

00:00:43,010 --> 00:00:39,239

and it was not the entire

15

00:00:45,410 --> 00:00:43,020

paperwork involving this operation but

16

00:00:48,830 --> 00:00:45,420

was merely a synopsis of the operation

17

00:00:50,810 --> 00:00:48,840

and projects contained under it one of

18

00:00:53,090 --> 00:00:50,820

these projects was called project red

19

00:00:56,709 --> 00:00:53,100

light the purpose according to this

20

00:00:59,510 --> 00:00:56,719

document was to back engineer captured

21

00:01:02,209 --> 00:00:59,520

extraterrestrial technology for

22

00:01:03,709 --> 00:01:02,219

adaptation into the United States Space

23

00:01:06,230 --> 00:01:03,719

Program

24

00:01:08,990 --> 00:01:06,240

now I have since come to believe

25

00:01:10,550 --> 00:01:09,000

that the Extraterrestrial portion of all

26

00:01:13,550 --> 00:01:10,560

of this is nonsense but that the

27

00:01:15,230 --> 00:01:13,560

technology is real is real

28

00:01:17,810 --> 00:01:15,240

I believe that many of us were shown

29

00:01:20,690 --> 00:01:17,820

these documents over the years so that

30

00:01:22,390 --> 00:01:20,700

later we would talk about it I mean how

31

00:01:25,490 --> 00:01:22,400

can you keep the existence of

32

00:01:26,390 --> 00:01:25,500

extraterrestrials if they were real a

33

00:01:29,570 --> 00:01:26,400

secret

34

00:01:31,810 --> 00:01:29,580

and how could anyone keep quiet knowing

35

00:01:34,910 --> 00:01:31,820

that they had seen documentation

36

00:01:39,609 --> 00:01:34,920

official government documents labeled

37

00:01:41,749 --> 00:01:39,619

top secret that expressed that these

38

00:01:44,630 --> 00:01:41,759

extraterrestrials were real and had

39

00:01:47,990 --> 00:01:44,640

visited this Earth I wanted to know just

40

00:01:50,749 --> 00:01:48,000

how true all of this was and I began a

41

00:01:53,149 --> 00:01:50,759

program of research to find out of

42

00:01:54,889 --> 00:01:53,159

extraterrestrials were real

43

00:01:56,630 --> 00:01:54,899

the first thing I did was collect every

44

00:01:58,789 --> 00:01:56,640

bit of documentation that I could find

45

00:02:01,010 --> 00:01:58,799

both from the Freedom of Information Act

46

00:02:02,870 --> 00:02:01,020

from the receipt search of others from

47

00:02:04,670 --> 00:02:02,880

books that had been printed on the

48

00:02:07,370 --> 00:02:04,680

subject of UFOs

49

00:02:09,070 --> 00:02:07,380

and of course through my network of

50

00:02:12,830 --> 00:02:09,080

friends in the intelligence Community

51
00:02:14,809 --> 00:02:12,840
when I discovered was amazing when I

52
00:02:17,390 --> 00:02:14,819
discovered ladies and gentlemen is that

53
00:02:22,670 --> 00:02:17,400
there has been a plan in existence

54
00:02:24,610 --> 00:02:22,680
since about 1917 and probably before

55
00:02:27,229 --> 00:02:24,620
that to create an artificial

56
00:02:29,930 --> 00:02:27,239
extraterrestrial threat to this earth in

57
00:02:32,270 --> 00:02:29,940
order to create a one world totalitarian

58
00:02:34,190 --> 00:02:32,280
socialist government

59
00:02:35,869 --> 00:02:34,200
one of the first documents that I found

60
00:02:38,510 --> 00:02:35,879
in my search

61
00:02:41,809 --> 00:02:38,520
was this one the Imperial Japanese

62
00:02:43,430 --> 00:02:41,819
Mission 1917 a record of the reception

63
00:02:47,150 --> 00:02:43,440

throughout the United States of the

64

00:02:50,150 --> 00:02:47,160

special Mission headed by Viscount ishii

65

00:02:53,570 --> 00:02:50,160

and when the Imperial Japanese mission

66

00:02:56,990 --> 00:02:53,580

was in New York City they had a dinner

67

00:02:59,630 --> 00:02:57,000

in some pretty famous people spoke at

68

00:03:03,250 --> 00:02:59,640

