Sane Citizen Sees UFO

1
00:00:05,090 --> 00:00:02,750
Hudson County New Jersey the town of

2
00:00:07,309 --> 00:00:05,100
North Bergen a middle-class suburb

3
00:00:09,650 --> 00:00:07,319
across the river from New York City

4
00:00:12,530 --> 00:00:09,660
its residents are hard-working educated

5
00:00:14,690 --> 00:00:12,540
professionals who tend to be realists

6
00:00:17,630 --> 00:00:14,700
this is also a place where there have

7
00:00:19,609 --> 00:00:17,640
been persistent claims of alien and UFO

8
00:00:21,950 --> 00:00:19,619
sightings

9
00:00:23,870 --> 00:00:21,960
George obarsky owned a Manhattan liquor

10
00:00:25,429 --> 00:00:23,880
store and drove the same route back to

11
00:00:29,029 --> 00:00:25,439
his home in North Bergen New Jersey

12
00:00:32,709 --> 00:00:29,039
every night for decades

13
00:00:35,330 --> 00:00:32,719

at 3 A.M on the morning of January 12

14

00:00:37,970 --> 00:00:35,340

1975. as he was driving through the

15

00:00:40,729 --> 00:00:37,980

local park his radio reception suddenly

16

00:00:42,770 --> 00:00:40,739

became distorted he related the

17

00:00:45,889 --> 00:00:42,780

subsequent events to UFO investigator

18

00:00:48,770 --> 00:00:45,899

Bud Hopkins who recorded his story with

19

00:00:52,369 --> 00:00:48,780

a portable tape recorder well I would

20

00:00:55,970 --> 00:00:52,379

say that that thing was 30 feet across

21

00:00:59,209 --> 00:00:55,980

it's a big thing yeah and it seemed to

22

00:01:01,310 --> 00:00:59,219

be I would say maybe six feet high you

23

00:01:04,969 --> 00:01:01,320

know like take a pill okay it was blown

24

00:01:07,850 --> 00:01:04,979

up like a like a pancake right

25

00:01:10,370 --> 00:01:07,860

yeah and the King landed

26

00:01:12,230 --> 00:01:10,380

right ahead of me he describes small

27

00:01:14,390 --> 00:01:12,240

figures who got out he said they look

28

00:01:16,810 --> 00:01:14,400

like kids in snow suits and they were

29

00:01:19,870 --> 00:01:16,820

each one carrying a kind of a squarish

30

00:01:22,609 --> 00:01:19,880

receptacle and a long spoon-like shovel

31

00:01:24,109 --> 00:01:22,619

they dug soil samples extremely quickly

32

00:01:25,670 --> 00:01:24,119

spooning up the dirt put it in the

33

00:01:28,490 --> 00:01:25,680

little satchels and got back in the

34

00:01:31,249 --> 00:01:28,500

craft he said they moved incredibly fast

35

00:01:32,929 --> 00:01:31,259

like kids coming down a fire escape and

36

00:01:35,270 --> 00:01:32,939

the thing took off he was absolutely

37

00:01:36,590 --> 00:01:35,280

terrified stunned he didn't know what he

38

00:01:39,109 --> 00:01:36,600

was seeing

39

00:01:42,050 --> 00:01:39,119

even after George obarsky made it home

40

00:01:44,990 --> 00:01:42,060

he was still shaken terrorized by what

41

00:01:47,230 --> 00:01:45,000

he had encountered I was scared to death

42

00:01:50,510 --> 00:01:47,240

yeah you know

43

00:01:52,789 --> 00:01:50,520

and I immediately made some tea

44

00:01:55,310 --> 00:01:52,799

boy after that I turned on his radio

45

00:01:57,530 --> 00:01:55,320

because I took two aspirins you know I

46

00:01:59,330 --> 00:01:57,540

was still scared right oh man just

47

00:02:00,530 --> 00:01:59,340

either I'm going crazy something else

48

00:02:03,830 --> 00:02:00,540

was wrong

49

00:02:06,289 --> 00:02:03,840

George obarsky died in 1990. his son

50

00:02:10,930 --> 00:02:06,299

Frank remembers his father's story well

