

1
00:00:04,309 --> 00:00:02,270
Glenn Dennis who was employed as an

2
00:00:06,889 --> 00:00:04,319
Undertaker was asked by the base to

3
00:00:09,049 --> 00:00:06,899
provide coffins and ice for children

4
00:00:11,509 --> 00:00:09,059
at the base Dennis saw the remains of

5
00:00:13,850 --> 00:00:11,519
the UFO and met a nurse an acquaintance

6
00:00:24,070 --> 00:00:13,860
of his at the door of the local doctor's

7
00:00:28,310 --> 00:00:26,630
get out of here get out of here as fast

8
00:00:31,490 --> 00:00:28,320
as you can because you're in a lot of

9
00:00:33,709 --> 00:00:31,500
trouble you will be in a lot of trouble

10
00:00:35,330 --> 00:00:33,719
but then and then she went on a cross

11
00:00:39,650 --> 00:00:35,340
and in the meantime she was having

12
00:00:42,950 --> 00:00:42,049
this morning about 11 o'clock she calls

13
00:00:49,190 --> 00:00:42,960

me

14

00:00:52,549 --> 00:00:49,200

we have to get together uh

15

00:00:55,130 --> 00:00:52,559

she uh informed me that

16

00:00:58,250 --> 00:00:55,140

this lady was still crying and she was

17

00:01:01,430 --> 00:00:58,260

she was still upset and her face was oh

18

00:01:03,709 --> 00:01:01,440

the scratches and her hair was messed up

19

00:01:05,929 --> 00:01:03,719

and everything that she said she hadn't

20

00:01:07,789 --> 00:01:05,939

slept all night and she was you know she

21

00:01:10,550 --> 00:01:07,799

didn't know what was going to happen she

22

00:01:12,950 --> 00:01:10,560

said that in one crash bag there was two

23

00:01:16,310 --> 00:01:12,960

very mutilated small bodies

24

00:01:18,530 --> 00:01:16,320

and she explained that they had to

25

00:01:20,570 --> 00:01:18,540

the hands were severed unwind the doctor

26

00:01:22,490 --> 00:01:20,580

would take a long forcep and turn it

27

00:01:23,690 --> 00:01:22,500

over they explained that there was four

28

00:01:25,370 --> 00:01:23,700

fingers

29

00:01:27,530 --> 00:01:25,380

very fragile

30

00:01:28,969 --> 00:01:27,540

had little pads on each end of the four

31

00:01:31,609 --> 00:01:28,979

fingers

32

00:01:33,230 --> 00:01:31,619

and the way the doctors excited that it

33

00:01:35,210 --> 00:01:33,240

looked like there might be a little

34

00:01:37,730 --> 00:01:35,220

minute suction cups

35

00:01:39,890 --> 00:01:37,740

in those pads

36

00:01:41,929 --> 00:01:39,900

then she explained to me that they had

37

00:01:44,030 --> 00:01:41,939

the very large head that were flexible

38

00:01:46,609 --> 00:01:44,040

like a newborn child

39

00:01:48,649 --> 00:01:46,619

the eyes were very large they did not

40

00:01:51,469 --> 00:01:48,659

have a bridge the nose the face was

41

00:01:53,990 --> 00:01:51,479

concave they had two orifices the mouth

42

00:01:55,130 --> 00:01:54,000

was only one inch there was no teeth or

43

00:01:58,130 --> 00:01:55,140

tongue

44

00:02:01,010 --> 00:01:58,140

they did not have the ears because we

45

00:02:04,130 --> 00:02:01,020

know they had two ear canals a double

46

00:02:08,210 --> 00:02:04,140

ear canal not just one ear canal

47

00:02:11,089 --> 00:02:08,220

uh so what she did

48

00:02:12,949 --> 00:02:11,099

the night before she drew me a small

49

00:02:15,110 --> 00:02:12,959

diagram on the back of a Prescription

50

00:02:16,130 --> 00:02:15,120

Pad that she always kept in her uniform

51
00:02:20,030 --> 00:02:16,140
there

52
00:02:22,550 --> 00:02:20,040
and she did the best she could on on the

53
00:02:24,770 --> 00:02:22,560
drawing of of the head and the the

54
00:02:25,670 --> 00:02:24,780
little arms and explaining to me what it

55
00:02:28,990 --> 00:02:25,680
was

56
00:02:31,670 --> 00:02:29,000
she gave it to me and told me that uh

57
00:02:33,770 --> 00:02:31,680
she wanted me to have it

58
00:02:36,050 --> 00:02:33,780
but that I would never reveal where I

59
00:02:38,089 --> 00:02:36,060
got it I mean that her name she did not

60
00:02:40,850 --> 00:02:38,099
want to be involved anymore in this and

61
00:02:42,850 --> 00:02:40,860
no and I gave her a sacred out that I

62
00:02:46,309 --> 00:02:42,860
would not reveal her name

63
00:02:47,809 --> 00:02:46,319

and that was the last time I saw her I

64

00:02:49,490 --> 00:02:47,819

called out the next day and they said

65

00:02:50,869 --> 00:02:49,500

that she was transferred out that

66

00:02:53,270 --> 00:02:50,879

afternoon

67

00:02:58,369 --> 00:02:53,280

they don't know where about six weeks

68

00:03:01,130 --> 00:02:58,379

later I get a a letter from England

69

00:03:03,229 --> 00:03:01,140

about six weeks later my letter came

70

00:03:05,570 --> 00:03:03,239

back and down on the corner it said

71

00:03:07,670 --> 00:03:05,580

Return to Center then it had in the red
