BENEFIT.

ELSIE'S UFO CONFIRMED

1
00:00:04,910 --> 00:00:02,270
I suddenly felt a tightening sensation

2
00:00:05,809 --> 00:00:04,920
around my head it was as if there was a

3
00:00:07,970 --> 00:00:05,819
band of

4
00:00:10,610 --> 00:00:07,980
something round there which was

5
00:00:13,249 --> 00:00:10,620
tightening and I felt that I was going

6
00:00:14,810 --> 00:00:13,259
to faint I thought that it would be

7
00:00:17,330 --> 00:00:14,820
wiser to paint inside the restaurant

8
00:00:21,170 --> 00:00:17,340
than outside and I sat down and waited

9
00:00:22,689 --> 00:00:21,180
it lasted about a minute it went off and

10
00:00:25,370 --> 00:00:22,699
all was well

11
00:00:27,950 --> 00:00:25,380
it was just as if nothing had happened

12
00:00:30,230 --> 00:00:27,960
and I paid the bill and we left and I

13
00:00:33,170 --> 00:00:30,240

completely forgot about that

14

00:00:34,490 --> 00:00:33,180

at 5 15 in the afternoon it was time to

15

00:00:38,990 --> 00:00:34,500

go home

16

00:00:41,389 --> 00:00:39,000

when I arrived at Whedon Crossroads

17

00:00:43,610 --> 00:00:41,399

I turned right onto the A5 and

18

00:00:45,470 --> 00:00:43,620

immediately saw a brilliant red light on

19

00:00:47,110 --> 00:00:45,480

the left hand side above the road and a

20

00:00:49,610 --> 00:00:47,120

brilliant green light on the other side

21

00:00:51,470 --> 00:00:49,620

my thoughts were that it was an aircraft

22

00:00:52,549 --> 00:00:51,480

which was going to zoom over my head and

23

00:00:56,029 --> 00:00:52,559

crash

24

00:00:58,189 --> 00:00:56,039

but the other traffic went slowly I went

25

00:01:01,189 --> 00:00:58,199

slowly at the same Pace as them because

26

00:01:03,709 --> 00:01:01,199

it was a busy road and I realized soon

27

00:01:07,310 --> 00:01:03,719

that this these two lights were attached

28

00:01:09,770 --> 00:01:07,320

to a gray dumbbell shaped object which

29

00:01:12,289 --> 00:01:09,780

was above the road it's been estimated

30

00:01:14,630 --> 00:01:12,299

since that it was 50 feet wide and 100

31

00:01:16,670 --> 00:01:14,640

about 100 feet above the road

32

00:01:18,890 --> 00:01:16,680

and I went along

33

00:01:21,289 --> 00:01:18,900

and of course had to drive underneath it

34

00:01:24,410 --> 00:01:21,299

as I went along the road then towards

35

00:01:27,109 --> 00:01:24,420

church stove where I live I could look

36

00:01:29,149 --> 00:01:27,119

back and I could see this was still

37

00:01:30,590 --> 00:01:29,159

there and the lights were flashy the

38

00:01:32,870 --> 00:01:30,600

green light was still flashing and the

39

00:01:34,730 --> 00:01:32,880

red light was not

40

00:01:36,230 --> 00:01:34,740

the next part of the road was covered

41

00:01:38,330 --> 00:01:36,240

with trees

42

00:01:41,510 --> 00:01:38,340

and I remember driving under the trees

43

00:01:43,370 --> 00:01:41,520

but when I came out from under the trees

44

00:01:45,770 --> 00:01:43,380

well I don't remember coming out from

45

00:01:48,770 --> 00:01:45,780

them because suddenly the car was

46

00:01:50,030 --> 00:01:48,780

stationary everywhere was black real

47

00:01:53,090 --> 00:01:50,040

Pitch Black

48

00:01:55,010 --> 00:01:53,100

and I didn't know where I was I knew I

49

00:01:56,389 --> 00:01:55,020

was in the car because my hands were on

50

00:01:59,149 --> 00:01:56,399

the steering wheel

51
00:02:01,130 --> 00:01:59,159
I couldn't see the road the trees the

52
00:02:04,190 --> 00:02:01,140
buildings I could see absolutely nothing

53
00:02:06,649 --> 00:02:04,200