51

00:02:14,710 --> 00:02:10,940

what he described was a big

52

00:02:17,570 --> 00:02:14,720

sorcer-like uh

53

00:02:19,690 --> 00:02:17,580

object which for want of any better

54

00:02:23,150 --> 00:02:19,700

explanation you'd have to call a UFO

55

00:02:26,510 --> 00:02:23,160

unidentified flying object that came

56

00:02:30,250 --> 00:02:26,520

down was sort of dislike on the bottom

57

00:02:34,190 --> 00:02:30,260

had very strange lighting sort of glowed

58

00:02:36,410 --> 00:02:34,200

the Clincher was after it landed my

59

00:02:39,710 --> 00:02:36,420

father described himself as being

60

00:02:41,630 --> 00:02:39,720

basically Frozen almost in fear and this

61

00:02:43,550 --> 00:02:41,640

is a guy who'd been robbed a lot in the

62

00:02:47,089 --> 00:02:43,560

liquor store in New York and

63

00:02:49,610 --> 00:02:47,099

knew what fear was like and had coped

64

00:02:53,150 --> 00:02:49,620

with it a lot but he was he said he was

65

00:02:57,430 --> 00:02:55,430

Bud Hopkins tried to corroborate George

66

00:03:00,050 --> 00:02:57,440

obarski's story with other Witnesses

67

00:03:01,970 --> 00:03:00,060

including a doorman who worked at the

68

00:03:03,530 --> 00:03:01,980

Stonehenge apartment building across the

69

00:03:04,790 --> 00:03:03,540

street from the park

70

00:03:07,670 --> 00:03:04,800

I realized it was a big apartment

71

00:03:09,890 --> 00:03:07,680

building there so I spent weeks trying

72

00:03:13,550 --> 00:03:09,900

to locate the doorman I called him and I

73

00:03:15,170 --> 00:03:13,560

remember my adrenaline rushing when this

74

00:03:17,089 --> 00:03:15,180

man said I will never forget it this

75

00:03:19,670 --> 00:03:17,099

Flying Saucer came down and landed in

76

00:03:21,410 --> 00:03:19,680

the park and I watched the thing come

77

00:03:23,690 --> 00:03:21,420

down then he started describing what it

78

00:03:25,430 --> 00:03:23,700

looked like and it was an identical

79

00:03:27,830 --> 00:03:25,440

description to George

80

00:03:30,410 --> 00:03:27,840

after writing about obarsky's story in

81

00:03:31,970 --> 00:03:30,420

the Village Voice newspaper Bud Hopkins

82

00:03:34,790 --> 00:03:31,980

kept looking for other possible

83

00:03:37,009 --> 00:03:34,800

Witnesses one family came

84

00:03:39,470 --> 00:03:37,019

to light afterwards they were living

85

00:03:42,350 --> 00:03:39,480

about five blocks away seeing this

86

00:03:44,690 --> 00:03:42,360

object coming down the street maybe 40

87

00:03:46,550 --> 00:03:44,700

feet up slanted

88

00:03:48,770 --> 00:03:46,560

and they described it as if it was

89

00:03:51,490 --> 00:03:48,780

looking in their windows and even though

90

00:03:54,949 --> 00:03:51,500

the woman in the family was ill

91

00:03:57,110 --> 00:03:54,959

she ran outside at her nightgown bare

92

00:03:58,610 --> 00:03:57,120

feet and the father and the children ran

93

00:03:59,869 --> 00:03:58,620

out and they followed this thing down

94

00:04:01,970 --> 00:03:59,879

the street

95

00:04:04,250 --> 00:04:01,980

a North Bergen School teacher Anne

96

00:04:06,589 --> 00:04:04,260

karlovich says she listened skeptically

97

00:04:08,750 --> 00:04:06,599

as her daughters described The Tell-Tale

98

00:04:11,390 --> 00:04:08,760

evidence in the park on the day after

99

00:04:14,690 --> 00:04:11,400

the alleged incident

100

00:04:17,689 --> 00:04:14,700

back in 1975 we had heard about this

