

1
00:00:05,809 --> 00:00:02,270
Serena now you had your first encounter

2
00:00:08,690 --> 00:00:05,819
in 1983 yes what happened I was living

3
00:00:11,390 --> 00:00:08,700
in Colorado on a on a little Hill

4
00:00:14,209 --> 00:00:11,400
outside the city of a ways sort of

5
00:00:15,650 --> 00:00:14,219
separated from the city I was storing a

6
00:00:18,050 --> 00:00:15,660
pot of beans in my kitchen one night

7
00:00:20,210 --> 00:00:18,060
about 10 30 or 11 and all of a sudden I

8
00:00:22,730 --> 00:00:20,220
felt compelled to go look out the window

9
00:00:25,370 --> 00:00:22,740
so I walked over there along with my big

10
00:00:27,170 --> 00:00:25,380
Shepherd collie bodyguard dog and we

11
00:00:29,870 --> 00:00:27,180
looked out the window and out at the

12
00:00:32,210 --> 00:00:29,880
edge of the lawn was uh this under the

13
00:00:34,310 --> 00:00:32,220

street light were these four which I

14

00:00:35,389 --> 00:00:34,320

first glance thought were kids and I

15

00:00:36,650 --> 00:00:35,399

thought that's strange because it's late

16

00:00:37,549 --> 00:00:36,660

and it was kind of not the kind of

17

00:00:40,490 --> 00:00:37,559

neighborhood where the kids were out

18

00:00:43,850 --> 00:00:40,500

running around as we stood there I began

19

00:00:47,090 --> 00:00:43,860

to realize that what I something was off

20

00:00:49,130 --> 00:00:47,100

the the movements of these kids were

21

00:00:51,290 --> 00:00:49,140

kind of inside like they were kind of

22

00:00:52,190 --> 00:00:51,300

not fluid like we have they were just

23

00:00:54,650 --> 00:00:52,200

different

24

00:00:57,590 --> 00:00:54,660

um then I then I saw that they had round

25

00:00:59,330 --> 00:00:57,600

heads bald heads and long spindly arms

26

00:01:02,630 --> 00:00:59,340

and and torsos

27

00:01:05,329 --> 00:01:02,640

and I just got this really scary feeling

28

00:01:07,090 --> 00:01:05,339

I wasn't looking at kids my dog who was

29

00:01:09,170 --> 00:01:07,100

very aggressive about her her job

30

00:01:11,270 --> 00:01:09,180

dropped her head and tail white and went

31

00:01:13,250 --> 00:01:11,280

under the bed and stayed there okay and

32

00:01:15,770 --> 00:01:13,260

she had never done that before ever

33

00:01:17,630 --> 00:01:15,780

really so I know what did you think of

34

00:01:19,010 --> 00:01:17,640

the time did you just kind of well I

35

00:01:20,990 --> 00:01:19,020

looked at that and I beat it back to the

36

00:01:22,070 --> 00:01:21,000

beans and I'm stirring my pieces so I

37

00:01:23,510 --> 00:01:22,080

thought boy I better go back and check

38

00:01:25,969 --> 00:01:23,520

it because if I'll wake up the next

39

00:01:28,070 --> 00:01:25,979

morning and be nuts trying to figure out

40

00:01:29,929 --> 00:01:28,080

what it was so I ran back and looked for

41

00:01:32,270 --> 00:01:29,939

about five seconds they were still there

42

00:01:34,070 --> 00:01:32,280

I couldn't it scared me so badly I just

43

00:01:35,330 --> 00:01:34,080

ran back to the beans and and but you

44

00:01:36,410 --> 00:01:35,340

did nothing you didn't report it you

45

00:01:37,730 --> 00:01:36,420

didn't tell me my husband came home

46

00:01:39,350 --> 00:01:37,740

later and he said Gee honey you look

47

00:01:41,330 --> 00:01:39,360

like you saw a ghost and I said you

48

00:01:43,270 --> 00:01:41,340

didn't say anything really

49

00:01:46,429 --> 00:01:43,280

something else happened to her again in

50

00:01:47,990 --> 00:01:46,439

1989 89 I was living in Sedona taking a

51

00:01:51,530 --> 00:01:48,000

nap in the middle of the afternoon I

52

00:01:54,050 --> 00:01:51,540

woke up and I was paralyzed and I was I

53

00:01:56,149 --> 00:01:54,060

was awake but I couldn't move and I

54

00:02:00,069 --> 00:01:56,159

became aware of a little being standing

55

00:02:02,690 --> 00:02:00,079

by my the head by my bed right there

56

00:02:06,590 --> 00:02:02,700

and I wasn't drinking I promise Vicky

57

00:02:08,210 --> 00:02:06,600

and um and I I noticed he was right even

58

00:02:09,889 --> 00:02:08,220

with the doorknob so he was no taller

59

00:02:10,910 --> 00:02:09,899

than his head came top his head came to

60

00:02:13,729 --> 00:02:10,920

the door

61

00:02:15,890 --> 00:02:13,739

I love this look and um I don't want to

62

00:02:18,110 --> 00:02:15,900

see one of these guys uh well he really

63

00:02:20,930 --> 00:02:18,120

basically ignored me he had kind of a

64
00:02:22,430 --> 00:02:20,940
mushroom colored big head and he seemed

65
00:02:24,229 --> 00:02:22,440