not even the car I was sitting in

54
00:02:09,050 --> 00:02:06,659
and of course I sat there and wondered

55
00:02:12,290 --> 00:02:09,060
where I was

56
00:02:14,930 --> 00:02:12,300
I wasn't afraid in any way at all

57
00:02:17,390 --> 00:02:14,940
um just wondered where I was and

58
00:02:20,570 --> 00:02:17,400
suddenly a brilliant white circle of

59
00:02:22,970 --> 00:02:20,580
light about a meter across Sean on the

60
00:02:25,309 --> 00:02:22,980
road to the side of the car and it went

61
00:02:26,869 --> 00:02:25,319
off and everywhere was black again and

62
00:02:29,530 --> 00:02:26,879
then another circle of white light

63
00:02:32,330 --> 00:02:29,540

exactly the same as the one before Sean

64

00:02:34,610 --> 00:02:32,340

just towards the front of the car and

65

00:02:37,309 --> 00:02:34,620

they went on and off on and off in a

66

00:02:40,490 --> 00:02:37,319

circle round the front of the car

67

00:02:42,890 --> 00:02:40,500

and then they went back in a semicircle

68

00:02:46,130 --> 00:02:42,900

round to where they started on and off

69

00:02:49,130 --> 00:02:46,140

on and off and again in the same way to

70

00:02:51,229 --> 00:02:49,140

to my side of the car and this one Sean

71

00:02:53,509 --> 00:02:51,239

in the garden of a cottage on the right

72

00:02:55,729 --> 00:02:53,519

hand side it was then as if it was

73

00:02:58,070 --> 00:02:55,739

turned and it went up the front of the

74

00:03:00,350 --> 00:02:58,080

cottage and off the top

75

00:03:02,990 --> 00:03:00,360

I sat there thinking

76
00:03:05,509 --> 00:03:03,000
these lights must have come from above

77
00:03:10,190 --> 00:03:05,519
because they were completely circular

78
00:03:12,890 --> 00:03:10,200
but there were no beams so like

79
00:03:15,649 --> 00:03:12,900
but I couldn't see anything I didn't

80
00:03:18,110 --> 00:03:15,659
know why they'd come where they come

81
00:03:20,330 --> 00:03:18,120
from or what and as I sat thinking about

82
00:03:22,369 --> 00:03:20,340
this suddenly I was about 30 yards

83
00:03:25,550 --> 00:03:22,379
further down the road driving in third

84
00:03:28,190 --> 00:03:25,560
gear quite normally as I had done or had

85
00:03:32,750 --> 00:03:28,200
been doing at the end of the trees

86
00:03:35,149 --> 00:03:32,760
my journey had taken 30 minutes and it

87
00:03:37,850 --> 00:03:35,159
should have taken 15. somewhere along

88
00:03:40,850 --> 00:03:37,860

the line presumably while I sat in the

89

00:03:43,009 --> 00:03:40,860

car I'd lost 15 minutes of time I've

90

00:03:45,110 --> 00:03:43,019

called them ghost-like beings because I

91

00:03:46,970 --> 00:03:45,120

didn't know how to describe them in any

92

00:03:51,470 --> 00:03:46,980

other way

93

00:03:52,250 --> 00:03:51,480

uh it was like a ghost with a head on

94

00:03:55,550 --> 00:03:52,260

the top

95

00:03:58,070 --> 00:03:55,560

and and a kind of a body and tail

96

00:03:59,990 --> 00:03:58,080

it seemed to come towards me and it

97

00:04:03,050 --> 00:04:00,000

seemed to go away but it didn't change

98

00:04:07,309 --> 00:04:03,060

size and then it was no longer there

99

00:04:09,850 --> 00:04:07,319

and then a more rectangular shaped

100

00:04:12,470 --> 00:04:09,860

one came on the other side of the light

101
00:04:17,569 --> 00:04:12,480
it was

102
00:04:19,789 --> 00:04:17,579
if you wanted to describe it as a person

103
00:04:21,590 --> 00:04:19,799
with a sheet over his head I suppose you

104
00:04:23,030 --> 00:04:21,600
could say well there was the head and

105
00:04:26,030 --> 00:04:23,040
the other two corners could have been