101
00:04:19,789 --> 00:04:17,699
incident that there was a flying solicit

102
00:04:21,650 --> 00:04:19,799
in the park so my daughter and her

103
00:04:23,150 --> 00:04:21,660
friends went down to the park to see

104
00:04:25,550 --> 00:04:23,160
what was going on and they all kept

105
00:04:27,710 --> 00:04:25,560
running back saying they saw rings and

106
00:04:30,290 --> 00:04:27,720
burn marks in the grass

107
00:04:32,689 --> 00:04:30,300
in the field down near the softball

108
00:04:35,090 --> 00:04:32,699
field and they told me the whole story

109
00:04:37,430 --> 00:04:35,100
about broken windows that the Stonehenge

110
00:04:39,409 --> 00:04:37,440
had a large glass facade and it was

111
00:04:42,610 --> 00:04:39,419
broken by a beam of light that hit it

112
00:04:44,810 --> 00:04:42,620
the kids were awfully excited about it

113
00:04:47,090 --> 00:04:44,820

francobarsky also went to the site with

114

00:04:49,550 --> 00:04:47,100

his father he knew him as a practical

115

00:04:52,129 --> 00:04:49,560

man so it was difficult for him to

116

00:04:54,710 --> 00:04:52,139

understand why his Dad held to such a

117

00:04:57,350 --> 00:04:54,720

seemingly irrational story

118

00:05:00,110 --> 00:04:57,360

he didn't show much interest in things

119

00:05:02,570 --> 00:05:00,120

that couldn't be proved or disproved or

120

00:05:04,909 --> 00:05:02,580

that didn't apply to everyday life and

121

00:05:07,370 --> 00:05:04,919

this was one of those categories that he

122

00:05:11,230 --> 00:05:07,380

felt didn't apply to Everyday Life

123

00:05:13,610 --> 00:05:11,240

so I had a lot of trouble

124

00:05:15,770 --> 00:05:13,620

reconciling my knowledge of my father

125

00:05:18,950 --> 00:05:15,780

with this story he was telling me he

126

00:05:21,230 --> 00:05:18,960

said you know I've lived a long life as

127

00:05:23,390 --> 00:05:21,240

honorably and truthfully as I was able

128

00:05:25,790 --> 00:05:23,400

to he said a man doesn't do that for

129

00:05:29,210 --> 00:05:25,800

over 70 years and then throw it all away

130

00:05:31,310 --> 00:05:29,220

by making up some foolishness

131

00:05:35,450 --> 00:05:31,320

since the alleged sighting made famous

132

00:05:37,610 --> 00:05:35,460

by George obarsky in 1975 residents of

133

00:05:40,070 --> 00:05:37,620

North Bergen New Jersey have reported

134

00:05:41,930 --> 00:05:40,080

seeing dozens of UFOs on a number of

135

00:05:46,129 --> 00:05:41,940

different occasions

136

00:05:48,590 --> 00:05:46,139

in the early evening of July 6 1986 Wall

137

00:05:51,409 --> 00:05:48,600

Street investor Ron Lee an artist

138

00:05:53,210 --> 00:05:51,419

nanetta nappy were enjoying the sunset

139

00:05:55,010 --> 00:05:53,220

on her Terrace in the Stonehenge

140

00:05:57,529 --> 00:05:55,020

apartment complex

141

00:05:59,870 --> 00:05:57,539

I just said what the heck is that out in

142

00:06:03,230 --> 00:05:59,880

the sky I was just staring out and I saw

143

00:06:05,510 --> 00:06:03,240

something that was unidentifiable to me

144

00:06:07,990 --> 00:06:05,520

and annetta and I looked at it and it

145

00:06:10,550 --> 00:06:08,000

wasn't moving it didn't have any sound

146

00:06:12,950 --> 00:06:10,560

and we just followed it with our eyes

147

00:06:15,650 --> 00:06:12,960

and tried to guess what what that could

148

00:06:17,570 --> 00:06:15,660

be had it had a motor sound to it I

149

