

1  
00:00:06,110 --> 00:00:03,949  
I went over to the window looked out and

2  
00:00:08,330 --> 00:00:06,120  
there was this enormous thing up in the

3  
00:00:09,589 --> 00:00:08,340  
sky was in the shape of a diamond and as

4  
00:00:12,169 --> 00:00:09,599  
I watched it

5  
00:00:14,390 --> 00:00:12,179  
like there was a whole group of little

6  
00:00:17,090 --> 00:00:14,400  
like silver dollars that came out of the

7  
00:00:20,870 --> 00:00:17,100  
large ship Dorothy and her family

8  
00:00:22,849 --> 00:00:20,880  
reported that UFOs appeared every night

9  
00:00:24,830 --> 00:00:22,859  
I've been with her I've seen these

10  
00:00:25,849 --> 00:00:24,840  
things we all went down and we saw the

11  
00:00:27,890 --> 00:00:25,859  
phenomena

12  
00:00:29,450 --> 00:00:27,900  
you know flying in formation you know

13  
00:00:31,910 --> 00:00:29,460

streaking across the sky and this sort

14

00:00:33,770 --> 00:00:31,920

of thing she tells me what they are but

15

00:00:35,450 --> 00:00:33,780

I'll never be convinced until they

16

00:00:37,010 --> 00:00:35,460

dragged me screaming and kicking into

17

00:00:38,510 --> 00:00:37,020

one of their ships

18

00:00:41,150 --> 00:00:38,520

and I'm afraid that's my nature and

19

00:00:43,970 --> 00:00:41,160

that's where to stay

20

00:00:45,709 --> 00:00:43,980

I found that through the test that this

21

00:00:48,290 --> 00:00:45,719

person is telling the truth whatever

22

00:00:50,569 --> 00:00:48,300

she's doing and that she's honest and

23

00:00:53,869 --> 00:00:50,579

she's a very average normal individual

24

00:00:56,389 --> 00:00:53,879

this is what Witnesses have seen these

25

00:00:58,850 --> 00:00:56,399

are not street lights airplanes or other

26  
00:01:02,150 --> 00:00:58,860  
conventional lights this is actual

27  
00:01:04,250 --> 00:01:02,160  
footage of unidentified flying objects

28  
00:01:07,190 --> 00:01:04,260  
this is a single frame of Dorothy's film

29  
00:01:08,510 --> 00:01:07,200  
equivalent to 1 18th of a second the

30  
00:01:11,030 --> 00:01:08,520  
streaks do not appear on the frame

31  
00:01:13,550 --> 00:01:11,040  
before or after this one suggesting that

32  
00:01:17,030 --> 00:01:13,560  
the light is moving great distances in

33  
00:01:20,450 --> 00:01:17,040  
an 18th of a second we looked up into

34  
00:01:23,810 --> 00:01:20,460  
the sky Dorothy 2 and she went to the

35  
00:01:25,210 --> 00:01:23,820  
window and she looked up and she said oh

36  
00:01:27,770 --> 00:01:25,220  
come on

37  
00:01:29,450 --> 00:01:27,780  
do something for my friends they've been

38  
00:01:31,490 --> 00:01:29,460

here for so long

39

00:01:34,670 --> 00:01:31,500

and right away

40

00:01:36,649 --> 00:01:34,680

three shafts of light as bright as

41

00:01:38,870 --> 00:01:36,659

anything just shot right up into the air

42

00:01:40,609 --> 00:01:38,880

where we were watching my communications

43

00:01:43,429 --> 00:01:40,619

with the light beings are that they're

44

00:01:47,390 --> 00:01:43,439

very worried about as humans because we

45

00:01:49,670 --> 00:01:47,400

usually do things without thinking

46

00:01:51,170 --> 00:01:49,680

the weapons we build

47

00:01:53,090 --> 00:01:51,180

the way we

48

00:01:55,789 --> 00:01:53,100

raping the Earth

49

00:01:58,490 --> 00:01:55,799

without thinking of the consequences

50

00:02:00,710 --> 00:01:58,500

although it does not appear that this

51  
00:02:02,510 --> 00:02:00,720  
film has been altered Skeptics believe

52  
00:02:05,450 --> 00:02:02,520  
these images are the result of light

53  
00:02:08,029 --> 00:02:05,460  
phenomena emanating from Earth not UFOs

54  
00:02:10,370 --> 00:02:08,039  
but Dorothy believes these lights are

55  
00:02:12,270 --> 00:02:10,380  
alien spacecraft and that she can

56  
00:02:14,470 --> 00:02:12,280  
communicate with the creatures inside

57  
00:02:17,470 --> 00:02:14,480  
[Music]