this dinner one of them was John Dewey

69

00:03:06,009 --> 00:03:03,260

John Dewey is the father of our failing

70

00:03:08,449 --> 00:03:06,019

disastrous public education system

71

00:03:09,350 --> 00:03:08,459

here's what he said listen very

72

00:03:12,170 --> 00:03:09,360

carefully

73

00:03:13,729 --> 00:03:12,180

John Dewey professor of philosophy in

74

00:03:15,410 --> 00:03:13,739

Columbia University who was the next

75

00:03:18,170 --> 00:03:15,420

speaker was listened to with great

76

00:03:20,330 --> 00:03:18,180

intentness he said quote

77

00:03:22,430 --> 00:03:20,340

someone remarks that the best way to

78

00:03:24,589 --> 00:03:22,440

unite all the nations on this globe

79

00:03:27,530 --> 00:03:24,599

would be an attack from some other

80

00:03:29,690 --> 00:03:27,540

planet in the face of such an alien

81

00:03:33,410 --> 00:03:29,700

enemy people would respond with a sense

82

00:03:34,790 --> 00:03:33,420

of their Unity of interest and purpose

83

00:03:38,530 --> 00:03:34,800

unquote

84

00:03:42,190 --> 00:03:38,540

now bear in mind folks that's

85

00:03:45,530 --> 00:03:42,200

1917. one of the next

86

00:03:48,110 --> 00:03:45,540

documents that I found and I found quite

87

00:03:50,690 --> 00:03:48,120

a few but one that's pretty important is

88

00:03:52,550 --> 00:03:50,700

called a report from Iron Mountain the

89

00:03:54,350 --> 00:03:52,560

probability and desirability of

90

00:03:57,289 --> 00:03:54,360

permanent peace

91

00:03:58,970 --> 00:03:57,299

now I encourage you to find this book

92

00:04:01,869 --> 00:03:58,980

wherever you can find it I don't know

93

00:04:04,610 --> 00:04:01,879

where you can get it but find it page 66

94

00:04:06,410 --> 00:04:04,620

credibility in fact lies at the heart of

95

00:04:08,930 --> 00:04:06,420

the problem of developing a political

96

00:04:11,149 --> 00:04:08,940

substitute for war this is where the

97

00:04:13,610 --> 00:04:11,159

Space Race proposals in many ways so

98

00:04:17,030 --> 00:04:13,620

well suited as economic substitutes for

99

00:04:19,490 --> 00:04:17,040

war falls short the most ambitious and

100

00:04:22,670 --> 00:04:19,500

unrealistic Space Project cannot of

101
00:04:25,790 --> 00:04:22,680
itself generate a believable external

102
00:04:28,430 --> 00:04:25,800
Menace it has been hotly argued that

103
00:04:31,730 --> 00:04:28,440
such a minutes would offer the last best

104
00:04:33,890 --> 00:04:31,740
hope of Peace Etc by uniting mankind

105
00:04:35,689 --> 00:04:33,900
against the danger of Destruction by

106
00:04:36,969 --> 00:04:35,699
creatures from other planets are from

107
00:04:39,530 --> 00:04:36,979
outer space

108
00:04:42,110 --> 00:04:39,540
experiments have been proposed to test

109
00:04:44,629 --> 00:04:42,120
the credibility of an out of our world

110
00:04:47,510 --> 00:04:44,639
Invasion threat and it continues on

111
00:04:49,730 --> 00:04:47,520
another page nevertheless an effective

112
00:04:52,969 --> 00:04:49,740
political substitute for war would

113
00:04:55,129 --> 00:04:52,979

require alternate enemies some of which

114

00:04:57,950 --> 00:04:55,139

might seem equally far-fetched in the

115

00:05:00,890 --> 00:04:57,960

context of the current War system it may

116

00:05:02,749 --> 00:05:00,900

be for instance that gross pollution of

117

00:05:05,629 --> 00:05:02,759

the environment can eventually replace

118

00:05:08,390 --> 00:05:05,639

the possibility of mass destruction by

119

00:05:10,129 --> 00:05:08,400

nuclear weapons as the principal

120

00:05:12,469 --> 00:05:10,139

substitute for war

121

00:05:13,790 --> 00:05:12,479

are you beginning to get the message

122

