

1
00:00:05,690 --> 00:00:02,210
you you had a pretty interesting

2
00:00:07,690 --> 00:00:05,700
incident in one of your books yes uh a

3
00:00:10,790 --> 00:00:07,700
case of a man and woman being

4
00:00:12,350 --> 00:00:10,800
involuntarily abducted in the car car

5
00:00:14,690 --> 00:00:12,360
and all taking the board in alien

6
00:00:17,689 --> 00:00:14,700
spacecraft they were alone when they

7
00:00:20,870 --> 00:00:17,699
when their car was I was about 11 45 at

8
00:00:24,170 --> 00:00:20,880
night near Matthias Barbosa in Ministry

9
00:00:27,769 --> 00:00:24,180
state in Brazil and it was just short of

10
00:00:30,710 --> 00:00:27,779
midnight they had stopped for a snack

11
00:00:33,770 --> 00:00:30,720
back down the road is why they they were

12
00:00:37,670 --> 00:00:33,780
were pretty well aware of the time that

13
00:00:38,810 --> 00:00:37,680

this happened and they uh pulled off the

14

00:00:42,770 --> 00:00:38,820

side of the road because they were

15

00:00:46,250 --> 00:00:42,780

drowsy and uh a light bloomed on above

16

00:00:47,690 --> 00:00:46,260

them a bright beam of white light and as

17

00:00:49,610 --> 00:00:47,700

they were trying to see through the

18

00:00:51,529 --> 00:00:49,620

windshield what this light was coming

19

00:00:53,690 --> 00:00:51,539

from there was a horse the car and was

20

00:00:56,270 --> 00:00:53,700

all everything was sucked the bar that

21

00:00:57,830 --> 00:00:56,280

fast in in this beam of light went right

22

00:01:00,350 --> 00:00:57,840

through the bottom of the craft and a

23

00:01:04,369 --> 00:01:00,360

florist laid undrick and it's inside

24

00:01:07,010 --> 00:01:04,379

just like that just like that now it's

25

00:01:09,530 --> 00:01:07,020

interesting and uh about about this uh

26
00:01:11,330 --> 00:01:09,540
the people the beings that uh actually

27
00:01:12,649 --> 00:01:11,340
explain to these people where they're

28
00:01:14,810 --> 00:01:12,659
from and the whole I mean they were

29
00:01:17,270 --> 00:01:14,820
pretty open really yes they were they

30
00:01:20,810 --> 00:01:17,280
told them that uh they came from a

31
00:01:24,350 --> 00:01:20,820
planet they called clermer the uh they

32
00:01:27,050 --> 00:01:24,360
said that uh it was not too far from our

33
00:01:31,090 --> 00:01:27,060
sun in our part of the Galaxy and they

34
00:01:33,490 --> 00:01:31,100
showed the the two abductees on a

35
00:01:37,130 --> 00:01:33,500
hemispherical map on a viewing screen

36
00:01:40,090 --> 00:01:37,140
they showed them their son and our son

37
00:01:43,789 --> 00:01:40,100
in relationship to it and other

38
00:01:46,789 --> 00:01:43,799

Associated sons that had uh intelligent

39

00:01:48,410 --> 00:01:46,799

life on them now actually uh on the

40

00:01:51,609 --> 00:01:48,420

cover of your book if I'm not mistaken

41

00:01:55,310 --> 00:01:51,619

that's there that that is a reproduction

42

00:01:58,010 --> 00:01:55,320

of an alien map that was produced by the

43

00:02:00,230 --> 00:01:58,020

machine itself they put the the woman

44

00:02:01,910 --> 00:02:00,240

said can I can I trace a copy of that he

45

00:02:04,010 --> 00:02:01,920

said I'll make you a copy and he pushed

46

00:02:05,389 --> 00:02:04,020

the button and went back someplace and

47

00:02:07,310 --> 00:02:05,399

came out with a sheet of paper in his

48

00:02:08,089 --> 00:02:07,320

hand with the scene printed on it in

49

00:02:10,309 --> 00:02:08,099

color

50

00:02:12,410 --> 00:02:10,319

yeah one of the things that uh you

51
00:02:14,990 --> 00:02:12,420
mentioned yesterday was the fact that

52
00:02:17,270 --> 00:02:15,000
they spoke perfect Portuguese that's

53
00:02:19,130 --> 00:02:17,280
right they had their own language but

54
00:02:23,210 --> 00:02:19,140
they when they addressed the couple they

55
00:02:29,570 --> 00:02:26,570
um the these these beings from the this

56
00:02:32,690 --> 00:02:29,580
planet uh they were Brown is that right

57
00:02:36,410 --> 00:02:32,700