106
00:04:28,189 --> 00:04:26,040
arms and this was his feet but some

107
00:04:29,689 --> 00:04:28,199
people have described it as that I don't

108
00:04:32,629 --> 00:04:29,699
think of it as that I think of it as

109
00:04:36,230 --> 00:04:32,639
being another ghost-like shape I found

110
00:04:38,749 --> 00:04:36,240
that my hands were becoming very warm in

111
00:04:40,370 --> 00:04:38,759
the palms of my hands and my fingers

112
00:04:42,350 --> 00:04:40,380
started tingling

113
00:04:45,230 --> 00:04:42,360

and I didn't know what that was at all

114

00:04:46,730 --> 00:04:45,240

it usually happened late at night and

115

00:04:49,430 --> 00:04:46,740

and I

116

00:04:51,890 --> 00:04:49,440

I didn't you know there's no way about

117

00:04:54,830 --> 00:04:51,900

it I had no idea what it was

118

00:04:57,590 --> 00:04:54,840

we'd got a friend who was ill at the

119

00:05:00,950 --> 00:04:57,600

time sadly dying from cancer who we used

120

00:05:03,170 --> 00:05:00,960

to visit and when I visited him I always

121

00:05:06,590 --> 00:05:03,180

had contact with him I always kissed him

122

00:05:10,129 --> 00:05:06,600

hello and goodbye held his hand and I

123

00:05:13,189 --> 00:05:10,139

found that after I'd I'd left him I felt

124

00:05:15,890 --> 00:05:13,199

quite ill for about an hour and a half

125

00:05:19,010 --> 00:05:15,900

and I I told someone about this one day

126
00:05:20,930 --> 00:05:19,020
and she said oh you're developing as a

127
00:05:23,150 --> 00:05:20,940
Healer and I've just been accepted and

128
00:05:24,770 --> 00:05:23,160
I'm now a registered healer with the

129
00:05:26,870 --> 00:05:24,780
national Federation of spiritual healers

130
00:05:28,660 --> 00:05:26,880
I left work in the daventry teacher

131
00:05:33,550 --> 00:05:28,670
Center to drive home

132
00:05:37,969 --> 00:05:33,560
[Music]

133
00:05:39,710 --> 00:05:37,979
I saw brilliant red light over one side

134
00:05:41,810 --> 00:05:39,720
of the road and a brilliant green light

135
00:05:44,270 --> 00:05:41,820
over the other it was attached to

136
00:05:46,790 --> 00:05:44,280
something gray and I thought it was an

137
00:05:48,950 --> 00:05:46,800
aircraft which was very low but as I got

138
00:05:52,909 --> 00:05:48,960

nearer to it I found that it was

139

00:05:55,370 --> 00:05:52,919

actually stationary it was gray smooth

140

00:05:58,370 --> 00:05:55,380

plasticity looking I thought it was so

141

00:05:58,380 --> 00:06:02,749

I remember thinking that the traffic

142

00:06:07,010 --> 00:06:04,430

seat as

143

00:06:09,370 --> 00:06:07,020

under it but I didn't notice that

144

00:06:11,810 --> 00:06:09,380

anybody else was looking upward

145

00:06:12,790 --> 00:06:11,820

that did register as being a little

146

00:06:20,060 --> 00:06:12,800

strange at the time

147

00:06:20,070 --> 00:06:28,189

[Applause]

148

00:06:33,830 --> 00:06:30,830

it was so perfect against this darkening

149

00:06:35,870 --> 00:06:33,840

sky at this dumbbell shape with these

150

00:06:37,430 --> 00:06:35,880

two Bright Lights underneath

151
00:06:40,670 --> 00:06:37,440
foreign

152
00:06:43,790 --> 00:06:40,680
I had no idea what this object was I'd

153
00:06:45,770 --> 00:06:43,800
never seen anything like it at all

154
00:06:50,029 --> 00:06:45,780
it wasn't an Airship it wasn't a

155
00:06:57,110 --> 00:06:53,150
I I felt no fear at all just as

156
00:06:58,969 --> 00:06:57,120
curiosity and strangeness that it was

157
00:07:02,610 --> 00:06:58,979
something the like of which I'd never

158
00:07:02,620 --> 00:07:08,930
[Music]

