

1  
00:00:04,789 --> 00:00:02,389  
Cosmonaut Pavel Popovich was one of

2  
00:00:06,590 --> 00:00:04,799  
Russia's earliest cosmonauts he joins

3  
00:00:08,990 --> 00:00:06,600  
the ranks of an increasing number of

4  
00:00:12,530 --> 00:00:09,000  
military personnel who have testified as

5  
00:00:15,049 --> 00:00:12,540  
to the validity of the UFO phenomena

6  
00:00:17,090 --> 00:00:15,059  
Major General Popovich shared with us a

7  
00:00:19,370 --> 00:00:17,100  
sighting he had while flying home from

8  
00:00:41,569 --> 00:00:19,380  
Washington DC with a delegation of

9  
00:00:41,579 --> 00:01:01,630  
foreign

10  
00:01:07,130 --> 00:01:04,789  
control Ground Control did not detect

11  
00:01:09,289 --> 00:01:07,140  
anything on radar even though the object

12  
00:01:32,530 --> 00:01:09,299  
could be seen by all occupants of the

13  
00:01:32,540 --> 00:01:42,310

not pressure

14

00:01:46,969 --> 00:01:44,710  
within the Soviet space program

15

00:01:49,130 --> 00:01:46,979  
cosmonauts insist that they have seen

16

00:01:50,830 --> 00:01:49,140  
more than just floating scraps of space

17

00:01:53,749 --> 00:01:50,840  
junk

18

00:01:56,330 --> 00:01:53,759  
I think that we are not alone in the

19

00:01:59,630 --> 00:01:56,340  
universe I believe that someone or

20

00:02:03,469 --> 00:01:59,640  
something of extraterrestrial origin has

21

00:02:09,650 --> 00:02:06,950  
in April of 1979. Cosmonaut Victor

22

00:02:11,690 --> 00:02:09,660  
offensia lifted off from Star City to

23

00:02:14,089 --> 00:02:11,700  
dock with the Soviet solute 6 space

24

00:02:17,030 --> 00:02:14,099  
station but while in route something

25

00:02:18,890 --> 00:02:17,040  
strange happened Cosmonaut ofnasium saw

26  
00:02:23,570 --> 00:02:18,900  
an unidentified object turned toward his

27  
00:02:29,809 --> 00:02:26,809  
it followed us during half of our orbit

28  
00:02:31,910 --> 00:02:29,819  
we observed it on the light side and

29  
00:02:35,930 --> 00:02:31,920  
when we entered the shadow side it

30  
00:02:40,670 --> 00:02:38,449  
it was an engineering structure made

31  
00:02:44,270 --> 00:02:40,680  
from some type of metal approximately 40

32  
00:02:47,330 --> 00:02:44,280  
meters long with inner hulls the object

33  
00:02:49,970 --> 00:02:47,340  
was narrow here and wider here and

34  
00:02:52,490 --> 00:02:49,980  
inside there were openings some places

35  
00:02:55,070 --> 00:02:52,500  
had projections like small Wings the

36  
00:02:57,770 --> 00:02:55,080  
objects stayed very close to us we

37  
00:03:00,890 --> 00:02:57,780  
photographed it and our photos showed it

38  
00:03:03,430 --> 00:03:00,900

to be 23 to 28 meters away

39

00:03:06,050 --> 00:03:03,440

in addition to photographing the UFO

40

00:03:08,750 --> 00:03:06,060

apanasia continually reported back to

41

00:03:11,030 --> 00:03:08,760

Mission Control about the craft size its

42

00:03:13,130 --> 00:03:11,040

shape and position when the Cosmonaut

43

00:03:15,410 --> 00:03:13,140

returned to Earth he was debriefed told

44

00:03:17,990 --> 00:03:15,420

never to reveal what he knew and had his

45

00:03:20,089 --> 00:03:18,000

cameras and film confiscated those

46

00:03:22,850 --> 00:03:20,099

photos and his voice Transmissions from

47

00:03:25,369 --> 00:03:22,860

space have never been released

48

00:03:27,830 --> 00:03:25,379

it is only now with a collapse of the

49

00:03:30,589 --> 00:03:27,840

Soviet Union that ofanasium feels he can

50

00:03:34,430 --> 00:03:30,599

safely tell his story it is still