brown skin yes and they had interesting

58
00:02:39,050 --> 00:02:36,420
eyes they had uh green eyes they are the

59
00:02:41,270 --> 00:02:39,060
iris part of the eye was green and they

60
00:02:43,850 --> 00:02:41,280
otherwise had black hair and the brown

61
00:02:45,830 --> 00:02:43,860
skin but green eyes so that would if you

62
00:02:48,470 --> 00:02:45,840
paid a lot of attention that might uh

63
00:02:51,229 --> 00:02:48,480

stand out but you mentioned in in

64

00:02:52,910 --> 00:02:51,239

your book I remember the fact that on

65

00:02:56,830 --> 00:02:52,920

one of the later encounters which we'll

66

00:02:59,150 --> 00:02:56,840

get into the the lady uh I believe uh

67

00:03:00,350 --> 00:02:59,160

well maybe both of them there were two

68

00:03:03,050 --> 00:03:00,360

people involved right two people

69

00:03:05,690 --> 00:03:03,060

involved yes men and women uh there was

70

00:03:08,270 --> 00:03:05,700

so somebody met them by a name of uh

71

00:03:10,369 --> 00:03:08,280

some weird name and he was he was

72

00:03:13,910 --> 00:03:10,379

actually living here on this planet he

73

00:03:17,690 --> 00:03:13,920

was an alien man uh living as a resident

74

00:03:20,210 --> 00:03:17,700

on this planet that they uh used as a as

75

00:03:24,110 --> 00:03:20,220

a contact and they sent messages through

76

00:03:25,850 --> 00:03:24,120

him uh he clearly he was of the alien

77

00:03:27,350 --> 00:03:25,860

Society because when they were all

78

00:03:29,449 --> 00:03:27,360

together they looked alike he was just

79

00:03:32,630 --> 00:03:29,459

wearing Earth's clothes he gave his name

80

00:03:35,229 --> 00:03:32,640

as Zur but that was only his name in the

81

00:03:38,570 --> 00:03:35,239

alien Society he had another common

82

00:03:40,789 --> 00:03:38,580

Portuguese name in in Portugal now now

83

00:03:42,289 --> 00:03:40,799

the interesting thing and we'll get

84

00:03:44,330 --> 00:03:42,299

maybe getting that a little bit and they

85

00:03:48,890 --> 00:03:44,340

can read it in the book this is on a

86

00:03:52,369 --> 00:03:48,900

later encounter uh the the whole idea of

87

00:03:54,770 --> 00:03:52,379

them transporting and levitating uh uh

88

00:03:57,110 --> 00:03:54,780

the car and the whole thing and then

89

00:03:59,570 --> 00:03:57,120

talking to these people and it was a man

90

00:04:01,910 --> 00:03:59,580

and a woman right yes man and woman uh

91

00:04:05,630 --> 00:04:01,920

the whole idea is that uh almost

92

00:04:09,130 --> 00:04:05,640

everything that we hear about uh in

93

00:04:12,830 --> 00:04:09,140

fiction actually happens oh yes yes

94

00:04:14,869 --> 00:04:12,840

in fact truth is so much Beyond I don't

95

00:04:18,110 --> 00:04:14,879

even like to read science fiction it's

96

00:04:19,670 --> 00:04:18,120

just somebody's idea of an idea I I only

97

00:04:23,090 --> 00:04:19,680

like to read the truth and the truth

98

00:04:25,730 --> 00:04:23,100

actually is more is more rare and than

99

00:04:27,890 --> 00:04:25,740

anybody can imagine and in your research

100

00:04:30,350 --> 00:04:27,900

you've come across some great great

101
00:04:33,590 --> 00:04:30,360
stories over the years fantastic I've

102
00:04:36,890 --> 00:04:35,330
um they they had some guy helmets or

103
00:04:39,290 --> 00:04:36,900
something that they put on what was that

104
00:04:41,749 --> 00:04:39,300
about yes they uh they seated them in in

105
00:04:44,270 --> 00:04:41,759
big chairs and alongside of a console

106
00:04:46,189 --> 00:04:44,280
that filled much of the wall and then

107
00:04:47,930 --> 00:04:46,199
the aliens seated themselves in chairs

108
00:04:50,870 --> 00:04:47,940
facing them so there were four people in

109
00:04:52,730 --> 00:04:50,880
the room and they put helmet silvery

110
00:04:54,770 --> 00:04:52,740
looking helmets on their heads that had

111
00:04:57,530 --> 00:04:54,780
a blinking light on the top and bleaking

112
00:04:59,450 --> 00:04:57,540