58  
00:02:19,670 --> 00:02:17,480  
aim she has regular contact with

59  
00:02:21,830 --> 00:02:19,680  
extraterrestrials and her outrageous

60  
00:02:24,410 --> 00:02:21,840  
accounts have passed every scientific

61  
00:02:26,809 --> 00:02:24,420  
test Doug brechner has the story of her

62  
00:02:29,990 --> 00:02:26,819  
alien encounters

63  
00:02:32,089 --> 00:02:30,000

watch very closely because if this video

64

00:02:35,089 --> 00:02:32,099

is what it's purported to be you're

65

00:02:38,050 --> 00:02:35,099

looking at an alien in a spaceship you

66

00:02:40,369 --> 00:02:38,060

can clearly see figures in the window

67

00:02:43,430 --> 00:02:40,379

and you know they turn their heads

68

00:02:45,949 --> 00:02:43,440

already studied and authenticated by

69

00:02:48,650 --> 00:02:45,959

some photo experts it's just one of

70

00:02:50,930 --> 00:02:48,660

thousands of dazzling images from what's

71

00:02:54,110 --> 00:02:50,940

been hailed as the greatest UFO Story

72

00:02:55,910 --> 00:02:54,120

Ever Told I've been researching UFOs for

73

00:02:57,050 --> 00:02:55,920

35 years and I've never seen anything

74

00:02:59,930 --> 00:02:57,060

like it

75

00:03:02,390 --> 00:02:59,940

it's an extraterrestrial mystery that's

76  
00:03:05,449 --> 00:03:02,400  
confounded everyone from psychiatrists

77  
00:03:08,110 --> 00:03:05,459  
to scientists and respected UFO

78  
00:03:11,210 --> 00:03:08,120  
investigators it's an authentic

79  
00:03:13,309 --> 00:03:11,220  
phenomenon something real is going on

80  
00:03:14,449 --> 00:03:13,319  
but they have absolutely no idea as to

81  
00:03:16,369 --> 00:03:14,459  
what it is

82  
00:03:18,970 --> 00:03:16,379  
just as remarkable as the pictures

83  
00:03:21,649 --> 00:03:18,980  
themselves the woman who took them

84  
00:03:24,890 --> 00:03:21,659  
professors doctors Lloyd anything you

85  
00:03:27,050 --> 00:03:24,900  
can think of they were coming to do

86  
00:03:29,750 --> 00:03:27,060  
different tests on me her name is

87  
00:03:32,750 --> 00:03:29,760  
Dorothy ISAT the world's most unlikely

88  
00:03:34,610 --> 00:03:32,760

UFO contactee a 75 year old

89

00:03:36,290 --> 00:03:34,620

great-grandmother who says she's been

90

00:03:40,729 --> 00:03:36,300

communicating with visitors from other

91

00:03:43,490 --> 00:03:40,739

worlds for 25 years I have asked them to

92

00:03:45,830 --> 00:03:43,500

come closer and they'll move closer

93

00:03:47,630 --> 00:03:45,840

and I'll ask them if I can film them if

94

00:03:49,910 --> 00:03:47,640

they give me permission to film them

95

00:03:51,890 --> 00:03:49,920

these pictures are the result showing

96

00:03:54,589 --> 00:03:51,900

everything from Alien beings to

97

00:03:57,470 --> 00:03:54,599

spaceships to masses of glowing orbs in

98

00:04:00,710 --> 00:03:57,480

the sky and inexplicable flashes of

99

00:04:03,350 --> 00:04:00,720

light all contained on more than 350