00:06:19,670 --> 00:06:17,580

would not have been suspicious but the

150

00:06:21,890 --> 00:06:19,680

fact that it was so silent and large it

151

00:06:23,510 --> 00:06:21,900

was a large shaped object it drew my

152

00:06:26,930 --> 00:06:23,520

attention even further I might have just

153

00:06:29,330 --> 00:06:26,940

ignored it it was oval and it had two

154

00:06:31,730 --> 00:06:29,340

three sets of Lights underneath it and

155

00:06:34,790 --> 00:06:31,740

it just kept stationary in the sky for

156

00:06:38,390 --> 00:06:34,800

five ten minutes and then at some point

157

00:06:41,809 --> 00:06:38,400

it just took off and went South in a

158

00:06:45,909 --> 00:06:41,819

fashion without gaining momentum but

159

00:06:49,309 --> 00:06:45,919

just going straight off with uh

160

00:06:52,249 --> 00:06:49,319

accelerated speed beyond what I was used

161

00:06:54,650 --> 00:06:52,259

to seeing and shortly after that very

162

00:06:56,930 --> 00:06:54,660

shortly we saw her we heard

163

00:06:59,029 --> 00:06:56,940

noise and and then sore military

164

00:07:02,210 --> 00:06:59,039

aircraft following it

165

00:07:04,790 --> 00:07:02,220

the next day sightings of this UFO were

166

00:07:06,469 --> 00:07:04,800

reported in the Press nanetta was not

167

00:07:08,749 --> 00:07:06,479

one of the people who had called the

168

00:07:11,090 --> 00:07:08,759

local officials you want to talk about

169

00:07:13,189 --> 00:07:11,100

things that people could think that

170

00:07:16,490 --> 00:07:13,199

you're a little strange thinking about

171

00:07:18,550 --> 00:07:16,500

it I was in denial about it because I

172

00:07:21,129 --> 00:07:18,560

didn't want to accept or believe

173

00:07:24,710 --> 00:07:21,139

but this thing was

174

00:07:27,110 --> 00:07:24,720

did not have a rational reason behind it

175

00:07:30,050 --> 00:07:27,120

two years later in the same area of New

176
00:07:32,450 --> 00:07:30,060
Jersey disc jockey Dave Delia claims he

177
00:07:35,270 --> 00:07:32,460
witnessed an unidentified flying object

178
00:07:37,249 --> 00:07:35,280
on Saint Patrick's Day in 1988 over

179
00:07:39,950 --> 00:07:37,259
North Hudson Park

180
00:07:42,350 --> 00:07:39,960
Dalia says he was driving home when he

181
00:07:44,450 --> 00:07:42,360
noticed something in the sky he pulled

182
00:07:46,070 --> 00:07:44,460
over as I'm standing there it's getting

183
00:07:48,529 --> 00:07:46,080
closer and closer

184
00:07:50,689 --> 00:07:48,539
no noise at all

185
00:07:53,510 --> 00:07:50,699
but the lights that made up the triangle

186
00:07:55,430 --> 00:07:53,520
were white I mean the the Diamond were

187
00:07:57,710 --> 00:07:55,440
white and green

188
00:07:59,809 --> 00:07:57,720

Dalia returned to his car and followed

189

00:08:02,510 --> 00:07:59,819

the UFO down the parkway for several

190

00:08:05,210 --> 00:08:02,520

miles noting the shape of The Craft

191

00:08:06,529 --> 00:08:05,220

the shape of the UFO was a diamond shape

192

00:08:08,870 --> 00:08:06,539

like this

193

00:08:10,490 --> 00:08:08,880

where my thumbs are was basically the

194

00:08:12,230 --> 00:08:10,500

part that was coming toward me

195

00:08:15,890 --> 00:08:12,240

that's how it was flying

196

00:08:18,589 --> 00:08:15,900

in 1993 five years after Delia's

197

00:08:21,230 --> 00:08:18,599

reported 1988 siding another North

198

00:08:23,390 --> 00:08:21,240

Bergen resident Anne karlovich who had

199