later on the side uh some wires coming

113
00:05:02,570 --> 00:04:59,460

out that they plugged into the console

114

00:05:04,909 --> 00:05:02,580

and the aliens put similar helmets on

115

00:05:07,370 --> 00:05:04,919

their heads and after the helmets were

116

00:05:09,170 --> 00:05:07,380

on they they could open a conversation

117

00:05:11,150 --> 00:05:09,180

and they heard the conversation in

118

00:05:14,030 --> 00:05:11,160

Portuguese and their answers were

119

00:05:16,070 --> 00:05:14,040

translated by the console and into the

120

00:05:18,350 --> 00:05:16,080

alien language for the aliens now the

121

00:05:21,290 --> 00:05:18,360

interesting thing about this is when the

122

00:05:23,330 --> 00:05:21,300

alien spoke to the man the woman could

123

00:05:24,590 --> 00:05:23,340

hear the alien's voice speaking to men

124

00:05:26,510 --> 00:05:24,600

but she couldn't hear the translation

125

00:05:28,129 --> 00:05:26,520

furry earphones weren't working when

126

00:05:30,050 --> 00:05:28,139

that was happening when he turned to her

127

00:05:32,090 --> 00:05:30,060

her earphones worked that she could hear

128

00:05:34,370 --> 00:05:32,100

the translation in Portuguese and she

129

00:05:35,930 --> 00:05:34,380

could hear his voice in his language but

130

00:05:38,150 --> 00:05:35,940

the man couldn't hear the the

131

00:05:39,830 --> 00:05:38,160

translation to her in Portuguese she

132

00:05:43,070 --> 00:05:39,840

could only hear her response it's kind

133

00:05:44,390 --> 00:05:43,080

of a selective uh things they probably

134

00:05:46,370 --> 00:05:44,400

couldn't figure it out I guess it was

135

00:05:48,110 --> 00:05:46,380

automatic I don't know it was all done

136

00:05:50,150 --> 00:05:48,120

Automatic by the big console there were

137

00:05:52,730 --> 00:05:50,160

blinking lights on the console she

138

00:05:55,909 --> 00:05:52,740

noticed that the round colored button

139

00:05:58,189 --> 00:05:55,919

like lights uh bleached when they talked

140

00:06:00,830 --> 00:05:58,199

and when the aliens spoke square button

141

00:06:05,330 --> 00:06:00,840

like the lights blink what kind of craft

142

00:06:08,029 --> 00:06:05,340

uh was this it was a deep domed uh diff

143

00:06:10,430 --> 00:06:08,039

it was very very large it was yeah it

144

00:06:13,969 --> 00:06:10,440

was about 70 feet in diameter there was

145

00:06:16,310 --> 00:06:13,979

another car in that ship when there when

146

00:06:18,590 --> 00:06:16,320

they became aware of being inside when

147

00:06:20,270 --> 00:06:18,600

they were after the light they there was

148

00:06:22,610 --> 00:06:20,280

total darkness they couldn't see a thing

149

00:06:24,890 --> 00:06:22,620

and then as the light slowly came on

150

00:06:27,950 --> 00:06:24,900

they could see that they were sitting in

151

00:06:31,129 --> 00:06:27,960

a hanger like room on a metal floor

152

00:06:32,450 --> 00:06:31,139

there was another car there and there

153

00:06:35,150 --> 00:06:32,460

was not nothing else in the room at the

154

00:06:37,370 --> 00:06:35,160

beginning and then a port opened in the

155

00:06:40,370 --> 00:06:37,380

ceiling and two men came down a ladder

156

00:06:43,129 --> 00:06:40,380

that ran along the wall and met them now

157

00:06:45,469 --> 00:06:43,139

this small well it's a small 70 foot

158

00:06:48,170 --> 00:06:45,479

diameter craft went someplace else with

159

00:06:51,110 --> 00:06:48,180

him where it went into another larger

160

00:06:54,409 --> 00:06:51,120

craft and it was in the larger craft when

161

00:06:57,050 --> 00:06:54,419

they left the smaller disc shaped trap

162

00:06:59,390 --> 00:06:57,060

the larger craft had several other discs

163

00:07:02,210 --> 00:06:59,400

of this size some bigger and some

164

00:07:04,850 --> 00:07:02,220

smaller in another bigger Hangar Bay

165

00:07:08,450 --> 00:07:04,860

than the one that their car was in so it

166

00:07:10,490 --> 00:07:08,460