159
00:07:13,129 --> 00:07:11,510
I got in the car and drove further along

160
00:07:15,230 --> 00:07:13,139
the road

161
00:07:16,129 --> 00:07:15,240
but my car which had been serviced that

162
00:07:19,730 --> 00:07:16,139
day

163
00:07:21,650 --> 00:07:19,740

it suddenly malfunctioned I changed from

164

00:07:24,050 --> 00:07:21,660

second gear to third but instead of

165

00:07:26,689 --> 00:07:24,060

going faster the car was slowing down

166

00:07:29,570 --> 00:07:26,699

and had come to a stop

167

00:07:32,510 --> 00:07:29,580

the light had disappeared completely

168

00:07:34,249 --> 00:07:32,520

I couldn't see the road the trees the

169

00:07:39,430 --> 00:07:34,259

buildings I could see absolutely nothing

170

00:07:45,309 --> 00:07:42,350

suddenly there was a circle of brilliant

171

00:07:48,110 --> 00:07:45,319

white light and then that light went out

172

00:07:50,510 --> 00:07:48,120

and darkness returned

173

00:07:51,890 --> 00:07:50,520

and then Circles of brilliant white

174

00:07:54,189 --> 00:07:51,900

light shine

175

00:07:57,830 --> 00:07:54,199

in a pattern on the ground

176

00:08:01,490 --> 00:07:57,840

from left to right in a semicircle on

177

00:08:03,589 --> 00:08:01,500

and off and on and off and on and off

178

00:08:05,450 --> 00:08:03,599

I looked through the windscreen to see

179

00:08:07,249 --> 00:08:05,460

if I could see anything above that they

180

00:08:09,230 --> 00:08:07,259

could have come from but I couldn't

181

00:08:11,330 --> 00:08:09,240

everywhere was black

182

00:08:14,150 --> 00:08:11,340

the next thing else he knew was that she

183

00:08:17,100 --> 00:08:14,160

was driving towards home

184

00:08:20,809 --> 00:08:17,110

when I got home the kitchen clock said

185

00:08:23,150 --> 00:08:20,819

[Music]

186

00:08:24,710 --> 00:08:23,160

call following day that Journey took 15

187

00:08:26,210 --> 00:08:24,720

minutes

188

00:08:28,369 --> 00:08:26,220

[Music]

189

00:08:30,830 --> 00:08:28,379

two hours later and just four miles from

190

00:08:32,690 --> 00:08:30,840

Elsie's home Georgina Lowry was driving

191

00:08:35,209 --> 00:08:32,700

three friends to a women's Institute

192

00:08:37,370 --> 00:08:35,219

meeting Georgina has never told her

193

00:08:39,589 --> 00:08:37,380

story fully before though she did report

194

00:08:41,810 --> 00:08:39,599

her sighting to her local paper just as

195

00:08:43,909 --> 00:08:41,820

Elsie had done her description of what

196

00:08:46,250 --> 00:08:43,919

she saw that night matches else's

197

00:08:48,160 --> 00:08:46,260

exactly can you see these lights up here

198

00:08:49,610 --> 00:08:48,170

foreign

199

00:08:51,889 --> 00:08:49,620

[Music]

200

00:08:55,070 --> 00:08:51,899

there was a white light shining straight

201
00:08:56,810 --> 00:08:55,080
down from the clouds into the trees as

202
00:09:01,070 --> 00:08:56,820
this light was shining then the car

203
00:09:06,560 --> 00:09:03,050
and then the light was suddenly switched

204
00:09:06,910 --> 00:09:06,570
off and we saw a red and green light

205
00:09:09,590 --> 00:09:06,920
[Music]

206
00:09:11,449 --> 00:09:09,600
[Applause]

207
00:09:15,470 --> 00:09:11,459
this object

208
00:09:17,630 --> 00:09:15,480
was was absolutely pacing the car and

209
00:09:19,130 --> 00:09:17,640
then the two lights went out into one

210
00:09:21,710 --> 00:09:19,140
single white light

211
00:09:23,630 --> 00:09:21,720
which then shot off at speed that I've

212
00:09:25,970 --> 00:09:23,640
never seen before and it wasn't a plane

213
00:09:26,730 --> 00:09:25,980

there was no sound whatsoever this was

214

00:09:29,210 --> 00:09:26,740

what was worrying

215

00:09:30,889 --> 00:09:29,220

[Music]

216

00:09:33,170 --> 00:09:30,899

when the story of the northamptonshire

217

00:09:34,910 --> 00:09:33,180

UFO hit the papers paranormal

218

00:09:36,650 --> 00:09:34,920

investigators asked Elsie to be

219

00:09:38,150 --> 00:09:36,660

hypnotized

220

00:09:42,470 --> 00:09:38,160

what's happening

221

00:09:48,760 --> 00:09:44,930

there's a light

222

00:09:50,509 --> 00:09:48,770

white light coming towards me

223

00:09:52,970 --> 00:09:50,519

[Music]

224

00:09:57,710 --> 00:09:52,980

what can you see now

225

00:10:03,610 --> 00:09:57,720

there's a small creature coming towards

226

00:10:09,110 --> 00:10:06,470

it was gray

227

00:10:12,829 --> 00:10:09,120

um it had rounded

228

00:10:20,170 --> 00:10:12,839

curved lines around it and there was the

229

00:10:25,009 --> 00:10:22,550

I just didn't know what they were at all

230

00:10:28,850 --> 00:10:25,019

when people say to me that I I dreamed

231

00:10:31,190 --> 00:10:28,860

it or I made it up I I give them a short

232

00:10:33,230 --> 00:10:31,200

sharp answer and say I was there you

233

00:10:34,970 --> 00:10:33,240

weren't you didn't see it you didn't

234

00:10:38,090 --> 00:10:34,980

experience anything that I have