he's a little skinny body and he was

66
00:02:26,089 --> 00:02:24,239
wearing I know this sounds crazy it all

67
00:02:28,010 --> 00:02:26,099
does but he was wearing this little jump

68
00:02:30,410 --> 00:02:28,020
like tight fitting jumpsuit dark

69
00:02:32,390 --> 00:02:30,420
jumpsuit I heard this little sound from

70
00:02:34,790 --> 00:02:32,400
him he's

71
00:02:36,170 --> 00:02:34,800
assumed communication it was he was

72
00:02:37,610 --> 00:02:36,180
ignoring me I was mad I'm screaming

73
00:02:39,410 --> 00:02:37,620
telepathically I can't scream but I'm

74
00:02:41,150 --> 00:02:39,420
mentally screaming go away leave me

75
00:02:43,729 --> 00:02:41,160
alone and he's totally ignoring me made

76

00:02:45,290 --> 00:02:43,739

me mad and he did this little

77

00:02:47,449 --> 00:02:45,300

communication he was gone when he was

78

00:02:50,809 --> 00:02:47,459

gone the paralysis was gone my question

79

00:02:55,130 --> 00:02:50,819

is uh for Reina she says that when she

80

00:02:57,650 --> 00:02:55,140

was in Colorado she saw a UFO

81

00:02:59,449 --> 00:02:57,660

people out there is that true and then

82

00:03:01,550 --> 00:02:59,459

when you were in Sedona you saw them

83

00:03:03,530 --> 00:03:01,560

were they similar did they look alike to

84

00:03:05,449 --> 00:03:03,540

you no actually they were different they

85

00:03:07,369 --> 00:03:05,459

all looked different they were different

86

00:03:08,270 --> 00:03:07,379

they were different they look like these

87

00:03:10,550 --> 00:03:08,280

guys

88

00:03:12,290 --> 00:03:10,560

well the little guy and he would say

89

00:03:13,910 --> 00:03:12,300

that it was the same height they were

90

00:03:16,490 --> 00:03:13,920

wonderful ones in Colorado were a little

91

00:03:19,070 --> 00:03:16,500

taller than the ones in and um did you

92

00:03:21,710 --> 00:03:19,080

recognize them do you feel that they've

93

00:03:24,550 --> 00:03:21,720

been they're following you in some way I

94

00:03:26,869 --> 00:03:24,560

think they're yes I do

95

00:03:28,490 --> 00:03:26,879

yeah Marina you said that you didn't

96

00:03:30,589 --> 00:03:28,500

even really believe much of this stuff

97

00:03:32,570 --> 00:03:30,599

until your daughter had an encounter

98

00:03:35,390 --> 00:03:32,580

I mean Reina I'm sorry I said Marina I

99

00:03:37,009 --> 00:03:35,400

met Rayna your daughter I just was doing

100

00:03:38,030 --> 00:03:37,019

the denial thing I was just ignoring

101
00:03:39,290 --> 00:03:38,040
that things were happening then my

102
00:03:41,089 --> 00:03:39,300
daughter my young daughter came to me

103
00:03:43,190 --> 00:03:41,099
and told me something that

104
00:03:44,690 --> 00:03:43,200
just she couldn't have made up because I

105
00:03:47,449 --> 00:03:44,700
wasn't talking about it at that point

106
00:03:48,530 --> 00:03:47,459
and I found out later that it was just

107
00:03:51,649 --> 00:03:48,540
almost

108
00:03:53,809 --> 00:03:51,659
boilerplate to what I've heard from

109
00:03:55,309 --> 00:03:53,819
other people and at that point I said I

110
00:03:57,110 --> 00:03:55,319
got to be Mommy and go find out it

111
00:03:58,729 --> 00:03:57,120
because my heart froze when she told me

112
00:04:00,770 --> 00:03:58,739
that I'm mommy I'm a she when she said

113
00:04:02,809 --> 00:04:00,780

something happened to her too she's four

114

00:04:04,910 --> 00:04:02,819

now she was two no kidding so did you

115

00:04:07,070 --> 00:04:04,920

take her to a doctor or no I went to the

116

00:04:09,550 --> 00:04:07,080

doctor I said am I nuts you know is she

117

00:04:11,690 --> 00:04:09,560

right or you know what's happening

118

00:04:14,509 --> 00:04:11,700

is this something that runs in your

119

00:04:16,849 --> 00:04:14,519

family yes I believe it does stop it no

120

00:04:19,430 --> 00:04:16,859

my brother I was calling and talked to

121

00:04:21,590 --> 00:04:19,440

my brother and as we talked he was

122

00:04:23,689 --> 00:04:21,600

remembering things when we were kids in

123

00:04:26,030 --> 00:04:23,699

the house and and he's certainly not new

124

00:04:27,170 --> 00:04:26,040

age to make up this kind of stuff is

125

00:04:29,810 --> 00:04:27,180

that something that's is that unusual

126

00:04:32,450 --> 00:04:29,820

does it run in families like that

127

00:04:34,909 --> 00:04:32,460

supposedly yes it does

128

00:04:37,610 --> 00:04:34,919

um again we don't know in what reality

129

00:04:39,770 --> 00:04:37,620

this happens and there is a consensus

130

00:04:41,210 --> 00:04:39,780

that gets gets formed and apparently