was at a very large mother ship was also

167

00:07:13,610 --> 00:07:10,500

involved yeah and and the man who

168

00:07:15,850 --> 00:07:13,620

actually uh I guess took the lead uh

169

00:07:18,050 --> 00:07:15,860

investigating for the

170

00:07:20,270 --> 00:07:18,060

extraterrestrials I actually became very

171

00:07:22,670 --> 00:07:20,280

friendly with those people right my

172

00:07:24,830 --> 00:07:22,680

friend a varic Airlines flight captain

173

00:07:27,110 --> 00:07:24,840

that was doing the interviewing uh

174

00:07:29,510 --> 00:07:27,120

became well quite well acquainted with

175

00:07:32,270 --> 00:07:29,520

her menial the man he never met the

176

00:07:34,909 --> 00:07:32,280

woman so never met and now you met the

177

00:07:37,670 --> 00:07:34,919

woman later or what no I I was looking

178

00:07:40,309 --> 00:07:37,680

for the woman for years and just a

179

00:07:42,529 --> 00:07:40,319

couple years ago I found out that she

180

00:07:43,969 --> 00:07:42,539

was the prime contactee the man was

181

00:07:46,610 --> 00:07:43,979

interested Man by the way was a

182

00:07:49,129 --> 00:07:46,620

Jehovah's Witness Minister and when he

183

00:07:51,469 --> 00:07:49,139

became aware that they were aboard an

184

00:07:54,050 --> 00:07:51,479

alien Vehicles let's get them to throw

185

00:07:56,749 --> 00:07:54,060

in this next break because this is

186

00:07:59,689 --> 00:07:56,759

Wendell Stevens is our guest and uh

187

00:08:01,730 --> 00:07:59,699

Wendell was talking about uh the Jehovah

188

00:08:04,370 --> 00:08:01,740

Witness man he was very religious yes he

189

00:08:07,850 --> 00:08:04,380

was uh he He Was An Architect by trade

190

00:08:09,710 --> 00:08:07,860

but he is his main activity was as the

191

00:08:13,670 --> 00:08:09,720

minister of the Jehovah's Witness church

192

00:08:17,089 --> 00:08:13,680

and uh and he was a devout man and she

193

00:08:19,430 --> 00:08:17,099

was an attendee at the church also she

194

00:08:22,330 --> 00:08:19,440

wasn't as religious as her menu and as

195

00:08:25,490 --> 00:08:22,340

soon as he realized where he was he

196

00:08:27,770 --> 00:08:25,500

subscribed to the belief advocated by

197

00:08:29,749 --> 00:08:27,780

many Christian churches that if they

198

00:08:32,570 --> 00:08:29,759

don't have a Jesus Christ they are from

199

00:08:34,969 --> 00:08:32,580

the other side so he immediately began

200

00:08:37,250 --> 00:08:34,979

to try it first of all to try to

201
00:08:40,130 --> 00:08:37,260
exercise the satanists and make him go

202
00:08:42,170 --> 00:08:40,140
away literally I'm praying to Jesus

203
00:08:45,110 --> 00:08:42,180
saying to Jesus Christ he said to the

204
00:08:47,509 --> 00:08:45,120
blood of Jesus has power go away be gone

205
00:08:50,570 --> 00:08:47,519
Satanist leave me alone I'm I'm a simple

206
00:08:52,730 --> 00:08:50,580
man I've begone something like Jesus I

207
00:08:55,430 --> 00:08:52,740
beseech you from the name of you in the

208
00:08:57,590 --> 00:08:55,440
name of Jesus they'd be gone and the man

209
00:08:59,990 --> 00:08:57,600
the alien sat there and and let him go

210
00:09:01,430 --> 00:09:00,000
then after he tried after he failed the

211
00:09:03,949 --> 00:09:01,440
exercise and they didn't disappear

212
00:09:05,690 --> 00:09:03,959
didn't try to stop him let him go on and

213
00:09:07,970 --> 00:09:05,700

off he sat quietly and watched him and

214

00:09:09,829 --> 00:09:07,980

and then when they didn't disappear with

215

00:09:11,090 --> 00:09:09,839

the exorcism he began preaching to him

216

00:09:13,850 --> 00:09:11,100

he's going to convert them to

217

00:09:15,590 --> 00:09:13,860

Christianity and he tried hard to make

218

00:09:17,630 --> 00:09:15,600

them understand and yell and just sat

219

00:09:19,970 --> 00:09:17,640

there and looked at him he did this for

220

00:09:22,190 --> 00:09:19,980

over a half an hour until his voice

221

00:09:24,110 --> 00:09:22,200