100

00:04:05,449 --> 00:04:03,360

reels of film this spry granny shot with

101  
00:04:08,030 --> 00:04:05,459  
her little Super 8 camera from the

102  
00:04:10,610 --> 00:04:08,040  
balcony of her Vancouver apartment

103  
00:04:13,089 --> 00:04:10,620  
she remembers when it first happened on

104  
00:04:15,770 --> 00:04:13,099  
an otherwise ordinary afternoon back in

105  
00:04:18,590 --> 00:04:15,780  
1974. I looked up in the sky and he was

106  
00:04:22,189 --> 00:04:18,600  
this enormous craft that looks like a

107  
00:04:24,530 --> 00:04:22,199  
huge um go like diamond shape thing up

108  
00:04:26,570 --> 00:04:24,540  
in the sky this is without a doubt the

109  
00:04:28,370 --> 00:04:26,580  
most remarkable piece of footage she

110  
00:04:30,409 --> 00:04:28,380  
shot where's whether when the aliens

111  
00:04:32,270 --> 00:04:30,419  
showed up it's an image that appeared

112  
00:04:35,030 --> 00:04:32,280  
during one of Dorothy's routine Sky

113  
00:04:37,490 --> 00:04:35,040

watches just recently and then I noticed

114

00:04:38,210 --> 00:04:37,500

that in the window a couple aliens in a

115

00:04:40,490 --> 00:04:38,220

window

116

00:04:42,170 --> 00:04:40,500

so I said oh dear I can't see in the

117

00:04:43,909 --> 00:04:42,180

light's so bright I said I need to film

118

00:04:46,790 --> 00:04:43,919

you I said can you turn the lights off

119

00:04:48,950 --> 00:04:46,800

the ship and I can film you and they did

120

00:04:51,230 --> 00:04:48,960

the lights go off the aliens are there

121

00:04:53,030 --> 00:04:51,240

and believe it or not like all of

122

00:04:55,430 --> 00:04:53,040

Dorothy's footage this has been

123

00:04:58,070 --> 00:04:55,440

scientifically tested and declared

124

00:05:00,110 --> 00:04:58,080

genuine or at least not faked there's

125

00:05:01,430 --> 00:05:00,120

not a lot that we know about it but we

126

00:05:04,070 --> 00:05:01,440

know that it's real

127

00:05:05,810 --> 00:05:04,080

California UFO researchers Monica Ward

128

00:05:08,150 --> 00:05:05,820

and Peter gatila have thoroughly

129

00:05:10,310 --> 00:05:08,160

investigated the Dorothy izad phenomenon

130

00:05:13,129 --> 00:05:10,320

and are now compiling a book of their

131

00:05:14,870 --> 00:05:13,139

findings there is a spiritual world and

132

00:05:16,550 --> 00:05:14,880

there is a non-spiritual world a

133

00:05:18,290 --> 00:05:16,560

material world and so forth

134

00:05:20,210 --> 00:05:18,300

what Dorothy has done is she's bridged

135

00:05:22,430 --> 00:05:20,220

the gulf between the two meanwhile

136

00:05:25,490 --> 00:05:22,440

Dorothy simply calls her E.T friends

137

00:05:27,529 --> 00:05:25,500

life beads who she says come from

138

00:05:30,650 --> 00:05:27,539

diverse parts of the universe to impart

139

00:05:32,330 --> 00:05:30,660

a simple message to mankind no one wants

140

00:05:36,950 --> 00:05:32,340

to listen to it because it's so simple