00:05:15,469 --> 00:05:13,800

folks

123

00:05:17,090 --> 00:05:15,479

poisoning of the air and of the

124

00:05:19,850 --> 00:05:17,100

principal sources of food and water

125

00:05:21,590 --> 00:05:19,860

supply is already well Advanced and at

126

00:05:23,930 --> 00:05:21,600

first glance would seem promising in

127

00:05:26,090 --> 00:05:23,940

this respect it constitutes a threat

128

00:05:28,790 --> 00:05:26,100

that can be dealt with only through

129

00:05:31,550 --> 00:05:28,800

social organization and political power

130

00:05:33,890 --> 00:05:31,560

but from present indications it will be

131

00:05:36,469 --> 00:05:33,900

a generation to a generation and in half

132

00:05:39,110 --> 00:05:36,479

before environmental pollution however

133

00:05:41,629 --> 00:05:39,120

severe will be sufficiently menacing on

134

00:05:43,249 --> 00:05:41,639

a global scale to offer a possible basis

135

00:05:45,469 --> 00:05:43,259

for a solution

136

00:05:47,870 --> 00:05:45,479

however unlikely some of the possible

137

00:05:52,310 --> 00:05:47,880

alternate enemies we have mentioned may

138

00:05:54,890 --> 00:05:52,320

seem we must emphasize that one must be

139

00:05:57,469 --> 00:05:54,900

found of credible quality and magnitude

140

00:06:00,170 --> 00:05:57,479

if a transition to peace is ever to come

141

00:06:02,150 --> 00:06:00,180

about without social disintegration it

142

00:06:03,890 --> 00:06:02,160

is more probable in our judgment that

143

00:06:05,930 --> 00:06:03,900

such a threat will have to be invented

144

00:06:08,450 --> 00:06:05,940

rather than developed from unknown

145

00:06:11,450 --> 00:06:08,460

conditions ladies and gentlemen they

146

00:06:13,749 --> 00:06:11,460

have created so many alternate enemies

147

00:06:16,430 --> 00:06:13,759

in order to bring about their one world

148

00:06:18,650 --> 00:06:16,440

totalitarian social estate that we don't

149

00:06:21,710 --> 00:06:18,660

know which enemy to believe is real or

150

00:06:24,290 --> 00:06:21,720

is false or whether to just toss them

151

00:06:26,330 --> 00:06:24,300

all out on their ears and I think that

152

00:06:27,490 --> 00:06:26,340

that is probably going to be the best

153

00:06:30,770 --> 00:06:27,500

solution

154

00:06:32,570 --> 00:06:30,780

disarmament is no accident all of these

155

00:06:35,150 --> 00:06:32,580

bills in Congress to take away our

156

00:06:38,689 --> 00:06:35,160

weapons there's no accident

157

00:06:41,210 --> 00:06:38,699

the intentional environmental pollution

158

00:06:43,610 --> 00:06:41,220

of our Lakes River streams oceans

159

00:06:44,689 --> 00:06:43,620

forests everything is no accident as you

160

00:06:46,430 --> 00:06:44,699

just heard

161

00:06:49,550 --> 00:06:46,440

these things were planned many many

162

00:06:51,770 --> 00:06:49,560

years ago all the bombardment of the

163

00:06:53,150 --> 00:06:51,780

public with movies about flying saucers

164

00:06:55,370 --> 00:06:53,160

in the 50s right after the United

165

00:06:56,990 --> 00:06:55,380

Nations treaty was signed in the U.N

166

00:07:01,850 --> 00:06:57,000

participation Act was pushed through

167

00:07:04,490 --> 00:07:01,860

Congress and all of the incidents sense

168

00:07:07,010 --> 00:07:04,500

that have convinced the majority of the

169

00:07:10,790 --> 00:07:07,020

American people that flying saucers are

170

00:07:13,270 --> 00:07:10,800

real and extraterrestrials exist and

171

00:07:16,129 --> 00:07:13,280

that flying saucers are from an

172

00:07:19,490 --> 00:07:16,139

extraterrestrial origin this is being

173

00:07:21,830 --> 00:07:19,500

promulgated in many ways by television

174

00:07:25,969 --> 00:07:21,840