started to break from effort he was he

222

00:09:26,509 --> 00:09:24,120

was preaching so hard that he became

223

00:09:28,850 --> 00:09:26,519

hoarse and he could hardly talk and when

224

00:09:30,110 --> 00:09:28,860

he got he reached the quiet stage the

225

00:09:32,870 --> 00:09:30,120

alien looked at him and said are you

226

00:09:34,970 --> 00:09:32,880

through and he says of course I can't

227

00:09:36,590 --> 00:09:34,980

even talk anymore and he Ali says then

228

00:09:38,329 --> 00:09:36,600

carefully he took all the points that he

229

00:09:40,670 --> 00:09:38,339

raised and trying to convert him and

230

00:09:42,470 --> 00:09:40,680

explained his position on those points

231

00:09:46,070 --> 00:09:42,480

that that he said that they didn't have

232

00:09:49,009 --> 00:09:46,080

a God that the the the creation is so

233

00:09:51,530 --> 00:09:49,019

much beyond the concept of a personified

234

00:09:53,990 --> 00:09:51,540

God that we can't we're pagans in the

235

00:09:55,970 --> 00:09:54,000

woods with our our ideas and they didn't

236

00:09:59,269 --> 00:09:55,980

have a Bible and they didn't have money

237

00:10:01,610 --> 00:09:59,279

and and a lot of things that that after

238

00:10:03,889 --> 00:10:01,620

listening to him for 15 or 20 minutes

239

00:10:07,610 --> 00:10:03,899

explaining their positions for her menu

240

00:10:09,230 --> 00:10:07,620

the the deal was witness Minister began

241

00:10:11,630 --> 00:10:09,240

to think about his own religion and

242

00:10:14,210 --> 00:10:11,640

thought at one point the alien mentioned

243

00:10:15,829 --> 00:10:14,220

that our we think that we we look at our

244

00:10:17,690 --> 00:10:15,839

religion as a religion of love that's

245

00:10:18,949 --> 00:10:17,700

not really religion of love he said you

246

00:10:20,690 --> 00:10:18,959

go to church because you're afraid of

247

00:10:22,670 --> 00:10:20,700

the devil you got a victim hanging on

248

00:10:23,590 --> 00:10:22,680

the cross believing it and and all kinds

249

00:10:25,790 --> 00:10:23,600

of

250

00:10:28,130 --> 00:10:25,800

followers or stoned to death is that a

251

00:10:30,110 --> 00:10:28,140

religion of love and harina finally

252

00:10:32,590 --> 00:10:30,120

agreed with the alien and gave up his

253

00:10:35,090 --> 00:10:32,600

religion and went to teaching yoga

254

00:10:37,610 --> 00:10:35,100

right right yeah yeah you know it's

255

00:10:39,829 --> 00:10:37,620

interesting that uh they discussed

256

00:10:42,230 --> 00:10:39,839

Theology and religion with the

257

00:10:44,449 --> 00:10:42,240

Extraterrestrial and they actually uh

258

00:10:47,870 --> 00:10:44,459

took time to explain each of the points

259

00:10:49,910 --> 00:10:47,880

yeah and then after after this careful

260

00:10:51,949 --> 00:10:49,920

discussion and hermeneo is blown away he

261

00:10:53,509 --> 00:10:51,959

sat there silently but when the alien

262

00:10:55,069 --> 00:10:53,519

finished the alien then turned to Bianca

263

00:10:57,230 --> 00:10:55,079

and he says do you all these people on

264

00:11:02,470 --> 00:10:57,240

Earth believe like this man she says not

265

00:11:05,329 --> 00:11:02,480

all he said thank goodness for that

266

00:11:07,069 --> 00:11:05,339

he said he told her he said you ought to

267

00:11:11,210 --> 00:11:07,079

talk to him a little bit about this he's

268

00:11:14,870 --> 00:11:11,220

a he's a little rabbit so so this man uh

269

00:11:18,710 --> 00:11:14,880

the Extraterrestrial uh he actually uh

270

00:11:22,670 --> 00:11:18,720

was was quite uh communicative and in a

271

00:11:25,130 --> 00:11:22,680

friendly friendly way yes and actually I

272

00:11:27,769 --> 00:11:25,140

had a lot of respect for uh not respect

273

00:11:29,690 --> 00:11:27,779

but I mean he he told Bianca he said I

274

00:11:33,710 --> 00:11:29,700

like talking to you you make sense this

275

00:11:36,530 --> 00:11:33,720

guy doesn't now Bianca I actually got