00:08:26,210 --> 00:08:23,400

been skeptical of the earlier obarsky

200

00:08:28,369 --> 00:08:26,220

sighting claimed she too was an

201
00:08:29,570 --> 00:08:28,379
eyewitness to an unidentified flying

202
00:08:32,089 --> 00:08:29,580
object

203
00:08:35,209 --> 00:08:32,099
I saw this very kind of a elliptical

204
00:08:37,670 --> 00:08:35,219
shaped large light shining and I looked

205
00:08:40,670 --> 00:08:37,680
at it and I said Gee wow what is that

206
00:08:44,029 --> 00:08:40,680
and it was seemed to be moving very

207
00:08:47,210 --> 00:08:44,039
slowly but I wasn't sure and then as I

208
00:08:50,030 --> 00:08:47,220
turned my car around it was gone

209
00:08:52,009 --> 00:08:50,040
so I came into the house and my

210
00:08:55,190 --> 00:08:52,019
son-in-law and daughter were here

211
00:08:56,930 --> 00:08:55,200
and I said to Joe my son-in-law said wow

212
00:09:01,009 --> 00:08:56,940
did I see something strange on Boulevard

213
00:09:04,970 --> 00:09:01,019

East and he said I saw it too it had a

214

00:09:08,329 --> 00:09:04,980

sort of eerie glow it looked metallic

215

00:09:11,210 --> 00:09:08,339

and was was very well lit

216

00:09:13,210 --> 00:09:11,220

like with a fluorescent

217

00:09:16,630 --> 00:09:13,220

bright

218

00:09:21,230 --> 00:09:16,640

kind of light as I recall it to be a

219

00:09:23,090 --> 00:09:21,240

blimp-like object like an elongate

220

00:09:27,470 --> 00:09:23,100

looking ellipse

221

00:09:29,750 --> 00:09:27,480

you know elliptical sphere if you will

222

00:09:31,910 --> 00:09:29,760

Joe bass remembers reading the next day

223

00:09:34,190 --> 00:09:31,920

in the local newspaper that all the

224

00:09:36,170 --> 00:09:34,200

blimps in the area had been grounded due

225

00:09:39,350 --> 00:09:36,180

to foggy weather

226

00:09:42,170 --> 00:09:39,360

I know it wasn't I know that it wasn't

227

00:09:45,110 --> 00:09:42,180

some sort of uh

228

00:09:47,210 --> 00:09:45,120

lights on the clouds or Media or

229

00:09:50,030 --> 00:09:47,220

anything like that I suspect it was

230

00:09:52,910 --> 00:09:50,040

either some kind of government aircraft

231

00:09:54,530 --> 00:09:52,920

some Air Force kind of aircraft that

232

00:09:56,690 --> 00:09:54,540

they don't let on that they have

233

00:09:58,550 --> 00:09:56,700

aircraft of this Titan it wasn't a plane

234

00:10:02,750 --> 00:09:58,560

it wasn't a helicopter it was like a

235

00:10:06,230 --> 00:10:04,130

um

236

00:10:09,350 --> 00:10:06,240

it is quite clear that people in this

237

00:10:11,870 --> 00:10:09,360

area believe they are seeing UFOs but

238

00:10:14,870 --> 00:10:11,880

are they alien spacecraft

239

00:10:16,730 --> 00:10:14,880

since World War II reports of UFO

240

00:10:19,670 --> 00:10:16,740

sightings have grown to Merit a system

241

00:10:21,590 --> 00:10:19,680

of classification a way to categorize

242

00:10:23,389 --> 00:10:21,600

people's claims

243

00:10:25,130 --> 00:10:23,399

this method was developed by an

244

00:10:28,009 --> 00:10:25,140

astronomy professor at Northwestern

245

00:10:30,590 --> 00:10:28,019

University J Allen heineck

246

00:10:32,990 --> 00:10:30,600

it was he who coined the phrase Close

247

00:10:37,730 --> 00:10:33,000

Encounter of the Third Kind to describe

248

00:10:43,850 --> 00:10:39,889

Philip embrogno collaborated with

249

00:10:45,470 --> 00:10:43,860

heineck on his final book in 1987. they

250