commercials in the movies

175

00:07:29,089 --> 00:07:25,979

in the newspapers by creating incidents

176

00:07:31,670 --> 00:07:29,099

either real or imagined I believe

177

00:07:33,770 --> 00:07:31,680

because of my research because of the

178

00:07:35,990 --> 00:07:33,780

expensive documentation that I've found

179

00:07:38,809 --> 00:07:36,000

and that is in my book

180

00:07:42,230 --> 00:07:38,819

that this whole scenario has been

181

00:07:44,210 --> 00:07:42,240

created to give us an artificial alien

182

00:07:46,370 --> 00:07:44,220

threat from outer space

183

00:07:50,390 --> 00:07:46,380

during the Reagan Administration he made

184

00:07:52,430 --> 00:07:50,400

six speeches specifically talked about a

185

00:07:54,830 --> 00:07:52,440

threat from Outer Space by some other

186

00:07:56,990 --> 00:07:54,840

species from some other planet six

187

00:07:59,330 --> 00:07:57,000

ladies and gentlemen why would the

188

00:08:01,550 --> 00:07:59,340

president repeat the same thing six

189

00:08:04,850 --> 00:08:01,560

times tagged onto the ends of speeches

190

00:08:07,010 --> 00:08:04,860

by him the speechwriters did not put

191

00:08:10,070 --> 00:08:07,020

that in the speech Ronald Reagan added

192

00:08:12,830 --> 00:08:10,080

it himself perhaps we need some outside

193

00:08:16,189 --> 00:08:12,840

Universal threat I occasionally think

194

00:08:19,850 --> 00:08:16,199

how quickly our difference is worldwide

195

00:08:22,790 --> 00:08:19,860

would vanish if we were facing an alien

196

00:08:26,450 --> 00:08:22,800

threat from outside this world

197

00:08:28,670 --> 00:08:26,460

this was a powerful suggestion to

198

00:08:31,969 --> 00:08:28,680

implant into the minds of the people of

199

00:08:34,430 --> 00:08:31,979

the world that there really is a threat

200

00:08:37,250 --> 00:08:34,440

from some other species from some other

201
00:08:40,430 --> 00:08:37,260
planet to this earth now a few people

202
00:08:43,850 --> 00:08:40,440
out there have been ignoring the UFO

203
00:08:46,550 --> 00:08:43,860
phenomenon for too long it has all the

204
00:08:49,310 --> 00:08:46,560
earmarks of the most successful most

205
00:08:51,949 --> 00:08:49,320
sophisticated mind control operation in

206
00:08:53,150 --> 00:08:51,959
the history of the world and you are

207
00:08:56,389 --> 00:08:53,160
ignoring it

208
00:08:58,550 --> 00:08:56,399
what better way to implement a plan to

209
00:09:01,550 --> 00:08:58,560
bring about a one-world government than

210
00:09:03,769 --> 00:09:01,560
to create create a possibility in the

211
00:09:05,870 --> 00:09:03,779
minds of the people of the world

212
00:09:08,990 --> 00:09:05,880
that we are being threatened from some

213
00:09:11,329 --> 00:09:09,000

other species from some other planet and

214

00:09:13,970 --> 00:09:11,339

do it in a way that if anybody questions

215

00:09:15,829 --> 00:09:13,980

it or challenged it or wants to talk

216

00:09:17,150 --> 00:09:15,839

about it publicly that they are

217

00:09:20,389 --> 00:09:17,160

ridiculed

218

00:09:23,090 --> 00:09:20,399

and the ultimate goal is to make the

219

00:09:24,710 --> 00:09:23,100

earth look very small to present the

220

00:09:26,150 --> 00:09:24,720

people of the world with an external

221

00:09:29,829 --> 00:09:26,160

threat to this earth

222

00:09:32,810 --> 00:09:29,839

a superior race from some of the planet

223

00:09:35,810 --> 00:09:32,820

vastly Superior

224

00:09:38,030 --> 00:09:35,820

to us in intellect philosophy and

225

00:09:40,190 --> 00:09:38,040

technology in order to cause the

226

00:09:41,870 --> 00:09:40,200

dissolution of Nations States

227

00:09:44,210 --> 00:09:41,880

the dissolution of all existing