276

00:11:39,110 --> 00:11:36,540

other messages from from him later yes

277

00:11:41,030 --> 00:11:39,120

uh she was he asked her she asked him if

278

00:11:43,190 --> 00:11:41,040

she could contact him again and he said

279

00:11:45,230 --> 00:11:43,200

I'll prepare you so he set her down in

280

00:11:46,670 --> 00:11:45,240

another chair and he got a device he put

281

00:11:47,990 --> 00:11:46,680

it on her head and he put his hands on

282

00:11:51,009 --> 00:11:48,000

her shoulder stood behind her and

283

00:11:53,269 --> 00:11:51,019

operated some equipment some buttons

284

00:11:55,310 --> 00:11:53,279

manipulating the device was on her head

285

00:11:57,050 --> 00:11:55,320

and he said now this is going to hurt a

286

00:11:59,090 --> 00:11:57,060

little but it won't be too painful is

287

00:12:02,870 --> 00:11:59,100

that okay and she said go ahead it's

288

00:12:05,569 --> 00:12:02,880

okay and it did make uh her head uh

289

00:12:07,790 --> 00:12:05,579

resonate a little bit like uh a buzzing

290

00:12:09,949 --> 00:12:07,800

in her head for a short time and when he

291

00:12:11,630 --> 00:12:09,959

stopped it he said now he said your

292

00:12:14,750 --> 00:12:11,640

programmed he said you will be able to

293

00:12:16,490 --> 00:12:14,760

receive our telepathic transmissions and

294

00:12:18,410 --> 00:12:16,500

you'll be able to respond she says will

295

00:12:21,410 --> 00:12:18,420

I be able to call you he says well not

296

00:12:24,110 --> 00:12:21,420

really but I can call you anytime and so

297

00:12:25,970 --> 00:12:24,120

after that they commuted with David with

298

00:12:27,949 --> 00:12:25,980

her telepathically and would send her to

299

00:12:30,650 --> 00:12:27,959

a rendezvous point where they would come

300

00:12:32,870 --> 00:12:30,660

and land and pick her up and actually

301
00:12:35,090 --> 00:12:32,880
this happened four or five times seven

302
00:12:36,650 --> 00:12:35,100
times seven times I know there were more

303
00:12:39,949 --> 00:12:36,660
after that but I have a record of seven

304
00:12:41,990 --> 00:12:39,959
yeah seven times and each each of these

305
00:12:44,990 --> 00:12:42,000
things were kind of interesting I I like

306
00:12:48,530 --> 00:12:45,000
the uh story about evidently uh Bianca

307
00:12:50,509 --> 00:12:48,540
till it was okay to contact the Press uh

308
00:12:53,090 --> 00:12:50,519
yeah or how could the Press find out

309
00:12:54,829 --> 00:12:53,100
about it she first uh uh when she

310
00:12:57,470 --> 00:12:54,839
started telling about what have he had

311
00:12:59,150 --> 00:12:57,480
no concept of UFOs at the beginning so

312
00:13:01,129 --> 00:12:59,160
she began to tell a few people and they

313
00:13:03,350 --> 00:13:01,139

said oh there's a group in Sao Paulo

314

00:13:05,090 --> 00:13:03,360

that studies that and they gave her a

315

00:13:07,490 --> 00:13:05,100

name of somebody that had a radio

316

00:13:09,110 --> 00:13:07,500

program like yours and she contacted

317

00:13:11,389 --> 00:13:09,120

them they invited her to come tell her

318

00:13:12,829 --> 00:13:11,399

story when she got to the house she

319

00:13:15,290 --> 00:13:12,839

found that there was a half a dozen

320

00:13:16,970 --> 00:13:15,300

people from the organization waiting

321

00:13:20,090 --> 00:13:16,980

there to hear it and they told their

322

00:13:22,610 --> 00:13:20,100

story and and then they all wanted to be

323

00:13:25,610 --> 00:13:22,620

introduced to the extraterrestrials and

324

00:13:26,990 --> 00:13:25,620

so in the next context he said I have a

325

00:13:28,610 --> 00:13:27,000

number of people want to meet you is

326

00:13:30,889 --> 00:13:28,620

that possible can they meet you sometime

327

00:13:32,269 --> 00:13:30,899

he says well he says close personal

328

00:13:33,949 --> 00:13:32,279

friend but not those people you're

329

00:13:37,190 --> 00:13:33,959

talking to they're not your friends they

330