00:10:48,170 --> 00:10:45,480

collected accounts of East Coast

251
00:10:50,690 --> 00:10:48,180
sightings which imbrogno says number

252
00:10:53,030 --> 00:10:50,700
into the thousands as it began to

253
00:10:54,710 --> 00:10:53,040
investigate more cases I began to

254
00:10:57,470 --> 00:10:54,720
realize that I was just touching the tip

255
00:10:59,269 --> 00:10:57,480
of the iceberg actually over in a period

256
00:11:01,850 --> 00:10:59,279
of five years there were seven thousand

257
00:11:04,850 --> 00:11:01,860
sightings now they were made by people

258
00:11:08,650 --> 00:11:04,860
who are pillars in the community police

259
00:11:10,970 --> 00:11:08,660
officers Pilots lawyers Educators

260
00:11:12,410 --> 00:11:10,980
scientists Executives from major

261
00:11:15,650 --> 00:11:12,420
corporations

262
00:11:17,590 --> 00:11:15,660
all saw an object that they considered

263
00:11:20,690 --> 00:11:17,600

to be larger than a football field

264

00:11:23,389 --> 00:11:20,700

flying overhead

265

00:11:26,030 --> 00:11:23,399

psychologist Hubert dolezal maintains

266

00:11:27,710 --> 00:11:26,040

that UFO Believers are mistaken in what

267

00:11:29,690 --> 00:11:27,720

they think they are seeing

268

00:11:31,790 --> 00:11:29,700

what we're looking at is a perceptual

269

00:11:34,850 --> 00:11:31,800

phenomenon where the background

270

00:11:37,610 --> 00:11:34,860

information is either dark conditions or

271

00:11:40,009 --> 00:11:37,620

dust conditions and where there's very

272

00:11:42,889 --> 00:11:40,019

little visual structure against which

273

00:11:45,530 --> 00:11:42,899

the object appears add to that

274

00:11:49,990 --> 00:11:45,540

the question of does this person have

275

00:11:52,430 --> 00:11:50,000

myopia nearsightedness and astigmatism

276

00:11:53,630 --> 00:11:52,440

suffers from any other kind of visual

277

00:11:55,490 --> 00:11:53,640

defect

278

00:11:58,030 --> 00:11:55,500

and now you're looking at the question

279

00:12:00,410 --> 00:11:58,040

of not only unidentified

280

00:12:04,490 --> 00:12:00,420

moving objects but unidentified

281

00:12:07,430 --> 00:12:04,500

stationary objects I know what I saw

282

00:12:12,110 --> 00:12:07,440

say ice no I saw something that didn't

283

00:12:16,850 --> 00:12:14,690

syndicated columnist Sally Deering grew

284

00:12:19,430 --> 00:12:16,860

up in the North Bergen area she's heard

285

00:12:22,430 --> 00:12:19,440

dozens of the local UFO stories and she

286

00:12:24,050 --> 00:12:22,440

thinks any belief in aliens and UFOs is

287

00:12:26,990 --> 00:12:24,060

ridiculous

288

00:12:28,730 --> 00:12:27,000

they jump to UFO you know and I think

289

00:12:30,230 --> 00:12:28,740

they jump to that too quickly you know

290

00:12:32,690 --> 00:12:30,240

there's a lot of ways you could explain

291

00:12:34,190 --> 00:12:32,700

a lot of these things that we see and I

292

00:12:35,810 --> 00:12:34,200

think that people just want to believe

293

00:12:37,370 --> 00:12:35,820

you know they'll go from a to alien

294

00:12:38,930 --> 00:12:37,380

before they'll go to A to B and I

295

00:12:40,910 --> 00:12:38,940

remember back in the early 70s how we

296

00:12:43,150 --> 00:12:40,920

would read books you know Robert

297

00:12:46,910 --> 00:12:43,160

Heinlein says Stranger in a Strange Land

298

00:12:49,250 --> 00:12:46,920

protvanicus books and we would accept uh

299

00:12:51,949 --> 00:12:49,260