00:13:39,290 --> 00:13:37,200

are exploiting you so she said well can

331

00:13:41,449 --> 00:13:39,300

I bring friends and he said of course

332

00:13:44,389 --> 00:13:41,459

but he said we're going to have to do

333

00:13:46,190 --> 00:13:44,399

this in a less populated area she lived

334

00:13:47,750 --> 00:13:46,200

in Rio de Janeiro he said you're going

335

00:13:50,150 --> 00:13:47,760

to have to we're going to have to do

336

00:13:52,610 --> 00:13:50,160

this in a in a remote area where there's

337

00:13:54,470 --> 00:13:52,620

little chance for interference so she

338

00:13:57,110 --> 00:13:54,480

then went to great things to find find a

339

00:13:59,810 --> 00:13:57,120

piece of property many kilometers out of

340

00:14:01,790 --> 00:13:59,820

away from cities finally arranged to buy

341

00:14:03,650 --> 00:14:01,800

it built a little Hut on there sent her

342

00:14:05,269 --> 00:14:03,660

father out to guard the property when

343

00:14:07,009 --> 00:14:05,279

she was there she worked the full work

344

00:14:09,290 --> 00:14:07,019

week and then take the weekends out to

345

00:14:12,290 --> 00:14:09,300

work on the HUD on the property it was

346

00:14:15,069 --> 00:14:12,300

invalided and he could barely walk and

347

00:14:17,569 --> 00:14:15,079

as when the Hut was nearly finished

348

00:14:19,790 --> 00:14:17,579

a brilliant light appeared over the

349

00:14:21,410 --> 00:14:19,800

house and it was so bright that the

350

00:14:22,970 --> 00:14:21,420

light came right through the ceiling all

351

00:14:25,009 --> 00:14:22,980

the way to the floor illuminated

352

00:14:26,750 --> 00:14:25,019

everything inside he went out to take a

353

00:14:29,569 --> 00:14:26,760

look and the object was hovering above

354

00:14:32,090 --> 00:14:29,579

and then it flew away and and his

355

00:14:34,069 --> 00:14:32,100

debilities were completely healed he was

356

00:14:35,930 --> 00:14:34,079

perfectly healthy after that so they

357

00:14:38,150 --> 00:14:35,940

were they were very very thankful for

358

00:14:40,129 --> 00:14:38,160

the help that was done but it was he was

359

00:14:42,290 --> 00:14:40,139

particularly grateful he had his doubts

360

00:14:43,550 --> 00:14:42,300

about UFOs and what they were doing here

361

00:14:44,930 --> 00:14:43,560

and that sort of thing up to this point

362

00:14:47,990 --> 00:14:44,940

after that he became a pretty strong

363

00:14:51,530 --> 00:14:48,000

advocate of it I I could understand yeah

364

00:14:54,290 --> 00:14:51,540

uh now now why do you think they uh

365

00:14:56,389 --> 00:14:54,300

chose Bianca in the first place so that

366

00:14:58,069 --> 00:14:56,399

wasn't just they were making routine

367

00:14:59,930 --> 00:14:58,079

investigation I mean I know this would

368

00:15:02,269 --> 00:14:59,940

be conjecture on your part but I mean

369

00:15:04,790 --> 00:15:02,279

and there was something uh you know they

370

00:15:06,230 --> 00:15:04,800

you know we we identify certain people

371

00:15:07,610 --> 00:15:06,240

and other people we don't you think

372

00:15:10,009 --> 00:15:07,620

something like that happened or what

373

00:15:13,790 --> 00:15:10,019

well I don't think so because she had no

374

00:15:16,129 --> 00:15:13,800

concept of UFOs uh the man that was

375

00:15:19,250 --> 00:15:16,139

writing they weren't related but she was

376

00:15:22,370 --> 00:15:19,260

a a patron in his Jehovah Witness church

377

00:15:24,170 --> 00:15:22,380

not the strongest supporter but went to

378

00:15:26,210 --> 00:15:24,180

church regularly to his church and they

379

00:15:30,829 --> 00:15:26,220

were going he was going on business to

380

00:15:32,629 --> 00:15:30,839

uh uh Villa Horizonte and she was going

381

00:15:33,889 --> 00:15:32,639

to see some friends in Bella Horizon so

382

00:15:35,930 --> 00:15:33,899

they happened to be riding in the same

383

00:15:38,629 --> 00:15:35,940

car and he was doing the driving her car