science fiction as some kind of metaphor

300

00:12:53,810 --> 00:12:51,959

for uh what we were living in at the

301

00:12:56,810 --> 00:12:53,820

time you know we the sort of feeling

302

00:12:59,629 --> 00:12:56,820

about being outcasts in a society

303

00:13:01,670 --> 00:12:59,639

are alienated people confusing Science

304

00:13:04,490 --> 00:13:01,680

Fiction with reality

305

00:13:07,310 --> 00:13:04,500

according to Professor dolezal those who

306

00:13:09,290 --> 00:13:07,320

claim to see aliens and UFOs may be

307

00:13:11,569 --> 00:13:09,300

experiencing the psychological need to

308

00:13:13,970 --> 00:13:11,579

be a part of a trend something bigger

309

00:13:16,129 --> 00:13:13,980

than themselves thus latching on to

310

00:13:18,410 --> 00:13:16,139

observations which have little or no

311

00:13:21,290 --> 00:13:18,420

supporting evidence what I do believe is

312

00:13:24,710 --> 00:13:21,300

going on it's the proverbial bandwagon

313

00:13:28,129 --> 00:13:24,720

effect that it's popular to be included

314

00:13:30,230 --> 00:13:28,139

and to be part of this it is becoming

315

00:13:31,610 --> 00:13:30,240

more and more accepted the illness of

316

00:13:35,509 --> 00:13:31,620

your nuts or there's something wrong

317

00:13:37,550 --> 00:13:35,519

with your brain or your liar is has been

318

00:13:40,670 --> 00:13:37,560

vastly decreased I think people are more

319

00:13:42,110 --> 00:13:40,680

open to the possibility I believe every

320

00:13:43,730 --> 00:13:42,120

human being wants to be part of

321

00:13:45,889 --> 00:13:43,740

something that is special that is

322

00:13:47,930 --> 00:13:45,899

important that is exciting certainly the

323

00:13:49,670 --> 00:13:47,940

Advent of human beings becoming more

324

00:13:53,030 --> 00:13:49,680

sophisticated in terms of space travel

325

00:13:55,370 --> 00:13:53,040

on yearnings to be in space and and to

326

00:13:58,009 --> 00:13:55,380

populate other planets I think all of

327

00:14:01,129 --> 00:13:58,019

that is fueled and reasonably so this

328

00:14:03,650 --> 00:14:01,139

entire belief system and movement

329

00:14:05,930 --> 00:14:03,660

although Skeptics like Professor dolis

330

00:14:07,490 --> 00:14:05,940

all give compelling reasons why people

331

00:14:08,509 --> 00:14:07,500

think they see things which are not

332

00:14:10,730 --> 00:14:08,519

really there

333

00:14:13,550 --> 00:14:10,740

Believers remain irritated by the

334

00:14:16,490 --> 00:14:13,560

general skepticism they encounter

335

00:14:19,069 --> 00:14:16,500

Franco barsky is still perplexed by his

336

00:14:22,069 --> 00:14:19,079

father's alleged experience it really

337

00:14:25,009 --> 00:14:22,079

bothered him that that people

338

00:14:27,590 --> 00:14:25,019

thought he was lying about this and

339

00:14:29,810 --> 00:14:27,600

that's the thing that I find the most

340

00:14:31,069 --> 00:14:29,820

compelling about about this whole story

341

00:14:32,930 --> 00:14:31,079

and the thing that I have the most

342

00:14:35,090 --> 00:14:32,940

trouble with is I suppose it is

343

00:14:37,210 --> 00:14:35,100

frightening because it's the unknown you

344

00:14:40,430 --> 00:14:37,220

know things that are not really

345

00:14:44,449 --> 00:14:40,440

part of the known are frightening

346

00:14:48,470 --> 00:14:46,310

I could be wrong but I think that was

347

00:14:49,910 --> 00:14:48,480

really a once in a lifetime