384

00:15:40,569 --> 00:15:38,639

which was a little carbon gear and uh

385

00:15:44,689 --> 00:15:40,579

and so I mean

386

00:15:47,509 --> 00:15:44,699

Bianca uh had later the Press actually

387

00:15:49,850 --> 00:15:47,519

got involved uh or how did that come

388

00:15:51,889 --> 00:15:49,860

about well when she went to see the UFO

389

00:15:53,629 --> 00:15:51,899

group that was a new case and it was

390

00:15:55,670 --> 00:15:53,639

quite spectacular so they immediately

391

00:15:57,829 --> 00:15:55,680

reported it to the press and reporters

392

00:15:59,389 --> 00:15:57,839

wanted to talk to her too and they

393

00:16:01,189 --> 00:15:59,399

started telling her about other cases

394

00:16:02,990 --> 00:16:01,199

which interested her because she didn't

395

00:16:05,449 --> 00:16:03,000

know anything about any cases up to this

396

00:16:07,069 --> 00:16:05,459

point so then she began to follow up on

397

00:16:10,610 --> 00:16:07,079

some of the names that they gave her and

398

00:16:12,769 --> 00:16:10,620

and finally ran into a legitimate UFO

399

00:16:16,210 --> 00:16:12,779

investigators down there that gave her

400

00:16:18,590 --> 00:16:16,220

more information than so she then began

401
00:16:20,150 --> 00:16:18,600
signaling for Karen to come back she

402
00:16:21,470 --> 00:16:20,160
wanted to ask him more questions and

403
00:16:24,230 --> 00:16:21,480
that was that was the name of the Union

404
00:16:26,629 --> 00:16:24,240
that was the the Alias said you my name

405
00:16:30,790 --> 00:16:26,639
is Carrot my blood to show itself on the

406
00:16:34,069 --> 00:16:30,800
chest says I am Karen now now uh I guess

407
00:16:35,990 --> 00:16:34,079
he never you told one story about maybe

408
00:16:37,249 --> 00:16:36,000
he was a little late from what time they

409
00:16:39,290 --> 00:16:37,259
thought they'd be there and people got

410
00:16:40,970 --> 00:16:39,300
tired of waiting yeah that's right they

411
00:16:42,350 --> 00:16:40,980
they expected to be there by eight

412
00:16:44,569 --> 00:16:42,360
o'clock in the morning and this happened

413
00:16:46,730 --> 00:16:44,579

about 11 45 at night and they had

414

00:16:48,949 --> 00:16:46,740

another two or three hours to drive and

415

00:16:51,050 --> 00:16:48,959

then they never showed the the man had

416

00:16:53,030 --> 00:16:51,060

an appointment and they never showed and

417

00:16:55,189 --> 00:16:53,040

they were aboard the evil spacecraft for

418

00:16:57,410 --> 00:16:55,199

three days and two nights of course all

419

00:16:59,269 --> 00:16:57,420

the apartments failed because nobody

420

00:17:01,850 --> 00:16:59,279

knew what happened to him until they got

421

00:17:03,829 --> 00:17:01,860

back rested up and then started looking

422

00:17:05,809 --> 00:17:03,839

around to see who else knew anything

423

00:17:07,789 --> 00:17:05,819

about this sort of phenomenon because it

424

00:17:09,289 --> 00:17:07,799

was an entirely alien to them at the

425

00:17:11,689 --> 00:17:09,299

beginning when you've written 18

426
00:17:14,150 --> 00:17:11,699
books anybody else from this planet or

427
00:17:16,210 --> 00:17:14,160
is this the only uh incident that they

428
00:17:18,289 --> 00:17:16,220
say they're from this particular Planet

429
00:17:20,329 --> 00:17:18,299
I've never never heard of another one

430
00:17:22,669 --> 00:17:20,339
from this planet and in over a hundred

431
00:17:24,829 --> 00:17:22,679
cases there are only two that might be

432
00:17:27,350 --> 00:17:24,839
coming from the same Sun system and not

433
00:17:29,630 --> 00:17:27,360
necessarily the same Planet all arrests

434
00:17:31,669 --> 00:17:29,640
were different from all the others if my

435
00:17:33,830 --> 00:17:31,679
sampling is representative that means

436
00:17:35,150 --> 00:17:33,840
that 98 of our visitors are all

437
00:17:37,610 --> 00:17:35,160
different from all the others before

438
00:17:40,070 --> 00:17:37,620

that this indicates some kind of
